## Around Our Town

Miss Kathryn Miller and Mrs. Morley C. Wickware and three children of Valier, Montana, arrived Saturday noon. Mrs. Wickware will visit this summer at the home of her mother, Mrs. Isabel Miller, the other daughter taking up her residence here, having been engaged as principal of the local high school for the coming school year.

Mrs. W. D. Riggs was pleasantly remembered and greatly surprised on the afternoon of Monday when her Sunday school class from the Methodist church called upon her at her home remaining a short time and leaving a beautiful bon bon dish as a parting gift before her departure for Ann Arbor. The young ladies in the class are seven and eight years of age.

Master Howard Lepla, son of Harry Lepla, who was the victim of a bad accident occurring at the railroad yards several weeks ago when he fell between two cars receiving a serious injury about the head, will return in the immediate future to his home, they say about as good as new. Congratulations are not amiss as it was a narrow escape from life-long disability.

A. H. Higgins and family have a delightful treat in prospect intending to go by auto next Monday to Rochester to attend the golden wedding anniversary of Mr. Higgins' parents, Mr. and Mrs. James Higgins. Five children, three daughters and two sons, and four grandchildren are all expecting to be present to enjoy the celebration with the beloved home folks.

Richmond McLean of Argyle returned Saturday evening with his discharge papers in his pocket, having just received them at Camp Custer. Mr. McLean had spent ten months in France and had some peculiar but nevertheless very pleasant experiences while there. A brother of his, who has been located for several years in the Canadian Northwest and whom Richmond had not seen for about five years, crossed his path several times during their stay on a foreign shore.

A grand social affair occurred last week Thursday, June 19, in the city of Flint at which one of Cass City's boys was an honored guest. It was the event of the meeting of the 351st Ambulance Corps of Flint held in the Elks Temple, most of the members of the original company being present. Norman McGilvray, being "one of them," enjoyed the privilege of attendance at the elegant banquet provided and an enthusiastic and reminiscent hour was spent to the accompaniment of the finest orchestral music.

Alvin Benkelman, son of Mr. and Mrs. John Benkelman, enjoyed the gratifying experience this week of receiving his degree from the University of Michigan as B. S. in Ch. E. (Bachelor of Science in Chemical Engineering), having successfully completed the prescribed course. Mr. Benkelman is the first man from this locality to finish this particular branch of study. Roy Harris, Wm. McInnes and Ned Johnson are all specializing in the same line of work.

Luke Wright had a pleasant surprise at his home here on his 75th birthday June 12 when 14 of his neighbors walked in, each carrying a basket filled to overflowing with the season's best of things to eat. When they left for home, the celebration was not at an end however as the following Sunday (being unable owing to the stress of farm work to appear on his birthday), 22 of his children and grandchildren repeated the happy stunt and spent the day with Mr. Wright, wishing him many more happy returns of the day.

Rev. and Mrs. A. H. Butzbach leave today for Owosso to attend a convention of the Woman's Missionary Society. Mr. Butzbach will deliver an address Saturday night. They will attend the Butzbach family reunion at Benton Harbor July 4 and will then go to Kalamazoo to attend a missionary rally on Sunday, July 6. Rev. Butzbach will deliver two addresses on this occasion and his wife will give an address before the Sunday School. Both have served several years as missionaries in China and are intensely interested in mission projects. Miss Florence Striffler will accompany them to Owosso and attend the convention in that city.

At a meeting of the ministers of the town and a few officials from each church held Sunday last, it was voted to hold union services of all the societies Sunday evenings during the months of July and August. They will convene in fine weather either upon the lawn adjoining Pleasant Home Hospital or the school grounds, and when rain makes such an arrangement unfavorable, the gathering will be in one of the churches. Next Sunday evening in case of inclement weather, the Baptist church will be the place of meeting; otherwise on one of the aforementioned lawns.

At Shabbona July 4, Hemans and Shabbona play base ball and Cass City plays the winners. Both games take place in the afternoon.

Pvt. John Sullivan of Fort Benj. Harrison, Ind., visited at the home of John McLellan last Thursday afternoon. He had been enjoying a furlough at Detroit and Gageton and stopped at Cass City on his return trip to Fort Harrison.

Lightning damaged the residence of Scott Brotherton to a small extent last Thursday. Joseph Crawford in Grant township had the misfortune to lose three fine head of cattle the same day through lightning as they stood near a wire fence. One of them was a thoroughbred cow.

W. R. Kaiser is making an effort to reunite all the members of the Home Guard Company to attend the 4th of July celebration at Caro next week in uniform. The plan is also for the boys to go later in the season on a camping expedition to Point aux Barques.

Misses Laverne and Lucile Gamble were guests of their aunt, Mrs. C. O. Lenzner, and other relatives here Sunday and Monday. Both young ladies are nurses. The former has just returned from overseas service and the latter is employed in a Chicago hospital.

Mrs. Sarah McWebb and Miss Dorothy McPhee left Tuesday for Kalamazoo where Mrs. McWebb is visiting her sister, Mrs. M. Miers. Miss McPhee expects to pursue a course of study at the summer session of the State Normal College in that city.

J. A. Caldwell has embarked in the real estate business and will handle both village and farm properties. With the increased value and demand for property in this community there will be many changes of ownership and John has made up his mind to engineer several of them.

A pleasant family reunion took place Sunday at the home of Levi Delong on South Seeger St. when the families of John Dickinson of Bad Axe, John Delong, Dan Delong of Cumber, and Ernest Reagh of Cass City were all present. Mrs. Wright of Deckerville was a guest.

Earl Heller had a fine, new oven installed last week at the Heller Bakery which is working very satisfactorily, its capacity allowing an output of 400 loaves of bread a day, baking from 198 to 200 at one time. Mr. Heller says he will have no difficulty now in supplying the demand for bread and expects to have it always on hand.

Mr. and Mrs. P. S. McGregory and daughter, Helen, called on Mrs. Flossie Marshall Sunday and also Mrs. Erb, mother of Mrs. Asa Durkee of Hay Creek. Mrs. Erb is eighty-five years of age and had the misfortune to fall recently, breaking her wrist. The injured member is on the mend and her health is improving as rapidly as possible.

Mr. and Mrs. Wm. Lamb entertained Thursday of last week Mr. Lamb's uncle, Pashal Lamb, and son, Wm. Lamb, and family, all of Jeddo, and this week Mr. Lamb's brother, Del, and daughter, Meryl Lamb, of Detroit are their guests. The two brothers motored to Jeddo Wednesday to remain a few days, taking with them as far as Deckerville Mrs. Lamb's sister, Miss Mary Randall, who after a few days' visit in Port Huron leaves for Biggar, Sask., to remain throughout the summer with her sister, Mrs. Elisha Clark, who is located there.

## 114 ATTENDED WAITE-LEWIS REUNION TUESDAY

Relatives Were Present from Canada, Port Huron and Flint. Fine Program Given.

Robert and Lee Lewis, Wm. Daniels and Tom Hutchinson of Flint with their families have been guests at the home of Hiram Lewis on Houghton St. a few days this week, having come at this time to attend the Waite-Lewis reunion which occurred Tuesday afternoon at the old family home of the Waites, one and three-fourths miles south of Shabbona. Relatives were present from Canada, Port Huron and Flint the entire number gathering at the festive board being 114.

A fine program was arranged for the afternoon at which entertaining speeches were given by Rev. Mr. Thompson of Shabbona, the Messrs. Hutchinson and Baldwin of Flint and Mr. Atkinson, a returned soldier, who served four years in the Canadian army. Mrs. A. J. Knapp also made a few appropriate remarks and some very excellent music was furnished by Mr. and Mrs. Baldwin of Flint. Some who were present declare one might search in vain to find a happier or better satisfied bunch than they, especially on the arrival of the hour when the chairs were drawn up for the "eats" which were bountiful and delicious. Mr. and Mrs. Daniel Waite proved themselves to be an ideal host and hostess doing all possible for the comfort of their friends. Mr. and Mrs. A. J. Knapp and Mr. and Mrs. Chas. Ewing of Cass City and Mr. and Mrs. Stitt of Shabbona were guests.

## FRUIT CROP IS BADLY DAMAGED

EASTERN SANILAC COUNTY POINTS FEEL EFFECTS OF STORM.

Windows Are Broken and Many Roofs Are Torn from Buildings.

Trees were uprooted, buildings torn down and crops beaten into the ground near Lexington Thursday afternoon by one of the most destructive wind and hail storms that has visited that section of the state in years. The storm came up suddenly and hail stones, measuring an inch in diameter, were driven through windows in many instances.

The wind attained cyclonic velocity at times, tearing roofs from buildings, and uprooting large trees. The highways were blocked by fallen trees in many places.

Wheat, oats and rye in places were beaten down and will be a total loss it is believed, while strawberry vines were torn to shreds and the fruit, which growers had just started to harvest was entirely destroyed. It is not believed that the corn crop was damaged to any great extent, although some fields presented a sickly appearance. Where the storm was most severe, green apples and other fruit covered the ground under trees.

Telephone and telegraph wires are down in some places, but the damage in this respect was not severe. The storm was sporadic in its nature. At Carsonville, only a few hail stones fell, and the wind was not strong, and in some sections of Lexington township there was practically no hail nor wind.

## CLELAND-LANE.

A very quiet wedding ceremony was performed on Tuesday, June 24, at the home of Mr. and Mrs. Robt. Cleland when their daughter, Mabel Virginia, was united in marriage to Dr. Warner Durelle Lane, son of Mr. and Mrs. I. D. Lane of Bad Axe. Rev. Kemp of the Episcopal church of Bad Axe read the service.

Miss Cleland is a graduate of the Michigan State Normal College and for the past two years has been teaching in the Detroit public schools. Dr. Lane graduated in February 1919 from the Detroit College of Medicine and Surgery and is a member of the Phi Phi Sigma fraternity.

The guests were Mr. and Mrs. I. D. Lane of Bad Axe, Mr. and Mrs. G. C. Cleland of Detroit, and Miss Hester McKim of Cass City. Following the ceremony a three-course dinner was served, after which Dr. and Mrs. Lane left on a motor trip to Saginaw and Alpena. They will be at home in Pt. Austin, Mich.

The bride is well known and highly esteemed by Cass City people having made this her home for some time past and having been dearly beloved as a teacher in the local school. Her many friends unite in hearty congratulations and sincere wishes for a long, and happy wedded life.

## MOONSHINE STILL TAKEN BY SHERIFF

TWO ITALIANS AT VASSAR ARRESTED AND HELD FOR TRIAL.

Other Items of Interest from Villages of the Thumb Counties.

Sheriff Wm. M. Morris swooped down upon another illicit still, and brought the still, two operators and materials to the county jail, where the alleged moonshiners are awaiting the next term of circuit court. This is the third still to be brought to the county jail. This time the trap was closed on two Italians of Vassar township. They are charged with operating a young distillery on a farm three miles east and one-half mile north of Vassar. It was evident that they had been "busy" in the manufacture of whiskey, as three barrels of what proved to be raisin whiskey was found on the farm and is now at the county jail. The men will both be deported to Italy as soon as the courts release them from their present trouble.

Sheriff McAulay is keeping close tabs on careless and reckless auto drivers in Hylon county. He says that some of them are likely to be refused a license after August 14. ## AUTOS PROVIDED FOR ELKLAND SOLDIERS JULY 4

Mrs. Cootes Asks All Soldiers that Wish Means of Travel to Notify Her.

Plans are completed for conveying all Elkland township soldier boys and their parents to the Jubilee celebration at Caro July 4. Those who haven't automobiles in which to make the journey are requested to call Mrs. J. B. Cootes, chairman of the Elkland Township Red Cross, and inform her regarding the number in the family desiring to go. She is anxious to have this information early so that she may know the number of automobiles that it will be necessary to provide for the use of the soldier boys and their parents.

Automobiles provided for this purpose will gather at the Cootes' Hardware corner at 8:30 a. m. July 4.

Arrangements have just been completed for a government airplane at Caro July fourth. The machine will arrive from Selfridge Field probably in the forenoon and give exhibition flights for the entertainment of the Jubilee celebrants.

County Red Cross officials, on being informed that some of the soldier boys are without uniforms, ask the Chronicle to announce that those not so equipped will be given badges, "Returned Soldier," which will entitle them to all the privileges of the day. The officials are anxious for a full representation of soldiers from all over the county as this is "their day" and the Red Cross desires to show them a good time. Automobiles will be at the disposal of the soldiers.

## BRYANT TRUNK LINE BILL PASSED

ADDS 500 MILES TO THE TRUNK LINE SYSTEM OF STATE OF MICHIGAN.

State Senator Scully Writes Very Hopefully Regarding Earle Memorial Highway.

State Senator Chas. B. Scully is very hopeful regarding the Earle Memorial Highway which, according to the plans of the committee, will traverse the entire distance across Elkland township, east to west, through Cass City. In a letter to I. B. Auten, chairman of the Elkland township committee, Mr. Scully says: "I am happy to advise you that the Bryant Trunk Line bill, making it possible for an addition not to exceed five hundred miles to the Trunk Line System of Michigan, has passed the Senate and the House in its original form.

"This is a wonderful winning for us as this leaves the determination as to where the roads will be placed at the discretion of the Highway Commissioner, Mr. Rogers. I am confident with Mr. Rogers and the governor in sympathy with our proposition, and with the backing of Mr. Earl and our association, we will be able to get the desired route.

Mother of Thousands.

The destruction wrought on all but the hardest wood by the white ant, or termite, is not surprising when a few facts are known of its prolific character. A nest, some six feet in height, was found in the tropics, and about one foot below the level of the ground was a conical mound of hard earth. Inside this dwelt the queen mother. After careful observation she was found to lay 9,120 eggs in an hour. On account of her great size she was unable to leave her cell, her only function being to lay eggs.

Reason for Term "Royal."

Naturally there is a good reason for calling golf a royal game, inasmuch as it was the favorite sport of the kings and queens of Scotland and England, as well as the dukes and earls in ancient times. King Charles, King James I, II, VI, Queen Mary of Scots and others were pre-occupied among the lovers of the recreation. Advertise it in the Chronicle.

## A Boy Can Run a John Deere Dain Mower

While you are getting things in shape for making hay, put your boy on the John Deere Mower and let him do the cutting—he will do it just as well and just as easily as you can do it.

Because of the powerful lift, he can easily raise the cutter bar to pass over any field obstruction or to extreme height, when necessary. A foot lever, working in conjunction with the hand lever, makes the lift simple and easy.

He will never have to back up to get a start, even in the heaviest hay. The knife starts cutting the instant the mower is thrown in gear—no lost motion.

You will see big advantages in the drive on this machine—it's extremely simple—the gears are so placed that one set holds the other set in mesh constantly. The John Deere will cut all of the grass for years to come—a simple adjustment takes up all lag in the cutter bar, without affecting the centering of the knife. If the knife ever needs re-centering, a special adjustment is provided.

The John Deere is the simplest, most powerful and best-built mower we have ever seen. We know it will appeal to you.

Come in—it's to your advantage, to know all about this mower before you buy. While at our store, we want you to see the rest of our line of haying and harvesting machinery. We have a line of machines you can use with satisfaction and profit.

## IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicting people today can be traced back to kidney trouble. The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood. Kidney disease is usually indicated by weariness, sleeplessness, nervousness, dizziness, headache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago. All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammations and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil. After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks. Notice to Water Users. The Village of Cass City desires to give patrons who pay for the convenience of city water good service. This cannot be done with useless waste going on. Much complaint is made against people who use a hose to wash cars and water gardens without paying lawn service; also against use of hose out of specified hours. When you use water without paying for it you are using extra coal at the power house. Keep all leaks repaired. That will save coal. Special Notice—In case the fire alarm is sounded shut every faucet, especially the hose. J. C. FARRELL, Village Clerk.
