## CASS CITY WINS THUMB CHAMPIONSHIP

### Defeated Fast Bad Axe Nine in Very Exciting and Close Contest.

Cass City defeated Bad Axe for the Thumb championship Thursday, June 17, at Bad Axe. The score was 7 to 4.

For the first time in many years Cass City has a clean claim to that much coveted honor, "The Thumb Champions." Up to this game, Bad Axe disposed of all teams but one in easy fashion. The only team that defeated them prior to this game was Flint. Among their victims were Bay City and Port Huron. Their record was very impressive and none of the teams in that part of the country ever questioned their ability. Cass City practically had their own way in the lower section and when these two leaders met there was no question but what the winning team was the class of the bunch. It was one of the most exciting and nerve-wrecking games that was ever played this season. Every player on each side played just as if his life depended on the result, and no life was counted out 'till the "ump" officially declared it so. The game was anyone's game 'till the ninth inning when Cass City scored three runs and practically put the game on the ice.

This is a second title the boys won within a week and a due credit should be given the members of the team. Every one of the boys did his best at all times and their spirit of sportsmanship and co-operation was beyond approach. Led by Capt. Fritz, the boys developed rapidly. Other stars who helped to make the season a great success are Fiddymont, Benkelman, "Walter Johnson" McConnell, Keenoy, Clark Knapp, Alfred Gowen, Dick Schenck, Elmer Flint, Severance, Bond, Randall and Schwegler. To these boys goes a credit for the titles they have won. Many of them will be missing next year, but if they play the game of life in the same old manner that characterized their baseball playing, this community is bound to hear from them again. Led by Capt.-elect Severance, Cass City ought to have another good season next year.

Cass City high school teams this year not only won all the championships in the county, but also in the Thumb. The football team was tied with Pigeon. The basket ball team won at Bad Axe and now comes the base ball team with a clean claim to the title. This is a tribute to the ability of the athletes in Cass City and to a splendid support given them and their coach this year by the town's people.

Score by innings of Thursday's game:  
Cass City . 1 2 3 4 5 6 7 8 9 R H E  
Bad Axe . 0 0 0 1 0 1 0 2 3 7 8 4  
Battery—McConnell and Fiddymont; Yageman, Tock and Sparling.  
Umpire—Ryan and Emery of Caro.

## Central Normal Graduates 236

Certificates were granted by the Central State Normal at Mt. Pleasant to 236 graduates at the final exercises Tuesday morning, June 22, at which time the commencement speaker, Rev. J. N. McCormick, of Grand Rapids, bishop of the Western Michigan Diocese, discussed "The Possibilities of Leadership." There were 115 Michigan towns represented in the line of march formed by graduates Tuesday morning.

Those from the Thumb district included the following:

Church Dinner June 30. The Presbyterian Ladies' Aid will serve a dinner at the church next Wednesday, June 30, commencing at 5:30 p. m. Price, 35 cents.—Adv. 1

Advertise it in the Chronicle.

## BULLOCK-MONTAGUE.

A quiet wedding took place Wednesday, June 16, at the Mennonite parsonage when Miss Myrtle Bullock and Mr. Clark Montague were united in marriage by Rev. A. G. Herman.

The bride wore a gown of white silk crepe de Chine and was attended by Miss Iris Auslander, who wore a gown of Love Bird green. The groom was attended by Mr. Keith Horner. After the ceremony the bridal party accompanied by Rev. and Mrs. Herman, proceeded to the home of the bride's parents where a wedding dinner awaited them in the presence of immediate relatives.

Shortly after dinner they left on a short trip to Detroit and Pontiac after which they will be at home on the groom's farm in Novesta township. Best wishes of their friends go with them.

## THUMB DISTRICT NEWS PARAGRAPHS

### Items Gleaned from Newspaper Exchanges and Other Sources.

Lapeer—Miss Emma Loughnane, principal of the Lapeer high school, has been notified that she has been outstanding teacher in the profession for Michigan, and that she would receive a free trip and expenses to the Sesqui-centennial celebration in Philadelphia this summer.

North Branch—A deal has quite recently been consummated through which the desirable site at the corner of Huron and Jefferson streets, which was vacated last winter by the burning of the Hotel Melanie, becomes the property of Thomas Monahan, of Flint. Mr. Monahan was here the first of the week and said he would immediately begin clearing away the debris, preparatory to the erection of a Standard Oil filling and service station on the property. He also has in contemplation the erection of an automobile sales building on the Huron street frontage later on.

Crosswell—A friend of the writer, a reporter on the Detroit News, is authority for the statement, that Sanilac county has in the last three years furnished more sensations for the metropolitan press than any rural county in Michigan. Starting with the McPhee trial, there has followed the Kirkpatrick escapade, the animosity around the removal of Sheriff L. C. Hagle and the incidents before and during the Dorland trial, now in progress. The Shabbona bank robbery, the Melvin bank steal, have furnished some of the recent incidents that have been featured by the daily newspapers of the state. It is about time for the county to have a rest. It has had advertising enough along the lines mentioned.—Croswell Jeffersonian.

Sebawaing—Sebawaing will soon be the possessor of a regular fire engine, 500 feet of hose, with pumps capable of throwing 300 gallons of water per minute. Two chemical tanks also comprise the new outfit and are so constructed that in case of an extra heavy fire when one is empty it may be refilled while the other is being used.

Caro—The annual Tuscola County Farmers picnic will be held at the Caro fairgrounds on Friday, July 16.

Bad Axe—The seventh Orangemen's walk to be held in Bad Axe will be staged here July 12 when about 10,000 members of the lodge and the Orangemen's Auxiliary are expected to visit the Huron county seat.

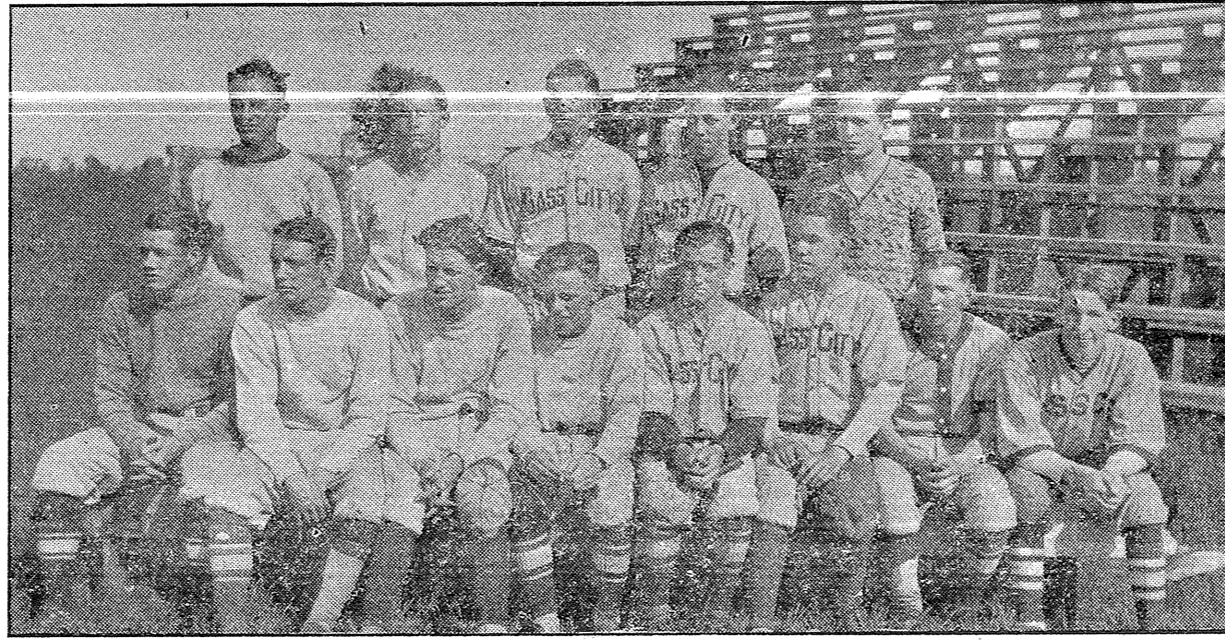

Elkton—John L. Hoffman, of Elkton, is the latest candidate for the office of sheriff on the Republican ticket. Besides Mr. Hoffman there are four other candidates, Geo. Wilfong, of Pigeon; Ben Harder of Bay Port, Felix Desjardin, of Bad Axe and Ed. Zinger of Ugly.

Caro—Twenty-five members of the graduating class of Caro, composing the Washington Club, are on their long-anticipated trip to Washington, D. C. Funds for the trip had been saved for more than a year. They are accompanied by R. V. Johnson and Mrs. Marguerite Palacio.

Caseville—Mrs. J. E. Wurm of Sebawaing was re-elected president of the Huron County Federation of Women's Clubs. Other officers are Mrs. Arthur Dundas, Bad Axe, and Mrs. A. J. Howell, Bay Port, vice presidents; Mrs. Alex Graham, Bad Axe, recording secretary; Mrs. F. J. LeBlanc, Caseville, corresponding secretary; Mrs. Roland Eilber, Port Hope, press agent; Mrs. G. G. Shipley, Harbor Beach, treasurer. Port Hope was selected as the meeting place of the 1927 gathering of the Huron county clubs.

## ANNUAL MEET OF TUSCOLA BEE KEEPERS

The Tuscola County Bee Keepers Association will hold their annual meeting at the home of Jim Westfall, near the Caro water works, on Thurs-

THUMB OF MICHIGAN CHAMPIONS.

Back row—Coach Smarks, Fiddymont, McConnell, Flint, Bond.  
Front row—Gowen, Benkelman, Keenoy, Fritz, Randall, Schenck, Severance, Knapp.

day, July 1st, at 1:30 p. m. E. E. Ewell, extension specialist in bees from the Michigan State College, will be the speaker for the afternoon. The different methods of handling bees for disease prevention and control will be demonstrated as well as improved practices. This is an especially important meeting because for the past two years inspectors have been inspecting the various apiaries of the county and found many of them to be diseased. Mr. Westfall has again been appointed the local inspector for Tuscola county and will have many conditions to report at this meeting.

## AUCTION SALE.

The personal property of the late Mary M. Schwegler will be sold at auction at the residence on East Main St. by G. A. Striffler, Executor, on Saturday, June 26, commencing at 1:30 p. m. R. N. McCullough will cry the sale, full particulars of which were printed in the Chronicle last week.

## DORLAND CONVICTED OF MANSLAUGHTER

### Sandusky Man Gets 15 Years at Jackson Prison for Slaying Roy Lee.

Pearl Dorland was found guilty of manslaughter on Friday night in connection with the death of Roy Lee, who was slain at a liquor party on March 6 in Forester township, Sanilac county, and Judge X. A. Boomhower on Saturday sentenced Dorland to serve 15 years in Jackson state prison. Dorland was taken to Jackson Saturday afternoon. Dorland announced he will appeal to the supreme court, but the judge refused to suspend sentence pending such an appeal.

There was practically no difference of opinion among the jurors, it is said, in agreeing upon a verdict of manslaughter. The jury retired at 4:35 p. m. Friday and returned its verdict at 8:35 p. m.

Dorland was in the courts or under probe in which action of some kind was taken a total of 69 days. The trial itself continued 33 days from the day the jury was first questioned until the judge's charge was given the jury.

## Growers Warned to Thin Peach Crop

With prospects of the largest peach crop since 1922 confronting them, Michigan fruit growers are being warned to thin their crop this year.

Only large, clean, well graded, and well packed fruit sells to advantage when the market is well supplied, according to H. D. Hootman, extension specialist at the Michigan State College. Federal forecasts place this year's peach crop at 12,000,000 bushels more than that of 1925. Therefore the advice to thin this season.

"Peaches should be thinned following the 'June Drop' and before the pits harden," says Mr. Hootman. "The old rule of thinning peaches, leaving them six inches apart on the individual branches, is a good one. However, each tree is a problem in itself and the rule of a six inch distance between fruits must be adapted to fit individual cases.

"In the light of present prospects, Michigan fruit growers cannot afford to grow small peaches; neither can they afford to weaken their trees by over production."

Mrs. Fred Withey and two sons are spending the week with relatives in Pontiac and Detroit.

## LARGEST PIG CLUB MEETING IN STATE

### Harold McGrath Heads the Red, White and Black Pig Club.

What is said to be the largest pig club meeting in the state was held at the home of Lloyd Reagh in Elkland township on Tuesday evening when 34 of the 36 members of the boys' and girls' pig club of the Cass City community answered the roll call. A ball game preceded the business meeting. Officers were elected as follows:

President, Harold McGrath.  
Vice president, Lorine McGrath.  
Treasurer, Loma Reagh.  
Secretary, James Milligan.

It was voted to call the society the Red, White and Black Pig Club. The advisory committee consists of John McGrath, Lloyd Reagh and John Reagh.

Cass City boys and girls are entered in the Michigan State Fair futurity. This gives members of the club three opportunities to win prize money at the Detroit Fair—in the open class, the club class and the futurity.

Grant Ball, a member of the calf club, is the proud owner of a Jersey heifer purchased from the Fordney Dairy Farm of Saginaw.

## WILL ATTEND WORLD ODD FELLOW CONFERENCE

On invitation of Herbert A. Thompson, grand sire of the Sovereign Grand Lodge, I. O. O. F., Congressman Louis C. Cramton plans to attend an International Odd Fellow conference which opens in Berne, Switzerland, July 30.

Oddfellowship is unique in that it is one fraternity which has a strictly international organization. It is governed by the Sovereign Grand Lodge consisting of 212 members from the United States, Canada and Cuba. The order also exists in Australasia and in Europe. In the latter continent there are Grand Lodges in Sweden, Norway, The Netherlands, Germany, Czechoslovakia, Denmark, Poland, Switzerland, Austria and Finland. These grand lodges are subject to the authority of the sovereign grand lodge and sometimes send representatives but ordinarily do not. There is held in Europe once in three years a conference of representatives from the several European Grand Lodges. This triennial conference is held this year at Berne and is to be attended by Grand Sire Thompson, the supreme head of the order. Mr. Cramton, who has been a member of the sovereign grand lodge the past five years, is in that body chairman of the Committee on the Order Abroad, and hence has been invited to attend this conference. The order in Europe has made great gain since the World War and the coming conference is expected to be of great importance to the order.

Mr. Cramton will take with him Mrs. Cramton and their son and daughter.

"This trip will also be a real vacation for me, the first one I have had in a number of years," said Mr. Cramton. "I think it will be a good thing for my health and am sure that my daughter and son will get a great educational benefit from it."

Mr. Cramton will return in August or September.

## 130 AT CHURCHILL FAMILY REUNION

One hundred thirty attended the 13th annual reunion of the Churchill family which was held at the Community hall at Dryden on Monday.

The day's program was opened with devotional exercises which were

followed by short talks by Mr. Hewitt of Bay City, Carey Churchill of Lapeer, Lewis Steele of Imlay City and Loren Churchill of Deford. The address of the day was given by Rev. Savage of Pontiac. Vocal and violin selections comprised the musical numbers on the program which closed by the audience singing "America."

The 1927 family gathering will be held at Dryden.

## Horse Pulling Contest at Cass City Fair

An old fashioned horse-pulling contest will be an attraction at the Cass City Fair the third week in August. Cash prizes will be awarded to winners in the two classes, light weights and heavy weights.

The contest will be held under the direction of J. D. Tuckey.

## POULTRY SCHOOL TO TRAIN FARM JUDGES

National Authorities Booked on M. S. C. Short Course During Week of July 5.

Michigan poultry raisers will have opportunity to brush up on the latest developments of their profession during a special Poultry Judging School which is to be held at the Michigan State College during the week of July 5 this year. It will be the third annual school of this kind at East Lansing.

Practical instruction and laboratory practice in various phases of poultry production, from the point of view of both the farm and the commercial flock, will be given during the school week.

Staff of specialists who will handle the work of the school, in addition to M. S. C. men, will include many national authorities in the poultry world. Among them will be: W. R. Graham, Ontario Agricultural College; Prof. J. G. Halpin, University of Wisconsin; and W. G. Crum, Cornell University.

Programs and information about the special school, which is open to any Michigan poultry raiser, may be had from the Poultry Department at M. S. C.

## SHABBONA BANK ROBBERS SENTENCED

### John Bannick and Earl Nicholas Taken to Ionia to Serve Seven Years.

John Bannick and Earl Nicholas, Gagetown young men who made an unsuccessful attempt in their getaway after robbing the Shabbona Bank of Thomas McConnell & Co., were sentenced by Judge X. A. Boomhower in Sanilac county circuit court on Friday night to serve seven to fifteen years in Ionia reformatory, with the recommendation of the minimum sentence, on pleading guilty to the charge.

E. B. Lauderbach of Bay City, arrested on the same charge, is at liberty on a \$2,000 bond and will stand trial in September. Lauderbach maintains his innocence in the affair while the confession of Nicholas and Bannick implicated him as the "brains" of the job and the man on whom they depended to make their getaway.

The Shabbona Bank was robbed early in the afternoon of June 2 and within an hour John Bannick, 22, and Earl Nicholas, 19, were in the custody of officers and charged with the

crime. Bannick "stuck up" the cashier and a customer and then drove away in Nicholas' automobile while Nicholas posed as an innocent spectator.

## LANCASTER-BRACKENBURY

A very pretty wedding was solemnized Saturday at two o'clock when Miss Lillian Lancaster of Plymouth became the bride of Mr. James A. Brackenbury. The ceremony was performed at the parsonage by Dr. F. A. Lendrum of the Methodist church of Plymouth. The couple was attended by Miss Beryl Brackenbury of Ypsilanti, sister of the groom, and Mr. Russel Emery. The bride was becomingly attired in pink georgette and carried a bouquet of white rose buds and maiden hair fern, and Miss Brackenbury wore a peach colored dress of canton crepe and carried a bouquet of pink and white carnations and rosebuds.

Mr. and Mrs. Brackenbury will be at home at Phoenix Park, Plymouth, after July first.

Such written application must be made each year that the pupil desires to have tuition paid.

Charles Lang of Pontiac, freight conductor on the Grand Trunk, running from Pontiac to Bad Axe, was injured Saturday morning and sent to Hubbard Memorial hospital, when he suffered a crushed right hand as two cars crashed together in the yards at Bad Axe. He was coupling the cars. Mr. Lang is well known in Cass City, having lived here a few years ago in the Wetlaufer house. Latest reports are that his arm was taken off above the elbow. He is getting along nicely.

John Ross returned Wednesday from Detroit where he attended the marriage of his niece, Miss Flora Ross, to Mr. James McKie of Detroit. The ceremony was performed at the Holy Redeemer church Tuesday morning by the Reverend Father Pathé, and the wedding breakfast was served at the Hotel Statler. Mr. and Mrs. McKie left on a wedding trip to Chicago. They expect to visit relatives and friends of the bride in the Cass City community before settling in their new home in Detroit in which city both have been employed.

Miss Carolyn M. Lee, daughter of Mr. and Mrs. H. P. Lee of Detroit and Raymond C. Groesbeck of Lansing were quietly married Saturday, June 19, at four o'clock at the home of the bride's parents. They were attended by Miss Leone Lee, sister of the bride, and Donald Stirn. Those present at the wedding were: Mrs. Lount, grandmother of Mr. Groesbeck, Mr. and Mrs. John L. Groesbeck, and son, Charles, all of Lansing; Betty Lakin, Roberta Nixon, and Lucretia Beaver of Detroit, and Dorothy Tindale of Cass City. After a short trip, Mr. and Mrs. Groesbeck will make their home in Lansing.

## CONTRACTS LET FOR NEW SCHOOL BUILDING

### Work Will Commence Next Week; Building to Be Completed by March 1.

The board of education of School District No. 5, ffl., Elkland, let the contract for the new school building at Cass City on Wednesday, June 23.

The general contract for the building was awarded to the C. M. St. John Co. of Saginaw, the heating and plumbing to J. A. VanDerwald of Grand Rapids and the electrical work to Barker-Fowler Electrical Co. of Lansing. The C. M. St. John Co. has the contract for building the new school at Unionville this year. They have the cement work completed at that place and expect to move their machinery here in time to commence operations next week. The building is to be completed by March 1, 1927.

The board of education was offered \$4,000 for the present high school building by the contractor and \$600 for the smaller building which houses four grades. They have decided to retain the high school building until the new school is completed and are as yet undecided regarding the sale of the grade building. The contract figures for building, heating, plumbing and electrical work aggregate approximately \$175,000.

Mr. and Mrs. Stanley Muntz were in Caro Friday.

Word has been received that the Gagetown Public School has again been accredited for a two-year period on the University of Michigan list.

Commencement Week.

The activities of Commencement week were many and delightful occasions. A crowded house greeted the seniors in their various exercises.

On Sunday evening, a well filled house had assembled when the seniors and teachers, ushered by Lucille Bartholomy, took their places. Rev. Tamblin of the M. P. church offered prayer and Rev. McLaughlin of the Nazarene church read the scripture lesson. The baccalaureate sermon was preached by the Rev. Pearson of the M. E. church. A union choir under the direction of Mrs. McLaughlin, rendered two anthems.

On Wednesday evening, the class day exercises were held. The following program was given. Duet, Lucille Bartholomy and Doris Livingston. Devo Wood as salutatorian, welcomed the parents and friends of the school. Then came the one act play, "Graecia," which produced much merriment. Following this, came the class will by Keith Walsh, the class prophecy by Leslie Munro and the class history by Bruce Williams. The three numbers were very cleverly handled and revealed some startling information. A vocal solo by Emmet Phelan and a piano solo by Lucille Bartholomy were very much appreciated. Then came the second one-act play, "Too Many Wives," which concluded the evening's performance. The boys received many compliments on their clever acting.

The crowning feature of the week was the Commencement exercises followed by the Alumni banquet. As Mrs. McLaughlin played the march, the alumni, Class of 1926, faculty, Mr. Bartholomy and Mr. Gallop marched in and took the seats reserved for them. Lucille Bartholomy and Myrtle Ziemis gave a duet. Rev. Tamblin gave the invocation. Keith Walsh, president of the class, then introduced Mr. Gallop, whose subject was "From the Ox Cart to the Automobile." Mrs. McLaughlin gave a very splendid interpretation of the "Storm" by Weber, and Preston Purdy, with Esther Tamblin as accompanist, gave a saxophone number. Preston Fournier gave the valedictory, emphasizing the appreciation of the class for the privilege given them and for the many sacrifices made for them.

Supt. B. M. Koepfgen then in a few words of appreciation, presented the class to Mr. Bartholomy, president of the board of education, who gave the graduates some advice and presented the diplomas. The meeting of the alumni was a most fitting close for the commencement exercises. Mrs. Russell, in behalf of the alumni, welcomed the graduates into the association. The invitation was accepted by Keith Walsh and before the audience signed the constitution and received a miniature American flag, the symbol of loyalty. They again took their places and all joined in singing America. Rev. McLaughlin pronounced the benediction.

A brief business meeting of the alumni was held in the main body of the church after which 100 guests sat down to a sumptuous banquet. After the delicious banquet had

been served, John O'Rourke of the Class of 1920 and president of the Alumni association, acting as toastmaster, called upon Mr. E. E. Gallop, Supt. Koepfgen, Harold Hobart, Class of '23, and Miss Babcock, the founder of the association, for responses. Everyone agreed it was the most unique and impressive commencement exercise ever given by our school.

THERE IS JUST

One Sure Way to Have Money

And that is to SAVE IT, by entrusting it to the safe keeping of some responsible banking institution, so it can't "burn holes in your pockets."

It's always well to have something laid up for a "rainy day." The "rainy day" of sickness, adversity, or hard times is pretty sure to come to every man at some time in his life. Too often it comes when advancing age makes it hardest to meet. Then it is that people give utterance to the vain regret and say, "Oh, if I had only saved my money when I had the chance."

You can start saving by depositing a very small amount—only a dollar or two—and add to it as rapidly as possible. You can be assured that when you leave your money here it will be free from every element of chance, or speculation, and it will be available for you any time you wish it.

"STEADY SAVING"—putting away a portion of your earnings as fast as you receive it—will soon put you in possession of a snug sum, and the interest we pay you every SIX MONTHS is just like "finding money." It will be a start toward "Easy Street," and where the "rainy day" has no terror. Why not start saving NOW? WHY NOT TODAY.

BANK OPEN WEDNESDAY AND SATURDAY EVENINGS.

Pinney State Bank

Capital and Surplus, \$58,000.00

"The Bank Where You Feel at Home."

Coal! Coal!

Why buy Coal in summertime? Think it over. If coal advances one dollar per ton in six months, which is often the case, on an average price of nine dollars per ton delivered, you will save \$1.00 per ton in six months, which is 20 per cent per annum on your money—that is a saving of 16 per cent over your 4 per cent certificate of deposit in the banks.

WHY BUY FROM US?

We have experimented on different coals and believe we can sell you coal with the largest heat units per ton of any coal in the market.

Miller's Creek Kentucky Splint for ranges has no equal—contains less waste—and therefore more economical. Present price, \$8.75 per ton at bin.

Dundon Red Ash Lump for furnaces and heaters has many friends—\$8.25 per ton at bin.

Our Daniel Boone Kentucky Lump is very low in volatile (soot and smoke) for furnaces, steam or hot water, \$8.75 per ton at bin.

Our "Wm. Lee Mine" West Virginia Lump is very free from slack—for schools and ordinary heaters—best for the money—\$8.00 per ton at bin.

POCAHONTAS.

No. 3 vein Pocahontas is the very best coal to be had—we have the egg size. Ask for delivered price.

Also have Chestnut and stove size Anthracite and Coke.

GRIST SCREENINGS

Vol 1. June 25, 1926. No. 46. Published in the interest of the People of Cass City and vicinity by the Elkland Roller Mills Roy Taylor, Editor. We often wonder how the ladies of 1860 managed to keep cool in the summer time with all those superfluous clothes. A man who lives out north of town says he missed all the gossip last week. His wife has been away. Did you know that 12,456,897 pounds of fish are lost every year because fishermen jerk their poles too soon? Cream of Wheat Flour can't be beat no matter what you pay for your flour. Our price is always low when quality is considered. "What's good for potato bugs?" "What's the matter with the bugs?" There's a family in this town who have three children. In about a week they're going to celebrate the Fourth!

# Notice to Bank Customers

It has been the practice of the banks of Cass City to pull their blinds at 4 p. m., at which time the books and cash are supposed to be balanced. During the past, however, the doors have remained open and customers cared for until such time as all officers and clerks have left. This has caused great difficulty in securing a balance and allowed many costly errors to creep in. The Michigan Banking Examiners have severely criticized the Cass City banks for this practice and henceforth, beginning June 28th, the undersigned banks, like all other Michigan State Banks, will be closed at 4 p. m. and the doors locked. This notice is given in order that as little inconvenience as possible may be given customers.

# Managers' Meeting Michigan Electric Power Co.

Caro, Michigan, June 17, 1926—The managers of the various divisions of the Michigan Electric Power Company met at the local office of the Company at Caro, Michigan, for the purpose of discussing operating problems and questions of primary interest to our consumers. The various executives present were as follows:

- N. J. Frost, President
- C. Y. Bowers, Vice President
- E. L. Edwards, General Superintendent
- A. L. Krueger, Manager Bad Axe Division
- S. P. Selden, Manager Lapeer Division
- H. R. Mingay, Manager Harbor Beach Division
- C. W. Corpron, Manager Caro Division
- T. C. Harvey, Mds. Sales Manager
- J. S. Corbin, Manager Investment Department, Michigan and Ohio properties.

Other questions of importance that were discussed were the merchandising of electric appliances to our consumers and methods by which we can improve our service on these appliances. The remainder of the meeting was confined to the customer ownership of this home utility. Our consumers are all familiar with the plan that this home utility is offering.

# A Manure Pit Pays for Itself Quickly!

There are plenty of poets, some bad and some worse; and they've written of things quite sublime in their verse. But I guess I'm the first who could even endure to take as his subject—a pile of manure! This "food of the fields" could it do so, would speak: "Do not praise me in verse that is not what I seek, for my service to Man but pray tell him instead, to give me a pit with a roof overhead, so my virtue won't drain to the barnyard at length and the sun will not leach me and draw out my strength. My job is to feed not the yard but the loam, so put me inside of a pit not a pome!"

**Ears Growing Larger**

Doctor Pfluffer, a Viennese ear specialist, has demonstrated by measurements that the human ear is growing larger and larger from generation to generation. He suggests that the fact may be due to the increased number and volume of sounds connected with modern life, especially in towns, and the more complicated demands made by civilized man on his hearing.

**In the Kitchen with 6 Famous Cooks**

**EASY MEALS FOR HOT WEATHER**

(Editor's Note: This is one article in an unusual cooking series contributed to this paper by six famous cooks.)

Where is the woman who enjoys cooking hearty meals in hot weather? We doubt if such a woman exists. She may cook big meals because some members of her family who toil hard demand them, but certainly not because she herself derives any real pleasure from hot weather cooking.

With a little planning and forethought, however, many of the discomforts of cooking in hot weather can be avoided. For instance, as Miss Rosa Michaelis, New Orleans domestic science specialist, points out, an oil stove is much easier to work with than a coal or wood range.

"It is much more convenient," she says. "It needs no flues," and hence may be taken to the coolest part of the house easily, as it is not very heavy.

**Just a Little Planning**

"The woman who gets her kitchen work done early in the morning, and most of her food prepared," continues Miss Michaelis, "is the coolest cook. She just needs to do a little simple planning.

"The fewer roasts and baked dishes in the summer, the cooler the kitchen. I recommend uncooked desserts mostly. Fruits are all one needs during the hot weather.

In the summer time Miss Michaelis does as much of her cooking as possible on the top of the stove, using only as many burners as are absolutely necessary.

"If a woman feels she has to bake," Miss Michaelis says, "she should not use her oven every day in the week during hot weather, but bake enough to last several days or a week.

A dinner which Miss Michaelis recommends is particularly easy to prepare in hot weather is all cooked in one pot. It conserves utensils, time and fuel.

**A Dinner in One Kettle**

To prepare it, take a soup pot filled with enough water to cover three pounds of brisket. Season with salt. After the soup has boiled for an hour, lower the flame and let it simmer for half an hour. Add one bunch of carrots, a bunch of turnips and a bunch of potatoes, and cook for another half hour.

When ready, take out carrots. Dice and sprinkle with oil, salt and parsley. Take out turnips and mash with butter, adding a teaspoon of sugar if desired.

Serve potatoes mashed. Take out meat and fry with onions, or serve with a tomato sauce.

**Add a Salad and Dessert**

Now with a salad, dessert, and beverage, one has a complete meal, including soup, and all cooked on one flame!

For salad, Miss Michaelis suggests pears halved, on lettuce leaves, covered with French dressing. Fruit makes a good dessert to accompany this easy meal.

**Another Easy Meal**

Mrs. Sarah Tyson Rorer, the famous Philadelphia cooking expert, gives the menu for a simple meal which takes but an hour to prepare. It's a vegetable dinner. Mrs. Rorer gives proportions for serving four.

Fried squash  
Dutched cabbage  
Chili sauce  
Candied sweet potatoes  
Fanned apples  
Watermelon

"Go to the kitchen at 11 o'clock, if dinner is to be served at 12," says Mrs. Rorer. "If you use oil, your stove is ready for immediate use. Light two burners, and put on two saucepans half full of water. Cover, and turn to full heat.

"Wash five medium sized sweet potatoes. Chop fine one small head of cabbage. The water is now boiling in both pans. Put the potatoes in one and cover. Add a teaspoon of salt to the other, and put in the cabbage. Turn flame down and cook cabbage uncovered for half an hour.

"Slice three tart apples in a baking dish. Add half a cup of sugar, and partly cover with water. Light oven burner, and after three minutes put apples on upper rack, covering the dish.

**To Candy the Sweets**

"The sweet potatoes are now tender. Drain, peel, and cut them in halves. Place in shallow baking pan, adding two tablespoons of butter, four of sugar, and four of water. Put pan in oven under the apples.

"Put four tablespoons of cooking fat in a shallow frying pan over one burner. Drain cabbage and return to saucepan. Add a tablespoon of butter, three of vinegar, half a teaspoon of salt, and a dash of pepper. Cover to keep warm.

"Fry the squash and drain on brown paper. Turn out the sweet potatoes. Dish the cabbage and sweet potatoes. Turn out the burners.

"This is a very simple meal to prepare," Mrs. Rorer concludes. "And, even though you do use the oven, it is for such a short time that the kitchen does not become excessively heated.

If you take the advice of famous cooks, you will keep your summer cooking as simple as possible. It doesn't pay to work too hard in the kitchen in hot weather.

**A COOL KITCHEN**

*all summer long!*

*Take a tip from the six famous cooks who tested Perfection. Be cool!*

*Hot days are coming! Escape sizzling kitchens and wood or coal drudgery. Six famous cooks recommend the Perfection for cool cooking. Here's what they say.*

"THE food gets all the heat—the kitchen none," says Miss Rosa Michaelis, New Orleans cooking expert. "In the Perfection burner," she explains, "the heat is confined directly to the bottom of the cooking pot. That means cool cooking!"

Mrs. Belle DeGraf, the San Francisco authority, suggests Perfection "top stove" cooking for hot summer days.

At Battle Creek College of Home Economics, the nutrition expert, Margaret Allen Hall, speaks of still another "no extra work" point.

"The Perfection," says Miss Hall, "is easily moved from one room to another. Move it to the summer kitchen, out on the back porch—wherever it's coolest. You don't need to bake yourself while cooking meals."

**Least Time, Least Heat**

"When I fried chicken, glazed sweet potatoes and boiled pineapple pudding," she relates, "I used only the top of the Perfection. The food cooked quickly and efficiently—and of course, the shorter the cooking time, the cooler the kitchen." That means cool cooking.

**Cool to Work With**

The "single row" arrangement of Perfection burners gives you another advantage. Miss Lucy G. Allen of the Boston School of Cookery notices this.

"With the Perfection," she makes clear, "there is no reaching across hot flames as with a gas or coal range. You stay away from the direct heat, yourself."

**No Hot Extra Work**

"Then, too, the Perfection saves a world of extra work," says Mrs. Sarah Tyson Rorer, pioneer cooking specialist of Philadelphia, "no wood or coal to carry in nor ashes to carry out."

**Escape Sizzling Kitchens**

You can escape all those things that make summer cooking the most unpleasant of hot tasks. Your dealer will show you the Perfection today—from the one-burner model at \$7.25 to the five-burner range at \$130. Six famous cooks tested this stove thoroughly and now pronounce it ideal for hot weather. "Buy a Perfection," they say, "be cool!"

MRS. GEO F. LEE DIED AT MARLETTE

Elvira Anne Lee died at the home of her son, Clayton Lee, in Marlette June 10, 1926, in the 81st year of her age.

Elvira Anne Prior was born Mar. 14, 1845, in Branford, Ont. When a very small child, her parents moved to Mt. Morris township, where she made her home, and on April 3rd, 1866, was married to George F. Lee of the same place. They moved to Flint where they lived until 1878, moving to Kingston township. Her husband passed away Oct. 25, 1916, at the farm home. There were eight children born to this union, five of whom are living.

Funeral was held from the home Saturday afternoon. Rev. Douglass of the Presbyterian church officiated. Interment was in Kingston cemetery.

Simple Styles Liked for Summer Blouses

Blouses are getting a little less attention than usual this summer, not that we love blouses less, but that we love the jumper dress and other varieties of the two-piece mode, more. The blouse is always with us, a necessity in the wardrobe. It is an important part of current fashions in tailored, sports and dressier types that have definite style touches stressed this season.

Tailored styles are featured, made of wash fabric in silk or cotton, and simple designs are in demand. An example appears here of white tub silk with black crossbar, flushed with bands of plain white. Plain and printed crepes are popular and little trimming issued, but handkerchief drapes, jabots and frilled effects take its place. High collars and scarf treatments of the neckline are new style points that belong to this season.

MICHIGAN AT WORK MICHIGAN'S TAX DOLLAR U.S. CENSUS BUREAU SHOWS 60.8 CENTS GENERAL PROPERTY AND SPECIAL TAX LICENSES 15.9 CTS. SOURCES OF STATE'S REVENUE

The average dollar which goes into the state treasury of Michigan comes from a variety of sources, according to a special study made by the United States Census Bureau at Washington. Sixty and eight-tenths cents of each dollar received in taxes comes from the general property and special levy. This is the largest single item of state revenue. The second largest item is license fees collected by the state. Automobile licenses are a large factor of the revenue from this source. In the average tax dollar these fees represent 15.9 cents. The earnings of state departments and enterprises represent 9.2 cents of each dollar. Fourteen and one-tenth cents is realized from sources such as fines and federal contributions, which have been provided by Congress. The figures given here are for the state alone and do not include the cities and counties.
