BIG FIRE RUINS

ZEMKE BROS.' STOCK

FLAMES OF UNKNOWN ORIGIN CAUSED \$2,000 DAMAGE TO STORE BUILDING.

Cass City was visited by a serious fire Thursday evening, Oct. 11, in the store of Zemke Bros., which occupies part of the first floor of the Opera House building.

Their \$35,000 stock of ladies' ready-to-wear and dry goods was badly damaged, nearly all of it being ruined by fire, water and smoke. The interior of the store and the fixtures were also damaged by the conflagration. The damage to the building which is owned by the Pinney State Bank is estimated at \$2,000 and is covered by insurance. Zemke Bros.' loss is partially insured.

The fire was discovered by Palmer Karr, who resides in the rooms above the store. As he was coming down the stairs, he noticed smoke coming out of a stove pipe hole which leads from the store to the rear hall of the building. When he stepped out of the door, a window in the rear end of the store broke and flames belched 15 feet into the street.

Mr. Karr's first thought was of his sick wife and little child upstairs and he rushed to his rooms and assisted them from the burning building to a place of safety.

The stock once ignited spread the fire rapidly to all parts of the store and the inside was a seething mass of flames when the fire department arrived. Three lines of hose played on the blaze and the flames were confined entirely to the Zemke store. Little, if any, damage was done to the rooms overhead or to the store on the west side of the block.

The cause of the fire is unknown. The store was locked up at six o'clock, and Erwin Zemke, the manager and part owner, left the store's books on the desk with the intention of returning to the store later in the evening to work on the accounts. Fortunately all but a few pages of the ledger were found intact.

Heavy shipments of fall and winter goods and articles for the holiday trade had recently been unpacked and the stock was probably the most extensive in the history of the company here.

The damaged stock has been sold to an outside company and will be moved from Cass City. Zemke Bros., the people of this community will be glad to learn, will continue their business at Cass City. A new stock will be placed in the west side of the Opera House building in the near future which the company will occupy until their former headquarters on the east side of the building are repaired and fitted up for their use.

ELSIE M. BOYD IS BRIDE OF WALTER J. STANLEY

Former Cass City Young Lady Married at Home of Parents in Pontiac Oct. 6.

Before an assemblage of 75 guests, Miss Elsie M. Boyd and Walter J. Stanley, son of Mr. and Mrs. James Stanley of Chillhowie, Va., spoke their nuptial vows Saturday evening, Oct. 6, in the home of the bride's parents, Mr. and Mrs. T. H. Boyd on Auburn Ave., Pontiac. The Boyd family formerly resided at Cass City.

An arrangement of palms, ferns and large baskets of pink and white asters formed an improvised altar before which the service was conducted by Rev. C. S. Knight, D. D., of the First Baptist church.

Just preceding the ceremony, Miss Luvella Shields sang Cadman's "At Dawning" and D'Hardelot's "Because" and the Lohengrin Wedding March was played by Miss Marguerite Ballard.

Miss Boyd's gown was of white silk crepe, fashioned on severely simple lines with a narrow train which hung from the shoulders and which was covered with a veil of illusion lace, held to her coiffure by a wreath of orange blossoms. She carried a shower bouquet of bride's roses and baby breath, showered with silver ribbons. Her sister, Mrs. Wilbur Clark, who was her matron of honor was gowned in orchid silk crepe and carried an arm bouquet of pink rosebuds.

Little Florence MacGill, cousin of the bride, acted as ring bearer, wearing a dainty frock of yellow taffeta. Lester Stanley attended his brother as best man and Wilbur Clark, brother-in-law, of the bride, was usher.

A reception followed the ceremony after which a two course luncheon was served and then the bridal couple left to spend their honeymoon at Chillhowie, Va. They will also visit Niagara Falls and Washington, D. C., before returning to Birmingham where they will reside after Nov. 1.

Out-of-town guests at the wedding included Mr. and Mrs. C. V. Smith, Mrs. Donald McPhail and daughter, Jennie, of Detroit, Misses Jennie and Katie McKinley, Mr. and Mrs. Stanley Walker, Miss Grace McCallum, Mrs. Dugald McCallum, Mrs. D. E. MacGill and daughter, Florence, and Archibald MacMillan of Dutton, Ont., Ross Boyd, Mr. and Mrs. Averill and Paul Averill, Arthur Bowen and Miss Lillian Pate of Birmingham.

Pre-nuptials given in the bride's honor included a kitchen shower by Mrs. W. Frederic Jackson, a handkerchief shower by Miss Marguerite Ballard, a miscellaneous shower by her sister, Mrs. Wilbur Clark, and a shower by Miss Mildred Richardson and Gladys Tibbals; also one by the Delta Alpha of which Mrs. Stanley is a member.

Mrs. Stanley has until recently been connected with the Business Institute of Pontiac in the capacity of typewriting and shorthand instructor and Mr. Stanley holds a position with the Birmingham Eccentric.

F. H. PINNEY CHOSEN MEMBER OF CHIMES STAFF

Will Visit Large Eastern Cities as Chorus Member of Michigan Union Opera.

Frederick H. Pinney, one of Cass City's representatives at University of Michigan, has been honored by being chosen a member of "The Michigan Chimes," a magazine published monthly from October to May, inclusive, by students of the university. Mr. Pinney is in charge of the department of foreign advertising. He was also brought into prominence by being selected as a member of the chorus of the Michigan Union opera which opens at Ann Arbor the week of December 3 and a week later goes on the road in the longest trip in the history of Michigan Union operas, playing in New York City, Philadelphia and Washington, D. C., for the first time. Other cities in the east and several in the central states are included in the itinerary.

The name of the eighteenth annual opera is admitted to be the cleverest title of an opera yet. It is "Cotton Stockings Never Made a Man Look Twice." The book is written by Chas. H. Sword of Mansfield, Ohio, and lyrics were written by Wm. Kratz of Buffalo, N. Y., and Chas. Sword. There will be more than 75 in the cast and chorus. Costumes this year will be more elaborate and more gorgeous than ever before.

Michigan cities in the opera's itinerary include: Dec. 26, Regent theater, Grand Rapids; Dec. 27, The Auditorium, Saginaw; Dec. 28, Palace theater, Flint; Dec. 29, Washington Strand theater, Bay City; Dec. 31, Jan. 1 and 2, Orchestra hall, Detroit.

GOOD ROADS ASSOCIATION MEETS NEXT MONTH

The annual meeting of the Michigan Good Roads Association will be held at the Agricultural College at East Lansing on Nov. 6, 7 and 8. Governor Groesbeck will address the convention at ten o'clock Tuesday forenoon. In view of the situation it will be most interesting to receive direct from him the highway conditions in Michigan as now administered by the State Highway Department and the Executive Board.

The State Highway Engineer of Wisconsin, Hon. A. R. Hirst, Hon. L. Whitney Watkins, Professor H. C. Woods of M. A. C., together with the most interesting program under charge of State Highway Commissioner Rogers, coupled with an afternoon's program under the leadership of Professor A. H. Blanchard, Engineering Department, University of Michigan, will furnish one of the most instructive and interesting programs yet given by the Association.

ELECTORS RATIFIED THE FRANCHISE GRANT BY COUNCIL

Great Lakes Power Co. Will Be Ready for Service Here in Thirty Days.

At the special election held on Monday, for the purpose of ratifying the franchise recently granted the Great Lakes Power Co. by the village council, 27 votes were cast of which two were discarded, the remaining 25 all being in favor of the proposition.

The construction engineer of the Great Lakes Power Company was in town Tuesday and arranged for the location of the sub-station by which the high tension line current will be transformed to be used on village owned distribution lines. The company expect to have their line completed thus far and ready for service in about thirty days. Work on the sub-station will begin next week.

Mr. and Mrs. Paul Fillwock of Crowsnest spent Sunday in town the guest of their daughter, Mrs. C. L. Graham.

SUPERVISORS HEAR ANNUAL REPORTS

SET ASIDE \$2,500 FOR REVOLVING DRAIN FUND; OTHER APPROPRIATIONS.

Routine business occupied the attention of the Tuscola board of supervisors for a greater part of the past week. Reports of county officers and boards have been read and referred to the various committees and the matter of claims and accounts has received considerable attention.

The board appropriated \$200 to the Michigan Children's Hospital and a like sum to the Michigan Children's Aid Society.

Chairman Robertson was authorized to attend a meeting of the State Association of the Boards of Supervisors at Lansing on Feb. 5-7 at the expense of the county and has the privilege of selecting a member of the board to go with him if he so desires, also with expenses paid by the county.

The report of the County Road Commission for the year ending Sept. 30 showed total receipts of \$423,255.10, total expenditures of \$303,931.34, and a balance on hand of \$119,323.76.

The commission reported that it will be necessary to expend during the coming year or the near future \$10,000 for the purchase of gravel and a gravel pit in Tuscola township to be used in the southwest portion of the county and the board recommended that such sum be raised for highway purposes; also that \$1,500 be raised as the county's portion for improvement of State Trunk Line 46, one mile between sections 34 of Wells township and 3 of Dayton township. That part of the report pertaining to raising money was referred to the Roads and Bridge committee.

The report of the Poor Commissioners showed an expenditure by the several townships of \$4,134.42 for medical attention and medicine and \$2,958.59 for temporary relief. Expenses at the county farm reached \$9,615.97, permanent and temporary relief outside county infirmary \$1,475.22, and commissioners' salaries and expenses \$36, bringing the grand total to \$19,118.29.

The sum of \$2,500 as set aside by the board for the revolving drain fund.

The proceedings of the June and October sessions of the board were ordered printed in the Caro Advertiser, Cass City Chronicle and Vassar Pioneer-Times.

The election of a county examiner and commissioner of the poor was made a special order for Friday morning.

F. P. THOMPSON, PIONEER SETTLER, DIED IN SASK.

Came to Thumb District in 1861 in Covered Wagon with Parents from Indiana.

A letter received here Saturday by relatives and written Oct. 8 stated that Fayette P. Thompson, an old resident of Grant township, but lately of Riverhurst, Sask., had passed away at 7:30 that morning.

Mr. Thompson, best known here as "Pum" Thompson, was one of the first settlers of the Thumb, coming here with his parents at the age of eight years in a covered wagon from Indiana, as all new settlers traveled in those days.

He spent his young life in lumbering in and around what is now Cass City and vicinity clearing up his farm out of the primeval forest.

After seeing and helping make this part of the world a better place to live in, he left thirteen years ago last March for Saskatchewan, to be a homesteader on the prairie where he has since spent his days.

Fayette P. Thompson was born in Dekalb county, Indiana, Nov. 28, 1853. At the age of 23, he and Elizabeth Gilchrist were united in marriage at Millington, Mich., and moved to the old homestead where they lived until they moved to make their home at Riverhurst, Sask.

He is survived by his faithful wife, 12 children and 21 grand children.

Five sons and two daughters reside at Riverhurst, one son at Moccasin, Mont., and four daughters in Michigan. Those in this state are Mrs. Jas. H. McAllister of Traverse City, Mrs. Chas. Williamson, Mrs. Richard Edgerton and Mrs. Frank McCauley of this place.

A story is told about a tin roof of a Kansas store that was torn off and rolled into a compact bundle by a cyclone. Having a sense of humor, the owner wrapped a few strands of bailing wire around the ruin and shipped it to Henry Ford. In due time came a communication saying: "It will cost you \$48.50 to have your car repaired. For heaven's sake tell us what hit you!"

GREAT HIGH SCHOOL FAIR OCTOBER 26

PROGRAMS SO VARIED THAT AMUSEMENT IS PROVIDED FOR EVERY AGE.

The greatest high school fair Cass City has ever known takes place at the high school building Friday evening, Oct. 26, beginning at about six o'clock. Don't worry about getting your dinner early and the dishes done for not only is entertainment furnished but also a cafeteria where hungry customers may eat to their heart's content.

The cafeteria doors will be opened about six o'clock to let in the throng of diners. Besides the regular meal, chop suey, served by Chinese cooks from the far away Orient, will be added to the extensive menu. If you never attended a chop suey inn here is a chance to satisfy your curiosity for only a small amount of money. Then come the attractions—

First and foremost, the free program running continuously from 6:30 on, the second performance beginning at about 7:45 or 8:00 o'clock and the last about 9:15. The program will consist of several numbers including a short one-act play, dances and entertainments by the grade children, musical numbers and a high school stunt.

Then throughout the school in classrooms and booths much other interesting entertainment may be found.

One room will be devoted to a group of Hawaiian singers and dancers of unusual talent. These high class entertainers should be given proper attention and their classical programs attended by everyone.

The fish pond will be bigger and better this year, among the prizes being watches and safety razors. Fishermen with poor luck try this fish pond! You will at least catch something.

Fortune telling, the ever popular indoor sport, will be given a place and an entirely original telegraph booth will draw many customers.

No one can afford to miss the thrills derived from a trip through the "Infernal Dungeon." Nothing else can be said, the remainder must be seen and felt.

And for anti-prohibitionists a blind pig will be found. At another booth, soft drinks, ice cream and home made candy will be sold. Also for the children, novelties, balloons, fans, etc., may be bought. In fact, there is something to interest everybody.

Last but not least comes the educational exhibit of agricultural products.

GRAND TRUNK WILL USE VILLAGE "JUICE"

The Grand Trunk railroad has under construction a line and equipment to replace their steam pumping plant at the Cass river for supplying water for locomotives, with modern electric equipment to be run by current purchased from the village. The plant will be arranged so that the water level in the tank cannot go below a certain point without the pumps automatically refilling the tank. An agreement was drawn up between the village and the Grand Trunk Railway Co., stating that the latter build and maintain their own line to the source of supply.

KREIMAN-IPPEL WEDDING AT SAGINAW TUESDAY

Grandaughter of Mrs. Hugh McCall is Bride of Saginaw Merchant.

Tuesday evening at eight o'clock before an altar improvised of ferns, palms and yellow chrysanthemums, Miss Ola Kreiman, daughter of Mr. and Mrs. E. F. Kreiman of Saginaw spoke wedding vows with Julius A. Ippel, son of Mrs. J. W. Ippel, also of Saginaw at the bride's home at 602 South Granger street. Rev. Dr. Harnley of the Michigan Avenue Baptist church performed the ceremony.

Preceding the service G. W. Landon, of Cass City sang very beautifully "O, Promise Me" from the opera Robin Hood. And then to the rhythmic strains of the Lohengrin wedding march, played by Miss Elizabeth Freidlein, the wedding party stepped to the altar. Mrs. Ippel was a beautiful bride dressed in a gown of embroidered white net over white satin and wore a white tulle veil bound down with a band of pearls. She carried a shower bouquet of white roses and baby chrysanthemums.

After the service a dainty wedding luncheon was served to the forty guests and everyone then bade farewell to the bride and groom who left for an automobile tour to New York, Buffalo, and points in Canada.

On their return from the honeymoon, Mr. and Mrs. Ippel will reside in Saginaw where Mr. Ippel is manager of the J. W. Ippel Clothing Co., west side.

Those who attended the wedding from Cass City were Mr. and Mrs. G. W. Landon and son, Delbert, and daughter, Margaret, Mrs. Hugh McCall and Mr. and Mrs. D. H. McCall.

BEANS BROUGHT LONG DISTANCES TO CASS CITY ELEVATORS

Samuel McCreedy of Elmwood Gets Check of \$2,393.77 for Beans Sold This Season.

Beans are coming to Cass City elevators from long distances this fall. While very few beans grown in this community have been marketed as yet, the past week has witnessed several loads coming to the local dealers from points 12 to 14 miles distant.

H. D. Schiedel said Monday that beans grown 16 miles from Cass City were sold at the Farm Produce Co.'s elevator that morning. At this elevator, the largest check drawn for beans thus far this season was issued to Samuel McCreedy, amounting to \$2,393.77. The quantity sold by Mr. McCreedy, who resides eight miles west of town, was nearly 52,000 pounds. The beans were mostly four and five pound pickers. More beans are still in the granary at the McCreedy farm.

A number of checks amounting around \$1,100 and \$1,200 for beans have been issued to farmers by this company this season.

THREE MAY DIE AS VICTIM OF WAR RELIC PLUNDER

Somewhere, someone is playing with sudden death.

A loaded hand grenade, souvenir of the late war was stolen from among the relics on exhibition at the Bad Axe fair. Its new possessor, all unconscious of the danger he has brot to himself, is exulting in his illicit ownership.

Miss Mollie McKinney the county nurse placed the grenade with other trophies on display at the legion headquarters at the fair. When the relics were taken back after the fair it was discovered that several were missing and among them the loaded grenade. Miss McKinney said that the grenade had never been unloaded because of the danger of trying to take the fuse out of it.

SEVEN AUCTION SALES IN THIS NUMBER

Seven auction sales are announced in this number of the Chronicle. Dr. Redwine, who last week disposed of his medical business at Cass City, announces an auction sale of his household goods tomorrow (Saturday) afternoon at his residence on Garfield Ave. R. N. McCullough will cry the sale which is advertised on page 6.

To settle the partnership of Reagh & Heller, an auction sale of live stock and farm implements will be held on the Heller farm on Wednesday, Oct. 24, with R. N. McCullough as auctioneer. Particulars on page 7. A free lunch will be served at noon.

Ernest Lester has sold his farm and will have a sale of live stock, implements and produce on Thursday, Oct. 25, 4 miles east and 1/2 mile south of Colwood. R. N. McCullough is the auctioneer and the sale is advertised on page 7.

Having rented his farm, W. E. Brown uses space on page 7 to announce a sale of personal property 6 miles south and 1/2 mile east of Gagetown on Tuesday, Oct. 23. L. S. McEldowney is the auctioneer.

Byron Barnard will quit farming and will sell his personal property 3 miles west of Shabbona on auction on Friday, Oct. 26, with T. B. Tyrell as auctioneer. Full details are printed on page 7.

Fred Moore will quit farming and will sell live stock and farm implements on Friday, Oct. 26, 2 miles north and 1/2 mile west of New Greenleaf. His auction advertisement appears on page 6. R. N. McCullough is the auctioneer.

Next Monday, Oct. 22, is the date of Meivin O'Dell's auction at his farm 3 miles north of Deford. R. N. McCullough will cry the sale, particulars of which are given on page 6.

J. D. Turner will have an auction sale on his farm in section 3, Ellington, on Friday, Nov. 2.

MANY CROPS IMPROVED BY RAINS

STATE'S APPLE CROP HAS PROVED DISAPPOINTING IN SOME RESPECTS.

Pastures, late potatoes, sugar beets and some of the truck crops were improved by the September rains. However, the cool and wet weather delayed the maturing and harvesting of late crops. Considerable damage was done to beans in process of harvesting at the time of the rains. A heavy frost occurred the middle of September in local areas in northern Michigan and a few eastern counties, stopping further growth of potatoes in the regions affected. The greater part of the state was practically free from frost up to the end of the month and all crops were past harm from that cause according to the October report issued Oct. 10 by Verne H. Church, Agricultural Statistician, and L. Whitney Watkins, Commissioner of Agriculture.

The prospective corn crop declined about one and one-half million bushels from that of September 1. Drought had shortened the ears more than suspected and frost injured the crop in portions of a number of counties. The present estimate is 58,774,000 bushels. The Michigan crop last year was 60,716,000 bushels. In a few southern counties, the yield will be equal to or above that of 1922. The entire production of the country is placed at 3,021,454,000 bushels. In 1922, it was 2,890,712,000 bushels.

A special inquiry relative to the amount of all wheat marketed to October 1 showed that only 4,854,000 bushels, or 29.5 per cent of the crop had left the hands of Michigan farmers by that date. The light crop in Kansas and other western states is encouraging growers to hold for better prices.

Correspondents report the average yield of oats as 31.5 bushels per acre, or a total crop in the state of 48,132,000 bushels. The crop produced last year was 49,434,000 bushels. The quality is very good except in a few eastern and northern counties where a portion of the crop was much discolored while standing in the field late in the season. The United States produced a total crop of 1,302,452,000 bushels this year as compared with 1,215,496,000 in 1922.

The average yield of barley is 24 bushels per acre, or a total crop of 3,432,000 bushels. This is slightly less than the 1922 crop which totaled 3,500,000 bushels. The United States' crop is estimated at 199,251,000 in comparison with 186,110,000 bushels last year.

Buckwheat improved to some extent during September notwithstanding local damage was caused in some localities by frost. The present outlook indicates a production of 901,000 bushels. The total for the United States is placed at 13,927,000 as compared with a production last year of 15,050,000 bushels.

The growth of potatoes was stopped in rather limited localities in northern Michigan.

TOBIE PROTECTS FEATHERED FRIENDS FROM SPEEDERS

Not the Omnivorous Dog That Visitor at Parker Farm Suspected.

Tobie is the name of an Airedale dog owned by Mr. and Mrs. Matthew Parker who reside on a farm 1 1/2 miles west of Cass City. As a visitor at the farm a few days ago sat in his car and chatted with Mr. Parker, Tobie came out to help along the conversation. He sat quite still for a time not taking much notice of things going on but soon he pricked up his ears and turned his attention toward a pretty white hen that came peck-peck toward the road. Finally there was a loud staccato bark and swish of white feathers as Tobie galloped wildly around to the back of the house, white hen in mouth.

The visitor laughed, but remarked, "If you hurry Mr. Parker you will be able to save that hen from being eaten by your omnivorous dog."

Now it was Mr. Parker's turn to laugh. "Do you suppose that dog would eat that chicken?" he asked. At this point Tobie came trotting around the house toward the car suspiciously freeing his mouth from feathers. The visitor replied, "From all appearances I would say he would not because he already has!"

"Don't fool yourself, my friend, that dog would not only refrain from eating that chicken, but he would save its life in another way. Every time a chicken comes out on the road, Tobie carries it by the neck back to the barn so that the next fast driver that comes along won't kill it."

Here Tobie barked once or twice just to show what a smart dog he is. He wants every motorist to have a "no chicken killing" record.

GREAT HIGH SCHOOL
FAIR OCTOBER 26

Concluded from first page.

ducts in the agriculture room. Fifty varieties of apples will be shown, making probably the best apple display ever found in the Thumb. Also the following articles will be exhibited: grain, bees, certified potatoes, pedigreed corn and examples of grafting with full explanation. This department should interest many farmers.

Everyone should and will attend this combination of varied entertainments. So you will meet your friends there Friday, October 26, beginning at six o'clock on until everyone has enjoyed themselves to their greatest capacity.

School Notes.

Book-keeping students are becoming regular "sharks" so their instructor states.

One of our "be-knickered" teachers tells the following joke on herself. When she with her father and mother were motoring from their home to Cass City, they stopped at a small county fair along the line. Not caring to spend more than a few hours at the fair the young lady decided not to change from her touring clothes to street dress so appeared on the small fair grounds in her knickerbockers. Her father, while purchasing tickets, heard two women remark, "Just look at that girl over there with knickers on. Doesn't she look disgraceful?" pointing to said instructor. The other woman replied, "Well, I suppose it is a great deal handier for her. You know, she's one of the women who ride those wild horses."

Debaters are working hard on their material for the fast approaching first debate.

No news is good news. And the football news this week is decidedly no good. The game Friday at Uby was certainly discouraging and we are just beginning to recover from its dampening effects.

Uby did not make a touchdown until the last half minute of the first half of the game. Then in the last quarter, winning two more touchdowns making the score total, 21 to 0. It is stated that our boys played fine football up to the last six or seven minutes of the game. So why be so downhearted?

Laura Boardway of Greenleaf is a new freshman this week.

Camp Fire Girls—The organization held a meeting last Thursday and elected the following officers: Edna Brackenbury, secretary, and Vera Flint treasurer. They began discussing plans for the coming year and explained to the new members the motives and ideals of a Camp Fire Girls' organization.

Monday night everyone took a hike which proved to be just as enjoyable as it was beneficial.

Home Econ Department. This week we are studying cream and vegetable stock soups. We are also taking up the study of nutrition and the proportion of proteins, fats, and carbohydrates that is necessary for the average person and for invalids.

Agriculture Department—Everybody is very busy this week and placing all their attention on preparation for the fair.

Junior High—Last week we enjoyed a very exciting spell down between the two grades which resulted in Harriett Tindale of the seventh grade spelling down everyone else.

The eighth grade is specializing at present on mental arithmetic due to the new books which they have just received.

Sixth Grade—Frances Smithson and Beatrice Milne are absent this week. We hear that Frances is ill. At present we are struggling with decimals which are unusually hard for us because we are very inaccurate.

In language we are taking pleasant trips through the corn belt.

Fifth—No tardy marks yet! Rosy visions of the punctuality banner on our walls are floating through our minds.

We are endeavoring this week to become very well acquainted with the "teen" family.

We are making a very interesting study, also, of the natural waterways of our continent.

Fourth—We enjoyed our geography globe very much last week and we found it very helpful in our trips around the world.

Did your teacher ever read you the Bobsey Twin books when you were in the fourth grade? She didn't? Well you ought to read them now then. We like them so well and we found out that one of the girls from the fifth

grade has some more of them so she's promised to lend them to us.

We study very hard now so we can beat the third grade again in a spell down. Just think there were six of us standing when everyone of the third had been spelled down.

Our per cent of attendance this month won't be anything to brag about because several have been absent already.

We are reviewing addition combinations this week, keeping our own scores. Then next month we are going to try to beat our own record.

Third—We had our spelling contest with the fourth grade Friday. They carried off the laurels this time but we were a close second and we are going to work hard now and try them again some time.

Some in our B. class are working so hard that you couldn't tell them from our A pupils.

We are reading "Fairy Tales from France" for morning exercises and we like it very much.

We were very glad to have Mrs. Morris and Mrs. Zemke and daughter, Doris, call on us last week.

Second—We are losing one of our boys this week, Alvin Reid. He's moving to Detroit. We are indeed sorry to see him go.

Kindergarten—We just can't keep our minds off the fair this week because we're working so hard to practice on an entertainment that will please our mothers and dads.

Mrs. Day calls the moo cows and horses and all things like that—what is it? Oh, yes! domestic animals. And cats and dogs and rabbits she calls them household pets and she tells us all about them. We're making the cutest little booklet with pictures of all of them in. We'll see you at the fair!

Dr. Merriman is home from Detroit for a time.

The new minister has moved into the parsonage.

Mrs. Howard Malcolm assists in store and post office while Mrs. R. D. Lewis is on her vacation.

Jonathan Whale of Cass City is preparing for Wm. Bartell.

Sugar beet station opened on the 11th.

We have been told of the hen that laid the "golden egg," but all eggs will soon be golden and with the mossback that has the hens.

Mrs. Howard Malcolm, Mrs. Myrtle Bruce, Miss Veda Comer, Miss Ethelyn Ross, Miss Thressa Curtis, Miss Iva Hack and Myrtle D'Arcy attended the missionary convention at Romeo Oct. 3 and 4.

Merchant Patterson has his basement finished. He has added much to the appearance of his residence.

A new chimney at the elevator and a furnace will be installed.

T. Crosby of Pigeon, once a merchant of the burg, was among us past week.

George Roberts of West Detroit called in Deford. He had been at Cass City with Mrs. Roberts, who is passing through an operation at Pleasant Home hospital and apparently coming through all right.

The writer has noticed things in Michigan for sixty years. Went to farm sales where there was hard cider and where there was none, but it remains for this age for the cow to bring more dollars than the horse.

Mrs. Mar Parks has rented her residence for a time to one of the milk plant men—\$13.00 per month. Quite a rent for a town not large enough to incorporate.

Yes, a cross as burned in our burg one night, but we didn't need the light. We are a light unto ourselves.

Readers at a distance will be saddened to hear of the death of Alex Hunter of Koylton township.

Bean picking in full blast. Fifteen chairs filled.

Howard Malcolm is still lame with his crushed foot.

Where is there another burg of our size that can boast of three Petes of three different nationalities—a German Pete, an Irish Pete and an American Pete?

Mrs. R. D. Lewis and her two youngest children spend their vacation at St. Agnes with Mrs. L's sister.

We see a notice up in a post office. "No rural mail given to children." Nothing said of age. In law people are children till they reach 21. It might be dangerous to refuse to hand out the family paper to a Miss of 20, cropped hair and feathers on the hat.

Roderick Kennedy has been to Ontario to the fair of his home county. They have some good stock but he says they lack the vim of our fairs here. They have no attraction or "whooper up boys" times. They all have money but they keep it salted down.

Let it be known that our city boasts of several nimrods of no mean ability. There is a plan on foot, which should materialize, will take away for the winter some of our most active citizens who will go armed with license to gather in all game that roams the forest wild from the gopher to the mountain lion. May good fortune attend.

We have been in Detroit and vicinity for two weeks and not in a single instance did we see a man who showed the effects of strong drink. No doubt there is boozing going on in places, but 'tis done with care. Years ago you would meet men staggering on every block. The dry law has done some good for some at least if we can judge aright.

Elmer Bruce is again in charge of the sugar beet station here. He has been on the job since the first sugar rootlet was hauled to Deford back when some of the now gray headers were young. We will wager the scoots that the little fellow has weighed in more beets and weighed out more wagons than any man in the Thumb and with less threatening by the public of death or bonds. It was known when he was a kid he would pan out good for something.

THE NEED OF RELIGIOUS EDUCATION

Roger W. Babson, the famous statistician, has said: "The great need at the present time is not for more railroads or for more steamships or more factories or more cities, but for more character. To develop the character we must start in the home, school and church, when the children are young." "That there is a great need of arousing the continent to the spiritual needs of children is evidenced by the fact that at least thirteen millions of the twenty-five millions of children under twelve years of age are receiving no religious education whatever," says a pamphlet entitled "Children's Week" by the International Sunday School Council of Religious Education Chicago, which is conducting a campaign for the observance of Children's Week.

Mortgage Sale. Whereas default has been made in the payment of the interest on a certain mortgage dated the 1st day of October, A. D. 1920, executed by Charles E. Tilden, a single man, of Koylton, Michigan, in favor of Josephine Hopkins, and recorded in the office of the register of deeds of the County of Tuscola, in said state, in Liber 149 of mortgages on pages 152 and 153, on the 4th day of October, A. D. 1920, at 4:00 o'clock in the afternoon; and Whereas it was specially provided in said mortgage that should default be made in the payment of the principal or interest or any part thereof when the same became due according to the terms of said mortgage, and should the said principal or interest or any part thereof remain unpaid for the period of thirty days, then the entire principal and all arrearages of interest should become payable immediately thereafter at the option of said mortgagee, her legal representa-

tives and assigns; and Whereas it was likewise provided in said mortgage that in case of default in the payment of the taxes levied upon the lands described in said mortgage or the premiums required to effect insurance on the buildings thereon, by the said mortgagee, within the time prescribed by law, it should be lawful for said mortgagee to pay the same and that the moneys thus paid should be a lien on said premises—added to the amount secured by said mortgage; and Whereas by virtue of the foregoing provisions, the amount claimed to be due on said mortgage at the date of this notice for principal and interest is the sum of eleven hundred twenty-three and sixty hundredths (\$1123.60) dollars; for the taxes for the year 1922 the sum of thirty-four and sixty-nine hundredths (\$34.69) dollars and the further sum of two and thirty-eight hundredths (\$2.38) dollars for insurance paid by said mortgagee, making a total sum due on said mortgage of eleven hundred sixty and sixty-seven hundredths (\$1160.67) dollars, in addition to the costs legally chargeable for the foreclosure of said mortgage; and Whereas no suit or proceeding, at law or in equity, has been instituted to recover the said sum or any part thereof. Now, therefore, notice is hereby given that the said mortgage will be foreclosed by a sale of the premises described therein at public auction, to the highest bidder, at the front door of the court house, in the city of Caro, in the said county of Tuscola, on Monday, the 31st day of December, A. D. 1923, at one o'clock in the afternoon of said day. The premises described in said mortgage to be sold as aforesaid are as follows: The Southeast Quarter of the Northwest Quarter of Section Sixteen (16) in Town Eleven (11) North of Range Eleven (11) East, the same being in the Township of Koylton, Tuscola County, Michigan. Dated October 1, A. D. 1923. JOSEPHINE HOPKINS, Mortgagee. D. S. McClure, Attorney for Mortgagee. Business address, Marlette, Michigan. 10-5-13

GAGETOWN NEWS

The board of education has recently placed a set of Americana Encyclopedias in the public school. During the past year 150 books have been added to the library. This collection with the new encyclopedias is a great asset to the work of the pupils. Some of the books have been selected for the grades, and the remainder for high school students and adult readers of the community. Included in the list are books of biography, history and literature—all of which have been properly cataloged and indexed according to the decimal classification. The school is asking for the co-operation of the parents in the guiding of the selections of material for home reading. Teachers find many of their students progress very rapidly because they have been extensive readers, while there are many young people who do very little reading outside of their own text books. The teachers are helping the pupils of their rooms in the selection of material for home reading. A record is kept of the books read by the individual children which will be filed along with the permanent records. The school would be pleased to have any patron in the district make use of any of the books, encyclopedias or magazines at any time. Genevieve Wills, a member of the senior class, is efficiently carrying on the work of librarian. Anyone having books they would like to contribute to the John C. Munro Memorial Library will please notify Supt. Koepfgen and a committee will collect them. This memorial was started by the senior class of 1923 of which John C. was a member.

The Gypsy Serenaders—The finest combination of musical merit, musical novelty, and attractive program values we have ever presented will take Nov. 23. For years the piano accordion has been an instrument of marvelous possibilities, and has been used in solo playing throughout America. In addition to the piano accordion playing the gypsies will sing solos, duets and trios, give readings, and act creditably in a gypsy sketch. They are charmingly costumed in gypsy costumes for part of their program and not the least important feature of their work is the charming personalities and wholesomeness of the members. This is the second number of the Dennis Lyeum course given by the senior class of 1924 of the Gagetown high school, held at St. Agatha's Hall. Everyone is urged to be present. Admission 50c and 25c.

The L. O. T. M. county association held at St. Agatha's Hall last week Thursday was a pleasant occasion. There were delegates from Vassar, Caro, Mayville, Millington, Unionville, Cass City and Saginaw. Sebewaing was admitted as a member of the county association. The deputy commander from Saginaw was also present. While the delegates were arriving, dancing was enjoyed amid a bower of autumn decorations artistically arranged by the members of Eureka Hive, Gagetown. At 12:00 m a hot roast pork two-course dinner was served to 65 people. After the afternoon business session, a program was given by the music pupils of St. Agatha's school of music sent over by the Dominican Sisters. After the closing a buffet lunch was served. Next association meeting will be held in January at Caro.

About forty citizens and teachers of Gagetown met at the school Monday evening for the purpose of organizing a parent-teacher association. Miss Beryl Koepfgen, superintendent of the school, was elected chairman and Mrs. Fischer secretary pro tem. Following officers were then chosen: Geo. Monroe, president; Mrs. F. D. Hemerick, 1st vice; Miss Babcock, 2nd vice; Mrs. Alvah Hillman, 3rd vice; Mrs. J. L. Purdy, secretary; Mrs. Slack, treasurer. It was decided that in preference to a local organization, that the society would become a part of the National Parent Teachers' Association. Great "pep" and enthusiasm on the part of those present make the association a very promising one. The next meeting is planned for the evening of Nov. 12. All interested parties should keep this date clear of conflicting appointments.

Alexander Johnston passed away at the home of his son, Wm. J., Tuesday, Oct. 9, at the advanced age of 97 years. He was buried from St. Agatha's church Friday morning. He has been in failing health for a number of years and was numbered among the old residents of our community. Ed. Combs spent the week-end with relatives in Pontiac.

Mrs. R. J. Wills returned from Reese Friday where she has been for some time caring for her mother, Mrs. Eugene Shook, who passed away Tuesday and was buried Friday from the M. E. church of which she was a member. She was buried in the Gilford cemetery. Mr. and Mrs. Shook were residents of Reese 50 years.

The Epworth League party at the M. E. church Tuesday evening can certainly be proclaimed enjoyable. The game of baseball was very exciting and ended with a very close score. A board with nails driven here and there in it was stood at some distance from the players, under each nail was written "2nd base," "hit by pitcher" or a similar base ball term. The player then toed a chalked mark and tried exceedingly hard to throw rubber rings over the pegs. If the ring hung on the peg marked "out on fouls" he was out and so on in the same manner as a base ball game. After a few more games were played, ice cream and cake were served to the hungry youngsters and thus the social evening closed.

Mr. and Mrs. John L. Bearss were in Saginaw Sunday visiting friends. Their daughter, Miss Emma, a student at Mt. Pleasant Normal, was also in the city that day and enjoyed a visit with her parents.

The barn on the farm owned by George Kurish in Wells township burned early Wednesday morning. Seven loads of beans, 20 tons of hay and a quantity of oats were destroyed. It is thought that the fire was of incendiary origin.

While returning from a visit in Olivet, Mrs. Thos. Colwell stopped at a restaurant in Corunna where she unexpectedly met Miss Etta Reid, a former teacher in the local schools. Miss Reid is now teaching in Charlevoix. Smallpox is prevalent in that city and the schools have been closed and Miss Reid was on her way home when she met Mrs. Colwell.

Members of the Woman's Home Missionary Society and neighbors of Mrs. Wm. Lamb to the number of 40 gathered at that lady's home Friday afternoon in a farewell gathering in honor of Mrs. Lamb, who will make her home at Jedd. The day was also the 31st wedding anniversary of Mr. and Mrs. Lamb. A copy of the Angelus was presented to Mrs. Lamb. Mrs. I. W. Cargo, who made the presentation, gave a very interesting account of the artist's life and a description of his works. Refreshments were served.

Thomas Ludlow, prominent farmer of Verona, Huron county, was accidentally shot Sunday during a family reunion at Huron City. Mr. Ludlow and several other men attending the reunion were shooting at a target after dinner. His nephew, Fred Bruce, of Detroit, was cleaning his revolver when it exploded. The bullet went thru Mr. Ludlow's hand, which was in his trousers pocket and through the side of the leg, severing the large artery. Mr. Ludlow bled to death in ten minutes.

The farmers are enjoying the fine weather for their bean harvest here now.

Mrs. Morgan was a caller in Bad Axe on Friday evening.

Mr. and Mrs. James Sommerville spent Sunday with John Sommerville at Cass City.

John Jackson and James Sommerville are spending the week at Sandusky.

Bertha McCallister from Kinde was a pleasant visitor at church and Sunday school here Sunday.

Roy Donnlau and Leo and Karl McCarty are pressing hay at Jos. Kulishe's this week.

There will be a box social and program given at the Cumber M. E. church Friday, Oct. 26th.

Mrs. Jacob Meredith gave a quilting bee on Thursday, and a chicken dinner

and supper as enjoyed by all who were present.

Mrs. Lloyd Brown and son, Harold Jay, are doing very nicely at this writing.

Miss Leota Hewitt spent over the week-end with her parents at Decker-ville.

The Hot Blast Air Tight Florence

Will heat three times more space, at one-quarter the cost, in burning soft coal than any other stove with the same size firepot.

WHY?

Because the damper back of the firepot burns the cheapest soft coal or screenings and all the smoke and soot with the same regularity and cleanliness as the burning of gas, producing a steady heat day and night.

NO SMOKE! NO SOOT!
NO DIRT!

Two tons out of every three tons of soft coal are wasted in all heating stoves constructed without a damper back of the firepot. Besides the offense inside and outside the house from the accumulation of soot.

The Florence makes its own gas and burns it and makes its own coke and burns it.

Steady heat day and night when the weather is 20 below zero. The medium size holds fire 3 days and 3 nights with one filling, other sizes in proportion.

The Florence is an investment. It pays for itself every two years in the saving of coal. In zero weather it will pay for itself the first season in the saving of doctor bills by elimination of irregular heat.

The state tax for Sanilac county is \$120,166.44 which is about \$12,000 lower than last year, in the report read to the board of supervisors, who are now in session.

The W. R. Roach Canning Co. of Crosswell has leased the Flanders plant at Deckerville for the remainder of the canning season and began slicing kraut this week.

Work on Caro's canning factory started Oct. 11. The buildings have been staked out and a tool shed has been erected.

Eight alleged bootleggers were dismissed, not because Prosecuting Attorney Atwood and Sheriff Colling thought they were innocent of the charge, but because the informations on which warrants for their arrest were based were sworn to on belief instead of actual personal knowledge of their illicit business.

Frank B. Ransford, for many years secretary of the Caro Fair, has signed a contract with the Joe Bren Production Co., an amusement concern, and will make his headquarters in Chicago.

Among those to be arraigned in federal court at Grand Rapids is Wilford Macklem, a prominent attorney of Crosswell, according to the Grand Rapids Herald.

The annual campaign of the Crosswell plant of the Michigan Sugar Co. began last week with the prospect of running 75 or 80 days.

An interesting feature of this year's campaign is the fact that much of the power will come from the Great Lakes Power company instead of from steam as in former years.

CASS CITY HAPPENINGS TWENTY-FIVE YEARS AGO.

Items from the Cass City Enterprise, of Oct. 20, 1898.

W. J. Campbell is attending the I. O. O. F. Grand Lodge at Lansing.

Dr. D. P. Deming and A. Vandemark were at Bad Axe on Wednesday on pension business.

Arthur Bruce was seriously injured on Friday at Deford, by a fall in E. W. Clark's store. His hip bone was fractured and at last reports, he was not improving.

Hon. Justin R. Whiting addressed a goodly crowd of electors at the town hall on Monday evening in the interests of the Democratic People's Union Silver party.

The M. E. Ladies' Aid society met on Wednesday with Mrs. O. C. Wood. The gentlemen and other friends had the pleasure of taking tea with them at the usual hour and it was a very enjoyable occasion.

The Republican rally held here last Friday evening could not be a success on such a disagreeable night. However there was a fair turn out and

Hon. J. W. Fordney and the other speakers made a good impression.

The Companions of the Forest, Court Davenport, have extended a cordial invitation to the brothers of court Elkland, I. O. F., to attend their first anniversary at Forester Hall on the evening of Monday, October 24.

On Saturday while Ray, the youngest son of T. H. Hunt, was playing with a small tin pipe, he fell with it in his mouth in such a way as to cause it to penetrate the soft pallet. It was a very painful injury but it is thought will not prove serious.

The pastor and officials of the M. E. church have issued invitations to the adherents of that society to meet at a social gathering in the church next Wednesday evening. Refreshments will be served and a special program rendered.

The large barns of George Martin, three and one-half miles north of town, were totally destroyed by fire on Sunday evening, together with the season's crops which were to have been threshed on Monday. The loss was heavy but we understand, is covered by insurance.

thern and eastern counties by a frost in September. On the other hand, rains promoted a rapid growth in other sections and the outlook improved quite materially during the month. The present prospect is for a crop of 32,970,000 bushels as against 37,842,000 in 1922.

The average yield of all kinds of tame hay is found to be 1.20 tons per acre which makes the total crop 3,689,000 tons while last year's crop reached 4,457,000 tons.

The condition of the clover seed crop is 70 per cent. Second cuttings filled well and the acreage cut is larger than expected earlier in the season.

September, and shortage of labor. The present condition presages a crop of 140,000 bushels, or 100,000 bushels less than produced in 1922.

Late beans are being harvested. The yields are not quite as good as from the early crop, and during a part of September rains did considerable damage, causing an increased moisture content and higher percentage of pickage. Results of the October 1 inquiry show an average yield of 11 bushels per acre and an average pick of eight per cent.

The condition of sugar beets is 85 per cent, as compared with 83 per cent.

one month ago and 82 per cent one year ago. Harvesting has commenced and the beets are of good size. The sugar content averaged low during September but improved somewhat during the warm days of the closing week of the month.

The apple crop has proved disappointing in some respects. The fruit in many orchards is under-size and a smaller percentage than expected will grade as Number 1. Aphid did considerable damage in the southwestern counties. The crop as a whole is usually free from scab. Labor is scarce and the price of apples is low.

The Michigan pear crop is light, being estimated at 369,000 bushels as compared with 672,000 bushels last year.

The yield of grapes was less than anticipated, the crop being estimated at 72 per cent of normal. The total shipments are expected to aggregate about 5,040 cars, or 1,000 cars less than last year.

The supply of farm labor, as a result of a special inquiry, is found to be equal to only 66 per cent of the demand. The average wages paid by the month is \$43 and board and 56¢ without board. The average day wages is \$2.80 with board and \$3.65 without board.

To Our Customers and Friends

We wish to announce that we will be pleased to meet you in our new quarters known as the Farmers' Co-operative Mercantile Co.'s stand. We will have a limited amount of new merchandise to offer and as soon as possible will have a complete line of everything as we had in the old stand.

We have sold our entire salvage stock to outsiders who will move it out of town. Our stock in our new quarters will be positively all new and fresh merchandise.

NOTICE

The great loss which we have suffered compels us to do a strictly cash business. This strictly cash business does not only apply to certain customers but to everyone.

We will be looking for you in our new quarters and anticipate that we will again be favored with your patronage as we were at the old stand. Be sure to read our next week's advertisement which will give you full particulars.

WILMOT.

Mrs. W. Westerby returned from a week's visit with friends in Cass City Friday. Mr. and Mrs. Burt Barton came from Pontiac Thursday and were at their home here until Monday. Mrs. Ambrose Thorp, sr., died Monday afternoon at the home of her daughter, Mrs. F. Decker, in Detroit where she has been for the last ten weeks. She had been ill with cancer for some time. Her husband died last December. The remains were brought to her home at Kingston Tuesday. Rev. R. Davis and family attended district meeting at Bingham from Friday afternoon until Sunday afternoon. All are enjoying our beautiful October weather. Mrs. Nora Weadow attended the funeral Sunday of Margaret Curry, second daughter of Mr. and Mrs.

Russel Curry, living west and south of here, who died Friday afternoon following on operation some time before for appendicitis. Mr. and Mrs. Mark Gemmill went to Pontiac Monday where he expects to work. The children and grandchildren of Mr. and Mrs. E. N. Hartt all came home Sunday as a surprise on E. N., whose 61st birth anniversary was the following Tuesday. They numbered 25, himself and wife included. His eldest sister, Mrs. Emma Jeffery, of Pontiac who is visiting her daughter, Mrs. A. Schell, was also there. Charles Woodruff is sick at this writing with lumbago. Orlo Moulton and family of Caro were Wilmot visitors Sunday.

RESCUE.

Mr. and Mrs. John Combs of Romeo have moved on the latter's place here

for a short time. They expect to make a long visit in New York state this winter. Mr. and Mrs. Joseph Mellendorf made a business trip to Akron last Tuesday afternoon. Emanuel Duffield and son, Leslie, of Yale were callers in Rescue last Tuesday. Mrs. Ostrum Summers and daughter, Eliza, were callers in Cass City Monday. Miss Marion Mellendorf visited the high school room in Owendale last Tuesday. Mrs. Albert Martin and sons, Howard and Clifford, and daughter, Beatrice, ate Sunday dinner at the home of her son, Claude Martin. William Ashmore and sons, William and Samuel, autoed to Romeo on Sunday. His mother, Mrs. John Combs, returned here with him Monday. A number from around here attend-

ed a farewell party in Cass City Friday evening for Mr. and Mrs. Lawson Stinger. Mrs. Annie Quant and children visited at the home of Hamilton L. Caryl in Harbor Beach Sunday. The Premo Sunday school class will hold their meeting at the Joseph Mellendorf home Friday evening, Oct. 19. Henry Davison of Pontiac visited his parental home here Sunday and visited other friends. Glen Deneen also visited his parental home. Howard McCallum returned with them to Pontiac where he expects to work. Mr. and Mrs. McCallum and chil-

dren spent Sunday at the Edward Hinton home. A farewell was given for Mrs. Silas Parker and children, who will move near Pontiac this week. Mr. and Mrs. John Parker and children of Brookfield were Sunday visitors at the William W. Parker home.

EVERGREEN.

Mrs. Palmer Karr and daughter, Maxine, of Cass City spent the week-end at Robert Chasler's. Little Gladys Chapman had her

head quite badly injured last Tuesday when she fell into the wheel of the engine which her mother was using while washing. It was necessary for the doctor to take five stitches in her scalp. Thomas Siprach has gone to Detroit to seek employment. John MacTavish has purchased a new Chevrolet car. Jason Kitchin's visited at Ray Walker's of Lamotte Sunday afternoon. Advertise it in the Chronicle.

THE LONGER YOU DELAY THE MORE YOU PAY

Just another way of saying, "A stitch in time saves nine."

The small job soon grows into the big job, while the roof with a little leak may not be long in destroying the interior of the home which it was intended to protect.

Sit down and figure it out for yourself. Every day the job is put off adds something to the cost of doing it later on. Old gates may be broken, letting stock into a field of growing grain where the trampling of the animals for one night would ruin the entire crop. The drafty hog house may cause the loss of a valuable sow for the want of insulation.

The reaper left standing in the field without protection lasts but a few years, while an implement shed which would have preserved it indefinitely could have been built at but a small fraction of the cost of the reaper.

It is estimated by the Department of Agriculture that millions of dollars worth of farm equipment alone goes to ruin each year through the lack of protection against destructive weather elements.

Guard Against This Loss

Remember, it's the little leaks that cost you much.

MANY WOMEN USE GLYCERINE MIXTURE

Women appreciate the quick action of simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Excellent for obstinate constipation and to guard against appendicitis. Helps any case gas on stomach in TEN minutes. Burke's Drug Store.—Adv. 3.

Today is the Time.

We may make our future by the best use of the present. There is no moment like the present.—Miss Edgeworth.

Michigan Happenings

First place in the student judging sweepstakes at the National Dairy Show at Syracuse, N. Y., went to Charles D. Miller, of Eaton Rapids, senior agricultural student at M. A. C., according to word received at East Lansing. Besides ranking highest in judging all breeds, Miller was first on Jerseys and first on Holsteins. M. A. C. finished seventh in team standing in competition with 29 colleges represented by three men each. George J. Bobben, of Newaygo, and Carl Abel, of Sand Lake were the other members of the M. A. C. team.

A bill of complaint, charging that Wisconsin has refused to settle amicably the Michigan-Wisconsin boundary line dispute, has been filed with the United States Supreme Court by Atty-Gen. Andrew B. Dougherty. If the Michigan suit is successful, the notorious town of Hurley, Wis., known as the wettest town in the United States, will become a Michigan municipality, and a comparatively large territory, said to contain valuable forest and mineral tracts, and a number of islands, would be transferred from Wisconsin to Michigan.

The Grand Rapids rate for the county's share of the 1924 state tax, payable in the winter, will be \$2,868 per \$1,000 valuation, as compared with \$3.25 last winter. It was indicated in a statement received from Auditor General O. B. Fuller, showing Kent County's apportionment of the state tax. The city rate for the county tax last winter was \$3.137, and it is expected to drop this winter to \$2.660 or thereabouts.

Because of the urgent necessity of giving attention to the potato harvest, the Board of Supervisors at Traverse City, at the opening session of their annual meeting adjourned for two weeks. Virtually all of the rural schools in Northern Michigan have been closed for one or two weeks that the pupils could assist in the harvest. The supply of labor has been far short of the demand.

The state administrative board has authorized John Baird, state conservation commissioner, to expend \$2,700 for a new pond at the fish hatchery in Benton Harbor, and \$400 for improvements at the Hastings hatchery. It accepted a bid of \$8,500 for the construction of a hatchery at Bay City and instructed Baird to spend not more than \$7,000 for equipment.

Addressing the Lions Club at Grand Rapids Dr. Frederick A. Perry, of Detroit, director of boys' work of the American Legion, asked the State to give a million dollars for the orphans of World War veterans. "If the State will give us \$1,000,000 we will take care of all the destitute children of Michigan's veterans in the best possible way for 10 years," he said.

Four-year-old Andrew Brubaker led his blind father safely out of their burning home at Sault Ste. Marie recently as the flames crackled all around them. The fire was discovered by the child, who rushed to his father, grabbed his hand, and the two groped their way through the smoke to the door.

Dean John R. Effinger, of the literary college, represented the University of Michigan at the memorial services in Kalamazoo for Dean Clark D. Williams, who was killed in the Japanese earthquake. Dean Effinger presented resolutions of sympathy from this university.

Charles Rockwell, former member of the board of education and retired business man, was appointed to the Pontiac city commission, to fill the vacancy caused by resignation of Rev. Russell H. Bready, transferred to a Detroit church. Rockwell was the unanimous choice.

Walter Grant, of Albion, was elected president of the Michigan Professional Photographers at the concluding session at Grand Rapids of the semi-annual convention. Charles Hoppe, of Detroit, was elected vice president. The next convention will be held in Flint.

The supervisors of Monroe county have authorized chairman and clerk to enter into a contract with federal and state authorities to test cattle in Monroe county for tuberculosis trouble. The sum of \$3,250 was fixed for 1924 and a like amount in 1925.

Because he stole a fellow worker's lunch, James Brown, a Pere Marquette railroad employe, was sentenced by Police Judge Frank A. Hess to serve 30 days in jail in Grand Rapids.

The Manistee county board of supervisors voted 22 to 2 in favor of holding a special election to submit a bond issue sufficient to pay the county's share of the cost of building M-11 through the county here next year.

Briefs filed by W. W. Potter, chairman of the State Public Utilities Commission, with the Interstate Commerce Commission in connection with the latter's general hearing on depreciation reserve, recommend that the public be not required to pay for the excessive depreciation of railroads or telephone systems caused by mismanagement. Two briefs were filed, one covering telephone and the other railroad depreciation. The Michigan commission, the briefs declare, believes that rules should be established for the regulation of depreciation funds.

With winter near, Marquette faces the worst shortage of water for power purposes in its history. The municipal dam on Dead River has been so low that all commercial power users in the city were cut off and current furnished for lighting and cooking only a little more than 12 hours out of 24. Unless a heavy rainfall occurs soon there is a probability of a more acute electrical famine during the winter. The situation is the result of an unprecedented drought in the Upper Peninsula.

Actual work on grading for the widening of Woodward avenue has been begun by the road contractors, who got an order to proceed with the contract recently awarded them by the State. Work was begun on the Stinchfield Hill, two miles south of Pontiac, where the course is to be changed and the grade lowered. It will be necessary to fill in a portion of the Stinchfield artificial lake, which has long been a place of scenic beauty along the route.

The Rt. Rev. Herman Page missionary bishop of Spokane, who was elected bishop of the diocese of Michigan on the first ballot at the special diocesan convention of the Protestant Episcopal church in Detroit, has accepted the election, it was announced by Rev. W. D. Maxon, president of the standing committee of the Episcopal diocese of Michigan.

Mrs. Elizabeth M. C. Merritt, 88 years old, one of Battle Creek's first Quakers, died recently. She came here from Philadelphia as a bride in June, 1858. She was first vice-president of the Women's club, founded 59 years ago; one of the organizers of the Woman's league, and one of the first directors of the Charitable union.

Approximately 400 corporations are delinquent in the payment of their corporation tax, E. V. Chilson, deputy secretary of state, announced. Payments are coming in daily, however, and it is likely that the list will be considerably shortened before the names are turned over to the attorney-general for collection.

IN JUSTICE COURT.

Steve Belinski of Ellington was arrested Monday by Game Warden McDougal on a charge of having killed fur bearing animals out of season. Among the skins found were 11 muskrat hides, a mink and a coon. Belinski was arraigned before Justice Brown and paid fine and costs amounting to \$18.

C. Wopinski of Ellington was arrested Oct. 15 for non-payment of dog tax on Oct. 15 and was assessed a fine and costs of \$13 by Justice Imerson. Failing to pay the tax after his release, he was again arrested a few days later on the same charge. Arraigned before Justice Brown on Oct. 17, he paid costs amounting to \$8.75. Dell Akers of Ferndale was arrested in Caro Saturday charged with driving a car while under the influence of liquor. He paid a fine of \$50 and \$8 costs and will also settle damages of about \$40 on a machine which was placed in need of repairs when he ran into it. He appeared before Justice Brown Monday.

Monday, on complaint of Sterle Spencer, Harry Griffin of Decker when arraigned before Justice Cragg for the larceny of a horse. He pleaded guilty, and was sentenced to pay costs of \$15.75 and ordered to return the horse to its owner.

Clare Tuttle, an inmate of the Pontiac state hospital, escaped from the institution and was picked up Saturday by Deputy Cartwright, who brought him to the county jail at Caro. Authorities of the hospital took him to Pontiac Monday.

You laugh at the prohibition laws; the libertine laughs at the marriage laws; the anarchist laughs at the property laws; your boy may laugh at all laws. Let us quit laughing at any law.—Dan Mergan Smith.

NOTICE TO CORRESPONDENTS.

When correspondents find that any of their items are omitted—items that

perhaps they have taken pains to get in all probability it is because they have neglected to give the place of residence of the people mentioned. We have little chance of knowing where all the people live that you may mention and a personal about one neighbor visiting another is not important enough to give. May we give you an example: Here is one we are omitting this week: "Mrs. Blank was a caller in our vicinity Monday." In the first place a call is scarcely worth mentioning unless it is from some one from a considerable distance away, or a person who may have been an old resident of the vicinity, or there might be other good reasons for giving it, but in this case you see, not even the locality of Mrs. Blank's home was given.
