

NEW CURRENT TURNED ON SATURDAY

ELECTRICITY USED COMES HERE FROM EDISON PLANT AT MARYSVILLE.

About five o'clock Saturday afternoon, electrical current furnished by the Great Lakes Power Co. displaced the local made "juice". When Mr. Schumaker, construction engineer "turned on" the new power, the whistle at the power house was blown to notify townspeople of the important event and immediately homes and business places were flooded with a light which, due in part to imagination without a doubt, seemed more brilliant, more steady and generally better.

However, whether fancied or not, it is reported by users for both light and power purposes that a noticeable improvement has been seen in the service thus far in that the power is much more steady.

Near-by towns who are either already using the power or awaiting service are as follows: Kingston, Clifford, North Branch, Mayville, Caro, Marlette, Yale and Brown City. The electricity Cass City now uses comes down a continual stretch of wire from Marysville, Mich., where the Edison generating plant is located. Poles are set and wire stretched as far north as Pigeon now.

Superintendent Brown is keeping the boilers at the local plant under steam for a few days providing against a possible failure in the new high line which sometimes occurs in such construction.

Members of the council are besieged with inquiries about immediate rate reductions. To these interrogations, they plead innocence to having any knowledge whatsoever about the matter. They say a little experience in running the new line will enable them to get a better idea of the possible rates. At present there will be no change in the personnel of the employees and only a slight change in shifts which will make the work much easier. Water will be continued to be pumped by steam for a time at least. As for the remainder of the machinery the council as yet have not decided what is to be done with it.

One vast improvement in the service which will be greatly appreciated is the all day Sunday service. This has not been given in the past and will not be given next Sunday on account of repairs and uncompleted work farther down the line.

BOOSTER MEETING OF TUSCOLA HOLSTEIN BREEDERS

J. C. Hays, Will Address Farmers at County Seat Next Thursday Afternoon.

Tuscola County probably ranks at least third among the counties of Michigan in the number of purebred Holstein cattle; many believe it ranks first in quality of Holsteins. These facts are not generally known in other sections of the state, principally because the breeders in this county have not "tooted their own horn" nearly as much as have the breeders in other sections.

Believing that it is time to have a general booster meeting of the breeders, J. C. Hays, has been secured to give an address at a Holstein meeting to be held at the Court House in Caro, on Thursday, Jan. 24th at 1:30 p. m. Mr. Hays is a Holstein breeder from Livingston county who is now acting as field man for Michigan and extension dairy specialist from M. A. C.

Every person interested in dairying and especially if interested in Holsteins is urged to be present. Mr. Hays will have interesting facts to present.

SCHOOL NOTES.

The point honors system in which all C. C. H. S. students are striving manfully becomes even more eventful for last month a tie was scored. Helen Sisson, freshman, who has so far led the high school in the race received 14 points thus far this year which number of points Robert Dilman, junior, has now also gained. Heretofore Robert has been slightly behind Miss Sisson but was a high point winner last year. These two are closely followed by students striving for the crown of glory.

The Farm Crops class in the agriculture department will be glad to test seed corn and prepare it for planting free of charge if the farmers will bring it in and return for it when the test has been made. This department has facilities for handling unlimited quantities. This plan of testing seed corn is proving to be a paying proposition.

Statistics of the local schools concerning attendance for the month of December are as follows:

Grade	Per cent of tardy attend.	No. tardy marks
High School	96.9	25
Eighth Grade	100.	1
Seventh Grade	98.1	2
Sixth Grade	98.6	1
Fifth Grade	98.1	4
Fourth Grade	97.5	4
Third Grade	97.	3
Second Grade	95.	9
First Grade	94.5	2
Kindergarten	95.	5
Total	96.06	54

Considering the unusual amount of illness last month this per cent of tardy marks is a record.

COMMUNITY BACKS FAIR DIRECTORS

SUBSCRIBERS GUARANTEE AID IN EVENT OF FINANCIAL LOSS OF EXPOSITION.

When Cass City Fair directors met in December, they passed a resolution stating that they deemed it too much of a task and responsibility to carry on a fair without the co-operation of the business men and the people of the community and that they would decline to assume the responsibility further without such co-operation.

That the community was interested in having the fair continued was demonstrated when a guarantee subscription paper was circulated recently which called upon those signing to make up any deficiency up to \$1,500 in the event the fair did not prove financially successful in 1924. That amount was oversubscribed.

D. W. Benkelman, secretary of the fair, left Tuesday afternoon to attend a meeting of the Michigan Fair Association at Lansing in the interest of the local fair.

DESPONDENT OVER ARREST, MILLINGTON MAN SUICIDES

Sheriff Colling and As't Prosecutor Orr Decided Inquest Was Unnecessary.

Harry Lee Deager ended his life by shooting himself in the head at his home at Millington Friday.

Despondency over his arrest as an accomplice of another man in the alleged theft of some furs is said to have led to the suicide.

Deager was released on bail at Lapeer Thursday from the Lapeer county jail and it was expected that he would be placed on probation by the authorities as his record had been a good one previous to the time that he was induced by his companion to go into the deal which led to his arrest.

Sheriff Colling and Assistant Prosecutor Orr went to Millington and found there was no need to call an inquest.

MILLINGTON MAN SHOWS PROFIT IN POULTRY

December Report from Eight Tuscola Co. Demonstration Farms Shows Various Results.

The December report from the eight Tuscola County poultry demonstration farms show various results from different methods of handling poultry.

PEARCE GIVES INSPIRING ADDRESS

C. C. C. C. ADOPTS CONSTITUTION AND NAMES EXECUTIVE BOARD.

Tuesday evening witnessed the second monthly meeting of the Cass City Community Club, the serving of its second banquet, the adoption of a constitution and the election of members of the executive board.

A bountiful supper was prepared by the ladies of the Evangelical church and was efficiently served by a squad of 17 club members under the leadership of A. H. Higgins.

Following the meal, came community singing, the reading of the constitution and its adoption and the election of members of the executive board. Pastors of local churches and the superintendent of schools are ex-officio members of the board and elective members are a layman from each church of the community and a representative at large. Those elected Tuesday evening are G. H. Burke, F. A. Bigelow, G. W. Landon, A. A. Ricker, Robt. Warner, John Ross, John Marshall and J. M. Dodge. Officers will be elected from the executive board.

M. B. Auten presided capably as toastmaster in a happy manner. Three guests were present from the Bay City Board of Commerce who made brief addresses. Wm. E. Snelling, better known as "Ted" Snelling by his local friends, spoke of boyhood reminiscences in Cass City. Warren E. Carter, treasurer of the Bay City board, advocated co-operation in community affairs and P. M. Haller, Bay City justice of the peace, gave a peppy talk on upbuilding the community.

Webster H. Pearce, professor of mathematics at the State Normal at Mt. Pleasant, was the principal speaker of the evening. Using "The Arithmetic of Life" as his theme, he gave his audience an inspiring address in which he stressed high ideals, the value of friendship and the need of frugality. The danger, to this nation, said the speaker, lies not with its men of stability, but those who have nothing at stake are likely to prove a menace to the country. Every man should possess some property, but a man's wealth is not measured alone in dollars and cents. How much does he possess in personality? Does he stand for something besides what he's got? How much is he valued in the friendship of his fellows, in his church, as a man among men? Not how many dollars, but how many good deeds has he done, how many friendships has he made, is his value of true worth.

Over one hundred members besides guests of the evening were present.

TWO AUTOS TO BE GIVEN AWAY

MANY OTHER MERCHANDISE PRIZES TO BE PRESENTED BY MERCHANTS.

Two automobiles and 38 other merchandise prizes will be given away by Cass City business people in a vigorous trade campaign which begins next Monday.

A Ford touring car is the first gift automobile and Feb. 20 has been selected as the date of its presentation. On Mar. 19, the closing day of the campaign, the second automobile, a Chevrolet sedan, will be presented.

On each Wednesday afternoon during the eight weeks, several merchandise gifts will be distributed. Those selected for the first Wednesday which comes on Jan. 30 are valued at \$47.50. They are an upholstered wicker chair, 100 pounds of granulated sugar, a \$10 savings account, a barrel of flour and a large ham. A page announcement in this issue gives full particulars regarding the campaign.

LAMB ON FINAL VARSITY DEBATING TEAM

Cass City Boy Is Now Among Thirteen Surviving All Eliminations.

Randall Lamb of Cass City is announced on the final varsity debating squad at Western State Normal, Kalamazoo. He was selected on the preliminary squad several weeks ago and is now among 13 surviving all eliminations.

This is the local boy's second year on the normal debating team. He did valuable work for the college last winter and was considered one of the best prospects for this season. He

is treasurer of the Delta Rho, honorary debating society, and active in the Tribunal, a debating organization, and in the Western Normal Players. The Kalamazoo Normal coaches are drilling their debaters for a series of meetings with several of the leading colleges of the middlewest.

SEVEN MARRIAGES TO ONE DIVORCE IN TUSCOLA

It is quite interesting to compare the number of divorces applied for during the year just passed with the number of marriages in Tuscola county. Reports just compiled by the County Clerk's office show that during the year 1923 there were 200 marriage licenses issued and during same period 38 bills for divorce were filed and 30 decrees granted. Three bills were withdrawn or dismissed during the year.

OFFICERS LOCATE LARGE STILL

ARBELA TOWNSHIP MAN HAD STILL STEAMING WHEN SHERIFF ARRIVED.

Sheriff Colling and Deputy Hurley uncovered the second biggest still captured during Mr. Colling's term as sheriff. The still was located in Arbela township and was the property of Mike Jakowczyk. It was "doing business" when the officers visited the Jakowczyk farm Tuesday. Twenty gallons of whiskey and 200 gallons of mash were also found there. Thos. Swantek, who lived across the road, had five gallons of whiskey at his home. Both men were brought before Justice Brown and were bound over to the circuit court.

Robt. Ratzka of Arbela was arrested on a charge of selling intoxicating liquor. He appeared before Justice Lamon of Millington and was bound over to the circuit court.

Deputy Sheriff Hurley arrested John Schuman and Tony Begel in Genesee county Monday on a charge of being drunk in Millington Sunday. Justice Lamon assessed fine and costs of \$10 to each man.

Officers found a small quantity of whiskey and a still at the home of Bramish Golbenski at Wilmot Friday. He was bound over to the circuit court by Justice Brown. At the home of Andrew Ervis in Vassar township officers report the finding of a complete still, a gallon of whiskey and two barrels of mash.

Sheriff Colling, on Tuesday, arrested H. Jassen, proprietor of a Vassar pool room, for selling cigarettes to minors and allowing them to play pool in his establishment. Justice Varnum assessed a fine of \$10 and costs of \$4.

G. C. A. C. MEETS NEXT WEDNESDAY

Formal Opening of New Club Room by Local Club Members.

The opening meeting of the Cass City Athletic Club will be held in the new club room next Wednesday night at 7:30. Burton Wayne will preside at the meeting and H. W. Holmes, superintendent of Cass City high schools, Harry Huller, principal, Earl Brooks, coach of high school athletic teams, and Willis Campbell, instructor in agriculture.

MAUD WILLIS.

Miss Maude Willis, reader of plays, has been secured through the well-known Redpatl. Bureau to appear on the local lyceum course next Monday evening.

Miss Willis generally presents "The Witching Hour," by Augustus Thomas, or "Mary Jane's Pa," by Edith Ellis, as numerous requests are made for one of these two.

Among other plays in Miss Willis' repertoire are such favorites as "The Fortune Hunter," by Louis J. Vance and "Turn to the Right," by Winchell Smith.

The type of program given by Maude Willis, her manner of delivery and her personality are best described in the typical newspaper comments which follow:

Times—Seattle, Wash.: "She has the highest reputation in her profession."

Free Press—Detroit, Mich.: "Her wonderful sympathy with humanity, charming personality, and strong magnetism held her audience from beginning to end."

Herald—Dayton, O.: "She is so charming in manner that she does not need to utter a word to gain applause."

News—Newark, N. J.: "Her performance of last evening was the best of its kind ever heard here."—Adv. 1 been paid.

THUMB SHIPPERS GREATLY HELPED

WIPING OUT FREIGHT ZONES AND INFLATED MILEAGES MEANS BIG RATE CUT.

The extension of Zone A to include all of the Thumb district of Michigan, even that part which formerly was a part of Zone C was one of the outstanding features of the great legal victory gained by the Michigan State Farm Bureau when the Interstate Commerce Commission granted a favorable decision in the freight zone rate case.

All of Huron county and parts of Serrilac and Tuscola counties were in the old Zone C, while the remainder of the Thumb was in Zone B. The new ruling will wipe away all zone restrictions for this region and place it entirely in Zone A.

The extent of the reduction in rates which this case has accomplished for the northern portions of Sanilac and Tuscola counties and for all of Huron county is very great. The first class rates applying to shipments of clothing, dry goods and high class merchandise generally will be reduced about 10 or 11 cents per hundred pounds. Still more important is the fact that the fifth class rates which generally apply to shipments in carloads, including shipments of hay, beans, potatoes, apples, canned goods, etc., will be reduced from 3 to 5 cents per hundred pounds, or from 60 cents to \$1 per ton.

In addition to these reductions it is well to remember that rates to and from points in the Thumb territory will eventually be still further lowered, due to the fact that the commission has required the railroads to recheck the mileages on which the rates are based. Rates to and from the Thumb territory have been based on greatly inflated mileages since 1917 and one of the principal efforts made by the Farm Bureau in presenting the case was to secure the deflation of these rates to the basis of more nearly actual distances.

As illustrating such mileage inflation and their effect upon the rates it may be noted that while the actual distance from Cass City to Toledo, Ohio, is only 160 miles, the railroads have been charging for 226 miles, or 66 miles more than the real distance.

Taken together, the benefits resulting from the wiping out of the former zones in the Thumb district and the reduction of inflated mileages will mean a considerable saving to all Thumb district shippers. For instance, it will mean that while the old fifth class rate from Cass City to Toledo, was 30 cents, the new rate will be reduced to 23 cents. There will be corresponding reductions for other Thumb district shipping points.

GIRL DROWNED AS AUTO GOES THRU ICE

MISS NINA HENNE IS VICTIM OF ACCIDENT AT BAY PORT SUNDAY.

Miss Nina Henne, 17 year old high school girl, was drowned in the icy waters of Wild Fowl bay, 1 1/2 miles from Bay Port, Sunday afternoon when a Ford coupe in which a young man and three girls were riding broke through the ice. The others in the car escaped by opening the automobile door as the car was going down. It is thought that the ice forced the door of the car to close before Miss Henne could follow her three companions out. Attempts to rescue her from drowning proved fruitless.

Miss Henne's body was recovered about two hours after the accident by fishermen who cut a hole in the top of the automobile as it lay in the deep water. Miss Henne's parents reside at Bay Port.

ELKLAND IS BANNER TWP. IN REMITTING TAXES

Approximately Nine-tenth of Taxes Have Been Paid Says Treasurer Croft.

Mrs. Burdeen Hoover, county treasurer, announced Wednesday that Elkland township was the banner township thus far this year in returning to the county treasurer the largest percentage of state and county taxes. This is an indication of prompt payment on the part of Elkland township citizens and of efficient service on the part of the township treasurer, Ernest Croft.

Mr. Croft says that approximately nine-tenth of Elkland's tax has

MUSIC CLUB IS ORGANIZED

OBJECT OF SOCIETY IS THE STUDY OF MUSICAL.

A number of Cass City women met Monday evening in the Presbyterian church to discuss the organization of a music club, the main purpose of which would be the study of things musical. Programs would probably consist of papers concerning lives of famous composers and the rendition of certain musical selections. The Cass City Woman's Choir which has been organized for the space of nearly three years under the direction of both Mrs. Jean Whitcomb-Fenn, who founded the organization and trained the women for two seasons, and Mrs. Caroline Fenn-Bigelow, who is now in charge, will continue as a branch of the club, meeting every week as in the past. The new society will convene in all

GOOD SEED CORN WILL BE SCARGE NEXT SPRING

County Agricultural Agent Sims Offers Help to Locate Good Seed.

While the past fall has seemingly been a very good one for most crops we find corn after having been harvested thirty to ninety days has a very high percentage of moisture, some testing as much as 30 per cent moisture. The reason for this is probably the lack of good maturing weather at the proper season.

Corn containing more than 12 to 15 per cent moisture, which was not well cared for during the severe weather a short time ago, has its value for seed greatly impaired if not entirely ruined. From present indications good seed corn will be very scarce next spring. Poor seed is very expensive. Even though 75 per cent will germinate many of the sprouts will be found to be weak, which probably means no plant. If possible old corn should be used instead of new corn. If unable to locate good seed corn write the County Agricultural Agent at Caro.

Another seed proposition which Michigan farmers will have to contend with next spring is imported alfalfa and clover seed. Most of this imported seed is found to be unsuited to withstand our winter conditions. If at all possible, farmers will, in most cases, find it profitable to purchase clover seed from their neighbors, also be very careful as to the origin of the alfalfa seed which they purchase.

INSPIRING SERIES OF MEETINGS CLOSED SUNDAY

One of the Most Successful Evangelistic Campaigns Held in the M. E. Church.

The two weeks evangelistic campaign under the direction of the Colegrove party closed eventually on Sunday. The members of the M. E. church who sponsored the series of meetings were not only helped and inspired to greater service but many came to the altar each evening to show their intentions of living the Christian life.

On Saturday evening, the Booster choir, composed of children, who had been under the direction of Mr. DeVries during the week, gave a brief, well organized and appealing program in a brisk "peppy" manner as only

THE COMMON SENSE
OF IMMIGRATION.

"Civilizations do not always fall before the attack of invading armies; sometimes they fall before the peaceful penetration of alien peoples coming through the nation's gates as workers or as slaves."

Thus remarked James J. Davis, Secretary of Labor, to Oswald Ryan, of Anderson, Indiana, on a recent evening as they sat in the banquet hall of one of the oldest palaces in Vienna. They had been listening to their host as he told how in the very room in which they were sitting King John Sobieski in the 16th century had banqueted his generals after his great victory over the Turkish hordes that had been stopped that day on the very threshold of Europe.

The truth uttered by the American Secretary of Labor is just beginning to sink into the minds of the people of United States. We are just awakening to the fact that for a generation, as a result of our foolish policy of indiscriminate welcome to all sorts and conditions of alien people regardless of their fitness for American citizenship, we have set in motion forces that threaten to destroy our American civilization.

True, these modern invaders of America do not come, like the alien hordes of old, on horseback, fantastically clad and brandishing glittering swords. But they come with their minds filled with all sorts of strange social and political ideas, with their bodies infested with vermin, their blood often tainted by racial instincts that bear an unalterable enmity to the spirit and purposes of American life.

Anyone who doubts the truth of this statement need only examine the membership roles of our communist and anarchist groups in the United States and the registered of our public penal, charitable and insane institutions. The disproportionately high percentage of alien stock members and inmates in these quarters will settle the doubts of the most skeptical on this point.

The plain truth is that certain European governments for a generation have practiced the official policy of unloading their degenerates and undesirables upon the United States as emigrants. The leaders of the old world privately admit the fact. Said the President of one republic of central Europe to Secretary Davis and Mr. Ryan on their recent European tour of investigation: "We are willing to let you have our immigrants—the old, the infirm and the rubbish!" Said the ex-Prime Minister of another great state of southern Europe: "Remember, gentlemen, that we cannot afford to let you have any of our good peasants. You may have our political malcontents, but not our good people."

It is amazingly true that American sentiment lists still demand liberal immigration as a means of helping relieve human congestion in European countries. "We have got to take care of Europe" they say. They close their eyes to the bigger fact; that the time is here when we have got to take care of the United States, its ideals, its institutions and its Divine destiny.

We have a right and a duty to bar any group of aliens who do not fit in with our scheme of life. It is not a question of racial superiority. The American people may not be superior to every other people on this earth, but one thing we may be sure; that the Americans are better fitted than any other people for the particular job of preserving this country and preserving her ideals and institutions unto the last generation.

We are told that the immigration gates should be thrown open to the impoverished labor of southern and eastern Europe in the interests of American industrial needs. Those who talk about cheap labor should remember that the most expensive labor on earth is slave labor.

And if there is any industry in the United States that cannot get along without the cheap labor of Southern and Eastern Europe then the American people will find it profitable to get along without that industry.

Let's have an immigration policy that will be fair to the American people instead of a policy that seeks to be fair to every alien people at the expense of the American people; an immigration policy that will insure the trustees of American institutions in the future shall be the children, not of those now toiling in the Mediterranean, the Balkan and the Eastern European world, but the chil-

dren of the Americans who are at the present trustees of America.

YOU ARE TAXED ONE-SIXTH
OF ALL YOU MAKE

A sixth of the income of the American people is taken, directly and indirectly, for taxes, claims, William S. Herron of the National Real Estate Association. He includes all taxes—national, state, school, municipal, etc. His figures are based on 21 states. It means that the public gives up all it produces, one day out of every week, for taxes.

WHERE SOME SUCCEED.

Right where one man fails, another man succeeds. Right where the farmer starved, the Standard Oil started. Right where the inactive lazy, indifferent neighbors said it couldn't be done, the wide-awake worker went ahead and did it.

President Coolidge declares the public welfare requires a reduction in the price of fuel and the public pocketbook says, "Amen."

As the days pass the Mellon proposal for tax reduction grows more and more in public favor.

If people hated wars as they do paying for them, perfect peace would prevail.

Too many men would rather be applauded than right.

Dogmatic Man Frequently Wrong.

Nothing can be more unphilosophical than to be positive or dogmatic on any subject; and even if excessive scepticism could be maintained it would not be more destructive to all just reasoning and inquiry. When men are the most sure and arrogant they are commonly the most mistaken.—Hume.

Mystery of Sleeping Sickness.

Sleeping sickness, the African mystery malady, is not contagious in the ordinary sense of the word, but at the same time it may be "caught" and passed from one to another, but under just what conditions this may take place is a mystery. A symptom is not always a desire for sleep, but alert wakefulness.

Why City Lighting Was Opposed.

A hundred years ago the proposal to use gas for street lighting purposes was opposed in New England on the ground that artificial illumination was an attempt to interfere with the Divine scheme of things which had ordained that it should be dark at night.

NOTICE.

Notice of Review of Special Assessment for the improvement of Assessment District Road No. 244, under Act 59, Public Acts of 1915, as amended.

To all persons interested in said assessment in the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County, to the said Townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and to the said Counties of Huron, Tuscola, and Sanilac.

Whereas, I, as State Highway Commissioner of Michigan, have heretofore determined that the highway commencing at the west section corner common to section 35, town 15 north, range 11 east, Grant Township, Huron County and fractional section 2, town 14 north, range 11 east, Elkland Township, Tuscola County; thence east on the Huron-Tuscola County line between sections 35 and 35, said Grant Township and fractional sections 2 and 1, said Elkland Township to the east section corner common to said section 36 and said fractional section 1; shall be improved in accordance with the specifications now on file; and

Whereas, I, as said commissioner, did heretofore determine the boundaries of the special assessment district No. 244, for said highway known as assessment district road No. 244 to be as follows: Said district includes all lands within the following boundaries in the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County, to-wit:

Commencing at the 1/4 post on the east side of section 36, town 15 north, range 11 east, Grant Township, Huron County; thence west 2 1/2 miles on the east and west 1/4 line of sections 36, 35 and 34 to the center of said section 34; thence south 1/2 mile on the north and south 1/4 line of said section 34 to the 1/4 post on the south side of said section 34; thence continuing south 1/2 mile on the north and south 1/4 line of fractional section 3, town 14 north, range 11 east, Elkland Township, Tuscola County to the center of said fractional section 3; thence east 2 1/2 miles on the east and west 1/4 line of fractional sections 3, 2 and 1 to the 1/4 post on the east side of said fractional section 1; thence continuing east 1/2 mile on the east and west 1/4 line of fractional section 6, town 14 north, range 12 east, Greenleaf Township, Sanilac County to the center of said fractional section 6; thence north 1/2 mile on the north and south 1/4 line of said fractional section 6 to the 1/4 post on the north side of said fractional section 6; thence continuing north 1/2 mile on the north and south 1/4 line of section 31, town 15 north, range 12 east, Sheridan Township, Huron County to the center of said section 31; thence west 1/2 mile on the east and west 1/4 line of said section 31 to the place of beginning.

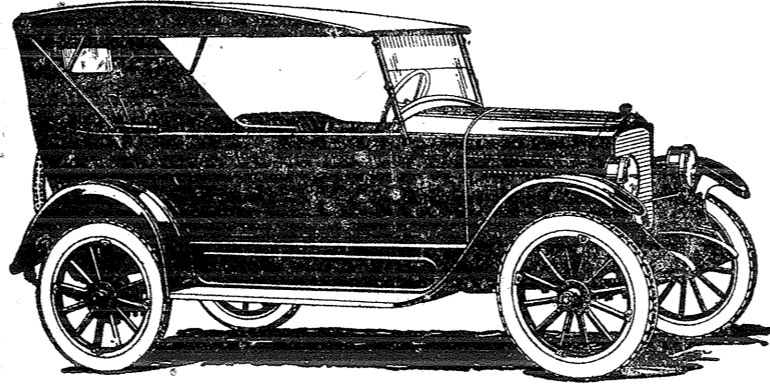

And all lands in the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County, and Greenleaf in Sanilac County within the boundaries above described, will be liable to an assessment for benefits

for the improvement of said highway and also the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and the Counties of Huron, Tuscola and Sanilac at large. Now, therefore, all owners of lands within the above described boundaries in the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and all persons interested in said lands and the townships of Sheridan and Grant in Huron County, Elkland in Tuscola and Greenleaf in Sanilac County and the Counties of Huron, Tuscola and Sanilac are hereby notified that on the 6th day of February A. D. 1924 at 11:00 o'clock A. M. Central Standard Time, I will be present at southeast corner of Section 35, town 15 north, range 11 east, Grant

Township, Huron County along the said highway to be improved, and announce my assessment of benefits upon the lands within said boundaries constituting said special assessment district and upon the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County, and Greenleaf in Sanilac County and upon the Counties of Huron, Tuscola and Sanilac, at large, and the said assessment of benefits will be open to review. All persons, said Townships or Counties may appear and be heard with respect to their several apportionments of benefits for said highway. Given under my hand at Lansing, Michigan, this 5th day of January A. D. 1924.

the next time you bake—give it just one honest and fair trial. One test in your own kitchen will prove to you that there is a big difference between Calumet and any other brand—that for uniform and wholesome baking it has no equal.

Best By Test

THE WORLD'S GREATEST BAKING POWDER

The three essentials

You have a right to demand three things of a battery, the three things that millions of motorists have learned they can be sure of in Exide Batteries:

- 1. Plenty of power
- 2. Rugged dependability
- 3. Long life

An Exide means not only maximum comfort, but maximum economy because it lasts so much longer.

Mathew Mercer of Briarcrest, Sask., has been a guest at the home of his sister, Mrs. Robert Cleland, this week. This visit has been a rare treat for Mrs. Cleland, as 23 years have elapsed since her brother's last visit here.

At a meeting of the directors of the Pinney State Bank Thursday evening, the following officers were chosen: President, Elizabeth E. Pinney; vice president, J. M. Dodge; cashier, Roy Bricker; assistant cashiers, J. C. McRae, Ernest Croft and D. W. Benkelman.

Mrs. (Dr.) P. E. Fleming passed through town last week and stopped for a short time to call on old friends. She spent the holiday vacation with her parents in Caro, the doctor visiting his relatives elsewhere. She reported that both she and her husband enjoy immensely attending school at Kalamazoo.

The young people of the M. E. church after holding correspondence with the Epworth League of Elkton have decided upon the date—Tuesday, February 5, for a visit to the Elkton young people. The agreement is that the Elkton league return in a similar manner the following month. The program outlined consists of a feed by the Elkton young people, a group of recreational activities and either a miscellaneous program or a short one-act play by our local girls and boys. Committees are at work now preparing plans.

Robert Day spent several days at Weil fishing on the ice, returning here this week. Mrs. Day spent a part of the time with him there.

A young people's chorus choir of over 30 members has been organized at the M. E. church and held its first regular practice on Tuesday evening under the direction of Mrs. Caroline Fenn-Bigelow. The choir will sing each Sunday evening and a cross, similar to the one used during the evangelistic services, is being purchased for use during the song service. A service for the dedication of the new cross will be held next Sunday evening.

Avery B. Lee of Riverside, Calif., sending his renewal writes: "We herewith renew our subscription to the Chronicle another year. This paper, together with the Enterprise which the Chronicle succeeded, has now been taken continuously in our family for practically one-third of a century. We are now in common with the rest of the U. S. A. in the midst of our winter such as it is, although, of course, to the new arrivals from the east it doesn't look like winter at all. The orange crop the principal industry hereabouts, is now fully golden ripe on the trees and ready for picking. The crop generally speaking is very good this year, both as to quantity and quality, but the prices are quite the reverse, and very poor and discouraging to the growers; in fact, in some cases not bringing the growers hardly anything net. However, so far this winter we have escaped any frost damage here in the south and 10 days more or by Jan. 20th will put us over the danger period, so we are looking for better conditions after that. We wish the Chronicle and all our old friends around Cass City a happy 1924."

SHABBONA.

No services Sunday evening. The pastor, Rev. Jones, is sick.

Ray McGregory had an operation for removal of tonsils last week.

Arline Meredith is employed at the home of Harry Collar at Decker.

Ms. Mary Meredith is visiting her daughter, Mrs. S. Robinson of Greenleaf.

The funeral of Mrs. Amasa Brown, who died at Peck last week, was held here Thursday. Interment in Novesta cemetery.

Mr. and Mrs. Nelson Hyatt entertained relatives from Pontiac last week.

Stanley Waldon of Pontiac was the guest of his sister, Mrs. Nelson Hyatt, Sunday.

Art Meredith, who has had a very serious attack of gall stones, is some better at this writing.

Oakley Phetteplace was called home from Ypsilanti Saturday owing to the serious illness of his father, Ed.

Phetteplace. Wm. and Victor Hyatt of Flint came Saturday to spend a few days at the latter's home here.

J. A. McMahon of Argyle and Mr. and Mrs. Frank Neville of Minden City were Sunday guests of Mr. and Mrs. J. P. Neville.

Mr. and Mrs. W. F. Ehlers of Decker spent Sunday with Mr. and Mrs. M. J. Ehlers.

Arline Meredith is employed at the home of Harry Collar at Decker.

WILMOT.

Mrs. C. Woodruff visited at Cass City last Thursday.

Wm. Penfold spent several days in Chicago last week, returning home on Friday.

Revival services commenced Sunday evening in F. M. church here, Mrs. Davis taking charge of services until Tuesday as Rev. Davis will not be home until then.

Mrs. F. Hawkins will serve ladies' aid dinner Jan. 23.

Officers for M. E. S. S. are as follows: A. Schell, supt; Lloyd Schell, sec., Harold Chapin, treas.; Paul Thorp, librarian. Teachers have not been chosen yet.

Mr. and Mrs. Mark Gemmill of Caro visited at C. Woodruff's Sunday.

A letter from Mrs. Mary McCormick, who is in New York for the winter, states she has been enjoying the best of health and expects to come home in the spring.

Difference of Opinion.

Eve was made from one of Adam's ribs. But everybody does not believe that. The Japanese believe that woman grew on a tree. The Persians believe that woman fell from heaven. The Laplanders believe that woman was once a rabbit.

Buffalo Herds Growing.

There were 5,000,000 buffalo in America in 1800. There were less than 2,000 20 years ago. Now there are 10,000 of these animals.

Ford THE UNIVERSAL CAR Looking Ahead LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced. The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring. Winter buying has been increasing at a greater rate than ever before. Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago. Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring. The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery. Ford Motor Company Detroit, Michigan You need not pay cash for your car. You can arrange to make a small deposit down, taking care of the balance in easy payments. Or, you can buy on the Ford Weekly Purchase Plan. This puts you on the preferred order list and insures delivery of your car at a time to be determined by yourself. G. A. TINDALE

Stop! THAT LEAK IN YOUR FEED BILL How long would you use a milk pail that LEAKED your profits to the last drop? Not very long of course. Then why keep on feeding feeds that do this very thing? BUY INTERNATIONAL SPECIAL DAIRY FEED the Feed that makes your feed bill smaller and your milk check larger and puts your cows on a paying basis as other satisfied feeders are doing. Place your order now. The next car will be here about Jan. 15. THE PRICE IS \$38.00 PER TON We cannot guarantee these prices after this car. Elkland Roller Mills ROY M. TAYLOR, PROP. CASS CITY.

BACK TO THE OLD TOWN Notice to the public and community of Cass City that I have bought the harness shop of F. A. Bliss. Come in and we will show you the best harness that money can buy. We also have the shoe shop—Come in and try our shoeman. Watch for prices next week. Come in and shake hands. Yours for business, WM. BENTLEY

Final Clean-up Before We Move We will soon be back into our old location on the corner. We have gone through the many different lines and have priced them at a price that you cannot afford to pass up. Many articles are as staple as the wheat, but we rather sacrifice on our margin profits as to move them. Regardless of the present condition of the cotton and silk market we are selling this high grade merchandise just at what it will cost us to replace them. So it is up to you to buy this at a great saving or wait until later and pay the regular prices. Final on Coats These coats are all this season's styles as you are well aware of, but in order to make a quick clean up we are offering them at the following prices: \$8.19, \$9.25, \$11.98, \$13.98, \$15.98, \$16.98, \$19.98, \$23.98, \$29.98, \$33.48, \$39.98. These coats formerly sold from \$13.50 to \$52.50 respectively. Notice the savings! Final Clean-up on Wool and Silk Dresses Here you can buy a dress for less than the labor to make one. Notice prices—\$2.98, \$4.98, \$5.98, \$7.98, \$9.98, \$11.98, \$13.98, \$16.98, \$17.98 and \$18.98. Regular prices of these dresses was \$3.50 to \$27.50. Why not buy during this final clean up and save almost the price of the material? Final on House Dresses This is a garment that every housewife needs a number of—in fact, never can have too many. OBITUARY—MRS. AMASA BROWN

Caroline A. Bidleman was born July 19, 1853, and entered into rest Jan. 7, 1924.

At the age of 24 years she was married to Isaac Mudge, who died nine years ago. To this union were born nine children, seven of whom are still living: Gertrude Green, Ella Woodard, and Beatrice Rose, all of Detroit, Lansing and Fred Mudge of Owosso, James Mudge of Cass City and Abbie Beals of Peck.

Later in life she was married to Amasa Brown, who died one year ago. She was a faithful wife, a loving mother and kindly neighbor, beloved by all, living a consistent Christian life and entering into life eternal in loving faith in her Saviour and it may well be said of her as of one of old, "She hath done what she could. Blessed are the dead who die in the Lord."

The funeral was held Thursday, Jan. 10, at Shabbona M. E. church, Rev. Jones of Decker officiating.

riculture, will give the addresses of the evening.

A definite constitution was adopted by the local club in a meeting at the high school on Jan. 14. The following principles are set forth by the club: All members must have good standing in the local community. No smoking, gambling, profanity or use of intoxicating liquor will be tolerated by the local club members.

The following officers have been chosen for the coming year; President, Burton Wayne; vice president, Alfred West; sec.-treas., Harvey Bartle.

Club directors—H. W. Holmes, Earl Brooks, Harry Huller and Willis Campbell.

The Athletic Club basket ball team was successful in its first game with Fairgrove on Jan. 8, winning 23 to 12.

Today the Athletic Club team journeys to Bad Axe, where the strong Bad Axe Boy Scout team will be met in the first of a series of games.

MUSIC CLUB IS ORGANIZED

probability about every two weeks. However, a new plan concerning the chorus, was suggested at the Monday evening meeting, that of transforming it into a larger organization of mixed voices and in accordance with the new idea any men who would be interested in choral singing are invited to be present at the next meeting on Monday evening, January 28, at the Presbyterian church.

Mrs. G. A. Tindale and Mrs. I. A. Fritz were appointed as the by-laws committee and will report at the next meeting concerning their decisions. The club will be a member of the state federation of music clubs and will probably exchange programs with other societies in near-by towns.

DEFORD.

On Tuesday, Jan. 22, at 1:30 o'clock, prompt, county grange deputy Tomkin of Fairgrove will be at Society Hall at Deford to talk on grange organization. A good attendance is desired. Michigan Happenings

By the favorable vote of four townships in Benzie county, funds are now assured for the completion of the paving of M-11 from the end of the concrete in Oceana county to Traverse City. The distance is approximately 85 miles and the expense is estimated at \$2,500,000. Tentative promise to undertake this work and push it to completion in 1924 was made early last fall by Governor Groesbeck when a delegation from western Michigan presented their cause to the state administrative board.

William R. Roberts, 53 years old, colored, whose handwriting will be found on thousands of diplomas held by graduates of Lansing and Michigan schools, and who also engrossed the papers of many state documents and photographs of legislators died at Lansing. His ability was recognized throughout the state, and for years he engrossed the diplomas for the M. A. C., M. Pleasant Normal, Lansing and Charlotte high schools and others. Mr. Roberts had been employed at the State Capitol for 22 years.

St. Clair County roads will be marked by approximately 1,500 new cast iron signs next spring, W. W. Cox, county road engineer, has announced. The signs will warn against parking and will inform drivers of railroad crossings, dangerous curves and schools that lie ahead. To save money on the purchase price, St. Clair joined Macomb, Monroe, Wayne and Washtenaw counties in buying 6,625 signs.

Fourteen years ago a Lansing business firm wrote to the secretary of state of Missouri at Jefferson City. No answer was received. A few days ago the letter reached its proper journey's end. For all these years it had lain behind some cases in the post office of that city. Then someone conceived the idea of tidying up and moved the cases. The letter was found.

For the first time in many years the straits between the mainland and Bois Blanc island were open for navigation, at the first of the year, not even a light layer of ice having covered them. The Walker's Point Coast guards have returned to the mainland for the winter season. Their crossing was somewhat perilous owing to a heavy blizzard.

Benjamin F. Mortenson of Detroit, a graduate of the law school of the University of Michigan in 1911, has informed university officials of the establishment of three scholarship funds, each amounting to \$3,000, open to graduates of Detroit parochial or public schools, who may wish to attend the university, Michigan Agricultural college, or the University of Detroit.

The first Boy Scout troop ever organized at the Michigan School for the Deaf, and as far as is known, the first organization of its kind in Michigan, has been formed at Flint. There are 12 boys in the troop, all mutes and the leader, Clyde Stevens, a teacher, also is deaf. Fifty members are expected in the room when the organization is completed.

Specialists from the extension department of the Michigan Agricultural Department are co-operating with Holland officials for the dairy drive in Ottawa County, Jan. 21 to 31. The two standards of farming which will be stressed are dairying and increased acreage in alfalfa. Meetings will be held at 64 places in the county.

A campaign is being launched in Newaygo county under the leadership of Miss Carrie L. Carter, Newaygo county school commissioner to lessen the danger of automobiles hitting children along the highway. Children will be taught to use the left hand side of the road, thus enabling them to see cars approaching.

The business of Alpena County in the county treasurer's office for 1923 was more than \$500,000, almost double that of 1913. The inheritance taxes paid during the past year was the largest in the history of the county amounting to nearly \$5,000.

Announcement has been made that arrangements have been completed for the annual Lansing Automobile Show, Feb. 5 to 9 in the Hudson-Essex garage, near the business center. The exhibition promises to be one of the largest in Michigan.

Miss Adeline B. Ladd, 85 years old for many years teacher of history and Latin in the high schools of Ann Arbor and St. Clair, died at Ann Arbor recently.

The biggest furniture market in point of number of lines shown, was held at Grand Rapids at the Ninety-second Semi-annual Furniture Exhibition.

Rev. Thomas Riley 81 years old, dean of the Lansing Ministerial association, died at his home at Lansing recently. He was formerly circuit rider in Michigan and Ohio, coming to Lansing in 1834.

GOTHAM, SHORT-CHANGE ARTIST

Are you more interested in people or things? Would you rather accumulate friends or dollar bills? That is practically the way a successful young woman lawyer puts the question of city vs. town. The town, she is sure, offers more friendships. The city may give you a higher pile of cash—if you succeed above the average. Otherwise the city short-changes you both ways, she believes.

If actions speak louder than words, it is significant that Bessie Newson, A. B., A. M., LL. B., Phi Beta Kappa (that's the scholarship one, you know), national president of Kappa Alpha Theta (that's a social one that's said to take in only brains plus good looks), moved from Washington to Oklahoma City and Oklahoma City to Hot Springs, Ark.

The moves were dictated by anything but fear of failure. In Washington, Miss Newson, with all her degrees accumulated before she was twenty-four, became a member of a successful firm and was made an associate member of the legal and advisory war board of the city.

In Oklahoma City, a place on the State Democratic speakers' bureau, an income above the average salary, a practice that brought her "warmth of reception and genuine interest," was a few of the early successes attained.

The story in Hot Springs is, she says, "just beginning to be made." A digest of Arkansas laws is on the program for the near future. Her fellow townswomen describe her as "a woman who has won a place for not only herself, but for other women in public affairs. Though yet in her twenties, she is one of the best-informed citizens of the entire country on topics of the day and national and international affairs. Withal she is a winsome, womanly girl, and enjoys the good times of her home club as well as the more serious affairs of her public career."

INSPIRING SERIES OF MEETINGS CLOSED SUNDAY

Concluded from first page. children can. This entertainment was exceedingly well received by the audience which comfortably filled the auditorium.

Sunday morning, Rev. Colegrove spoke eloquently upon the subject, "Let Your Light So Shine" and begged the church members not to be satisfied with a minimum Christian life but to be fearless in standing for high ideals, letting their "light so shine" that all men would see the joy and happiness of Christianity and desire the same quality. A reconsecration altar service, embracing almost the entire congregation, was held at the close of the meeting. Mr. DeVries gave a very appealing vocal selection

and Mr. Piper played skillfully with stirring crescendos a cornet solo, "Open the Gates of the Temple."

The afternoon service for men was very well attended and the impressive address "The Great Fight" given by Rev. Colegrove caused a great majority of the men to come to the altar in prayer that they might live a better life.

In the evening, the auditorium and annex of the church were filled to their utmost capacity. A special number was sung by both the regular and young people's choirs, the latter occupying the front section of the church. Mr. Piper played with exceptional interpretation "The Holy City" and Mr. DeVries sang the most pleasing number of all his solos throughout the whole campaign, "Repent Ye," a classical selection. Rev. Colegrove, in his usual persuading manner, spoke upon "The Unpardonable Sin" and in answer to his invitation several people, young and old, came to the altar. With the singing of "Blest Be the Tie" the meeting was dismissed and a cordial handshake around closed one of the most successful evangelistic campaigns that the church has ever seen, which was brought about due to a great extent to the co-operation of all the churches. The Colegrove party will live long in the memory of Cass City church members who showed their appreciation of the work by liberal contributions. On Tuesday evening the group began another series of meetings at Lyons, near Grand Rapids in which vicinity they will be for several weeks.

Michigan Happenings

Police Court jury recently convicted William Ellerthorpe, Clyde township farmer, of not paying his dog tax, and so far, the constitutionality of State Dog Tax law has been upheld. Mr. Ellerthorpe, however, says that he will appeal his conviction to the Circuit Court at Port Huron, and if necessary to the Supreme Court in his effort to have the law declared unconstitutional. Mr. Ellerthorpe, following his conviction by a jury of six men, was fined \$10. The fine has not been paid pending his appeal.

Shortening of the open season on partridge in the upper peninsula will be one of the questions to be considered at the spring meeting of the Northern Michigan Sportsmen's association. Delegates from the lower peninsula to the annual meeting of the Congress of Michigan Game associations, held in Marquette reported that only a few partridge are left in the lower part of the state and that unless a closed season in southern Michigan is ordered, there is a danger of the birds becoming extinct.

A request has been received from the Traverse City state hospital by the administrative board for an increase in its \$50,000 appropriation for the construction of a dining hall for women patients. It was explained that by authorizing the expenditure of a greater sum a combination building which would afford a recreation room for the patients, can be erected.

While the Rev. H. E. Walker, pastor of St. Paul's Methodist church, of Grand Rapids, was delivering the funeral oration at the services for Gilbert Coffey, in the church last week, Joseph C. Coade, 63, grocer and lifelong friend of Coffey, died of apoplexy. Coade was stricken as the minister began the sermon.

Despite the fact that in December, 1922, Detroit postal receipts made so large a gain over the same month in the preceding year that the city ranked second in the country, the continued heavy business done at the local postoffice once more brought it well up in the gains for December, 1923, over those of December, 1922.

Dr. Benjamin Southworth, 45 years old, of Schoolcraft, one of the most widely known physicians of southwestern Michigan, died at Kalamazoo recently. He owed his wide popularity in several counties to the fact he would drive many miles day or night, whenever called.

The new Oceana County Hospital at Hart has been opened. The capacity of the hospital is 12 beds, and it is believed that it is large enough for the needs of the county. The hospital was realized through public subscription obtained from all parts of the county.

For the first time in its history Muskegon's \$1,500,000 water works system is on a self-supporting basis. The revenue from the plant for 1924 is expected to pay not only the costs of operation, water main extension, but also the bonds falling due and interest.

Southwestern Michigan fruit growers around Paw Paw have checked over the damage done to their orchards by the cold wave. Mild weather up to the recent cold wave had a tendency to make buds and wood tender.

The pulpit of Rev. Father T. J. Ryan, who died recently, after 30 years in charge of St. Vincent de Paul Catholic parish at Pontiac, will be filled by Rev. Father James B. Thornton, of St. John's church, Monroe.

William Barthell places a platform in front of his cream room.

Yes, we remember before the canine was valued. The argument set forth was if dogs were taxed, it would do away with all curs; nothing but selects would grace our land but oh what a mistake! We see it now. Take off the tax. The American is built so what he is forbidden that he will do if it takes a leg. Give us free dogs and liquor.

CASS CITY HAPPENINGS TWENTY-FIVE YEARS AGO

Items of the Cass City Enterprise of January 19, 1899.

Rev. E. Seidwick of Orion, who is visiting friends northeast of town will occupy the M. E. church pulpit next Sunday morning.

There are quite a number of cases of la grippe in town and near by, so that physicians are kept constantly on the move. It appears to be more common here among children than amongst older people.

Rev. Geo. R. Jackson, who is to assist in a series of special services at the M. E. church here, has been delayed on account of the excellent work being done, where he is now laboring, and will not reach here until about February 1st.

E. McKim left on Tuesday morning for Caro, where he has about completed the sale of territory for his patent combination rack. From there he goes to Alma, and will probably make a trip into Ohio before returning.

Rev. Johnson, the Presbyterian minister, in charge of the Gageton circuit, was in town on Monday, trying to secure a residence as he could find none in Gageton. We could not refer him to a vacant house here either.

Quite a few of our townspeople went to Detroit this week to attend the wedding ceremony of our former townsman, Joe Frutchey, to Miss Luelia A. Atwell, who is also well known here, being the daughter of Ogden Atwell, a former resident of Novesta township, but now living in Virginia. The ceremony took place on Wednesday afternoon at three o'clock, at the newly furnished home of the bridegroom on Ash street, and was performed by Rev. Jas. W. Fenn of this place, in the presence of a large number of guests. The newly married couple left at six o'clock the same evening for a two weeks' trip to Washington, D. C., and various points in Virginia. We join their friends in the warmest of congratulations.

are very prompt. Last month the entire school had 18,000 chances to be tardy. There was only one tardiness in every 334 chances or 3-10 of one per cent of tardiness. Our basket ball heroes and heroines were truly "stung" Friday night. They took a nice cold ride to Elkton to play their absorbing game and found their hosts about to depart for Owendale. The matter was traced back easily as Elkton had made the same mistake the week before with Bad Axe. The new coach at Elkton this year could find no record of the games as scheduled by his predecessor last year, so thinking none was arranged for he went ahead and re-dated his basket ball calendar. In that manner a game with Owendale was to be played. Due to their mistake, Elkton agreed to fill our only open date and play on the local floor February 22.

The Camp Fire girls held a short business meeting Thursday last week. Mrs. A. J. Knapp paid her regular monthly visit to us Monday morning and continued her instructions on parliamentary law. These drills are very interesting and prove to be of great value to the students.

Next week a dark cloud obscures all joy for us high school folks for Wednesday, Thursday and Friday we undergo administration of semester exams. Neither will our brightness or studiousness be awarded for there are according to scholastic rule no exemption from the detestable things.

The following agriculture students expect to compete in judging contests at the M. A. C. Feb. 6 and 7: Darwin Bailey, Kenneth Striffler, James McIntyre, Harold McGrath and Arthur Randall.

The remainder of the high school basket ball schedule runs as follows: Jan. 25—Sandusky here. Feb. 1—Caro here. Feb. 8—Sandusky there. Feb. 15—Pigeon there. Feb. 22—Elkton here. Feb. 29—Caro there. Mar. 7—Deckerville there. County Tournament at Bay City

Several of our people attended the evangelistic meetings at Cass City last week to their great profit.

The Deford Village Church—Clifton W. Scott, Minister. This is everybody's church and therefore yours. Come and hear the preaching of the Good News every Sabbath.

Morning worship and sermon 10:00 o'clock.

Sabbath School at 11:30 o'clock.

Evening services at 7:00 o'clock.

Last Sabbath the pastor took for his Sunday morning text, "What doest thou here, Elijah?" Here are some of the salient points in the sermon:

"The world has not all gone bad and we have no reason for despondency.

"God still lives and therefore reigns even though right may seem to be upon the scaffold.

"Draw aside from the wicked through if you would have God talk to you.

"God speaks in unexpected ways, times and places.

"Even the barren places are made sacred by God's presence.

"Fleeing from duty and danger we never get away from responsibility and God.

"It is a mistake for us to think that we are the only good and faithful.

"The best cure for despondency is God."

NOKO.

Mrs. Harris and children of Imlay City spent a few days here during the holidays at the home of Mr. and Mrs. Sherman Hilbourn and returned home Saturday.

Miss Lavern Shaw, who has been attending school in Marlette, spent the holidays here with her parents.

The reception given Thursday, Jan. 3, at the home of Mr. and Mrs. Clayton Chard in honor of the bride and groom, Mr. and Mrs. Thos. Chard, who were united in marriage Christmas eve in Detroit, was attended by about 75 or 80 guests who brought a number of useful gifts. The couple have the best wishes of their many friends.

Some new furniture has been delivered preparatory for the new house lately finished for Mr. and Mrs. T. Chard.

Doings in Neighboring Towns as Related in the Chronicle's Exchanges:

Mr. and Mrs. Thos. Siple of Marlette celebrated their golden wedding anniversary Jan. 9.

Tuscola County Farmers Mutual Fire Insurance Co.'s members elected the following officers at the annual meeting on Jan. 9: President, H. S. Myers, Caro; vice president, Frank Hegler, Novesta; secretary, E. J. Darbee, Caro; treasurer, J. McNair Ealy, Caro. The company now has a membership of 4,096 with property insurance value of \$8,569,026.

People's State Bank of Caro was the successful bidder for the issue of \$200,000.00 school bonds voted by Caro district a few weeks ago, at a sale held Jan. 8. The bid was to pay a premium of \$4,540.00 in addition to paying for printing the bonds and the necessary legal expenses. The purchase was made by the bank for the joint account of Harris, Small & Co. and Detroit Trust Co. Bond dealers say that the premium paid will reduce the rate of interest to a basis of 4.70 per cent.

Tuscola county road commissioners have purchased a new snow plow which will be attached to a powerful 10-ton tractor which will be hurried to sections of the county where the ordinary road graders are not effective in removing snow. Experience in previous winters showed three places in the county where main roads are generally badly drifted. These places are as follows: M-81 between Caro and Cass City; M-81 near Wahjamega. The new plow will be able to cope with ordinary drifts and prospects are reasonably bright for continuous automobile travel all winter on the county's main roads.

When a deputy sheriff can haul in four bootleggers in one day and get the goods on every one of them it is a fair day's work, both in the way of doing things and also in the way of cleaning up this corner of the county, yet this is just the stunt pulled off by John King, marshal and deputy sheriff. As a result of his efforts on Monday, George Wintermute of Lexington village, John Gordon of Worth township, Frank Symonds, west of the city, and Ed. Hutchinson of Buel township, were taken to the county seat on the charge of selling intoxicating liquors, arraigned before Judge Hyslop and their examinations set for the 15th, all being released on bail.—Croswell Jeff.

CHURCH CALENDAR

Argyle M. E.—The election of officers for the Argyle Methodist Sunday school, took place Dec. 16. The following officers and teachers were elected. Dan Henry was re-elected superintendent after very pleasingly carrying out his duties the past year. John McPhail was elected assistant. Theo Ingles and Bertha Kratch were elected secretary and treasurer respectively; Mrs. Jas. McNaughton, organist. The following were elected teachers: Mr. Henry, the young people's class; Mrs. Sluyter, Bible class; Mrs. McNaughton, primary; Mrs. C. King, little people's class. With this staff of teachers and officers, the Sunday school will doubtless have a very successful year.

Annual election of officers following Junior and Senior Leagues, 6:30. Evening service at 7:30 with special music by the chorus choir, dedication of the Lighted Cross, and evangelistic sermon, "The Priceless Truth." You are most cordially invited to attend these services of worship.

The Home Guards will meet this (Friday) afternoon at the home of Mrs. J. A. Sandham.

The first of a series of cottage prayer meetings were held Tuesday evening. The prayer for older peo-

ple were held at the following homes: J. A. Sandham, Jonathan Whale and Mason Wilson and the young people's prayer meeting at the home of Ely-nore Bigelow. The first chapter of Acts was studied this week and the second chapter will be taken up next Tuesday evening. Next week's prayer meetings will be held at the following homes: Adult—Angus McPhail, H. R. Wager and A. H. Kinnaird. Young people's meeting will be held at the home of Laura Bigelow. These cottage prayer meetings will continue up until Easter. Danner attendance this week was gained by the young people who had nearly 30 present.

The Woman's Home Missionary Society will meet this (Friday) afternoon at the home of Mrs. R. S. Proctor. Every member is urged to attend.

MILLINGTON MAN SHOWS PROFIT IN POULTRY

Concluded from first page. lights and is feeding balanced rations. From these pullets during December he gathered 9315 (776 dozen) eggs. His flock of 163 hens are kept in a separate coop, are carefully handled but are not artificially lighted nor fed a strong laying ration, because they have been carefully selected for breeding characteristics and Mr. Burns wishes to use eggs from them for hatching purposes next spring. Forcing them to heavy laying would impair their use as breeders. From these he received a total of 804 eggs. All together Mr. Burns sold \$440.00 worth of eggs and had a feed cost of 104.69 leaving a balance above feed cost of \$335.31 for the month.

Walter R. Ayre of Caro has a flock of 398 White Leghorn pullets which were hatched in May. These pullets have not been forced, in fact they have been held back, because Mr. Ayre will use eggs from them in his newly installed 10,000 egg hatchery and wants to sell chicks that will be strong and healthy. He is not using artificial lights. He received 3466 eggs during December which sold for \$118.14 against a feed cost of \$48.11 or a balance of \$72.03. Mr. Ayre has grown his fowls to a large, strong, healthy flock which will produce when he wants production to start.

E. S. Cummings, another Millington poultry keeper, from a flock of 190 hens and 377 pullets of the White Leghorn breed, sold 6175 eggs for \$234.26 with a feed charge of \$68.77 leaving a balance of \$165.49. Mr. Cummings has somewhat late hatched pullets and purposely is not pushing production to the fullest extent.

W. C. Morse of Gageton and John Hughes with Rhode Island Red flocks of 250 and 60 respectively, are keeping records which show substantial gains.

H. B. Densmore of Fairgrove has 203 Barred Rocks which are coming well considering that Mr. Densmore was physically unable to properly care for them for some time this fall. Reports from the other two flocks for December had not yet been received.

THREE DOGS IN A ROW.

Bailey—At the home of Lester Bailey resides a bristling and lively but adorable pup that plays hard all day and sleeps hard all night with a few exceptions. He is a privileged character and is allowed to sleep on a soft warm rug in the middle of the kitchen floor. He is also petted by being warmly covered up just before the family retires. Up until a few nights ago, this plan proved very satisfactory but then about 2:00 a. m.—"Bow wow wow."

"That dog! Lie down Tag." "Bow-wow-bow-wow." "Well, if he's going to bark all night, go down and let him out."

So one unlucky member of the family does down to let the little pest out, but Tag merely wags his tail and walks demurely to the rug where he lies down and looks about for the blanket. Poor puppy got uncovered and had to be tucked in. Now he has acquired the habit and so has the family—and without a complaint.

Next house please—Bohnsack's—Another night time bark at the Bohnsack home. "Please be quiet!" "Can't you make that dog keep still?"

"It seems I can't. Lie down!" "Say, you don't 'spose the house is on fire do you? I've often read of do—"

"Don't be silly. I'll get up and see what I can do." Silence for five minutes.

"Haw! Haw! Pretty smart I call that!"

"Why, what did he want?" "Well, he led me straight to the garage and there—well, I forgot and left my spot light on. Guess I'd probably had to crank the 'lizzie' in the morning if I hadn't found that out. Dog didn't fancy having the light left on in his bedroom."

Over to Mac's—Dog alley and not a dog—gone. Angus McPhail's got a dog too! Smart? I'll say! Knows how to get the eats at least. Stands quietly by the table until the meal is over and then dons a forlorn starvation expression, rises on his hind legs and begs, looking the table over all the time. "All right! Go get your dish!" He scampers to the wood shed, brings in his dish and when it is filled, takes it in his mouth again and retraces his steps to the wood shed where he dines.

The rear end of the shoe store of Louis Staubus & Son at Pigeon was considerably damaged by fire Jan. 6 and the entire stock was more or less damaged by heat and smoke.

NOVESTA.

Mr. Holcomb is some better at this writing. The Crawford school is well represented by the mumps.

Arthur Frost was in Caro on Saturday.

Harry Phillips had quite an experience on Wednesday last when his car

skidded into the ditch near Fred Ball's corner. Car upset and pinned Harry down until aid came. Not much damage was done beyond a few bruises.

Chas. Cook is still suffering from his fall from loft in barn, but slowly gaining.

The Novesta Arbor, A. O. O. G., held a meeting at the home of the

secretary-treasurer, J. H. Pringle, on Thursday afternoon.

Mr. and Mrs. George Barker spent Sunday at the home of Mr. and Mrs. A. H. Henderson.

King Vidor presents

"Three Wise Fools"

A brilliant picturization of the famous Broadway stage success.

A MILE-A-MINUTE TO FREEDOM!

—the armored riot car crashed through the prison gates to freedom.

—leading the revolt of the maddened convicts.

—pursued by a bombing airplane.

—wrecked at a sudden turn in the road.

Meanwhile the fate of a girl hung in the balance. Circumstantial evidence branded her a crook. Only the boy who loved her refused to lose faith.

You'll hold tight to your seat during this thrilling picture: the break from jail of hundreds of convicts; the mad dash for freedom in a mile-a-minute armored car; the pursuit by airplane; the attempt at vengeance by an escaped convict, and many other great moments.

This picture now playing Detroit, Saginaw and Bay City Theaters. Children 15c. Adults 35c.

TUESDAY AND WEDNESDAY, JANUARY 22 AND 23.
