FARMERS' MEETING HERE MARCH 9

DR. HARMER OF M. A. C. AND COUNTY AGENTS TWING AND SIMS WILL SPEAK ON FARM TOPICS.

Farmers in this community will be interested in a meeting which will be held at the council rooms at Cass City next Friday afternoon, March 9, when Dr. P. M. Harmer of the M. A. C., John W. Sims, Tuscola county agricultural agent, and E. E. Twing, Huron county agricultural agent, will speak on subjects of special interest to local agriculturalists.

The meeting opens at 1:45 p. m. when Mr. Sims will give a talk on "Alfalfa Growing." Mr. Twing will speak on the subject of "Tuberculosis in Livestock." He will be followed by Dr. Harmer who will give an address on "Soil Problems." Mr. Harmer's talk will deal mostly with muck soils in which he specializes in the Soils Dept. at the M. A. C. While at the Minnesota Agricultural College, he became well versed in up-lands soils and can give much information on that subject also. Each subject on the afternoon's program will be open for discussion.

Willis Campbell, teacher of agriculture at the Cass City schools, is one of the promoters of this meeting and hopes to see a large gathering of local farmers. A successful meeting next Friday will be an encouragement to arrange for several meetings during another winter season, bringing experts here to speak on live agricultural topics.

CHESTER WHITE BREEDERS OF TUSCOLA ORGANIZE

F. W. Alexander of Vassar Heads Association Formed Recently at Fairgrove.

At a meeting held at Fairgrove on February 21st a number of Chester White swine breeders of the county organized an association for the purpose of advertising collectively, encourage showing at fairs, holding joint sales and boosting the breed in this and surrounding territory.

Constitution and by-laws were adopted and the following officers were elected:

President—F. W. Alexander, Vassar.
Vice president—F. L. Bodimer, Reese.
Secretary-treasurer—Wilbur Jones, Reese.

Directors—Henry Lane and R. J. Campbell, Fairgrove.

This organization is thought to be one of the first of its kind in the state and as Tuscola county has over one hundred farmers who are breeding this breed it should be a real flourishing organization.

Another meeting will be held in the near future to make arrangements for the summer's work.

MRS. MCGUINNESS APPOINTED.

Committee Names Her as Sheriff to Fill Unexpired Term.

The committee consisting of the county clerk, judge of probate and prosecuting attorney announced last week that they had appointed Mrs. Chas. McGuinness as sheriff of Sanilac county to fill the unexpired term of her late husband and she at once made the necessary arrangements to enter upon the duties of the office.

John Bradford, who acted as under sheriff since Mr. McGuinness took the office, will continue in that position and the deputies appointed in January will with but few exceptions retain their offices.

Mrs. McGuinness is the second woman to fill this important office. Mrs. McAulay of Bad Axe completing her husband's term upon his death, and in a way is very unusual. That with the help of efficient deputies she can make a success of the job there is no doubt and the people of the county will be as well served under her administration as though some man had been appointed.

MARRIAGE LICENSES.

Elton William Rich, 21, Deckerville; Pearl Viola Graham, 19, Deckerville; Freddie J. Brown, 23, Decker; Marion Bogoski, 19, Decker.

John Dallas McDonald, 23, Deckerville; Verna Irene Burgess 20, Deckerville.

Wm. Clapsaddle, 19, Brown City; Charlotte Renwick, 19, Brown City.

The argument for preservation of our forests is so reasonable that it will be a long time before Congress can be persuaded to act.

BAD AXE VOTES NEW \$150,000.00 SCHOOL

Taxpayers of the Bad Axe school district voted by a majority of 159 votes at a special school meeting to approve a \$150,000 bond issue for a new school building.

A very large vote was out considering the fact that only school tax payers could vote. The total was 405. For the new school 282. Against it 123. The vote was very decisive and the board of education will proceed at once to sell the bonds, complete the plans and let contracts.

CASS CITY FINALLY WINS FROM CROSWELL

High School Teams from Sugar Factory Town Are Taken into Camp Friday.

When Cass City high school boys' and girls' teams met Crosswell's teams here Friday night, each Cass City team played their 10th game of the season and won their ninth contest.

Crosswell, in the previous four years, had always held a winning hand and the local teams were naturally quite elated in finally winning from the fast teams of Sanilac county's largest and most progressive town.

The boys' game was an exceptionally good one and was much more closely contested than the score indicates. The score of the first half stood 12-13 in Cass City's favor.

Cass City (36) (20) Crosswell
D. Seed RF D. Maxwell
H. Cole LF Gardner
C. Hunt C H. Johnson
K. Higgins RG G. Cummings
P. Allen LG J. Cline

Substitutions—Smith for Higgins.
Field baskets—Seed 5, Cole 3, Hunt 4, Allen 3, Maxwell 1, Gardner 5, Johnson 2.

Free throws—Cole 6, Gardner 4.

The girls' contest was quite one-sided, terminating in a 51-18 decision. The local team displayed very good team work, quick and accurate passing featuring their playing. The score at the end of the first half stood 28-7. A large crowd witnessed the contests.

Cass City (51) (18) Crosswell
M. Keenoy RF E. Learmont
B. Wager LF E. Schleicher
H. Cathart C T. Baum
V. Warner C L. Hyde
L. Spurgeon RG M. Switzer
V. Flint LG B. Ferrily

Field baskets—Keenoy 17, Wager 12, Learmont 7. Free throws—Learmont 2, Schleicher 2, Wager 1.

Caro's and Cass City's second teams play here this (Friday) evening. Caro's first teams play here on Friday, March 9.

CHEHEKILOS ARE GIVEN LESSONS IN FIRST AID

Mrs. J. T. Redwine Gave Splendid Talk to Camp Fire Girls on Thursday Evening.

The Chehekilo Camp Fire Girls of Cass City enjoyed a very interesting and valuable talk on First Aid given by Mrs. J. T. Redwine on Thursday evening.

The first part of her speech was based on the old saying, "an ounce of prevention is worth a pound of cure," and well did she prove that this saying is very true simply by giving hints for thought to the girls who have personal charge of their health. Every day, sanitary knowledge takes a higher place. It is recognized as the knowledge which everyone ought to have, distinct from medical knowledge, which only a profession can have.

Knowing that everyone must at some time or other of their life have charge of somebody's health, and how valuable it is for the girls to know what to do immediately at an emergency, Mrs. Redwine devoted the remainder of her time on giving First Aid lessons, such as rescuing the drowned, relieving burns, treating a sprain and broken bones, and many other treatments.

The girls enjoyed Mrs. Redwine's contribution very much.

ELECT BASE BALL GOVERNORS MONDAY

A meeting of all persons of the Cass City community interested in base ball is called for next Monday evening, March 5, promptly at 7:30, at the council rooms. The purpose is to elect three base ball governors for the coming season. All base ball fans are urged to attend.

A Lincoln Story

Lincoln was sued for killing a dog with a pitchfork.

Judge—"Why didn't you use the other end of the fork?"
Lincoln—"Why didn't the dog come at me with the other end."

LARGE STILL LOCATED SUNDAY

SHERIFF COLLING AND DEPUTIES ON THE JOB IN SPITE OF HEAVY SNOWS AND BAD ROADS.

If moonshiners thought that heavy snows and blocked roads would throw Sheriff Jay Colling and his force of deputies "off the scent," some of them discovered they were mistaken early this week. Sunday proved to be a busy day for the officers and resulted in the capture of the largest still this year in Tuscola county.

Sheriff Colling drove with horses and sleigh to the farm of Frank Lappart, 4 miles north and 1/2 mile west of Caro, early Sunday morning. The woman who answered the knock of the sheriff and the inquiry, "Where's Frank?" stated that the man was in the basement fixing the furnace. Mr. Colling told her not to call Lappart, but that he would go down and see him in the basement. Lappart nearly lost his speech as he was about to mount the stairs with a scuttle of coal and spied the officer coming down. In his first words to the sheriff, he acknowledged that "you've caught me." The largest still thus far captured by the sheriff, 5 quarts of whiskey and a barrel of mash were located in the basement as well as 7 whiskey kegs and 4 whiskey barrels. Lappart, the sheriff says, admitted selling \$50 worth of liquor last Thursday. He furnished bail to the amount of \$1,000 and was bound over to the circuit court for trial.

A search warrant was issued for the premises of J. Bester, 2 miles south and 3 miles east of Caro, and while the officers were there, Deputy Sheriff Putnam noticed children of John Niebzdoski of Caro going to Niebzdoski's automobile and remove bottles which they attempted to empty. Putnam secured enough of the liquor to be used as evidence in the case. Bester was arrested some time ago on a charge of prohibition law violation and was out on suspended sentence.

Steve Stepzanski was arrested Sunday for liquor law violation and is now boarding with the sheriff. This is not Stepzanski's first offense and he was out on bail at the time of his arrest Sunday.

Three persons were arrested "on suspicion" Saturday night and were released Sunday.

On Feb. 22, officers made three raids in Vassar township for the purpose of capturing liquor law violators. The visits of the force had evidently been anticipated for clean-ups had been made and evidence destroyed.

FOUR FARM SALES FOR NEXT WEEK

Joe Taylor will quit farming because of ill health and will have an auction on the Walter Schell farm 1/2 mile west and 1/2 mile south of Cass City on Tuesday, Mar. 6.

Kenneth Charlton has decided to quit farming and will have a sale 1 mile east and 1 1/4 miles north of Cass City on Wednesday, March 7.

M. P. Karr has rented his farm 4 miles east and 1 mile north of Gagetown and announces a sale for Thursday, March 8.

Mike Latka will quit farming and on Friday, Mar. 9 will hold an auction sale 1 1/2 miles west of New Greenleaf.

R. N. McCullough has been engaged as auctioneer at the four sales mentioned above. Full particulars regarding property offered for sale, terms, etc., are printed on page 7.

FOUR MOONSHINERS ARE GIVEN JAIL SENTENCES

Two Women Fined \$50 Each. Four Men Enter Pleas of "Not Guilty."

Circuit court was in session Tuesday afternoon and Wednesday in Tuscola county when 10 persons charged with violations of the liquor law stood before the bar for trial. Six entered pleas of guilty. Four men were given jail terms and two women were fined. Joseph Bester and John Michon each received a sentence of 30 days in jail. Steve Stepzanski was given 60 days and Frank Lappart was sentenced to 30 days in jail and ordered to pay a fine and costs amounting to \$100. Mary Comenderia and Anna Kupiec were each fined \$50.

Josiah Pratt, John Telesh, Floyd Shook and John Niebzdoski, all charged as liquor law violators, entered pleas of not guilty and they will be tried at the May term of court.

Joe Kastruba was given 90 days in jail on an assault and battery charge.

So far mother has not demanded time and a half for overtime spent in darning the children's stockings.

FATHERS AND SONS BANQUET

PROF. BRUMM GAVE INSPIRING LECTURE ON SUBJECT, "THE ESCAPE FROM THE COMMONPLACE" ON THURSDAY.

One hundred sixty men and boys of Cass City sat at tables in the dining room of the M. E. church on Thursday evening at one of the happiest get-together occasions ever held in this community. It was the Father and Son banquet which was served by members of the Woman's Study Club.

Table decorations from floral embellishments to favors were in the national colors in honor of the birth anniversary of our first president, George Washington, and the tables presented a very pretty sight indeed.

The menu of fruit cocktail, creamed chicken, mashed potatoes, green peas, ice cream, cakes and various other good things was heartily enjoyed by the hungry fathers and sons.

Some of the sons, and likewise some of the fathers, were acting in that capacity only temporarily. Several of the boys without fathers and several men without sons made up temporary couples for the occasion. Some fathers with two or three sons divided with other men, just for the evening.

Following the serving of the banquet, the company adjourned to the auditorium of the church where a short musical program preceded the address of the evening by Prof. John L. Brumm, director of the courses in journalism at the University of Michigan.

Mrs. I. D. McCoy delighted the audience with a piano solo, Mesdames Smith and Bricker favored them with a piano duet and Guy Landon and Roy Bricker were especially good in vocal solos. Judging from the applause of the audience the efforts of the entertainers were very pleasing.

H. F. Lenzner introduced Prof. Brumm, who spoke on the subject, "The Escape from the Commonplace." Mr. Brumm gave a very instructive and worth-while lecture which was both entertaining and contained much food for thought. Cass City will be glad to welcome him again on a local platform.

The success of the banquet is due to the earnest efforts of two committees of the club with members as follows: Reception Committee—Mrs. H. D. Schiedel, Mrs. M. B. Auten, Mrs. Bert Knight and Mrs. C. L. Graham. Program Committee—Mrs. Edward Pinney, Mrs. G. A. Striffler, Mrs. S. G. Benkelman and Mrs. E. W. Jones. These committees worked together and gave every member of the club some responsibility in the preparations. The ladies are planning for a Mother and Daughter meeting to be given a little later.

SANILAC VOTERS UNITE BEHIND MCKENZIE FOR JUDGE

Primary Wednesday, March 7, Should Be Attended by All Registrants.

Next Wednesday, March 7, a primary election will be held in the counties of Huron and Sanilac to nominate a circuit judge for the 24th judicial circuit to succeed the eminent Judge Watson Beach, for a term of six years.

Sanilac county has a candidate for the position in the person of Robert W. McKenzie, of Sandusky, who is making a dignified and progressive campaign for the office, and a man

Robert W. McKenzie.

who should be given the approval of each and every voter when he or she votes at the primary. Mr. McKenzie, who is a life-long resident of Sanilac county, is so well qualified for the judgeship that no questions as to his ability or experience have been asked by any voter in either of the counties comprising the district. He is about 50 years of age and has had the required training to make a capable judge, a training that will enable him to justly interpret the law and consider evidence to the end that justice may at all times be administered to rich and poor alike. "He is a man the people should be proud to have serve them on the bench," says the Sanilac

County Republican, "not because of his legal ability alone, but because of his high character and integrity as a man."

The voters of Sanilac county should remember that if they desire to have a Sanilac county man who is so well qualified on the bench to decide their disputes at law, that they should rally to his support and make the Sanilac county vote a solid unit for him next Wednesday, March 7. The election is important and the date should not be forgotten or the duty of voting neglected by the electorate.—Advertisement.

LOCAL HAPPENINGS

E. W. Keating has been licensed as a real estate dealer and will devote considerable of his time to land deals this spring and summer.

John Reagh has purchased the Fred Hoagland farm of 120 acres 2 1/4 miles west of Cass City for \$10,000. He takes possession this month.

Dorus Benkelman, secretary of Cass City fair, and J. A. Sandham, one of its directors, left Monday for Grand Rapids to attend the annual meeting of the Michigan Association of Fairs.

A. J. Knapp was in St. Johns Sunday attending the funeral of his father's brother, Dr. Chas. Knapp. Dr. Knapp was an aged man, being 85, and a pioneer physician in that locality.

"Christ in Gethsemane" and "Christ Among the Doctors" are the names of two beautiful pictures by Hofmann recently presented to the Evangelical Sunday school by Mr. and Mrs. A. A. Ricker in memory of their son, James.

Ernest Mark, who is employed in Detroit, had the misfortune to be run down by an automobile the early part of last week. He was removed to a hospital in the city but Alton Mark went there and returned with Ernest to Cass City Tuesday.

Miss Thelma Hunt of Cass City was one of the eleven students at the Michigan State Normal College at Ypsilanti who made a straight "A" record in scholarship for the fall term, 1922. It is quite a distinction to be one of the standard bearers of high scholarship in a group of over 2,000 students.

Rev. Geo. Davey of Marlette and Rev. Mr. Sherlock of Clifford were canvassing the Methodist constituency of this town this week in the interest of the Michigan Educational drive which is a plan to raise \$2,220,000 to be used to improve the social and religious life of Methodist young people who are attending Michigan colleges.

A good company of workmen have spent a great deal of time the past week endeavoring to dig out the impassable sections of road about the country, working hard and faithfully and thereby succeeding in making it possible for travellers to go from one point to another. In spite of all this the recent thaw combined with the previous weather still keeps the roads in a horrible condition.

The senior play, "The Copperhead," presented Tuesday evening at the opera house can be pronounced a great success. The heavier parts were carried wonderfully by Kenneth Higgins and Lilah Spurgeon, while those lighter in mood were delightfully interpreted by Nila Burt and Albert Law. This play with such a wonderful, thrilling plot of self sacrifice would charm an audience no matter how inexperienced the cast and was certainly finely presented by the seniors who all have considerable natural dramatic ability.

The characters were ably aided behind the scenes and before the play by Donald Seed, who was elected stage manager by the class. About \$200 were taken in which will help greatly in the publication of the high school annual. Due credit should be given the coach, Miss Flora Reynolds, who helped the young people stage such a heavy drama. The M. E. Sunday school orchestra contributed to the evening's enjoyment with several selections between acts.

Gilbert Miles, evangelist, who has been assisting in a series of evangelistic meetings at the Baptist church, returned to his home in Battle Creek Monday. A very interesting group of meetings has been enjoyed by the Baptist people. Mr. Miles proved not only to be a speaker with an absorbing personality, but also a great favorite as a leader of the children's activities and a chorus director of much ability. Besides the evening services, gatherings have been held in the afternoons, one early in the afternoon for the older people and one for the children after school hours. Here the younger people learned many Bible verses and the books of the New Testament. Their approval of Mr. Miles was expressed on the last Sunday evening by singing a song improvised for the occasion, beginning something like this, "Good-bye, Mr. Miles." On the whole, the meetings were very profitable to everyone who attended them and a fine sum of money was secured for Mr. Miles upon his departure.

P. T. A. SOCIETY RE-ORGANIZED

REV. EDWARDS ELECTED PRESIDENT; NEXT MEETING MARCH 19 WILL FEATURE DEBATE ON CONSOLIDATED SCHOOLS.

Rev. Wm. W. Edwards was elected president of the Parent-Teachers Association at the meeting held at the high school Wednesday evening for the purpose of re-organizing the society. Mrs. G. A. Tindale was chosen first vice president; Mrs. H. F. Lenzner, second vice president; Miss Mae Benkelman, secretary; A. E. Goodall, treasurer; Mrs. I. A. Fritz, reporter. These officers will hold office until September when their successors will be elected for a full year term.

Mr. Edwards presided as temporary chairman. Mrs. Fern Campfield led the audience in community singing and Rev. F. L. Pohlly told of the necessity and object of the P. T. A. and gave some excellent reasons for promoting a strong organization in this community.

Monthly meetings were decided upon, the last Monday in the month being selected as the time for holding them. Because the Easter vacation period comes at that time, this month's meeting has been set for a week earlier, March 19 being the date selected. A debate on the subject of "Consolidated Schools" will be a feature of particular community interest at this gathering. On the affirmative side are E. W. Jones, Mrs. G. A. Tindale and I. D. McCoy, while W. G. S. Miller, Mrs. Edward Pinney and M. B. Auten will present the negative argument. Mrs. A. J. Knapp, Dr. P. A. Schenck, Geo. Smith, N. A. Perry and Mrs. W. J. Schwegler have been chosen to act as judges.

POOR POTATO SEED COSTING MILLIONS

Michigan Farmers Lose Chance for Profit on Crop by Planting Low Quality Tubers.

That poor potato seed is costing Michigan growers millions of dollars annually, through resultant low yields of inferior quality, is the contention of H. C. Moore, secretary of the Michigan Potato Producers Association and extension specialist at the Michigan Agricultural College.

"Use of good seed is the keynote of potato growing success," said Mr. Moore, in discussing the state situation. "Good yields of high quality tubers must be secured if growers are to make a profit.

"Certified seed has proved efficient in securing better production, in Michigan, as well as in other states, big increases per acre being reported where they were planted last year. Michigan growers should make arrangements early for their seed supply, in order that they may secure good stock.

Certified Michigan potatoes are grown under inspection by extension men with the M. A. C. farm crops department, the work being co-operative between the college and the Michigan Potato Producers Association. The aim is more efficient potato growing in the state.

Only 22 per cent of the certified seed that was offered for sale in the state in 1922 went to Michigan farmers, according to figures just released by Moore. The other 78 per cent went to growers outside the state, Pennsylvania alone taking 40,000 bushels of the selected Michigan seed tubers. These potatoes outyielded strains with which they were compared by 50 per cent, and as a result Pennsylvania growers have already ordered over 80,000 bushels of Michigan certified seed for 1923.

LOCAL ITEMS.

Notwithstanding the fact that each session of the Tuscola county circuit court sees a number of divorces granted, yet marriages in the county are very much in the majority. Last year there were 231 marriage licenses granted while there were 31 homes broken by the divorce court.

Webster Davis, who appeared at Cass City and other Thumb points last fall to give the opening lecture on the Interstate Lyceum course, died at a Kansas City hospital on Feb. 22, of inflammation of the heart. He was 61 years of age. Mr. Davis was at one time mayor of Kansas City and assistant Secretary of the Interior in the McKinley administration. He nominated William Jennings Bryan as candidate for the presidential nomination at the Democratic national convention at Kansas City in 1900. Mr. Davis was in feeble health when he lectured at Cass City on Oct. 16th last.

OBITUARY.

Mr. and Mrs. Philip Mark of Yakima, Wash., write the Chronicle of the sudden death of their little granddaughter, Marguerite Florence Starr. Mrs. Starr will be remembered here as Etta F. Mark, and now lives near her parents in Yakima.

Little Marguerite, who celebrated her ninth birthday Feb. 5th, one week before her passing away, was born in Corning, Cal., her parents bringing her to Yakima when she was three weeks old. She was in perfect health on Saturday, took her music lesson as usual and played with her little friends all afternoon. She was taken suddenly ill early Sunday morning with what seemed to be croup, but proved to be an asthmatic heart. Sunday she seemed better, ate her meals and played about the house, but was taken suddenly worse early Monday morning and although all that medical aid could do, the little girl fell asleep in Jesus about seven o'clock Monday morning. She dearly loved life, and her last wish was that she might live. Marguerite was devoted to her Sunday school and was always wanting to do missionary work by helping the little children who were less fortunate than she. To all who knew her she was a radiant sunbeam and with her younger sister, Mary Louvina, sang at many church and social functions. She was taking her second year of music and doing splendid work in her grade school. In 1920 she was elected to a life membership in the W. C. T. U.

For such a little girl her circle of friends was unusually large and her little white casket was piled with flowers, the many friends she had won staying with the family until the little body was laid in the family lot. The funeral services were conducted Wednesday, Feb. 14, by the pastor of the child's Sunday school. A quartet sang "Safe in the Arms of Jesus", "Does Jesus Care?" and "Open the Door for the Children," the last song being a favorite of Marguerite's. She and her papa sang this together so much.

Besides her parents, the little girl leaves a half-sister, Marjorie Starr, and little sister, Mary Louvina, and brother, Mark Starr, who mourn the loss of a loved one.

Feb. 20th Marguerite F. Starr was voted a memorial member of the W. C. T. U.

OBITUARY—L. A. HOLTZ.

Louis A. Holtz was born at Utica, Mich., May 9, 1877, and departed this life Feb. 20, 1923.

He came with his parents to Novesta when eight years of age, where he has since resided except for about three years spent at Reed City. Oct. 7, 1903, he was married to Mrs. Amy Aikin of Reed City. To this union were born four children. One son, Ernest, died in infancy. Besides his wife he leaves three daughters, Mary aged 16, Luella, aged 13 and Lois, aged 10, and Milton Phillips Holtz, an adopted son, aged 17; four brothers, Christ and Henry of Rochester, Mich., Christian of Chippewa Falls, Wis., and Wm. of Pontiac. Four sisters, Mrs. Sophia Tibbetts of Imlay City, Mrs. Minnie Young of Toukawa, Okla., Mrs. Anna Bray of Pontiac and Mrs. Etta Allen of Holly.

He was converted and united with the First Baptist church of Reed City and came by letters to the Church of Christ of Novesta of which he has since been a faithful member. He was Bible school superintendent, elder and trustee of the church at the time of his death. He will be greatly missed both in the church and neighborhood.

BROWN SCHOOL NOTES.

Doings of the "Brownies."

Our third grade is learning to do long division now.

Miss Thelma Stone was a pleasant caller one afternoon.

The fourth and fifth grades are at present reviewing in geography and physiology.

Bernice McConnell is the only pupil

who thus far this year has been neither tardy nor absent.

We are having singing and storytelling for morning exercises.

We have had 36 pupils on the school-roll this month until last week when Carrie, Iva, Harold and Elmer Hall moved away. We will all miss them very much.

The sixth grade are having sentences on the board to analyze. They thought it was very difficult at first but the other day we overheard them saying, "It's lots easier than grammar."

Our first, second and third grades are making booklets this month. The titles are: "A Little Book about Hiawatha," "My A B C Book," and "We Visit Johnny Eskimo." These subjects are proving to be very interesting subjects and we all enjoy them.

This is just to illustrate some of the bright sayings of our little Brownies. In fourth grade physiology class: Miss McConnell—"Can someone tell me what cells are composed of?" Catherine—(after a short pause) "Why I know! They are made of lard and sugar."

Last month we chose up sides for various matches that we will have during the remainder of the year. The west side chose the "Kalamazoo B's" for their name and the east side the "Giant B's." The first chance we had to try our skill was at spelling. The agreement was that there should be three trial contests, then a final. The losing team of the final contest then must pay the forfeit by entertaining the winning team. In all the trial contests the Kalamazoo B's won but would you believe it—on the final contest the Giants took the victory with four men left standing steadfast and true. Lester Kibourne spelled down the remaining men. The afternoon of Washington's birthday was chosen as the day for entertaining and the Giant B's have to admit that the Kalamazoo's are excellent entertainers if they did lose out on the final. The schoolroom was beautifully decorated with red, white and blue crepe paper streamers, while hatchets, cherries, Union soldiers and red paper bows were used as blackboard borders. After games, appropriate for Washington's birthday, and other merriment, apples, popcorn and candy were enjoyed by all.

Leta O'Dell and Verna Jones, reporters.

NOVESTA.

Everyone enjoyed the fine weather Sunday.

John Collins and Sheriff Holcomb did business in Cass City on Saturday.

Colin Ferguson is still poorly. He is having a hard pull with the flu.

Mr. and Mrs. Jesse Sole were callers at the Clayton Crawford home on Sunday. Mrs. Mary Crawford is somewhat improved in health.

The Misses Edna and Jessie Pelton and Miss Ethel Geit were Sunday visitors at the home of Mr. and Mrs. Harry Gray.

School in Dist. No. 6 still hung up. We hear it is likely to be held up for one or two weeks yet. Teacher is sick.

DEFORD.

George Taylor improving; has had a siege.

First thaw in February was on the 25th.

Victor Stewart had a sick spell last week.

Mrs. E. A. Cones some better at present.

No preaching Sunday, Minister on sick list.

Mrs. Mary Spencer was able to visit Mrs. Alice Curtis Sunday.

Mr. and Mrs. Patterson spent Sunday with R. D. Lewis family.

Mrs. Wm. Gage is quite poorly with bad cold.

Our school has moved well considering the sickness in locality this winter.

Charles Tedford has been very ill. Not fully recovered as yet, but is much better.

A team scared at the 4 o'clock on the 20th but was halted before they passed the walls of our city.

The South Novesta Farmers' Club held at Rolla Bruce's was well attended, about sixty being present. March meeting will be at William Bartell's here in the burg.

As we close items Monday, there is prospect of road a mile east of here being shoveled out. Services of sons of Erin's Isle have been secured.

The test came with the drifts. Mail carrier of the west route looks feathery, but no waste timber. Horse couldn't make it—took mail on his back and covered fifteen miles without shedding tears. Now we read—mail didn't get through on some routes. Look and you will find carrier lives on heavy soil. 'Tis sand we need and Deford has the goods.

Saturday, March 3rd, will be pie and cake day for Deford. Ask the young people why.

The auto, the truck, the buggy, wagon and sleigh you can see passing by on the same day. It was not always so. Would have scared us fifty years ago.

Forty-five minutes to cut a cord of stove wood from green poplar poles—is all the time required by a swift bucksaw man we listened to lately.

When we were first able to read print a sentence impressed itself on our mind. It has lived and given us a horror of war through life, and if the leaders of nations could have been impressed by the words as I in humble life the world would have known but little of the fields of carnage. Listen—"The angel pity shuns the walks of war."

Our town was made sad to hear of the death of Louis Holtz on the 20th.

The writer was brought up to believe that moderate use of strong drink was a religious rite—the passing of which we termed a destruction of our liberties, not knowing that we craved for a liberty to do wrong. Liberty is a word that but few understand.

John Reid, formerly of this place, is now spending life in California. Of late he has been with his adopted daughter in Oregon.

A brother Delong of West Novesta was here on the 21st gathering a little help for a neighbor who had lost his dwelling by fire.

R. D. Lewis is in poor health.

We are sorry to hear of the death of James McCormick whose home was 1½ miles south of Wilmot.

Wm. McCracken is making sugar bins for Merchant Patterson.

A bee on the Center Line Thursday to make possible travel through to Cass City.

Arthur Perry of Detroit in this locality past week. We hear he was moving household goods.

Mr. Shaw is able to be out again after a four weeks' sickness.

Mrs. R. D. Lewis was fighting toothache for some time past.

Mr. and Mrs. Jesse Kelly have moved to Cass City. Mr. Kelley has worked in barber shop here for some time past.

'Tis a George Martin of the north who hauls milk for our plant—not the aged George of Town Line.

A man called on the writer saying a poor man has burnt out—no insurance, he needs help, can you aid? In speaking of the matter, we heard people term it that Mr. A. was around begging for him who lost the house. No, that was not begging. Begging is asking us to give something for nothing. A was only prompting me to do my duty toward a fellow creature—to give to the needy and receive in blessings a hundredfold.

The story is told of a number of men working on the canal went out on a toot, got a little full, came back to boarding house by the toe path, and to be sure all were present on their return, they counted heads before going into the house. Being Irishmen, they neglected to keep tab on the man who did the counting, and all cried out there is a man missing; the canal must be raked for the body. It would seem that when a bevy of our citizens go out to clear highway of snow drifts they are fearful of the Irish mistake and fail to select a foreman, hence there are as many opinions as there are men present and there is nothing done.

William McCracken attended the Graves and Downey sale near Wilmot and bought the Ancona chicks and now the eggs roll in.

Old heads will bear me witness that we didn't have farm sales in winter years ago. Sales were spring and fall business. Now sales in midwinter and the chances are the weather isn't fit for a dog fight.

A mile to the east is a heavy drift of many rods in length. Hearing it was to be shoveled out and seeing shovels going but soon returning several times we flagged Neil Kennedy who elucidated as follows:—The drift is huge, heavy and hard. He volunteered with others to cast it out of the highway, but when they reached the scene their courage failed as they looked upon the labor to be done. Then all went home, but courage would come back and they would go back next morning only to wilt again when they gazed upon the task. Now they have concluded that July and August will "fetch her."

Dark and gloomy was the morning of the 24th and our people were gloomy for they sympathized with E. A. Cones, who had called his farm sale to the town on that day. But by eleven o'clock the density of the clouds broke and although there was snow in the

air, it was not very cold and T. B. Tyrell arrived and raised his bugle voice. He gathered a fair sized crowd, weather considered. Sale was a reasonable success. All sold well but the equines—property which of late years is counted of less value than a good house cat.

Deford Church Notes.

Owing to the illness of our pastor there were no preaching services here Sunday.

The young people are busy practicing for their pageant to be given at Easter.

Prayer meeting this week at Grover Pratt's. If all is well next week, it will be at the home of Mr. Martin, north of town.

The W. F. M. S. has been postponed for this month.

The young people hope you will not forget the bake sale on Saturday, the 3rd of March, at Mr. Jacoby's store. Everything good in pastry line. Beginning at 10 a. m., until all is sold.

"Please don't stop the paper," writes Mrs. O. W. Nique from Decker to the Chronicle. "You will find check enclosed for same. I forgot it last week. Would rather miss my meals than the Chronicle."

The Missionary Circle of the Evangelical church met at the home of Mr. and Mrs. B. F. Benkelman Monday evening. After all business was settled, the dignified group threw aside their reserve and enjoyed a taffy-pull.

The farmers' clubs of Tuscola county held an all-day session at the county seat Thursday. Mrs. A. J. Knapp was present, having been invited to deliver an address at the meeting, which she did in her usual popular style.

Dr. I. D. McCoy performed an operation in Bad Axe Thursday of last week. The roads were so blockaded that in order to reach his destination the doctor was compelled to go out of his way into the other part of the Thumb to Unionville, making the trip much longer.

James Brown, a prominent chemist of Detroit, declares that the deadliest of poisons are being sold in the city for liquor. He said that not one bottle of real liquor is found in a thousand bottles sold there. Road houses, said Mr. Brown, convert near beer into an imitation of real beer by pouring two or three ounces of ether into a bottle. Six or eight ounces of ether, he said, was enough for an ordinary operation.

Thursday of last week, the Parrott Creamery sent out about \$300.00 worth of cream on a truck to Saginaw by the way of Deford and Caro. The truck progressed safely a few miles south and then was overturned in such a way that it was impossible to reach the cream until the truck was righted. They found about \$30.00 worth spilled and considered themselves lucky. Sleighs were hired to bring the cream back to Cass City and to haul the truck a mile or so before it could run safely. The moral to this story is—keep off the roads.

With the State Legislature

(By W. L. Calnon)

LANSING, MICH.

Tax legislation, after several weeks of committee consideration, again has come to the fore in the legislature. In the house the first of the big tax measures has been reported out for consideration by the committee of the whole. Renewed rumblings about all forms of increased state revenue have followed. The Corliss bill covering suggested changes in the corporation tax was the first to be reported out and was later sent back to committee. Two similar measures in the senate still are before the original committees to which they were referred after being introduced. The Corliss bill proposes to remove the maximum tax from \$50 to \$10 a year. The bill placed the tax itself at one mill, instead of the present 3 1-2 mills. As reported out, this tax rate was changed to two mills by the house committee on private corporations. Those interested in the bill estimate that it will produce, at the two mill rate, about \$6,000,000 a year in revenue to the state, in place of the \$5,500,000 obtained at the 3 1-2 mill rate and maximum tax of \$10,000. Some of the lawyer members argue that removal of a maximum limit will result in the tax being discarded in the courts as unconstitutional on the grounds of doubly taxing corporations that now pay the ad valorem property tax. The present tax, with its limitation as to maximum and minimum stands as a fee, they contend. It is understood that Gov. Groesbeck does not agree with this particular contention, but does favor retention of some maximum tax and the amending of the law so as to remove present inequalities. It is certain that there will be much debating and much amending of this and any other bills that reach the floor of the house and senate.

Taxation talk still holds the boards in all legislative circles and reports of attempted compromises between advocates of different kinds of new tax measures are frequent. One compromise which is hinted as being favored by Gov. Groesbeck calls for a gasoline tax of 1 cent a gallon and a revision of the motor license fee so as to put it on a straight basis of weight, with an increase in the rate. Those advocating this compromise between the two taxation ideas say the gasoline tax will pay the interest and sinking fund charges on the state's highway bonds, while the larger income from the weight basis of motor car tax will pay the state rewards to counties on truck line work and in maintenance costs of roads. Secretary of State DeLand suggests that car owners pay 80 cents per hundred weight up to 2,000 pounds and \$1 for weight in excess of that figure. Truck rates would be figured out along the same line, but have not yet been decided upon. The secretary of state says that such a tax as he proposes could be collected without costing the state any more than it now costs to issue the annual licenses and that it would produce eight to ten millions more in revenue.

Fish bills seem to possess all their old time power to stir up arguments in the house, judging from a flare-up among house members at a public hearing on some pending fish measures. One of the bills aims to shorten the closed season on lake trout and another proposes a closed season on well-eyed pike. Charges were made at the hearing that the Bayport Fishing Co. has had much influence for years in fish legislation and other charges were made against "certain interests", unnamed, as hostile to a closed season on pike. Many commercial fishermen attended the hearing. It is likely that the bills involved will not be reported out for some time.

Repeal of the Covert road act is sought in a bill introduced by Rep. Lennon, of Genesee. This follows other bills to suspend the state reward on roads for two years and to stop issuing road bonds for two years. Numerous other road measures already in, or about to be introduced, include new road plans as well as further reductions in road building. One of the suggested new roads would cross the upper part of the lower peninsula, from Acme, Grand Traverse county, to Harrisville, Alcona county. These varied proposals indicate much battling in the near future over the state's road program for the coming two years.

Rep. Ladd has introduced a bill to enable townships with 500 or more population, to establish township-owned electric light plants which could sell power. To build such plants it would require a two-thirds favorable vote on the issuance of bonds and these would be limited to five per cent of the assessed valuation.

Students who have completed two years work at any of the six junior colleges in the state will be eligible for teachers' certificates if Rep. Ate Dykstra's bill, "to fill the pressing need for public school instructors," which passed the House in committee of the whole and went to a third reading, is enacted.

The state highway department has been asked by senators belonging to the senate highway, finance and taxation committees to bring in its appropriation bill so that it can be considered along with all those that are included in the general tax program. It is understood that this appropriation measure was being held back so that those who were framing it could determine how far they could go in their requests after sizing up what was being allowed for other purposes. The senators, however, want it in their possession so they can figure it in relation to the other money bills that must be acted upon at this session. It is believed that the bill which will be introduced now will follow the tentative departmental budget with but few minor changes.

The house has adopted the bill of Rep. Read, of Kalamazoo, to permit township school districts to issue bonds for 30 years, instead of the present 15 years. The bill failed once because of a lack of the necessary 51 votes and was tabled, but Read dug up the few he was short and taking the bill from the table had it adopted by a vote of 54 to 30. An acrimonious debate preceded the roll call, opponents declaring it was not a measure of economy, but encouraged the spending of money raised on bonds. City school districts have the 30-year bond limit and another bill now in committee would reduce this to 15 years.

Rights of lobbyists on the floor of the house, whether they represent state departments or outside interests will be set hereafter by the rules committee of the house, which has been given the right by a house resolution to pass upon the admission to the floor of persons not actually members. Rep. Holland, introducer of the resolution, said it was prompted by the activities of representatives of state departments who spent time in the house for which the state was paying them for other work in departments.

Rep. Ormsbee, of Flint, has introduced a bill proposing the enactment of a tonnage tax on mine production. In preceding legislatures this sort of tax has frequently been fought over. Upper peninsula members say this is not a propitious time to revive it, especially for the copper mine industry, as the latter has been in a more or less paralyzed condition since the war, with two entire years of idleness and with 20,000 or more decrease in population as a result.

A total of \$3,100,000 in appropriations for new buildings at the Michigan Agricultural College is sought in a bill introduced by Rep. Ladd. The proposed buildings include a horticultural structure, a chemical laboratory, a veterinary science building, two women's dormitories and a farm building. The total appropriation is \$1,600,000 more than the tentative building request considered prior to the meeting of the legislature.

Fred L. Warner, of Belding, speaker of the last house of representatives and candidate for speaker of the present body, but who met defeat in Ionia county in the primary election last September, has been made an assistant attorney general under Attorney General Andrew Daugherty. This completes the office changes made necessary by the retirement last month of Attorney General Merlin Wiley.

The first two laws to emerge from the 1923 legislative session have been signed by Gov. Groesbeck. One of them was House Bill No. 13, introduced by Rep. McDonald and prohibiting the throwing of stones or other missiles at passenger trains, automobiles and freight trains. The other was a bill by Rep. Richards giving trustees of Albion College control of the Wesleyan seminary funds.

While the senate marked time on consideration of the Wood bill to establish capital punishment in case the people vote in favor of it at the election in November, 1924, the house definitely set the date for its oratorical battle on the question of the death penalty. The afternoon of Tuesday, March 6 was selected as the time for consideration of the Pitkin measure.

The house has adopted the Watson bill to permit state banks to invest in federal farm loan bonds. The senate has adopted the Pearson bill which widens the powers of the conservation department in the controlling of forest fires and which makes the entire state of Michigan a forest fire zone.

A bill to pave the way for the city of Detroit to build subways to relieve its street railway congestion has been introduced by Rep. Culver. It was drawn up by Corporation Counsel Wilcox, of Detroit, and would provide for 50-year bonds up to 4 per cent of the city's assessed valuation.

The house passed the Kirby bill which reduces the amount of indemnity paid to farmers whose cattle are ordered destroyed when pronounced tubercular. Considerable oratory was spent on this bill also, but it got through with 53 votes, two more than necessary to pass it.

The house has adopted the bill of Rep. Henze to empower boards of supervisors to discharge county poor superintendents and it now goes to the senate for consideration.

NEWS OF THE SICK.

Mrs. D. R. Graham is on the sick list this week.

B. J. Dailey is suffering from the flu at present.

Clare Bailey was sick the early part of the week.

Dugald Krug is about again after a severe attack of flu.

Harry Milne, who was a flu patient, is able to be out again.

Miss Isabell McIntyre is recovering this week from a brief sickness.

Mrs. Margaret Houghton is numbered among the sick this week.

Mrs. Thos. Colwell is recovering from quite a serious attack of the flu.

D. R. Graham is able to be about again after a very serious attack of the flu.

Mrs. W. F. Hayes, who has been seriously sick, for some time, is not much improved.

Mrs. Clark Bixby, who was quite sick last week with the flu, is just about the same.

Irvine Striffler was quite ill the first part of this week from a second relapse after the flu.

Mrs. Parks of Deford, who is staying at the Meson Wilson home for a time, is ill this week.

Mrs. Audley Kinnaird and little daughter, June, who have both been ill, are recovering rapidly.

Mrs. Fred Buehly, who has been very ill, although still in a precarious condition, is slowly improving.

Mrs. Hazel Melick and Miss Veda Bixby, who were seriously ill last week, are improved at present.

Numbered with the sick this week are Miss Edna Jackson, Miss Ethel Zavitz, Wm. Akerman, F. A. Bigelow and Peter Lawson.

The families of George and Herman Charter, north of town, have been ill with the flu but are reported on the mend. Mrs. Grace Krug has been employed as nurse.

Miss Banny Bundo, who recently underwent an operation for appendicitis, is improving very much. Her brother, Benjamin, is filling her position as bookkeeper in Bad Axe.

Little Joanna Sandham underwent an operation for appendicitis at Pleasant Home hospital Wednesday afternoon. She was reported as "doing nicely" Thursday morning.

Word has been received from Bad Axe that Leslie Whale, son of Mr. and Mrs. James Whale of Cass City, and teacher of mathematics in the Bad Axe schools, is quite seriously ill

with pneumonia at this time.

Mr. and Mrs. James Brackenbury received word the early part of the week that their daughter, Eva, a student at Ypsilanti Normal college was quite seriously ill due to a bad fall on the sidewalk. A slight attack of concussion of the brain set in but at the time the letter was written she was doing as well as could be expected.

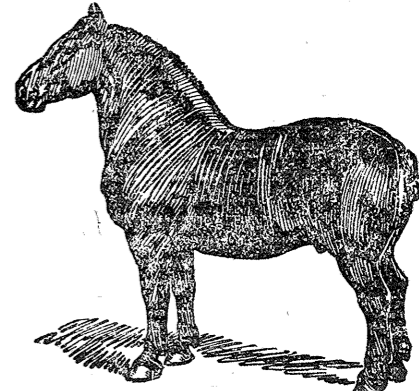

It Happened Like This.

Two thrifty Scotchmen attended an Irish Freestate meeting. At the conclusion the chairman announced:

"All doors and windows have been locked and no one will be permitted to leave until they have contributed to the cause."

A minute later a Hebrew fainted and two Scotchmen carried him out.

THE SPRING WEATHER IS APPROACHING

very rapidly after the long cold and stormy days. Never in the whole year is there a time that brings forth more cheer and puts more pep into life than Spring.

In our line we have never shown such a variety of beautiful Spring merchandise as we are showing this spring.

We extend a cordial invitation to every one of our old customers, prospective customers and friends to make us a visit. Where it may seem rather early for you to be looking at Spring goods, but you want to realize

that Easter comes earlier this year, and our salesladies will be pleased to show you the different lines whether you are ready to purchase or not.

Miss Zemke has been in New York for the past ten days buying Spring merchandise and will return some time next week, according to her last letter. We expect to show merchandise such as has never been shown in Cass City. Come in and let us show you the new creations.

We are here showing a few models of the newest line in Ready to Wear. The coats are very neatly trimmed, and lined with either fancy or plain lining. Suits have come back again to play their part. They are made up in the two-piece and three-piece styles, very neatly trimmed with beads and fancy braids.

The new Spring dresses are made up in the most beautiful styles and cloth. It will be of interest to anyone who is figuring on buying a Spring outfit to see our line before going out of town or sending to the various mail order houses. For our prices are right and we absolutely stand back of every article we sell, and our selection is second to none in this part of the Thumb.

PIECE GOODS DEPARTMENT

This department offers to you a selection of merchandise such as you can only find in the large cities.

In the fancy or novelty line, we buy only a very limited amount of each pattern, so as not to have two garments made up of the same kind of material and trimmings. This is a feature every lady should bear in mind.

Anyone who is looking for crepe taffeta, satin or fancy materials to make an Easter gown will find just what they want and at prices to fit the pocket book.

Sunday services with class meeting at 10:00, morning worship 10:30. Sermon, "The Eternal Conflicts." Sunday School 12:00. Church Training classes 6:30, evening service 7:30 with sermon, "The Restorer." Thursday, 3:45, religious school for boys and girls, prayer meeting at 7:30. Spring means the coming of new life. Easter is the soul's Springtime. Let us turn toward the Christ of the abundant life that our souls may enjoy its Springtime and take on new life. Make every effort to be at church these days.

Presbyterian—Services on Sabbath conducted by the pastor. Morning worship at 10:30. Sermon: "A Searching Question." The second of a short series of sermons on "Searching Questions."

Sunday school at close of service. Classes for all ages. The superintendent, M. B. Auten, is relating a very interesting patriotic story, one with a real thrill for red-blooded girls and boys. Don't miss the third installment.

C. E. at 6:30. Fine company of young folks gather at this hour. Come and look in on Sunday evening.

Evening at 7:30. Special music and good congregational singing. The address will be explanatory and critical and an answer to some of Dr. Grant's mistakes in regard to religion. Dr. Grant, is that Episcopal rector in New York City, who is getting a lot of cheap publicity in the newspapers. He says that the church needs a house-cleaning. We believe that the rector needs a heart-cleaning. He has little use for small town religion. We will answer these and other of his wild statements, such as the Adam and Eve fable.

You will enjoy the service. It is something "different."

Kindergarten.

We are making a book of domestic animals.

In connection with hygiene, we are discussing the proper food for children and expect to make a poster of the same.

We are telling the story of "The Little Hero of Harlem."

Second Grade.

Mrs. Kercher was a caller last week.

Third Grade.

For literature we are reading Kipling.

We have finished the paper cutting of the three bears for art.

We had a spell down of which Maxine and David were the captains. Maxine's side won because of the whispering carried on by the other side.

Fourth Grade.

For opening exercises we are reading "Lost River."

We are dramatising stories for language.

Fifth Grade.

John Taylor leaves our grade this week to enter school in Cleveland, O. We are sorry to lose him.

We are studying about "King Arthur and his Round Table" for language and in story hour.

Sixth Grade.

We received the punctuality banner this month.

Junior High.

Our seventh grade again won the banner last month with a percentage of 92.9 per cent. Quite a drop from 99.2 per cent the previous months.

Winnifred Schell does not expect to be in school any more this year.

Ella Taylor is leaving school this week to make her home in Cleveland.

Music.

We had a test Friday on the music memory contest and it resulted in five perfect papers from the fifth grade and fifteen from the sixth grade. Although the seventh grade showed a higher percentage there were no perfect papers. The eighth grade succeeded in producing thirteen perfect papers. The work this time did not include correct spelling, but was based on correct names of musical selections, composer, nationality and date. We expect to have another one Friday of this week on which spelling will be counted and the papers will be graded.

Senior High.

The game with Croswell Friday night was probably the best game staged here this year. Clean basket ball marked the playing from the beginning until the final whistle blew. The girls' game started with Cass City scoring five baskets the first two minutes of the game. From then local girls were well in the lead. The boys' game was very exciting and finally ended with a score of 36 and 20.

We hope the game with Sandusky tomorrow evening will prove successful.

Caro's second team will play here Friday evening.

The seniors are completing their

CLEANED FROM CHRONICLE'S EXCHANGES FOR WEEK

Pinnebog—A midnight fire at Pinnebog Wednesday completely destroyed the Richard Waggoner pioneer store and contents. The loss is estimated at \$30,000.00 with only partial insurance.

Croswell—The equipment of the Lexington News has this week been transferred to this office and the publication of that newspaper will be made from the Jeffersonian shop. An edition was printed this week and the paper will be continued so long as the patronage will warrant. Since the leaving of Roger Gorton the paper has gradually deteriorated until it was far below a paying basis, hence the change.—Croswell Jeffersonian.

Yale—A party of ladies who started out one day last week to visit the oil well, got as far as the electric light plant, where the tower and reservoir was in course of construction, and after looking it over for a while, one of them remarked, "Well, I don't see that an oil well is such-a-much, do you?"

Croswell—On Monday, Feb. 19th, Mrs. Mary Ann Essery celebrated her 100th birthday. The venerable lady lives on a farm about five miles south of Croswell with her son, Harry Essery, and without doubt she is the oldest resident of Sanilac county. In spite of her years she is still very active and possesses a remarkable memory. She is a member of the Presbyterian church and a devoted Christian. She can quote whole passages of scripture word for word and still loves to join in singing the favorite hymns of bygone days.

Capac—Henry Hill, a farmer living near Lake Pleasant, and Albert Hill, of Capac, had a letter from a bank in the Netherlands, recently saying that they were among the heirs to an \$88,000 estate which had been accumulating for over two hundred years. There are thirty or forty heirs to the estate, but the thirtieth or fortieth part of such an estate would bring joy to most hearts.

Lapeer—The forthcoming primary election in Lapeer county will not after all be the "cut and dried" affair that it seemed destined to be before recent developments were anticipated. The added entries for the county school commissioners nomination has injected, at least, sufficient speculation into the qualifying preliminary to awaken very general interest in the

outcome. C. H. Naylor, the present efficient incumbent of the office will have as his opponents on the Republican primary ticket: Miss Bernice Dickerson of Lapeer, who is making her second campaign for preferment, and Fred Broesamle of Dryden, both of whom have been in close touch with the schools and educational affairs of the county.

North Branch—A certain well known farmer of this vicinity, whose reputation for truth and veracity is above question, has long been tortured with rheumatic pains. Finally, he declares that after trying numberless "cures" he resorted to Prof. Coue's auto-suggestion treatment and finds that day by day, in every way, he getting better and better. Not by his request but simply as a matter of kindness we are withholding his name to save him from the pest of the kidders.—Gazette.

Sandusky—In its issue of February 2 last, the Republican published a news item to the effect that Mrs. Andrew Tyrell, of Snover, had completed a patch-quilt containing 3,951 pieces, a job that was started 25 years ago. On Feb. 9 we published another item to the effect that Miss Grace Kelly of Elmer, was the possessor of a similar quilt of 6,688 pieces, made by her grandmother, the late Mrs. Adam Kelly. In the Lapeer Clarion of last week announcement was made that a resident of that county had a quilt that went Miss Kelly several hundred better. This week Mrs. Andrew Tyrell announces that she has another quilt which contains 8,568 pieces, which places her in first place in the championship race. Next!—Sandusky Republican.

NOVESTA CORNERS.

Mr. and Mrs. Arthur Perry of Detroit are spending a few days with the latter's mother, Mrs. Wm. Patch, sr.

Mrs. Fred Palmateer entertained Mrs. August Rickwalt and two children a few days last week.

Mrs. Arthur Perry is sick with the flu at the home of her mother, Mrs. Wm. Patch, sr.

Mr. and Mrs. Dave Collins entertained their son-in-law, Frank Bird, from northwestern Canada a few days last week.

The infant son of Mr. and Mrs. Wm. Collins, who has been so very sick the past two months, is reported as slowly recovering.

Mrs. Arthur Perry is some better at this writing.

Elmer Gibbs, wife and mother will move to Armada in the near future.

In spite of the universal complaint of continued high prices a lot of cheap talk can still be had.

NEW HONOR ROLL FOR DAIRY COWS OF STATE

Actual Profit to Be Basis for Rating under Unique Plan Started by M. A. C.

Michigan dairy cows will have to deliver the goods in actual profit if they are to earn a place on a new register of profit honor roll being established in the state by the Michigan Agricultural College.

The thirty cow testing associations in the state and the dairy extension division of the college will cooperate in handling the new project, which will be considered a branch of the cow testing association work.

"The highest producing cow is not always the one which returns the greatest profit during the year," says A. C. Baltzer, of the M. A. C. extension staff, one of the three men who have drawn up the plan for the register of profit. "Higher feed and handling costs sometimes cut down the net profit on the animal."

"The register of profit is being started to give a practical check on the most profitable cows in state cow testing associations. It will be in the nature of an honor roll for the state."

Rules for entrance in the register call for a profit of not less than \$125 for a year, by a cow entered in a regularly organized cow testing association.

Standard feed prices and standard milk prices will be used in computing the profit figures. The average price of existing grade A milk, for 3.5 per cent milk, on the first of each month during the test in the following cities will be used: Detroit, Grand Rapids, Lansing, Saginaw, Kalamazoo and Marquette.

The register of profit will be thrown open on March 1, 1923, animals in cow test associations being eligible to start their year's test after that date.

STATE OF MICHIGAN—In the Circuit Court for the County of Tuscola in Chancery.

Harry J. Tierney, Plaintiff vs. Lee Austin and Maggie E. Austin, Defendants.

In pursuance of a decree of the Circuit Court for the County of Tuscola in Chancery, made and entered on the 18th day of October, A. D. 1922, in the above entitled cause, I, the subscriber, a Circuit Court Commissioner for the County of Tuscola shall sell at public auction or vendue, to the highest bidder, at the front door of the courthouse, in the Village of Caro, in said County, on Tuesday, the 6th day of March, A. D. 1923, at nine o'clock in the forenoon of said day, all those certain lands and premises situate in the Township of Akron, County of Tuscola and State of Michigan, described as follows:

The northeast quarter (NE 1/4) of the northwest quarter (NW 1/4) section nine (9) and the southeast quarter (SE 1/4) of the southwest quarter (SW 1/4) of section four (4) Township fourteen (14) North of Range eight (8) East, except about one-half acre on the east side, deeded for church purposes, and the southwest quarter (SW 1/4) of the southeast quarter (SE 1/4), the south three quarters (S 3/4) of the northwest quarter (NW 1/4) of the southeast quarter (SE 1/4) and the west one-eighth (1/8) of the southeast quarter (SE 1/4) of the southeast quarter (SE 1/4) in section seven (7) Township fourteen (14) North of Range eight (8) East, also all that portion lying north of the State Road of the northeast quarter (NE 1/4) of section eighteen (18) in Township fourteen (14) North of Range eight (8) East containing one hundred eighty (180) acres more or less.

Also: The southwest quarter (SW 1/4) of the southeast quarter (SE 1/4), the south three-quarters (S 3/4) of the northwest quarter (NW 1/4) of the southeast quarter (SE 1/4) and the west one eighth (1/8) of the southeast quarter (SE 1/4) of the southeast quarter (SE 1/4) all in section seven (7) Township fourteen (14) North Range eight (8) East and also that portion lying north of the State Road of the northeast quarter (NE 1/4) of section eighteen (18) in Township fourteen (14) North of Range eight (8) East containing one hundred and one (101) acres more or less.

JAMES D. BROOKER, Circuit Court Commissioner. 1-19-7

Foreclosure Sale.

Default having been made in the payment of money due on and secured by a certain mortgage, dated January 29th, 1917, made and executed by Mary E. Warner to E. H. Pinney and Son, a Co-partnership, consisting of Elijah H. Pinney and Edward Pinney (both of said mortgagees being now deceased) and said mortgage being recorded in the office of the Register of Deeds for Tuscola County, Michigan, in Liber 140 on page 584, on February 7th, 1917, that said mortgage was afterwards on March 11th, 1921 duly assigned by Henry L. Pinney, executor of the last will and testament of Elijah H. Pinney, deceased and by Elizabeth E. Pinney, executrix of the last will and testament of Edward Pinney, deceased, to the Pinney State Bank of Cass City, Michigan, a Michigan corporation, said assignment being in writing and recorded in the Register of Deeds' office aforesaid in Liber 147 of mortgages on page 310. That there is claimed to be due on said mortgage at the date of this notice the sum of Eight Hundred Seventy Eight Dollars.

Now therefore, Notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises, at Public auction, to the highest bidder, at the front door of the Court House, in the Village of Caro, Tuscola County, Michigan, on Monday the second day of April, 1923, at ten o'clock in the forenoon of said day.

The said mortgaged premises are described as follows: The South Half of the Northeast Quarter and the Southeast Quarter of the Northwest Quarter of Section Seventeen in the Township of Novesta, County of Tuscola and State of Michigan.

The said mortgaged premises will be sold as aforesaid to satisfy the amount due on the aforesaid mortgage and the costs of foreclosure and subject to the liens of four other certain mortgages now owned and held by said Pinney State Bank, viz: One mortgage bearing date November 20, 1911, made by Robert N. McCullough and Anna McCullough, and recorded in the registry aforesaid in Liber 130 of mortgages on page 62, upon which there is unpaid at the date of this notice the sum of \$350.00 and interest from the 10th of August 1921 at rate of seven per cent per annum, One Mortgage made by Mary E. Warner, dated March 25th, 1915, and recorded in the registry aforesaid in Liber 139 of mortgages on page 189, upon which there is unpaid at the date of this notice \$700.00 and interest at the rate of seven per cent per annum from the 10th of August, 1921, One Mortgage made by Mary E. Warner, dated April 9th, 1917, and recorded in the registry aforesaid in Liber 143 of mortgages on page 51, upon which there is unpaid the sum of \$200.00 and interest from the 10th of August, 1921, at the rate of seven per cent per annum, and one mortgage made by Mary E. Warner, dated July 10th, 1920, and recorded in the registry aforesaid in Liber 146 of mortgages on page 488, upon which there is unpaid the sum of \$600.00 and interest at the rate of seven per cent per annum from the 10th of August, 1921.

Dated this fourth day of January, 1923. Pinney State Bank, of Cass City, Michigan, Assignee of Mortgage. J. D. Brooker, Attorney for Assignee of Mortgage. Business Address, Cass City, Mich. 1-5-13

Foreclosure Sale.

Default having been made in the payment of money due for interest on a certain mortgage, dated September 28th, 1921, made and executed by William K. Davidson and Nellie M. Davidson, his wife, to James D. Brooker, and recorded in the Register of Deeds' office, for Tuscola County, Michigan, on the 30th day of September, 1921, in Liber 151 of Mortgages on page 403, that by reason of said default the whole sum secured by said mortgage has become due and payable and is hereby declared to be due under the terms and conditions of said mortgage and there is claimed to be due on said mortgage at the date of this notice the sum of Seven Hundred Thirty-five Dollars.

Now Therefore, Notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises in said mortgage described, at public auction, at the front door of the Court House, in the Village of Caro, Tuscola County, Michigan, to the highest bidder, on Monday, the second day of April, 1923, at one o'clock in the afternoon.

The said mortgaged premises are described in said mortgage substantially as follows, to-wit: The Northwest Quarter of the Southwest Quarter of Section Twenty, Township Number Thirteen North, Range Eleven East, being in the Township of Novesta, County of Tuscola, and State of Michigan.

Said mortgaged premises will be sold as aforesaid to satisfy the amount due on said mortgage and the costs of foreclosure.

Dated January 4th, 1923. JAMES D. BROOKER, Mortgagee.

T. P. Zander, Attorney for Mortgagee, Business Address, Saginaw, Michigan. 1-5-13

Foreclosure Sale.

Default having been made in the payment of money due on and secured by a certain mortgage dated the first day of March, A. D. 1920, made and executed by Neil Fletcher and Lizzie A. Fletcher, his wife, to John A. Peddie and Mary Maude Peddie and recorded in the Register of Deeds' office for the County of Tuscola, Michigan, in Liber 146 of Mortgages on page 336, on April 12th, 1920, that on the 16th day of September, 1920, said mortgage was duly assigned by said John A. Peddie and Mary Maude Peddie to Pinney State Bank of Cass City, Michigan, a corporation, the assignment thereof being in writing and recorded in the Register of Deeds' office aforesaid in Liber 147 of Mortgages on page 337, that afterwards and on the 29th day of November, A. D. 1922, said mortgage was duly assigned by said Pinney State Bank of Cass City, Michigan, to John A. Peddie and Mary Maude Peddie, the assignment thereof being in writing and recorded in the Register of Deeds' office aforesaid in Liber 116 of Mortgages on page 474.

That by reason of said default the whole sum secured by said mortgage has become due and is hereby declared to be due and there is claimed to be due on said mortgage at the date hereof the sum of five thousand three hundred sixty and 44/100 dollars. Now, therefore, notice is hereby given that said mortgage will be foreclosed by a sale of the mortgaged premises (in said mortgage described) at public auction, to the highest bidder, at the front door of the court house, in the Village of Caro, Tuscola County, Michigan, on the 5th day of March, A. D. 1923, at one o'clock in the afternoon of said day. The said mortgaged premises are described in said mortgage substantially as follows: The East Half of the Southwest Quarter of section thirty-six, Township 14 North, Range ten East, being the Township of Elmwood, in the County of Tuscola, and State of Michigan.

Said premises will be sold as aforesaid to satisfy the amount due on said mortgage and the costs of foreclosure. Dated December 7th, A. D. 1922. John A. Peddie, Mary Maude Peddie, Mortgagees and Assignees of Mortgage. J. D. Brooker, Attorney for Mortgagees and Assignees of Mortgage. Business address, Cass City, Michigan. 12-8-13

LOCAL ITEMS.

Arthur Atwell was in Deford Saturday on business.

Mrs. Bessie Holt spent the weekend with relatives in Deford.

W. L. Ward and Mrs. Louis Nolte of Detroit are in town this week.

Mr. and Mrs. Ed. Hartt of Wilmot were callers in town Wednesday.

Mr. and Mrs. Lewis Brooks are the proud parents of a little baby daughter.

Sam Sherk and Emory Cones of Deford were in town Tuesday on business.

Charles Allard of Detroit was a visitor at his parental home east of town over Sunday.

Harold Murphy left Monday for Detroit after spending a few days at the home of his parents, Mr. and Mrs. Thos. Murphy.

The general store of Fred Kritzman at Argyle was burned to the ground by flames of unknown origin on Wednesday night of last week.

The Presbyterian Missionary society will meet at the home of Mrs. P. A. Schenck on Thursday, March 8. All members are cordially invited.

Smith Hutchinson has purchased 40 acres of land from Isaac Agar for \$4,100. The forty joins the Randall farm which Mr. Hutchinson purchased a few years ago.

Mr. and Mrs. L. E. Dickinson and Mr. and Mrs. Harold Dickinson are moving this week from the Miss Dora Krapf property on Oak St. to the residence belonging to Mrs. G. L. Hitchcock on Third St.

Arlena, youngest daughter of Mr. and Mrs. Eugene Otis, passed away early Wednesday morning at the age of six years. Funeral services will be held at the Otis home on the county line this (Friday) afternoon at two o'clock.

Mrs. A. T. Craft and Mr. and Mrs. Matt Parker went to Gagetown Wednesday to attend the funeral of Mrs. Joseph Spittler, who died at Saginaw at the home of her daughter. The body failed to arrive at Gagetown on Wednesday as expected so arrangements were made for the service on Thursday.

Tuesday afternoon's train going north was delayed through failure of the locomotive. The engine and crew of the Bad Axe train were ordered to relieve and succeeded in getting the train back down the road where it was met by the relief engine from Pontiac. The Bad Axe train did not leave on its regular run until eight o'clock.

H. W. Holmes, superintendent of schools, has received the following letter from R. M. Olin of the Michigan Dept. of Health: "Dr. McCoy of the Pleasant Home hospital has written me that you have just finished immunizing ninety-five per cent of the school children of Cass City. I wish to express the appreciation of this department for a successful campaign of immunization. You are to be congratulated on the high percentage of the enrollment that you obtained. When 78 per cent of the cases of diphtheria occur among children under ten years of age and 13 per cent among those from 10 to 20 years, we must look to the school authorities for assistance in cutting down this case rate."

CENTRAL GREENLEAF.

Revival meetings start March 1st at the Greenleaf Nazarene church. Time, 7:30 p. m. Evangelist Branderbury will preach.

Arlena Otis, the little daughter of Mr. and Mrs. Eugene Otis, is improving slowly.

Morrison Jones is gaining in health. He is able to be about his duties again.

COLWOOD.

Oscar Guild, a well to do farmer of Elmwood township, passed away Feb. 19, after a week's illness with pneumonia. The funeral services were at the U. B. church Feb. 22, and his body was laid in Elmwood cemetery.

The 10 lb. boy of Mr. and Mrs. Henry Giroux will be called Marion Edgar.

Hiram Kelly will saw a yard of logs 1 1/2 miles east of Colwood where he sawed last spring.

To Make Mirror Shine.

Here is an excellent way to make the mirror sparkle. Add sufficient cold tea to whiting to make a paste; first rub the mirror with a warm, soft cloth, then rub the paste on the mirror and polish with tissue paper.

Michigan Happenings

The color of Michigan potatoes hurts them in the markets of the east. E. E. Conklin, market investigator of the United States department of agriculture, now in Grand Rapids on an inspection tour declares. He says the difference in price is due almost wholly to the dark color of many Michigan russet potatoes. Conklin said he found onions from the Hudsonville, Byron Center and other Michigan producing areas on sale in Boston in direct competition with the Connecticut valley product. He attributes this to the poor eastern crop however.

Michigan railroads, Pullman and telegraph and telephone companies will be assessed for last year at the rate of \$28.49 for each \$1,000 of valuation, the State Tax Commission announced. Under the law prescribing the ad valorem system of taxation for all railroad, Pullman, telegraph and telephone property the rate levied is the average rate of the direct tax imposed on all real and personal property for state, county, city, village, township, school, highway, county road and rain purposes during the year.

Governor Groesbeck, state officials, justices of the supreme court and members of the legislature reviewed the 119th regiment of field artillery last Thursday. The review was part of the legislature's Washington's birthday ceremonies. Prior to the review, which took place in front of the capitol, the 119th paraded through the downtown streets, giving residents their first opportunity to see Lansing's own regiment of artillery with its French 75 mm guns, horses, motors, trucks and other equipment.

Waiting for his son to fulfill a Christmas promise to "come home again soon," Robert S. Hawkins of Kalamazoo, was informed that the nude and mutilated body found buried in the snow, in Geneva, Ill., last week, was that of his boy. The tragic message was conveyed to the father at his crossing tower station on the Michigan Central railroad, just east of Kalamazoo, and to his brother Robert Hugh Hawkins.

"King Benjamin" Purnell, head of the House of David, at Benton Harbor, won a 60-day respite in his fight to prevent being haled into court for questioning regarding his cult. Judge L. B. Des Volgnes, in the Cass County Circuit Court at Cassopolis, granted the stay of his decision on Purnell's suit to prevent being served with a capias in the \$800,000 damage suit brought by two girls, former members of the colony.

Fourteen tons of electric cable were laid in the St. Clair River from the mainland to St. Clair Flats through a narrow slit cut in ice 13 inches thick last week by workmen of the Detroit Edison Co. The cable was laid to furnish electricity to St. Clair Flats, Russell's Island and Harsen's Island summer homes owned by Detroiters. Power will be drawn from the Marysville plant of the Edison Co.

Farm Produce Company

There's a NORFOLK in England---and one in Virginia ---but here there are a hundred!

Remember the girls and their galoshes this winter? Well—it's going to be the same with men and Norfolks this Spring!

From coast to coast Norfolks are sweeping the country—for our customers we scoured the market to get the last word—and here it is—from the Classmate and Wool Wear Lines.

If you are married—sedate—have given up dancing and started gathering dignity—see them.

If you wore a Norfolk last Spring—come see the difference now!

Into these Norfolks we have hammered the same, uncopyable super-Values.
