

TWO CHAMPIONS IN  
THE OPEN CLASSES

Cass City Boys' Holsteins Place  
High in the Open Classes  
at the Caro Fair.

Two boys in the Cass City Live Stock Club showed champion Holsteins at the Caro Fair this week. Clarence Merchant was awarded grand champion in the open class on a seven months old bull calf, and Kenneth Maharg's junior yearling heifer placed as reserve grand champion. The mother of Clarence Merchant's grand champion was grand champion at the Caro Fair in 1927. This is quite remarkable for one breeder to show grand champions two years in succession.

Calf club classes at the Caro show are unusually large this week, says Willis Campbell, club leader in the Cass City community. One class has 19 Holsteins calves. In this, animals belonging to members of the Cass City club placed first, second, third, fourth and seventh. In the junior yearling class of 15, Cass City, with two entries, placed second and fourth. Much ringside comment was made on outstanding calves exhibited by three Cass City boys, Audley Horner, Ronald Reagh and Kenneth Maharg.

Tuscola county will send 15 Holsteins to the State Fair at Detroit. Twelve of these have been selected from Cass City herds.

Six of the 10 Chester White swine in club classes at the Caro Fair are exhibited by Cass City breeders and the first four places were awarded to animals exhibited by them.

Mrs. Akerman  
Passed Away Friday

Mrs. Wm. Akerman passed away at the home of her daughter, Mrs. H. F. Lenzner, shortly before midnight on Friday, Aug. 17, following an illness with cancer. Funeral services were conducted at the Lenzner home on Monday afternoon by Rev. C. F. Smith, and interment was made in the Elkland cemetery.

Marie Wittwer was born in Bern, Switzerland, on Dec. 12, 1860. She came to the United States at the age of 21 and was united in marriage with Wm. Akerman at Forestville, Michigan, on Oct. 27, 1884. They resided on a farm near Forestville until 1905 when the family moved to Cass City in order to give the children the advantages of a high school education. Mrs. Akerman had formerly been affiliated with the Evangelical church at Forestville and Cass City but at the time of her death was a member of the Simpson Avenue Methodist church in Kalamazoo with which she united during her residence in that city. She was always very interested in all matters of a religious nature and passed very peacefully into the life beyond.

Besides her husband and three daughters, Mrs. Herbert Blodgett of Hartford City, Ind., Mrs. Joseph A. Benkelman and Mrs. H. F. Lenzner, both of Cass City, she leaves four brothers, Dr. E. A. Wittwer of Bay City and John, Fred and Edward Wittwer, who reside in Germany, and three grandchildren, Andre Blodgett and Phyllis and Shirley Lenzner.

Relatives and friends from a distance who attended the funeral service were Mr. and Mrs. H. C. Blodgett and daughter, Andre, of Hartford City, Ind., Dr. and Mrs. E. A. Wittwer and daughter, Miss Henrietta, of Bay City, Mrs. Fred Sulzow of Detroit, Mr. and Mrs. John Wagener of Pigeon, Rev. J. J. Hommel of Saginaw, Fred Hirtzel of Guthrie, Oklahoma, Mrs. Wm. Miller, Mr. and Mrs. Albert Staudaker and Mrs. G. Staudaker, all of Crosswell, Mr. and Mrs. George Mast and Mr. and Mrs. John Schwalm, all of Sebewaing, Albert and Miss Bertha Yietter, Mrs. G. Koch and Anna Saumseiler, all of Harbor Beach, Albert Hirtzel, Alva and Fred Harnish, all of Forestville.

FARM PRODUCE COMPANY  
ELECTED OFFICERS

At a meeting of the board of directors of the Farm Produce Co., the following officers were elected: President, Wm. J. Schwegler; vice president, Smith Hutchinson; secretary, N. A. Perry; treasurer, John A. Benkelman. The board has engaged Frank Reid to succeed himself as manager of the company for a three year term.

## PALMATEER REUNION.

The seventh annual reunion of the Palmateer families was held Saturday, Aug. 18, at the pleasant farm home of Mr. and Mrs. Thos. Colwell, 1½ miles west of Cass City. Seventy-five guests partook of a bountiful dinner which was served on a large table under the trees on the lawn. The table was decorated with garden flowers.

A business meeting in charge of the

president, Mrs. Thomas Colwell, was held when officers were elected. They are: President, Ambros Hawley, Spencerport, N. Y.; secretary, Mrs. Dorothy Hawley, Spencerport, N. Y.; treasurer, Mrs. Ted Clancy of Spencerport; sports committee, J. D. Gibby of Rochester, N. Y., and Mrs. Florence Dunbar of Hilton, N. Y. The 1929 reunion will be held at the home of Mr. and Mrs. Ambros Hawley at Spencerport, N. Y.

Letters were read from Mrs. Mary Palmateer of Norham, Ont., and from Mr. and Mrs. William Stowe of Oneida, N. Y., who were unable to attend. Relatives were present from Rochester, N. Y., Port Huron, Detroit, Pontiac, Auburn Heights, Yale, Flint, Avoca, Decker, Deford, Gaylord and Zilwaukee.

The day was spent with various games and stunts and pictures were taken of the entire group and also separate groups. Ice cream and cake were served during the afternoon. It was a day long to be remembered by all present.

SEE UPWARD TREND  
IN BEEF MARKETS

The Improving Conditions Hold  
Promise for Cattle  
Producers.

A continued upward swing of the beef price pendulum is indicated by statistics obtained by the animal husbandry department at Michigan State College.

In the period from 1921 to 1927, beef animals were produced at a distinct loss to their owners. The result was that livestock men sacrificed many animals that would have been retained in breeding herds in times of normal price.

Beef production declined more than 600,000,000 pounds in 1927 and the decline for 1928 will probably be still greater. This scarcity of beef has caused the upturn in the market which now is at a point which makes it profitable to produce beef, in the opinion of the college specialists.

Livestock shipping associations and the use of the motor truck have made it possible for the producer of a few head of beef animals to enjoy the same market advantages as the breeder who sells animals by the carload, it is said.

FORMER DEFORD LADY  
WEDS JACKSON MAN  
IN UNIVERSITY TOWN

Of interest to a number of people of Deford and Cass City is the marriage of Miss Affa Leek of Ann Arbor, formerly of Kingston township, daughter of Mrs. Mason Leek, 510 Hill St., Saginaw, and Dr. Arthur C. Curtis, son of the late Dr. A. B. Curtis of Jackson, which took place Saturday in Ann Arbor at the Alpha Kappa fraternity house.

The ceremony was performed by Rev. T. L. Harris of the Episcopal church before an improvised altar of palms and ferns and a background of summer flowers. Preceding the service, Dr. Waller and Mrs. A. S. Sherman played "O Promise Me."

The bride, who was given in marriage by her brother, John E. Leek, was gowned in a lovely model of peach colored lace over pink and a large horsehair hat and matching slippers and hose, and she carried an arm bouquet of tea roses and feverfew. Mrs. Harry R. Graham of Saginaw, sister of the bride, attended her as matron of honor, wearing green georgette over pink and a large hat of pink. Her bouquet was of Ophelia roses. The bridegroom was assisted by his brother, Dr. George M. Curtis of Chicago. Miss Martha Curtis, sister of the bridegroom, and Miss Lucille Leek, sister of the bride, held ribbons forming the aisle for the wedding party.

After the ceremony, a breakfast was served at the fraternity house after which Dr. and Mrs. Curtis left on a wedding trip to Montreal. On their return, they will make their home at 1208 Brooklyn Ave., Ann Arbor.

Dr. Curtis was graduated from the Medical school of the University of Michigan 1925 and is a member of the Alpha Kappa Kappa Medical Fraternity.

Out of town guests attending the wedding were Mrs. F. E. Hutchinson of Cass City, Mr. and Mrs. Harry Graham, Mrs. Sarah Leek and family of Saginaw, Miss Anne Harner and Miss Hazel Roberts, Detroit; Mrs. Lafayette King, Williamston; Mr. and Mrs. Wm. Derkee and family, Jackson; Mrs. J. B. Christie, Miss Ellie Conklin, Mr. and Mrs. Jack Gallen and Mr. and Mrs. Claude Young, Leslie; Mr. and Mrs. W. J. Curtis and Mr. and Mrs. Byron Griswold, Rives Junction; Dr. and Mrs. George M. Curtis, Chicago; Miss Babe Roach, Howell; Mr. and Mrs. John Walcott, Jackson; Miss Eleanor Pew, Wequotung; and Mr. and Mrs. John Walcott, Jackson.

WINNERS AT THE  
TUSCOLA DAIRY SHOW

Best Exhibits at Fairgrove Will  
Represent County at the  
Saginaw Show.

The annual Jersey show of Tuscola county held at Fairgrove on Thursday, Aug. 16, failed to draw a large attendance because most farmers were busy with farm work and unable to be present.

Following was the placing of the animals that will represent Tuscola county at the Jersey Parish show at Saginaw in September.

Aged bulls—1st, Parish & sons; 2nd, Frank Crosby.

Junior yearling bulls—1st, Parish & sons.

Bull calves—1st and 2nd, Parish & sons.

Cows—1st and 2nd, Parish & sons.

Two year old heifers—1st, Parish & sons; 2nd, Frank Crosby.

Senior calves—1st, Delos Parish.

Junior calves—1st, Maxine Cutler; 2nd, Clarence Dodge.

Champion female—Delos Parish on senior calf.

Champion male—Parish & Son, on aged bull.

Speakers at the Fairgrove show were County Agricultural Agent D. B. Jewell and Francis Ode, agricultural instructor in Fairgrove high school. C. V. Ballard of Michigan State College was judge.

The parish show at Saginaw on Sept. 18, 19 and 20 is a distinct attempt on the part of owners of small and large herds of Jersey cattle to improve their breed through spreading specific information by example of type and uniformity that should exist in Jersey cattle.

Jersey owners in the counties of Gratiot, Shiawassee, Clinton, Tuscola, Saginaw, Bay, Midland and Gladwin have been making definite efforts through the summer months to bring together at Saginaw the finest type of Jerseys possible for the edification of those interested in dairy breeds.

The Kyles Are  
Happily Situated

Cartter, Ill., Aug. 15, 1928.

Dear Editor: Before leaving Erskine so many friends asked us to write that it will be impossible to write to all any time soon, so we are sending this note to the Chronicle that all might read.

Many friends by their kindness made our parting from the dear congregation and community easier. Our last night was spent in the home of Mr. and Mrs. Lewis Law. Here a lot of friends came in to spend a pleasant evening which event has already been reported by the Chronicle.

The next evening a company of former Erskine people gathered at the home of Mrs. Archie Fletcher in Detroit to greet us and send us on our way with good wishes and pleasant memories.

The next evening, July 4, we arrived at Cartter and were entertained at the home of one of the families of the Romine Prairie congregation. In the evening, some folks came in and we had ice cream and fireworks. So our welcome was both cordial and patriotic.

We are now quite well established in the parsonage but it takes a while to get fixed in a new home. We like our new home and congregation well. This is a large field and much work to be done. The congregation is well organized with a live Sabbath School and C. E. society, with many willing hands to help with the work.

This is a fruit growing section. Southern Illinois fruits are said to have a peculiarly fine flavor. Apples and peaches are now being shipped by the carload. Only the earlier varieties are ready for market now. Later the picking and shipping will be much more extensive.

This is Marion county, Southern Illinois. Salem is the county seat. It is on the Baltimore and Ohio railroad and has about 5,000 inhabitants with considerable manufacturing. It is the birthplace of one of America's greatest men. On a modest cottage on one of the main streets is a tablet saying, "Birthplace of William Jennings Bryan."

We are about eighty miles east of St. Louis, Mo., one of our largest cities. Here are located many educational institutions, among them our own Xenia Theological Seminary, of which my brother is the president. We have many friends and acquaintances in that city and the presbytery. So, we are not in a land of strangers.

The people of Romine Prairie congregation are very kind and are doing much to make us feel at home. One evening we were away for an hour. When we returned we found the parsonage lighted up and full of people and the grove crowded with cars.

They had come to give us a royal welcome. A good time socially, games and refreshments and an address of welcome by one of the elders, to which we replied as best we could. Again we sang "Under His Wings" and lifted up the voice of prayer. In leaving, the folks left enough of the fruits of the farm to supply our table for a long time.

We feel like the Lord had "Set us in a large place" and He will give us grace to fill it.

With best wishes and kindest regards to all the good people of the "Thumb" country, I am

Faithfully,

F. T. KYLE.

SHOWING BERKSHIRES AT  
BIG FAIRS IN WISCONSIN

Claude Mitchell and Clarence Bullock showed Berkshire swine at Aurora, Illinois, the past week. They go to Madison, Wis., next week and then to Milwaukee. From Milwaukee, the young men will take their herds to the Michigan State Fair to meet the Cass City club boys and girls who expect to show two carloads of live stock at the state fair.

DELEGATES ELECTED TO  
ATTEND CO. GRANGE MEET

Mr. and Mrs. N. A. Gillies and Mr. and Mrs. F. E. Hutchinson will represent the Cass City Grange at the county convention of that order on Tuesday, Sept. 4. At that time delegates will be selected to represent Tuscola county at the state convention of Grangers. The local Grange society met at the home of Phil McComb on Friday evening. The past year has shown an increased interest evidenced in that society's activities.

UNUSUAL ENTHUSIASM  
OF REPUBLICAN VOTERS

Combined Popularity of Hoover  
and Curtis Seems to Have  
Nationwide Appeal.

Spontaneous sentiment for Hoover and Curtis visible in every direction during the first month of the national presidential campaign has surprised even Republican leaders at the party headquarters here. Not only has the ticket stirred up an unusual degree of enthusiasm among Republican voters for this stage of the contest, but the number of Democrats who are leaving their party to declare allegiance to the Republican candidates is unprecedented.

The combined popularity of Mr. Hoover and Senator Curtis seems to have a nationwide appeal to voters of all parties. This is said to be particularly true in the middle west, where voters are inclined to view the record of Tammany Hall as an outstanding issue of this campaign, according to reports to that effect have been brought to Washington by callers from Iowa, Minnesota, South Dakota, Indiana, Illinois and a number of other states.

One of the leading Democrats to endorse the Hoover-Curtis cause has been former Senator Robert L. Owen of Oklahoma, author of the federal reserve act and of the farm loan act, who announced that he would support Mr. Hoover for president, because of the Republican candidate's monumental record in preserving human life, during and after the war.

"Herbert Hoover, in my opinion, is the best qualified man ever presented by any party in America for the presidency during my lifetime," declared Senator Owen.

He asserted that Tammany is the only issue of the campaign as between the candidates, and urged his fellow Democrats to join him in the fight to prevent "the Tammanizing of the government of the United States."

Another nationally-known Democrat who followed Owen's lead was Vance C. McCormick of Harrisburg, Pa., national chairman of the Democratic party in 1916.

Professor Irving Fisher of Yale University, one of the country's best known economists, who supported Woodrow Wilson in both 1912 and 1916 and has voted for Democratic presidential candidates since, came out with a ringing statement for Herbert Hoover, in which he emphasized the various counts on which the Republican candidate deserves the nation's support.

The resignation of Senator F. M. Simmons, veteran Democratic leader of North Carolina, from the Democratic national committee, on which he has served for 30 years, is regarded by political observers as one of the most severe thrusts yet made at the Democratic national ticket. Senator Simmons, whose influence in his own state has been equalled by few leaders in the country's political history, gave no reason for his action, but his uncompromising opposition to control of his party by the Tammany wing in the past supplies a probable cause.

The determination of the Republican leaders to carry the fight to the

opposition party on the tariff issue was expressed by Senator Reed Smoot of Utah, chairman of the Senate finance committee, who challenged the sincerity of the plank in the Democratic platform which purports to guarantee protection to industry and agriculture.

The country had a bitter experience with Democratic promises on the tariff when it elected Grover Cleveland president, Senator Smoot recalled.

Mrs. Allen owns and operates a beauty parlor at Stockbridge. Mr. Allen is a son of Mrs. Minnie Allen and has been employed at the Leslie post office for the past six years. After a motor trip north, Mr. and Mrs. Allen will make their home for the remainder of the summer at Pleasant Lake.

ONLY FOUR IN 50  
GIANTS OF BUSINESS  
ARE UNDER 40 YEARS

Of the 50 men who have achieved the foremost success in American business within the past 10 years only four are under 40 years of age; only 10 are between 40 and 50 years; 21 are between 50 and 60, while 15 are beyond 60.

This is the significant compilation made by F. C. Forbes, the authority on business and finance, in an article written for the September issue of McClure's Magazine. Forbes offers a cheering prospect to the middle-aged man who, having failed to reach the height of his ambition, is beginning to feel that opportunity has escaped him. "The popular idea that the young man is now at the top is a delusion," he declares, offering the list as proof. "It takes even the most brilliant men longer to reach the summits than it did one or two decades ago."

However, he also believes that there are even more chances for a big eventual success today than in the past.

12 COUNTIES GIVEN  
LOWER VALUATIONS

Several in Thumb Benefit from  
Equalization Board's  
Deliberations.

The state board of equalization in session at Lansing Tuesday slashed \$7,700,000 from the state property valuations recommended by the state tax commission. The final valuation of the board is \$8,201,420,920 compared with \$8,209,120,920 recommended by the commission.

Twelve counties participated in the reductions allowed by the board following a two-day hearing. The board showed its approval of the commission's cut in agricultural and forestry county valuations as all 12 counties are of the agricultural class. Mining is an industry in one.

Houghton county benefitted most from the deliberations of the board. It was granted a \$3,900,000 reduction in its recommended valuation of \$53,900,000, following a vigorous protest before the board. Two counties were awarded cuts of \$500,000 each while several were given \$400,000 reductions.

Reductions were made for the following other counties: Alger, \$200,000; Charlevoix, \$500,000; Gratiot, \$400,000; Hillsdale, \$200,000; Huron, \$400,000; Kalkaska, \$300,000; Osceola, \$500,000; Sanilac, \$400,000; Schoolcraft, \$100,000; Shiawassee, \$400,000 and Tuscola, \$400,000.

Predominating the decisions of the board, the same as with the commission last week, were overtures made to the agricultural counties. Although Genesee and Oakland made a strong plea for a downward change in their valuations, the board abided by the tax commission's previous figures on these industrial counties as well as others like Wayne and Kent.

Doerr Party Have  
Fortunate Escape

Mr. and Mrs. A. Doerr consider themselves fortunate in not being seriously hurt when their car, a Buick sedan, received a broken front wheel, a badly crushed fender and running board, and a broken window Sunday when they were returning to Cass City in a round about way from a visit at Sandusky. With Mr. and Mrs. Doerr were Mrs. Anna McDonald, Mrs. Herman Doerr and three children. In coming west from Minden City, when they arrived at the corner at what is called the "Hog's Back," Mr. Doerr, before starting across the road, looked both ways but did not see the Chevrolet coupe coming from the north just over a hill, at a fast rate of speed. When the Buick reached the center of the road, the Chevrolet struck the front of Mr. Doerr's car, pushing it over against a tree. It is thought that the driver of the coupe did not see the other car until he struck it as there was plenty of room to pass on either side, it is said.

Mary Lee Doerr was sitting on her grandmother's lap and she struck the window in the door with her head, breaking the glass but was not injured herself. Mrs. A. Doerr received a cut finger from broken glass and was the only one hurt in either car. The Chevrolet car contained a man and his wife and small child from Lexington.

MEETING OF SANILAC  
COUNTY'S TEACHERS

A meeting of all rural and village teachers of Sanilac county will be held at Sandusky, Friday, Aug. 31. At this meeting, an outline of the work for the ensuing year will be given by the new commissioner and supplies will be distributed. Every teacher must have these before opening school. Matters pertaining to the teachers' council will be presented by the president, Lew F. Cook.

The organization of extension courses will be discussed by Prof. Wilbur or a representative of Michigan State Normal College.

Notice and program for this meeting will be mailed to each teacher at her new address.

## POLITICAL ANNOUNCEMENT.

I wish to announce to the Republicans of Tuscola county that I am a candidate for the office of County Clerk at the primary to be held Sept. 4. At present I am supervisor of Tuscola township, was a candidate for county clerk four years ago, and lost out, and by all rules of the game, it is my turn now.

## Doctor at 83 Found People Preferred His Prescription

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin.

Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, which is a combination of senna and other mild laxative herbs, with pepsin.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. If grown people want to use them no one can deny them the privilege, but they should never be given to children.

The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of all. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong

## PRIMARY ELECTION.

Notice is hereby given that a general primary election will be held in the Township of Novesta, County of Tuscola, State of Michigan, at Town Hall, within said Township, on

Tuesday, Sept. 4, A. D. 1928, for the purpose of placing in nomination by all political parties participating therein, candidates for the following offices, viz:

National—One candidate for United States Senator, full term; one candidate for United States Senator to fill vacancy.

State—One candidate for Governor; one candidate for Lieutenant Governor.

Congressional—One candidate for Representative in Congress for the Congressional district of which said Township forms a part.

Legislative—One candidate for Senator in the State Legislature for the Senatorial District of which said Township forms a part.

County—Also candidates for the following county offices, viz: Judge of Probate, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, Circuit Court Commissioners, Drain Commissioner, Coroners, Surveyor.

Delegates to County Conventions.

There shall also be elected at said primary, by direct vote of the registered and qualified voters of each political party in each county, as many delegates in each township, ward or precinct, as the case may be, as such political party in such township, ward or precinct shall be entitled to by the call issued by the county committee of such political party for the county convention thereafter to be held by such political party within said county in that year for the purpose of electing delegates to the state convention called for the purpose of nominating candidates for state offices, to be voted for at the November election.

In case of any vacancy in any delegation from any election precinct, township or ward, to the county convention, such vacancy shall be filled by the delegates present from the ward or township in which the vacancy occurs.

The state central committee of each political party shall, at least thirty days before the September primary herein provided for, cause to be forwarded by mail to the chairman of the county committee of such party a copy of the call for the fall state convention showing the number of delegates to which such county shall be entitled in the state convention of such party; and the said state central committee shall apportion such delegates to the several counties in proportion and according to the number of votes cast for the candidate of such party for secretary of state in each of said counties, respectively, at the last preceding November election.

Delegates to the fall county convention shall be elected by election precincts and the county clerk shall notify by mail each person elected as such delegate.

The required number of electors to receive the highest number of votes for delegates to the fall county convention of any political party shall be declared by the board of primary election inspectors to be elected.

The board of primary election inspectors shall certify to the county clerk the names of the electors so elected, as delegates, naming the political party upon whose ballots such electors were elected. The county clerk shall notify each delegate so elected of his election as such delegate, and shall certify to the chairman of the county committee of each political party of the county, the delegates elected by such political party as delegates to the fall county convention.

Suggestions Relative to Voting.

Separate ballots for each political party will be provided. The elector must name the political party of his choice when asking for a ballot and in marking his ballot must make a cross in the square to the left of the name of each candidate for whom he desires to vote, and can vote for only one candidate except where two or more candidates are to be nominated

in which case he should vote for two or the number to be nominated.

The polls of said election will be open at seven o'clock a. m. and will remain open until five o'clock p. m. of said day of election, unless the Board of Election Inspectors shall, in their discretion, adjourn the polls at 12 o'clock, noon for one hour.

## 15<sup>3</sup>/<sub>4</sub> Bushels More to the Acre—Champion Wheat Grower Tells Why

LAST season Mr. Jacob Fields, of Gaines, Genesee Co., Mich., was designated "Champion Wheat Grower" of his county by the Flint Daily Journal. Titles are all right. But what about the money? Did the crop pay? It certainly did.

Mr. Fields planted 22 acres in wheat. His total yield was 1008 bushels—45<sup>3</sup>/<sub>4</sub> bushels per acre—and sold for \$1.25 per bushel, a premium of 8 cents. Other wheat in this section yielded only 30 bushels. Mr. Fields says, "AA QUALITY" Fertilizers increased my yield 15<sup>3</sup>/<sub>4</sub> bushels per acre."

Wheat growers, you cannot afford to ignore this evidence. Calculate the extra profit for yourself. You will see that Mr. Fields actually got an added profit of \$22.08 per acre by using "AA QUALITY" Fertilizers.

Hundreds of other farmers have written similar letters. They all tell of bigger yields, better quality—and increased profits with "AA QUALITY" Fertilizers. These splendid crops are not due to luck or accident. They are the result of sound farming methods and the use of the best fertilizer obtainable—that is, "AA QUALITY."

Your crops, your profits, these are the only real standards by which to measure fertilizer quality. Chemical analysis may fool the farmer but it cannot fool your crops.

Don't be deluded into thinking that all goods of the same chemical analysis are the same in crop-producing value.

## Facts for Wheat Growers:

During the last 12 to 14 years I have used many different makes of fertilizer in growing my farm crops but none have been as effective as "AA QUALITY" goods, of which several different analyses have been used, with excellent results. "AA QUALITY" Fertilizers are always 100% in mechanical condition and work excellently in all machinery designed to sow fertilizer.

My wheat was grown with your AGRICO for Grain, which I consider by far the best wheat fertilizer I have ever used. I attribute again in yield of 15<sup>3</sup>/<sub>4</sub> bushels per acre to the use of this fertilizer.

To farmers who use fertilizer I recommend that they get acquainted with "AA QUALITY" goods; use them and their merit will convince any farmer of their value.

(Signed) JACOB FIELDS, Gaines, Genesee Co., Mich.

Buy fertilizer with your eyes open. Compare crop records obtained with "AA QUALITY" Fertilizers with those of any other make. Then make your decision. Larger yields, better quality—and increased profits make "AA QUALITY" goods by all odds the cheapest you can buy.

If you have never used "AA QUALITY" plant foods, you owe it to yourself to use these fertilizers on at least part of your next wheat crop. You, too, can increase your profits. See the nearest "AA QUALITY" Dealer today.

FAILURES OF POPULAR  
GOVERNMENT

Considering how many political defects they can find, many people become very cynical about popular government. They remark that the people do not take interest enough in politics to govern themselves, which suggests that there will always be inefficiency or graft.

But the people never allow the faults of government to go only about so far. If serious business disasters result from bad government, if the country was in danger of revolutionary turmoil, if corruption became flagrant beyond a certain point, the people can be trusted to act.

A singer was once asked if he could sing a certain difficult piece of music. He said he could if he got thoroughly mad. He meant that he had to become thoroughly disgusted with his failure to get the thing right, before he would really be in a mood to make the effort to get it right. The people seem somewhat the same in regard to elections. In ordinary times they attend to their civic duties in a sleepy way, and they fail to get results.

But if the failures of government become too great, people become angry and administer a stinging rebuke. Such spasms may not last long. But politicians learn some lessons from such wallows, and they conclude that the people really want a better article of government.

So while our country will fail to get the full benefits of popular government, democracy is not in danger. The people will not permit wrongs and inefficiency to go to extremes. But how much better it would be, if instead of these occasional spasms which save the country from ruin, the people would attend to the business of government as they attend to every day affairs, and how much more could be done for public welfare and human progress.

MARRIED WOMEN AS  
WAGE EARNERS

There are now 2,000,000 married women who are taking wage-earning jobs outside their homes. Formerly it was thought to be some indication of poverty and hard struggle when a married woman took such a job. In some industries where wages are low, it has been a common custom for the women to work in the factories and mills alongside the men, as the only way to obtain a wage that would support the family.

To-day many more brides keep on with the business and industrial jobs they had before they were married. Their husbands may be earning a passably good salary. Yet these young people have some expensive tastes, they want a nice little home, they may expect to operate an automobile, and all the things they go into cost a lot of money. The wife keeps on working as the only way to provide these things that have become essential.

In many cases it is not a bad idea. The wife may earn enough so that much of the housework can be done for her, and these young people eat many meals at restaurants and buy much cooked food, so they may not suffer.

The rub comes when children come. Then the family costs at once mount up. The time before the children come is a time when these young people should be saving money.

The women who keep on working after the children come, are in many cases forced into that course by the necessities of their situation. Probably in many cases it is the best thing to do, and they are repaid by the better home they can provide. But many children have gone bad because they had no one to look out for them at home. It would be better for the married couple to deny themselves many comforts, if they should see that their children are suffering from parental neglect.

Merchants having surplus stock would better pay for a little advertising rather than carry it over until next season.

## PRIMARY ELECTION

Notice is hereby given that a general primary election will be held in the Township of Elmwood, County of Tuscola, State of Michigan, at Town Hall, within said Township on

Tuesday, Sept. 4, A. D. 1928,

For the purpose of placing in nomination by all political parties participating therein, candidates for the following offices, viz.:

National—One candidate for United States Senator, full term; one candidate for United States Senator to fill vacancy.

State—One candidate for Governor; one candidate for Lieutenant Governor.

Congressional—One candidate for Representative in Congress for the Congressional district of which said Township forms a part.

Legislative—One candidate for Senator in the State Legislature for the Senatorial District of which said Township forms a part.

One candidate for Representative in the State Legislature for the Legislative district of which said Township forms a part.

County—Also candidates for the following county offices, viz.—Judge of Probate, Prosecuting Attorney, Sheriff, County Clerk, County Treasurer, Register of Deeds, Circuit Court Commissioners, Drain Commissioner, Coroners, Surveyor.

Delegates to County Conventions.

There shall also be elected, said primary, by direct vote of the registered and qualified voters of each political party in each county, as many delegates in each township, ward or precinct, as the case may be, as such political party in such township, ward or precinct shall be entitled to by the call issued by the county committee of such political party for the county convention thereafter to be held by such political party within said county in that year for the purpose of electing delegates to the state convention called for the purpose of nominating candidates for state offices, to be voted for at the November election. In case of any vacancy in any delegation from any election precinct, township or ward, to the county convention, such vacancy shall be filled by the delegates present from the ward or township in which the vacancy occurs.

The state central committee of each political party shall, at least thirty days before the September primary provided for, cause to be forwarded by mail to the chairman of the county committee of such party a copy of the call for the fall state convention showing the number of delegates to which such county shall be entitled in the state convention of such party; and the said state central committee shall apportion such delegates to the several counties in proportion and according to the number of votes cast for the candidate of such party for secretary of state in each of said counties, respectively, at the last preceding November election.

Delegates to the fall county convention shall be elected by election precincts, and the county clerk shall notify by mail each person elected as such delegate.

The required number of electors to receive the highest number of votes for delegates to the fall county convention of any political party shall be declared by the board of primary election inspectors to be elected.

The board of primary election inspectors shall certify to the county clerk the names of the electors so elected, as delegates, naming the political party upon whose ballots such electors were elected. The county clerk shall notify each delegate so elected of his election as such delegate, and shall certify to the chairman of the county committee of each political party of the county, the delegates elected by such political party as delegates to the fall county convention.

Suggestions Relative to Voting. Separate ballots for each political party will be provided. The elector must name the political party of his choice when asking for a ballot and in marking his ballot must make a cross in the square to the left of the name of each candidate for whom he desires to vote, and can vote for only one candidate except where two or more candidates are to be nominated in which case he should vote for two or the number to be nominated.

The polls of said election will be open at seven o'clock a. m. and will remain open until five o'clock p. m. of said day of election, unless the Board of Election Inspectors shall, in their discretion, adjourn the Polls at 12 o'clock, noon, for one hour.

M. P. FREEMAN,

Township Clerk.

### THUMB NEWS PARAGRAPHS.

Concluded from first page.  
ing that had arisen as the result of the discontinuing of service to some of the subscribers recently. He said that it was merely a business proposition, that in order to give the service that people demand the company must have money. He stated that three-fourths of the people of the community are prompt in paying but that the books show an increase of nearly \$2,000 in unpaid accounts during the past six months. The district manager stated that the step of cutting off subscribers was not taken arbitrarily. He said that he gave orders in June that all subscribers be notified that bills were due and payable July 1, and that those far in arrears be warned that their service would be discontinued. Mr. Hall said that if patrons were treated without consideration it was without his knowledge and the company much regrets the fact.

Morris Quinn, Caro high school graduate, who will be a senior at the University of Michigan the coming semester, has a record of scholastic and extra curricular honors established by few students. Shortly before the close of school Morris was appointed sports editor of the Michigan Daily, official publication of the university with which he has been affiliated since his freshman year. Among other honors to come to the young man were his election to Sigma Delta Chi, professional journalistic fraternity; being initiated into the Druids, an honor fraternity, for work of special literary merit, and membership in the Theta Delta Chi fraternity. During his freshman year he was elected to Phi Eet Sigma, to which a student is eligible only when his grades are not less than half "As" and half "Bs."

### W. C. T. U.

Tinkering with the prohibition law instead of enforcing it, is a waste of time and effort. Nearly every prohibition state has found that out. For example, since the province of Manitoba, Canada, established its governmental "beer parlors" there have been more than twice as many motor car accidents than for the same period last year. Police investigation has shown that in many of these cases the driver had "just a glass or two of beer." Not drunk, of course not! But to further a campaign of safety-first on the highways, the government of Manitoba is placarding this warning: Don't collide with scientific facts! Two glasses of beer con-

tain as much alcohol as one glass of distilled liquor. Scientific tests show that a car driver taking one drink of spirits does not react to danger as quickly as the one who has not imbibed!

While the government of Manitoba sells booze in government-regulated stores all over the province, the same government maintains a highly paid functionary to deliver addresses to school children and others on the evils of intoxication. His title is "government agent for morals and temperance." His charts show the injury done the human system by alcoholic stimulants.

The government of Manitoba sells booze, then invests part of the profits of its government-owned booze stores in sending a man about the province denouncing the traffic.

I doubt if, as individual Americans, we have ever had a finer opportunity to do service for our country than today—simply by showing through speech and action a decent respect for its laws and its Constitution. As a people, we could do no greater service for ourselves. The benefits would be far-reaching.

I know of no more solid constructive work within the power of all of us to do than this, and I know of no land that needs it more than this, the most favored of all lands.—Advertisement.

## REGISTRATION NOTICE

FOR GENERAL PRI-  
MARY ELECTION

Tuesday, September 4, A. D. 1928.  
To the Qualified Electors of the Township of Elkland, County of Tuscola, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election, or primary election receive for registration the name of any legal voter in said township not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the second Saturday before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law.

Aug. 25, 1928—Last Day for General Registration by personal application for said election.

Notice is hereby given that I will be at my office at the Greenhouse on Aug. 11 and Aug. 18, A. D. 1928, from 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of reviewing the registration and registering such of the qualified electors in said Township as shall properly apply therefor.

The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration of Absentee by Oath Sec. 9, Part II, Chap. III.

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath state that he or she is a resident of such precinct and has resided in the township twenty days next preceding such election or primary election, designating particularly the place of his or her residence, and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence from the township on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provision in Case of Removal to Another Precinct.

Sec. 11, Part II, Chap. III. Any registered and qualified voter who has removed from one election precinct of a township to another election precinct of the same township shall have the right, on any day previous to election, or primary election day, on application to Township Clerk, to have his or her name transferred from the registration book of the precinct from which he or she has removed to the registration book of the precinct in which he or she then resides. Such elector shall have the right to have such transfer made on

## Thumb of Michigan Ass'n News Letter

The Thumb of Michigan Association invites farmers, business men, everybody, to come to the Thumb picnic at Bay Port, Friday, Aug. 24.

Perhaps the most important meeting this year of the Thumb of Michigan Association will be the August meeting at Bay Port on Friday, Aug. 24. Not only will it be of importance to the farmers of the Thumb and all the business men, but it will be an opportunity for a delightful outing at the picnic under the trees at beautiful Bay Port.

The business meeting, which will be at three o'clock, will be principally devoted to discussion and action regarding agricultural matters in the Thumb. Every farmer will be interested and every business man in every Thumb town as well.

The farm agents of the Thumb will be present, while Mr. Raven, the Huron county farm agent, will preside at the evening meeting. A report will be made by the agricultural committee and discussion is invited by all who are interested, whether already members of the association or not.

The program will be as follows:

3:00 p. m.—Regular monthly business meeting. Besides officers and members all who are interested are invited.

6:00 p. m.—Basket picnic lunch.

7:30 p. m.—Entertainment, music by orchestra, special numbers. P. Burns' Old Time Fiddlers will play anything you ask for. Addresses, Leland S. Bisbee, Jackson, Mich., John D. Martin, farm agent of Sanilac county, Earl McCarty, farm agent of St. Clair county, and Emmett L. Raven, farm agent of Huron county. Moving pictures of the Thumb shore and farm scenes.

Mr. Farmer! The Thumb of Michigan Association has a big problem before it. It is trying to do something for the betterment of farm conditions in The Thumb. It has already accomplished some small good results in this line and hopes to do much more. It is not concerned with national legislation for the farmer. That we have to leave to the statesmen at Washington. We can do something right here in The Thumb by improving our products, by calling attention of the world to them, and by making it easier to get to the markets. We are attacking these problems with a knowledge that they are difficult to solve and we are modest in our claims. Still, we know that results can be accomplished by patience and perseverance.

purses totalling more than \$1,000 will insure all the thrill sought by track fans. Races will be called at 1:30 p. m. on Wednesday, Thursday and Friday. In addition to the pace or trot each day there will be a pony race on Thursday.

## Life and Principles

There are people who tend to shape their lives in accordance with definite principles and others who prefer to let their principles to the vagaries of their own particular fate. In both cases, all that is involved is an effort to make life as comfortable as possible; while the important thing is to face each new experience without prejudices or assumptions, even at the risk of continual mistakes.

—Arthur Schnitzler in Vanity Fair.

## RESOLUTIONS OF RESPECT.

"God knows the way, He holds the key, He guideth with unerring hand; Some time with tearless eye we'll see, And then, up there, we'll understand."

In memory of Brother Samuel H. Brown, who died Aug. 15, 1928.

"But yet Spring came, and in the place of death, there was life, beauty and joy."

The Angel of Death has entered our midst and we are called to mourn the loss of a faithful friend and a brother.

We cherish his memory tenderly as a true friend and brother. We shall meet him again in a blessed reunion after life's work is over, and greet him in the land where our Heavenly Father has prepared a place of eternal rest for His faithful children, and there we will realize more fully that his work in this life for Friendship, Love and Truth, and the Brotherhood of man has not been in vain.

Resolved, that Cass City Lodge, No. 203, I. O. O. F., of Cass City, Michigan, in testimony of our loss, be draped in mourning for the allotted time, and that we tender the family our deepest sympathy in their affliction, and that a copy of these resolutions be sent to the family.

"There is nothing that women cannot do as well as men."

"Of course," assented Mr. Henpeck earnestly. "But I hope, Henrietta, that none of you insist on pitching for the home team in a close game."

Now that pastures are drying up feed a little Cow Chow and keep the cows up in flesh and production. They will milk better next fall and winter.

Never have we seen more beautiful flowers in Cass City than there are at this season. Right now we're thinking of Levi Bardwell's flowers and there are lots more.

Our price on Cream of Wheat flour will be much lower than last year. Let us have your order now and protect you on the new low price. You can't go wrong on Cream of Wheat flour for bread or Tuscola for pastry.

If you pay 25c for twenty-five cents' worth of food, it's a lunch. If you pay \$1.00 for twenty-five cents' worth it's a luncheon.

An Olympia, Washington, breeder has developed a barkless dog. We trust there is something substantial behind rumors that he will next turn his attention to back-seat drivers.

There's a right way to raise calves just as there's a right way to raise babies. Purina Calf Chow furnishes the balanced diet which means good strong calves besides saving about one-half the cost of milk.

Another Scotchman went crazy over at Bad Axe the other day. He bought a score-card at a baseball game, and neither side scored.

Dairymen are beginning to realize that it is not the first cost of feed that counts, but rather the cost of putting milk into the pail. Purina Cow Chow and Bulky-Las are making some records for low cost of production, as well as for high milk production. Let us supply you.

"Boy, out in Gin Gulch we're so tough we eat bailing wire for spaghetti!"

"Nottin'! Where I come from we know what it is, and eat it just the same."

Half the married people in the United States are women.

Purina Chicken Chowder and Purina Hen Chow make your problem of "what to feed?" easy and safe. Purina Poultry Chows are balanced to maintain the body of the hen and to produce practically an equal number of whites and yolks. In this way, Purina keeps hens going at capacity, which explains why the average Purina-fed hen produces 148 eggs a year, while the average grain-fed hen produces only five or six dozen eggs a year.

W. H. DAVIS, Candidate for Office of Judge  
of Probate of Sanilac County at the  
Republican Primary Sept. 4

Editor Cass City Chronicle:

As per your suggestion to use the Chronicle for publicity in the north of Sanilac county, I am sending under separate cover a half-tone cut for you to use for the remainder of the primary campaign.

Had I done so four years ago, the primary results might have been different. As it was, I carried every township, except Elmer in the south half of the county where we were equally known, and four in the north half notwithstanding my being handicapped by the incumbent having had at that time only one term.

Now that he has had the office eight years, that is now removed and the outlook is exceptionally favorable for me this campaign.
