## ALL AGREE 'T WAS A FINE EXHIBITION

EXCEPTIONALLY FINE EXHIBITS, FREE ATTRACTIONS AND CLOSE RACES.

Weather Conditions Ideal; Large Crowds Attended the Cass City Fair Last Week.

"Best fair in Cass City in 20 years."  
"Never had a better fair."  
"Exceptionally fine exhibits and attractions."

Expressions like these were heard on all sides as the Cass City fair closed its 30th annual exhibition Friday. Secretary Crandell and other officers and co-workers of the fair are complimented for the exceptional exhibits and the high-class special free attractions, ball games and races.

Weather conditions were ideal. Tuesday and Wednesday were fine August days with just the right temperature for comfort. Thursday morning brought a heavy downpour of rain and the weather looked bad for over an hour, but by ten o'clock the sun smiled again, and while the shower kept farmers from hauling in grain, it didn't keep them away from the fair in the afternoon when a large crowd gathered. Here again was demonstrated the advantage of August fair dates when a morning's rain will not mar an afternoon's pleasure.

Exhibits in the live stock and poultry departments were exceptionally fine, both in quality and numbers. Beef cattle and swine departments had splendid showings. In the first named were cattle which were scheduled for the Detroit and Grand Rapids fairs and in the swine department were two herds of Durocs of which there are none better in the state and the Crandell herd of O. I. C's which carry the honors in the nation.

L. C. Kelley of Plymouth exhibited a fine herd of Polled Durhams and Shorthorns, Crandell & Reagh some choice Shorthorns and S. F. Bigelow a herd of beautiful Hereford cattle.

Rush Bros. and Inwood Bros., both of Romeo, showed Duroc swine and Orta Delong & Son of Cass City the foundation for a fine herd of Berkshires. Crandell's Prize O. I. C's which have captured a multitude of prizes at the biggest fairs in the United States were objects of admiration.

Knight & Sons with Lincolns and L. C. Kelley with Shropshires brought exhibits which held the attention of farmers interested in the sheep industry and Geo. Ackerman of Elkton and Hobart & Jones of Caro had the largest showing in the horse department.

"The man who says that people don't care for the live stock exhibits at the fair any more and they want only amusements would have been surprised if he had been in the live stock section Thursday afternoon," a director of the fair remarked to the Chronicle Friday morning. "Why the aisles were so crowded with people that stock judging had to be adjourned until this morning."

The scarcity of fruit was apparent by the small displays of apples and peaches in the agricultural hall, but displays by the Deford Farmers' Club and the Riverside Farmers' Club helped make this building attractive. County Agent MacVittie had a very fine exhibit for the Farm Bureau. It consisted principally of pedigreed grains grown by the Tuscola county farmers and balanced rations for dairy cattle. Each bunch of grain was properly labeled and described and the exhibit attracted much attention from those interested in agriculture.

Poultry surpassed all showing of previous exhibitions. The poultry house couldn't hold all the exhibits and an overflow meeting of all kinds of geese was held adjacent to the building. There were all kinds, complexions and sizes of fowls.

Officials of the fair certainly had a happy thought when they conceived the tractor exhibit. It was just what the farmers wanted. The fields of the Orr farm adjoining the fair grounds furnished an ideal spot for the tractors to plow, harrow, disc and roll the soil and their operations held the close attention of progressive farmers and their wives. Four hundred people left the grounds Thursday afternoon while the races and special attractions were on to see the tractors do their stunts on the Orr farm. President Hugh Cooper met an Elkland township farmer Friday morning who told the fair official that he was going down to the grounds to see the fair that day. "Why haven't you seen the sights yet?" asked the surprised president. "Not a one," answered the agriculturalist, "I've been too busy watching the tractors."

The fair was particularly fortunate in booking special free attractions in that every one was of a high class and out of the ordinary. The Four Roeders and Alvin Brothers presented feats that combined skill, strength and cleverness to a remarkable degree. Both teams gave high class performances. Henderson's Pipe Band from London won the admiration of the crowd. The juvenile dancers did exceptionally well and the pipe music set the blood tingling in many a Scot and his descendants. The Hendersons proved to be all that was claimed for them. The Cass City Band added to the pleasure of the occasion by contributing musical selections during three afternoons of the fair.

The horse races were thrillers. Just what Lester Bailey, supt. of the speed department, told the horsemen is not known but it was evident that they were there to get or try to get the money. Every heat was a race and each one was watched with keen interest by the crowd.

## GRANT FARMER LOSES BARN AND CONTENTS BY FIRE

Spontaneous Combustion Caused Conflagration in Barn on Edward Brown Farm Tuesday.

On Tuesday morning while Edward Brown was milking in the lane by his house six miles north of Cass City, Mrs. Brown drew his attention to smoke rising from the barn roof, and upon investigation, discovered the interior a mass of flames.

Mr. Brown ran to the stable and untied the horses which were the only live stock in the barn at the time. He found it impossible to save anything else from the building on account of the smoke and flames.

The barn contained the season's hay crop, besides 75 bushels of old grain, a bean separator, gasoline engine, cutter, three loads of siding which Mr. Brown had on hand to finish his residence, besides several small tools and harnesses. As the wind was so strong, three large stacks of grain which were located near the barn were also completely destroyed.

The total loss is estimated between \$1,800 and \$2,000, with only \$600 insurance. Spontaneous combustion is said to have been the cause of the blaze.

## GOOD ROADS BOOSTERS VISITED CASS CITY WED.

Eighteen good roads boosters from Cass City motored to Marlette Wednesday to escort to Cass City a party of good road enthusiasts from Detroit, Almont and other points along the Earle Memorial Highway. The party consisted of several automobile loads who were out inspecting the Earle Memorial Highway route as adopted by the State Highway Dept. recently.

At their arrival at Cass City at 5:30, I. B. Auten introduced Frank Rathburg, secretary of the Earle Memorial Highway Asso., Mr. Galbraith, president of the Detroit Automobile Club, and Senator Chas. Scully of Almont, all three of the gentlemen giving brief speeches. The party motored to Bad Axe for supper and expected to make the return journey Thursday, stopping at Marlette in the afternoon at a good roads rally and jubilee.

Business men of Inlay City have arranged for a celebration and banquet on Thursday, Sept. 4, to commemorate the securing of the Earle Memorial and Victory highways, both of which pass through that village.

## HOSPITAL NOTES.

The past two weeks have been busy ones at the Pleasant Home hospital which was recently re-opened at Cass City. Mrs. Clyde Davenport of Gagetown underwent a serious operation on Aug. 14 and a second operation six days later. She is getting along nicely. On Aug. 18 Mrs. Chas. Tanner of New Greenleaf and Mrs. Emery Meredith of Decker underwent serious operations and the following day Mrs. John Pringle and Alva Arnold of Decker were both operated upon for appendicitis. Gladys Jackson is improving nicely from an appendicitis operation performed Aug. 22. During the two weeks, Ersel Wallace underwent an operation for tonsillotomy and Dorothy Tindale an operation on the nose, while the following had tonsils and adenoids removed: Winnifred Sabourin, Park Jones, Evelyn Sabourin, Donald Schenck and Phyllis Lenzner.

Miss Helen McIntyre of Uby and Miss Ina Weber of Bay City, both nurses, assisted at the hospital.

Rush Bros. of Romeo, who exhibited swine at the Cass City Fair last week, sold registered Duroc boar pigs to Ray Hulbert and Vernon Carpenter.

## WOMAN AERONAUT FALLS TO HER DEATH

JOYS OF MAYVILLE HOME-COMING CELEBRATION MARRED BY ACCIDENT.

Was Attempting to Make a Double Parachute Drop From 2,000 Feet.

A fatality brought to close the second day of Mayville's three-day home-coming celebration when Lady Anomar, also known as Rose Foster, of Grand Rapids, fell from the balloon she was riding and crashed to earth in a mangled mass of flesh and bones on August 20.

The balloon had attained an altitude of about 2,000 feet to permit a double parachute drop, the first of which was made in the usual manner, but at the time of making the second cutaway the severe strain caused the trapeze bar bearing the woman to give way, precipitating the woman to the ground before the terrified gaze of the spectators.

When picked up in a near-by field one leg was completely broken off and lay near the mangled body. She was to have made a similar ride at Millington the following day at a home-coming celebration. The balloon was owned and managed by Jesse Riley, an aeronaut of Caro.

## WHEAT TESTED FOR SMUT AT M. A. C.

Farmers Having Grain Samples Examined by College—Service Is Free.

The great prevalence of Stinking Smut of wheat in Michigan this last year, and the importance of planting clean seed, has led the botany department of the Michigan Agricultural College to establish a free wheat testing service for the farmers of the state. Samples, which need be no larger than a pint or half pint, will be examined by the centrifuge method and a report on the smut spores found will be made the owner of the sample. Information as to the proper smut treatment for the particular batch of grain, and whether or not it is too smutty to be planted at all, will be given at the same time. Samples should be addressed to the Botany Department, East Lansing, and have the sender's name attached.

Dr. G. H. Coons, plant pathologist at the college, gives the following on treatment for Stinking Smut:

"There are three common ways of applying formaldehyde for the control of Stinking Smut of wheat. In all these methods there is danger of injury to the germination of the wheat unless directions are followed closely, because formaldehyde acts slowly. Wheat so treated must not be covered too long and must be planted at once.

"After securing clean grain of good variety, the farmer should fan the grain thoroughly to remove light, shriveled grains and smut balls. The grain should then be treated by one of the following methods:

1. "Wet Method" (Dilute Formaldehyde): Sprinkle the grain until thoroughly wet with solution of 1 pint of Formaldehyde to 40 gallons of water. Cover with blankets or sacks for 2 hours. Spread out thinly to dry and sow within 12 hours. Formaldehyde treatments are necessary for crop protection but they must be given carefully and with scrupulous attention to directions. Allow for the swollen condition of the grain.

2. "Dry Method" (Concentrated Formaldehyde): The convenience of this method is its chief advantage. Only those who will follow directions carefully should employ it since considerable loss resulted during the past season through improper handling.

Apply formaldehyde full strength, with hand sprayer while the grain is being shoveled over and over. Use at the rate of 1 pint to 50 bushels, ½ pint to 25 bushels, 1-5 pint to 10 bushels, etc. A dose is a dose—this is as strong as formaldehyde can safely be used on wheat.

Cover the Grain 4 Hours—Absolutely No Longer. Then spread to air in a warm, dry place for an hour or two. It is unsafe to leave grain covered or sacked overnight. Formaldehyde cannot be thoroughly aired out of grain. Therefore Plant at once. Treat no more grain than can be sown the same day.

3. "Soak and Skim Method." Excessively smutty wheat is probably unsafe to plant. Stinking Smut can

be practically eliminated, however, by the "Soak and Skim" method: Stir the grain slowly into a solution of one pint of formaldehyde to 40 gallons of water. Then skim off the smut balls and light grain. The grain should be taken out at once, dried, and planted immediately.

## OUT FOR GOVERNOR

Three Detroiters and Present Lt. Governor Want Office.

State politicians are pluming themselves for the race for governor next year. Horatio S. Earle, Alex J. Groesbeck and Major Edwin Denby, all of Detroit, have announced their candidacies and Luren D. Dickinson, the present lieutenant-governor, is also in the running.

## 108 ATTENDED BULLOCK FAMILY REUNION WEDNESDAY

Relatives Were Present from Yale, Capac, Sandusky, Cass City and Several Other Points.

One hundred eight people were in attendance at the annual re-union of the Bullock family which was held at the home of George Bullock in Evergreen township Wednesday, August 27. Relatives were present from Yale, Capac, Deckerville, Sandusky, Cass City, Brown City and Belding. Mrs. John McDonald of Westington Springs, S. D., a friend of the family, had her home the farthest distance from the scene of enjoyment, Mrs. Anna Bullock of Yale, 84 years of age, was the oldest member of the family present and little Margery Bullock of Yale, the youngest.

The day's enjoyment centered around a big dinner served at noon and none enjoyed it more than 16 boys all under 12 years of age who were seated at one table.

This was the first visit of several members of the Bullock family to Evergreen township and they spent part of the afternoon motoring and viewing the fine farms in that section. Others had lots of fun at a ball game.

The 1920 re-union will be held at the home of Dick Burton at Yale.

## TERNES-SANDREW

Wedding of Unusual Interest at St. Columbkil Church Aug. 21.

A wedding of unusual interest occurred on Thursday, Aug. 21, when Miss Elizabeth M. G. Ternes, eldest daughter of Mrs. Anna Ternes of Ivanhoe, was united in marriage to Mr. William A. Sandrew, formerly of Harbor Beach, now of Detroit. The wedding took place in St. Columbkil church, with High Mass, in the presence of a large number of friends, Rev. Father Dolan officiating.

The bridal party was composed of the Misses Mavta Kosel of Ruth, and Edna Gentner, of Harbor Beach, as bridesmaids, while Henry Sandrew and Joseph Ternes acted as best men. The bride, who was given away by her brother, Joseph, was very becomingly attired in a gown of white georgette crepe, with hat to match, and carried a bouquet of sweet peas. The bridesmaids were also gowned in white.

After the ceremony a bountiful wedding breakfast was served to the immediate relatives of the happy couple at the home of the bride. Among the out-of-town guests for the day were Mrs. Mathilda Sandrew of Detroit, mother of the groom, Mr. and Mrs. Edw. Schnell, also of Detroit, the Misses Somira and Berinthia Blunt, of Royal Oak, Mr. and Mrs. Somira Sanner, Robert Wade, Mrs. J. Gentner, Miss Genevieve Gentner, and Mrs. Joseph Jębrowski, all of Harbor Beach.

In the evening a wedding dance in St. Andrew's Hall was largely attended by the young people of the community, and by many out-of-town relatives and friends. Mr. and Mrs. Sandrew will make their home in Detroit, and will be at home to their friends at 788 E. Gray Avenue, after Sept. 1.

## SCHOOL OPENS NEXT MONDAY AT CASS CITY

L. O. Hoxie, the new superintendent of school, arrived in Cass City from Albion early this week and is getting everything in readiness for the opening of schools next Monday, Sept. 1. When the Chronicle published the list of teachers a few weeks ago, the position of language teacher was vacant. This has since been filled by Miss Helen Neumann, a graduate of the Michigan State Normal College, who will teach French and Latin. She is also qualified to teach Spanish and history. Miss Neumann taught in the Stanton schools last year.

## PUTMAN-HITCHCOCK

Niclo B. Hitchcock Wins Charming Caro Young Lady as Bride.

At the residence of Robt. J. Putman at Caro on Wednesday afternoon, Aug. 20, immediate relatives and close friends witnessed the ceremony which united in marriage Mr. and Mrs. Putman's younger daughter, Lena, with Mr. Niclo Bond Hitchcock, eldest son of Mr. and Mrs. Geo. L. Hitchcock of Cass City. The impressive ring ceremony was performed by Dr. Donald Morrison of the First Presbyterian church at Cass City.

Yellow and white were the bridal decorations. Vines wreathed the staircase and baskets of yellow and white blossoms gave a touch of color to each room. The archway of the library had been transformed by vines and blossoms into a charming background.

The bride was charming in a beautiful creation of white pussy willow satin and georgette crepe. Her shower bouquet was of white roses. The bridesmaid was Miss Nellie Hamilton of Detroit. She was gowned in yellow georgette crepe and her bouquet was of yellow roses. Mrs. R. J. Putman, mother of the bride, wore gray satin combined with georgette crepe. The groom's attendant was Mr. Carl Martin of Cass City.

A two-course wedding luncheon was served in the dining room where a bridal bell swung by yellow satin ribbons, and tiny yellow baskets of glaze nuts were the favors. The bridal table, trimmed in yellow and white, was

laid in the library where the wedding party was served.

Mr. and Mrs. Hitchcock left immediately after the ceremony for a week's honeymoon at Crescent Beach. They will reside in Caro where Mr. Hitchcock is employed in the automobile business of Cooper & Striffler.

## FIRST OF FALL AUCTIONS.

Guy Allen announces the first of the farm auction sales which will be held this fall. It will be held at the Allen farm, ½ mile east and three miles south of Gagetown, on Wednesday, Sept. 3. Full particulars are printed on page 7.

## SANILAC CO. PAPERS ADOPT MINIMUM ADV. RATE OF 15c

Expenses of Printing Plant Increase 100 Per Cent, but Prices Held to 50 Per Cent Increase.

Sanilac county publishers in convention at Sandusky Friday adopted a flat minimum rate of 15 cents an inch for all local advertising. They also voted unanimously to collect the legal rate for the publication of all matter required by law to be published and will charge all political advertising at the legal rate. Hereafter an auction sale advertisement will cost the same in any Sanilac county paper, the price being fixed at \$6.00 for a quarter page advertisement and \$1.50 for 100 bills from the same type. Thos. N. Graham of Peck is the new president of the association and Joseph Dawe of Deckerville secretary.

The expense of operating a printing plant has advanced over 100 per cent the past three years, but owing to the increased volume of business carried the printers have not advanced their prices more than 50 per cent.

## SOCIAL EVENTS

The young ladies missionary circle of the Evangelical church held their meeting Tuesday evening at the home of Mr. and Mrs. Butzbach. A short program was enjoyed and a social hour was spent after which the hostess served delicious refreshments.

The Priscilla Club journeyed to the beautiful farm home of Mrs. Neil McLarty Monday evening as a surprise and enjoyed a bountiful pot luck supper. Mrs. McLarty was presented with three pieces of Community silver from the Club, of which she has been a prominent member.

The teachers in the primary department of the Presbyterian Sunday school, of which Mrs. Everett Mudge has been superintendent for two years, entertained in her honor at a dinner at the Gordon House Monday evening. Mr. and Mrs. Mudge are leaving for Detroit where they will make their new home.

A pretty birthday party was celebrated Monday afternoon at the home of Mr. and Mrs. Charles Day when Miss Virginia and Master John entertained twenty of their little friends. Various games were played after which ice cream, assorted cakes, including two birthday cakes, wafers and candies were served. Virginia and John received many pretty and useful presents.

Eighty-five were present at the Holcomb family reunion held at the home of Mr. and Mrs. Herbert Holcomb near Wilmot last Wednesday. At noon the guests sat down to tables groaning with a bounteous dinner. The afternoon was spent in games and music with a short program, Senator Chas. Scully, a member of the Holcomb family, giving the principal speech. Relatives were in attendance from Wolverine, Alpena, Almont, Yale and Deckerville. The 1920 reunion meets at the home of Jno. Scully at Almont.

The ladies of the Presbyterian church tendered a farewell to Mrs. E. L. Mudge Tuesday afternoon at the home of Mrs. C. L. Robinson on West Main St. Forty ladies were present and the afternoon was spent with Edison music, reminiscences and social chat and Mesdames Pinney and Schenck sang two duets. At the close of afternoon, a delicious two-course luncheon was served. The honor guest was presented with a silver souvenir spoon, Mrs. F. E. Kelsey in her presentation speech spoke of the community's loss in Mrs. Mudge's leaving and of her well-rounded useful life, as a good neighbor, religious, social and civic worker, her large circle of friends attesting to her worth in the community. Mrs. Mudge responded in a few modest words and told of her enjoyment during the time spent in Cass City and her appreciation to her many friends for making her life here enjoyable.

I AM the happiest woman alive. My baby is on the road to health.

Only a mother can know what that means!

Our doctor told me that the safest way to give him milk was to give him Nestlé's Milk Food which is made out of pure milk modified with just the right amount of sugar and cereal.

He explained to me that making the milk into a fluffy powder breaks up those hard-to-digest curds, so that when you add water and boil just a minute, you have the nearest thing in the world to mother's milk—clean,

safe, and almost sure to agree with a baby's delicate stomach.

That's why I am the happiest woman alive—for my baby is well.

I know that if your baby has trouble with his food, the Nestlé Company will be glad to help you. They will send you free, as they sent me, a big Mother's Book on how to take care of your baby and enough Nestlé's Food for 12 feedings. All you have to do is to fill out and send the coupon. Then you can be with me, the happiest woman in the world—because your baby is well.

Nestlé's is pure Milk

**WICKWARE.**

Mrs. John Caister, sr., and daughter, Laura, returned home Friday from a two weeks' visit with relatives in Canada.

Leland Nicol, Earl Fulcher, Wm. Fulcher and Mrs. Wm. Fulcher, sr., spent Sunday at Port Huron.

Mr. and Mrs. Byron Bennett are visiting at the home of Mrs. Wm. Bennett. Mr. Bennett has been in service in the Canadian army for the

past four years.

Mrs. Frank Bond and daughter, Pauline, returned home Saturday from Detroit after a two week's visit with friends and relatives.

Wm. Burt has purchased a Ford tractor.

Mr. and Mrs. Wm. Merchant are entertaining relatives from Detroit.

**DEFORD.**

Take your raincoat.

Don't sit down on the fly paper.

Children can go barefoot now without much coaxing.

Mrs. Susan Slack spent a few days at Kingston the past week.

Mr. and Mrs. Elmer Bruce have returned from their visit to Colo. Iowa.

We hear that John Retherford has sold his farm on Section 3, Kingston. Mr. and Mrs. Geo. Roberts of Detroit were callers here the past week.

Orson Valentine went Saturday to Oxford for a visit over Sunday. He took the little daughter along.

Len and Josie Patch of Detroit spent last week in this locality visiting and seeing the Cass City fair.

Marriage is called a lottery, but we think there are more prizes than the games of chance we find at the fairs.

Miss Nora Moshier is at Corunna as delegate to the F. M. conference. She expects to be absent about two weeks.

Mr. and Mrs. B. Sharp in the past week entertained Mr. and Mrs. Benj. Willis of Uby, Mrs. Catherine Yakes of Cass City and Mr. and Mrs. Kellelidge of Wells.

The beet weeders that held the parsonage down have lit out, leaving \$8.00 due on rent, so they will be acquainted with the house when they come next year.

Lyman Spencer, a pioneer of Novesta township, is dead at 80 years of age. The writer has known him for 37 years and never saw him ruffled in temper or heard him speak ill of a fellow creature.

Foreigners are just like we are—"good and bad." There are many foreigners among us now and our people often make slurring remarks and when we don't use slurring words, we often think slurring "thinks." 'Tis wrong thinking. If I am fair with myself and my fellow creature, I must think straight and judge the man by his character not by his birthplace.

'Tis surmised that the townline southeast of here is doomed to be a foreign colony. When enough with jawbreaking names gather in to erect a synagogue on jog corners then, and not 'till then, will we prepare to shed tears.

The writer would be fair. There are a lot of plump chickens wandering around his garden grounds. They are yellow legged variety, and if they stay around 'till "Thanksgiving" the high cost of living will be brought down for at least one family in the burg.

Our Websters (?) in papers and magazines are swinging the pen on the "high cost of living." One point they seem to miss. Years ago our day's work on the farm was sixteen hours—now eight hours are called a strenuous day with wages three-fold higher. Then comes the greater cost from the barn to the kettle or the bake pan. If there was no profiteering, bread must be dear. Yet no doubt some are making conditions a little fierce. Thirty cents per lb. for graham cookies to the consumer will wrinkle up a man's religion. Of course, we don't want to use strong language out loud for that sets a bad example before the youth, but mark you, we all "cuss inwardly."

Miss Anna Belle Spencer visited her sister, Mrs. Harvey Palmateer, Friday.

Wm. McCain of Pontiac is spending a week with his cousin, Alvah Spencer.

Mrs. Archie McPhail and daughter, Irene, left last week for their home in Detroit.

Mrs. Wm. Howey and son, Albert, of Clifford visited relatives here last week.

School begins Sept. 1st, with Eber Stewart and Miss Nellie Peters, teachers.

Mr. and Mrs. R. Kennedy and son, Neil, motored to Bay City Sunday to visit Mrs. Kennedy's sister, who is ill.

Mr. and Mrs. Geo. Spencer spent Sunday with their son at Bad Axe.

Bert Lambkin and Seth Spencer are pressing hay east of town.

**NOVESTA CORNERS.**

Mrs. Walter Weeks spent the week-end with her son, Loren, at Mt. Forest.

Mr. and Mrs. George Hicks of Pontiac spent Sunday with the former's parents here.

Mrs. J. Wentworth returned Sunday from a week's stay with her son,

Clayton, in Detroit.

Mrs. Harry McCaughna and son, J. D., of Pontiac called on old friends last week.

Len Patch of Detroit spent a few days last week at the home of Wm. Patch, sr.

Mr. and Mrs. Jas. Collins and brothers, Carl and Elmer Collins, spent Sunday at their parental home here.

The F. W. B. ladies' aid will meet with Mrs. A. L. Sharrard Tuesday, September 2, for dinner. All are cordially invited.

**German Siege of Paris.**

The siege of Paris began on September 15, 1870, and ended on January 28, 1871, when the city surrendered. German troops entered the city in March, 1871, and remaining 48 hours. The eastern part of Paris was bombarded by the Germans on January 8, 1871, and about a week later there was a general bombardment, in which many buildings were damaged and a number of persons killed. After the latter bombardment France appealed to the neutral powers, but received no response.

**Playing Cards.**

Although it is commonly reported that playing cards were invented in France in 1392 to divert Charles VI, D'Allemagne, a French writer on the subject mentions them as being in use in Belgium in 1379, and probably something analogous to them—marked discs or counters—have been employed in the East from remote antiquity. It is now usually thought that it was in Italy playing cards were first made, about 1370, and at Venice.

FAIR

AUGUST-29  
SEPT.-7  
1919

## Reduced Railroad Rates to Detroit

The United States Railroad Administration has granted a round trip rate of one and one-half fares to Detroit during the ten days of the State Fair. This action was taken by the government officials after a thorough investigation of the Exposition proved to them its great educational and entertainment value.

### Government Trophy Exhibit

Realizing that the Michigan State Fair is a great common gathering ground for the residents of the State, the federal government has installed a gigantic industrial and war exhibit. Hundreds of trophies collected by our victorious troops in Europe are exhibited in this state for the first time.

### Six Days of Horse Racing

Hankinson's International Auto Polo Teams Play Each Afternoon and Evening in Front of the Grandstand.

## TELLS HOW TO FEED

### DUCKS AND GOSLINS

In response to inquiries that have come in from all parts of the state regarding the proper methods of feeding young ducks and goslings, Prof. C. H. Burgess, poultry man at M. A. C., has given out suggestions for the care and feeding of young waterfowl. June is the time of year recommended by leading poultry men as the best in which to hatch ducks and goslings, while Pekin, Rouen, and Moscow are the three most popular kinds.

Suggestions for care and feeding of your waterfowl:

1. Keep them confined with the mother for at least two weeks.
2. Do not feed until 36 hours old.
3. Feed plenty of chopped young clover and alfalfa, mixing it with other feed.
4. Feed often for the first five days.

5. Feed in trough near drinking fountain.
6. Keep water before them at all times both day and night.
7. Keep water vessels of a style that they can drink from but not swim in.
8. Keep water vessels perfectly clean.

9. Do not allow too cold water to be given them.
10. Feed only as much as the ducks or goslings will eat up in twenty minutes.

The following formula is recommended for compounding the food for ducklings and goslings: 5 lbs. charcoal, 40 lbs. wheat bran, 20 lbs. corn meal, 5 lbs. low grade flour and 12 lbs. meat scrap.

Hens make good mothers for young ducks but a turkey hen makes the best mother of them all. It takes 28 days to incubate all duck eggs except Muscovy, which take 35.

## MAIN STREET ON SATURDAY NIGHT.

You ought to see Main Street on Saturday night!

The folks are so happy; the lights are so bright;

The women in groups stand gossiping 'round,

Discussing the prices by gallon and pound.

The picture show's running, the hours take their flight

As if they were minutes, on Saturday night.

You ought to see Main Street on Saturday night!

The shops are wide open; the prices are right

And every one's busy with trading and talk.

The girls all dressed pretty parade down the walk,

I do not believe there's a livelier sight Than Main Street in our town on Saturday night!

You ought to see Main Street on Saturday night!

When sometimes the Band Boys, with all their might,

Play Dixie and songs we are crazy about,

And we feel so blamed joyful we could stand up and shout!

And home songs somehow fill our hearts with delight

When played by our Town Band on Saturday night!

You ought to see Main Street on Saturday night!

I know that New York has no prettier sight,

For hearts couldn't beat half as true as those hearts

That beat in the bosoms of folks in these parts

After all, it's the FOLKS not the town, who make right

Most any old street on most any old night.

—Ann Campbell Stark.

held up his end of the program too. Thursday's game between Caro and Cass City held the keen attention of the fans with a close score. Those who liked lots of hitting and base running had their desire filled Friday afternoon in the Marlette-Cass City game when the score man was kept busy chalking up the tallies. The scores:

### Thursday's Game--

Innings	1	2	3	4	5	6	7	8	9	R	H
Cass City	0	0	1	1	2	0	1	0	1	5	11
Caro	0	3	0	0	0	0	1	0	4	6

Marlette	0	0	4	0	0	0	3	3	0	10	15

Batteries--Cass City, Malloso and Atwood; Marlette, Boyne and Stout.

Two gents claiming to hail from Detroit suggested an automobile race to President Cooper for Friday, and promised to have Messrs. Good, Webster and Vincent on the job. "You're on," said the official. This was on Wednesday and the event was accordingly announced that afternoon from the race judges' stand. But the trio failed to keep the engagement. Piano owners were adverse to having an instrument exposed to dust and sun on the amusement platform at the fair and the officials were unable to secure one for the act of Alice Dunbar of the Henderson Band. These two disappointments were beyond the powers of the fair officials. But they needn't worry. It was a great exhibition with lots of fun--and everybody had a good time.

## Michigan News Tersely Told

**Grand Rapids**—An airplane passenger service in Western Michigan has been started by the Rose Swift Airplane Co.

**Norway**—The 12-year-old son of Mr. and Mrs. John Wywieb was instantly killed by touching a live wire on a pole which he climbed.

**Port Huron**—A Detroit aviation company has asked Chamber of Commerce to provide a landing field and agrees to give free exhibitions in return.

**Lexington**—At a special election a proposition to float bonds for \$8,000 to build an electric lighting plant for commercial lighting carried by a vote of 98 to 5.

**Big Rapids**—While working on a threshing engine, Clarence Stephan of Grant Township was severely scalded about the face and body when a boiler bolt loosened.

**Gobleville**—Sparks from a threshing machine engine set fire to the DeForest Campbell home, near this village. The residence with almost all the contents was destroyed.

**Battle Creek**—The Grand Trunk shops here won the honors for the lowest accident rate for the six months ending last July, in the shops of the western division.

**Grand Haven**—When a heavy picture screen weighing half a ton gave way in the scene loft here several chorus girls appearing in a musical revue narrowly escaped death.

**Petoskey**—Harrison Angus, Emmet County farmer, was struck and seriously injured by a hay fork which jarred loose from a rafter. The prongs penetrated his body and several ribs were broken.

**Detroit**—Investigators of the department of justice, have marked the hiding places of millions of pounds of butter and millions of eggs in cold storage. Large quantities have already been seized.

**Cheboygan**—The Universal Utilities Co., Detroit, manufacturers of electric washing machines, have arranged to locate a factory in Alpena to start with 50 employees. The company will increase this number to 700.

**Saginaw**—Michigan's 15,000 Shriners are planning a "Michigan Shrine Day," September 26, at Saginaw, and the plans call for a gathering which will eclipse any similar event ever staged in that section of the state.

**Mt. Clemens**—Henry Ford is planning a factory here to employ 300 or 400 persons. It is the plan to dam the Clinton River and install electrical generators. The investment contemplated is said to be \$500,000. The plant will build parts.

**Mayville**—Rose Foster, parachute jumper, fell 500 feet, dying instantly, when her belt broke, loosing her from her parachute as she cut away from her balloon while giving an exhibition for a celebration here. Hundreds saw the drop. Miss Foster's home was Grand Rapids.

**Albion**—H. Glenn Greening, former chief of police of Albion, had an eye removed at the City Hospital as a result of an accident at the Hayes wheel plant in this city. Greening was removing a die from a machine when a small piece of steel flew into the right eye destroying the sight.

**Detroit**—Giving away a dollar bill to attract a passerby into a jewelry auction store at 84 Woodward avenue cost Bernard Samuels and Dan H. Clark, who tried to get it back, fines of \$50 each. After hearing about the disturbance occasioned by the attempt to have the money returned, Justice Heston found the two guilty of disturbing the peace.

### A CASS CITY INTERVIEW.

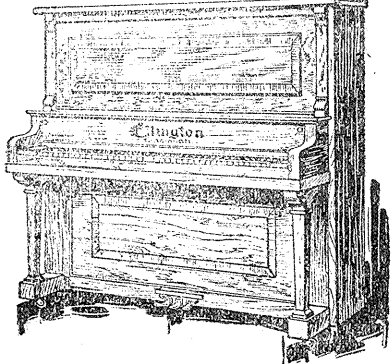

Mrs. Sherman Tells Her Experience.

The following brief account of an interview with a Cass City woman seven years ago, and its sequel, will be read with keen interest by every citizen.

Mrs. C. A. Sherman, Church St., says: "I take Doan's Kidney Pills when my kidneys are weak or when my back is lame or pains me. I have this trouble usually when I catch cold or work too hard. When I have any trouble of this kind Doan's Kidney Pills always remove the pains and other symptoms. They also relieve the pains in my head and dizzy spells." (Statement given September 13, 1911.)

OVER FIVE YEARS LATER or on October 19, 1916 Mrs. Sherman said: Doan's Kidney Pills have never failed to do me good. When I have needed a medicine to relieve backache or regulate my kidneys, Doan's have always done good work."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sherman had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Adv. 6.

## Four Complete Operations Every Trip Over the Field

Now that farm labor is scarce, it is to your advantage to do your work in the quickest and easiest way, especially when that method will bring even bigger crops than the old.

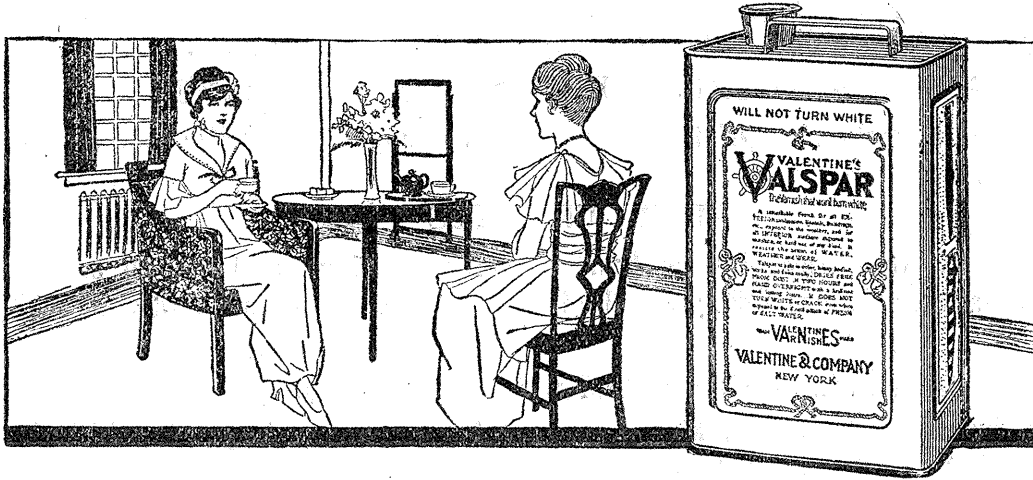

The planting season is always a busy one, but you will find that the work is accomplished a lot easier if you use a John Deere-Van Brunt Fertilizer Drill. This drill makes horse power and man power available for other purposes. In one trip over the field it pulverizes the soil, makes

the seed furrows, plants and covers the seed and the fertilizer. And besides, it increases the crop yield because it does better seeding.

Come in and ask us to show you the patented adjustable gate force feed used on Van Brunt Grain Drills. This force feed is the construction that insures even seeding over the entire field. No seed is wasted and there are no bare spots in the field. The "Van Brunt" does first-class work in any soil capable of being seeded. It does not choke up in mud, gumbo, sticky or trashy soil.

Save extra labor and seed and increase your crop yield by buying a Van Brunt Fertilizer Drill from us.

No More Worries Over  
Excessive Coal Bills

It is not generally known that even the small coal consumer can have his coal shipped direct from the mines, thus saving the profits that otherwise would go to wholesaler and retail dealer, besides saving hauling expense. Of course, big manufacturers and other large consumers have always bought this way, but the man who buys only enough for his household is now in position to take advantage of the same purchasing privileges. The well-known BERNICE COAL CO., 1002 Como Building, Chicago, is doing an enormous business in supplying small consumers—as well as the big ones—with all grades of hard and soft coal at mine prices.

That these customers are highly pleased is evidenced by the letters they write after receiving and trying their coal. The following are extracts from several such letters: "Have found your coal entirely satisfactory and your dealings courteous and fair. I shall continue to buy my coal from you."—Ed. G. Geretta, Burlington, Ia. "More than pleased with it. Please quote me prices on same coal for December."—Arthur Churchman, Alexandria, Ind. "Well pleased with it. Expect to buy more from you."—Fritz Bros., Pontiac, Mich. "Coal arrived on time, has given entire satisfaction; am exceedingly well pleased. Wish to thank you for your courteous treatment in our dealings."—M. B. Ford, Frankfort, Ky.

THE

FORDSON TRACTOR

The FORDSON TRACTOR is no longer an experiment:

There is but one model. It does not change with the seasons any more than the Ford car. When the pulley was added to the tractor it was designed so that it would fit all previous models.

This fact of uniformity in design enables the Fordson agent to put in a full line of parts without fear of them becoming obsolete. We have as complete an assortment accordingly of Fordson tractor parts as we have of Ford car parts and the public is earnestly invited to visit our show-room and inspect them.

After the demonstration at the Cass City Fair there can be no doubt as regards tractors being able to do farm work but here are three points we want you to consider in making your purchase:-

1. Will the tractor you are buying to-day be made a little differently next month? Will it be an entirely new model next year? NOT THE FORDSON.

2. Can you secure parts for that tractor next year? Can you get them the same day? YOU CAN FOR THE FORDSON.

3. Can you get service on your tractor? Are the dealers prepared to take care of your needs at a moment's notice? Will they continue to be so? FORDSON DEALERS MUST OR LOSE THEIR CONTRACT.

The Fordson tractor now sells for \$775 delivered at your farm.

Brings the knowledge of their Organization and experience in their

Successful Treatment of

THOUSANDS OF CASES

Offers Services Free of Charge

The United Doctors is an organization of reputable, licensed physicians. They are all specialists in the treatment of certain diseases. They treat without surgical operations diseases of all internal organs, stomach, intestines, constipation, piles, liver, spleen, heart, nerves, skin, rheumatism, sciatica, goitre, tape-worm, leg ulcers and all long standing, deep seated diseases. Many years experience. The complete record of thousands of cases successfully treated prove that their methods are right. They were among the first to earn the name.

"BLOODLESS SURGEONS"

Each staff member has at his command the knowledge and resources of the organization. Many people suffer from diseases that can be alleviated just because they cannot afford to go to high priced Specialists and Hospitals at a long distance from their home. No community has a sufficient number suffering from these diseases to support special Hospitals for their treatment and cure. The United Doctors have solved the problem. Their highly trained Specialists go to each community and will advise a proper course of treatment for sufferers and instruct them how to take care of themselves at home. No matter what you have been told or the experience you had with other physicians, consult him on this visit. It costs nothing. If your case is incurable, he will give you advice as may stay and relieve the disease. Married ladies must come with their husbands and minors with their parents or guardians.

## DOERR GARAGE WILL HANDLE NASH SIX CARS

Has Secured Agency for This Perfected Valve-in-Head Motor Vehicle.

The Doerr Sales and Service Garage which opened for business Tuesday in the brick garage next door to the Gordon Tavern has secured the agency in this territory for the Nash Six automobiles.

The Nash Six, with perfected valve-in-head motor is well established in the front rank of America's leading motor car values.

In the hands of many thousands of owners and driven under varying road conditions in all sections of the country, the Nash Six has been found to possess that high standard of perfection generally attributed to it at the time of its introduction to the public.

At that time, those acquainted with the motor car industry, looked to Mr. C. W. Nash, who then had a record of 25 years' manufacturing experience in the production of high grade vehicles, to produce in the 100-acre Nash factory at Kenosha, a passenger car of unusual worth.

That the Nash Six with "Perfected Valve-in-Head Motor" fully lived up to these high expectations, has been made evident by the fact that from the first day, this car was introduced, the Nash factory has at no time been able to supply the insistent demand that has existed for this car. Owners in every section of the country tell us that the Nash Six has even surpassed their expectations of how a good motor car should perform. In the mountainous sections of our country particularly, where power is most appreciated, have we heard favorable word of Nash Six performance.

The Valve-in-Head Motor is now conceded to be the most powerful type of motor known. The fact that its valve mechanism is enclosed and automatically lubricated and the fact that the Nash motor is simple and efficient in design are undoubtedly the reasons why it has become known as the "Perfected Valve-in-head Motor."

It was said that this motor marked a far step forward in motor construction. This statement has been proved not only by the performance of the Nash Six in owners' hands, but by the fact that there is a marked and growing tendency towards the important features of the Nash Perfected Valve-in-Head Motor.

And like its motor, the Nash Six throughout, from its long flat springs to its luxurious body, represents advanced engineering and unusual value.—Adv.

## LYMAN SPENCER DEAD

Passed Away at Deford Sunday at the Age of 80 Years.

(From Deford Correspondent).

Lyman Spencer passed away Sunday, Aug. 24, at the home of his son, Frank Spencer, at the ripe old age of 80 years. He was naturally of a robust constitution and was only confined to his bed about three weeks.

He was born in New York state on July 7, 1839. His people moved to Norrick, Oxford Co., Canada, where he met and married Mary Anne Palmer on Dec. 15, 1865. To this union three sons were born, Edward H., Frank and J. Wells Spencer, all now residents of Deford. Mr. and Mrs. Spencer moved to North Branch the second year of their married life, later moving to Clifford where they resided for a short time before they came to Novesta township where they have since resided. He was preceded in death seven years ago by his wife.

He leaves to mourn his loss three sons, an adopted daughter, Mrs. Floyd Castle, of North Branch, 10 grandchildren and a number of great grandchildren, three sisters, Mrs. Wm. Howey of Clifford, Mrs. Cyrus Huffman of Caro, and Mrs. Arthur Howey of Alberta, and one brother, Wm. Spencer of Chicago.

Funeral services were held at the M. E. church and the remains laid to rest in Novesta cemetery.

## THUMB OF MICHIGAN ITEMS CLIPPED OR STOLEN

Interesting Items About Folks and Events in Tuscola, Huron and Sanilac Counties.

Unionville now has a wholesale gas and oil station.

North Branch is another Thumb town which is out of ice.

The Brown City Chautauqua ran into the worst three days of rain of the season and consequently was not a paying venture. The guarantors will have to dig up about nine dollars apiece.

After a five-day drive in their campaign to raise money to wipe out the \$5,900 debt on the Methodist church at Sandusky, the official board announced Saturday evening that they had gone "over the top." The pledges secured amounted to \$6,100.

The village council of Deckerville passed an ordinance recently prohibiting the use of the cutout on the streets of the village. Automobile

drivers have been notified that further violations of this ordinance will be prosecuted.

Of the 126 persons who wrote on the cream testing examination at Bad Axe only one received the 100 per cent rating. He is a thirteen year old boy, Sylvan Crory, of Carsonville.

Several of the Farmers' Co-operative Threshing Companies in Sanilac county have purchased small threshing outfits. The separators are about half the size of the ordinary separator and have a capacity of 600 bushels of grain per day.

Dr. J. E. Campbell, since 1892 a prominent physician of Brown City, has sold his practice and will move to Detroit. The doctor has also been prominent in politics and public affairs in the county and will be greatly missed by a large circle of friends.

One of the biggest mercantile deals ever negotiated in Deckerville took place when the Moss Mercantile Company of Detroit purchased the complete stock of the Nathan Hirschberg department store. The exact figures involved are not known but it is estimated that the amount was between \$20,000 and \$30,000.

A number of business places at Caro are installing lighting plants to enable them to have all day service. Among them are Myers garage, Temple theater, Gunsell furniture store, Zemke Bros., William Kinde. The Miller Auto Top Co. will electrify its plant. A generator of sufficient capacity will be employed and individual motors for the various machines will be used.

Rev. A. L. Bell, who has been pastor of the Caro Baptist church for the past year has resigned and accepted a position with the state board of health at Lansing. Rev. Bell has been active in all the various war activities. He was county chairman of the Victory Liberty loan drive which was so successfully subscribed for in the county.

The Huron county road commissioners have made application for and will receive six of the big U. S. Army motor trucks for road construction and repair work in that county. Three of these trucks will be delivered this year and three next season. The three to be sent this year are now being remodeled for road purposes at Charlotte, Mich.

Sandusky was visited by a \$20,000 fire Tuesday evening when the Peerless Roller Mills, owned by F. A. Bickle, were wrecked by fire, that swept through the building. Mr. Bickle estimates his damages at \$20,000. He carried \$9,000 insurance with the Millers' Mutual of Lansing and Chicago. Until the loss is adjusted Mr. Bickle is undecided what he will do in regard to rebuilding the mill. The machinery is a total loss for milling purposes.

Sheriff Wm. Morris has five guests at the county jail at Caro. Three are held on charges of stealing automobiles, one for appropriating a horse and another on a statutory charge. Geo. Woodman, wanted on a charge of stealing an auto at Fairgrove, selling it for \$300 in Flint and stealing it again, was captured in Holly. He has confessed to the sheriff that he was the young man who stole merchandise from the Kern store at Reese.

## DEATH OF SARAH PATIENCE DARLING

Mrs. Sarah Patience Darling passed away at her home in Grant township on August 20 at the age of 71 years. She was united in marriage with Nathaniel Darling at the age of 19 years and to this union 10 children were born. She leaves her husband and nine children, one son having preceded his mother in death. Funeral services were held at the M. E. church Saturday.

## New Fall Goods at Zemke Bros.

OUR FALL AND WINTER MERCHANDISE IS IN

and a better showing of goods was never shown in Cass City. Every department throughout our store is full of the newest, latest colors, materials and styles. We believe that we have the largest stock to select from outside of the large city stores, and this one thing we do know and that is, that our prices are far below the city prices.

CREATED BY Conde

## Never were Fall Styles of Coats More Attractive

than they are this season. Long, short box effects and the three-quarter lengths are the three types of lengths and each one stylish and becoming in its own way. Prices from \$17.50 to \$92.50.

We cannot urge you too strongly to do your buying early. If you are not ready to buy just yet, come in and select your garment and we shall gladly hang it away for you. Merchandise conditions are in such a critical state that any re-order we send in for garments not only costs more, but it is almost impossible to get them. So come in early and relieve your mind.

CREATED BY Conde

## New Fall Suits

The fall suits this season certainly are made up of the most beautiful materials, colors and styles that ever existed. While prices are higher than former years, yet you will find our prices much lower on the same quality of merchandise in large city stores.
