WILL SEND EXHIBITS TO STATE FAIR

CARLOAD OF LIVE STOCK WILL
LEAVE HERE ON SEPTEMBER 5.

Car Will Contain Entries of Tuscola
County Boys' and Girls' Clubs.

Six Holsteins, one Jersey and one Hereford are the line-up of calves and two Durocs and six Chester Whites are included in the swine display which will be exhibited at the State Fair at Detroit by members of the boys' and girls' calf and pig clubs of Cass City.

On Saturday, Sept. 5, a car will be loaded at Cass City with live stock which will form the exhibits of Tuscola county boys' and girls' clubs. A large part of the exhibit is owned by Cass City young people.

Eight local boys will care for the stock while it is being shown at Detroit. Four of the boys expect to enter the state fair milking contest and three in the live stock judging.

Twenty head of cattle and 35 pigs were exhibited by Cass City young people at the fair here last week, and all prizes in club work were kept at home except two, first prize on Jersey calf and second prize on Duroc pig, both of which went to members of the Fairgrove club. In the beef division, Chas. Bigelow won the honors on his exhibit. He expects to show in the open class at Detroit. Raymond Wallace won open money as well as the club prize on a type Duroc gilt. This gilt is being carefully groomed for stiff competition at the state fair.

A number of club exhibits went from Cass City to the Caro fair this week. Four fine specimens of Chester White gilts were kept at home and are being carefully conditioned for the state fair. These are owned by Harold McGrath, Kenneth Dodge, Raymond Wallace and Harry Reagh.

Winners at Caro Fair.
Judges at the Caro fair awarded first, second and fifth prizes on Chester White gilts exhibited by Cass City young people. Four entries were made in this class by local club members. First prize and a cup from the Chester White breeders of Tuscola county were awarded to J. C. Blades. Second prize went to Lorene McGrath and fifth to Donald Schenck. Loma Reagh was awarded first prize on a Chester White boar.

Chas. Bigelow was awarded first and second prizes on his Hereford calves in both the club and open classes.

Raymond Wallace was awarded first honors in both club and open classes on an extremely modern type of Duroc pig. He was also awarded a cup from the Duroc breeders of Tuscola county. Willis Campbell, leader in local club works, says: "Raymond is a real boy and has a real pig. Here we have a wonderful example in training a pig for exhibition."

Harold McGrath stood third among the club members in Tuscola county in live stock judging at the Caro fair.

Fear Potato Blight Will Follow Rains

Possibility of a costly outbreak of late blight among Michigan potatoes is being pointed out by the crops department at the Michigan State College, the wet weather of the last few weeks having provided ideal conditions for the appearance of the diseases.

"The potato crop is already fairly short," says H. C. Moore, potato specialist with the college extension division, "estimates by the United States Department of Agriculture placing the 1925 production at one hundred five million bushels less than last year. Loss from blight would be felt more seriously than usual, therefore, and added care should be taken in caring for the crop."

"The best control measure is to spray with Bordeaux Mixture (4-4-50) every ten days or two weeks. When it is raining rather frequently, it is even safer to spray every week."

"Use a good high-pressure machine to get the spray on the under side of the leaves, where the blight usually starts."

"The blight is one of the worst potato diseases in its effect upon the keeping quality of the tubers in storage. An outbreak would result in great damage. It has been twelve years since the last bad epidemic of blight in Michigan."

Bordeaux Mixture is also said to be effective against the leaf hoppers, which seem to be present always.

THREE JOCKEYS THROWN TO TRACK

TWO RUNNERS COLLIDED WITH
AUTO ON RACE TRACK ON
THURSDAY.

Three Riders Leave Steeds, but Were
Most Fortunate in Escaping Serious Injuries.

Clayton Gotts, 17, Wm. Dafeo, 16, and Russell Williams, all jockeys in the farmers' running race, were thrown from their horses in the race at the Cass City fair Thursday afternoon. The three men were badly shaken up, but most fortunately, all came through the accident without any serious injuries. Gotts received a deep cut in the shoulder which required four stitches to close the wound. His right leg and left hand were also cut. Dafeo was badly shaken up and slightly bruised. Williams sustained an injury in one foot and several bruises.

The accident was caused when a car driven by Mrs. Wm. Steadman of Verona attempted to cross the race track while the running race was in progress. The car was leaving the inner circle of the track when the driver, noticing the warning of the gateman, stopped the car after it had gone the length of the vehicle onto the speedway.

Gyp, ridden by Clayton Gotts, stuck his head through the open window of the auto's winter top, throwing the rider over the top of the machine. The boy landed against the track fence. Wm. Dafeo, who rode Topsy, was thrown to the ground in the mix-up, one of the animals landing on top of him. One of the horses ran across the inner circle and came upon the track just as the remaining horses in the race were coming down the home stretch. He collided with Bessie L. and her rider, Russell Williams, was hurled to the track.

With Mrs. Steadman in the car were a woman and two children. All four escaped injury. While the accident is much regretted by all, there were so many possibilities for serious injuries or fatalities that those who escaped without being badly injured are congratulated that there were no more serious results. The horses, while badly shaken by the impacts, are seemingly none the worse because of the accidents.

Fordney Enthusiastic over First Reports

Hon. Joseph W. Fordney of Saginaw, chairman of the Michigan Executive Committee having in charge Michigan's quota of the American Legion Five Million Dollar Endowment Fund Drive, is enthusiastic over the reports he is receiving from all over Michigan as to the progress of Michigan citizens in taking hold of the campaign to secure funds for the orphans of World War Veterans, disabled former service men and their children.

"The reports coming to me through the state headquarters of the American Legion make it evident that Michigan citizens have not forgotten those young men who proudly left their homes to take up arms in defense of these United States, and these citizens are now willing to help those who suffered wounds on the battlefields of France, their children, and the orphans of those who made the supreme sacrifice," says former Congressman Fordney. "Michigan is coming to the front and will go over the top with its quota just as those brave young men went over the top in a foreign land that Democracy for the World might live."

Clayton Perdotti of Harbor Beach, a prisoner in charge of Deputy Sheriff Joe Gienekci, made a break for liberty while on his way from the recorder's court to the county jail. Gienekci fired in the air in an attempt to intimidate Perdotti. But Perdotti would not slacken his pace and the deputy next fired lower hitting Perdotti in the side. The wounded man was soon back in jail and is now on the way to recovery.

NEW OWNERS OF CASS CITY STORES

CROSBY & SON STOCK PURCHASED BY SCHONMULLER OF CHESANING.

S. H. Brown Buys W. A. Walker's
Business Block and Merchandise
Stock.

Two important changes in ownership of Cass City business places were consummated within the past week.

Walter A. Walker, for many years in the general mercantile business on East Main St., has sold his brick business block and merchandise to Samuel H. Brown of Cass City, who takes possession next Monday. In the transaction, Mr. Walker becomes owner of the Brown residence property on North Oak St.

Mr. Walker suffered a paralytic stroke six weeks ago and found it advisable to discontinue his business career. His condition has improved considerably in the past few weeks.

I. Schonmuller, who has been in business in Chesaning for about 20 years, has purchased the shoe and clothing stock of Crosby & Son at Cass City and will re-open this store the latter part of September. Besides replenishing these two lines with new goods, Mr. Schonmuller will add ladies' coats, making the stock embrace the same lines as those carried in his Chesaning store. The Cass City store will be in charge of Mr. Schonmuller's son, Mortimer Schonmuller, who has been associated with his father in business at Chesaning. Mr. Schonmuller has leased the Crosby store and the residence rooms above the store and will continue the business established in 1882 and which has been conducted continuously until last May "43 years in one spot."

The buying public of this community will be pleased to learn that this store so long a landmark of high quality merchandise will be re-opened for business.

97 at Reunion of the McColl Family

The fifth bi-ennial reunion of the Duncan and Mary McColl family was held Saturday and Sunday, August 22 and 23, at Clachan, Ontario, the old home of the McColl family. There were ninety-seven present. The meetings were held at the Alburgh Plains Baptist church, which the family attended some fifty years ago.

Of special interest to the older members of the family, was a visit to the farm homes on which nearly all of the second and third generations were born.

After a bounteous chicken dinner, served by the Ladies' Aid society of the church, the meeting was called to order by the president, A. C. Graham, of Louisville, Kentucky. A short business session was held, followed by roll call, each one responding by explaining his or her relation to the McColl family. The evening meeting was in the form of a musical program rendered by various members of the family.

The Sunday morning service was conducted by Douglas McColl of Windsor, Ontario, who is now studying for the ministry. At 2:30, a public memorial service was held and several of the deceased members' graves were visited. There were several hundred present at this service, friends coming from many miles around.

In the evening, A. C. Graham addressed the meeting. Musical selection were given by the following: Grace McColl-Brown, Nellie Shaw-Miller, Guy Landon and Hugh Graham.

Relatives were present from London, Sault Ste. Marie, and several other points in Ontario; Orleans, N. Y.; Seattle, Washington; Los Angeles, Calif.; Logansport, Indiana; Louisville, Ky.; and Port Huron, Detroit, Crosswell, Deckerville, and Cass City, Michigan. Mrs. Grace Brown of Los Angeles, California, was present from the most distant point, and Mrs. Hugh McColl of Cass City, who is eighty-five years old, was the oldest person present.

Those present from Cass City were Mr. and Mrs. D. R. Graham, Mr. and Mrs. C. L. Graham, Mr. and Mrs. D. H. McColl, Mrs. Hugh McColl, and Mr. and Mrs. G. W. Landon and children, Margaret and Delbert.

Perhaps the most enjoyable feature of the entire trip was the splendid cordiality of the townspeople at Clachan. Nothing was considered too good for the visitors, and they opened their homes in a most friendly manner for their accommodations. A very enjoyable time was spent, and all are looking forward to the next reunion, which will be held in Port Huron in 1927.

The Woman's Missionary Society of the Presbyterian church will meet on Thursday, September 3, at the home of Mrs. R. M. Taylor.

FIRST REUNION OF NASH AND STRIPP FAMILIES

The first reunion of the Nash and Stripp families was held Sunday, Aug. 16, at the Community Hall, Dryden.

After the dinner, Willard Nash made a short speech. During the business meeting, it was voted to make the reunion an annual affair. Mrs. Nettie Nash-Smith was elected president, and Mrs. Lyle Nash, secretary of the organization. Later in the afternoon, Rev. Kendrick, formerly of Dryden, had charge of the preaching service in the hall.

A most enjoyable day was spent at the beautiful park where the hall is located. Mrs. F. J. Nash, sr., who formerly lived near Dryden, was pleased to be able to renew old acquaintances there.

Those present were Mrs. F. J. Nash, sr., the Misses Ethel Kendrick and Anna Pettit of Cass City, Mr. and Mrs. W. J. Nash and two sons, Vincent and Richard, of Saginaw, Mr. and Mrs. Frank Nash, jr., and two daughters, Elizabeth and Janet, of Detroit, Alvah W. Nash of Bad Axe, Mrs. Nettie Nash-Smith and family, Mr. and Mrs. Harold Campbell, Mr. and Mrs. Lyle Nash and son, Francis, Mr. and Mrs. E. S. Albertson and son, Harold, Miss Marjorie Smith, Carl Smith, all of Oxford, and Harold Pool of Flint.

LOCAL HAPPENINGS

Mr. and Mrs. D. E. Turner and daughter, Miss Helen, and Cressy Steele left Tuesday morning for New Lothrop. From there, they will go on to Gull Lake, where they will attend the annual M. F. conference to which Mr. Turner is a local delegate.

The Art club was entertained on Wednesday afternoon at a six o'clock dinner at the home of Mrs. Hannah McKim, with Mrs. McKim and Mrs. Margaret Levagood as hostesses. Mrs. H. W. Robinson of Sand Point, Idaho, and Mrs. Albert Dunham of Royal Oak were numbered with the guests.

Mr. and Mrs. Daniel Schneider and two daughters of Haines City, Florida, are visiting friends and old neighbors in Cass City. The Schneider family left here seven years ago to take up their residence in the southern state. Mr. Schneider sees many changes since the days he pounded the anvil in Cass City and thinks the new pavement makes a wonderful improvement to Main St. He is still engaged in the blacksmithing business in Florida.

Rev. and Mrs. Wm. Edwards and two daughters of Lansing were guests at the home of Rev. and Mrs. Wm. Schnug over the week end. Rev. Edwards supplied the pulpit of the M. E. church Sunday morning, in the absence of the pastor, Rev. I. W. Cargo. In the evening, Rev. Edwards had charge of the union service at the Presbyterian church. Many of his friends and former parishoners availed themselves of the opportunity of hearing him again.

Alton Mark, elder son of Mr. and Mrs. Walter Mark, and Miss Mary Yakes, were united in marriage at the home of the bride's mother, Mrs. Katherine Yakes, on West St., at 8:30, on Wednesday evening, Aug. 26. Rev. A. G. Newberry, pastor of the Baptist church, performed the ceremony in the presence of the immediate relatives. Mr. and Mrs. Mark left Wednesday evening on a trip to Northern Michigan. The bride is a member of the Class of 1917 and since her graduation from high school has been employed as bookkeeper at the office of the lumber yard of The Farm Produce Co. The groom for the past few years has been employed as an automobile mechanic. He expects to resume his occupation at farming next spring when Mr. and Mrs. Mark will take up their residence on the Mark farm in Northwest Elkland.

Frank Lenzner was agreeably surprised the other day when an apparent stranger accosted him with "Hello Frank!" It took a few minutes before F. L. could collect his thoughts and recall many friends long forgotten. "Don't remember me?" "No," said Mr. Lenzner, "I do not." "Well," the stranger continued, "have you forgotten the old swimmin' hole we used to enjoy so much in Friendship, New York?" This was the cue which brought back old time memories. Then came one incident after another. Mr. L. became so interested in telling and listening to happenings in the 80's that he forgot he was in Cass City giving music lessons. He excused one pupil and forgot another who was waiting to take a lesson; but finally "came back to earth" and duties. The stranger was H. Stowe of Niles, Mich., who as a boy, found Frank to be a good chum and has never forgotten the good times they had together so many years ago. The gentlemen became acquainted while Mr. Lenzner was tuba soloist in Gorton's Gold Band, which during a period of seven years, toured in 40 states, and also in Ontario, Quebec, New Brunswick, Prince Edward Island, Winnipeg and British Columbia.

"Black Cyclone"

A SPECIAL PRODUCTION.

THE LOVE STORY OF A WILD HORSE.

"Black Cyclone," free and unafraid, had found his mate in the wilderness. She was "Lady," proud and haughty—a Silver Flash in the Sunlight! Masterfully yet gently he wooed and won her! Then came "The Killer," cruel ruler of the herd, who coveted her gleaming beauty!

With teeth and hoofs they waged their war for her possession! Mighty battles! A Titan's struggle!—then in his distress, when "Black Cyclone" had tasted of defeat, came the Man—the first he had known!—and a wonderful understanding!

An amazing story! Amazingly Told! Enacted by a Cast of Proud Horseflesh in the Rugged Nevada Wilderness. A Tale of Battles!—Of untamed Herds!—Of wolves! With a Wild Horse, Monarch of all he Surveyed!

This is a special attraction and the best we have had for some time.

IS YOUR WORK HARD?

Many Cass City Folks Have Found How to Make Work Easier.

What is so hard as a day's work with an aching back? Or sharp stabs of pain at every sudden twist or turn? There is no peace from that dull ache.

No rest from the soreness, lameness and weakness. Many folks have found relief through Doan's Pills. They are a stimulant diuretic to the kidneys.

Cass City people recommend Doan's. Fred Bardwell, farmer, W. Houghton St., Cass City, says: "Heavy work brought on backache and a heavy, depressed feeling. My kidneys also acted irregularly. Mornings, I felt worse than before going to bed. However, I always found great relief in Doan's Pills. A box or two fixed me up in fine shape."

Mr. Bardwell is only one of many Cass City people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Pills, the same that Mr. Bardwell had—the remedy backed by home testimony. 60 cents at all dealers. Published in the interest of the People of Cass City and vicinity by the
Elkland Roller Mills
Roy Taylor, Editor

Last week Chas. McConnell and Warren O'Dell each brot about sixty bushels of wheat to the mill and in exchange took their year's flour. This is very good business both for them and the mill and is very much appreciated.

We have just witnessed a sublime spectacle—a brand new grand-pa, with face beaming like the Aurora borealis, pushing a baby carriage along Main Street.

You have often heard people say, "There is as much difference between this or that as there is between 'black and white'" but when you drive through the country and see signs that read "Black is White" you wonder just where you are at. Nevertheless Cream of Wheat Flour is different from ordinary Flour.

A four-in-hand necktie makes a good fan belt in a pinch. We know a man who tried it the other day.

A handkerchief quickly loses its freshness on a day like this.

A customer came into our place yesterday and said it was blamely funny that a fellow can't eat twelve pancakes for breakfast without getting a pain in his "stummick."

You Bet! Teacher. — "Now suppose you and Johnny had three apples each, and Johnny took two of your apples—what would you have?" Johnny—"A fight!"

Paragraphs Concerning Michigan

Lansing—Tom E. Johnson, head of the department of public instruction, reports that the net gain of primary school money for Alcona as confined to the cities of Harrisville and Lincoln is \$1,721.40 and \$1,669.50 respectively.

The state of Michigan is now making its own clothing for the inmates of all its state institutions. Recently the state obtained a large quantity of woolen cloth from the war department. This cloth is used in making suits for men and boys and coats for the women and girls with the result that inmates now will wear clothing that will last more than twice as long and which originally costs much less than the shoddy stuff heretofore purchased. In this operation the state saves an initial expense of about \$300,000.

To reduce to a minimum the noise in the new University of Michigan hospital all the corridor floors are rubber inlaid while ceilings are covered with felt padding.

Since F. A. Peters left the old home town of Dexter, Mich., he has become head of the largest ice cream making concern in the British Isles. He was back in Michigan last week celebrating.

Fred Wardell of Detroit, head of the Eureka Vacuum Cleaning company, largest in the world, has just divided twelve millions of dollars in profits among a few of the employees who were with him from the state. When Fred was in hard lines during the war the employees bought some of his stock with their savings. It paid all the way around.

Henry Ford is buying much land in southern states to try a few experiments with rubber trees in an effort to pry off the strangle hold on the rubber industry the British have.

Michigan's sugar beet crop is reported at about a 75 percent condition. The crop forecast for this year is \$12,000 tons.

Electricity has been humanized in the new University of Michigan hospital where it is harnessed to do cooking, baking, freezing, lighting, heating and such things.

Arthur Stace in The Grand Rapids Press says that Michigan's threatened tragedy of dying towns and slowly starving rural communities left resourceless by the utter destruction of their wealth yielding forests and the subsequent failure of agriculture on more than 12 millions of acres on northern cut-over land, is being turned into triumphant drama by the wide spread recreational development sweeping both peninsulas.

Michigan still has four million acres of virgin standing timber that is being cut away in the final onslaught on her forests.

The state highway department reports that the state highway system includes 5,775 miles of improved roads of which 2,235 are paved.

The Joslin Manufacturing company of Manistee which makes time stampers and ticket daters has a world wide business. Among its customers are concerns in Peru, Egypt, Denmark, Finland, India and New Zealand.

A gas bread toaster in the new University of Michigan hospital will turn out 900 pieces of toast each hour. Will some one page Len Feighner of Nashville?

THUMB NOTES.

Peck—Power and light will be furnished to Peck village by the Michigan Electric Power Co., an agreement having been reached by representatives of the company and the village council.

Brown City—Citizens here were relieved when it was learned that the dog quarantine which has been in existence for three months, had been extended for two more months. Sheriff Hagle has received notice to enforce the provisions of the dog quarantine rigidly. Several cases of dogs biting children here occurred only recently, with the result that the children were sent to Ann Arbor for pasteur treatment.

Michigan Happenings

Superior Judge Leonard D. Verrier, of Grand Rapids, in a communication directed to Governor Groesbeck, asked that definite machinery be established in order that a fine, imposed upon a prisoner in addition to a state's prison sentence, may be collected or the prisoner be required to serve the additional period specified for its non-payment. Judge Verrier, pointed out that Kent county, and possibly other counties have been losing considerable money because prisoners sentenced to state penal institutions have been paroled without being required to pay the fines imposed in addition to their prison terms.

By a majority of 5,032 Joseph S. Hopper, of Battle Creek, the Republican candidate, was elected to Congress from the Third District over Claude S. Carney, of Kalamazoo, his Democratic opponent, in the recent special election. Hopper will serve out the unexpired term of the late Rep. Arthur B. Williams, of Battle Creek, who died in John Hopkins Hospital, Baltimore, last April. Hopper received 14,834 votes to Carney's 9,852.

Likelihood of annexation of Sylvan Lake village to Pontiac has practically disappeared with the development of opposition among citizens of the village to any such attempt on the ground that no immediate benefits would result. In a mass meeting held in the village to discuss it, only one citizen spoke in favor of annexation. City Manager Ham and Mayor Rockwell, discussed the matter from the city's viewpoint.

The entire board of supervisors of Manistee, was censured for laxity in the financial affairs of the county and a recommendation was made for a thorough audit of the accounts of Justice August Grove, Sr., during the last 10 years and the shortage of Arnold T. Graves, former county treasurer, was placed at \$4,590 by State auditors who investigated the county offices.

Chemists working under the supervision of the State Department of Health have obtained 210 samples of the water in wells, streams and springs in the state in their efforts to protect tourists from impure drinking water. Signs have been posted in conspicuous places advising the tourist that the water to be found is pure or unwholesome as the case may be.

Members of the Monroe County Farm Bureau association and county grange held their annual outing at Dewy's beach along Lake Erie, five miles north of there. C. L. Burton, county agent, was the general overseer. Various athletic games were enjoyed. Louise Campbell, director of home economics of the M. S. C., addressed the women on nutrition to children.

Fire practically destroyed the finishing building at the Michigan State Prison cement plant at Chelsea with a loss estimated at \$35,000 by Warden Harry H. Jackson. The blaze, is believed to have started from hot journals in the sacking department and to have spread to the oil bunkers, enveloping the roof of the structure in a mass of flames.

DIPPING INTO SCIENCE

Birds' Own Law

Many kinds of birds are said to hold court. For minor or grave offenses, the guilty is called before a few, or a few hundred of his clan. The charges are poured out, and if the bird is exonerated, he is unmolested; if not, they all join in his execution. Many writers tell of having watched such trials and executions among crows, storks, rooks, sparrows and flamingos.

Build of GRADE-MARKED Northern Hemlock for Strength and Stability

On your Northern Hemlock studding, rafters and joists the Grade-mark (above) assures you: That they are extra standard size (more wood and strength to the piece), insuring greater strength and rigidity to your framing.

That they are responsibly manufactured and rigidly graded under the exacting Grading Rules adopted by this association.

Add to this the other well-known characteristics of Native Hemlock—immunity to dry-rot, ability to take and hold paints and stains perfectly, and you'll appreciate the investment value of Northern Hemlock construction—framing, underflooring, sheathing, siding and exterior trim.

Buy by the Grade-mark. Save money. Your Northern Hemlock Dealer will assist you in selecting the right grade.

There never was anything made but what someone else could make it worse and sell it for less.

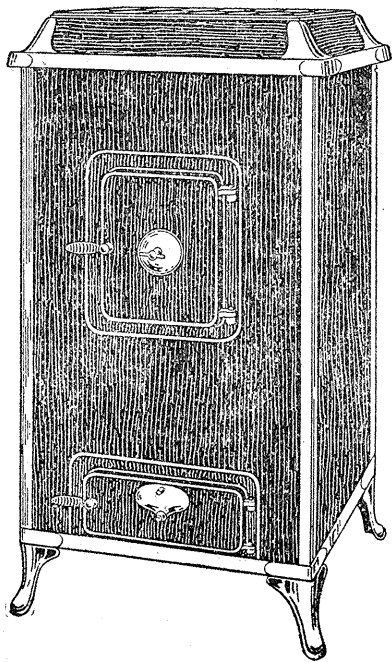

Cheap, shoddy merchandise, however, even at a low price, never proves satisfactory

Neither are good materials attractive if prices charged are out of proportion to their real worth. Between these two extremes lies the solid basis on which our business is built. Dependable quality materials that are bound to give satisfaction, sold at fair figures, combined with cheerful, willing service are reasons why it will pay you to buy your building supplies here.

Suppose you drop in and let us show you how we can save you money on your next bill. No obligation—of course.

Heats by Circulation

Most of us appreciate the comfort enjoyed in the home heated by a warm air furnace but on account of the house being constructed without a basement suitable for the installation of a furnace or because of the expense in making such installation, we have been obliged to depend upon the old style heating stove with its many inconveniences.

The Renown Circulating Heater, as its name indicates, is a parlor furnace, heating by circulation rather than by radiation. It draws the cold air from the rooms and passes it up through the flues of the heater, the latter being formed by an outer casing built around the heating unit. The cold air is thus intensely heated and flows out through the register on top of the heater. With the cold air on the move and the warm air displacing it, the house is heated comfortably with moist healthful air as on a day in June.

Burns hard coal, soft coal, coke or wood. Why pay more when you can get the Renown Circulating Heater for \$85.00?
