

# CASS CITY CHRONICLE.

Vol. 18, No. 17.

CASS CITY, MICH., FRIDAY, SEPTEMBER 8, 1922

8 PAGES

## NESTLE'S PICNIC DRAWS BIG CROWD

ANNUAL GALA TIME FOR CONDENSARY PATRONS PROVES HIGHLY SUCCESSFUL BOTH IN NUMBERS AND ATTRACTIONS.

"A day of the fair" was the expression commonly used and not at all inappropriately in describing the third annual picnic given by the Cass City and Uby plants of the Nestle's Food Co., Inc., to their patrons and employees on Labor Day. The event drew a crowd that approximated in numbers the crowds that attended the fair and they came from all the nearby towns. "All of Owendale is here," was the remark of one man.

But in addition to the large crowd that attended, the attractions of the occasion were of a higher calibre than ever before and made the event well worth the time and effort spent in attending it.

J. D. Brooker was introduced as chairman of the day by Manager Mann of the Cass City plant and after a few words, he introduced the first speaker, ex-Governor A. E. Sleeper of Bad Axe. Governor Sleeper spoke briefly on the present political and economic situation and its relation to the farmer. H. M. Rowe of the Nestle's Company then spoke briefly of the attitude of the company toward its patrons and of the present conditions in the milk products market. Music was furnished during the afternoon by the Bad Axe band.

A fine variety of games and races Continued on page eight.

## TO THE VOTERS AND TAX-PAYERS OF TUSCOLA CO.

I feel it my duty as chairman of the Board of Supervisors, out of justice to the board, to state the true facts of the situation concerning the amount it has cost the Sheriff's office for sixteen months. I will endeavor to go over it briefly and state the true state of affairs.

At the June session, I was chosen chairman of the Board of Supervisors, which I regard as a great honor, and more so, by reason that I was chosen over Supervisor Ernest C. Robertson of Watertown, as I feel that there is no better man on the Board of Supervisors of this county, or elsewhere in the county today, than Mr. Robertson. I have had the honor to serve upon the Board with him for six years, and I have never heard his integrity and reputation questioned by any member of the Board or any citizen of the county. Hearing rumors of the high expense of the sheriff's office, I felt there was no better man to be made chairman of the Committee on Claims and Accounts than he, with Supervisor Geo. McArthur of Novesta township and Supervisor Preston Black of Wisner township, the other members of the committee, and that this committee would not give to any man one penny that did not belong to him or take away one from anyone if they knew it.

I understand through the public press, by Mr. Dowling, that the Sheriff's office cost something like \$28,000 in sixteen months, but this amount covers repairs on County jail and buildings connected with the Sheriff's office and includes all fuel, which facts Mr. Dowling does not mention, and whether this amount is too high or not I do not know, but I do know that Mr. Robertson and the other members of the committee took from June until October to investigate every item and I do know that not one penny has been paid, or will be paid, without the O. K. of this Committee on Claims and Accounts. Mr. Dowling would have you to believe that these bills have all been paid, when the true facts are that the Committee have the bills under consideration until the October session, and I, for one, will join with the Committee in carrying out their recommendations.

There has been criticism as to the salary paid the Sheriff, also the amount of the board of prisoners. I, at the June session appointed a committee of three to investigate the salaries and methods of other counties of about the size and similar to that of Tuscola county and report their findings to the Board in October. I tried to be very careful in the selection of this committee and after careful consideration, I appointed Supervisor John Benkelman of Elkland, Supervisor Dorr Pinkerton of Vassar and Supervisor Lewis McComb of Millington. They represent three townships in our county of high valuation, and I am sure they will not heap one penny of taxes upon the tax payers, that they could avoid.

I am writing this article in the interest of no candidate, but simply giving to the people of our county, the true facts as I know them.

CONRAD MUELLER,  
Chairman Board of Supervisors of  
Tuscola County.

## DEATH CAUSED BY FALL FROM TREE

Ruby Wood, five year old daughter of Mr. and Mrs. Arthur Wood who live near Brookfield, died at her home on Wednesday of last week as the result of a fall from an apple tree. The fall came while the children were playing in the tree and at first no serious consequences were expected. The fall occurred on Monday and although it left the little girl a little dazed and indisposed yet she continued to go about the house and yard. Later developments showed her to be a very sick girl and medical aid was called. An operation was performed but without avail and she died on Wednesday evening. Funeral services were held on Friday.

Mr. and Mrs. Wood are well known to many people in this vicinity. Mr. Wood has been a rural mail carrier for many years in Brookfield. They feel their loss particularly keenly at this time since only recently their oldest son was also taken by death.

## IMPROVED MAIL SERVICE FOR CASS CITY

Gagetown Will Also Benefit by Temporary Mail Truck Service  
Three Days a Week.

A temporary mail truck service has been established from Cass City and Gagetown to Owendale on Tuesday, Thursday and Friday afternoons. The truck will leave Cass City at 1:00 and go by way of Gagetown to Owendale where mail will be delivered for transportation over the Michigan Central R. R. The truck will leave Owendale about 3:00 p. m. for Gagetown and Cass City, bringing mail brought over the M. C. R. R. for these two points.

This temporary truck service has been established by the post office department until such time as regular mail service is again established each day over the P. O. & N. R. R. The P. O. & N. is still maintaining a three-day mail service a week since the coal shortage became acute. Now that the coal strike is over, residents along the line have been looking for a resumption of the regular six day a week schedule.

Henry Nowland has been engaged to handle the mail over the truck line to Owendale.

To the Voters of Tuscola County:

Having an abiding faith in the fairness and honest judgment of the people of this county, the facts concerning my candidacy are candidly submitted.

I became a candidate to succeed myself this year because every practicing lawyer in the county encouraged me so to do and refused to become candidates themselves.

My talented young friend was not here, not a resident of the county, and not engaged in the practice of law at that time. He had been away from Tuscola County for nearly two years, having announced his intention to abandon the law business and engage in other lines of endeavor elsewhere.

On July 18th, he came back to this county, formed a partnership with Mr. Orr, and immediately became a candidate for this office. August 11th in a conference with himself and Mr. Orr I offered him the position of assistant and every help possible from me to get him started in the law business. This he refused. I told him then, have told hundreds since and now I say publicly that I will not be a candidate for prosecutor again.

Mr. Atwood is a single man, 26 years of age, and it seems as though he ought to be willing to wait two years during which time he could gain some of the experience necessary when assuming the responsibilities of this important office.

My record during the first 15 months of this term is 243 criminal cases disposed of with 239 convictions.

Tuscola in this respect stands first among the counties of the State. Let me thank you in advance for your kindly consideration of these facts in your decision on this question at the polls.

Yours respectfully,  
H. H. SMITH.

## CO. NURSE REVIEWS YEAR'S WORK

EXAMINED 2,292 PUPILS; RED CROSS FUNDS ARE EXHAUSTED; WILL ASK SUPERVISORS FOR FUNDS TO CONTINUE WORK.

The Red Cross in Tuscola county has exhausted its funds and the work of the Red Cross nurse will have to be discontinued unless funds are forthcoming. The board of supervisors are to be approached again at the October session and Red Cross workers hope that they will take over the work, or at least help. Two thousand and five hundred dollars will keep the work going, except for a much needed car.

From the annual report of the Tuscola County Red Cross Nursing Service, extending from Sept. 1921 to Aug. 1922, issued by Elsie M. Horr, the county nurse, the following facts are gleaned:

The nurse examined 2,292 pupils and found 1083 with defective teeth, 487 with defective vision, 224 with defective hearing, 712 with enlarged tonsils, 518 with nasal obstruction, 475 who were 10 per cent or more underweight.

One thousand three hundred ninety notices were sent to parents, 366 visits were made to parents. Bed-side care as a visiting nurse was given to 75 patients, with 293 nursing visits. Seven hundred seventy-six other visits were made, including 298 instructions. Continued on page seven.

## SHERIFF WM. MORRIS REPLIES TO UNFOUNDED CRITICISM.

During the past several weeks criticisms have been made of the administration and expenditures of the Sheriff's office. These criticisms were made in a vindictive spirit, and were made by men who pose before the people as being men of the highest ideals, when the slightest observation will convince that they wilfully and maliciously distort the truth.

In spite of the criticisms so recklessly made I am a firm believer in the fact that our people are not disposed to condemn any man if the facts do not warrant. The people will judge rightly if they have the facts. Therefore I believe the people will be glad to get the facts and I shall be glad to state them in facts and figures taken from the audit of the County financial records.

Every man, woman and child who reads is familiar with the amount reported by certain individuals which I as sheriff am supposed to have wrongly received from the County, viz: \$28,486.11. There are people in the county who actually believe I received this amount from the county.

In the Advertiser of August 11, on the front page is an article written by somebody and signed by Wm. G. Hurley in which this amount of \$28,000 is mentioned. By the way I wish some of the neighbors of Mr. Hurley would ask him if it is not true that some gentlemen drove up to his place with that article all prepared and had him sign it. Neighbors just ask Mr. Hurley if he wrote the article and then watch him squirm. The discussion of this amount of \$28,000 has been talked so much that some people honestly think that I got away with that amount of money.

Now my friends and citizens of Tuscola County let me say that here-with I give the figures taken from the County audit, such audit being for the period from Dec. 10, 1920 to Mar. 31, 1922, and such figures can be verified by you in tabulated form, and if I have misstated the facts in the slightest, you come to me and I will write you a check of \$100. You do not have to be a bookkeeper to verify these figures for they are in tabulated form.

Audit from Dec. 1, 1920 to Mar. 31, 1922.

Salary for sheriff covering this period	\$5,073.36
Traveling expenses of sheriff for this period	1937.60
Deputies' salaries and expenses for this period	6,533.31
Board for prisoners for this period	8,728.70
Cleaning toilet and laundry	\$10.84
(This item includes new toilet and bath, and a new electric washer)	
Maintenance of building	1,577.95
(This item includes painting of bldg., painting of floors, floor in basement, wainscoting, linoleum, painting of barn and some other small items)	
Jail supplies	1,068.40
(This item includes blankets, ticks, rugs and curtains)	
Clothing for prisoners	98.20
Drugs and medicine	52.93
Furniture	68.00
Fuel (Some of which used for court house)	1,122.87
(During part of this period the sheriff bought coal for both Court House and jail and so such items in the	

records were charged to the Sheriff's office).

Freight, express and cartage	34.22
Telephone and telegraph	631.85
Light and water	492.18
Matron service	200.00

(This matron's service is nothing new. For years this has been out of the emoluments of the sheriff's office.)

Insurance 55.60 |

Total

.....	\$28,486.11
-------	-------------

The sheriff formerly received \$1.25 per day for prisoners' board. This was later reduced to 90c per day, and at the last board meeting it was reduced to 75c per day.

I leave the public to draw their own conclusions. I do not want to brag on my administration, but will say honestly that I do not know where I have illegally taken one cent and if some of my blatant accusers will take the pains to show me I shall be very much obliged.

Very respectfully,  
WM. MORRIS, Sheriff.

## SURVEY SHOWS PROFIT IN POULTRY FLOCKS

Average Return Above Two Hundred Dollars on Farms Checks in State by M. A. C.

An average return of two hundred dollars above feed and other direct costs is reported for 39 Michigan farm poultry flocks included in a survey recently completed by the Farm Management department of the Michigan Agricultural College, an indication that poultry are often one of the farmer's most profitable enterprises.

"These were average Michigan farm flocks," says H. M. Eliot, head of the farm management department. "They averaged 118 hens to the flock, with the average return per hen \$170. Thirteen of the flocks show returns below \$150 per hen, seven above \$225 per hen, and nineteen between these figures."

A striking feature of poultry management brought out by the survey was the beneficial effect of protein feeds upon both egg production and net returns per hen.

## JAMES KIRK, CANDIDATE FOR SHERIFF

To the Voters of Tuscola County:

The campaign for the September Primary is drawing to a close. I have tried to conduct a clean campaign and I think it is generally conceded that the campaign that I have made has been clean.

There have been those in the campaign who have wrongly represented my attitude on the more important questions affecting the sheriff's office. For this reason I take pleasure in pledging myself to each voter personally that if elected, I shall stand for the very strictest law enforcement, and the most rigid economy in the expenditures of the office. Concerning the Anti-Saloon League Questionnaire sent out recently I wish to add that I never received one and reference to last week's American Issue will substantiate my statement.

It has been circulated by supporters of other candidates for the office of sheriff, that I, if elected, have promised to appoint certain individuals as my deputies. This statement is entirely untrue as I have made no promises whatever and will, if nominated and elected, pledge myself to reduce the number of Deputy Sheriffs to the least number consistent with the effective service of the office, and that no deputy will be appointed by me except he is of the highest character.

The Board of Supervisors will meet in October of the present year to fix the salaries of the County Officers for the next two years and if elected, I will be satisfied with any salary that the Board of Supervisors may fix as fair and equitable.

Further, if elected, I shall use the influence of the sheriff's office in advocating for open violations of the law, prison sentences rather than jail sentences or fines. In this way I believe the expenses of the Sheriff's Office can be reduced and further violations materially decreased.

Now, Voters, if elected I will endeavor to be the Sheriff of the People and for the People and will not be controlled or guided by any man or set of men and will to the very best of my ability carry out the oath of the office. It is easy to make promises and I realize promises are often broken, but I sincerely pledge myself to the performance of these promises, and refer you to your own supervisor who can inform you as to my faithfulness in adhering to a pledge solemnly entered into.

Permit me to thank you in advance for any assistance you may give in making my campaign successful.

Respectfully,  
JAMES KIRK,  
Candidate for Sheriff, Republican  
Ticket, Primaries Sept. 12, 1922.

## SWAMPED BY CARO: DEFEAT ALL-STARS

COSTLY ERRORS LOSE GAME TO CARO 8-1. HURON COUNTY ALL-STARS DEFEATED BY SCORE OF 5-0.

Costly errors lost the last game of the season with Caro to the leaders in the county league at the Fairgrove tournament on Labor Day by the rather one-sided score of 8-1. The county seat sluggers seemed to have found Flannery's range and hammered out eleven hits while the locals connected with Middaugh for five.

Maynard came to bat for Cass City and singled. Graham was caught out. Holmes connected but the ball was fielded by the second baseman who caught Maynard at second and by a speedy double play put out Holmes at first. Ryan came to bat for Caro and as usual struck out. K. Emory singled and was advanced to third on Hill's two-bagger. Bosley was caught out but Middaugh singled scoring Emory, Caro added another in the third and two more in the fourth.

In the fifth singles by Middaugh; C. Emory, Atwood, Ransford and K. Emory added four more scores to Caro's lead. Cass City's lone score came in the sixth when Benkelman singled, went to second on an error, third on a sacrifice hit and came home on a fielder's choice.

Cass City	AB	R	H	SB	SH	E
Maynard, ss.	2	0	1	0	0	2

## ALEX MILLER MARRIES UPPER PENINSULA GIRL

The many friends of Alex Miller will be pleasantly surprised to hear that he has finally embarked on the sea of matrimony. He was married on Tuesday afternoon, Aug. 29, to Miss Luella Trebilcock of Ishpeming. The ceremony was performed at the summer home of Miss Trebilcock's brother near Marquette. A trip on the lakes to their home in Detroit constituted the honeymoon trip of the newlyweds.

Mrs. Miller was formerly a teacher in the public schools of Detroit where Mr. Miller became acquainted with her. Mr. Miller is the son of Mrs. Isabella Miller of this town, a graduate and famous athlete of the local high school, and is at present employed by the Commission of Public Lighting of the city of Detroit. The young couple will make their home in Detroit.

## TO THE REPUBLICAN VOTERS OF TUSCOLA COUNTY

It having been brought to my attention that a statement is being circulated that none of the candidates for Sheriff of this County have signed and returned the questionnaire sent out by the Anti-Saloon League I

hereby cause to be published a reprint of an article from the Cass City Chronicle of Sept. 1st, 1922.

Data on the state-wide canvass of candidates on the prohibition issue by the Michigan Anti-Saloon League has been given out at the Lansing headquarters. Candidates of Tuscola county who returned questionnaires on which they indicated that their stand on prohibition and law enforcement was favorable to the drys are as follows:

Sheriff—Howard C. Wilkinson, Rep.  
State Senator—O. G. Johnson, Fostoria, Rep.  
Congressman—L. C. Cramton, Lapeer, Rep.; Jas. McCaren, Port Huron, Rep.

There were a few Tuscola county candidates who failed to return questionnaires. In each case, a second questionnaire and personal letter urging an immediate reply have been sent out.

Inasmuch as I was the only candidate for Sheriff of Tuscola County who DID sign and return this questionnaire to the Anti-Saloon League within the time limit set by them, I trust that every voter in this County who believes in Law Enforcement and Strict Economy will come to the polls on Sept. 12th, and vote for

HOWARD C. WILKINSON  
FOR SHERIFF  
—Advertisement.

## CASS CITY HAS FIRST PRIZE BABY

Neville Mann, little son of Mr. and Mrs. W. L. Mann, was awarded the first prize in the baby contest at the Bad Axe Fair last week. The prize was a \$5 deposit in a Bad Axe bank. The little fellow was in competition with babies from one to six months old.

Mr. Mann is the superintendent of the Nestle's Food Co.'s plant at Cass City.

## CROSWELL FAIR NEXT WEEK.

The 38th annual fall fair and races of the Croswell association will be held next week, commencing on Tuesday and continuing up to Friday night. The splendid shows staged by Croswell Fair association have always attracted large crowds and this year will be no exception.

## TO THE ELECTORS OF TUSCOLA COUNTY

Complaint having reached the office of the Michigan Anti-Saloon League that statements published in the newspapers of the county last week worked an injustice to a number of candidates for county offices, Mr. A. C. Graham, Organization Secretary of the League in a telephone conversation with me today asked me to make the following explanation.

Early in August request was made of Prosecutor H. H. Smith through a letter asking for the names of the various candidates to which no reply was received probably due to the fact that Mr. Smith had not yet returned from his trip West. A similar letter to Sheriff Morris brought no reply.

Finally the questionnaires were forwarded to the Rev. N. C. Karr of Caro with the request that they be handed to the candidates and as noted in the offending articles in last week's papers, no replies had been received except from those named in the article.

Mr. Graham wishes it stated that Mr. Jay Colling and Mr. Theron W. Atwood, candidates for the offices of Sheriff and Prosecuting Attorney respectively, have now returned their questionnaires with answers favorable from the viewpoint of the dry league. The State League greatly regrets the seeming unfairness to these or other candidates who were prevented by fault other than their own from an opportunity of appearing in the first published list.

Now as I am being personally censured for apparent favoritism in the publication of results of the questionnaires, no doubt from the fact that I have favored the candidacy of Howard C. Wilkinson for Sheriff and he being the only candidate for that office appearing in the article last week, I will emphatically deny that any official of the county Dry organization had anything to do with the matter of the questionnaires either before or after delivery to the candidates.

At no meeting of this organization has any candidate for any office been officially endorsed, in fact the only candidate featuring in the last convention for the office of sheriff requested through his friends that he be not formally endorsed.

FRED A. BIGELOW,  
Chairman Tuscola County Law Enforcement Committee.  
—Advertisement.

## POLITICAL ANNOUNCEMENT.

To the Republican Voters of Tuscola County:

I am taking the opportunity to say a last word to you all and particularly to those of you who it has been impossible for me to see personally.

First, I want to thank you all for the courteous manner in which you have received me and listened to my argument. I also want to thank you for whatever support you may see fit to give me at the primary next Tuesday.

Finally, my pledge to you all if you see fit to nominate me as your candidate.

I will enforce all of the laws of this State and country that come within my jurisdiction to the utmost of my ability and especially will I do my utmost to eradicate the manufacture and consumption of "moonshine" in this county.

I will abide by and be satisfied with whatever remuneration the board of supervisors may see fit to give me without attempt to influence or control their actions.

Profiting by my observations of our other sheriffs, have conducted their offices, and my own experience it will be my aim to have the office of sheriff, if elected, with the people of the county saying "at least, he did his duty."

Thanking you one and all again, I am  
Yours respectfully,  
ROBERT J. HUTCHINSON.  
—Advertisement.

## POLITICAL ANNOUNCEMENT

Henry W. Beecher, candidate for register of deeds at the Republican primaries Sept. 12. Your vote will be appreciated.—Adv. 1

## THUMB BRIEFS

Items clipped from the exchanges published in the Thumb of Mich.

Brown City—Not an electric light flickers in this city these nights after 10 p. m. except Saturday nights when the usual midnight rule is in force. Lack of coal at the municipal power plant is the reason.

Yale—Workmen in a small gravel pit on the bank of Mill creek at Old Brockway, opposite the site of what was at one time the old Brockway House, were greatly excited on Friday last when they began to unearth the bones of skeletons. Under about eighteen inches of dirt the bones of at least three bodies were found.

Port Austin—Anthony Englehard, proprietor of a livery stable and garage here, was placed in the county jail at Bad Axe and will await trial in the federal district court at Detroit for the sale of intoxicating liquor. Englehard, federal enforcement officers claim, sold liquor to two officers a week ago, and liquor was later found in his place of business.

Bad Axe—Angus McDonnell, of Omar, Mich., was awarded the contract for the construction of a road between Owendale and Sebawaing Tuesday by the county road commission. The road, which runs through Bach and is assessment district road 207 will be 16 feet wide and of gravel. Eleven road men entered bids, but McDonnell was given the job for \$57,015.32.

Caro—Prospects are not very bright that State street will be paved this fall. State highway officials have ordered contractors on all state trunk lines to build only such roads for which materials are available. The general tieup of railroads has made it practically impossible to get cement for the concrete work. Rather than have the roads torn up indefinitely it has been deemed best to await probably until next spring.

Watertown—Robert Johnson of Watertown, has sold his elevator grounds and hay sheds in that village to the Watertown Farm Bureau association, and it is reported that he plans to move to Detroit to live. The deal for the property was closed last Saturday. The Watertown Farm Bureau will engage in buying grain as well as shipping live stock and handling other farm supplies, and the business will be under the management of Edward Schultz.

Imlay City—Morley Palmateer, Imlay City road building was awarded the contract on County Road No. 9, he being the lowest bidder. The contract calls for two miles of 9-foot gravel road southeast of Imlay City and the price will be \$11,416.81. The Earle Memorial Road will be let to the Gohr Construction Co. of Saginaw, or to D. E. Ferguson of Vernon. The former's bid of \$45,411.52 was about \$1,500 less than Mr. Ferguson's. This contract calls for 4½ miles of sixteen-foot gravel road running north of Imlay City.

Sandusky—If William Roberts, well known Sandusky citizen is successful in the suit which he has filed in circuit court here against the city of Sandusky it will have to install a plant for the disposal of its sewage. In his bill of complaint Mr. Roberts alleges that he is the owner of 80 acres of land in the city of Sandusky which is under cultivation, and on which is located a house, barns and other buildings. Mr. Roberts states that the main sewer empties all of the sewage of the city into an open ditch in front of his premises causing a stench and odor at all times offensive, and at times so nauseating as to be almost intolerable. Mr. Roberts contends that the continual discharge of this sewage will contaminate the soil to a considerable extent and injure the water supply.

Bad Axe—Wednesday afternoon some crooked games and two off-color shows were spotted by a deputy sheriff and the city marshal. They were put off the grounds Thursday morning and Sheriff McAulay took charge of their equipment. When space was rented to these people they gave their word of honor that they had nothing that would offend a Sunday school picnic. The fair will lose a little money by doing this but in the end it will pay to protect both the people and public morals. Some people argue that it takes all this stuff to make a fair. It isn't needed to make a clean and decent fair and one that all the people can take a pride in and boost for.

## Michigan Happenings

One hundred and four prisoners at the Michigan Reformatory at Ionia have lost all special privileges pending an investigation of the outbreak which resulted in the use of tear gas to restore order. The force of guards at the prison has been increased by several members of the state police sent here from Lansing. The trouble at the reformatory started when the men complained of the food served and also of the amount of money deducted from their earnings to pay for it.

Mrs. Ruth Knudson and her brother, Clifford Harrison, waived preliminary examination before Judge John A. McMahon at Sault Ste. Marie, and were bound over to the September term of Circuit Court, on charges of grave robbery growing out of the disinterment of the body of Mrs. C. T. Fairchild from a grave on Drummond Island. No bond was specified in the judge's order and they were returned to jail.

Costly floral offerings from county officials adorned the coffin of Albert Radley, "the most jailed man" in Michigan, when he was buried at Muskegon. He had spent much of his time in recent years in the county jail for drunkenness and while sober had made fast friends of the sheriff and deputies. Radley's grandfather was a wealthy Englishman, who was at one time lord mayor of London.

Interurban bus lines will be forced out of business if city and villages through which they pass continue to adopt ordinances requiring license fees, officials of the National Auto Transit Co. told the Owosso city commission. They called Owosso's license fees of \$35 and \$50 per car unreasonable.

John H. Chase, 76 years old, treasurer of Lansing lodge, No. 33, F. & A. M., was killed by a Michigan Central freight train, switching over Kalamazoo street crossing in Lansing. It is believed he tried to cross between the cars. Chase had been a resident of Lansing for 40 years.

After being out on Lake Michigan for nearly 24 hours and drifting with the wind in a 27-foot launch in which the motor had gone dead, Ray Lamb, of Harbor Springs, and Alexander Thompson, Jr., of Harbor Point, were brought into Harbor Springs in tow of a light ship tender.

Several Granges in Wexford County will attempt to prevent the board of supervisors from appropriating money to the county farm bureau. At the annual meeting of the bureau at Cadillac opposition to the present manner of employing a county agent was made by Granges.

Mrs. Louise H. Campbell, state director of home demonstration agents since December, 1920, was appointed acting dean of home economics of Michigan Agricultural College, by the State Board of Agriculture. Mrs. Campbell succeeds Miss Mary Sweeney, resigned.

An abandoned 24-foot motor boat with no cabin or name was found drifting in Lake Erie, a half-mile east of Bolles Harbor, two and a half miles southeast of Monroe. Men from Sheriff Gessner's office brought the boat ashore and the sheriff is investigating.

Delegates and visitors from the 25 Eastern Star chapters of the upper peninsula comprising the Cloverland District association, held their annual convention at Gladstone, August 30. About 300 attended, including Worthy Grand Matron Irene L. Getty, of Kalkaska.

Heavy fines, some as high as \$70, are being imposed on Flint bus drivers convicted of speeding. Justice Tanner, in whose court speeding cases are heard, has resorted to this method of curbing the practice of speeding on the county roads.

Reviving an annual custom abandoned several years ago, Grand Rapids lodge, No. 8, B' P. O. E., has arranged to hold the Elks' Mardi Gras the week of September 10 at Ramona park. Arthur Rosenthal is general chairman.

Francis J. Webb, of Duluth, was elected president of the Lake Superior Mining Institute at the Houghton meeting and the next meeting awarded to the Mesaba Range.

Falling down the main shaft of the Acme Plaster company's mine at Beverly, Cornelius Dorenbos, a miner, was killed instantly.

Michigan's grape crop will be sold this year at a price more than \$100 a ton lower than last, as a result of the war between growers and shippers in western Michigan. The stable price this season will be \$40 a ton, as compared with \$145 last season.

Pontiac Methodists are making plans for the entertainment of 1,100 visitors for the Detroit Methodist Episcopal conference, September 12. An appeal was made to the general public to aid in housing preparations.

An embryo "red" plot to explode a huge tank of gasoline in the very heart of Flint's industrial district, near buildings valued at \$24,000,000, was uncovered, Aug. 28, according to authorities. A firing bomb, composed of papers, inflammable material and a quantity of matches, said to have been arranged in such a manner that the slightest friction would have sent flames shooting up to the mouth of a Standard oil tank, was found by an employee of that company.

The practice of spearing game fish in inland waters was condemned in a resolution passed by the Alanson Sportsmen club, Petoskey. The resolution was introduced by George W. McNabe, president of the Petoskey Gun club. McNabe went on record with a statement that the manufacture and sale of such spears should be forbidden by law. It also was resolved to investigate the Cheboygan locks through which fish are passing up.

Trapped in the upper story of his farm home in Beaumont township, near Cheboygan, by flames which swept the place, John Herron, 73 years old, was burned to death. Efforts of neighbors, who heard the frightened yelps of Herron's watchdogs as they sought to escape from the furnace of flame, failed to reach Herron before escape was entirely cut off. All of the buildings on the farm were destroyed.

A cut of \$5,000,000 in the assessed valuation of Macomb county as carried on the state tax commission's books, has been obtained by members of the county board of supervisors, in a protest before the state tax commission. The amount of reduction equals the amount of increase, made by the state board this year, over county assessment valuations.

Lieut. R. R. Fox, air service pilot at Camp Custer, was commended by Brig.-Gen. Moseley, camp commandant, for risking his life to save members of the Citizens Military Training Camp by plunging his plane nose down when making a forced landing. Fox was only slightly injured and his observer, Lieut. L. Z. Hitchcock, was scarcely bruised.

Swimming without pause for eight and three-quarters hours, Miss Genevieve Rowe, 17, of Hillsdale, Mich., swam the entire length of Crystal Lake, near Benzonia, a distance of nine miles. Miss Rowe did not leave the water even to eat. Her only food was raisins, which were handed to her by persons who accompanied her in a boat.

Masked with rubber bathing caps, pulled well down over their faces, two armed thugs forced Arthur Corey and Walter Street, of the Standard Oil company's branch at Owosso into the cellar and cleared the till of more than \$500. The safe in the offices of the company was blown and looted by thugs a few weeks ago.

Inventory of the estate of the late John F. Dodge, Detroit automobile manufacturer, filed in probate court sets the grand total at \$36,892,588.41, of which \$1,049,228.68 is represented by cash on deposit in banks. Other cash in Mr. Dodge's possession at the time of his death was \$1,124.

A new city ordinance prohibiting the display of fruits and vegetables out of doors is to be tested in Flint. A fruit merchant who placed tomatoes outside and was arrested contends he has a right to continue the practice as long as hucksters carry such produce through the streets.

The state prison commission will meet the request of inmates of Ionia reformatory who filed formal protest with Warden Thomas Burns, against the policy of the state in deducting \$1 from their wages for work done on contract in prison, and asked the cut be reduced to 75 cents.

Until recently Dowagiac people interested in marriage licenses had to go to Cassopolis, the county seat, to get them. Not so any more. Justice of the Peace Bilderback, of Dowagiac, announced that from now on he is the license business himself.

Glenn Rider, 35 years old, formerly of Stanwood, was electrocuted, when he came against a high tension wire while at work on a pole for a Big Rapids electric power company.

Rev. Caleb Rutledge declared from the pulpit of the Mt. Clemens Methodist church, that if he was elected as sheriff his first work would be to close Lake Shore roadhouses.

B. H. Custer, former mayor and commissioner of Eaton Rapids, and prominent in religious circles, died as a result of an attack of paralysis.

In the first two weeks of its use, tourists from 14 states, from Oklahoma to Maine, have visited Albion's new tourist camp.

The large barn on the farm of Marlon Merritt, Ypsilanti township, with 800 tons of hay, seven horses and a large quantity of wheat and oats, was burned to the ground. The fire was caused by spontaneous combustion. The loss will probably reach \$20,000.

John Marjorie killed a robin more than a year ago, but escaped after a fight with Warden F. B. Salisbury. He was arrested on his recent return to Grand Haven and paid a fine and costs of \$50.

Seth Stevens and wife to James G. Dubois, W ½ of NE ¼ of section 9, Vassar, \$700.00.

## LAPEER COUNTY WILL

## SUPPORT CRAMTON

The following splendid tribute to Congressman Cramton is taken from the Lapeer County Press, published by H. M. Myers, Mr. Cramton's newspaper opponent in Lapeer:

As the primaries approach it becomes more and more evident that L. C. Cramton of Lapeer will be the next congressional nominee. James McCaren, formerly of Bad Axe and now of Port Huron, is making a hard campaign to wrest the honors from our fellow townsman, but even Mr. Cramton's opponents admit that the chance for defeating him is small. His friends claim there isn't a chance in the world of defeating him. We believe the latter are right. As to Lapeer county, the vote will be practically solid for Cramton. Of course he has political enemies but they are making no concerted effort to campaign against him. While their individual vote will probably be tallied against him, their number will little affect the total.

It will be well for the county and state and nation to return Mr. Cramton to congress and to keep on returning him as long as he plays square and fair with the people. This, we believe, he has scrupulously done all through his public life. Mr. Cramton is now in a better position to serve the district than ever before. He is member of the Committee on Appropriations which ranks in importance with the Committee on Ways and Means. The Appropriations Committee holds the national purse strings, every cent of the four billion dollars of national expenditure being passed upon by it. Thirty-five congressmen make up this committee, 23 of whom are Republicans and 12 Democrats. Mr. Cramton is now the ninth member on this important committee and in the next house is assured of advancement to seventh position, as "Uncle Joe" Cannon and Slep of Virginia are voluntarily retiring from congress. Under the seniority practice of congress, Mr. Cramton would in time advance to chairmanship if he continues in congress.

He is also chairman of the sub-committee having charge of the Department of the Interior, including Indians, Reclamations, all National Parks, Geological Survey, Bureau of Mines, Patent Office, Bureau of Pensions, St. Elizabeth's Hospital for Insane, Howard University, Friedman's Hospital, Bureau of Education, Alaskan matters, etc. He is also member of sub-committee on Deficiencies, every branch of the entire government-going before that sub-committee for all emergency appropriations not carried in the annual appropriation bills.

Mr. Cramton is now completing his fifth term. Of the 435 members of the House there will not be more than 60 in the next congress with longer service to their credit. A man must learn to be a representative in congress just the same as a man has to learn anything else. It is an unwise performance for any district to change representatives at short intervals. A new congressman must begin at the foot and work up. Mr. Cramton has a good start towards the top and unless we are very much mistaken, Lapeer county will give him a good boost at the primaries with a heavy majority.

We believe with Champ Clark that "The best rule, it seems to me, is for a district to select a young man, young enough to learn and to grow, with at least fair capacity, industrious, honest, energetic, sober and courageous, and keep him here as long as he discharges his duties faithfully and well. Such a man will gradually rise to high position and influence in the House. His wide acquaintance with members helps him amazingly in doing things."

## Attractive Burmese Women.

Full rosy cheeks, smiling mouth, jet black hair, rounded chin, retracted nose and a deep creamy complexion make the Burmese woman the most attractive specimen of Far Eastern femininity.

## GREENLEAF.

Wm. Nutt drives a new Ford sedan. Grain threshing is nearly over for this year.

Fine autumn weather since the recent rains.

Nearly everyone spent Labor Day at Cass City.

Miss Ada Tanner spent Sunday at Wickware visiting relatives.

Geo. Jackson and wife entertained friends from Pt. Huron Sunday.

Bert Girmus and wife were visitors at Saginaw and Bridgeport Sunday.

Wm. Patrick and family transacted business at Pigeon Monday.

John McLellan is reported to be very ill at this writing. His sister, Miss Jennie McLellan, who is a trained nurse, has been called home to care for him.

The Misses Esther Wald and Marie

Long of Gagetown were callers in town Friday. Miss Wald began her duties as teacher in the Tanner school Tuesday while Miss Long is teaching at the Proctor school in Austin.

The Misses Dorcas and Frances McLeod and Florence Britton and others whose names were not learned are attending high school at Cass City.

H. D. Livingston, wife and little son and Albert Myron of Detroit are expected Friday to spend several days with relatives and friends.

Messrs O'Connell, Robinson and Gardner were calling on friends in town last week.

Jas. Hewitt and wife, Miss Ada Tanner, A. Livingston, Leslie Hewitt and others were in Cass City Saturday evening.

## Stock in the Ford Motor Company

SMOOTH stock salesman who recently worked in this community used this argument to sell his stock; that if a person had invested \$5,000.00 in the original stock of the Ford Motor Company that he would be worth to-day from 10 to 12 million dollars.

This salesman's argument may have been good, but what about the securities he sold? Investors now find them to be absolutely worthless.

Remember this, that while all the salesman's arguments may be essentially true, the securities he is trying to sell you may be the kind that need investigation.

Before you buy, come to this bank and we will get you accurate information. You may avoid heart-aches and a bad loss by so doing.

G. A. TINDALE

# LOCAL NEWS

Miss Sadie Ball of Wickware is the new clerk at Rice's grocery.

Mrs. Mary Palmer visited at the John Ritter home in Greenleaf on Tuesday.

Rev. and Mrs. Nieman of Owendale were callers at the M. E. parsonage on Thursday.

Angus McPhail and Hector McKay were callers in Imlay City on Saturday and Tuesday.

Mrs. Crissie Giesel and son, Hughferd, of Saginaw were guests of Mrs. Giesel's mother, Mrs. Mary McColl, during the past week.

Mr. and Mrs. G. W. Landon motored to Detroit on Thursday where they will spend the week-end.

B. A. Elliott, son, Francis, and Lawrence Buehly motored to Detroit and Windsor on Friday returning on Sunday.

Mrs. A. T. Crafts attended the funeral of Ruby Wood, who died as the result of a fall from an apple tree, at Owendale on Saturday.

Mr. and Mrs. Eldon Lamb of Port Huron spent Sunday and Monday at the home of Mr. Lamb's parents, Mr. and Mrs. W. A. Lamb.

Mr. and Mrs. S. Champion, Miss Edith Champion and their guests, Mrs. Gaylord Brown and children of Toledo, Ohio, spent Sunday at Bay Port.

Miss Lorena Leach, Robert Leach, and Morley Smith of Saginaw and Mr. and Mrs. Fred Smith, Miss Louisa Smith, and Andy Champion are spending the week at Caseville.

Mrs. Gaylord Brown and two children of Toledo, Ohio, have been guests at the S. Champion home for several days. Mr. Brown came on Monday to spend several days here also.

Mr. and Mrs. Harry Kaiser of Detroit and Mr. and Mrs. Peter McCarthy and daughter, Fern, of Argyle spent Sunday at the homes of Alex McLachlan and S. W. Striffler.

Mr. and Mrs. Guy Click and family and James Click of Port Huron were guests at the home of Rev. William Richards the first few days of the week.

S. G. Benkelman, S. W. Striffler, and Archie and Walter Mark are employed at Oak Bluff in the construction of a summer cottage for J. A. Sandham.

Mrs. Wm. Lamb returned to her home here on Friday after a three weeks' visit at the home of her son, Guy, at Mankato, Minn. Mrs. Lamb is perfectly satisfied with Michigan after her trip through Wisconsin and Minnesota.

Mrs. Margaret Leyagood spent the week-end with relatives at Deford.

Mr. and Mrs. W. N. Straube and son, Glenford, spent Sunday at Bay Port.

Mr. and Mrs. Roy Stevenson of Chicago were guests at the D. E. Turner home on Monday.

Miss Lila Chapman and Stanley McArthur spent Sunday at the M. B. C. campmeeting at Yale.

John Chapman and family spent Friday at the home of his brother, James Chapman, near Memphis.

Presbyterian Ladies' Missionary society will meet Thursday, Sept. 14, at the home of Mrs. Miller. Everyone is cordially invited.

Mrs. Julius Haskell and daughter, Beatrice, of Lapeer were callers at the home of Mr. and Mrs. Lester Bailey on Sunday.

The Misses Edith and Alice Chapman returned home Monday after spending 10 days at the M. B. C. campmeeting at Yale.

Mr. and Mrs. M. O. Dodge, Wm. S. Dodge, and Miss Mildred Dodge of Detroit and George Chapman and Frank Dodge of Lapeer were guests at the Wm. Dodge home here over the week-end.

Mr. and Mrs. A. E. Rutherford and family, Mr. and Mrs. Geo. Young and family, and Wm. McFarlane of Detroit spent the week-end at the Walter Schell home.

Mr. and Mrs. Guy Hunt and son, Harry, and Mr. and Mrs. Kenneth Yakes and two children of Detroit spent the week-end at the home of Mrs. Catherine Yakes.

Randall Lamb came on Friday to his home here from Marysville where he has been employed during the summer in the plant of the American Bushings Co. He will attend the Western State Normal at Kalamazoo during the coming year.

Rev. F. L. Pohly left on Monday for Jackson where he will attend a retreat for Evangelical pastors in Michigan. Bishop S. P. Spreng, Prof. J. A. Stamm, and Dr. Chas. L. Goodell, chairman of the commission of Evangelism of the Federal Council of Churches, are among the instructors.

The Cobweb social which was held at the O. E. Niles home on Friday night had come to an end but a few minutes when the house was struck by one of the numerous bolts of lightning of the night's storm. The bolt cut some strange capers and shattered the windows but injured no one.

Mrs. Mary McColl was pleasantly surprised on Sunday when nearly all of her children and grandchildren gathered at the G. W. Landon home for dinner in honor of her 82nd birthday. Those who were present from out of town were Mr. and Mrs. E. F. Kreiman and daughter, Vera, Mrs. Crissie Giesel and son, Hughferd, and John Robson of Saginaw and Mr. and Mrs. R. A. Rich and family of Deckerville.

## ELMWOOD.

Edd. Youmans purchased a new horse last week.

Mr. and Mrs. Omar Lewis and family of Unionville visited at the Geo. Seeley home Sunday.

Mr. and Mrs. Earl Downing, Bert Downing and Mrs. Robert Lloyd spent Sunday at John Downing's. Mrs. Lloyd remained to spend the week.

Mr. and Mrs. A. Daus of Imlay City were callers in Elmwood Sunday.

Mr. and Mrs. C. H. Seeley motored to Vassar and Millington Saturday.

Mrs. James Wilson was pleasantly surprised by about seventy of her friends Friday evening, the occasion being her birthday.

Mrs. Ray Wilson, who has been very ill, is improving at this writing.

## EVERGREEN.

Hester Kitchin has the whooping cough.

The Chambers schoolhouse was repaired last week.

Robert Craig is working on the basement of his new house.

J. Frey of Port Huron is working for J. A. Kitchin.

Mr. and Mrs. Clare Mudge of Detroit visited at the Wm. Mudge home on Monday.

Among the campers at the Yale camp meeting were: F. A. Jones, A. W. Kitchin, J. A. Kitchin, Geo. Kitchin, Mrs. Wm. Mitchell and families and Barbara Coulter. A number of others attended on Sunday.

Miss Helen Craig began her duties as teacher of the McHugh school and Jason Kitchin the Chambers school on Tuesday.

Advertise it in the Chronicle.

## ONLY 45 PER CENT

## PAY TAXES

"Only 45 per cent of the property in Michigan pays the taxes, leaving the other 55 per cent exempt from any share of that burden," declared John J. Sterling, attorney of Benton Harbor, in speaking for Berrien county Tuesday morning before the state board of equalization.

The members of the state tax commission, press dispatches state, nodded in the affirmative, while Mr. Sterling waited to be corrected if his statement was in error. This is the real crux of the tax situation; our taxes would be nil if some plan could be adopted whereby all values could be made to pay its proportionate share of the tax burden. The Republican would be disposed to favor a state income tax if it didn't look like creating just another source of getting more money without any hope of reducing the present tax resources. The Sterling charge that less than 50 per cent of the value is on the tax roll at the present time is a startling admission of the weakness of our existing tax methods.—Charlotte Republican.

## Fistic Affection.

"A staggering right to the jaw in the boxing ring is perfectly consistent with brotherly love," says Father Deagan. Some boxers go even further in showing affection. In a recent heavy-weight affair, the contestants hugged each other all the time.—London Opinion.

## England's First Motorist.

The first driver of a motorcar in England was James Pullenger of Weybourne, and the trial of the car took place October 17, 1895. It was driven by benzine and was a two-seater, and traveled at 11 miles an hour on a good road.

“What’s in a Name?”

By MILDRED MARSHALL

Facts about your name, its history, meaning, whence it was derived, significance, your lucky day and lucky jewel.

ANTOINETTE

TO THE average person, Antoinette and Annette are regarded as closely related—the former is thought to be merely an elaboration of the latter. But such is not the case. Annette, which will be discussed later, comes from the Hebrew while Antoinette is of Roman extraction. It means “inestimable” and is said to have originated with Antius, a son of Hercules.

Several distinguished Roman families bore the name of Antonius and its first famous exponent was Mark Anthony, avenger of Caesar and lover of Cleopatra. It received a reputation for sanctity through St. Anthony, the great hermit of the Fourth century.

The feminine form Antonia made its appearance in Italy, also, and in Spain, where it still is popular. The Germans adopted it as Antonie, but the French are responsible for the charming Antoinette which is forever pitily recorded in history through the fate of lovely Marie Antoinette, queen of Louis XVI.

The French later contracted Antoinette to Toinette, a popular form throughout the country. Toinon is also sometimes used as a diminutive. Italy has an Antoinetta and an Antonica. Antonia and Antonetta are the favorite equivalents in Sweden.

The garnet is Antoinette’s talismanic stone. It possesses many of the powers of the ruby, whose flaming heart it so closely imitates. It promises its wearer courage, a dauntless heart, and success in every ambition. Friday is her lucky day and 5 her lucky number.

YOUR HAND

How to Read Your Characteristics and Tendencies—the Capabilities or Weaknesses That Make for Success or Failure as Shown in Your Palm.

ILLNESS SHOWN IN THE HAND.

CHRONIC indigestion, or digestive troubles, are marked in the hand by a wavy line of health. This sign is intensified by a poor and narrow line of the head, and an island on the line of life shows at which period of life the trouble may be feared.

Kidney troubles are shown by puffy, watery-looking skin, with a star on the mount of the moon, and ailments of the liver by a livid or yellow line of the heart, with a wavy or discolored line of the head having a bluish spot, and a wavy line of health. Danger to be feared in maternity is seen in a line running from the upper part of the mount of Venus (or ball of the thumb) to the mount of Saturn, underlying the middle finger.

Chronic melancholia is threatened if there is a grill or gridiron on the mount of the moon, which lies toward the outside of the palm, near the wrist. If the line of the head is broken in small sections, having the appearance of small squares, there is peril of loss of memory.

(Copyright.)

This One a Beauty.

Wild Carrot, or Bird’s Nest, or Queen Anne’s Lace, is a plant that often spreads over wide meadows and along dusty country roads, says the American Forestry Magazine. It is a pest to farmers, a joy to the flower-lover, and a welcome signal for refreshment to flies, beetles, bees and wasps.

Tree Planting on Pike’s Peak.

Eight hundred acres of forest land on the north side of Pike’s Peak was destroyed by fire 60 years ago and a worthless growth of scrub took its place. Recently this has been entirely replanted.

LOCAL NEWS

Mrs. Grace Allen, who has been on the sick list, is much better.

Mr. and Mrs. Fred Reid and son, Alvin, are attending the state fair.

Arthur Fritz of Detroit ate Sunday dinner at the home of Wm. Martus.

Mr. and Mrs. G. A. Tindale and family were callers in Fairgrove on Sunday.

Mrs. Sam Sherck of Deford visited with her sister, Mrs. Bessie Holt, the first of the week.

Mr. and Mrs. Ernest Reagh went to Detroit on Monday to attend a special Ford exhibition.

Mr. and Mrs. O. W. Moulton and son of Wilmet visited at the B. F. Gemmill home on Sunday.

Born to Mr. and Mrs. Bert Clara on Saturday, Sept. 2, a daughter whom they have named Marian.

Mr. and Mrs. Merritt Hart of Marine City are visiting the latter’s parents, Mr. and Mrs. Amos Martin.

Miss Aggie Turnbull of Tilsonburg, Ontario, was a guest at the J. A. Sandham home Friday and Saturday.

Mr. and Mrs. Wm. Martus went to Brown City Monday to attend the wedding of Mrs. Martus’ niece, Evelyn Linck.

Ralph Conger, who has been visiting at John Evans’ for three weeks, returned to his home in Bay Port Monday night.

Mr. and Mrs. Wm. Pike of Fairgrove and Mrs. F. E. Kelsey and Mrs. Frank Campbell of Caro were callers in town on Monday.

Mr. and Mrs. M. E. Kenney motored to Detroit and Toledo on Sunday where they visited with relatives and returned on Monday.

Mrs. Lester Jersey of Boyne City is spending the week visiting with relatives here. Mrs. Jersey was formerly Miss Addie Wallace.

Mr. and Mrs. Frank Augustus and daughter, Mildred, and Allen Sturton of Ypsilanti spent several days the first of the week at the A. J. Knapp home.

Mr. and Mrs. Chas. Randall and family, Mr. and Mrs. Lon Randall and family and Mr. and Mrs. John Spurgeon and family spent Sunday in Bay Port.

Mrs. T. J. Crowley and children, Florence and Laurence, and Mr. and Mrs. Hyslip of Detroit were guests at the Robert Gallagher home on Labor Day.

Mr. and Mrs. J. D. Brooker and son, James, left Wednesday morning on a motor trip to Cincinnati, Ohio, where they will spend two weeks with Mrs. Brooker’s brother, A. C. Bader.

Mr. and Mrs. A. A. Ricker attended the Ricker family reunion held at the home of Mr. and Mrs. Fred Carson at Owendale on Sunday. Nearly sixty guests were present at this reunion.

The senior and the junior societies of the Evangelical church met for their monthly business and social meeting at the home of Mr. and Mrs. Edward Helwig on Tuesday night.

Hector McKay motored to Owen Sound, Ont., on Tuesday to spend a few days with relatives there. His father and mother will accompany him on his return journey. Dan McGillivray went as far as Port Huron with him.

Neighbors of W. L. Mann and M. B. Auten are watching with considerable interest their crops of late Yellow Bantam corn. The present outlook makes it advisable to book early orders for delivery for the week of Thanksgiving, providing that weather conditions are favorable.

Mr. and Mrs. John Dilman and daughter, Esther, went to Bay City Saturday to visit Mr. Dilman’s sister, Mrs. Charles Richter. They found Mr. Richter some better but very weak. He has been sick for several weeks, ulcer of the bowels being the trouble. They returned Sunday.

Mr. and Mrs. Lon Randall and daughter, Billy, of Lansing, who have been spending a few days with Mr. Randall’s sister, Mrs. John Spurgeon, and brother, Charles Randall, went home Monday. Their daughter, Beatrice, who has been here three weeks, returned home with them. Mr. and Mrs. Spurgeon also went with them for a short visit with Mrs. Spurgeon’s mother, Mrs. Mary Randall.

The many friends of Mr. and Mrs. Alonzo Bingham now in Kalispell, Mont., will be sorry to hear of his accident which happened in July and that he is still unable to go to work. He was shingling a house when the scaffold broke, letting him fall two and one-half stories. As luck would have it, the old shingles were not removed so it was on them instead of a cement walk he fell. One rib fractured and a sprained back were the results.

The Grand Trunk has resumed the following train service on the Detroit to Grand Rapids and the Detroit to Chicago division beginning Sept. 1: Train 56 which leaves Grand Rapids at 2:55 p. m. and train 57 which leaves Detroit at 3:30 p. m. have been resumed on the former branch. Train 115 leaving Detroit at 10:00 p. m. and train 116 leaving Chicago at 9:50 p. m. have been resumed on the latter branch. This resumption of service brings a glimmer of hope for other Michigan branches of the G. T.

Fred Neville and Margaret Ross spent Sunday in Argyle and Shabbona.

Mrs. R. Dobson and daughters, Thelma and Mary, spent Sunday in Greenleaf.

Chester Graham and Lyle Koepfgen attended the Sandusky fair on Wednesday.

Dr. I. A. Fritz and family spent Sunday at the home of Dr. A. C. Edgerton in Clio.

Mr. and Mrs. Jasper Darling of Flint were guests at the Walter Mark home on Sunday.

Dr. I. D. McCoy and M. B. Auten made a flying trip to Detroit on Wednesday night.

Mr. and Mrs. Mark Bond and Mr. and Mrs. H. M. Willis were callers in Bad Axe on Thursday.

Louis Striffler motored from Detroit on Sunday returning on Monday after visiting at his home here.

Mrs. C. B. Gemmill and daughter, Marion, made a trip to Boyne City last week returning on Friday.

Miss Edith Chapman resumed her duties Wednesday at the telephone office after a two weeks’ vacation.

Miss Lillian McDermott of Battle Creek is the guest of Miss Esther Mark for several days this week.

Mr. and Mrs. Dell Herrington and two sons of Ottawa are visiting this week at the John Chapman home.

Mr. and Mrs. C. E. King of Detroit spent Sunday and Monday with Mrs. King’s parents, Mr. and Mrs. H. M. Willis.

The Baptist Ladies’ Aid met in the parlors of the Baptist church on Wednesday for an all day session with a pot luck dinner at noon.

Mr. and Mrs. E. H. Lewis and Wm. McFarlane spent the week-end at the home of Mrs. Lewis’ sister, Mrs. Via Warner.

Mrs. Jessie M. Dickson and Marshall West of Detroit were guests for the week-end at the home of Mr. and Mrs. G. A. Striffler.

Miss Edith Brown and John LaZelle of Port Huron and E. R. Wilson, Leslie Carroll, and Dr. Lona B. Carroll of Detroit were guests at the home of Levi Bardwell over the week-end.

Grant and Cecil Patterson motored to Detroit and Pontiac on Sunday where they are spending the week with friends and also attending the state fair.

Mr. and Mrs. Wm. Schwaderer and Mrs. Margaret Levagood motored to Royal Oak on Sunday to spend several days with the Schwaderer’s daughter, Mrs. Albert Dunham.

Miss Carola Fritz left on Monday for Detroit where she will teach during the coming year in the Nordstrum high school. History is the subject which she will teach.

Mr. and Mrs. C. O. Lenzner have received the sad news of the death of their grandson, David H. Pocklington, at Algonac on Monday. He was two years of age and had been ill but a few days with diphtheria.

Mr. and Mrs. Oscar Ashe and Mr. and Mrs. Clifford Guyette and family of Vassar spent Sunday at the home of Wm. Paul. Mr. and Mrs. Gilbert Laird of Brantford, Ont., who had been visiting at Paul’s returned to Vassar with them.

The Riverside and Novesta Farmers’ Clubs were entertained for their August meetings at the cottage of Mr. and Mrs. A. J. Knapp at Oak Bluff on Thursday of this week. A chicken dinner was one of the main events of the occasion.

The stork’s schedule cannot be delayed. During the terrific storm of Saturday morning, two of whose numerous bolts of lightning struck the house and tore off the plaster, Norene Phyllis came to gladden the home of Mr. and Mrs. A. E. Goodall.

S. G. Benkelman received a sprained ankle and Walter Mark was slightly bruised when the scaffolding on which they were working at the Sandham cottage at Oak Bluff gave way and dropped them to the ground. The work on the cottage has been stopped by the accident.

Dr. I. D. McCoy was called to Emmet, Pa., on Saturday by the illness of his mother. The trip was made by motor and, needless to say, in record time. He found his mother only slightly ill and after spending a day there returned on Monday. Colin McRae accompanied him.

Mr. and Mrs. P. S. McGregory and daughter, Helen, and Miss Catherine Fritz motored to Clio and Flint last Sunday. They visited at the Dr. A. C. Edgerton home in Clio and thence to Flint where Miss McGregory will teach in the English department of the high school. Miss Fritz went on to Lansing, where she will teach.

About twenty young ladies gathered at the home of Mrs. Ernest Schwaderer on Tuesday evening in honor of Miss Irene Frutchey. A miscellaneous shower brought a large number and variety of novel and useful gifts for a prospective housekeeper. The evening was spent in hemming towels and in jollification such as only “the girls” can produce. A dainty supper finished the occasion.

Fred Milligan, in company with Gilbert McKee of Evergreen and Alex Hegner of Sandusky, all World War veterans, began a drive to Madison, Wis., on Aug. 25 to attend the third reunion of the 32nd regiment. They camped along the road at night. Arriving at Madison they found a royal welcome and splendid entertainment for the several days spent among old “buddies.” They returned home Aug. 31.

Mr. and Mrs. B. J. Dailey were callers in Bad Axe on Tuesday.

Legrand M. Gemmill of Boyne City entered the Cass City school last week.

Miss Marie Gemmill of Mayville visited at her parental home here on Sunday.

Miss Ione Ashe of Vassar spent a few days of last week at the G. A. Striffler home.

Mr. and Mrs. Grant Palmer of Caseville spent the week-end at the B. J. Dailey home here.

Miss Alice Chapman resumed her duties Wednesday at Heller’s Bakery after a two weeks’ vacation.

Mr. and Mrs. Barney Dolwick of Gagetown and daughter, Irene, of Colwood and Mr. Dolwick’s sister and husband and family of Toledo, Ohio, visited at the Orris Reid home Sunday.

CHURCH CALENDAR

Evangelical—Regular services will be held in this church next Sunday at the usual hours.

Baptist—10:30 Morning worship. 12 m., Bible school. 6:30, B. Y. P. U. 7:30, evening service.

To all these services you are cordially invited.

A. G. NEWBERRY, Pastor.

Presbyterian—Services on Sabbath both morning and evening conducted by the pastor. Worship and sermon at 10:30 a. m.

Sunday school at 11:45. Classes for all. Strangers invited.

Evening preaching at 7:30 p. m. Topic, “Does the World Owe You a Living?”

We were pleased to note the splendid attendance last Sunday. Let’s keep it up—we’ll all be better and happier for the fellowship of worship. Of course we missed the absent ones and trust that you may be with us on Sunday.

Strangers and visitors invited to share in all the services.

WILLIAM W. EDWARDS.

Methodist Episcopal—Next Sunday is the last Sunday of the conference year, and also the last Sunday of my pastorate in Cass City. The morning service will be at 10:30. Reception of members will be at this service. Also infant baptism. Parents having their children baptised will notify the pastor. Let us meet together in communion and thank God for the extension of His Kingdom throughout the world.

The Sunday school will immediately follow the service.

Epworth League at 6:30. The evening service will be at 7:30. The pastor will preach on “The Christian Ballot Box.”

The week day services as usual.

BETHEL—Services at 1:00 and 2:30.

Kindly pay in all your Centenary money by Sunday. The annual conference will commence Monday evening. The pastor leaves Monday noon.

All are welcome to be present.

WM. RICHARDS, Pastor.

SCHOOL NOTES.

Annabelle MacRae and Marian Wallace—Reporters.

Kindergarten.

We are talking this week about the home, mother, and her occupations.

We are dramatizing the little song, “Monday is Mother’s Washing Day,” for which purpose the children have brought a tub, washboard, clothesline, basket, and clothes-pins.

We have learned to know “mother” and “father” in print, and have drawn colored and cut-out pictures of same.

Second Grade.

We are doing a great deal of dramatizing and are watching every day for the signs of fall.

Carl and Louis Wright started to school Tuesday.

Third Grade.

We are learning the poem, “September,” by Helen Hunt Jackson.

For morning exercises we are reading, “Donkey John of the Toy Valley.”

Fourth Grade.

We are enjoying “The Little Land,” by Robert Louis Stevenson.

In arithmetic we are studying short division.

Caswell Hunter and Vera Rohrbach are in school again.

Fifth Grade.

George Russell and Marguerite Goff are new pupils in our grade this year.

Tuesday we had original stories about pets, and eight different kinds of animals were told about.

We are making notebooks containing the principal facts which we learned from our history stories.

Sixth Grade.

For morning exercises we are reading “Wild Animal Ways,” by Ernest Thompson Seton.

High School.

We have had several visitors the past week, including friends and alumni.

Anxious Seniors have been peacefully waiting for the Freshmen to depart with well filled baskets for their “annual roast.”

The Athletic Association elected the following officers for the year of 1922-23: Donald Seed, president; Alice Ferguson, vice president; Francis Fritz, secretary-treasurer.

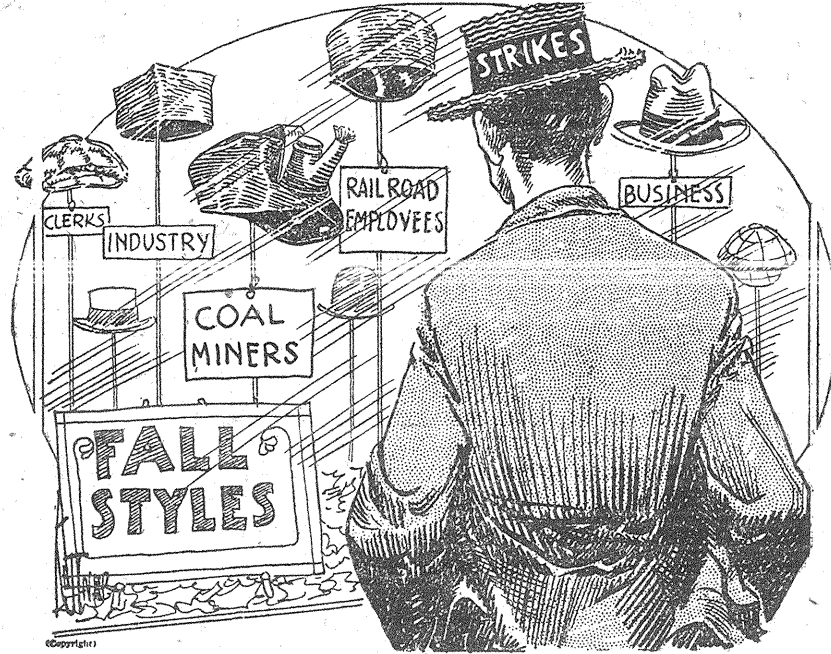

The Chemistry and Physics classes are starting their laboratory work this week with some new equipment which will add considerably to the efficiency of the work.

Prospects for a good foot ball team are very promising as over 20 men have turned out for practice this week.

A class in High School Art is being organized. At present the work is confined largely to the collection of material and working out of color harmonies to be applied to design and decorations. Composition later in the year.

High School Music I and II met together Friday morning and had an enjoyable time singing the good old songs.

Straw Hat Season Is Over

WICKWARE.

The friends of Wm. Robinson of Austin township, Republican candidate for register of deeds in Sanilac county, certainly showed their interest and earnestness in his behalf last Tuesday when a delegation of 40 men from Argyle, Austin, Greenleaf and Evergreen townships gathered at Argyle in the morning and decorated their cars with flags and banners and proceeded to make a tour of the county.

M. Ferguson of Cass City also accompanied them and at every village furnished music for the occasion with his bagpipes. Mr. Robinson’s candidacy is growing in popularity every day and his many friends are anxious to see him succeed in landing the nomination.

KINGSTON-NOVESTA TOWN LINE.

School started here Tuesday with Miss Emma Perry of Novesta as teacher.

Mr. and Mrs. Lewis Retherford and children visited relatives at Caro Sunday.

Mr. and Mrs. Eber Coleman of Pontiac spent Saturday and Sunday with relatives here.

Stanley Osborn is visiting at Owosso.

Mr. and Mrs. Mac Wentworth and daughter, Norma, left last Saturday for a week’s visit with relatives at Lansing and Detroit.

Miss Goldie Martin of Detroit is spending her vacation at her home here.

Charlie Dodge and friend of Detroit visited Sunday at the home of his parents, Mr. and Mrs. H. A. Dodge.

Miss Ella Dell, a niece of George Martin, M. McLaughlin and Willie Bollen of Detroit were entertained Sunday and Monday at the Martin home.

Mrs. Joe Vampell and Mary Orto are spending the week in Detroit.

SHABBONA.

Very warm weather.

An electrical storm passed through this vicinity Friday night. No damage done.

Threshing is nearly completed in this vicinity.

Mr. and Mrs. R. Ford are spending a few weeks with Mrs. Mattie Loucks.

Mrs. Mary Meredith and Arline Meredith visited from Thursday till Monday in Caro.

School started Tuesday with John Wengert as teacher.

St. Patrick’s Birthday.

The late Sir Robert Ball, according to a recently published book of recollections was fond of telling how it came about that St. Patrick’s day is celebrated on the 17th of March. “In ancient times,” said Sir Robert, “there was a mighty discussion as to what was the day of St. Patrick’s birth. Some would have ‘twas on the 8th of March, others declared ‘twas on the 9th, when one wise man said, ‘Come, don’t quarrel, let us add the two together and make it the 17th’”

Origin of “Showing a Leg.”

“Show a leg” is said to be an old naval phrase, which originated in the days when women were allowed to live on board warships. When the boatswain piped the call to wake the men he shouted, “Show a leg, or the purser’s stocking.” Sailors do not wear stockings, so when the boatswain saw a stockinged leg sticking out from the hammock he knew it belonged to a woman, and she was allowed to stay in bed later.

Bible Thoughts for This Week

Sunday.

AN END TO WORRY:—Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.—Philippians 4: 6, 7.

Monday.

REWARD OF THE RIGHTEOUS:—Mark the perfect man, and behold the upright; for the end of that man is peace.—Psalm 37: 37.

Tuesday.

RIGHT REASONING:—Let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow.—Isaiah 1: 18.

Wednesday.

MAN’S APPEAL:—O Lord, revive thy work in the midst of the years.—Habakkuk 3: 2.

Thursday.

THE ONLY HELP:—For I the Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee.—Isaiah 41: 13.

Friday.

DELIVERANCE AT HAND:—I will be with him in trouble; I will deliver him.—Psalm 91: 15.

Saturday.

TRIED AND PROVED:—As for God, his way is perfect; the word of the Lord is tried, he is a buckler to all that trust in him.—2 Samuel 22: 31.

So Satisfying

Our smooth, velvety Ice Cream with a liberal portion of your favorite flavor, is so satisfying on a hot day.

And it’s healthful too—a real summer food that will sustain your strength and rejuvenate you entirely.

BARNES & COPLAND

## MICHIGAN HORSES

## WIN AT OHIO FAIR

Entries from M. A. C. Stables Score Heavily Against Strong Opposition Last Week.

Competing against the pick of the Middle West in draft horse types, Michigan entries, owned by the state agricultural college, won premier honors at the Ohio State Fair last week.

The M. A. C. herd, frequently referred to by authorities in the livestock world as the "best college-owned draft horse herd in America," continued its sensational winnings of former years, and added new laurels to its string at the Buckeye exhibit.

"The competition was unusually keen at Ohio," says Ralph S. Hudson, superintendent of the college herd. "In many classes the show compared very favorably with International exhibits at Chicago, the best of the various breeds being represented. In view of this fact, I feel that Michigan farmers have a right to be justly proud of the showing made by our local horses."

UPPER STATE SECTION  
TO HAVE SOIL SURVEY

Four Counties in Cutover Area Will Be Reached by M. A. C. Staff This Fall.

Four northern Michigan counties, situated in the so-called cutover area in the upper end of the lower peninsula, will be reached by state and federal soil survey workers during the coming fall, according to announcement made this week by Dr. M. M. McCool, head of the M. A. C. soils department.

Four men from the college staff, headed by J. O. Veatch, of the soils from the United States Bureau of Soils will comprise the survey team. Presque Isle, Alpena, Montmorency, and Cheboygan are the upper counties on the list for survey work. Other counties which have already been covered in the state include Berrien, St. Joseph, Kalamazoo, Ottawa, Manistee, and Ontonagon.

FOOTBALL PRACTICE  
BEGINS FOR H. S. BOYS

More than twenty high school boys responded to the first call for football practice which was issued by coach Earl Brooks on Thursday of last week. The number was just a little smaller Tuesday due undoubtedly to the fact that there was not enough equipment to supply all. Coach Brooks hopes to get equipment enough for two full squads so that he can be assured of this many at practice throughout the season.

An estimate of the grade of material that has shown up is rather hard to form at this time since the boys have had no real opportunity to try their mettle. Coach Brooks is beginning his work with muscle building drills before beginning the real grill of the gridiron. His aim is to produce physically strong boys and not merely a winning team.

A schedule of eight games with other Thumb high schools has been arranged and two or three more games will probably be added. The schedule is as follows:

Sept. 29—Ubyl at Ubyl.  
Oct. 6—North Branch here.  
Oct. 13—Pigeon at Pigeon.  
Oct. 20—Vassar here.  
Oct. 27—Caro at Caro.  
Nov. 3—Vassar at Vassar.  
Nov. 10—Bad Axe here.  
Nov. 24—Bad Axe at Bad Axe.

## OBITUARY.

## Mrs. A. D. Mead.

The death of Mrs. A. D. Mead at Imlay City on Saturday afternoon came as a shock to her many friends in this community. Mrs. Mead had been visiting at the homes of her daughters, Mrs. Lillie Rogers and Mrs. Hazel Miller, at Trenton and Detroit, and had just returned home about one o'clock on Saturday afternoon. About six o'clock the family missed her and supposing her to be at the neighbors went to call her. Failing to find her there they began a search and discovered her body lying in the garden. She had probably been dead a half hour when her body was found.

Miss Emma Curry was born May 2nd, 1851, at Nankin, Wayne county, Mich. She was married to A. Day Mead of Inkster, Mich., in 1880. To this union were born six children, Mrs. Lillie M. Rogers of Trenton, John Fair Mead, who preceded his mother in death, Myrtle Mary Mead, who also preceded her mother in death, Alfred Burton Mead of Fargo, N. D., Mrs. Edythe E. Keating of Imlay City, and Mrs. Hazel R. Miller of Detroit.

In 1894 they moved to this locality where they resided until the time of their removal to Imlay City in the fall of 1921. A part of their residence in this community was spent on their farm in Greenleaf and part was spent in the town. But wherever she lived she won friends by her sweet and loving disposition.

She had been a member of the Methodist Episcopal church since childhood and had been a member of the local Methodist church since her coming to Cass City in 1894. Her purity of life and devotion to her God made her life an influence for good both in her home and in the community.

Funeral services were held at the Cass City Methodist church at two o'clock on Tuesday, Rev. Wm. Richards officiating. Interment was made in the Elkland cemetery. She leaves to mourn her departure her husband, A. D. Mead, three daughters, one son, and a host of other relatives and friends.

## Harlem E. Wagg.

The many friends of Harlem Wagg were saddened to hear of his death which occurred on Sunday morning, Sept. 3, after an illness of several weeks. He was a friend to many of the young people of northern Novesta and his death will be felt keenly by all.

Harlem E. Wagg was the son of Mr. and Mrs. Samuel Wagg, who live four miles south and one mile east of Cass City. He was born in Custer township, Sanilac county, on Feb. 20, 1906. When he was just three years old he moved with his parents to their farm home in Novesta where he was living at the time of his death. About the middle of August, he developed a septic sore throat which later developed complications resulting in a very serious illness. Death came on Sunday morning.

Funeral services were held at the Church of Christ on Tuesday at eleven o'clock, Rev. Wm. Richards, his pastor, officiating. He was a good Christian boy and loved by all who knew him. He leaves to mourn his departure his parents, one grandmother, four brothers, three sisters, and a host of friends.

O'CONNELL CANDIDACY FOR  
STATE REPRESENTATIVE IS  
SWEEPING THE COUNTY.

His Stand on Taxation Is Favorable to All People.

Sandusky, Mich., Sept. 6—Up to the present time, Mr. O'Connell, Republican candidate for County Representative in Sanilac County, expresses himself as very well satisfied with the interest that has been shown at all the meetings held to date and he believes that the people of the county are awake to the problems confronting them.

Mr. O'Connell says the time has come when something must be done by the taxpayers to place 100 per cent of the wealth of Michigan on the tax roll. He believes that the tax situation in Michigan has become alarming, and if not corrected will do much to injure the progress of the county and state.

According to statistics the state and local tax has increased since 1911 from \$39,000,000 to \$158,000,000 or an increase of government expense of four times what it was in 1911. This large tax of \$158,000,000 is raised by assessing the real estate and personal property, and this means that only 50 per cent of the wealth of Michigan is taxed to carry on this heavy government expense. If only 50 per cent of the wealth of Michigan is on the tax roll and paying nearly all of the taxes, he wants to know why we shouldn't place the 100 per cent there to help carry the burden. This would of necessity reduce the rate upon the present tangible property.

It is an admitted fact that there is more intangible property in the state escaping taxation than there is on the tax rolls today. This unassessed intangible wealth amounts to about six billions, while the assessed valuation of personal property and real estate amounts to five billions.

Mr. O'Connell is a dairy farmer and a heavy tax payer and is very much interested in seeing a just and equal taxation system placed on the statute books of our state so that all the property holders will pay their share. New York and 16 other states have amended the constitution to cover some of this intangible wealth. This revenue from New York State pays all the state tax and part of the local tax.

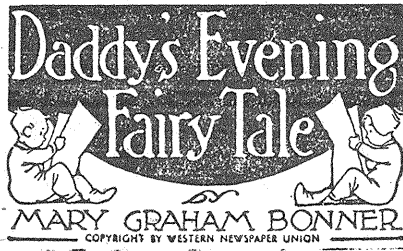

Now if the people of the county are interested in placing 100 per cent of the wealth of the state on the tax roll by amending the state constitution at the November election, and if they are interested in sending a representative to the legislature who will help them work out these problems after the constitution is amended, Mr. O'Connell has pledged his efforts to the task of helping to work them out, and he also appeals to you as a voter to come to the primary September 12th, and give him your support.—Advertisement.

## Why the "Horse" Chestnut?

An English writer says the horse chestnut has no connection whatever with the horse. Evidently he has not thoroughly examined the tree, for wherever a small branch or cluster of leaves starts, there is the shape of a horse's hoof, even to the print of the nails used in putting the shoe on. It is plainly seen when one knows it is there.

## Wealth Has Its Drawbacks.

It would be a considerable consolation to the poor and discontented, could they but see the means whereby the wealth they covet has been acquired, or the misery that it entails.—Zimmerman.

## BIRDS OF FREEDOM

"As we know," commenced Daddy, "the Bald Eagles are the Birds of Freedom. They are the American national birds."

"They live mostly along our Eastern coasts, though they fly over lakes and rivers, as well as coastlines."

"It is because they live everywhere, for one reason, that they are chosen as the American birds."

"For if they were birds of just one little section or one kind of land it would not be nearly so suitable as it is to have birds whose families are willing to have their homes in more than one part of the land."

"The head and neck and tail of the full-grown Bald Eagle is white. And it is not until a Bald Eagle becomes of age that he has these touches."

"The rest of his plumage is brown and black, while his bill and legs are yellow and the iris of his eye is yellow."

"Then, too, there are occasional touches of white to the grown-up Eagle."

"The young Eagles wear brownish-black suits, with spots for decorations. Their beaks are black and their legs are yellow, and the iris of the young Eagle's eye is brown."

"During the second and third year they begin to show more white on the under parts of the tail, but still the tail is of a blackish color."

"It is not until they are three years old that they're really grownup Bald Eagles, with all the fineries of the Bald Eagles."

"Eagles are mostly to be seen in the spring and summer, but they have no very special time of the year for being around, which makes them nice birds to be chosen for American birds."

"For it would not be so well to have birds that are around one time of the year and not another as our National Bird."

"They can see great distances, and they watch the water in the summer time for dead fish. This is their favorite kind of food, though they will always go for sheep or calves which have been killed."

"They are very, very famous for their sight and, though I have told you this before, I like to tell it to you again."

"For it is so nice to think that the American Bird of Freedom is the bird with the fine eyesight, who can see from afar and not simply the thing nearest his nose, or beak."

"They can see fish three miles away and when they haven't had good luck with their marketing they will wait to see what Mr. Fishhawk has been getting for his dinner and will take it away for him, for they are not very polite in that way."

"They have never been taught any better."

"Sometimes they will take live fish from the water, but not like the Osprey or Red-Shouldered Hawk or Barred Owl do, at any time at all."

"The Eagles cannot capture diving fish as easily as these other birds."

"Ducks can get away from them by diving, especially during the winter time."

"Eagles scream, like seagulls, and they sit up in high pine trees. It is said that people seek out their nests which they do not think is nice unless the people merely want to see their homes without doing any harm."

"Sometimes they make noises which sound like little toy dogs barking."

"Mr. Eagle has a high and clear voice, while Mrs. Eagle's voice is noisier and harsher, and sometimes she can make such strange sounds that if you didn't know you'd say:

"Is Mrs. Eagle crazy?" She has never been taught to lower her voice, I suppose."

"But I think it is nice for us to know all we can about our own birds, and so I try to gather every bit of Eagle information I can," ended Daddy.

## RIDDLES

What is the greatest of all riddles? Life; because we must all give it up.

Why can venison never be cheap? Because it is always deer (dear).

When is a regiment like a painter? When it shows its colors.

What letter of the alphabet is necessary to a bootmaker? Z; because it is the last.

Why is a boy with a sore throat like a pony? Because he is a little hoarse.

## KNOWS MEN BY NICKNAMES

Legion's National Adjutant Has Acquaintance Among Members of the 11,000 Posts.

There is one magnificent difference, among others, between the American Legion of today and that Legion of C. Julius Caesar's day. No one in the latter outfit knew more than a cohort or two of private soldiers and ordinary officers by their first names. The American Legion has a man who knows thousands of his Legionnaires by their favorite nicknames. But Caesar's hosts didn't have any national adjutants to speak of.

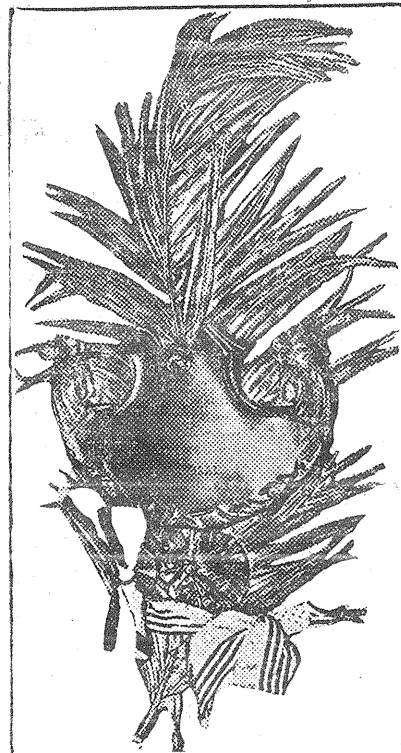

Legion posts are established in practically every community in the United States and Legionnaires have carried their flag into 20 foreign countries. In every one of these far-flung 11,000 posts there are one or more men who know Lemuel Bolles. Mr. Bolles, then, knows them. Ever since the Legion was organized in France Mr. Bolles has been identified with it. Since its first convention in Minneapolis in 1919 he has been national adjutant, and as such he has met personally or corresponded with thousands of Legion men and women. His duties have taken him into almost all the 48 states during these three years, and he receives a thousand or so letters each week. He has, without doubt, the largest personal acquaintance with men of arms ever enjoyed by any individual since armies were invented.

Mr. Bolles was born in Minneapolis, grew up on the ranges of the Dakotas and was established in Seattle, Wash., when he entered active service for the World war. He began his military career as a private in a National Guard company. Overseas he served as a colonel on the general staff of the First army corps, and was decorated with the Legion of Honor of France.

## PLAQUE TO AMERICAN LEGION

Bronze Souvenir Is Presented to Organization by Le Journal, the Paris Newspaper.

A beautiful bronze souvenir, presented by Le Journal of Paris, the newspaper which carried the first news of the Yanks' activities along the front four and five years ago, to the American Legion, composed of

Bronze Souvenir From France.

those same Yanks, has just been installed in the new trophy room at Legion headquarters.

The plaque is made from the bronze that was used in the manufacture of the famous French seventy-fives which helped saved Paris during the war. The inscription on the shield says, "To the American Legion: in remembrance of its dead and appreciation for its members. With memories and with hope!"

Carrying On With the  
American Legion

"Main street" has been lifted out of the mud by the American Legion post of Bristow, Neb. The post assembled 80 men and 30 teams and graveled the well-known thoroughfare in two days.

It is the aim of the Legion to carry the news to all ex-soldiers that they can still reinstate their war-risk insurance policies with all war-time advantages. This can be done up to March 8, 1926.

American Legion men of Hibbing, Minn., have endowed a bed in their local hospital and in the Legion hospital at Rochester to provide emergency treatment for their sick and wounded comrades.

Payment of old debts takes the lead in the spending of the state compensation allowance received by the ex-soldiers of Ohio, according to a poll taken by the American Legion. Savings deposits make the second largest item.

Two-base hits—Hill 1. Struck out—by Flannery 4, by Middaugh 6. First on balls—off Flannery 1. Double play—Caro 1.

Cass City drove home immediately after the game in order to meet the Huron County All-stars at the Nestle's picnic. This game was begun about four o'clock and was easily won by the locals by a score of 5-0. Brooks took the mound for the locals and did very creditable work, allowing only four hits and claiming seven strikeouts. Flannery pitched for the All-stars and allowed only four hits and struck out four. Frequent errors on the part of the Huron boys was the disastrous feature of the game for them.

Patterson came to bat for the All-

stars and was put out at first. Sands struck out, Goodwin singled and went to second on a passed ball. Coulter struck out. Brooker struck out for the locals but Holmes drove out a two-bagger. Ryan fanned, Brooks walked, and Woodhull was caught out on a long fly.

In the second Champion got on by error and was advanced when Beckton sacrificed. Emory was put out at first and Hoagg got on by error scoring Champion. Brooker added a second counter in the third. In the fifth Brooker, Holmes, and Ryan each added a score and finishing the scoring of the game.

DEFORD.

Mrs. N. B. Daugherty visits for a time in Pontiac and vicinity.

Mrs. (Dr.) Merriman is spending a few days in Detroit.

Mr. and Mrs. Elmer Bruce returned from their Saginaw visit as August closed.

If nothing goes awry, all gravel will be on the state road between Deford and Caro by time this is in print.

Mr. and Mrs. Lorenzo Gage have returned from their northern trip.

Readers of the Chronicle who once resided in this locality and now remote will be interested to hear of David Ross, who lived east of here many years ago and went to Pontiac Asylum because of weakened mind. Word comes that his troubles are nearly ended. He is very low, with no hopes of recovery. David Ross was taken to Pontiac 27 or 28 years ago.

Amos Webster does much to improve side streets of Deford and cover the flea breeding soil.

Our builder, Silverthorn, is putting the double garage up in Cass City for the Farmers' Oil Company.

Would-be sheriffs call often. They are all dries. (?)

Mr. and Mrs. Elmer Bruce went to Saginaw on the 29th to spend a week.

Mr. and Mrs. Aschneller, we notice your objections to being termed foreigners, and gladly correct the mistake. No reflections intended by stating that the dwelling was occupied by foreigners when it burned. Such was our information and we penned it without slurring intent. The writer was born in a foreign land and proud of it, and dares any man to say, "Buff to our blanket."

C. J. Malcolm's visitors from Canada went home on the 29th. They were pleased with Michigan.

Mack Wentworth, assisted by Thos. Davis, is building an up-to-date cistern for Mrs. Croop at the south end of the store. Cement will be so utilized as to keep hard water out and soft water in.

Father of Mrs. Emory Patterson spent part of past week here.

Some of our burgers went to Bad Axe fair.

September came with a lovely rain that settled down into the ground and made the farmers glad. Now no more will they complain, but start the plow to raise a crop of wheat again.

The learned men of European nations all seem to be deficient in quoting the Lord's prayer. They are crying "Forgive us our debts," but they fail to add, "as we forgive our debtors."

Mr. and Mrs. R. D. Lewis and children went to Inlay City on Sunday. They visited an aunt, Mrs. Mary Utley, in her 84th year.

Don Dobbs of showman fame was a Deford caller over Sunday.

Cedar protection posts are distributed along the new gravel road at all dangerous narrows.

After this week Caro can easily come to our burg for their chewing gum.

B. O. Watkins of Inlay City was in town Sunday.

Mr. and Mrs. Leonard Patch, Mr. and Mrs. Howard Patch and Zeno Crittenden, all of Detroit, spent Sunday at Deford. Returned home Monday.

George Taylor, who lives four miles southwest of Clifford, was here Sunday visiting with his tenant.

Elmer Bruce was at Gratiot county past week visiting an uncle. His uncle is 78 years old, had not seen Elmer in forty-eight years but knew and called him by name at sight.

Mr. and Mrs. Daniel Cole of Pontiac spent Saturday and Sunday in Deford and vicinity.

Mr. and Mrs. A. L. Bruce of Richmond came here on Saturday and went home Sunday.

The electric storm on morning of Sept. 1st was the severest ever in this locality. Citizens of our town saw light of four lightning burned barns at same time.

Arthur Bruce of Richmond expects to move back here in about a month from this date, Sept. 5, locating one-half mile east here.

Fred Perry and his brother of Detroit spent Sunday and Monday here.

John Mosher near Novesta Corners lost his second barn by fire within three years. Seems that when Satan gets mad, he throws fire at John's buildings.

Mrs. Sarah McCartney calls for an investigation in regard to the care her husband, William McCartney, receives at Caro.

The South Novesta Farmers' club will meet with Mr. and Mrs. John Retherford at Caro on Sept. 22, one week later than the usual date.

CEDAR RUN.

Orson J. Hendrick and daughter of Flint spent from Saturday until Monday afternoon at his parental home here.

Mrs. Garfield Leishman and two children attended the McCready reunion at Fairgrove last Saturday.

Mr. and Mrs. Chas. Randall, Mr. and Mrs. Wilson Spaven and Robert Spaven attended the Bay City fair last Thursday.

Ernest Deming returned to Detroit Monday, having spent the past two weeks at his home here.

Mr. and Mrs. Cecil Crandell and children of Oxford, Mr. and Mrs. Chas. H. Collins and children and Mr.

and Mrs. Chas. Lynn and children of Flint spent the week-end at the Ernest Beardsley and Ed. Flint homes here.

Mrs. Lester Deming and two daughters of Bay Port spent Sunday at the Henry Deming home here.

Mr. and Mrs. John Barnum of Mayville spent Sunday of last week at Wm. Brown's. Their granddaughter, Miss Sylvia Noble, returned with them.

Miss Maude Finkle of Cass City spent Thursday and Friday of last week as the guest of Miss Myrtle Deming.

The following guests were entertained at the Wm. Brown home here and attended the Gagetown picnic the first of the week: Mr. and Mrs. Leo Cootes and children, John Cootes, Flora Ross and Mr. and Mrs. Hanselman and baby, all of Detroit.

Mr. and Mrs. Ira May and children of Ellington spent Sunday at Jay Hartley's.

There was a large crowd at the Wilson family reunion which was held at the Robert Wilson home here on Sunday.

Mr. and Mrs. Gordon Finkbeiner and baby and Miss Eunice Hendrick of Flint spent Sunday and Monday with relatives in this vicinity.

Mr. and Mrs. Roy Johnston of Oxford spent the week-end visiting relatives in this vicinity.

Mrs. Wm. Beardsley and her father, Wm. Ware, sr., returned from Oxford last Friday where they have been visiting the past two weeks.

The Friendship Club expects to have a weenie and marshmallow roast on the banks of the creek this (Friday) evening.

ELKLAND-ELMWOOD  
TOWN LINE.

Mrs. Fred Hallock and children spent last week in Bad Axe with relatives.

Miss Julia Senick of Detroit visited last week at the J. F. Evans and E. A. Livingston home.

Wm. Simmons and family visited Mrs. S. in Bad Axe Sunday.

Mr. and Mrs. A. Daus of Inlay City visited at the Fred Parker home on Sunday. Mrs. Daus remained for a few days' visit at the Livingston homes.

Harry Evans, who has been visiting his sister, Mrs. A. L. Ewald, in Pontiac the past week, returned home Saturday.

Mr. and Mrs. S. G. Ross, Edgar Ross and Miss Timilick of Caro were callers at the E. A. Livingston home Sunday.

Mr. and Mrs. L. Wood and son,

Fred, Miss Lila Wood of Detroit and Mrs. Nellie Wood of Chatham visited over Sunday at E. S. Simmons and E. A. Livingston's homes.

Mr. and Mrs. Calvin Hiser and family spent Sunday at A. T. Hiser's.

CO. NURSE REVIEWS  
YEAR'S WORK

Continued from first page.

visits, 92 social service visits, 319 investigation and miscellaneous visits and for 67 visits made parties were not at home.

Twenty-nine infant and pre-school clinics and conferences were held with an attendance of 67. Four hundred forty-seven pupils were weighed and measured without examination; 231 letters were written; a weekly newspaper article prepared; a four-day health program arranged; 39 talks given; 52 meetings of various sorts attended; and between 7,000 and 8,000 miles driven.

In her report, Miss Horr says:

"The nursing service committee desire to start infant welfare work on account of the high infant mortality rate of the county, so a child health center was organized and weekly clinics and conferences started in September. The fact that we could not secure a room on the ground floor and the consequent necessity of climbing stairs prevented many mothers from coming.

"It was decided to give as much time as possible to school nursing, and it was deemed best to go to the rural schools in preference to the town schools, at least at first. The nurse was received with uniform courtesy throughout the county by the teachers and the cooperation of Mr. McComb was especially appreciated. Besides inspecting the children as to eyes, nose and throat, ears, teeth, skin, height and weight, the nurse introduced a modified form of the Modern Health Crusade in most of the schools visited. A number of mothers and some fathers as well came to the school at the time of the nurse's visit; this is always very helpful to the nurse as well as to the teacher. The school in District No. 2 in Elmwood township, where Mrs. Rose Muntz taught last year, won the prize in the Health Crusade contest.

"In November, a four-day health program was held in Caro with a nutrition exhibit, health talks, health films, and a delightful display of health posters made by the Caro school children. In March, the nurse started to send a monthly news-report letter to each of the 23 auxiliary members of the nursing committee, to keep them in closer touch with the work.

"A Red Cross mother-daughter picnic was planned, but inclement weather and later pressure of other work made indefinite postponement necessary.

"During July and August the nurse spent most of her time in school-follow-up work.

"Some of you may have heard of the boy last fall who was found very ill mentally, unkempt and neglected, in dreadful surroundings, whom we were instrumental in sending to Pontiac. He returned to his home months ago, entirely cured and once more a useful member of society.

"Efforts were made to send several crippled children to Ann Arbor and proceedings are still pending.

"Our loan closets throughout the county were found to fill a real need, and Mrs. Otis Hamilton has kindly volunteered to take charge of the Caro loan closet from now on.

"During the fair at Caro, a mothers' rest tent and 'kiddie coop' was conducted by the Red Cross Nursing Service, and we also had part of our loan closet on exhibit.

"This past year's work was a demonstration merely of the need of a public health nurse's work in Tuscola county. When there is so much to be done, so many phases of the work needed, one nurse can only make a beginning; she cannot possibly do a finished piece of work in any one line. The Tuscola county nurse realizes far more than any one else possibly can the deficiencies and imperfections of her work. But even the little she did, could not have been accomplished without the loyal and unstinted support of the committee members and many others."

## PRIMARY ELECTION.

Notice is hereby given that a general primary election will be held in the Township of Elkland, County of Tuscola, State of Michigan, at Township Hall within said Township on

Tuesday, Sept. 12, A. D. 1922, For the purpose of placing in nomination by all political parties participating therein, candidates for the following offices, viz.:

Senatorial—One candidate for United States Senator.

State—One candidate for Governor, one candidate for Lieutenant Governor.

Congressional—One candidate for Representative in Congress for the Congressional district of which said Township forms a part.

Legislative—One candidate for Senator in the State Legislature for the Senatorial District of which said Township forms a part; one candidate for Representative in the State Legislature for the Legislative district of which said Township forms a part.

County—Also candidates for the

following county offices, viz.: Sheriff, County Clerk, County Treasurer, Register of Deeds, Prosecuting Attorney, Circuit Court Commissioner, one County Drain Commissioner, one Surveyor, two Coroners, County Road Commissioner.

Delegates to County Conventions.

Sec. 18. There shall also be elected at said primary, by direct vote of the registered and qualified voters of each political party in said county, as many delegates in each township, ward or precinct, as the case may be, as such political party in such township, ward or precinct shall be entitled to by the call issued by the county committee of such political party for the county convention thereafter to be held by such political party within said county in that year for the purpose of electing delegates to the state convention called for the purpose of nominating candidates for state offices, to be voted for at the November election. In case of any vacancy in any delegation from any election precinct, township or ward, to the county convention, such vacancy shall be filled by the delegates present from the ward or township in which the vacancy occurs. The state central committee of each political party shall, at least thirty days before the September primary herein provided for, cause to be forwarded by mail to the chairman of the county committee of such party a copy of the call for the state convention showing the number of delegates to which such county shall be entitled in the state convention of such party; and the said state central committee shall apportion such delegates to the several counties in proportion and according to the number of votes cast for the candidate of such party for secretary of state in each of said counties, respectively, at the last preceding November election. The name of the candidate for delegate to the county convention shall not be printed upon the official primary election ballot, but one or more such names may be placed thereon by the voter, or the names may be written in. The county committee shall in its call for the county convention indicate whether delegates are to be selected by precincts or by wards. In cities having no ward or only one ward, the delegates to which such cities are entitled, shall be elected from the entire city, or by election precincts, as the county committee in its call for the county convention shall indicate. The chairman of the township, ward or city committee, as the case may be, shall notify by mail each person elected as a delegate to the county convention of his party.

Suggestions Relative to Voting.

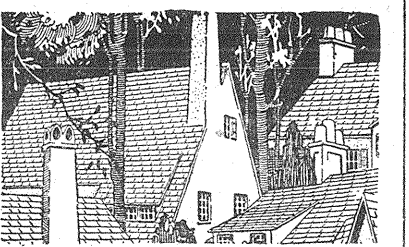

Separate ballots for each political party will be provided. The elector must name the political party of his choice when asking for a ballot and in marking his ballot must make a cross in the square to the left of the name of each elector for whom he desires to vote, and can vote for only one candidate except where two candidates are to be elected, in which case he should vote for two.

Relative to Registration—Please note that all provisions of the primary law relative to registration are done away with, and if you are not already registered in the precinct where you reside, you must register under the provisions of law as set forth in the registration notices posted in connection with this notice of primary election.

Relative to Opening and Closing of the Polls.

Sec. 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, or as soon thereafter as may be, and shall be continued open until five o'clock in the afternoon and no longer. Provided, that in townships the board of inspectors of election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and the township board in townships and the legislative bodies in cities and villages may, by resolution adopted fifteen days prior to the election and published with the notice of the election, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day. The polls of said election will be open at seven o'clock a. m. and will remain open until five o'clock p. m., of said day of election, unless the Board of Election Inspectors shall, in their discretion, adjourn the polls at 12 o'clock, noon, for one hour.

H. L. HUNT,  
Clerk of said Township.

WHITE ROSE GASOLINE

The Standard of Comparison

## A "Four" That Sets A New Standard

The 1923 Buick Four Touring—\$885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance, record characteristic of Buick cars for twenty years.

The Buick line for 1923 comprises fourteen models: Fours—2 Pass. Roadster, \$865; 5 Pass. Touring, \$885; 3 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1325. Sixes—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1365; 5 Pass. Sedan, \$1395; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1455; 7 Pass. Sedan, \$2195; Sport Roadster, \$1625; Sport Touring, \$1675. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

Separate ballots for each political party will be provided. The elector must name the political party of his choice when asking for a ballot and in marking his ballot must make a cross in the square to the left of the name of each elector for whom he desires to vote, and can vote for only one candidate except where two candidates are to be elected, in which case he should vote for two.

Relative to Registration—Please note that all provisions of the primary law relative to registration are done away with, and if you are not already registered in the precinct where you reside, you must register under the provisions of law as set forth in the registration notices posted in connection with this notice of primary election.

Relative to Opening and Closing of the Polls.

Sec. 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, or as soon thereafter as may be, and shall be continued open until five o'clock in the afternoon and no longer. Provided, that in townships the board of inspectors of election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and the township board in townships and the legislative bodies in cities and villages may, by resolution adopted fifteen days prior to the election and published with the notice of the election, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls shall be kept open not later than eight o'clock in the evening of the same day. The polls of said election will be open at seven o'clock a. m. and will remain open until five o'clock p. m., of said day of election, unless the Board of Election Inspectors shall, in their discretion, adjourn the polls at 12 o'clock, noon, for one hour.

H. L. HUNT,  
Clerk of said Township.

"The Shingle  
that Never Curls"

Asphalt will not decay. Slate will not catch fire.

These two materials combined on a tough, heavy felt base make Carey Asphaltate Shingles, the weather-proof, rot-proof, spark-proof roof.

Wind can't get beneath Carey Shingles. Extreme temperatures neither soften nor crack them, they never curl and never fade.

Ask for our prices on Carey Asphaltate Shingles.

CASS CITY GRAIN CO.  
Greenleaf

## Fertilizer

HAVE YOU NOTICED THE DIFFERENCE?

As you look at your fields and compare yields, did you not note the big difference?

Not only is the difference in the yield but also in the quality of the grain.

And besides the added profits on your grain crops—there's the catch of grass and clover—more than enough to pay your entire fertilizer bill.

## Feed Your Soil What It Needs

**RICHLy AVAILABLE PHOSPHORUS—**  
The grain making material.

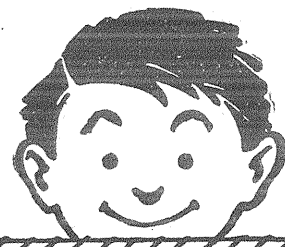

**GRADUATED NITROGEN—**  
To make a quick start, good growth and bring a bumper yield.

**SOLUBLE POTASH—**  
To stiffen the stalk, plump the kernel and insure quality grain.

We are prepared to fill your wants with lower prices than last year.

Get your supply early.

WHITE ROSE GASOLINE

The Standard of Comparison

## A "Four" That Sets A New Standard

The 1923 Buick Four Touring—\$885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance, record characteristic of Buick cars for twenty years.

The Buick line for 1923 comprises fourteen models: Fours—2 Pass. Roadster, \$865; 5 Pass. Touring, \$885; 3 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1325. Sixes—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1365; 5 Pass. Sedan, \$1395; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1455; 7 Pass. Sedan, \$2195; Sport Roadster, \$1625; Sport Touring, \$1675. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

CO. NURSE REVIEWS  
YEAR'S WORK

Continued from first page.

visits, 92 social service visits, 319 investigation and miscellaneous visits and for 67 visits made parties were not at home.

Twenty-nine infant and pre-school clinics and conferences were held with an attendance of 67. Four hundred forty-seven pupils were weighed and measured without examination; 231 letters were written; a weekly newspaper article prepared; a four-day health program arranged; 39 talks given; 52 meetings of various sorts attended; and between 7,000 and 8,000 miles driven.

In her report, Miss Horr says:

"The nursing service committee desire to start infant welfare work on account of the high infant mortality rate of the county, so a child health center was organized and weekly clinics and conferences started in September. The fact that we could not secure a room on the ground floor and the consequent necessity of climbing stairs prevented many mothers from coming.

"It was decided to give as much time as possible to school nursing, and it was deemed best to go to the rural schools in preference to the town schools, at least at first. The nurse was received with uniform courtesy throughout the county by the teachers and the cooperation of Mr. McComb was especially appreciated. Besides inspecting the children as to eyes, nose and throat, ears, teeth, skin, height and weight, the nurse introduced a modified form of the Modern Health Crusade in most of the schools visited. A number of mothers and some fathers as well came to the school at the time of the nurse's visit; this is always very helpful to the nurse as well as to the teacher. The school in District No. 2 in Elmwood township, where Mrs. Rose Muntz taught last year, won the prize in the Health Crusade contest.

"In November, a four-day health program was held in Caro with a nutrition exhibit, health talks, health films, and a delightful display of health posters made by the Caro school children. In March, the nurse started to send a monthly news-report letter to each of the 23 auxiliary members of the nursing committee, to keep them in closer touch with the work.

"A Red Cross mother-daughter picnic was planned, but inclement weather and later pressure of other work made indefinite postponement necessary.

"During July and August the nurse spent most of her time in school-follow-up work.

"Some of you may have heard of the boy last fall who was found very ill mentally, unkempt and neglected, in dreadful surroundings, whom we were instrumental in sending to Pontiac. He returned to his home months ago, entirely cured and once more a useful member of society.

"Efforts were made to send several crippled children to Ann Arbor and proceedings are still pending.

"Our loan closets throughout the county were found to fill a real need, and Mrs. Otis Hamilton has kindly volunteered to take charge of the Caro loan closet from now on.

"During the fair at Caro, a mothers' rest tent and 'kiddie coop' was conducted by the Red Cross Nursing Service, and we also had part of our loan closet on exhibit.

"This past year's work was a demonstration merely of the need of a public health nurse's work in Tuscola county. When there is so much to be done, so many phases of the work needed, one nurse can only make a beginning; she cannot possibly do a finished piece of work in any one line. The Tuscola county nurse realizes far more than any one else possibly can the deficiencies and imperfections of her work. But even the little she did, could not have been accomplished without the loyal and unstinted support of the committee members and many others."

## PRETTY BUNGALOW OF WESTERN TYPE

Provides Five Rooms With the  
Facilities of Six.

### ARTISTIC AND COMFORTABLE

Compactness of the Arrangement of  
This Home Makes It Popular for  
Small Family—Reduces  
Work to Minimum.

By WILLIAM A. RADFORD

Mr. William A. Radford will answer questions and give advice FREE OF COST on all subjects pertaining to the subject of building, for the readers of this paper. On account of his wide experience as Editor, Author and Manufacturer, he is, without doubt, the highest authority on all these subjects. Address all inquiries to William A. Radford, No. 1827 Prairie avenue, Chicago, Ill., and only inclose two-cent stamp for reply.

"All the rooms on one floor." That has been and will continue to be one of the powerful appeals of the bungalow which had its inception on the Pacific coast. There are no stairs to climb up and come down. And in this age of efficiency, this arrangement has influence. It means more time for the housewife to devote to outside activities, it means less using up of energy.

Originally the bungalow was a frail sort of structure designed for real warm climates, a more or less artificial and ornamental shelter without any of the substantial comforts or sentimental features of the true home. But the idea spread with such astound-

reception halls. The living room, we find, is a large "comfy" room, 19 feet 6 inches by 13 feet provided with an emergency wall bed in case the capacity of the two other sleeping rooms is taxed to the limit. Two small wall bookcases have been built in on each side of the fireplace.

An informal casing connects living room with dining room, which is a bright room, 13 by 13 feet. It has a built-in sideboard or buffet and gets light from a double window on the side. A door from the dining room opens into a small hall which leads to the two bedrooms, 11 by 13 feet each. Both of these bedrooms are beautifully situated with regard to light and ventilation, each of them has windows on two sides permitting cross drafts during the night. A bathroom also opens off this hall. Each bedroom has ample clothes closet space.

A door in the rear of the dining room opens into a delightful small kitchen less than 10 feet square, equipped with range, sink and built-in cupboards and shelves. Off to one side is a small pantry with built-in work table, shelving and outdoor icing refrigerator. The outer door of this icebox opens out on to the rear porch where the ice man can deliver the ice without entering the house. This is an important convenience for every household providing both protection and cleanliness. Stairs to the cellar originate in the rear entry.

A house of this size does not require a complicated heating plant, in many cases the fireplace being sufficient. In a cold climate, however, a pipeless furnace will be found quite economical and satisfactory. If a heating plant is not needed only part of the cellar is excavated.

The house is 35 feet wide and 42 feet long.

This design can be successfully executed in brick, stucco over frame or

### NESTLE'S PICNIC DRAWS BIG CROWD

Continued from first page.

was presented with prizes of Nestle's candy for the winners. The events and winners are as follows:

Boys' race, 50 yards—1st, Frederick Brown; 2nd, Marvin Davison.

Girls' race, 50 yards—1st, Elizabeth Kulish; 2nd, Leona Hawksworth.

Three-legged race—1st, Bohnsack Bros; 2nd, John Taylor and Roy McNeil.

Obstacle race—1st, Marvin Davison; 2nd, Raymond Burse.

Free-for-all for boys—1st, Frederick Brown; 2nd, Keith Gowen.

Ladies' race—1st, Mrs. Wm. Valance; 2nd, Mildred Dodge.

Fat men's race—1st, Herman Doerr; 2nd, G. A. Tindale.

The greased pole was ascended after numerous futile attempts at 3:35 by Raymond Burse and the five berries, that grew thereon plucked.

The running race for green farm horses afforded considerable amusement and not a few thrills. Seven horses were entered so that there was enough competition to make the race interesting. In the first heat three of the horses thought they were in a hurdle race and jumped the fence. Honor Bright, owned by Wilfred Knapp, and rode by the smallest jockey, won the heat by a good margin. In the second only one horse left the track and the race was more exciting. Doc, owned by Nelson Ankler, led the heat with Connie E., owned by Archie Hawksworth, a close second. Honor Bright held third place until the straight-away and then showed an enormous sprint by pulling past the leaders and winning the heat and the race.

Six cars were entered in the auto race for amateur drivers, all of which were Fords except an Oakland. In the preliminary two-mile heat, Proudfoot driving the black Ford took first, Nichols with the white wheels, second; and Roberts, with the galvanized iron body, third. In the final heat, Proudfoot again led with Roberts second and Nichols third. The time was not exceptional and only once did any real competition manifest itself when Roberts crowded Proudfoot hard but failed to pass him.

Cass City retrieved her reputation lost earlier in the afternoon by defeating the Huron County All-Stars in a rather one-sided battle, but interesting nevertheless. The final score stood 5 to 0. The game is described in more detail elsewhere in these columns.

Growth is always a good test of the value of an institution. It then follows that the Nestle's picnic has justified itself as a permanent institution because its continued growth from its beginning is an indication of its value as a time of recreation.

### THREE COUNTY LEAGUE WINNERS TO PLAY SERIES

Marlette, Elkton and Caro Will Play  
"World Series" of Nine  
Games.

Marlette league team, winners of the Sanilac county league, Elkton, winners of the Huron county league, and Caro, leaders in the Tuscola county league, have arranged for a "world's series" of base ball in the Thumb which began at Marlette Monday, between Elkton and Marlette.

Other games scheduled are as follows:

Thursday, Sept. 7—Marlette at Elkton.

Monday, Sept. 11—Elkton and Marlette will play, but the place where the game will be held has not as yet been decided.

Wednesday, Sept. 13—Caro at Elkton.

Friday, Sept. 15—Elkton at Caro.

Monday, Sept. 18—Caro at Marlette.

Wednesday, Sept. 20—Marlette at Caro.

Friday, Sept. 22—Caro and Elkton at Bad Axe.

Tuesday, Sept. 26—Caro and Marlette at Cass City.

### BAPTISTS TO MEET IN CONFERENCE AT CARO

The annual meeting of the Baptist Huron Association will be held in the Baptist church at Caro this week. The conference will begin with the Wednesday night session and will continue to Friday night. The conference will be of a general convention nature with prominent speakers and discussion groups. The general church interests, the Sunday schools, and the B. Y. P. U. will be represented at this conference.

Beside the pastor, those from the local Baptist church who will attend as delegates are Mr. and Mrs. P. S. McGregory, Andrew Seger, Mrs. Starr, Mrs. Nellie Kitson, Mrs. Jas. McKenzie, and Mr. and Mrs. G. W. Landon. Mary Newberry and Nila Burt will represent the Sunday school. Nila Burt, Mary Yakes, and Mary Newberry will represent the B. Y. P. U. Many other members of the church are planning on attending some of the sessions.

#### Beginning the Day.

The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined.

### THE MAN WITH DOUBLE BRAIN

Hayward Thompson, Memory Shocked  
During World War, Writes  
With Both Hands.

The majority of us do well to write

legibly with either of our hands, but when a man is found who can write with both hands simultaneously, and more than that—when he can write forward with one hand and backward with the other, it is evident that he has a perfect right to the title of "Mystery Man." Hayward Thompson, an ex-service man in Denver, Colo., is just such a man.

Due to a severe injury to his head, received during the war, he has what is known as a "double brain." One side of this brain directs the writing of one hand while the other side governs the other hand.

Thompson's memory reaches back only to the time when he left a hospital some months ago. He remembers nothing of his life before that time. It was through the veterans' bureau that he established his identity as Hayward Thompson. Of his family, former friends, his work and home before the war and his activities during the war, he has been able to learn nothing. The veterans' bureau and the Colorado department of the American Legion have been making every effort to help Thompson learn of his past.

### THE REAL UNKNOWN SOLDIER

Child of Streets, Picked Up by Kind-  
hearted Brothers, Never Knew  
Who He Was.

Tragic though the story is of a soldier whose identity was lost after his life had gone out on the field of battle and whose cross in Flanders simply says, "Unknown Soldier," his story is not shot through with such pathetic glory as is the story of a lad who never knew who he was and who gave his life for a country in which he had never known a mother's love or a father's pride. Every mother who does not know just where her son is buried, weeps over the grave of the unknown soldier, thinking that perhaps he is her son. Over the grave of the boy who has always been unknown there are no mourners.

A tiny bundle of humanity was picked up in a Baltimore street some twenty years ago; it was a baby boy. When after a thorough search, no one was found who would claim him, he was taken to be reared by two brothers, who gave him the name of Edward John Evangelist Smith. When he was old enough, they sent him to Mount Saint Mary's school to be educated. In 1917, before the boy's education was finished, a Marine recruiting officer visited Mount Saint Mary's. His story of the country's need for men caused "Smith," as he had come to be known, to enlist. He went overseas and took part in every engagement in which the Fifth regiment of marines participated. On the morning on which the armistice was signed, one of the last German bullets flying claimed "Smithy" as its victim.

Wells Hawkes, "Smithy's" captain, has started a fund to erect a monument to "Smithy": a child of the street, an unknown lad in school, the real unknown soldier!

### WOUNDED ON ARMISTICE DAY

Buckeye Naval Officer Holds Distinction of Being Injured in Action  
After Close of War.

O. O. Rolf of Toledo, O., holds the unique distinction of being a United States naval officer wounded in action after the signing of the armistice which closed the World war. As a naval lieutenant and executive officer of a merchant ship, Rolf was severely wounded when his ship was fired on by a German submarine as it left La Polis, France, on the afternoon of November 11, 1918.

After several months in hospitals in England and on the continent, Rolf returned to America and resumed the practice of law in Toledo.

#### Soldiers Classed With Idiots.

Soldiers and sailors, along with felons, idiots and insane people are denied the right of suffrage in certain states of the Union, it is pointed out by a writer in the American Legion Weekly. He quotes from the World Almanac, which says that because of their occupation, soldiers and sailors are not allowed to vote in the following states: Indiana, Missouri, Nebraska, North Dakota, Ohio, Oregon, Texas and West Virginia.

Floor Plan.

ing rapidly, that very soon the bungalow was built stronger and came to resemble more the home and less the whim. Bungalows are now built of brick and frame, equipped with heating plants for the cold climates, and always open fireplaces. In the warm climates a gas heater is often added to take off the chill of cool evenings.

But without doubt the attraction of the bungalow lies in its adaptability to variety in design. Each one is different and a whole street of bungalows can be free from any taint of monotony. The design offers the owner individuality which is the goal which most of us seek. And it is cozy, indefinitely and undeniably so.

Coziness springs from compactness and arrangement. A glance at the photograph shown here will serve to give that impression. This building is small with an artistically treated exterior of frame on concrete foundation—the walls do not have to be solid, footings being used in many sections. A wide chimney provides the draft for an equally wide fireplace in the living room. This chimney is covered with stucco.

In place of the usual porch, this dwelling has a terrace extending across the front paved with brick on end. A glass-paneled door opens the way into the living room, no space being wasted on preliminary vestibules or

stucco over metal lath. The cost will depend upon the location, prices varying in different parts of the country. But regardless of the materials used, the design will always be one that will please not only the owner but the casual passer-by.

#### Harbingers.

Two old friends happened to meet in a street car and fell to discussing the weather.

"I'm never sure that spring is here," said one, "until I see the birds building their nests."

"That used to be a good sign when we were boys," replied the other, "but now we have better ways of telling. I'm more convinced when I see middle-aged men put in their appearance with bundles of golf clubs slung over their shoulders."

#### We Trow Not.

"I see Boston now has a press agent."

"No circus methods will be used in advertising that erudite city, I hope."—Louisville Courier-Journal.

#### Ineffective.

Witte—Noel was born with a silver spoon in his mouth.

Frank—But he never made much of a stir with it.—Answers.
