NOTICE.

Notice of Review of Assessment for the Improvement of Assessment District Road No. 9, Under Act 59, of the Public Acts of 1915, as Amended.

Whereas, We, the undersigned Board of County Road Commissioners of the County of Tuscola, have heretofore determined that a certain highway commencing at the north section corner common to sections 3 and 4, T 13 N R 11 E., Novesta Twp., thence south one mile on the section line between said sections 3 and 4, to the south section corner common to said sections shall be improved in accordance with specifications now on file; and pursuant to the provisions of Act 59, of the Public Acts of 1915, as amended; and

Whereas, We, the said Board of County Road Commissioners have heretofore determined the boundaries of the special Assessment district No. 9 to be as follows: said District includes all lands within the following boundaries in the said township of Novesta and in the County of Tuscola, to-wit:—Commencing at the north section corner common to sections 3 and 4, T 13 N R 11 E., Novesta Twp.; Thence east ½ mile on the section line to the north ¼ corner of said section 3; Thence south one mile on the north and south ¼ line of said section 3 to the south ¼ corner of said section 3; Thence west one mile on the section line on the south side of sections 3 and 4 to the south ¼ corner of said section 4; Thence north one mile on the N and S ¼ line of said section 4 to the north ¼ corner of said section 4; Thence east ½ mile on section line to point of beginning.

All lands in the said township of Novesta in said County of Tuscola within the boundaries of the said assessment district above described, the said Township of Novesta at large, and the said County of Tuscola at large will be liable to an assessment for benefits received for the improvement of said highway.

Now therefore, all owners of land within the above described boundaries in the said township of Novesta in Tuscola County and all persons interested in said lands, and the Township of Novesta, and the said County of Tuscola, are hereby notified that we will be present at the Cass River bridge between said sections 3 and 4, at or near the north ¼ post common to said sections 3 and 4, T 13 N R 11 E., Novesta Twp. within the said Assessment District at 10 o'clock A. M., Eastern Standard time, on the 20th day of July, A. D. 1922, and announce the assessment of benefits upon the lands within the said boundaries constituting and comprising said special assessment district, and upon said township at large, and upon said County at large, and thereupon the said assessments will be open to review to all persons interested and the said Township and County may appear and be heard with respect to their several apportionments of benefits for said improvement.

Dated at Caro, Michigan, this 20th day of June, A. D. 1922.

Mrs. Margaret Armstrong.

Funeral services of the late Mrs. Margaret Armstrong were held Saturday afternoon conducted by Rev. Nieman, pastor of the Methodist Episcopal church of Gageton, Rev. Wilson of the Gageton Methodist Protestant church, and Rev. Wm. Richards of Cass City, the latter delivering the address. Margaret McLeod was born in Sutherland Shire, Scotland, Apr. 5, 1839. When she was thirteen years old, she came with her parents to Woodstock, Canada. She was married to Robert Armstrong Sept. 10, 1862 and to this union were born seven children. In 1875 they came to Gageton, where she has since resided. She was an active Christian worker in the church and community, being a charter member of the Methodist Episcopal church, and acting as president of the first ladies' aid for many years. She was also a charter member of the Eastern Star. Since the death of her husband and three sons, she has lived with her daughter, Mrs. Fred Hemerick, where she died Thursday morning, July 6. She leaves to mourn her loss, one son and three daughters, Andrew of St.

Charles, Mrs. Jas. Deneen of Flushing, Mrs. Jas. Snody of Oraway, Mrs. Fred Hemerick of this place, 11 grandchildren and eight great grandchildren, beside many other relatives and friends. Among her friends and old neighbors from out of town, who attended the funeral were Mrs. Helen Gage, Mrs. Alfred Stryn, Mrs. Keith Morris and Geo. Professor Stinger suffers with rheumatics. Zeno Crittendon has inflammatory rheumatism. Our people who go angling among the finny tribes seem to have poor luck. O, if they could only get a 1/2 pounder once in a while how their courage would rise. Our Fourth passed off without mishaps to speak of. The crowd was large for a small place. They were orderly as a whole, yet we regret to say as the shades of night began to fall some came with Barley Corn scented breath and loud voice that told of a muddy brain, but most of the gathering had a good day. Last of the week, some of our burg went north as far as Alger in quest of berries. They report the fruit scarce and just beginning to ripen. The pickles are being removed from the vats to make room for the new crop. If you lost anything on the Fourth, call at the hardware and tell your troubles. L. Vandercrooy, R. R. agent, entertains his two sisters from Grand Rapids. "Filthy Lucre"—seems to be a hard sentence for the average citizen to digest. A notice in the post office terms the trash in that way which has caused interrogation to fly in the air. Let us say it is Uncle Sam's legal tender and no kind of a substitute for good Irish whiskey. Joseph McCracken and Jim Phillips came from Dryden to spend Sunday here. Thomas Davis informs us that he and Howard Malcolm have dissolved partnership. The wind raged for a time here on 9th. Limbs were broken from shade trees and there were more eyes blinded with dust than by all the "white mule" that came among us on the "Fourth." If the writer was well hooked up with all kinds of money, he would buy the old foundry, tear it down and replace it with a building and business so the people on the block can have an insurance on their homes. A foundry on Main street is a renegade to any burg, no matter how small. Yes, some plant potatoes after the Fourth. When the writer was young, people would have declared that such farmers were born in the dark of the moon. When there is a collision between two autos, you must hear both sides, set them all down as dissemblers, go and look at the wreck, tax each side one-half the damage, and fine both parties for fast driving. "Tapey" Curtis is in poor health with a bad cold. If weather is favorable, the first coating of gravel road will be on the road 6 1/2 miles in two weeks. Then the dressing coat will go on rapidly. The material is excellent. John Retherford will move to the County Hub today—10th. John has been with us to the satisfaction of all. His place at bank and eleator will be hard to fill. Mr. and Mrs. Wessner of Detroit called at Roderick Kennedy's past week. Wm. Persill of Ontario came for a

visit in the Thumb. Roderick Kennedy accompanied Mr. P. to Greenleaf where he visited friends of their younger days. Roderick Kennedy contemplates going to the Upper Peninsula in the near future. We suffer for rains to recruit our gardens. Miss Anna Pettit of Cass City spent Friday at the home of Mr. and Mrs. E. R. Bruce. The families of E. A. Cones and Robert Jacoby spent Sunday at Rose Island. Yea, many of our people spent the good day at the Island of Roses, but the officials of the place allow no roses to be picked. The James Matthews family spent Sunday at Silverwood. The gravel trucks are now covering the hill at the Oxbow west of Deford. Bert Curtis says he didn't go in search of berries on the first day of week, but stayed at home like a nice little man.

Mr. and Mrs. Ross Russell of Twining came on Monday and returned to their home on Wednesday. Mr. and Mrs. Geo. Sloan and Misses Pearl and Josie Boman returned to their home in Pt. Huron after visiting for a week at C. L. and Ben Gage's. Mr. and Mrs. Ben Gage and Bernice and Mr. and Mrs. C. L. Gage, Mr. and Mrs. Geo. Sloan and Pearl and Josie Boman and Lester Day made a trip north Wednesday and came back Friday. While gone, they called in several different towns in Arenac county. Mr. and Mrs. James Matthews and daughter spent Sunday at the home of a cousin in Silverwood. An uncle came Saturday and returned with them Sunday.

Guy Woolman of Marysville came Saturday returned on Sunday. His wife returned with him after spending a week with her mother, Mrs. C. McArthur. Mr. and Mrs. N. R. Kennedy spent Friday night in Saginaw. Mr. and Mrs. B. Gage and Bernice, Mr. and Mrs. C. L. Gage and Mr. and Mrs. Geo. Sloan and sisters-in-law spent Friday night at Quianicsee and returned Saturday. They went on a fishing trip; not very good luck. Mrs. C. L. McCain spent a few days last week at Mrs. Geo. Spencer's. Mr. and Mrs. Benj. Gage and Mr. and Mrs. Lester Day spent the twelfth at Bad Axe.

Everybody seemed to enjoy themselves at Deford on the 4th of July. The program was fine. Mr. and Mrs. Benj. Gage, Mrs. C. L. McCain and little Bernice called on Harold Silverthorn in Caro on Sunday afternoon and evening. Mr. and Mrs. James Varga, while going home from the celebration at Deford on the Fourth, were struck by an auto. Mrs. Varga was hurt internally and was confined to her bed until Monday. Mr. and Mrs. Earl Messner of Detroit came Saturday to visit at the N. R. Kennedy home. Mrs. M. will be remembered as Irene McPhail

HOAGG, NEW PITCHER, LOOKED GOOD TO FANS

Locals Defeated at Unionville Friday and Won from Akron Leaguers on Wednesday.

Tying the score at the ends of both the second and sixth frames and ending the game with the winner just one run ahead of the loser, the contest between Akron and Cass City on the local diamond Wednesday afternoon held many thrills and kept the spectators interested until nearly seven o'clock when the game ended 8-9 in favor of Cass City.

Hoagg made his first appearance as a pitcher for Cass City leaguers and he performed well and looked good to local fans, allowing no walks and striking out nine of the visitors.

Friday's Game.

Cass City went down to defeat at the hands of Unionville's top notch team Friday afternoon at Unionville by an 8-3 score.

Numerous errors spelled defeat for the local players. Flannery handed out a good brand of pitching, but the backing by some of his team-mates could have been greatly improved.

CROPS TO SURPASS TEN-YEAR AVERAGE

Continued from first page. tions although many fields are uneven. The condition is reported as 90 per cent, three per cent lower than last year but seven per cent above the ten-year average.

Wheat: Cutting commenced in southern counties during the closing days of June. The condition figure of 85 per cent is one lower than that of last month, but represents a production of 16,154,000 bushels. Red rust is prevalent in many districts. While the condition of spring wheat is good in the Upper Peninsula, the state average is only 84 per cent or two per cent below the ten-year average.

Beans: There has been a phenomenal increase in the acreage of beans planted. The preliminary estimate is 429,000 acres as compared with 263,000 last year, an increase of 63 per cent. The present outlook is for a crop of 4,773,000 bushels, the final outturn being greater or less as affected by future conditions.

Potatoes: The acreage shows a considerable increase in southern coun-

ties and portions of the Upper Peninsula, a small increase in the central and some of the northwestern counties and a decrease in portions of the Grand Traverse and Oceana districts. The estimate of 364,000 acres is an increase of seven per cent over last year. As planting is only just completed, the condition is not relatively important at this date. It is 92 per cent, or nine per cent better than one year ago, and represents a production under favorable future conditions of 35,162,000 bushels.

Oats: The crop has improved considerably during June and in some sections, and deteriorated in others. The condition is 87 per cent and the prospective crop, 52,897,000 bushels.

Rye: The outlook for the crop is 90 per cent of normal, the same as last month and one point above the ten-year average. The forecasted production is 9,649,000 bushels. Harvesting is under way in the southern and central counties.

Hay: The good crop of hay, estimated at 93 per cent of normal which is 13 per cent better than the ten-year average, promised a production of 4,399,000 tons. This is the second largest crop ever produced in the state.

Truck Crops: Tomatoes, watermelons, and cantaloupes are each reported as 90 per cent of normal. Onions are rated at 90 per cent and cabbage at 93 per cent.

Sugar Beets: The outlook is 88 per cent, one point better than one month ago. Condition for growth, cultivation and weeding have been good. The acreage is somewhat less than during the years of high priced sugar.

Fruits: There has been a considerable June drop in apples but many orchards have an ample crop remaining. Early apples are plentiful, and the only varieties that are light over extended areas are Baldwins and Spies. Scab and fire blight are quite prevalent in some sections. The present condition figure of 75 per cent presages a crop of 10,756,000 bushels.

Peaches have a condition of 78 per cent, representing a production of 1,248,000 bushels; pears, 80 per cent representing a crop of 615,000 bushels; grapes, 92 per cent representing a crop of 111,892,000 pounds. The outlook for plums is 76 per cent of a crop, and of blackberries and raspberries, 90 per cent.

Cherries have been seriously injured by shot-hole fungus, and what had developed into nearly a full crop was reduced to an estimated production of 80 per cent.
