SUPERVISORS NAME **COUNTY OFFICERS**

Seven Elected without Opposition Wednesday; Six Appropriations Were Made.

The board of supervisors of Tusco-la county elected the following offiand Chas. Frenzel of Mayville; county than it they were sent to the U. of M. as was usually done in former years.

Turn to page 5. elected to these offices without opposition and all succeed themselves in these positions except Mr. Frenzel, who enters his new office Jan. 1st. who enters his new office Jan. 1st. He will succeed E. C. Robertson of Fostoria, who sent in his resignation as superintendent of the poor to take effect Dec. 31.

Appropriations made by the supervisors on Wednesday include \$400.00 to the Star Commonwealth, \$300.00 to the Michigan Crippled Children's Society at Farmington, \$200.00 to the Michigan Children's Home, \$200.00 to the Salvation Army, \$300.00 to the East Michigan Tourist Association, and \$100.00 to the Thumb Potato Show at Mayville.

The report of County Drain Commissioner Mueller was presented to the board which consisted of 15 typewritten pages and contained a list of the unfinished drains, names of drains let and petitions received, together with detailed information regarding the work done by that office during the year, and an itemized statement of the cost of the drains.

D. B. Jewell, county agricultural agent, also submitted a report of the 8,680 pounds. activities of his department during the year.

In the report of the county road commissioners, the following report was made regarding the receipts and disbursements of the county road

IN PRODUCING PORK

Michigan Farmers Take Front Rank in Pig Crop Production Methods.

That Michigan farmers are able to step up in the front ranks when awards are made for the growing of pork on a production basis is indicated by early reports of the pig crop contest made to the animal husbandry department at Michigan State Col-

The best results already reported are those obtained by C. N. Easton, Saline. Mr. Easton has already marketed the five litters of pigs which he had entered in the contest. These litters contained 43 pigs which weighed

The pigs, which averaged more than two hundred pounds in weight at six months of age, were of such a large Marmon sedan, went into a good quality that they brought a deep ditch when Mr. Ballard sought premium of 20 cents per hundred- to avoid a bad hole in the road. When weight above the day's market. They were raised from purebred Poland bed crumbled under the car wheels, China sows.

Thirty-one Michigan farmers have entered swine in the pig crop con-

proper sanitation, and adequate control of internal parasites are needed to put the grower up among the winners in a pig crop contest.

VOLLEY BALL SEASON STARTS TUESDAY

Country and Town Men Are Invited to Meet Coach Lewis at Gym.

With the falling of the leaves come the snappy autumn evenings, which mean that soon will be heard the familiar hoots and jeers of a play-mad crowd, zealous in the wild pursuit of the little round sphere, the volley ball!

Next Tuesday evening, at 7:30, at the high school gym all enthusiasts of the sport are going to meet to organize for the ensuing season. Everyone is asked to come, not only the seasoned veterans of last year's campaign, but anyone who feels the need of one evening of rest and recreation from the daily routine.

Last year few rural men picked up the sport and these brawny sons of the soil should soon adopt the game, and take their places beside "Chet" Graham, "Charlie" Day, "Yell" Auten and "Fat" Campbell as the stars of the local club.

Various and sundry reports are heard as to the conditioning, etc., that is now going on in secret. Fred Pinney and his banking crew are supposed to be in tip top shape for the opening of the season. "Andy" Bigelow and his proteges are daily practicing the spike, Zemke is working out daily in the back of his store and Alex Henry can be seen any day practicing the "Holmes" over-hand serve on his stock of pumpkins.

Coach Lewis would like to start a short half hour class for tired business men with waning waist lines and the plan will be discussed Tuesday night. You cannot afford to miss this meeting if you intend to engage in this, the sport of sports.

Lester Bailey is awaiting with empty coffers your arrival with \$1.00, Huron district, was the speaker in which will be the assessment to start the season.

COMING AUCTION SALES.

Andrew Bognar has decided to move to Detroit and will sell his personal property at the farm 11/2 miles south and 2 miles west of Gagetown on Tuesday, Oct. 23. R. N. McCullough is the auctioneer.

On Tuesday, Oct. 23, John McTavish will have a sale of horses, cattle and farm implements at his home 3 The selling of the property of Bert miles north and ½ mile west of Purdon along the shore and at the Shabbona, with T. B. Tyrell as auc-

Wyeth, both of Port Huron, mile west of Popple on Tuesday, Oct.

A. H. Kinnaird has sold his farm 2 miles west of Cass City and will sell 6 head of registered cattle and 14 head of grade Holsteins, 3 horses, machinery and poultry equipment at auction on Thursday, Oct. 25. R. N. McCullough will cry the sale.

Because of poor health, James McKinnon will sell live stock and implements at auction 1 mile east and 1/2 mile north of Deford on Friday, Oct. 26. Severance & Leix are the auctioneers. Ed. Flint will have an auction sale

of household goods at his residence at the corner of Houghton St. and Woodland Ave. tomorrow (Saturday) afternoon with R. N. McCullough as auctioneer.

These eight auctions are advertised in detail on pages 3, 6, 7 and 8 of this number of the Chronicle. Other sales which will be fully ad-

vertised in the Chronicle in later issues include the following: Harry Watson, living 41/2 miles east of Cass City, is arranging for a

farm sale on Monday, Oct. 29. Turnbull Bros. will serve as auctioneers. Joseph Sobieroj has decided to move to a city and will have an auction sale of live stock, implements and household goods on Tuesday, Oct. 30, 1 mile south and 2 miles

Leo Benedict, 11/2 miles north and 1 mile west of Hemans, will have a farm sale on Wednesday, Nov. 7, with T. B. Tyrell as the auctioneer.

To the 5000 who daily become owners of the new Ford car

THE service obligation of the Ford Motor Company and its dealer organization is now growing at the rate of 5000 cars a day. It is to these new car owners that this message is addressed.

The new Ford is a remarkably fine car for one that costs so little. It is simple in design, constructed of the finest materials, and built to unusually close measure-

These are the reasons it performs so wonderfully. These are also the reasons its service requirements are so few and the up-keep cost so low.

When you receive your new car, the dealer will explain the simple little things that should be attended to at regular intervals to insure the best performance. He will also tell you something of his own facilities for doing this work promptly and at small cost.

With the purchase of your car, you are entitled to Free Inspection Service by your dealer at 500, 1000 and 1500 miles. This service is due you and we urge you to take full advantage of it. Proper care during this breaking-in period means a great deal to

the life of your car.

Included in the Free Inspection Service is a checkup of the battery, the generator charging rate, the distributor, the carburetor adjustment, lights, brakes, shock absorbers, tire inflation and steering gear. The engine oil is also changed and chassis lubricated.

No charge whatever is made for labor or materials incidental to this inspection service, except where repairs are necessary because of accident, neglect, or mis-

The labor of changing the engine oil and lubricating the chassis is also free, although a charge is made for the new oil.

We believe that when you see the good effects of this inspection you will continue to have it done regularly throughout the life of your

Wherever you live, you will find the Ford dealer very helpful in keeping your car in good running order for many thousands of miles at a minimum of trouble and expense.

He operates under close factory supervision and has been trained and equipped

to do this work promptly, thoroughly and economically.

FORD MOTOR COMPANY

Moderate First Cost

is one of the advantages of concrete block building units. They are perfectly adapted to any style of architecture. They have rugged strength and are easily and rapidly handled.

Concrete block assure superior insulation against heat and cold. They are firesafe, permanent. They reduce the cost of up-keep and increase the value of the home as an investment.

If you can afford to build a home, you can afford one of concrete masonry.

FOOTBALL NOT ALL.

The story is told of a very hard working woman who had saved money for a long time to send her son to college. She was asked if this was not too costly for her. "Football" she said. "He will feel

very badly if he doesn't have a chance to play.' Then he went to college several weeks before the rest of the students

entered. She was asked why this exexpense was incurred. "Football" she replied. "He had to go down to get on the team. In a few weeks she reported that

the boy had returned in a very descollege course. "Football" she explained. "He here.

could not get on the team." Her friends remarked that football is not the only thing in a college, that there are difficult studies to be taken up, which call for hard work.

MY ONE LITTLE VOTE.

One of the sentiments that influence that great body of people who fail to cast a ballot at our elections, is the feeling that their one vote in each case will not be missed. Each one says, "My one little vote will never decide the election." Probably as the result of that feeling, some 10,000,000 to 20,000,000 people have

failed to vote each year. People have to do their part in this world to make things move. The individual soldier in the World War might say that if he dodged the draft and failed to go, the little he could have done would make no difference. But if all did that way, the nation's power would be paralyzed.

So each one of our citizens must do his or her share at the coming election, or the nation's power will be sweet enough to eat."

Township clerks have notices in the Chronicle calling attention to the fact I went in search of happiness, that October 27 is the last day for And traveled where the sign posts general registration by personal application of voters for the general To Italy and Inverness, And Avignon, and Spain they read. election next month. If your name is not on the registration book of your voting precinct better attend to that duty today. Many large cities report a big increase in registration this fall which indicates a large vote in the big centers. Los Angeles reports an increase of over one-third in 1926;

Oil Burner Demonstration on Saturday, October 20

AT THE WANNER & MATTHEWS PLUMBING STORE

Seven Points of Difference You ought to Know About

Seven distinct points of difference give the SUMMERHEAT Oil Burner a unique position in the field of modern heating. It is not like any other burner, and it does things which, to date, no other burner has been able to accomplish. The seven points are listed, briefly below.

1—On the Door—Heating Plant Intact

Easily installed, no removal of grates, no bricking up. Puts flame where heat belongs, without destroying or changing furnace or boiler. 2—Economy of Fuel Consumption

High-low flame with electric ignition, plus sound engineering principles, gives this burner the lowest operating cost of any full capacity approved power burner.

SUMMERHEAT has no outside safety controls —they are built into the burner as integral parts—greatly simplyfying installation and thus maintaining accuracy of factory adjustments after

burner is installed. The room thermostat is the only outside control. 4—Low Cost Simplification of mechanism and installation make this by far the least expensive approved full capacity power burner on the market.

Within five years from date of sale the factory within five years from date of sale the factory will rebuild any type IDEAL SUMMERHEAT Burner, replacing all worn or burned parts, overhauling and placing in condition substantially as good as new for all practical purposes, upon payment of \$25 and delivery of the burner at the factory.

6—Wide Range at Full Efficiency From a pint of oil per hour to five gallons per hour, the IDEAL SUMMERHEAT Burner will

5—Five-Year Rehabilitation Bond

operate at full efficiency. 7—Approved Garbage Incinerator With a SUMMERHEAT attached to your boiler

or furnace, you can still burn anything from garbage to coal. Underwriters approval has been

Expense of operation is comparable with the cost of heating with ten to twelve dollar coal or coke and the downright convenience of SUMMERHEAT cannot be compared with any household appliance heretofore known. The public is cordially invited to come

given this exclusive feature.

No Other Low-Priced Six Like This -a Successful Six

The Cabriolet + Body by Fisher Bumpers and Wire Wheel

Study as thoroughly as you please the entire range of automobiles produced today, you must finally conclude that in all the world there is no other low-priced six like Pontiac . . . For of all the sixes available at as little as \$745 only Pontiac offers bodies by Fisher-a 186-cubic inch engine—the cross-flow radiator—a fuel pump—the famous G-M-R cylinder head. Only Pontiac offers such stamina and long life. And only Pontiac offers special factory equipment including six wire wheels and tires with the two spares cradled in fender wells at slight additional cost ... With all these exclusive features Pontiac Six has established itself as foremost among all low-priced sixes. And with good reason, for where else can you find such advantages for as little as \$745?

2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$795; 4-Door Sedan, \$825; Sport Landau Sedan, \$875. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

Doctor at 83 Found People Preferred His Prescription

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin. Then, the treatment of constipa-tion, biliousness, headaches, mental depression, indigestion, sour stom-

ach and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrap Pepsin, which is a combination of senna and other mild laxative herbs, with pepsin. Dr. Caldwell did not approve of

drastic physics and purges. He did not believe they were good for hu-man beings to put into their sys-tem. If grown people want to use them no one can deny them the privilege, but they should never be given to children.

The simpler the remedy for con-stipation, the safer for the child and for you, and the better for the gen eral health of all. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pep-gin, why take chances with strong using Dr. Caldwell's Syrup Pep-why take chances with strong

drugs? Al drug stores have the

enerous bottles. We would be glad to have you rove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

DEFORD

Mrs. Mary Webster is probably the youngest woman in this community when consideration is given to both years and activity. Tis true that Mrs. Webster has passed the 75th milestone in life's journey, but when one sees her in the bean field forking beans and accomplishing as much as many a younger person then one forgets years and hopes that when he gets years and hopes that when he gets years and hopes that when he reaches that time of life that his health will permit him to take part n the activities of those days.

Mr. and Mrs. Forest Day of Pontiac called at the Ben Gage home on

Mr. and Mrs. E. A. Cones and daughters, Misses Neva and Veda, and Ambrose Wilcox of Marlette spent Sunday at Mayville.

The Ladies' Aid was held last week Wednesday. Dinner was served at Society Hall. Rev. and Mrs. Carless were present.

Mr. and Mrs. A. E. Webster entertained guests from Metoria on Sun-

Mr. and Mrs. Sanson moved into the Johnson house the latter part of last week.

Mrs. Jennie Nutt was seriously ill ast week. Her daughter, Mrs. O. Valentine, of Oxford was called on Wednesday to her bedside. She returned on Sunday.

Mr. and Mrs. Green of Kingston spent Sunday with their daughter, Mrs. L. Vanderkooy.

On Thursday evening, Oct. 11, Mr. and Mrs. Clarence Chadwick, Mr. and Mrs. Geo. Martin, Mr. and Mrs. Wm. Gage, Henry Zemke and lady friend from Cass City and Mr. and Mrs. Joseph Barrons of Wilmot spent the evening at the Henry Cooklin home and enjoyed a chicken

Mr. and Mrs. Benj. Gage called in Caro Monday morning. Mr. and Mrs. Lewis Lock and Mr.

and Mrs. E. L. Patterson spent Sunday in Imlay City. Mr. and Mrs. Benj. Hicks, sr., en-

tertained on Sunday their children, Mr. and Mrs. Archie Hicks from east of town, Mr. and Mrs. Benj. Hicks of of town, Mr. and Mrs. Benj. Hicks of Flint, and Mr. and Mrs. Jesse Kelley. Mr. and Mrs. H. D. Malcolm attended church on Sunday evening in Cass City.

Mr. and Mrs. F. B. McCain of Oxford and the former's sister, Mrs. Luella Pugh, of Detroit spent Sunday with the former's mother and sisters, Mrs. C. L. McCain, Mrs. Geo. Spencer and Mrs. B. Gage. A dance was held in Webster Hall

n Tuesday last. Mrs. Jennie Nutt left Sunday to stay for a time with her son, David

Monday night. He will answer to the name of Billie. Mother and babe are doing fine.

SUNDAY SCHOOL TEACHERS OF STATE GATHER.

Teachers in the various Sunday schools of Michigan, regardless of their denominational differences, are nvited to attend one of the regional

conventions held in Michigan this year. One at Petoskey, October 24-26, the other at Adrian October 29-31.

Opportunity will be provided for parents, teachers and officers in the rural and small town communities to meet in personal conferences leaders who will be prepared to help them in who will be prepared to help them in their quest for materials and suggestions to improve the Sunday school work of their respective areas.

No registration fee is being charged. Lodging and breakfast are ree to all visiting delegates. It is expected that several will avail themselves of this unusual privilege.

It is probable that some representative of each of the denominations will be present at these conventions to confer with their local church

The conventions are under the auspices of the Michigan Council of Religious Education which is organized to promote Sunday school work in the state of Michigan. An auxiliary council is at work in most counties.

OUTWIT FATIGUE, HIGH BLOOD PRESSURE

Avoid paralysis and disease in advanced years. Do it with San Yak Pills for the kidneys. They give ease to the stomach, antiseptic to the bowels and vegetable. Sold at Burke's Drug Store.—Advertisement.

Famous Cough Prescription

Contains No Chloroform Or Other Harmful Drugs.

The use of medicines containing chloroform or dope to relieve coughing is dangerous and unnecessary. Now anyone can get quick sure relief with a famous prescription called Thoxine, which contains no chloroform or other harmful drugs and is agents. It has been able to help safe and pleasant to take.

Thoxine is thoroughly efficient because it has a double action—soothes the irritation—goes direct to the internal cause, and stops the cough almost instantly. For superior to cough syrups and patent medicines. Also excellent for sore throat. Quick relief guaranteed or your money back. 35c, 60c, and \$1.00. Sold by Burke's Drug Store.—Advertisement 2

Clean Child's Bowels

"California Fig Syrup" is Dependable Laxative for

Sick Children

Pleasant Taste

If your little one is out-of-sorts, won't play, seems sick, languid, not natural-suspect the bowels. A teaspeenful of delicious "California Fig Syrup" given anytime sweetens the stomach and soon moves the sour fermentations, gases, poisons and indigestible matter right out of the bowels and you have a well, playful child

again.
Millions of mothers depend upon this gentle, harmless laxative. It never cramps or overacts. Contains no narcotics or soothing drugs. Say "Cah fornia" to your druggist and avoid counterfeits. Insist upon genuine "California Fig Syrup" which has directions for babies and children of all ages plainly printed on bottle.

THUMB OF MICHIGAN ASSO. NEWS LETTER

It might be well at this time to let the people of The Thumb know through this paper that The Thumb

do. This has been told before, but ganization is unusual and could not will do no harm to repeat it. be attained if it were not for the The Thumb of Michigan Associahearty co-operation and public-spirit tion is an organization of people in that The Thumb Association has re-The Thumb who, by co-operation (united effort) are trying to promote ceived from all over The Thumb. the interests of The Thumb in every "Diana" Monkeys

way possible. The people who have become members of the Association are, of course,

in it for what there is in it for them: Office in Pleasant Home Hospital. They believe that bringing prosperity to The Thumb is sure to benefit hemselves in the long run. Whether farmer, banker, merchant, oil man, mechanic, or laborer, the prosperity of The Thumb means more money coming into The Thumb, more money deposited in their banks, paid to them for farm products, for oil and gas, or in wages.

The Association has spent much time and effort in advertising the shore district to bring tourists and summer resorters here, believing that the money spent by these people will profit us all. The Association is also doing everything in its power to improve farm conditions. We do not try to kid ourselves into thinking that we can bring prosperity to the farmers overnight. We do not believe that we can double the sale of dairy products in The Thumb in a month. We do know that the Association has had some part—perhaps a small part in the great increase in the last year in the demand for Thumb dairy products in Detroit.

It is the ambition of the Association to see the unoccupied farms in The Thumb occupied by prosperous farmers, making money for themselves and spending money in the cowns with the merchants.

There are two ways of doing this, both of which the officers of the Association have in view. One is the advertising of these vacant lands to bring more real honest-to-God farmers into The Thumb. The other is the way on which our county agents have been working for some years past—that is, to make farm life attractive, interesting and lucrative for the rising generation. All the work in calf clubs, potato clubs, etc., that has been done tends in this di-

Surely it is better to keep your good land nearby than to see them go into the city to become factory hands, automobile salesmen, or what not. If your two sons stay on the farm, one taking your farm, the other occupying land hitherto vacant, everybody is better off and better satisfied than if they go to the city and we try to find a city buyer or a farmer from some other state for those vacant lands.

Dairy farming seems to be among our best bets at the present time. But there are many farmers in The Thumb who are getting amazing results with beef cattle, with chicken farms, with sheep, with horses. Ask your county agent about some of these men.

in close touch with your county them in some small ways and has been helped by them in many ways. The Association solicits the support of the farmers and is working earnestly and strenuously to show that it is worthy of such support.

It is natural to ask how the funds raised by the Thumb of Michigan Association are spent. Some public service organizations seem to exist principally to pay salaries to expensive officials. It is not uncommon to sive officials. It is not uncommon to see 50% of the money raised spent in weekly at Cass City, Michigan, for salaries, while there are notorious Oct. 1, 1928. cases of far greater amounts being used to pay the executives of the organization.

The Thumb of Michigan Associa-It was organized and is operated by and for the people of The Thumb. Not one of the officers or directors of the Association has drawn a dollar of salary from the money raised. The only item of overhead (salaries) in the financial statement of the Association in fifteen months is \$450.00, \$30.00 a month for clerk hire. This is almost exactly $7\frac{1}{2}\%$ of the total

tended services at Shilo and Sandusky on Sunday.

Mrs. Stransky entertained her son and daughter from Detroit over the week-end.

A number turned out last Friday Eugene McKee, near Hay Creek. and drew wood for Elder Krake from the McConnell wood.

When the writer was visiting in Ohio last summer, we were much impressed by the white crosses here and there along the highways, marking the places where someone had lost his life. While M-53 is one of the best highways in the Thumb, many accidents are happening, and lives are being lost through apparent speeding or careless driving. Might we not profit by following Ohio's example in erecting the white crosses? Others might be more careful.

Prayer meeting at A. W. Kitchen's this week was well attended.
