## WOLF KILLED IN GREENLEAF TWP.

### FARMERS GO OUT WITH GUNS IN PIONEER STYLE AFTER MARAUDER.

Chester Wills Is Hero of Day; 350 People Go to Farm Sunday to See Wolf.

Excitement is a queer thing. Often when it is sought, it cannot be found but sometimes comes at the most unexpected moment. We find a farm a rather sleepy place generally, and especially on Sunday morning, but the James Perkins farm, five miles east, last Sunday morning did not run true to form.

Early in the morning, about six o'clock, a sheep badly torn and bleeding found its way to the house from the pastures hardly a half mile back from the main road. The men from round about immediately armed themselves with rifles and shot guns and started for the pasture in real pioneer style. When they arrived at the fence which separated the field from the rest of the farm, they found all the remaining sheep, about sixty rods away, herded together in a small group and surrounded by three wolves.

Chester Wills proved himself hero of the day by shooting one, failing, and shooting again, taking his victim just between shoulders.

They found that from this herd 13 sheep had been killed and that a neighboring farmer estimated his loss at \$100. The hunters presume that these wolves are those which were seen about a week ago several miles farther north and east.

Sunday afternoon, many people far and near heard of the thrilling story and 350 or more visited the Perkins farm.

Monday, the head of the wolf was taken to Sandusky, Mr. Wills expecting to receive a bounty, only to find from the game warden that not only had the bounty been lifted last year, but a person might be "pinched" for killing one, so no one knows what will happen to the rest, especially the pack of 35 which it is rumored are roaming about, much farther north.

The reporter asked "It's a pity that you cut the head from the body, isn't it?" Mr. Wills replied, "Oh, the next one I get I'm going to have mounted." So as long as we have such confident hunters, these wild roamers may soon be banished.

## CHANGE MADE IN GRANTING WIDOW'S PENSION

### Beneficiaries Now Required to Make Sworn Statement to Prove Need for Public Support.

Hereafter applications for mother's pension in Huron county must be accompanied by a questionnaire containing information that will prove the need for public assistance on the part of widows making application. Beneficiaries under the pension act will also be obliged to make reports at regular intervals to show their continued need for assistance. This was decided upon by the board of supervisors at their recent meeting, the object being to prevent any abuses in the granting of pensions.

After a careful checking by the individual supervisors of the list in their respective townships it was found that in practically every township in the county there are some who will probably be cut off the list. One supervisor stated that the county might save from \$8,000 to \$10,000 per year under the new arrangement.

## NEW SIGN POSTS TO BE ERECTED IN SANILAC

Distance and direction signposts will be erected at all state road

lines and county road intersections in Sanilac county under the supervision of Ulbricht, county road engineer.

The sign-posts will be painted white, with the names of the surrounding towns and cities in black lettering. Posts will also be installed at all village limits in the county to direct the tourists to the nearest surrounding towns, both the names and distances to be painted on the signs. These posts were ordered from the state and will be installed within the next two weeks.

## GLEANER PICNIC NEAR ARGYLE

A tri-county Gleaner picnic, comprising Tuscola, Huron and Sanilac counties, has been planned for Thursday, July 26, at Willerton's grove, 1½ mile west of Argyle.

The Supreme arbor will be represented by a state speaker and one of the best bands of the Thumb will furnish music during the day. Base ball games, tug of war and other sports and contests are on the athletic program. Refreshment stands will be on the grounds and everyone is welcome.

## 200 STOCKHOLDERS ATTEND MEETING

### CASS CITY OIL AND GAS COMPANY REPORTS SUCCESSFUL YEAR.

### Ten Per Cent Dividend Has Been Declared; Business Reached \$87,000 in Past Year.

Over 200 stockholders of the Cass City Oil and Gas Co. attended the annual meeting of that organization at the Pastime Theater building on Thursday evening, July 12, and listened to reports of the past year's business and elected directors.

Frank Auslander, A. E. Goodall, Robert Warner, Mark Bond and S. Mitchell were re-elected members of the board of directors. The board in a later session elected the following officers: President, Frank Auslander; vice pres., A. E. Goodall; secretary-treasurer, Robt. Warner.

Robt. Warner, as manager of the company, reported the business of the year just closed to have reached approximately \$87,000.00 which shows a gain of \$7,000.00 over the previous year. Sales of the past year included 50 cars of gasoline averaging 8,000 gallons each, 28 cars of kerosene averaging 8,000 gallons each, three cars of lubricating oil and \$12,000 worth of automobile tires and tubes. Mr. Warner, in his address to the stockholders Thursday evening, emphasized the fact that the company is now being run as a strictly independent concern and has no connection whatever with a parent company as in its first year of business. Mr. Warner was complimented by stockholders on the successful showing of the past year.

A 10 per cent dividend will be paid to stockholders on last year's business.

## PLANS COMPLETE FOR FARMERS' PICNIC

### Horseshoe Pitching Tournament Is a Feature that is Attracting Much Attention.

The horseshoe pitching tournament which is to be held in the forenoon of Wednesday, July 25, at the farmers' picnic at Caro, is attracting a great deal of attention. The games will be played by various teams of two and are open to members of any of the organizations represented, Grange, Gleaners, Farm Bureau and Farmers clubs, as are also the contests, games, etc., which will be held during the forenoon. Tournament and games will be under the direction of B. H. McComb, county school commissioner. Contestants in tournament are to furnish their own horseshoes and courts will be laid out on grounds.

The speaking program starts at 1:15 and will consist of addresses by Dr. W. W. Diehl of Albion and Grant Slocum of Detroit. Readings will be given by Miss Lucia Bellamy, band music and short talks by others. After the speaking a 60-rod boys' and girls' shetland pony race will be held. Riders are to be under 15 years of age and are to have the consent of parents or guardian to enter. A one-half mile mule race will also be held. These races are open to everybody. Best two in three heats win and prizes range from \$5.00 downward. Races are under the supervision of B. B. Reavey of Almer township.

An interesting ball game will follow the races. Anyone interested in further particulars should get in touch with the county agricultural agent at Caro.

## COMPLETE PLANS FOR M. A. C. FARMERS' DAY

With final details of the program announced, and all livestock and special exhibits booths ready for inspection, the stage is set for the sixth annual summer Farmers' Day at M. A. C. to be held on Friday, July 27.

Dr. Eben Mumford, one of the best known and most talented speakers on agricultural subjects in the state, has been added to the speakers' program for the afternoon meeting, along with O. E. Bradford, president of the American Farm Bureau Federation. President R. S. Shaw, of M. A. C., will preside. There will be a full-fledged band concert, and the annual livestock "style review" and other features will mark the program.

## 70,000,000 IS VALUE OF 1922 MICHIGAN DAIRY

### Official Report by Head of State Bureau of Dairying Shows Good Growth.

T. H. Broughton, Director of the Bureau of Dairying of the State Department of Agriculture, has just completed compiling figures on the milk produced in Michigan in 1922.

His figures show that the total milk produced in Michigan in 1922 was 3,495,627,169 pounds, or an increase of 391,929,079 pounds over the 1921 production. His figures show the amount of milk used for each dairy purpose and indicates that there was an increase in the amount of milk consumed for every purpose except for cheese manufacture.

There was a marked increase in the quantity of creamery butter manufactured from Michigan milk, although the dairy butter dropped off. There was a marked reduction in the manufacture of brick cream cheese and farm made cheese although an increase in the amount of cottage cheese was reported. An increase of nearly 100 per cent in the amount of milk evaporated in the state is shown from 1921 to 1922. The amount of milk used for direct consumption and that used on the farms for calf and swine feeding was also much larger in 1922 than in 1921.

"Michigan is fortunate in being able to obtain these figures so accurately" says Mr. Broughton who is authority for the statement that Michigan is the only state which has a system whereby they can check up on the milk used for every purpose by every creamery and milk peddler in the state. This is made possible through the state's licensing system which requires total reports from handlers and distributors of dairy products before licenses may be granted.

## GLEE CLUB CONCERT NEXT MONDAY EVENING

The Ladies' Glee Club of North-Western College will give a concert in the Evangelical church at Cass City next Monday evening, July 23. Twelve young college ladies give a delightful program in chorus work, trios, vocal and piano solos and readings. Plan to attend and buy your ticket now. Prices, 25 and 35 cents.—Adv. 1.

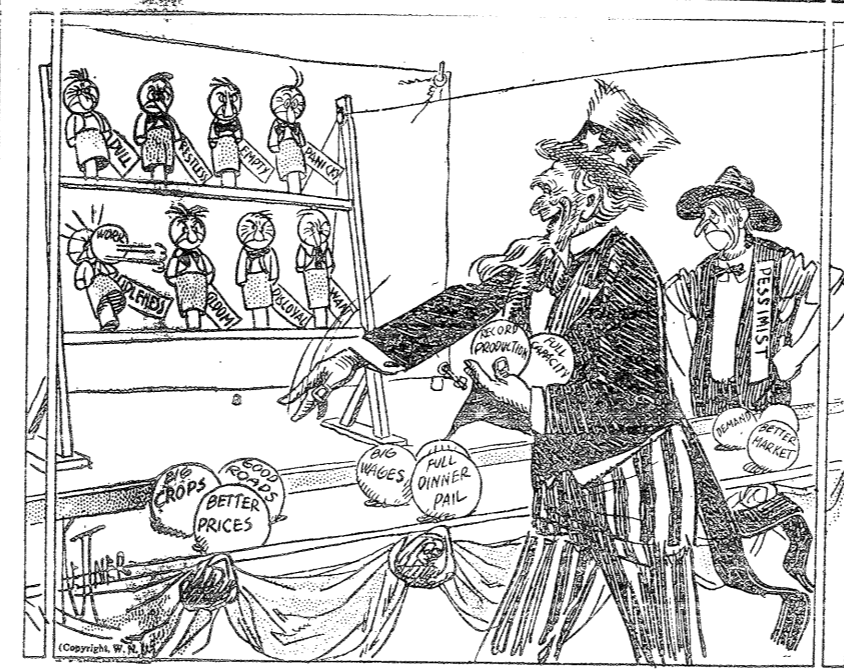

## MASONIC PICNIC AT CASEVILLE.

### Saginaw Shrine Band and Patrol to Attend.

Five thousand Masons and their friends are expected to be at Caseville Thursday, July 26, which is the date of the Huron County Masonic picnic. Provisions are being made in Johnson Park for the accommodation of all who desire to bring baskets and for those who do not bring their eats the ladies of the M. E. church will serve both dinner and supper in the basement of the church.

The program has been arranged to be of interest to all and make the day

## Post War Babies

a pleasant one for everyone who attends.

Grand Chaplain Gallagher of the Michigan Grand Lodge will deliver an address at 1:30 p. m.

At two o'clock the Shrine Patrol of Saginaw will give an exhibition drill on the ball ground. This will be followed by a ball game between the Masons of the western part of county and those of the eastern part of the county.

The Shrine Band of Saginaw will furnish music during the day.

## LOCAL ITEMS.

Mr. and Mrs. Erwein Zemke and children motored to Charlotte where they spent the first of the week with relatives.

John Bremner died last week at the home of his daughter, Mrs. Geo. Holshoe, north of town. Monday the body was taken to Midland for interment after a brief funeral service.

At a meeting of the board of education of the Cass City schools Monday evening, the board organized for the coming year by electing the following officers: President, Mrs. Edward Finney; secretary, A. A. Rieker; treasurer, G. A. Tindale.

Mr. and Mrs. Wm. Clark and sons, Don and Elmer, who occupied the Hiram Kelley farm twenty years ago and now residing near Peck, visited Mr. and Mrs. Clarence Quick Sunday and Monday. Sunday evening they called on many old friends.

Automobiles, buggies, surreys, trucks and aeroplanes have all been known to pass through Cass City but never until Tuesday night has a motor boat been seen skimming down our main street. It might be added that it occupied a large truck.

Rev. and Mrs. Ira W. Cargo and family returned from a two weeks' visit out of town, Saturday. Mr. Cargo has been in Albion as a teacher in the school for undergraduate preachers, while Mrs. Cargo and the children have been visiting relatives in Bellevue.

A lawn party was given at the home of Mr. and Mrs. James Profit Tuesday evening, July 17. The evening was spent in several outdoor games and stunts. Last but not least came the weenie roast. A large circle of young people co-operated in making the evening a success.

Mr. and Mrs. G. H. Burke returned Tuesday from a ten days' motor trip through upper Michigan with Dr. and Mrs. H. H. Mudigan of Saginaw. They spent several days at Cedar Lodge in North Port Point and visited Petosky, Mackinaw Island, and Sault Ste. Marie. They report every day full of interesting scenes and doings.

The Travers-Newton chautauqua will visit Cass City next Monday, Tuesday and Wednesday, July 23, 24 and 25, bringing interesting speakers, entertaining musical companies, a humorist, lightning artist and an all-star cast of characters playing "A Pair of Sixes" which had the long run of a year in a New York theater. Many are looking forward with great pleasure to these three days.

Many Cass City people have been seized by a curious disease known as "tennis fever." The court in the rear of W. L. Mann's residence is occupied every evening until the night comes on in dead earnest. At no other previous season has tennis been such a popular sport as now which has led to the organization of a so-called tennis tournament. The growth of interest in this game is probably promoted by the young people who have been attending college, as they are very much in evidence about the courts.

## MASONIC BALL GAME ENDS IN TIE SCORE

Masonic ball players quit "on the level" Tuesday afternoon at the Tuscola county Masonic picnic at Caro, the score standing 8-8 at the end of the seventh inning. The game was an interesting contest throughout and held the close attention of the fraternity. The line-up of Capt. Gra-

ham's northern section follows: Bradley, c; Achenbach, p, cf; Failing, 2b; Otis, ss; Graham, p, 3b; Muntz, lf; Tecklin, rf; Missall, 2b, p; Knapp, 1b. A partial list of the southern section players is: Atwood, c, p; Kiteiling, 1b, 3b; O'Neil, ss; Hile, 3b, c; Richardson, p, 1b; Clark, lf; Watson, lf; McPherson, cf.

Jacob Spencer of Cass City led the east side to victory in the tug of war event.

The evening's program was made enjoyable with musical selections by the Salvation Army band from Flint and addresses by Grand Lodge officers, Grand Master Durand of Flint, Past Grand Master McKenzie of Kalamazoo and Grand Marshal Bonsteel of Ann Arbor.

Fairgrove lodge had 23.2 per cent of its membership present. Gagetown was next with 23 per cent. Fairgrove lodge was presented with a beautiful altar Bible as winner of the contest.

## STATE POULTRY MEN LAUNCH ASSOCIATION

### NEW ORGANIZATION PLANS MARKETING AND GRADING WORK FOR MEMBERS.

### Stock from Landon Flock at Cass City Stands High in World Egg Laying Contest.

The inaugural convention of the Michigan Poultry Breeders' Association was held at M. A. C. East Lansing, July 12-13. Breeders from all over the state were in attendance. The purpose of the meeting was to organize an association that would look after the marketing of poultry products in the state and try to discourage the use of so much cold storage products. Details of organization were gone over and committees appointed, and on Sept. 12th a meeting has been called to complete the association, which will be called the Michigan Poultry Breeders & Producers Association. The future of this organization should prove beneficial, as expert poultry advice will be at hand and the poultry breeders of the state should reap a benefit.

Mr. and Mrs. G. W. Landon were among those in attendance at the meet and below is printed a part of the program of the two-day session. The meeting was opened by the chairman, Prof. E. C. Foreman, Supt. of the Poultry Dept. of the state, and he announced Dean R. S. Shaw, acting president of the Michigan Agricultural College, who gave the address of welcome. The response was by Alex MacVittie, former county agent of Tuscola, but now working with the State Farm Bureau. Discussion, "The Purpose of this Convention," was opened by J. Alfred Hannah, secretary of Grand Rapids Poultry Association. "Recent Discoveries in Poultry Science" was given by Prof. W. R. Graham, head of the Poultry Dept. at Ontario Agricultural College, Guelph, Ontario. Prof. Graham has had 25 years' experience as head of this department and his talk on raising the baby chick, was one of the outstanding features of the 1st day's program.

The convention was divided in groups and made a tour of inspection of the poultry plant and the 1,000-bird Michigan International egg-laying contest, made up of 100 pens of 10 hens each from leading poultry breeders all over the world. Elmer E. Shaw of South Haven, Michigan, is the proud owner of the first pen in the contest to date, and his pen is away in the lead by 100 eggs. In going over the contest pens, Mr. Landon found that cockerel No. 43 purchased by the M. A. C. of him last winter, was heading pen No. 90 of White Leghorns. This pen is among the leaders in the contest. A trip to the state game farm at Mason, Mich., was made by auto, and a tour of the farm where thousands of pheasants and wild ducks are raised was a great sight. About 13,000 pheasants are raised there this year.

At night a banquet was served in the college gymnasium, and all the chicken one could eat was the main plate. The after-dinner speakers were Mr. Hallaway, secretary of the college, who is an ardent booster of the Poultry Dept. Dr. O. B. Kent, poultry expert of The Quaker Oats Co. of Chicago, Ill., whose talk on "Commercial Opportunities in Modern Poultry Culture," was interesting as his main talk was on line-breeding. Prof. Graham of Ontario was again called on to speak and gave more helpful information to the poultry raisers, out of his great store house of knowledge.

The opening of the last day of the meet was a tour of the college farm of 1200 acres and its buildings. This took up a great part of the morning and only a part of the grounds were covered. Prof. E. C. Foreman of Poultry Dept. gave his lecture on "Breeding and Culling for Egg Production," and this one lecture was well worth the effort to get out to hear, especially to those interested in more eggs from

## STRONG RACE PROGRAM FOR FAIR

### ATTRACTIVE PURSES ARE HUNG UP FOR THREE DAYS NEXT MONTH.

### Two Harness Races and One Running Race Each Day Will Interest Speed Fans.

A great variety of races and liberal purses to winners are features which will attract both horsemen and speed fans at the Cass City Fair which is less than four weeks away.

A running race each day in addition to the two harness races usually scheduled is on the race program. This will make three races on both Wednesday and Thursday and on Friday the addition of a Shetland pony run will make four race events for the last day of the fair.

Angus McPhail, race dept. superintendent, announces the following program:

Wednesday, August 15.  
2:16 Trot or Pace.....\$160.00  
2:25 Trot or Pace..... 160.00

## MONTH'S VACATION AT GOVERNMENT EXPENSE

### Local Physicians Will Make Medical Examinations Free for Applicants

Capt. I. D. McCoy, Medical Reserve Corps, Capt. Sheldon B. Young and Dr. F. L. Morris, all of Cass City, and Dr. R. A. Townsend of Fairgrove will make medical examinations free for applicants who desire to attend the Citizens Military Training Camp at Camp Custer.

Clarence Meyers of Caro is county chairman for Tuscola county and anyone desiring to attend camp and enjoy a month's vacation may secure an application blank by writing to him.

There appears to be a widespread lack of information of the camp as well as much misinformation. For this reason, the following facts from H. E. Yates, Colonel 6th Infantry, are published.

"Many were of the belief that those who attended had to pay their expenses. Others thought that it was necessary to join the Reserve Corps. Still others, were of the opinion that the camp was only for those who had previously received some sort of military training.

"It is the purpose of this article to correct this misinformation. It should be distinctly understood that all expenses are paid by the government from the time of leaving home until return thereto. This includes travel expenses, meals, medical attention, all outer clothing, and even laundry. There is absolutely no obligation required on the part of those taking the first course, 'The Basic Red,' nor of those who attended that course in 1921 or 1922, and who now desire to take one of the three advanced courses. To take the Basic course, no previous military training is required.

"The young men are all carefully selected. In each county, there is a well known citizen who has been appointed county chairman for the camp. He is the one to whom young men who will have their 17th birthday this year and who are not over 24 years of age should apply. He will furnish all information as to the camp.

"This year the quota for Michigan, Illinois and Wisconsin is 3800. They will be at Camp Custer, Battle Creek, Michigan, from August 1st to 31st. We would like to assemble twice that number, but the quota is strictly limited.

"The R. O. T. C. young men from universities and colleges have been at Camp Custer for four weeks of the six weeks' course I have made it my business to obtain their opinion of the camp arrangements. Without exception they are all in favor of it.

STUDEBAKER BIG-SIX FIVE-PASSENGER COUPE \$2550

The Big-Six Coupe Offers a Rare Combination of Elegance and Utility

Into the Studebaker Big-Six five-passenger Coupe have gone, without compromise, the finest design, materials, workmanship and the best of Studebaker's 71 years' experience.

Nothing has been left undone to make this big, roomy coupe as fine an enclosed car as can be built.

Certainly no car performs more brilliantly or is more reliable. None possesses greater beauty or is more luxuriously comfortable. None is more enjoyable to drive—and no other make of car is more completely equipped.

You will appreciate the generous roominess of this Big-Six Coupe, its sterling quality of body and chassis and its wealth of refinements—including the large trunk; extra disc wheel complete with tire, tube and tire cover; handsome nickel-plated bumpers front and rear; courtesy light; motometer; flower vase; clock; aluminum-bound running boards with corrugated rubber mats and step pads; rear-view mirror, automatic windshield cleaner, glare-proof visor, and many others.

Its low price is due to large volume and to the fact that Studebaker overhead is shared by three models—all sixes. Then, too, only one manufacturing profit is included in the Big-Six price because all vital parts are manufactured in Studebaker plants.

Studebaker has been building quality vehicles for more than two generations.

DEFORD NEWS

July— "The sky grows dark, and chains of fire Run through the clouds with dazzling sheen, The thirsty earth drinks up the storm, The bow of promise now is seen." New potatoes in garden the Fourth, oft we've seen—not this year. Houses for beet workers are scarce—hence field men rise at 3:30 to move their help to active soil. There are many ways to introduce yourself. To illustrate—short time ago we had not heard of William J. McPhee of Sanilac county. Now we take a great interest in man. Our volume of milk coming to burg grows greater daily. Our road is kept in fine condition and has the name of being finest in the county. Mr. and Mrs. Wilbert Bruce visit at home of A. L. Bruce. Warren Sherk of Pontiac visited parental home from Thursday till Sunday. Mr. and Mrs. Bert Lester of Lapeer visited his brother, Fred Lester, over Sunday. Miss Neva Cones, who attends summer school at Ypsilanti, visited at parental home past week. Went back on Sunday. Mrs. Margaret Livingston visits here for a time. Benjamin Sharp spent past week at Port Huron and vicinity. Mrs. Mary Spencer visited her grandson, Lyle Spencer, at Imlay City past week. W. C. T. U. met past week at home of Mr. and Mrs. C. J. Malcolm. Business and ice cream commingled. Eldon Clark was kicked by a horse on Sunday, but nothing serious developed as yet on Monday, 16th. Mrs. Fred Orr of Caro called at R. D. Lewis home Saturday evening. Robert Jacoby family were Saginaw callers Sunday. Clarence Chadwick is well-boring at Decker. Patterson's were Imlay City visitors Sunday. Mr. and Mrs. Amos Webster went to Dryden Sunday. James Rogers went to Imlay City Sunday. He reports Morley Palmateer on the gain with fair hopes of recovery. Ed. Person of Detroit, whose car was wrecked Sunday on Center Line east of here in collision with Dr. Redwine, has it mended so as to go back to his home. Our school voted for ten months' school coming school year, and elected Chas. Kilgore as trustee. Mr. Kilgore succeeds himself. Roderick Kennedy left on the 11th for a visit in Detroit and Ontario. Will be gone two weeks or more. "This said the lark is the only bird that sings as it flies. H. J. Suprenant, our garage man, is in conceit with the town to such an extent that he is crazy to rent a

domicile—For here he wishes to remain.

Ten cents a day in American money and 12 hours for a day is the way common laborers exist in Mexico—according to labor statistics.

Mr. and Mrs. Edward Griffis of Royal Oak visited in this locality past week.

Our big fellow was knocked out by being tunked on the chin. We remember that point was noted in the long ago. A clip on the chin bewilders the brain, more than any place you can get it. Jaw comes second.

In small towns of 200 or less there is always one or at times two of the active citizens the balance of the burg

are about to put to death. But investigation proves that the man has only done his duty but because they did not see it in proper light they charged the servant with high crime.

Mr. and Mrs. O'Connor and Harold McCracken of Highland Park were callers in this locality Saturday and Sunday. Mrs. O'Connor will be better known as Winnifred McCracken.

More care must be utilized in our burg while mixing cars, horses, etc. Light jamboree past week on Main street—but the great danger is our traffic growing larger, all kinds of vehicles and pedestrians intermingled. Somebody will lose a toenail. Thomas Davis labors through hay-

ing northeast of Novesta Corners.

We have looked in vain past three issues of Chronicle to see an obituary on the death of Roswell Allen of Novesta. Roswell was one of the first settlers of that locality, a settler at whose fire many a weary traveler rested and warmed and some one in neighborhood of Novesta Corners should have told the world that deceased was a man who lived the scripture instruction, "He that hath two coats, let him impart to him that hath none."

Deford Church Notes.

The Wednesday night prayer meeting is at the home of Will D'Arcy this week. Next week it will be at

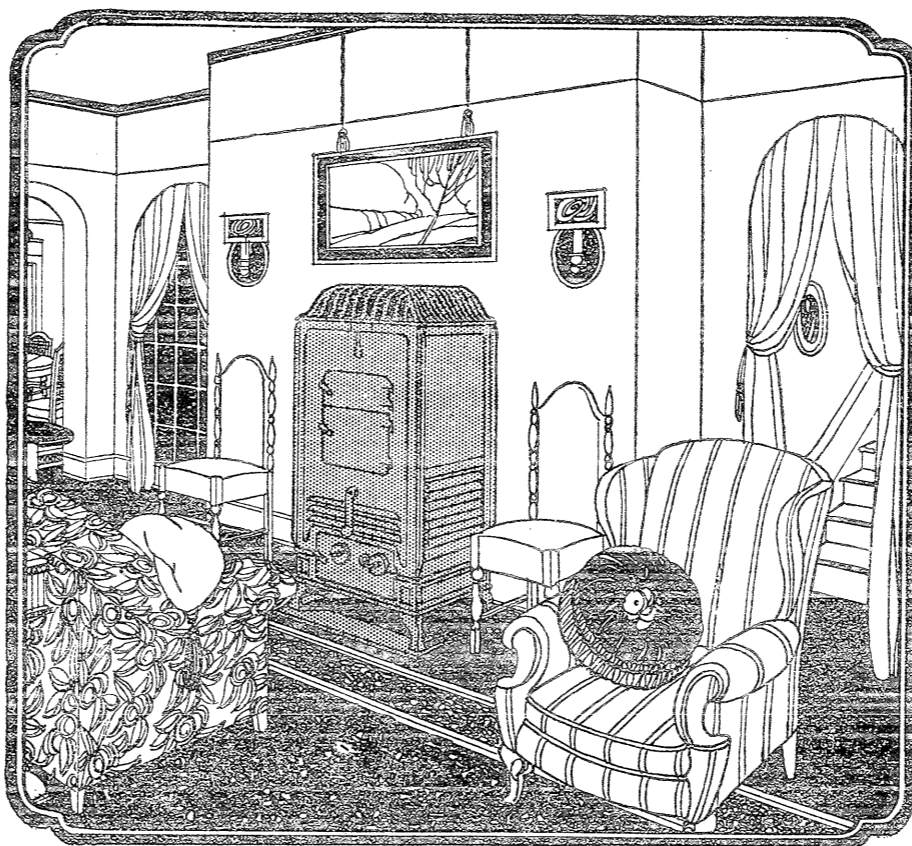

the home of Scott Kelly. We were pleased last week to have 18 at the prayer meeting in spite of the rush season.

The \$2 applies on your purchase price. Come in for full particulars.

This is the Estate HEATROLA

Looks like a phonograph works like a furnace Heats 3 to 6 connecting Rooms

The Estate Heatrola is the new-day heater for small homes—with or WITHOUT BASEMENTS. Installed in one of the living-rooms, it supplies moist warm air to all connecting rooms—upstairs and down—just like a furnace.

Beautifully finished in grained mahogany enamel. Handsome enough to be an ornament to any home. You don't have to take it down in Summer, for it is a beautiful piece of furniture. The Heatrola is easy to keep clean. No iron to black, no nickel to polish. Just rub and dust it with a cloth, as you do your furniture.

As an inducement to order your Heatrola now, we are making this club offer. You pay only \$2 down and we will install the Heatrola at any time you may specify.

As an added inducement to join our Heatrola Club NOW we will give you absolutely FREE ONE FULL TON OF COAL.

We have only a limited number of Heatrolas to sell under this plan, and in any event, the offer is good for three weeks only. So it will pay you to come in soon. Your \$2 entrance fee is applied to the purchase of the Heatrola. And other payments for the heater may be made in small weekly or monthly installments.

Come in and see the Estate Heatrola. Get our full offer and terms. Let us explain the construction of the Heatrola and show you a wonderful book of letters proving how well it heats, and how economical it is. Does the work of a furnace, but uses no more fuel than a stove.

Mr. and Mrs. Henry Paschke and daughter, Eleanor, of Detroit have been visiting Mrs. Paschke's cousin, Mrs. Stanley Karr, for some time. Mr. Paschke left for Detroit Monday, leaving Mrs. Paschke and daughter for a short time.

Mr. and Mrs. Guy Lamb and three children of Manikato, Minn., spent several days this week with Mr. Lamb's parents, Mr. and Mrs. Wm. Lamb. From here, Mr. and Mrs. Lamb will go to Clare, Mich., where Mrs. Lamb's parents reside.

On Wednesday, E. N. Ball of Hamburg visited Cass City in promotion of publicity for the State Fair. Mr. Ball is a farmer and says that he has seen no finer crops anywhere than in this locality but that the whole Thumb is to enjoy an abundant harvest.

Mr. and Mrs. Lester Bailey and family returned Sunday from a motor trip to Gary, Indiana, where they visited relatives for about a week. On their way to Gary and return, they met many people known here. Among those whom they called on were Mr. and Mrs. Samuel Striffler in Battle Creek, Mr. and Mrs. George Becker at Lake Odessa, Mrs. (Dr.) Laughlin at Clarksville, Michigan, and Mr. and Mrs. John Morrison at Rockford.

Miss Virginia Day was riding on a load of hay Saturday when it tipped over. The little girl is suffering a painful break in her leg and an injured arm as a result of the fall.

The three churches of the Cass river circuit chose an ideal day for their picnic when they decided upon Friday. The happy company picnicked to their heart's content at Bay Port, the older ones enjoying a ball game, while the youngsters paddled with great enthusiasm in the water.

The secretary of state has apportioned back to the counties, \$1,645,230 of the \$3,290,660 received in automobile license fees during the last quarter of the fiscal year ending July 1. In each case the counties received approximately one-half of the amounts paid in. Sanilac gets \$12,364, Tuscola \$10,548 and Huron \$11,818.

Six hundred Knights of Columbus members witnessed the initiation of 67 new members at Bad Axe Sunday. St. Clair furnished three candidates, Marine City 22 and Bad Axe the remainder. The first degree was exemplified by Ruth, the second by Harbor Beach and the third by the Pt. Huron society.

Because the name of Mrs. Gunn was not listed on the Brown City tax roll for 1922, she could not qualify for a place on the board of trustees of the schools following her election to the board last Monday night.

The state administrative board on Tuesday authorized the transfer of \$25,000 from the war preparedness fund to the American Legion to reconstruct its billet for dependent children at Otter's Lake. The money was appropriated by the legislature.

Charles Malpass of Chandler township, was the victim of a serious accident Tuesday morning when he was dragged 120 rods on the end of a rope by a colt. The accident occurred at the home of a neighbor, Frank Bouck. As Malpass was passing thru a gate, the colt he was leading by a long rope took fright and with other horses, ran 120 rods back a lane. The rope attached to the horse became entangled in the feet of its master, and he was dragged until only the band of his trousers remained on his body. He suffered four broken ribs, a broken finger, a serious scalp wound, and many other body injuries and bruises. He was taken to his home and it is expected he will recover.

The careless handling of skyrockets broke an \$85 plate glass window in the big Milenthaier store at Harbor Beach and the city council will pass an ordinance forbidding the exploding of fireworks in the city hereafter.

Henry Sybert, 21, one of the boys of the P. M. crew who are working at Crosswell was drowned in the river at

Crosswell Wednesday. Sybert with other companions went to the river after supper for a swim and waded out beyond his depth.

Dirt streets at Deckerville are to be covered with calcium chloride if present plans are carried out. Several weeks ago many of the property owners living on the unpaved streets circulated a petition requesting the use of calcium chloride on the roadway in front of their property.

Fifty years ago on July 8, the wedding of William Beedon and Miss Anna Dawe, two popular young people of Lexington, was performed by the Rev. Amos Wixson, a Baptist minister of those days. The fiftieth anniversary was celebrated at their home in Crosswell when all the children and a number of relatives gathered to make it a genuine old family reunion as well as to observe the golden wedding. The whole day was put in at visiting, telling stories of the old times around this part of Sanilac county.

**AMERICAN LEGION NOTES.**

The monthly meeting of the Adams-Seeger Post held at the Gordon Tavern was lightly attended owing to so many country members being too busy.

Clarence Meyers and Jay Colling of Caro were present. Mr. Colling gave an instructive and interesting talk on the Otter Lake Children's Billet proposition. The post voted to turn over \$300 to cover its share in the purchase price of the 46 acres comprising the site. A. H. Kinnaird presented a proposition made by the guarantors of the chautauque to be held on July 23, 24 and 25, whereby the Legion shall derive any financial benefit accruing from the sale of tickets, providing the members assist with the sale of tickets. The members present voted to accept the proposition. A committee consisting of Kinnaird, Burt and Copland was appointed to look after the distribution of tickets among Legion members. The Legion makes no guarantee under the arrangement but receives all profit derived. Naturally every member should be a booster and a ticket seller. The numbers on the course are all of a high order. At the price of \$1.50 for adults and 75 cents for children, no trouble should be encountered in selling enough tickets to make a substantial profit. Each member is given six tickets. If he will assume personal responsibility to see that these are sold, there should be no trouble in securing the \$75 which is the local post's share of the annual maintenance fund of the Children's Billet. So let's go and put it across in good shape.

**STATE POULTRY MEN LAUNCH ASSOCIATION**

Concluded from first page. less hens. Prof. Foreman has given this lecture in most of the big poultry centers of the state and it is hoped he will be able to give it in our county or city. In his lecture he has several pictures of birds that he shows in demonstrating his points on selection as for egg production. Among these is one of the male bird No. 43 that was purchased of the Landon's. This bird is prized very highly by Prof. Foreman, and he has promised to come to Cass City in the near future to inspect Mr. Landon's flock. No doubt if enough interest were shown, it would be possible to get him to lecture at that time. Short talks were given by several other breeders and as a whole the convention ended with bright prospects for the future in the poultry industry.

**A Greater Touring Car Value**

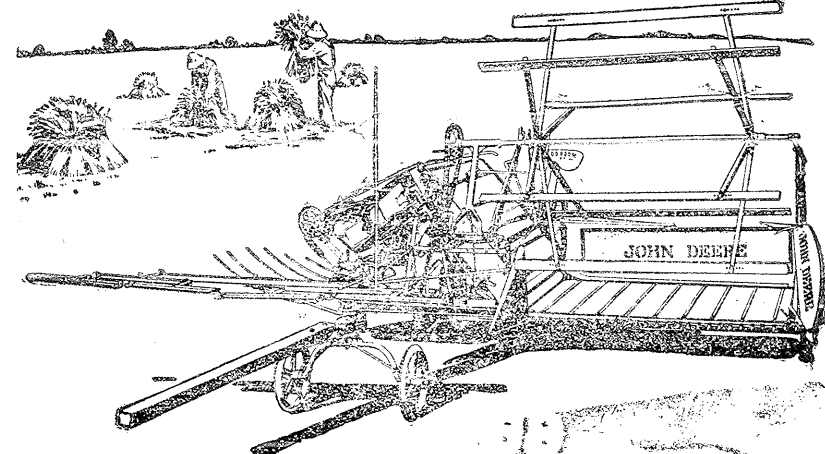

The present price of the Ford Touring Car is the lowest ever made.

And yet the car itself is a greater value. It is better looking with slanting windshield, a one-man top and improved seats. And there are many refinements in chassis construction.

The demand is so great that deliveries will soon be impossible. To protect yourself, order now. Make a small down payment, the balance on easy terms.

**The Binder that Stands the Strains**

Lodged, tangled, heavy or light grain, rough or wet fields—these and other severe conditions are met by the John Deere Grain Binder in a way you will appreciate. And because of its great strength throughout, the John Deere gives more years of better service at lower cost for repair expense.

**JOHN DEERE BINDER**

**Pulls Lighter—Lasts Longer**

Take the main frame, for example. Its strong, wide steel bars are widely overlapped and hot-riveted together. The main bearings are self-aligning—there's no twisting of the frame and binding of the bearings.

The wheels are extra high and have wide traction-giving tires. They furnish ample support for the machine and extra traction in wet fields. Its bundle carrier is the easiest to operate we have ever seen—no particular effort to dump or return to position—it can be adjusted as wear develops to keep it in easy-working order.

The Quick Turn Truck is another feature you will like. It keeps the binder running straight, permits square turns, takes off side draft from the horses, and because its axle is flexibly mounted, the wheels hold to the ground.

It's real economy to buy a John Deere.

Be sure to come in and see it before you buy.

CASS CITY CHAUTAUQUA JULY 23, 24 and 25, 1923

U. G. LACEY

U. G. Lacey brings to the platform a mature judgment; a ripe experience and a great natural ability. He is a scholar and a thinker. He knows his subjects thoroughly, and, orator as he is, can tell what he knows.

HERROD JUBILEE SINGERS

These jolly folks sing the old plantation songs, the crooning cabin and river melodies of old slave days, the southland spirituals, jubilees, folk songs and camp meeting shouts just as you have heard them on the phonograph. Their program is full of fun and music and we urge you not to miss the second day's program.

ASH DAVIS, CARTOONIST

Draws sketches in color, cartoons, humorous characters and beautiful landscapes. Everything is performed with marvelous speed accompanied by funny comments. His thirteen years of experience have gained for his pictures the title "gems of art." Here the second day.

For unsurpassed musical delight this Chautauqua is generously arranged. A surprise treat greets you at each day's session.

Official Program by Days

Table with 2 columns: Day/Time and Program Details. Monday Afternoon (July 23, 2:30): Introductory Exercises, Landis Concert Orchestra, U. G. Lacey. "A PAIR OF SIXES"

The Laugh Was On Him—But!

That wasn't all. He made a wager with his partner he would win—If he did he could run the business in his own sweet way, and make his partner be butler to him for a year. If he lost—Well—That's one of the big surprises in "A PAIR OF SIXES," the screaming, roaring, laugh provoking comedy which comes to Chautauqua the third night. A Wager—and a Penalty! Pretty Girls—an unusual idea—laughs, laughs, laughs—and John T. Boggs pulls a surprise you'd never guess. Presented by an all star cast—Professional Players—Costumes—Scenery.

JOSH LEE

Josh Lee, ideal as a humorist; great as a lecturer, is at his best as a humorist-lecturer. As a wit, as a storyteller, as a reader and impersonator, he is unexcelled. You will think with him, laugh with him and enjoy him.

LANDIS CONCERT ORCHESTRA

They have the reputation of being one of the finest concert orchestras in the field, playing equally well both brass and string instruments. Their program includes overtures, marches, descriptive numbers, bygone melodies and popular hits. Hear them on both programs of the opening day of chautauqua.

Our lecturers are witty, intelligent and capable scholars. Concise information and platform artistry guarantee you pleasant hours.

MONTHS VACATION AT GOVERNMENT EXPENSE

Concluded from first page. tion, they were all enthusiastic, particularly of the mess and of the rifle range, where they are learning all about rifle shooting. Both subjects dear to a boy's heart. In fact, a number have applied for permission to remain for the August C. M. T. C. camp, and all are writing to their friends at home to apply for that camp.

"Attention is invited to a new arrangement of this year that will be very popular. Boys from the same town and county will be placed in the same company, in the same or neighboring tents. This means that you may get your own friends together and come to camp with the knowledge that you will not be separated.

"As a boy, most of my summers were spent in the Middle West, I can assure you that this is a place that will appeal to you, a fine cool climate, a wooded rolling country with a large lake right next to the camp.

"A large contingent of the regular army is already at Camp Custer. They are here primarily to assist the camp. This contingent consists of two regiments of infantry, a battalion of field artillery, a squadron of cavalry, and detachments from the engineer corps, and the signal corps.

"We particularly desire, that those who were at last year's camp, apply for this year. Such have the privilege of selecting the training they desire, with infantry, artillery, cavalry, engineers, or signal corps. They may feel sure that they will have an even more enjoyable camp than last year, as quite a few improvements have been made.

"As a word to the training, there will be plenty of time for play and recreation. In the basic course, the entire afternoon is for athletics and recreation. In the advanced courses, most of the afternoon is also reserved for such. In the evenings are picture shows. There will be no dull moments."

VASSAR HERE NEXT TUESDAY.

Michigan Happenings

John Baird, director of the Conservation department, has been advised that the federal government has turned over to the state 35 full sections of land in Tuscola county for a state game refuge. The land is within the federal government's forest preserve, located near Tawas and for years has been one of the chief breeding grounds for birds and animals in the state. Colonel A. S. Peck, of Denver, district forester for the federal government, who has charge of the federal reserve in Michigan, advised the department of its decision in the matter.

John Baird, director of conservation, has asked the state administrative board for permission to improve the state fish hatcheries by providing ponds suitable for raising spawn. The plan back of the request is that the state may develop Michigan spawn and plant the lakes and streams with home grown fish. At present most of the spawn used by the conservation department is purchased from eastern markets. The request is being considered by an administrative board committee.

John Carmon, 54 years old, and William Carmon, 56 years old, of Ypsilanti, were killed instantly when hit by a fast passenger train running west. The two men were on their way to go fishing together with a nephew, Roy Hubbard, walking west on the Michigan Central tracks. They noticed a freight train coming east and failed to hear the fast train running west on the tracks on which they were walking.

Three employees of the Marquette County Road commission were drowned, one and one-half miles west of Champion, when the truck in which they were riding crashed through a fence and turning over in a pond of water four feet in depth. The driver lost control of the truck when a mouse jumped upon the shoulder of one of the men in the front seat who, frightened, jostled the driver, causing him to let go of the wheel.

Max Luedemann, 45 years old, a section man, was killed almost instantly when he came in contact with the third rail on the Michigan railway line near the Bath mills crossing, three miles east of Albion. Luedemann was engaged in putting in a new tie and is thought to have touched his shovel to the rail. His body then fell over the other two rails and 600 volts of electricity passed through his body.

State employes have begun searching for thousands of dollars worth of road machinery that in the last two or three years has been rented out to road contractors by the highway department. While much of the machinery has been turned back to the state, there is a vast amount of it that cannot be located according to the check of state road property made at the Charlotte supply station.

William Mears, of Kalamazoo, a veteran of the twenty-fifth Michigan volunteer infantry, returned from Tebb's Bend, Ky., where 60 years ago he participated in one of the fiercest battles of the Civil war and where last week he met Mrs. Maura Sublett, whom, when she was a girl nine years old, he saved from death during the fighting.

Twenty-seven employees of the state department have been released, according to announcement by Charles Deland, secretary of state. Most of them were typists, but one accountant in the corporation division was included. Dismissal of these employes was said to be due to a decrease in the work of the motor vehicle division.

A request for the release of part of the Michigan Agricultural college appropriation for immediate use was received by the state administrative board from the state board of agriculture. It asked \$150,000 for a power house, \$50,000 for the purchase of farm land and \$35,000 for greenhouses. The request was referred to committee.

Miss Bina M. West, of Port Huron, will be Michigan's woman member of the associate national committee under the plan recently established by Republican party leaders.

Derk J. Butt, 84 years old, who has lived at Muskegon 36 years, died here last week. He was born in the Netherlands.

M. A. Cochran, has been retained by the state to act as state superintendent of highway construction, it was announced by Governor Groesbeck. He will have direct charge of all road projects built by the state.

Only nine votes were cast at the school district election at Ionia last week although the district has a budget of \$140,000 and a building fund of \$276,000. A school janitor, two board members and six members of the election board voted.

Bids to cherry-growers by commercial canning companies range from three and one-half cents to five cents a pound, according to A. R. Todd, secretary of the Michigan Canners' association, of Grand Rapids. In a few instances bids of three cents have been made, but these were for less desirable varieties. The unprecedented lack of demand for canned fruits is responsible for the poor offerings, the canned goods market having been weak since January 1. In the cases in which five cents have been offered the canning companies already have contracted their packs.

The annual report prepared by Captain William Brockless, of the Saginaw fire department, statistician of the Michigan State Fireman's association, for submission to the firemen's convention in South Haven shows that in 66 cities in Michigan, including practically all the important cities, there were 14,643 alarms and 12,414 actual fires during the year ending May 31, 1923. According to his figures there was an increase of 4,456 in the number of fires, but a decrease of \$68,852 in the losses.

With the exception of hay and some fruits, nearly all crops during June were above the 10-year average, the regular monthly report of L. Whitney Watkins, state commissioner of agriculture, revealed. Hay is the most disappointing of all state crops this year, standing almost 25 per cent below normal. Strawberries, plums and pears also are in bad condition. Corn, beans, alfalfa, apples, peaches and grapes showed an especially encouraging improvement during June.

Michigan's National Guard will go into training at Camp Grayling Aug. 4 and will remain in Camp until Aug. 22, according to orders issued by Adj. Gen. John S. Bersey. The troops will concentrate at the State Military Reservation under the command of Col. Guy Wilson of Flint. There will be no state pay for troops, no appropriation having been made, but the Federal Government will provide pay for the men in camp.

Marie Pospesil, a 10-year-old girl living near Carland, 20 miles west of Owosso was killed by lightning during a terrific electrical storm last week. The child had gone to an outbuilding and her brother Frank had just started out to call her, when a bolt struck a tree and jumped to the outhouse. Her clothing was in flames when her brother opened the door, and she died before a physician could reach her.

Road contractors have begun work on a road in Lee township to connect between the Duck Lake improved road and the Battle Creek-Olivet trunk line. The roads are three miles each and are being built under the Covert act. In Lee township a small brook crosses the road and it was necessary to drive piles 60 feet in order to get solid foundation for the gravel.

R. D. Ure, poultry extension specialist of the M. A. C., has been obtained by County Agent J. W. Sims to give poultry culling demonstrations in Tuscola county. The purpose is to teach farmers and those interested in poultry how to eliminate the unprofitable birds in their flock. Ure will visit Caro, Fairgrove, Millington, Gageton and Kingston.

Rumors, current since the adjournment of the regular session, that Governor Groesbeck would call a special session to consider re-apportionment of the legislature representation of the state were still definitely when the governor issued a statement declaring that he will not call a special session.

Patrick Welch, 105 years old, said to have been the oldest resident in St. Clair County, died at his farm home in Burtchville Township. Mr. Welch came to America with his parents when six years old and had resided in Burtchville Township 64 years. He was born in Ireland.

Eighteen Shiawassee county farms have been designated as poultry demonstration stations by the county farm bureau. Demonstrations of poultry culling and lectures on breeding will be given at the various stations throughout the year.

Work has started on the improvements in Wilson state park, Harrison. These include the installation of sanitary conveniences and cooking ovens for the use of tourists. A modern bathhouse has been promised for the near future.

The Allegan county fair will be held at the fair grounds here, August 28 to 31, it was announced last week.

Capt. William Coleman, 86 years old, who started sailing on the Great Lakes 36 years ago, and who was said to be Michigan's oldest lake captain, died at his home at Muskegon.

The silver fox industry of southwestern Michigan is to be increased this summer by the establishment of a 25-acre farm in Watervliet township. The proprietors have purchased 10 pairs of foxes for delivery in October. The farm will be laid out for 50 pens.
