

## SPLENDID LYCEUM COURSE PROMISED

AMERICAN ENTERTAINERS, 1ST NUMBER, COMES ON OCTOBER 20.

Musical and Dramatic Features, an Evening of Humor and an Educational Lecture.

One of the public services of the Cass City Woman's Study Club for some time has been to sponsor the annual engagement of a high-class lyceum course. Four numbers to be presented in the course of five months have been secured, the first entertainment to be given this month. This season's selection is unusually promising. Highest grade musical and dramatic features, an evening of pure humor, and an educational lecture comprise the program.

The first number comes one week from Tuesday evening, on October 20. The American Entertainers present a program of songs, interpretative readings and instrumental numbers of real merit, cleverly arranged and staged. Costumed song numbers and musical readings—quaint, picturesque and highly entertaining—are especially attractive features.

Corine Jessop and Gladys Ellis, who compose the company, are both experienced lyceum entertainers. Miss Jessop is a splendid reader and pianist and possesses a fine mezzo-soprano voice. Many of the numbers she gives are original with her.

Miss Ellis is a violinist of unusual appeal. Her selections include both popular and classical numbers. She also has a lovely mezzo-soprano voice and is a reader of marked ability.

Both Miss Jessop and Miss Ellis have been accustomed to give, with outstanding success, an entire evening's program alone.

The Betty Booth Concert Company will appear as the second number on Wednesday, November 25, in a program of instrumental selections from the compositions of great masters and semi-classical numbers, costumed song presentations from light operas and other favorite vocal numbers given in costume, and an original operetta, "A Master's Birthday."

Miss Betty Booth, mezzo-soprano and pianist, studied in European music centers and appeared for two years with the Imperial Vienna Opera Company. In beautiful costumes, she sings a number of Chinese, Japanese and Hindu selections, and Hungarian and Spanish gypsy songs. Her extensive repertoire includes such selections as Yum Yum's aria from "The Mikado," "The Chinese Lullaby" from "East Is West," and the "Kashmiri Song" from "India's Love Lyrics." She also has a group of light all-American songs in a vivid and unique presentation.

Hugo Brandt, Polish pianist and composer, received his training under the best European masters. He has spent the past two years in continental European music centers, having previously toured America in concert performances. Many of his compositions have been published in this country. In addition to featuring in piano solos, Mr. Brandt appears with Miss Booth in delightful piano duets.

Paul Clark has studied under the best violin masters of the day. He has appeared in concert performances in all of the large European cities, and has had more than five years' successful lyceum experience.

"A Master's Birthday," an original operetta, takes its inspiration from some of the most striking events in the life of the great composer, Franz Turn to page 5.

## Weaver Sisters in Double Wedding

On Thursday evening, Sept. 3, at 8 o'clock, a quiet double wedding took place at the home of Rev. and Mrs. W. B. Weaver, on Bewick avenue, Detroit, when their daughter, Mildred, was united in marriage to Robert H.

Peirson, son of Mrs. E. W. Peirson, and their daughter, Marion, became the bride of Ross Harkness, son of Mr. and Mrs. George Harkness. The ceremony was performed by Mr. Weaver, father of the brides, in the presence of the immediate families.

Templeton Moore, of Windsor, sang "At Dawning" and "O Promise Me," accompanied by Mrs. Forrest I. Moon, sister of the brides, who also played the wedding march.

The brides were gowned in white satin crepe, trimmed with silver lace and ribbon, and carried shower bouquets of white roses and lilies of the valley. Little Elinor Bailey, as flower girl, daintily dressed in shell pink crepe, scattered rose petals before the brides.

Mr. and Mrs. Peirson will be at home after Oct. 1, at 3743 Glynn Court.

Mr. and Mrs. Harkness will be at home after Oct. 1, at 3730 Garland avenue.

Rev. Weaver will be remembered here as a former pastor of the M. E. church at Cass City.

## LOCAL CROP AVERAGES HIGH

STUDENTS HAVE INTERVIEWED 35 FARMERS IN A CROP SURVEY.

Under the direction of Willis Campbell, students of the field crops class of the Cass City schools, have interviewed about 35 farmers for a crop survey. These men are located in all directions from Cass City, making the averages given show a general report for this locality. The following report gives the general average for the state as well as the average for this section as compiled by the students:

	Local State	Average Average
Wheat	23	16.9
Beans	15.8	9.9
Oats	39.8	29.6
Beets	12.1	9.6

The usual crop rotation was noted also, and was found to be a five-year rotation of grain, hay, corn, beets or beans.

## MARLETTE GIRL FATALLY INJURED

TWO AUTOS COLLIDED TWO MILES EAST OF UNIONVILLE SUNDAY.

Miss Marion Calkins, 18, of Marlette died in the Unionville hospital Sunday of injuries received that day when the automobile in which she was riding collided at a crossing two miles east of Unionville with a car driven by Michael Strauss of Unionville. Miss Viola Wier, 19, of Marlette, a chum of Miss Calkins, who was another passenger in the Calkins car, was dangerously hurt. Bert Calkins, father of Miss Calkins and driver, and a younger daughter, Ida, aged 10, were less seriously injured. Stephen Strauss, 10, a passenger in his father's automobile, was slightly hurt.

Both Miss Calkins and Miss Wier were thrown from their car. Miss Wier was picked up fifty feet from the scene of the accident, where her body had landed.

ODD SIGNS TO WARN MOTORISTS

In a western town that has undertaken an anti-speed crusade, a sign has been posted prominently on the main thoroughfare through the town reading as follows: "Last year 4,076 people died of gas, 29 inhaled it, 37 put a lighted match to it and 4,000 stepped on it." The warning has had a promising effect.

Advertise it in the Chronicle.

## TUSCOLA'S STATE TAX RECEIVES BOOST

STATE LEVY IS \$106,095, WHICH IS \$15,314 HIGHER THAN IN 1924.

Wayne County Scheduled to Pay Nearly Half of Total, or \$17,800,000.00.

Tuscola county's portion of the 1925 tax is \$15,314.00 greater than in 1924, an appropriation shows which was recently completed by Auditor General O. B. Fuller. Sanilac county's share is \$16,876.00 higher than last year and Huron county's \$16,419. Wayne county's increase is the greatest although most of the counties of the state also have an increase. Wayne's increase is \$1,736,908 over 1924.

The increase is caused from a greater state tax than a year ago, a jump of \$3,300,000. The state tax in 1924 was \$14,500,000 as compared with \$17,800,000 in 1925. Tuscola county's share of the 1924 tax was \$90,781 while its share of the 1925 tax is \$106,095. The levies for 1924 and 1925, respectively, in various other counties follow:

Kent, \$724,038-\$869,622; Alpena, \$33,446-\$39,899; Bay, \$159,371-\$187,526; Berrien, \$215,857-\$255,597; Calhoun, \$264,872-\$313,753; Cheboygan, \$20,248-\$23,697; Chippewa, \$63,092-\$73,874; Delta, \$49,424-\$58,639; Dickinson, \$52,451-\$76,171; Genesee, \$462,985-\$548,191; Gogebic, \$162,398-\$192,241; Grand Traverse, \$31,652-\$37,239; Hillsdale, \$93,303-\$109,058; Houghton, \$151,302-\$145,390; Huron, \$94,815-\$111,234; Ionia, \$93,808-\$110,267; Iron, \$91,991-\$111,234; Jackson, \$269,318-\$322,216; Kalamazoo, \$270,446-\$323,425; Lapeer, \$72,625-\$84,879; Lenawee, \$188,800-\$223,194; Macomb, \$190,641-\$237,582; Marquette, \$152,814-\$176,644; Mason, \$36,812-\$42,547; Menominee, \$48,756-\$59,365; Monroe, \$161,388-\$192,603; Montcalm, \$64,503-\$75,445; Muskegon, \$173,493-\$211,828; Oakland, \$457, \$596,071; Ontonagon, \$33,287-\$37,481; Saginaw, \$205,544-\$261,874; Sanilac, \$98,850-\$115,547; Shiawassee, \$107,920-\$126,278; St. Clair, \$219,892-\$259,405; Tuscola, \$90,781-\$106,095; Washtenaw, \$242,083-\$299,123.

## Cass City Wins from Ugly 21-0

In a game that was featured by some fine playing on Cass City's part, Cass City had defeated the heavier but less experienced Ugly team by a 21-0 score Saturday afternoon.

After taking the ball away from Ugly a few minutes after the kickoff, Cass City never stopped until she had marched 50 yards on straight line plays for a touchdown. No further scoring was done in the first half. In the second half, Cass City scored two touchdowns, one by means of a forward pass and the other by line bucks. Benkelman kicked goal after touchdown.

There were some fine plays made by both teams, but on the whole, the game was slower and more ragged than usual.

The line-up: L. E. McConnell; L. T. Schwieger; L. G. Gallagher; C. Urquhart; R. G. Wilsey; R. T. Odell; R. E. McBurney; Q. Gowen (captain); L. H. Benkelman; R. H. Hartwick; F. Fiddymant. Substitutions: Bliss for Gallagher, Hunt for Wilsey, Wilsey for Bliss. Referee, Champion.

Cass City goes to Bay City this week-end, and then they start their battle for the Thumb title, opening the schedule at home on Friday, October 16, with Sandusky high. The team is rounding into shape, and is ready for business.

## Mrs. Alvord Gave Fine Lecture Here

The Woman's Study Club entertained the teachers of the Cass City schools at the M. E. church Tuesday evening. At 6:30 a buffet luncheon was served, the tables and room being prettily decorated with autumn flowers. Following the repast the teachers formed in line and were introduced.

At eight o'clock the company adjourned to the auditorium where the Study Club was hostess to the women of the community and to members of women's clubs from surrounding villages. The spacious room was well filled.

The regular business meeting of the club was held, after which the assembly sang "America, the Beautiful." Mrs. A. J. Knapp, first vice president of the State Federation of Women's Clubs, extended greetings to the guests and introduced Mrs. W. R. Alvord, of Detroit, chairman of citizenship training of the General Federation, who gave an address on the subject, "The American Home." Mrs. Alvord's gracious manner of speaking won her audience at once and throughout her lecture she had the close attention of all. It was a heart-to-heart talk on the subject in which all women are interested—"Home." No one could help but be better for having heard it.

Mrs. Bell of Snover, president of the Sanilac County Federation, was introduced. She expressed the appreciation of the visiting ladies for the rare intellectual treat they had received. The meeting closed with singing, "America." The out-of-town guests, about 125 in number, were then served with doughnuts and coffee.

The program committee, composed of Mrs. Dora Fritz, Mrs. Chas. Wilsey, Mrs. I. W. Cargo and Mrs. F. E. Kelsey, deserve much praise for the success of the evening's entertainment. They spared no efforts to make every one happy.

The next regular meeting of the club will be held at the home of Mrs. L. I. Wood on Tuesday, Oct. 20.

## COUNTY HOME DEMONSTRATIONS

PLAN WILL BE PRESENTED TO TUSCOLA WOMEN ON OCTOBER 16 AND 17.

Although there is no county home demonstration agent in Tuscola county some of the women of the county have become interested in home demonstration extension work as is being carried on in other counties and have asked that the county agricultural agent endeavor to start some such work in Tuscola. In compliance with that request, Miss Brekke, specialist in home demonstration work, has been secured to present the plans for this work to women at meetings to be held at Akron high school on Friday, October 16, at 1:30 p. m. and at the court house in Caro at 1:30 p. m. on Saturday, October 17.

Tuscola County women are interested in clothing work more than any other phase so this will be the work which Miss Brekke will outline. Briefly the plan will be for small groups of women in different communities to send two of their number to a one day meeting to be held once each month for a period of six months. These women will then give the information received at these meetings to their neighbors at small neighborhood meetings to be held soon after the meetings with the specialist.

It is hoped that a good representation is at the Akron and Caro meetings because this is the only way in which the desires of the Tuscola women can be determined at this time.

## To Arrange for Two-Day Institute

A preliminary meeting will be held at the high school building on Tuesday evening, Oct. 13, at eight o'clock, for the purpose of making arrangements for a two-day institute which is expected to be held at Cass City the week of November 9. Ministers, teachers, farmers, business men and members of the Woman's Study club are urged to attend the meeting next Tuesday evening as there must be a large interest shown in order to assure the project being held here.

Cyrus McCormick furnishes the funds for this educational work which is conducted under the Agricultural Extension department of the International Harvester Co. The local project here in November is being sponsored by the Cass City Community Club.

## Authority of Dry Officers Increased

Enforcement officers in Michigan were granted increased authority to search automobiles for liquor, in an opinion by the state supreme court Thursday. The condition of intoxication on the part of the driver, even though he is not in the car when apprehended, was held sufficient ground for searching his automobile without a warrant.

The court affirmed the conviction of Ben Garrett and Roger Northcock, Grand Rapids youths, for violation of the liquor laws. They drove to a football game in Holland, according to the record and were intoxicated when they arrived. Parking their car in a private parking lot and locking the doors, they started to walk to the game and were arrested. At the jail the key to the car door was found. An officer went to the parking lot, unlocked the car and secured a small quantity of liquor.

Six of the eight justices concurred in affirming the conviction in the Ottawa circuit court, and ordered the trial judge to proceed to sentence.

## MICH. COWS RANK HIGH IN PRODUCTION

MORE THAN 800 HERDS PASS REQUIREMENTS FOR NATIONAL HONOR ROLL.

Ranking second only to Wisconsin among dairy states of the country in the number of herds which have qualified for the National Dairy Exposition "300-pound-herd-average" honor roll, Michigan dairy farmers have made an enviable name for themselves as efficient producers.

A total of 813 Michigan herds are listed in the national roll as having averaged more than 300 pounds of butterfat per cow from the period from July 1, 1924, to June 30, 1925. Wisconsin, with 934 herds in the select circle, tops the entire country; while Minnesota takes third place with 387 herds listed. Other leading states are: Pennsylvania, 259; Iowa, 193; Ohio, 150; Indiana, 145; and Illinois, 115.

The Michigan herds are all members of 86 of the state cow testing associations. There are 106 active cow testing associations in Michigan now, according to A. C. Baltzer, extension specialist at the Michigan State College who has charge of the association work. Wisconsin has more than 160 active associations, and Mr. Baltzer points out that Michigan's percentage of 300 pound herds is greater in proportion to the number of test associations than is Wisconsin's.

Special certificates will be awarded the 813 Michigan "300-pound" herd owners during the National Dairy Exposition, in Indianapolis from October 10 to 17. A number of prominent dairymen of the state are also entering animals in the competitive judging classes at the big show.

## Hiram H. Wilson Laid to Rest

Hiram H. Wilson, for many years a prominent citizen of Novesta and for 13 years the supervisor of that township, passed away at the home of his son, Albert Wilson, at 72 Jessie St., Pontiac, on Monday morning, Oct. 5. Mr. Wilson suffered a paralytic stroke about five weeks ago and another a week later.

Mr. Wilson was born on Jan. 7, 1850, in Paris, Ont. For several years, he lived on a farm near Port Huron. He came to Deford in 1879, having the previous year been united in marriage with Miss Martha Hartwick. In 1902, they left their Novesta township farm to reside in Cass City, Mr. Wilson engaging in the farm implement business at that time with John A. Caldwell. After a few years in business, he sold his interest to his partner, Mr. Caldwell. In 1913, Mr. and Mrs. Wilson moved to Saginaw where they lived for ten years. The past two years they have lived with their children.

Besides his widow, he leaves five children, Wm. H. Wilson of Saginaw, Mrs. A. L. Burgdorf of Saginaw, Orville Wilson and Mrs. Fred A. Stier of Detroit, and Albert Wilson of Pontiac, one brother, Henry Wilson of Oakland, Calif., and one sister, Miss Edith Wilson of Port Huron.

Mr. Wilson was a member of Tyler Lodge, F. & A. M., at Cass City and members of that body conducted the Masonic burial service on Wednesday, Chas. H. Travis officiating. Burial was in Novesta cemetery.

## Start Super Grade Potato Seed Class

A super grade of potato seed stock, to be known as "registered" seed, will be included among classes certified in the future by the Michigan Crop Improvement Association, according to announcement made here this week by extension specialists at the Michigan State College.

Foundation stock for the certified seed potato growers of the state will be provided by the new grade. The result is expected to mean constantly improved quality of seed tubers, as produced under the grading program of the college crops department and the improvement association.

Points upon which the new registered seed will be selected, as drawn up by the seed potato inspection committee of the college, are as follows: freedom from disease; uniformity and vigor of plant growth; yield and quality of crop; known history of seed and at least two years of satisfactory results with the seed in Michigan State College official seed tests; and seed to be grown, harvested, stored and marketed under conditions that meet the approval of the college inspection committee.

Distinctive certification tags and special tags for the registered grade will be used for the inspected potatoes, it is understood.

Advertise it in the Chronicle.

## COMING AUCTION SALES.

Mrs. John McCool will sell her household goods at auction 5 1/4 miles south of Cass City on Wednesday, Oct. 14, with R. N. McCullough as auctioneer. Full particulars on page 7.

Lewis Crocker has decided to move to Florida and will sell his personal property at auction, 3 1/2 miles east and 2 miles south of Cass City, on Thursday, Oct. 15. R. N. McCullough will cry the sale and all details regarding it are printed on page 7.

Ray Winegar will have an auction sale of household goods at the residence in Deford on Saturday, October 10. Full particulars may be found on page 7.

Robt. Day and C. K. Parker will have an auction on the Day farm in Grant township on Wednesday, Oct. 21. The advertisement will appear in the Chronicle next week.

## BANQUET FOR 40 CLUB MEMBERS

COMMUNITY CLUB TO ENTERTAIN SUCCESSFUL EXHIBITORS ON OCT. 19.

The Cass City Community Club is host to forty members of the boys' and girls' club and pig clubs at a banquet Monday evening, October 19, to be served by the ladies of the M. E. church in the church parlors at eight o'clock.

Following the dinner, members of the club and their guests will be addressed by C. L. Goodrich, assistant superintendent of public instruction. Nevils Pearson, of Michigan State College, and state club leader, will give an address on "Quality Live Stock for Club Work."

Club work is such a comparatively recent venture in the Cass City schools and community that the strides made in its work here are unprecedented. Director Willis Campbell attributes this unusual success to the fact that positively nothing but pure bred animals have been purchased for the members. Tuscola county, already noted for its Holsteins, has been secured each year for material suitable to work with. Time and expense have not been spared and the results are beginning to prove the wisdom of the promoters of club work. This is well demonstrated by the fact that Tuscola county clubs were adjudged two grand champions and two reserve champions out of one and one-half carloads of stock exhibited at the state fair this fall, while another showed seven carloads of grade stock and did not place one champion. "Quality Live Stock" pays every time, everywhere.

John W. Sims, county club leader, will have the honor of presenting the badges and trophies for 1925 to James McTavish, Grand Champion Holstein; Raymond Wallace, County Champion Duroc Jersey (pig); Lorene McGrath, County Champion Chester White (pig).

Willis Campbell, the progressive local club leader, will present to the boys and the girls the cash prizes awarded them at the various fairs this fall. These prizes total approximately eight hundred dollars, and show one phase of the value of club work in the community.

## Busy Day in Huron Court

In nine cases where guilty pleas were entered in the Huron circuit court on Monday, seven were in violation of the prohibition law.

Thomas Lackowski received the severest sentence of the day. He was arraigned on a charge of possessing liquor. Judge Boomhower sentenced him to six months in the state prison at Jackson.

Charles Hofmeister, charged with possessing liquor, was fined \$25 and placed on probation for a year.

Charles Rudel, Bloomfield township, charged with possessing and selling liquor, was fined \$50 and placed on probation for one year.

Fred Kreuger, charged with possessing liquor, was placed on probation and ordered to report to the court after the fall harvest.

T. J. Casey, 21, Elkton, who pleaded guilty to a charge of passing worthless checks amounting to between \$60 and \$70, was ordered to make the checks good. He, too, was placed on probation.

Mrs. Joseph Gwizeala, charged with selling liquor, and her husband, charged with possessing liquor, both were fined \$50 and placed on a probation for one year.

## No Rush to North.

Six years ago a Detroit janitor bought a small farm just outside the city limits for \$3,700. Last week he sold it for \$60,000, but so far we haven't heard of any rush from Florida setting in.

## SPECIAL PRIZES AT POTATO SHOW

STATE DEPT. OF AGRICULTURE AND THUMB BANKERS TO CONTRIBUTE.

Judging of Exhibit to Be Done by Inspectors from State Dept. of Agriculture.

The Michigan State Department of Agriculture co-operating with the Thumb of Michigan Potato Show which is to be held at Mayville on November 11, 12 and 13, are offering a prize of one hundred dollars to growers who best interpret the recently enacted law on uniform grading of potatoes.

To compete in this class growers are required to prepare an exhibit of one bushel field run potatoes, besides these he will then select one peck each of U. S. Fancy, U. S. No. 1, U. S. No. 1 small, U. S. No. 2, together with the culls removed in making up the above grades.

The real contest is in the grower exhibiting what he thinks is the proper kind of potatoes to comply with the rules established by the State Department of Agriculture. Copies of these regulations may be secured by writing the State Department of Agriculture at Lansing, or the county agricultural agent of any county.

The judging of the exhibit will be done by regular inspectors from the State Department of Agriculture. The premium money is divided into nine prizes, giving thirty dollars to the grower winning first place.

A. C. Carton, director of the Bureau of Agricultural Industry, says that the grading of Michigan potatoes is perhaps the most important phase of marketing the crop. He feels that the Michigan potato can be so graded that it will soon have such a reputation as to command the highest price on the market.

The bankers of the Thumb area by contributions, have also made possible the offering of substantial premiums on both Early Ohio and Irish Cobbler type of potatoes at the Thumb of Michigan Potato Show.

Another special class offered at the show will be on Burbank Russet (long Russets) potatoes. This is one of the best eating potatoes grown and the Michigan State College specialists are endeavoring to induce a limited number of growers to grow these potatoes for special trade. It will be necessary that growers receive a somewhat higher price for these potatoes because they do not yield as well as do the other type. However, it has no superior as a baking potato now purchased in some western states. Should a demand be developed for the long Russet for baking, growers will undoubtedly put them up in small packages of well selected sizes.

## Wallace-Callan Wedding Tuesday

A quiet wedding was solemnized Tuesday evening at the home of Mr. and Mrs. A. J. Wallace when their daughter, Marian, was united in marriage to Mr. Arnold Callan of Caro. The ceremony was performed at eight o'clock by the Rev. Wm. Schnug of the Presbyterian church in the presence of the immediate relatives. The couple was unattended. Following the service, a wedding supper was served to the guests.

Mrs. Callan is a member of the 1923 class of the Cass City high school. Since her graduation, she has been employed by the Farm Produce Company, elevator department. She was recently transferred to the lumber department. Mr. Callan is a member of the 1924 class of the C. C. H. S.

Mr. and Mrs. Callan are spending some time at the home of the former's parents near Caro.

## A. B. C. Now Settled in New Quarters

The A. B. C. Sales and Service moved the past week into their recently purchased building, known as the Cement Block, on the corner of Main and Oak Streets.

A show room and office at the front of the building is 20 by 34 feet in size and is large enough to provide quarters for a salesroom for accessories and repair parts and to display two models of cars. Large plate glass windows at the front provide wonderful opportunities to display merchandise.

The room at the rear is used for repairs and storage. It is 34 by 50 feet in size and well lighted and provides a pleasant place for the employees to do repair work. The remodeled building is well suited to the need of the firm and the two partners, Harold Jackson and Robt. Agar, are well pleased with the new quarters.

Mr. and Mrs. Thos. Farson entertained at Sunday dinner, Mr. and Mrs. John High and Mr. and Mrs. Ed. Dillon.

Mrs. Germain and Mrs. Ohering of Saginaw are visiting relatives here.

Gagetown High School. Our baseball team was considerably more successful in the contest with Bay Port. The score was 8-3 in favor of Gagetown. The line-up was as follows: Gagetown—Walsh, c; Williams, 1st; Hobart, 2nd; Pinkbeiner, 3rd; McKinon, ss; Munro, cf; Burdon, rf; Beach, lf; Ziehm, p. Bay Port—Lounsbury, ss; Campbell, cf; Kinde, c; E. Forsman, p; V. Forsman, 1st; Hene, 2nd; B. Campbell, 3rd; Kohr, lf; F. Hene, rf. The boys deserve considerable credit given them for this victory. Their efforts were great to develop a team

under the handicaps that they had to overcome. Everybody should stand by our athletes—then watch us grow physically, mentally and morally.

While the boys were at Bay Port on Friday, winning laurels for their school, the Mary Lyons' girls held their first social afternoon and were hostesses to their mothers. An interesting and instructive literary program was given, after which dainty refreshments were served. Everyone went home feeling that the afternoon had been well spent.

## DILLMAN SCHOOL NOTES.

Loma Reagh and Beatrice Loomis, Reporters. We have an enrollment of 27. Our percentage of attendance last month was 94.81. We are trying hard to increase it this month.

We have succeeded so far in having no tardy marks. Those who were neither tardy nor absent last month are: Myrtle and Stanley Walters, James and Maisie Milligan, Eugene Wilson, Merritt Allen, Lyle, Norris, and Jessie Lounsbury, Lucile Goodall, Aletha Wright, Marjorie Stine and Harold Tuckey.

We certainly appreciate our new blackboard. It covers a strip almost all the way across the front of the room.

We are reading the story, "My Dog Rover," for morning exercises. We also answer with a quotation every Monday morning.

Mr. McComb was our visitor this month.

Ray Brown, Maisie Milligan and Maxine Morgan were the only three this month who received nearly all A's in their work.

Alfred and Lucile Goodall were absent from school Monday. They were in Detroit where Alfred had his eyes tested.

The sixth and seventh grades are very much interested with our new Health Books. We are now studying the "Digestive System."

The seventh and eighth grades are studying percentage in arithmetic.

The first graders have been making flower baskets part of this week for bus work.

## CHAMBERS SCHOOL NOTES.

Teacher—Lucile Jones. Our Motto—A generous heart should scorn a pleasure that gives others pain.

We have 26 pupils enrolled this year.

The following have been perfect in attendance for the month of September: Thelma Cooke, Cathryn MacTavish, Lawayne Towle, Edna and Verita Linderman, Phyllis and Keith McComb, Alma, Charles and Iva Collison, Blanche and Johnny Vance, and Clarence Kitchin.

The following have been welcome visitors this month: Mr. and Mrs. Musselman, Helen Craig and Irma Merchant.

Cathryn MacTavish brought us a new waste paper basket at the beginning of school.

The seventh grade history class wrote a theme Friday on "The Boy's Life of Abraham Lincoln."

Miss Jones is reading us the book "The Camp Fire Girls' Careers."

The second grade has finished memorizing the poem, "The Raggedy Man."

Monday the first and second grades enjoyed the story, "How Brother Rabbit Pooled the Elephant and the Whale."

We have three new pupils in our primary class: Keith McComb, Iva Collison and Harold Walker.

Julia and Laura Crocker expect to leave us soon. They are going to spend the winter in Florida.

Reporter—Alma Collison.

## QUICK SCHOOL.

Inez Quick and Marcella McCaslin, Reporters. Our motto this week is: "Let us be content to work, to do the thing we can, and not presume to fret because it's little."

The second grade are reading the story, "The Star Dipper."

The third grade are reading "The Brownie of Blednock."

The fourth grade are reading, "Mis-hook the Siberian Cub."

The fifth grade are reading "Hunting the American Buffalo."

The sixth grade are reading "Little Daffydownilly."

The first and second grades are doing addition and subtraction in arithmetic.

The fifth grade are learning Roman numerals.

The eighth grade are studying about "Rotation of Crops" in agriculture.

The third and fourth grades are learning the poem, "September," for language.

The sixth and eighth grades are analyzing sentences.

We have 27 pupils in our school. Georgia Thompson and Beatrice Tedford are our new pupils this year.

Tony Romanuski and Warren Kehoe were visitors at our school this week. We hope to see our friends and parents at school.

We had a spelling match Friday. Hazen Quick and Rosland Barrett were captains. Rosland's side won.

Bears and wolves have begun to attend our school. At least the little children who were out to play would have us believe, but upon investigation, we found it to be a little black animal with a white stripe up his back!

Teacher—Freda M. Kelley.

## WRIGHT SCHOOL.

Reporters—Marie McKenzie and Mildred Schwegler.

Teacher—Ethel Robinson. Motto—"If at first you don't succeed, try, try again."

We have an enrollment of 18 now. Those neither tardy nor absent from school this year are: Fern Schwegler, Mildred Schwegler, Marjorie Schwegler, Henry Hulbert, Alice Buehry, Fred Withey, William Withey, Marie McKenzie, Donald Withey, Harold Hulbert, Clinton Law and Grever Hulbert.

The upper grades are making October calendars. The lower grades are making sewing cards.

The fourth and fifth language are telling stories for language.

Sixth grade are reviewing fractions in arithmetic.

Seventh grade are studying decimals.

Fanny Day was a pleasant caller at our school this week.

## PAUL SCHOOL NOTES.

Reporters—Leona Spencer and Lucile Anthes.

Teacher—Mrs. Blades. Motto for this month "Nothing is gained without work."

The first grade is learning "Autumn Fires" for language.

The third and fourth grades are interested in working on their hygiene note books.

We have just finished our monthly tests.

Those who received certificates of award for not being absent or tardy this month are Leona, Lyle, Orton, Harold, and Naomi Spencer, Lucile Anthes, Audrey Hower, Elwin, Maxine and Leland Delong, Geraldine and Hazel McLean, Leland Blade, Gordon and Spencer and Carrie Hall.

SET THE EXAMPLE!

'Twas America's discoverer who set a shining example of what Courage, Confidence, and Determination can accomplish.

His undaunted courage, in the face of ridicule, won him the means that made possible his journey. His confidence that somewhere there was a new world to be found—could not be shaken by the most learned men of his age. And his forceful determination did finally lead to the goal he knew he would find.

So it is with us today. Unless we SAVE our money we can not expect to have the courage, confidence and determination to seize an opportunity when it comes. Unless we practice Thrift we cannot reach the goal we seek—a brighter Future!

## "Barbara Frietchie"

FEATURING FLORENCE VIDOR AND EDMUND LOWE. The greatest story ever written about the War between the North and South.

SEE—The historic meeting between the iron-clad Monitor and Merrimac. The Battle of Bull Run. Pickett's charge.

Sherman's march from Atlanta to the Sea. Lee's surrender, and many other exciting episodes of the Civil War. Barbara was an ardent Confederate, but she had given her heart to Will Trumbull, Northerner. Not even war had made her waver. Now, the man she loved lay in the room above—wounded—shot by her own brother!

See what happens in this most thrilling story of American History. Also see "RIPP'S BOOZY SNOOZE," a very funny comedy.

MATINEE EVERY SUNDAY AT 2:30.

Tuesday and Wednesday, October 13-14—See "The Tie that Binds." Starting Oct. 13, and until further notice our Tuesday and Wednesday shows will be 10c to all.

Don't forget October 18, 19, 20—See "The Ten Commandments."

Wm. Cridland has returned from Tilsonburg, Ontario, where he spent the past two weeks, and is visiting friends and relatives in town.

Ernest Croft and H. F. Lenzner are serving as jurors in the United States court at Bay City, the former as grand juror and the latter as traverse juror.

Lyle Koepfgen's Buick touring car caught fire as he was driving five miles west of town last Thursday evening. The car is practically a total loss.

The McCullough Real Estate Agency announces the sale of the residence property owned by Mrs. Alice M. Moore to Ivan Vader. Papers were drawn last week for \$1500.

Mrs. Mary Hildie, who has been spending some time at the home of her daughter, Mrs. Andrew Muntz, returned to her home in Kingston on Wednesday.

Mrs. Austin Ertel and little daughter of Rumsey, Alberta, came Sunday to spend some time at the home of the former's parents, Mr. and Mrs. Wm. Moore. Wm. Moore and Ralph Ward accompanied them from Windsor.

Thomas Colwell picked 174 pods of Robust beans from one vine grown on his Elkland township farm. Of course, this was an exceptional vine and few of them carried nearly as heavy a load. However, Mr. Colwell is well satisfied with the bean yield on his land.

The Sunday school class of the Bethel church taught by Mrs. Joseph Crawford, completed official organization and affiliated itself with the Queen Esther Missionary Circle of the M. E. church at a business meeting held at the home of Mrs. Crawford Friday evening. They adopted the name "The Winners" for their Sunday school activities. Refreshments were served at the close of the evening's program.

Among the sixty candidates seeking places on the first and second football squads at Central Michigan Normal at Mt. Pleasant this year are L. Hutchinson, fullback; G. Moore, end; and A. West, tackle. These three men are in their first year's work at the Normal, and were local high school athletes here last year. Central's first state game was against Michigan State Normal of Ypsilanti at Mt. Pleasant's new football field, Thursday, Oct. 8.

One hundred attended the farewell party given at the Lewis Crocker home by members of the Evangelical church on Friday evening, in honor of Mr. and Mrs. Crocker, who leave about Oct. 20 for Detona, Florida. They were presented with a linen table-cloth. Mr. and Mrs. Crocker and family expect to motor south and will spend the winter in Florida and may decide to stay for a longer period. They will be accompanied by Mr. and Mrs. James Merchant and family and Mrs. Margaret Merchant, all of Detona, who have spent a few weeks visiting friends in the Thumb district.

## ADOPT PLAN TO CONSERVE FISH

### CONSERVATION COMMISSION APPROVES DRASTIC RULES FOR PROTECTION.

Acting under the broad terms of act 230, passed by the 1925 legislature, permitting virtually unlimited power relative to opening and closing seasons, the state conservation commission has adopted a number of drastic rules designed to conserve and protect game and fish.

All feeder tributaries to trout streams will be closed to fishing for five years from May 1, 1926. The commission adopted a resolution closing all streams for that period with the understanding that the director of conservation will designate those streams in which fishing will be allowed. He will designate as open virtually all streams except feeders, it was stated.

The commission ordered the north and south branches of the Au Sable, the Pere Marquette and the Pine rivers made exclusive fly streams for two years, starting May 1, 1926. Worm fishing in these streams will be banned entirely in the counties through which they run—Crawford, Roscommon, Otsego, Mason, Lake, Newaygo and Manistee.

Spearfishing through the ice on all inland lakes south of the north line of Arenac, Gladwin, Mason, Lake, Clare and Osceola counties was prohibited, effective January 1, 1926. Fishing of all kinds, including hook and line, was banned in the same territory from April 1 to June 15. This order holds for five years.

Marquette, Keweenaw, Houghton and Iron counties, in the Upper Peninsula, were declared closed to partridge or prairie chicken hunting for one year, from October 25, this year. A closed season on pheasants was declared throughout the Upper Peninsula for five years, starting Oct. 25, 1925.

Hunting of every description on Isle Royal was banned for five years. Prairie chicken were put on the protected list in Ogemaw county for five years.

Large and small mouth black bass, taken from the inland waters of the Lower Peninsula, must measure 12 inches, not more than five may be taken in a day and 10 is the limit in possession.

Trout spearing was prohibited in all rivers and streams.

To protect state game and forest preserves in various localities, where privately-owned tracts lie in or contiguous to the preserves, the commission ordered no hunting for a period of five years in Roscommon county; Grant township, Cheboygan county; Barringer township, Presque Isle county; Sherman township, in Gladwin county, and Bliss township in Emmett county.

Autrain lake, in which 1,600 adult bass were planted by the state, was closed to fishing until June 16, 1926.

Trolling from motorboats in inland lakes were barred.

All pike or pickerel offered for sale must weigh at least 1 1/2 pounds.

## Paragraphs Concerning Michigan

(By Ed A. Nowack.)

Michigan today has 111 water power plants capable of producing 304,520 horsepower. Of these 92 are municipal and public utility plants; 19 are manufacturing and miscellaneous plants. The water power resources are available 90 per cent of the time. The total horsepower in the last three years has increased by 15,000.

The cost of distributing auto license plates in Michigan runs better than \$500,000, Charles J. Deland, secretary of state says. Collection of the two cent gas tax will cost about \$50,000 this year, this sum including the installation and all incidental expense necessary to establishing the new bureau.

Mexican flivvers, made by Mexicans under Ford's direction, will soon be carrying the peons and the rich. Mexico's first automobile factory has been started by Ford, this making the 29th foreign factory branch for that company.

The Shaw Crane Works at Muskegon that started on a small scale 35 years ago has just passed the manufacturing mark of crane No. 5000. The plant is the largest of its kind in the world.

Michigan, second largest iron producing state in the union, saw a production decrease of 13 per cent between 1923 and 1924. Twenty states in the union produce iron ore. Minnesota leads them all.

Detroit today has more than 200 branch banks in operation while Grand Rapids has 31, Flint has 11, Bay City has seven and Saginaw five.

It costs the state of Michigan \$200 a day to operate each of the ferries playing between Mackinac City and St. Ignace. During the rush months the boats earn better than \$40,000 each month.

The first, and so far the only oil burning locomotive in the state, is operating at the Ford plant at River Rouge. It used to cost Ford \$73.60 for coal for every 16 hours the coal burning monsters worked whereas the new type burns but \$56.20 worth of fuel oil for the same period.

Plans quietly are progressing in

Detroit to perfect the federal decree that Detroit is to be one of the nation's war department procurement depots capable of providing at short notice almost one million articles from sugar and coffee to powder and explosives and from wheelbarrows to airplanes.

A corps of clock experts are employed in the Ford institutions to keep the clocks in repair that tick off the starting and the stopping hour for more than 100,000 employees. Not a minute is wasted. Precision in everything is the watchword.

In a small, bright room in the Ford Dearborn laboratories sits a little watchmaker who keeps tab on all the time that is used in the Ford factories, on its railroad and on its steamship lines. He is responsible for the correct time and to date he has not made an error or let a minute slip.

For the first three months of this year Michigan exported goods to foreign countries valued at \$53,442,144. One held 8th place among the 52 states and territories in value of exports and lead Ohio, nearest competitor, by \$18,000,000.

Value of the Chase S. Osborn library at Duck Island, isolated home of Michigan's former governor, is placed at \$150,000 by Thomas E. Johnson, superintendent of public instruction. The library contains 7,000 volumes, many of them almost priceless, and many of them printed in various languages.

**WHAT MY NEIGHBOR SAYS**

Is of Interest to Cass City Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ailments—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Cass City resident. Who could ask for a better example?

Mrs. J. Walmsley, S. Pine St., says: "I have taken Doan's Pills off and on during the past years and they have never failed to do me good. For backache and kidney trouble, I couldn't recommend anything to equal Doan's. I bought them at Burke & Co.'s Drug Store."

Nearly three years later, Mrs. Walmsley said: "Since recommending Doan's, I have used them and have had the same good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Walmsley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Advertisement 8.

POOR MAIL SERVICE IN THUMB COUNTRY

The mail service for Huron county and the Thumb country is just about back where it was 45 years ago, before we had any railroads.

The fact that 50 prosperous Thumb towns now have only one "mixed" train a day is no reason at all why we should get our mail after the fashion of half century ago.

SCHOOL NOTES. The number enrolled in the high school at the end of the month was 205. There were 93 boys and 112 girls. The per cent of attendance for the first month was 97.87. There were 14 cases of tardiness.

The Girl Scouts of the eighth grade had a "weenie roast" last Thursday afternoon. On account of the rainy weather, they held it in their club room over Cathcart's store.

Miss Bishop has organized an orchestra in the high school. Some students are beginning to take lessons on instruments and others intend taking lessons soon. They had their first meeting on Wednesday afternoon after school.

The high school debating team is busy working on the question for discussion this year: Resolved, That the proposed child labor amendment to the national constitution should be adopted by the United States.

The ninth grade English classes are writing business letters. Last, but not least, comes the senior roast held last Friday evening. The jolly but dignified "bunch" met at the post office at seven o'clock. From there they went to the south river, where they enjoyed roasted "weenies." Then came the entertainment, which was enjoyed by all, especially the speech by Mr. Duke and the song by Mr. Holmes.

## On the Crosby Stock in Cass City

A tidal wave of public approval has stamped this sale as the greatest and most beneficial event of the year in Cass City.

The Crosby & Son stock at prices that will save the people of this community at least \$5,000 in hard-earned cash. That is paying the public a handsome price to advertise this sale today! This is the best advertised and most talked about sale and store in the Thumb! Why? Because we are doing the biggest business, giving the biggest values and the greatest savings.

Why wouldn't people flock here? Is there any other store that can do as well by them? This is a sale in a store that stands all alone in value-giving.

No other store has men's \$25.00 overcoats to sell at \$3.45. Men's \$20.00 suits for \$9.50. Men's \$5.00 shoes for \$1.79. And thousands of other items that space forbids mention.

Remarkable are the adventures of a bargain hunter. Come to this sale—dig in, and see what you can find.

CARD OF THANKS—We wish to thank the neighbors and friends who extended so many kindnesses during our recent bereavement in the loss of our little son, to those who sent floral offerings, and the choir. Mr. and Mrs. J. E. Morse.

Is Supreme in Quality—Performance—Dependability

Read this letter sent in voluntarily—we have hundreds like it:

"I expect you have many testimonials of achievements for Red Crown gas, but I don't think you have reports of many cars making such a trip as we did, down through the Ozark Mountains—muddy roads—dry roads—paved roads—rocky roads—up and down roads and corkscrew roads—drives in torrential rains and on stinging cold nights and never in low gear but once when we passed a man stalled on a steep mountain grade in a car that was evidently not using Red Crown, as our engine always delivered the full power whenever called upon."

Red Crown is a Premium Gasoline, at a standard price. It is the best gasoline you can buy regardless of price. To pay less is to get less.
