DIRECTOR FINDS AG. DEPT. WORKING FINELY

Concluded from first page.
with the following line up—Hester Cathcart, Vera and Irma Flint, guards, and Edna Brackenbury, Florabel Urquhart and Marie Keenoy as forwards. Speed and accuracy were the best points of our team and the Deckervilleans were awe-struck with the efficiency of the local team work in the new rules we use this year. Miss Marie Keenoy must be given credit for doing star basket shooting. In the last half of the game, substitutes were used: Aletha Spurgeon and Beatrice Gillis in the places of Florabel Urquhart and Irma Flint. They carried the game on skillfully and at the end of the game the score stood 42-7 in our favor. Miss Alvina Lang, who coaches the team, firmly believes that the team's great success this year is due to the fact that the girls are so cheerfully willing to practice and do not plan other activities for practice hour. Keep at it girls, practice makes perfect. Points ran as follows: Marie Keenoy 33, Florabel Urquhart 7, Aletha Spurgeon 2.
The latest high school dance step is very elaborate and requires special properties and a world of skill. It has been cleverly named "Cooper's Cilipery Glide" and consists of a step and long, long glide. It first was shown to the public eye on Monday afternoon when Ralph Cooper, after whom the step is named, executed it much to the delight of all who were reasonably near by. The step was to the stairway and the glide was all the way down including corners and bumps. The stunt would have been much more satisfactory if the traffic had been lighter, but it can be said that it was very graceful.
The week passes almost uneventfully on account of the final exams. Of course if one considers flunking an event, this school could truly be called a very exciting spot. By the time Monday comes again though, we will be up and ready to attack our monstrous problems with renewed courage.

PAUL SCHOOL NOTES.

Roy Anthes and Helen Hower, Reporters.
The first and second grades are drilling on their multiplication tables. Kenneth Anthes, Nickie Dasho and Hazel McLean will begin their new Elson readers Monday.
The fourth grade are writing Roman numerals for arithmetic. Fourth and fifth grades are drawing maps of South America. The fifth grade is studying review exercises on fractions.
The seventh and eighth grade essays on Novesta township are nearly completed. We have around a thousand words now. The best one will be published with our school notes as soon as we have them completed.
Roy Anthes brought a Cass City Chronicle to school dated 1907. At that time the paper contained only one sheet. We enjoy reading about our fathers and mothers when they were children.
Per cent of attendance is 93 1-3; average daily attendance, 28; number of days of school, 17.
Those who received five months certificates are John Bayley, Lucy Bayley, Harold Spencer, Leona Spencer, Elwin De Long, Hazel McLean, Eva Just, Hazel Hower, Helen Hower and Bessie Dasho.
Pupil of 8th grade—"Teacher, look at these men lassoing oysters."

HOLBROOK NOTES.

Reporter—Ercell Brown.
Motto—"Every man must educate himself. His books and teachers are but helps; the work is his."—Webster.
The eighth grade arithmetic has completed proportion and is working averages. The fifth grade is finishing decimals. The third grade arithmetic class has enjoyed a great deal of fun playing store this week. Each day a new grocer was appointed.
The second grade arithmetic class is learning the multiplication table in four.
The third grade language class has been learning health rhymes this week. They have made health rhyme booklets.
The fifth grade language class is learning the poem, "Abou Ben Adhem."
The eighth grade in history is studying the World War.

The eighth grade in civil government is beginning to study the amendments to the constitution.
The third grade is writing Eskimo stories and is going to make Eskimo pictures.
Gerald Brown and William Cooke were absent from school Friday.
There was no school Thursday afternoon because Miss Garety, our teacher, became suddenly ill in the morning. We are glad to say she is better now.
Although the wolves are near us, they have not given us any trouble as yet.

BROWN SCHOOL NOTES.

Leta O'Dell and Catherine Czernia, reporters.
Seventh and eighth grades are studying about the Civil War in history. Fourth and fifth grades are studying about South America in geography. The grammar grades are writing a composition entitled "Baby Stork." Seventh and eighth grades are having stocks and bonds in arithmetic.
Mrs. Ellis Rushlo and Alta Rushlo were pleasant visitors last week.
The third grade is having the pleasure of choosing their stories in their readers, having gone through them once.
Tony Frederick and Egbert Neiman were captains for a multiplication match last Friday, Tony's side winning.

ELKLAND-ELMWOOD TOWN LINE.

Miss Evelyn Simmons is recovering from scarlet fever.
Mr. and Mrs. Stanley Muntz spent Sunday at the Andrew Schmidt home.
Mr. and Mrs. Arthur Loomis visited at the Henry Anker home one day last week.
Chas. Hutchinson of Caro was a caller at the Wm. Simmons home the first of the week.
Mr. and Mrs. Chas. Seekings and family and Mr. and Mrs. Fred Hallock spent Sunday at the Andrew Schmidt home.
The Livingston girls braved the wintry blasts Sunday and drove to Sabbath school. All went well until a quarter of a mile from home when they struck a snow drift overturning the cutter. The horse became frightened and went home leaving the girls and robes in the snow. No one was hurt, and no damage done so the girls think they might try it again.
Elmer Bearss is installing a hot air furnace in his home.
Mr. and Mrs. Barney Dolwick and Mr. and Mrs. Burt Hendrick visited at Orris Reid's Sunday.
Wm. Anker of Detroit spent Sunday in this vicinity.
Chas. Beckett visited his friend, Leo Van Meer, of Croswell last week.
Leola Bingham was absent from school Monday. Cause—the Ford wouldn't start.
The friends of Miss Louisa Smith in this vicinity are sorry to learn that she isn't getting along very fast since her operation for appendicitis.
The two youngest children of John McGrath are just recovering from measles.
There is an epidemic of colds going the rounds. The weather man has even caught it—12 below zero Monday morning.

CEDAR RUN.

Mrs. John McCready of Fairgrove is staying with her daughter, Mrs. Garfield Leishman.
Mr. and Mrs. Oscar Hendrick of Cass City spent the week-end at the E. S. Hendrick home here.
Earl and Alfred Beutler were in Saginaw Saturday afternoon. Miss Jennie returned with them to spend the week-end at her home here.
Ruth and Irene Hendrick spent the week-end at the S. H. Brown home in Cass City.
Miss T. Southerland of Chicago is visiting at the home of her nephew, Garfield Leishman, this week.
Egbert Hendrick, Jr., traded horses with Martin Freeman near Gagetown Saturday.
The Friendship Club meets with Mr. and Mrs. Wm. Ware this (Friday) evening.

CENTRAL GREENLEAF.

Zero weather.
Fred White has a Ford car.
Stuart Ballagh is employed at Pontiac.
Ward McCaslin is employed at Pontiac.
Donald Seeger started to school on Monday.
Mrs. A. Winchester is very ill with pneumonia.
It is reported that the Colley family has lagrippe.
Ila and Mary White returned to school Thursday after being absent a few days on account of the measles.
Mr. and Mrs. Chas. Klinkman are the proud parents of an 8½ lb. boy born Jan. 6th. His name is Charles Ronald.
The Greenleaf Nazarene Sunday school has elected the following officers: Supt., John Guisbert; assistant, Morrison Jones; sec., Fred McCaslin; assistant, Mrs. John Guisbert; treas., Mrs. Morrison Jones; or-

ganist, Mrs. Avery Jones. Teachers elected were: Mrs. Morrison Jones, class No. 1; Fred McCaslin, class No. 2; Alma Vogel, class No. 3; Mrs. John Guisbert, class No. 4; Morrison Jones, class No. 5.

Church Bells of Porcelain.
A cathedral in France is to have a bell of 60 bells made of porcelain.

CASS CITY HAPPENINGS TWENTY-FIVE YEARS AGO

Items of the Cass City Enterprise of January 26, 1899.
Arthur Bolton left last Thursday for Toledo, O., for an extended visit with relatives.
Myron Hanson, who has been employed in a Vassar pharmacy for some time, has returned to his home here and will remain a few months.
Dr. and Mrs. J. M. Truscott arrived here last week from Pinnebog, where the doctor has been practicing for two years. They will spend some time with friends at Farmington before settling here.
The opera house is now being wired for electric lights. The scenery has been ordered and the seats are expected next week. Mr. Hitchcock hopes to have an opening February 22, if he can secure the proper kind of a company.
John W. Murphy returned last Thursday evening from attending the meeting of the Michigan Oxford Down Sheep Breeders' Association at Flint. We understand that Mr. Murphy was unanimously chosen president of the association.
A copy of the report of the last annual meeting of the American Leicester Breeders' Association, which has been held at Brantford, Ont., has been handed us. We notice that John W. Murphy, of this place, was elected as one of the directors, and John Marshall also of this place, one of the honorary vice presidents. Mr. Murphy was also placed on the executive committee of the board of directors.

TO MY CUSTOMERS.

Just a few lines to tell you this great "Richman" factory to wear line of pure woolen clothing for the coming season will be even better than ever and no advance in price—\$22.50. A larger selection and a better fit at a saving from retail prices of nearly half. Will call on you a bit earlier this season. Kindly reserve your orders. Shipments to suit.
Wishing you a happy and prosperous New Year.
Very truly,
E. C. BOICE, Agent.
—Advertisement.

NOTICE!

Wilson Foundry & Machine Co., Pontiac, has practically completed expansion program that represents an expenditure of two million dollars and which will make it possible to increase its production almost fifty percent.
The nation wide demand for the Willys-Knight and Overland cars not only made the expansion necessary, but continued top speed production is expected to be maintained in order to meet the demands of coast to coast sales.
The factory forces are being built up to meet the schedules. Both men and women are being placed in positions where their earnings are limited only by their efficiency and capability of acquiring the knowledge of the work assigned them.
The consensus of opinion gained from the industrial leaders of Pontiac is that continued prosperity is the answer to Pontiac's future industrial outlook.
See the classified ad for help wanted in Pontiac.

NOTICE.

Notice of Review of Special Assessment for the improvement of Assessment District Road No. 244, under Act 59, Public Acts of 1915, as amended.
To all persons interested in said assessment in the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County, to the said Townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and to the said Counties of Huron, Tuscola, and Sanilac.
Whereas, I, as State Highway Commissioner of Michigan, have heretofore determined that the highway commencing at the west section corner common to section 35, town 15 north, range 11 east, Grant Township, Huron County and fractional section 2, town 14 north, range 11 east, Elkland Township, Tuscola County; thence east on the Huron-Tuscola County line between sections 35 and 35, said Grant Township and fractional sections 2 and 1, said Elkland Township to the east section corner common to said section 36 and said fractional section 1; shall be improved in accordance with the specifications now on file; and
Whereas, I, as such commissioner, did heretofore determine the boundaries of the special assessment district No. 244, for said highway known as assessment district road No. 244 to be as follows: Said district includes all lands within the following boundaries in the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County, to-wit:

Commencing at the ¼ post on the east side of section 36, town 15 north, range 11 east, Grant Township, Huron County; thence west 2½ miles on the east and west ¼ line of sections 36, 35 and 34 to the center of said section 34; thence south ½ mile on the north and south ¼ line of section 34 to the ¼ post on the south side of said section 34; thence continuing south ½ mile on the north and south ¼ line of fractional section 3, town 14 north, range 11 east, Elkland Township, Tuscola County to the center of said fractional section 3; thence east 2½ miles on the east and west ¼ line of fractional sections 3, 2 and 1 to the ¼ post on the east side of said fractional section 1; thence continuing east ½ mile on the east and west ¼ line of fractional section 6, town 14 north, range 12 east, Greenleaf Township, Sanilac County to the center of said fractional section 6; thence north ½ mile on the north and south ¼ line of said fractional section 6 to the ¼ post on the north side of said fractional section 6; thence continuing north ½ mile on the north and south ¼ line of section 31, town 15 north, range 12 east, Sheridan Township, Huron County to the center of said section 31; thence west ½ mile on the east and west ¼ line of said section 31 to the place of beginning.
And all lands in the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County, and Greenleaf in Sanilac County within the boundaries above described, will be liable to an assessment for benefits for the improvement of said highway and also the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and the Counties of Huron, Tuscola and Sanilac at large.
Now, therefore, all owners of lands within the above described boundaries in the townships of Sheridan and Grant, in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and all persons interested in said lands and the townships of Sheridan and Grant in Huron County, Elkland in Tuscola County and Greenleaf in Sanilac County and the Counties of Huron, Tuscola and Sanilac are hereby notified that on the 6th day of February A. D. 1924 at 11:00 o'clock A. M. Central Standard Time, I will be present at southeast corner of Section 35, town 15 north, range 11 east, Grant Township, Huron County along the said highway to be improved, and announce my assessment of benefits upon the lands within said boundaries constituting said special assessment district and upon the townships of Sheridan and Grant in Huron County, Elkland in Sanilac County and upon the Counties of Huron, Tuscola and Sanilac, at large, and the said assessment of benefits will be open to review. All persons, said Townships or Counties may appear and be heard with respect to their several apportionments of benefits for said highway.
Given under my hand at Lansing, Michigan, this 5th day of January A. D. 1924.
FRANK F. ROGERS,
State Highway Commissioner.
1-18-3

It Doesn't Work Both Ways

Saved money may some day be spent, but this statement cannot be reversed. Spent money never can be saved—by you!

But the money you spend, which ought to have been saved, will circulate until it reaches the hands of someone who does save—then he will be using the dollar you should have put away.

There's no better habit than the saving habit—and it's easy to acquire once you're started. A dollar will open an account here and will draw 4 per cent interest.

"The Bank Where You Feel at Home"

20 Extra Quarts of Milk From Every Sack of International Special Dairy Molasses Feed
as compared to using wheat feeds or ground grains. We guarantee this increase has been secured in hundreds of actual tests. INTERNATIONAL SPECIAL DAIRY MOLASSES FEED contains protein, molasses and fat combined in proper proportions to provide the necessary nutrients and energy required for maximum milk production. Both protein and molasses produce milk. Special Dairy contains both.
This great feed is digestible and palatable and is skillfully processed and mixed, thus insuring a big extra gain in milk. Accept no substitute. Inferior brands offered by other mills cannot produce the same profitable results as Special Dairy.

GAGETOWN NEWS

George Munro transacted business in Sebawaing and Cass City Saturday. R. J. Wills spent Sunday in Saginaw.

Miss Ione Calley underwent a mastoid operation at the American hospital last week Wednesday. Her father, E. J. Calley, spent Sunday with her.

Willard Wells was a caller in town last week.

Basket ball teams from St. Agatha's school will play the public school teams this week Friday.

Mr. and Mrs. Geo. Williams spent Friday, Saturday and Sunday the guests of Mr. and Mrs. Willard Wells in Caro.

Mrs. Jennie Stearns spent last week at the home of Mrs. Geo. Williams.

Mrs. Proudfoot is in very poor health and not able to leave her home.

Miss Jennie Montey spent the week-end the guest of Miss Lucile Bartholomy.

Roberta and Ruth Wills are out of school with measles.

Miss May Toohy is home for the remainder of the winter.

The Wimodosis Club will meet in the O. E. S. chapter rooms Tuesday, Jan. 29. Mrs. Ed. Kuhn and Mrs. Chas. Wallace are hostesses.

Lloyd McGinn spent the week-end with relatives in Detroit.

Mr. and Mrs. Thos. Freeman made a business trip to Cass City Saturday.

Little Margaret Glougie and Barbara Maynard are absent from school this week with the measles.

Mr. and Mrs. Fred Palmer and Lorena Coon of Owendale attended the debate here Thursday evening.

Mr. and Mrs. Oliver Wood of Marlette spent several days at the Arthur Clara home.

Mrs. George Clara and Mrs. Bert Clara and Mrs. Roy Trudeau were callers at Mrs. Harvey Krug's in Cass City on Saturday.

Charles Robinson of Detroit called on friends here several days of last week.

Mr. and Mrs. Ralph Ballagh of Guelph, Ont., are visiting his sister, Mrs. Hugh Crawford, and Angus Crawford.

Mrs. Alice French visited the dental parlors at Cass City Wednesday.

Miss Myrtle Crawford, teacher of the Winton school, was absent from school Thursday on account of sickness.

Little Maxine Combs has entered school again after an absence of ten days with the measles.

Miss Lettie Loomis spent last week in Pontiac with her brother, Orion.

Mr. and Mrs. Tony Shinski are sick with the lagrippe.

J. L. Purdy made a business trip to Caro and Unionville Tuesday.

James Kehoe of Detroit spent Sunday with his family here.

Mr. Nelson and William Anker motored to Detroit Monday.

Masons have been busy the past week putting the finishing touches on the attractive store of Wm. P. Quinn. The new stucco gives it a very fine appearance.

Mrs. Lloyd McGinn entertained at Sunday dinner, Esther Tamblin, Marion Fournier, Mr. Jagers and Mr. and Mrs. John Rogers.

Roy and Verna Freeman and Mrs. Herbert Henderson of Detroit are visiting at the home of their sister, Mrs. John Bliss.

John Beninger passed away on Saturday, Jan. 19, 1924, at his home in Gagetown after being an invalid for about three years. Although his death was expected, it came as a shock to his many friends. Mr. Beninger was born in Formosa, Canada, on Sept. 21, 1859, where he spent his early days, coming to Michigan in the early 80's. He was united in marriage to Mary Karner in 1883 and to them were born eight children, three dying in infancy, and a 21-year-old son, George, who died three years ago. Mrs. Beninger

lost three daughters and three sons, besides five grandchildren. The children are Mrs. Clara Freudenmuth of Midland, Mich., Mrs. Abbie Fournier of Dearbon, Miss Helen Hopcroft of Detroit, Chas. Beninger of Cincinnati, Ohio, Victor and Donald at home. A peculiar incident in Mr. Beninger's death is the fact that he died on the same date, only 19 years later, than

the first Mrs. Beninger. The funeral occurred Tuesday morning from St. Agatha's church with requiem mass, which was attended by a large group of friends and relatives who paid their last respects to an old neighbor and friend.

Advertise it in the Chronicle.

How International Special Dairy Feed Is Made...

International Special Dairy Feed is composed of oil meal, cotton seed meal, corn gluten feed and grain products. These materials are finely ground, then mixed with molasses by our exclusive patented process and heated to render the feed dry and granular. It is then packed in 100-pound sacks.

The molasses in this feed supplies the cow with natural digestive juices. By using this feed according to the directions given here you can do what thousands of other dairymen are doing—save money on your feed bill and increase your milk production.

You are told that International Special Dairy is composed of Corn Gluten Feed, Wheat Bran, Cottonseed Meal, Linseed Oil Meal, Ground Grain Screenings and Molasses. But do you know that International Special Dairy Feed is worth at least \$15 per ton more than corn, oats, barley or wheat feed for dairy use? It's a fact that any feeding authority will endorse.

Every experienced dairyman knows that cottonseed meal, linseed oil meal and corn gluten feed are worth more than wheat feed or grain. Molasses is also worth more.

International Special Dairy contains 18 per cent Protein before Molasses is added. The addition of molasses reduces this protein percentage because molasses contains very little protein. The addition of molasses, however, decidedly increases the milk producing value of the feed. International Special Dairy 15 per cent to 16 per cent protein (after molasses is added) will accordingly produce more milk than can be obtained from any dry mixture running 20 PER CENT PROTEIN.

It pays to feed International Special Dairy as a straight grain ration, or mixed with grain, or with any ration you are now using. Fed any way you may choose, International Special Dairy always results in a decided increase in milk production, ranging from one to three quarts per day.

The Price of This Feed Is \$38 per ton

Let us furnish you with the names of those that are feeding this feed with the very best results.

Remember that we give tickets on the big prize drawings. Get your tickets.

Mr. and Mrs. M. B. Auten entertained the following guests at dinner last Thursday evening: Mrs. Elizabeth Pinney, Mr. and Mrs. A. J. Knapp and Dr. and Mrs. P. A. Schenck.

Mrs. E. R. Hunter and son, Caswell, Miss Isabel McIntyre and Eugene Schwaderer were dinner guests of Mr. and Mrs. Geo. McIntyre, Jr., of Deford one evening last week.

The easily packed snow and milder weather of the week have made the school hill a very popular toboggan slide and the streets are crowded with children on sleds attached to bob-sleighs and automobiles.

The Epworth League following up the meeting of the Cass City and Elkton leagues on Feb. 5 are now corresponding with Marlette concerning a date about two weeks later when Cass City will either journey to Marlette and furnish a program or entertain them here, the Marlette young people furnishing the program.

It was reported in the last issue of this paper that little Miss Ione Calley of Colwood was much improved. At the time the report was made Wednesday afternoon, this was all very true but soon after she was taken worse and on Thursday morning was removed from Caro to a Bay City hospital where she underwent an operation for mastoid trouble. She is now gaining finely.

Dr. and Mrs. C. W. Clark and little daughter, Emily, all of Caro, returned Wednesday from an extended tour to California. They motored to the western state, starting early in the fall and taking several weeks for the trip. They remained in Los Angeles for a time, then started on the return trip by train. Coming back, they crossed the Panama Canal and went down into Cuba. They certainly have returned at an unlucky time for up to just recently Michigan could have showed a fine mild winter climate. However, when they wrote ahead they stated "When we get back we're going to boost harder than ever for Michigan." When one hears of incidents like this it certainly proves "There's no place like home."

Hershey W. Young writes the Chronicle from Fort Morgan, Colorado, as follows: "Enclosed find \$2.00 for our 1924 subscription, also a picture showing what pinto beans will do on dry land. There were 14 stacks on the place, averaging about 800 pounds per acre, which is dry land valued at from twelve to fifteen dollars per acre. Our bean yield has increased from 600 cars last year to 2000 cars this year. That is, of course, a state yield. Our crops this year have all been bumper crops, the sugar beet crop in Morgan county, of 25,000 acres, producing an average of 14 tons per acre, thereby gaining the world record for that amount of acreage. We would be glad of an opportunity to show anyone making the western trip, as nice an irrigated country as they could find anywhere."

Mrs. I. D. McCoy spent Sunday in Flint.

G. A. Tindale spent the week-end in Detroit.

Mr. and Mrs. Floyd Rushlo of Pontiac are visiting the latter's parents here.

Mr. and Mrs. A. A. Rieker are visiting friends and relatives in Detroit this week.

Miss Bernice Miller of Detroit is visiting her parents, Mr. and Mrs. Geo. Palmer.

Miss Eleanor M. Bigelow left Friday for Pontiac where she will visit relatives for an indefinite period.

Dugald Krug has charge of the filling of the Cass City Grain Co.'s ice house, which is being done this week.

Miss Marie Gemmill of this place began work at the bank at Silverwood Monday where she has been employed.

A. C. Atwell has returned to his duties as manager of the Cass City Grain Co. here after a few days' illness.

Morley Tindale of Detroit arrived here Monday and spent the week in town visiting at the homes of relatives.

J. A. Sandham is out of town this week attending a life insurance agency convention in Fort Wayne, Indiana.

Mrs. John Summerville left on Wednesday last week for Sandusky to visit for a time at the home of her daughter, Mrs. Farr.

Mr. and Mrs. L. I. Wood left Sunday for Detroit where they spent the first of the week, Mr. Wood attending the Rexall dealers' convention.

Dr. and Mrs. I. D. McCoy and Mr. and Mrs. M. B. Auten left for Detroit Wednesday where the gentlemen intended to attend the automobile show.

Mr. and Mrs. R. A. McNamee returned here Monday from a few days' absence from town. They transacted business in Detroit and visited relatives in Ann Arbor.

"I am sending a check for \$1.75 to renew the Chronicle," writes Frank Nash from Detroit. "Don't miss any copies. When I come to visit, I want to know who's who."

Mrs. W. O. Root, who underwent an operation at Pleasant Home hospital a few weeks ago, has improved greatly and returned to her home. Mrs. M. L. Moore is caring for her.

Mrs. (Dr.) Lane of Bad Axe visited in town a few days last week at the home of her parents, Mr. and Mrs. Robert Cleland. Dr. Lane spent Sunday here also, both returning to Bad Axe that day.

Mr. and Mrs. Jesse Cooper left for Kingston Friday where they will remain for a short time, then going to Pontiac to visit relatives. They had been spending a week here with their daughter, Mrs. W. C. Schell.

Richard Edgerton, who resides in Grant township, spent Monday in town at the home of his mother, Mrs. A. Edgerton. Tuesday, he went on to Clio where he spent the remainder of the week visiting his brother, Dr. Clifford Edgerton.

Miss Maud Willis, reader of plays, appeared at the opera house Monday evening as the third entertainer on the lyceum course. Miss Willis presented "Turn to the Right" by Winchell Smith in an artistic manner, pleasing and satisfying her audience in her interpretation.

President F. A. Bigelow communicated with R. W. Roberts, district engineer, on Wednesday and was informed that no definite date for the reception of bids for paving jobs has been fixed by the state highway department which leaves the village paving proposition still "up in the air."

Mr. and Mrs. D. E. Turner and Mrs. Sarah Turner attended a dinner given by the ladies' aid of the Sunshine church at the farm home of Preston Richardson near Ellington. They found the roads very good with the exception of a few drifts between Elmwood and Ellington which county workmen were clearing away.

Local radio fans will have an opportunity to hear Frederick J. Libby, executive secretary of the National Council for Prevention of War, tomorrow (Saturday) evening when an address by Mr. Libby will be broadcasted from Pittsburg. Mr. Libby is well known here, having spoken to local audiences several times while on a visit at the Auten home in Cass City.

Our schools have been visited by a symbol of wisdom and learning for the other morning on opening the building an owl, bright eyed and alive, was found in the up-stairs story of the larger building. He was caged up in an old orange box and set in the agriculture room for adornment. The cage proved none too strong, however, for the next morning he looked wisely down upon pupils and teachers from his perch on some of Prof. Campbell's fine wheat specimens.

The severely cold weather of last Sunday interfered with the family reunion which the children of Mr. and Mrs. David Law had planned. However, those who did arrive safely had the time of their lives. The guests were as follows: Mr. and Mrs. Howard Law and family of Royal Oak, Mrs. Frank Kile of Yale, Mr. and Mrs. Ward Law and family of Wickware and Mr. and Mrs. Lewis Law and family of this place. The gathering was held at the David Law home here.

Michigan Happenings

Heading the request of numerous automobilists the Board of County Road Commissioners will begin the erection of comfort stations next spring in Wayne County roads most frequented by motorists, Leroy C. Smith, engineer manager of the road commission announced. One will be built at the junction of Middle Belt road with Huron River Drive, while the other will be located in Phoenix Park, between Northville and Plymouth, where Livonia Center roads runs into Northville road.

The Michigan Electric Railway Co. filed a petition with the Michigan Public Utilities Commission recently for authority to operate a highway bus line between Owosso and Flint, thereby continuing their present electric line between Lansing and Owosso, to Flint via the highways. The proposed bus line would compete with the existing automobile carrier line between Owosso and Flint. The latter was started 10 years ago and was one of the first bus lines in the Middle West.

Robert Bridges, poet laureate of England, will sail for America March 22 on the steamer Celtic, according to information to Dr. Marin LeRoy Burton, president of the university, to make his residence at the University Center for three months. Mr. Bridges is coming to Ann Arbor on the same visiting fellowship that was held for two years by Robert Frost, New England poet. A change of plans had necessitated the delay in his coming, from December until the late winter.

The sale of \$3,000,000 worth of highway bonds, to meet payments on contracts awarded and work done in the 1923 building season was authorized by the state administrative boards recently. Bids will be received on 4, 4 1-4 and 4 1-2 per cent basis. The board also ordered the transfer of the 1923 automobile license to the highway sinking fund of an amount sufficient to care for the interest in 1924 and 1925 on the total outstanding bonded indebtedness.

The State Administrative board granted a request for \$10,000 for a refrigerator plant at the Ionia reformatory, gave the Newberry state hospital \$16,000 for improving its dining hall and the Traverse City state hospital \$1,200, for improvements to its industrial building. A request from the state industrial school for boys for \$163,200 to complete its heating plant, on which \$98,000 already has been spent, was referred to a committee.

Three railroad lines in Michigan will be equipped with devices which will automatically bring trains to a stop, or within a speed subject to control when they enter blocks where danger is positive and even when the trains are not being properly controlled by the engineers. This work is to be done in compliance with an order issued by the interstate commerce commission.

One thousand three hundred and fifty-five births to 980 deaths is Kalamazoo's official record for 1923. This would indicate a population increase of 370. Three more were born than in 1922, while 25 more persons died in the last year than in the preceding one. Of the new arrivals, 703 were boys and 657 were girls. Records also show that 496 males and 484 females died.

Work was started last week on opening M-10, south from Alpena, in order that automobile traffic could be resumed. There was 10 miles of snow to be plowed in order to open the entire road. Fifty cars were stalled at various points between Alpena and Lincoln awaiting the opening of the road.

Mrs. Harriet Sans Souci, 83 years old, mother of one of Michigan's oldest families, mother of 11 living children and 108 living grand-children and great grand-children, died in her residence in Ecorse last week after a short illness.

The first show in Michigan to be designated a gold medal show by the National Poultry Association opened at Muskegon with 1,000 entries. Birds from all over Western Michigan were entered, while 300 rabbits also were on exhibit.

Some farmers' wells near Marshall have gone dry as the result of the construction of the Nottawa Creek drain which also lowered the level of several lakes. This drain cost \$237,445.

Muskegon has fewer minor workers than any other city in the state, in the opinion of Benjamin Peterson, public school attendance officer. This condition is the result, he says, of the recent decision of virtually all the industries of the city not to employ any minor who cannot produce a working permit.

Adelbert Lewis of Maple City was appointed probate judge of Leelanau county, by Governor Groesbeck recently.

Farmers Attention

All persons interested in feeding cattle are cordially invited to a feed grinding demonstration consisting principally in grinding alfalfa and corn in sheaf on Friday, February 1st at

G. A. STRIFFLER'S Implement Store

The Pastime Theatre

CASS CITY

FRIDAY AND SATURDAY, JANUARY 25 AND 26

The Midnight Alarm

The most thrilling and sensational human interest story ever screened! A story of heart tugs and romance in a great city. Seethe thrilling rescues made by the fire fighters. Also see Larry Semon in "THE BARNYARD." Children, 10c. Adults, 30c.

SUNDAY AND MONDAY, JANUARY 27-28

The Man from Brodney's

A rich, warm romance of love and adventure adapted from the novel by George Barr McCutcheon, with an all star cast headed by J. WARREN KERRIGAN, Alice Calhoun, Miss DuPont, Wanda Hawley, Pat O'Malley and Kathleen Key.

See the most astounding fight scene ever filmed. Thousands of natives besiege the chateau, defended by a handful of whites under the leadership of Hollingsworth Chase, played by J. Warren Kerrigan.

Something doing every minute in this picture. Do not miss it. Plays Madison Theatre, Detroit, the first week in February. Our prices—Children, 15c. Adults, 35c.

TUESDAY AND WEDNESDAY, JANUARY 29-30.

Douglas McLean in

BELL BOY 13

This is a scream from start to finish. See this. Also see "The EDUCATOR," a very funny comedy. Regular admission is 10c and 25c. If you have a merchant's ticket, 10c will admit you.

SUNDAY AND MONDAY, FEBRUARY 3-4.

Elinor Glyn's Great Story, "SIX DAYS."

MANY FARMERS ARE TELLING US IT SEEMS EXPENSIVE BUT THEY DARE NOT QUIT. BE SURE TO KEEP A SUPPLY ON HAND.

Michigan Milk Maker Contains 24 per cent Protein

WHEN YOU COMPARE DAIRY RATIONS DON'T FORGET TO JUDGE PRICES ON A PROTEIN BASIS.

Michigan Milkmaker is a 24 per cent protein, public formula dairy feed made for Michigan State Farm Bureau. It is the best dairy ration for Michigan. Every one of the 10 milk-making ingredients is listed on every bag, pound for pound. You know exactly what you are buying. Not an ounce of filler in Michigan Milkmaker.

Cows fed Milkmaker give more milk and are healthier and stronger animals—and your feed costs are lower.

GUARANTEED ANALYSIS.		100 lbs—Ground Oats
Protein	(minimum) 24 per cent	200 lbs—Wheat Bran
Fat	(minimum) 5 per cent	100 lbs—Wheat Middlings
Carbohydrates	(minimum) 45 per cent	100 lbs—Molasses (Cane)
Fibre	(maximum) 9 per cent	20 lbs—Salt
INGREDIENT FORMULA		20 lbs—Calcium Carbonate
200 lbs—Corn Distillers' Grains		
260 lbs—Cottonseed Meal—43 per cent		2000 lbs—Michigan Milk Maker
240 lbs—Oil Meal (Old Process)		
100 lbs—Peanut Meal—40 per cent		
500 lbs—Gluten Feed		
160 lbs—Yellow Hominy		

The above formula is approved by Nutrition Experts and Professors of Dairy-ing and Animal Husbandry.

Milkmaker is a dairy ration that you can use with your own grains—Ground oats, corn, barley, etc.

It's a feed that deserves a fair trial from you. Your cows need the best; they are working night and day to serve you.

You will have contented cows and always ready for their rough feeds. Follow directions and you will get satisfying results. Weigh your milk—it's a good test.

"FEED THEM THE BEST FOR BETTER RETURNS"

Second car moving lively. Keep five or ten days' supply on hand.

DAIRY COWS NEED A BALANCED DAIRY RATION.

TWO AUTOS GIVEN AWAY

Together with 38 Other Prizes by
Business Men of Cass City
\$2,000 in Good as Gold Prizes

A 1924 Model Chevrolet Sedan
given away Mar. 19

A 1924 Model Ford Touring Car
given away Feb. 20

Two fine new cars for Capital Prizes and hundreds of dollars in merchandise prizes given away during an eight weeks campaign, beginning Wednesday, January 30. The Ford Touring Car will be drawn February 20 and the Chevrolet Sedan on March 19. Weekly prizes will be drawn every Wednesday at 2:30 p. m.

Beginning Monday, January 21, and running to March 19, with every dollar in cash trade, the retailers listed on this page will give you a ticket which is numbered on both ends. When you receive the ticket, tear them as indicated on ticket, keep one end and drop the other end in the boxes provided in the business places. Every Wednesday, these tickets will be gathered up and the drawing will take place. Those who hold the right tickets will receive absolutely free the prizes provided for that afternoon. To win a prize your ticket must be brought to town on the day the prizes are drawn. Buyers may secure tickets for this drawing up to Wednesday noon; tickets secured after that time can be held for next week's drawing.

YOUR TICKETS ARE GOOD FOR THE ENTIRE CAMPAIGN

Contrary to the belief of some, the tickets you receive are good during the campaign. Those deposited in the boxes in business places are in the race for prize winnings every Wednesday afternoon. Your ticket may secure one of the smaller prizes and an automobile as well.

Drawing will be held on corner of Main and Seeger Streets. In event of inclement weather, sign board at this place will state where indoor drawing will be held.

Merchants have all agreed not to give out tickets unless you purchase amounts to one dollar; not one ticket for 95 cents, nor two for \$1.98. Convenient boxes to drop the coupon stubs will be found in each business place. Save the other end of your tickets carefully.

WEEKLY PRIZES WILL BE GIVEN EVERY WEDNESDAY
AFTERNOON COMMENCING JAN. 30

Those Who Cannot Participate—No business man who is using tickets, nor any member of his family can hold tickets in these drawings. None of the above people can be awarded a prize.

PRIZES FOR FIRST WEEK

FIRST—UPHOLSTERED WICKER CHAIR, SPRING SEAT, Value \$15.00
SECOND—100 POUNDS GRANULATED SUGAR, Value . . . 10.50
THIRD—\$10.00 SAVINGS ACCOUNT IN THE CASS CITY STATE BANK
FOURTH—ONE BARREL KELLY'S FAMOUS FLOUR, Value . . . 7.50
FIFTH—One LARGE SWIFT'S PREMIUM HAM, Value . . . 4.50

I drank hot water and olive oil by the gallon. Nothing helped until I used Adlerika." Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel and removes all gas and poisons. Excellent for obstinate constipation. Helps any case gas on the stomach in TEN minutes. Burke's Drug Store.—Adv. 5.'

DEFORD NEWS

We have been introduced to two cold Sundays at date Jan. 20. This may be named the winter of cold Sundays. Plenty of time for it. Monday morning gave us a frozen pump first for the winter. Jan. 21 was a surprise for some. Twenty below is talked on in this burg but we aren't waging on our indicators. Peter Daugherty is drayman for our town and he avers that all extreme bad days of storm or cold is just the time the populace want coal and must have it or a row. Our aged Peter Bell is very low at present. He is 78 years of age. Bean picking girls having their vacation. Machinery out of gear and the room not warm. No Sabbath breaking on Sunday. Don't look for visiting news on such weather. Albert Curtis is yet at home. He expects to go to Oxford soon again. Mrs. Ella Ellsworth diets on three eggs and a quart of milk per day. No medicine of any kind. Potato market closed for present at present. E. A. Cones is out at his farm preparing to cut saw timber. Box 17 a good old Irish No. at post-office is where you can deposit all news items and receive thanks. We cannot know all happenings except you help us. If some important item missed, don't blame us, blame yourself. Let us think we have lived in the most wicked age of the world. How could it be more barbarous? Fifteen nations, among which were classed the most civilized, slaughtering each other in the most cruel manner that Satan could devise. And this at the close of 2,000 years of teaching "Love one another." On Sunday, 20, about noon the residence of John Pringle two miles east of here burned to the ground. The house was built by Wm. Crittenden about 30 years ago. Fire started in attic. Nothing saved worth mentioning. The west half of road between sections 3 of Kingston and 34 of Novesta is graveled by residents of that vicinity. Now if the township of Kingston completes the mile they will only do their duty. While General Jackson was President regardless of all fine dishes at banquets his dessert was mush and milk. Where can we find a Jackson now? Novesta has done well in road building, but they have left the worst mile of her first traveled highways in the hands of the devil for 47 years. 'Tis from Crawford's corners to Novesta Corners. Take it out of Satan's clutches this year and gain a reward from on high. The assistant at the garage is about 25 years of age, quiet and unassuming, formerly from Ohio, and bears the name of Scribber. Word comes from the West that Cyrus Brace, well known to Oakland county readers of Chronicle, died at Redonda Beach, California, on New Years day. The hayloader that has been an eye sore since the Trundlebed trash was out witch night is removed from Main St. If you see an old farmer with eyes as large as a goose egg, don't be alarmed, they will come back normal. He has been looking at the produce man grading his potatoes down to No. 1. They went into the house when the people were absent but not for gold or silver bright—and they were dry, for all maneuvering shows they were after wet goods. Alfred Shaw is ill at present. He has not been in robust health for many years. Peter Bell does not seem to recover from his lameness as rapidly as his friends expected he would. Ladies' aid on Wednesday of last week.

Mr. and Mrs. Mark Smith have gone to Detroit where they expect to locate. Henry Cuer slips home poles on snow for the McCracken boys. When you find a woman that is continually finding fault with her husband, remember she is gunning for the world's sympathy. And in distributing the article ninety nine per cent should be given to the unfortunate husband. We have forty more county officials than sixteen years ago. Taxes, taxes, taxes! Mrs. Ella Ellsworth, who came here about a week ago from Alberta to recuperate her health, is in a very weak condition. It would seem the Alberta climate did not treat her kindly. In Michigan she was among the most robust of our sister women. On the 18th South Novesta Farmers' club convened at home of Mr. and Mrs. William Barthell to a goodly number. They masticated ocean's fruit and talked of better times for him that turns the soil and lives near the warm heart of nature. An able writer from England who traveled the United States tells how the mothers of England excel those of our country. But one thing she did not speak of. In no land can a mother be found who believes her son is a bad boy at school. Neil Kennedy has returned from Chicago. He attended the great convention—Representatives of all modern inventions were present, but it would seem by the reading matter sent out that main object was to teach the people that we need 250,000 miles of national highways supported by a federal tax. William Barthell opened up his cream station Jan. 10th and gives us following report: From Jan. 10th to 15th, 11 cans; from Jan. 15th to 19th, 16 cans. We are talking 10 gallon cans. He also tested 13 different herds for farmers during the time. Mr. Barthell has not interfered with local business near the town but has gone out and established routes from afar. There are now five cream baggers in our little burg and dealers so good natured they could drink out of the same jug if times would permit. "Better trust all, and be deceived, And weep that trust and that deceiving Than doubt one heart, that if believed Had blessed one's life with true believing."

Mr. and Mrs. John Pringle had the misfortune to lose their farm residence by fire Sunday afternoon. Some of the contents were saved. It was a bitter cold day to be turned out of a home and they have the sympathy of their neighbors. Mr. Pringle and family are staying with Mrs. Pringle's parents, Mr. and Mrs. Chas. Cook. Miss Norma Retherford spent Saturday night and Sunday with relatives at Caro. Misses Mary and Helen Orto have purchased a beautiful \$600 player piano of the Farrand make as a present for their parents, Mr. and Mrs. Emery Orto.

ELLINGTON AND NOVESTA. (Delayed letter). Miss Miriam Horner of Novesta Corners spent the week-end with Viola Quick. Mrs. A. J. Craft is on the sick list at this writing. J. Livingston lost a very valuable horse this week. James Tracey expects to make a business trip to Flint this week. Carmon Warner of Detroit is spending a few days with relatives in this vicinity. Mr. and Mrs. Wm. Jackson and family, west of Cass City, spent Sunday at Wm. Little's. Mr. and Mrs. Stanley Sharrard and family of Hay Creek spent Sunday at Robert Kirton's. Word was received last Thursday that Mrs. C. W. Hulbert of Snover, a former neighbor of this vicinity, is on the sick list. Ed. Gingrich and Paul Veeder went to Caro Tuesday. They expect to go on to Bay City for a couple of weeks. Advertise it in the Chronicle.

KINGSTON-NOVESTA TOWN LINE. Mrs. Lloyd Osburn and children of Deford spent Saturday with her parents, Mr. and Mrs. J. D. Funk. Word has been received here that little Roy Courliss, who is staying with his aunt at Birmingham, is improving after being quite seriously sick. Wm. Evo returned to Detroit Saturday after a short stay with his parents, Mr. and Mrs. Frank Evo. Miss Erma Perry spent Saturday and Sunday with her uncle, W. Perry, and family north of Novesta Corners. Paul Orto of Royal Oak spent Sunday at his home here. J. Henry of Hemans was a Town Line caller Friday and Saturday. A number of the farmers from here drove their stock to Hemans Saturday where they were shipped on the D., B. C. & W. Mr. and Mrs. John Pringle had the misfortune to lose their farm residence by fire Sunday afternoon. Some of the contents were saved. It was a bitter cold day to be turned out of a home and they have the sympathy of their neighbors. Mr. Pringle and family are staying with Mrs. Pringle's parents, Mr. and Mrs. Chas. Cook. Miss Norma Retherford spent Saturday night and Sunday with relatives at Caro. Misses Mary and Helen Orto have purchased a beautiful \$600 player piano of the Farrand make as a present for their parents, Mr. and Mrs. Emery Orto.

FERGUSON SCHOOL NOTES. Eighth grade is studying taxation in civil government. Seventh grade is studying the markings of vowels in orthography. In applying the markings of the vowels to different words, Elma Auten was the only one who received a perfect paper Friday. The fifth grade is studying about the Pilgrims in history. Fourth grade is studying the southern section in geography and have been writing some very interesting stories about cotton for language. We are proud of our second graders—Dorothy Henderson, Lulua Bissett, Jessie Montgomery and Ralph Perry have entered the second grade since Christmas. Our room looks much better after the curtains have been laundered and put up. The seventh and eighth grade are studying Grover Cleveland's administration in U. S. history. Our contest will soon be ended in fourth grade numbers. Eleanor Wagg is ahead. Seventh grade is now reviewing their arithmetic studying division of decimals at present. Although the mumps have been quite near, we have been lucky so far not to catch them. The eighth grade have completed their agriculture books and passed a successful examination. Forest insects. Foresters and entomologists of the United States Department of Agriculture say that the losses caused by insect attacks upon living trees and crude, fished and utilized forest products amounts to \$130,000,000 annually.

The Cost of a Car

is no measure of its value

These are the things to consider

THE cost of a car depends in large part on volume and efficiency. It is no criterion of value. Studebaker builds 150,000 fine cars yearly. All of them are Sixes. The main costs are divided by that enormous output. Thus at prices of \$975 and up we offer the utmost in quality. We offer maximum values. Don't judge these cars by prices. Under other conditions they might cost twice as much, yet offer less than these.

Some major costs

Quality cars require costly facilities. Studebaker has \$50,000,000 invested in modern plants and equipment. \$8,000,000 in drop forge plants alone. \$10,000,000 in body plants, to carry out the Studebaker standards. There are 12,500 up-to-date machines employed to build these cars. Some are enormously expensive. Few outputs justify such facilities. Then parts must be bought outside, and profits paid to others. Studebaker engineering costs \$500,000 per year. That to us is \$3.33 per car. Our Department of Research and Experiment employs 125 skilled men. It makes 500,000 tests per year to maintain our standards. Our Bureau of Methods and Standards fixes the requirements for every part and detail. 12,000 inspections are necessary for each car to insure against flaws and mistakes. We employ 1,000 men to make them. Cars like the Studebakers cannot be built without such facilities, such research, such care. Yet enormous output alone makes them possible at Studebaker prices.

With our wealth of experience, we probably know what is best. We use 35 formulas for steels. Each is best suited to certain parts, as proved by years of tests. On some steels we pay the makers a bonus of 15% to get them exactly right. There is no room to excel us there.

We machine the entire surface of each crank shaft, as was done on Liberty Airplane Motors. That extra cost is heavy. But thus we get

Just Go and See

Studebaker is today the leader in the fine-car field. Studebaker builds more quality cars than any other concern in the world. Buyers of fine cars last year spent over \$200,000,000 for Studebaker models. The demand for Studebakers has almost trebled in three years—as people found them out. Then go see them. Compare them with any car you will. Don't spend \$1,000 or over without knowing what Studebaker offers. You owe that to yourself.

that perfect balance, that absence of vibration. We use more Timken bearings than any other car which costs under \$5,600. They cost considerably more than ball bearings. These facts apply to all Studebakers, of all styles and sizes. The materials used in all classes are alike. Beauty—Luxury—Finish. The Studebaker coach work has been famous for decades. No one can excel it. The finish is produced by 26 oper-

ations, including 15 coats of paint and varnish. Open cars have real leather cushions. They cost, over imitation leather, about \$25 per car. No closed cars could be more luxurious. That lining of Chase Mohair is made from the soft fleece of Angora goats. A velvet lining would save about two-thirds that cost—to \$100 per car. Note how every detail denotes infinite care. That, as you know, is expensive. Note the completeness of our larger models. The nickel-plated bumpers, extra disc wheels with cord tires, a steel trunk, a courtesy light. These are rare extras, even on the costliest cars.

Nothing is stinted. Compare part by part with any rival cars. Studebaker will show you some scores of advantages. Then consider Studebaker history. For 72 years this name has stood for quality. When people rode in carriages, Studebaker built the best. Now those same traditions are applied to motor cars alone. Consider Studebaker records. Mark how these cars in service have multiplied demand, until people last year paid \$200,000,000 for Studebaker cars.

Consider their service records. One Studebaker car, built in 1918, has run 475,000 miles. It is still in active service. It lately made a mid-winter trip from Los Angeles to New York. That means 80 years of average service, of 6,000 miles per year. What more can you dream of in a motor car than the Studebakers offer?

Table for LIGHT-SIX: Touring (5-Pass. 112" W. B. 40 H. P.) \$995.00; Roadster (3-Pass.) 975.00; Coupe-Roadster (2-Pass.) 1195.00; Coupe (5-Pass.) 1395.00; Sedan 1485.00. Table for SPECIAL-SIX: Touring (5-Pass. 119" W. B. 50 H. P.) \$1350.00; Roadster (2-Pass.) 1325.00; Coupe (5-Pass.) 1895.00; Sedan 1985.00. Table for BIG-SIX: Touring (7-Pass. 126" W. B. 60 H. P.) \$1750.00; Speedster (5-Pass.) 1835.00; Coupe (5-Pass.) 2495.00; Sedan 2685.00.

NOVESTA CORNERS.

Harold Biddle is working in Detroit. Mr. and Mrs. Julius Wentworth returned Tuesday from Dryden where they spent the past week visiting friends. Mrs. Grinnell, sister of Mrs. Wentworth, accompanied them home. Mrs. Clayton Crawford is suffering from an attack of appendicitis. Mrs. Ben Hicks, Jr., is quite sick at this writing. John Slack's are entertaining the mumps. Mr. and Mrs. Hazen Warner are the proud parents of a baby boy who arrived January 16. Mother and babe are doing well. Ben. Hicks, Jr., left Saturday for Flint where he expects to get employment. Sunday morning about three o'clock, a party of young men from one of our near-by towns had spent the most part of the night at Deford and had started home, when near Novesta store their car failed to go any farther. They were obliged to take the foot path home.

Morris to attend the funeral of a brother-in-law. George Johnson has been sick the past few days. Rev. C. I. Huffman, who has been helping in revival meetings here the past two weeks, returned to his home in Indiana on Tuesday. Rev. J. S. Wood, presiding elder, has been with us this week. Quarterly meeting services will be held Sunday at 10:00 a. m. and 7:30 in the evening.

given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once. Your townspeople recommend Doan's Kidney Pills. Read the statement of this Cass City citizen. Mrs. George Rohrbach, W. Houghton St., says: "My back was sore and lame and ached continually. Sleep was impossible and added to that my kidneys acted too frequently. My ankles swelled and I felt tired and drowsy. Doan's Kidney Pills cured me of the severe backache and put my kidneys in good shape." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rohrbach had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv. 5.

Fathers and mothers will find a hearty welcome to these services, as well as the young people. Come. A. G. NEWBERRY, Pastor.

LAPEER MAN REJECTS 'CHANCE TO GET "FORTUNE"'

A prisoner in Spain! A hidden treasure! A jailer who could be bribed! A beautiful daughter in distress! Adventure! Mystery—Romance—Wealth—all these to be had for the mere asking. This was the promise that confronted M. M. Stiles, well known restaurant man of Lapeer, when he received a letter from Madrid, Spain, or maybe it was Barcelona. Anyway it doesn't matter, for Milo has decided not to go to Spain now. But it sure had him guessing for a few weeks and he practically had his clothes all packed to start when he decided to make a little further investigation. It seems Milo answered the first letter and upon receipt of the second letter the little Imp of Adventure tweaked him by the ear and said, "Come on, I dare you to!" We all know Milo never takes a dare and when he had actually applied for passports, his son, Roy, decided it was time to accompany his dad on this search for unfortunates prisoners, damsels in distress and hidden gold. The news spread like wild-fire and it was finally disclosed that others in this vicinity had received letters with the identical hard luck story therein. It developed that a Flint attorney at the request of a credulous client actually got in communication with the American consul in Spain and the story was branded as a mere ruse to try to painlessly extract the elusive dollars from the American pocketbook.—Lapeer Clarion.

COUNTY SEAT NOTES.

Clyde Patrick was arrested on a statutory charge on complaint of a fifteen year old girl of Caro. He appeared before Justice Imerson on Tuesday and was bound over to the circuit court. Joseph E. Clink and Alberta Freeman, both of Caro, were married by Justice Imerson on Saturday.

NOVESTA.

A few invited friends pulled taffy at the home of Lizzie Zollner on Friday evening. Monday morning showed us 22 below zero. Here's hoping it gets no lower. Mrs. Mary Phillips is in poor health. She is with her daughter, Mrs. W. E. Holcomb. W. E. Holcomb is somewhat improved and is able to sit in a chair a good portion of the day. We hope he may continue to improve. The Novesta Arbor, A. O. O. G., met at the home of sec.-treas J. H. Pringle on the 17th and elected officers as follows: C. G., A. H. Henderson; V. C. G., John Slack; sec.-treas., John H. Pringle; chaplain, Mrs. E. Warner; conductor, Charles Cook; conductress, Mrs. Charles Cook; lecturer Mrs. A. H. Henderson; I. G., Mrs. Samuel Wagg; O. G., Samuel Wagg. The farm dwelling and wood and coal house of Mr. and Mrs. John Pringle, two miles east of Deford, were completely destroyed by fire on Sunday afternoon. Fire was of unknown origin but supposed to be from chimney in wing of house. The high wind made short work, and though many neighbors gathered to assist in saving contents, nothing could be saved from second floor or cellar. The direction of the wind being favorable, the barn and outbuildings were saved. To date we are not prepared to state loss or amount of insurance carried. We are sorry to see any one suffer loss.

Regarded Salt as Sacred. The Romans regarded salt as a sacred article of food, hence no other dish was allowed to be placed upon the dish before the salt was in position.

SADDLEKICK AN IDEAL GIFT FOR BOY OR GIRL Better than a Bicycle for growing children. Has big 10 inch disc wheels, roller bearings, rubber tires, steel frame, adjustable saddle. SHABBONA.

Very cold the first of the week. Mrs. J. P. Neville is much better at present. Harvey McGregory and family were Sandusky callers one day last week. Willing Workers met with Mrs. Sam Mitchell Wednesday. Prayer meeting at the home of F. McGregory Thursday evening. Mr. and Mrs. L. Churchill of Novesta spent Sunday with Mrs. E. Travis. Mrs. J. Lindsay is not so well at this writing.

WICKWARE.

Preaching services next Sunday morning and Sunday school at the usual hour. Mrs. Giles Fulcher, who has been very sick, is much better at this writing. Mr. and Mrs. Thos. Whitfield and daughter, Jane, are sick with colds. We were sorry to hear that Kenneth Ball passed away after a few days' illness. The bereaved family have the sympathy of this community. Quite a nice lot out last Wednesday to the Ladies' Aid at Mrs. John Caisler's. All enjoyed a good time.

EVERGREEN.

Frank Auslander has been quite sick again, but is better at this writing. Mrs. John Tovle is in Dryden caring for a little grandson who is sick. Robert Craig was called to Mount

These Cold Nights Demand Warm Blankets

HERE YOU WILL FIND THE RIGHT KIND

Shoppers at Barie's are finding just the right kind of blankets to take the chill off these cold nights we are having. A most complete assortment of blankets is here, and Barie Blankets are right in every respect. They have the right quality—the right colors and just the right warmth.
