DELANCY WRIGHT FOUND DEAD MONDAY

Civil War Veteran Expired Unexpectedly in His Room Here.

Delancy Wright, a Civil War veteran and a bachelor, was found dead in his room at the residence of John about five o'clock Monday afternoon. where he has made his home for 21/2

Mr. Wright was in his usual health as far as known to his acquaintances. When Mr. McLellan failed to see him noon, he went to his rooms, and failing to receive a response to repeated knocks at the door, he climbed up and looked through the transom. He saw Mr. Wright lying on the floor.
Summoning James McMahon, who was working near by, the two forced the door open and found that Mr. Wright was dead. He had on his cap and overcoat and carried a magazine in his pocket. He had apparently purchased a magazine from the newstand and brought it to his room to read and had fallen to the floor shortly after entering.

Mr. Wright was about 84 years of age and came here 10 years ago from Lapeer. His parents lived in New York state. There he enlisted early in the Civil War and after 11/2 years' service, re-enlisted and served to the end of the conflict. The only known relative is a niece in East Lansing and no one here, it appears, knows

Funeral services were conducted at the Elkland cemetery chapel Wednesday afternoon by Rev. Paul J. Allured. Frial will be delayed to give which is so generally followed during authorisis an opportunity to locate relatives of Mr. Wright.

John McNeal of Ubly. Mr. McNeal is and expedite its handling. 94 years of age and came from his home to Cass City when word reached him that a Civil War veteran had passed away here.

CASS CITY LOST GAME

for point decided the game.

for the home squad, on the Sebewaing and satisfaction of all concerned. 40 yard line. Here a pass, Flint to Edgerton, put the ball on the 5 yard line and the coveted line was passed on two bucks and a reverse play, Mc-Cullough going over for the score. Brown's place kick for point was

hurried and wide of the posts. Sebewaing received and started a march that terminated a few minutes CARPENTERS OWN HIGH later in a touchdown tying the score 6-6. On a fake kick, Kundinger, the Sebewaing ace, plunged the necessa-

ry three yards for the winning point. From here on the game was a gray resorting to the air in a vain at-

The game was within three inches had a clear field and the pass was on his finger tips only to get away and fall to the ground.

The feature g me of the week is the Caro-Sebewaing game at Sebe-Thould the county-seaters turn back Sebewaing, it would leave Caro and Cass City tied on top of the heap and necessitate a play off for the title. The locals journey to Bad Axe for the last scheduled game Friday.

CHRISTMAS SEAL SALE OPENS HERE NOV. 29.

The annual sale of Christmas seals in Tuscola county will be officially FARMERS WILL SHOW opened on Thanksgiving Day when approximately 485,000 seals, addressed to residents of the county, will be placed in the mails.

November 29 will also mark the opening of the seal sale throughout Michigan. 84,000,000 seals, according to officials of the Michigan. Tuberculosis Association, will be placed on sale at that time in the eighty-three counties of the state. This figure represents an increase of 8,000,000 over

the number distributed last year. Statistics of the 1927 sale show that \$1059.32 worth of the seals were sold last year in Tuscola county. The per capita sale, based on the popula-

Based on the figures of the 1927 sale, when the 76,000,000 seals which were placed on sale resulted in gross receipts of \$247,443.78, M. T. A. officials estimate that \$275,000.00 will be raised in the sale this year. Chest clinics, children's camps, educational lectures, scientific research, and health campaigns are included in the public health work financed by the

UNFAIR MILK PRICE

The president of the Michigan Milk Producers Association, N. P. Hull, Lansing, told 300 members of the organization at their twelfth annual meeting in East Lansing that it is mpossible for any dairymen's asso ciation to maintain an unfairly high

price for milk within a limited area. Mr. Hull said that, as soon as the price rose above a figure determined by supply and demand, dairymen with the producers nearer the city in

paid. The Michigan dairymen's organization now has 15,000 members and the annual gross business done by the association amounts to \$20,000,000.

Professor E. L. Anthony, dairy department, Michigan State College, told the milk producers that the three problems facing them are: the stimulation of a higher per capita consumption of dairy products; the production of a better grade of milk Items Gleaned from Newspaper and butter; and a lower per unit cost in producing dairy products.

Directors elected at the meeting were: N. P. Hull, Lansing; Fred Beardslee, Oxford; J. C. Near, Flat Rock, and William Hunter, Sandusky.

BURNED TUESDAY

Officials of the Bad Axe Grain Co. and the Farmers' Cooperative Elevator Co. Tuesday were checking up records in an effort to determine the loss by fire which destroyed the grain elevators of the two companies at Kinde early Tuesday.

The two elevators are situated on opposite sides of the Pere Marquette tracks in Kinde. Fire of undetermined origin broke out at 2:30 a.m. in the Bad Axe Grain Co. elevator and quickly spread to the Farmers' eleva-

The loss is expected to reach bruised and shaken up. Mr. Murray \$175,000, as both elevators held coniderable grain.

REMEMBER BACK WHEN---

Can you remember back in 1909 when these boys of the Cass City High School battled on the gridiron for honors with the football teams of the Thumb district? Those were the days when it meant something to journey to Harbor Beach to play a game. The local liveryman "teamed" the boys as far as Bad Axe and there fresh horses were procured to journey the remainder of the trip.

gan Potato Show was a decided success. In spite of the poor year, the November 15, 1928. was represented by seven different hibitors, an increase over last year.

Eight choirs participated in the singing contest. Twenty boys' and State College had a beautiful educational exhibit covering the wall of ses of the potato industry. The State

programs were all well at-The tended. There were many inquiries for certified seed. Th cup offered by the Bay City Times Tribune to the boys' and girls' club having the best exhibit was won by the Watertown "Better Potato Club." Hugh Marr of Fostoria, is president of this club and Lee Fowler, Mayville is the local leader. Hugh Marr's potatoes also won first in the individual exhibit among club members and P. G. Lun-.. din, Ass't Club Leader, is taking his sample of potatoes to the big Farm .. Crops Show in Chicago in December. .. The residents of the Thumb district should be especially proud that a sam-10 ple of certified seed, grown by Morris Mount of Mayville, won first place in the certified seed exhibit which was open to the state.

Her father retiring for the night at twelve o'clock says to the boy friend: "Give me a call when you go, please, I've got to be up early in the morn-

WIDESPREAD ATTENTION

The fourth annual Thumb of Michibest show, a showing of excellent potatoes was made. All of the eight counties, Bay, Sanilac, Huron, Genesee, Saginaw, St. Clair, Lapeer and Tuscola, taking part in the show, were represented. Besides this, in the Open Certified Seed Class, there were entries from Iron and Menominee counties in the upper peninsula, and Otsego, Alpena, Oakland counties in the lower peninsula. There were six full group exhibits of five samples or more in the boys' and girls' club class, and one other county sent in two samples. The Smith-Hughes class schools. There were in all, 135 ex-

Give Her

312

Hours of

HAT can the average busy wife or mother do with 312 hours a year of freedom? More, perhaps, than she has ever had before and split up into 6 hours a week.

Think of the hours she needs—of the time she deserves—when you give her a gift this year.

And give her this amazing new

speed-ironing invention—electrically heated and electrically operated—that saves 6 hours of ironing drudgery every week in the average home.

Remember Folks we will soon be getting out our Christmas Goods

Bigger stock than ever this year.

IN OUR SHOW ROOM AND ON OUR USED

We have some very unusual values in used cars. Just to have you see them and learn our prices and terms would mean much to both of us.

You may have seen some of them but there are a lot of new ones in this week's line up and our STILL LOWER prices are surely going to make you buy. Here is an idea of how we are reducing prices.

We have a nice clean 1927 Essex Coupe for \$395.00. A 1928 Buick Coach for \$875.00.

(A real good one with low mileage) —BESIDES THESE—

1927 and 26 Ford Tudors and Coupes. 1927 and 26 Chevrolet and Ford Trucks.

A 1927 Dodge Coupe for \$325.00.

A 1927 Ford Coupe, wire wheels, repainted,-a dandy.

Buick Sixes

About 10 1928, 27, 26 and 25 Buick Sixes. Master and Standards.

-ALSO-

Some cheaper Ford Coupes, Buick Coupes, etc.

The day following our last used car ad, we sold eleven cars. At these lower prices we should sell many more. Come early and get your selection made while the assortment is complete. — TERMS — TERMS

Old Folks Say Doctor Caldwell was Right

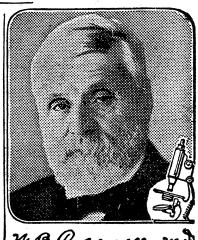

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pensin.

well's Syrup Pepsin.

Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stom-ach and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, which is a combination of senna and other mild laxative

herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of all. 'And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, by take chances with strong drugs? A bottle of Dr. Caldwell's Syrup Pepsin will last a family several months, and all can use it. It is good for the baby because pleasant to the tasts, gentle in action, and free from narcotics. In the proper dose, given in the directions, it is equally effective at all ages. Elderly people will find it especially ideal.

Y. B. Caldwill mo

All drug stores have the generous We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

Cass City Schools

Kindergarten—The kindergarten and first grade are putting on the first of a series of Grade Assemblies. Our program will carry out the idea of a celebration of Armistice Day. In connection with this, we shall endeavor to have some clever impersonations of the various presidents of the past, first of which will be George

and Martha Washington. This month we are learning a little to learn well enough to say for grace The Buzzsaw. They are to be espec-

at their Thanksgiving dinner. We have been learning the different parts of a large sail boat, such as the Mayflower. We know which part is the cabin, the deck, the mast, where the sails are, and how the sails are fastened to the mast.

First Grade-Last week. Mr. Fort was relieved of some orange crates. Anyone wishing to find whereabouts of same, come to the first grade and examine our new home made bookcase. Mr. Campbell, aiming to carry out a color scheme, sent green paint. We wonder why? Not to be outdone by the high school, the grades, 1 to 7 are planning assembly programs. Our one aim "A fuller development of every child." We hope to make use of all talents lying dormant now be-

cause of the need of encouragement. Third Grade—In art, we have been drawing some very good heads. Our Jack, of Jack & Jill, looked quite real. We have finally gotten started on multiplication. We know the threes and can multiply any number by it, and have a fair start on the fours. We are making some turkeys drawing their baskets to market for a border on our boards.

Ruth Jones, Mary White, Mr. and Mrs. George Jackson and Violet and Fourth Grade—Gladys Davidson has left school on account of sickness. Selina Jackson. She expects to go to Ann Arbor to receive medical treatment. Mrs. Harry Tallmadge was a pleasant caller in our room on Tuesday. Teddy Schwadrer won in the spell down on Friday.

Sixth Grade—We enjoyed a radio program Friday morning. Mr. Damrosch told about the violin and viola. plan to make safety first posters next John Widden is now a member of our week.

Agriculture—Clarence Merchant's ine 1926 state champion Holstein is the proud owner of a heifer calf born Oct. 34. She will show as a senior calf next fall. Clarence says he is all set for another champion and the rest of the club boys had better get busy. His grand champion production calf also freshens this month.

Jim Milligan is busy these days getting his state champion beef steer ready for the Cleveland Junior Livestock Show, to be held the last of November. We are proud of Jim and his achievements and hope he gets to the top this time. His calves are consuming about 22 lbs. of grain each

Our bulletin board looks like an animal fair with pictures of all our champions since 1923 on it. Mr. Campbell was on the Smith Hughes program for Vocational teachers at Saginaw last week. His topic was Live Stock Projects."

Junior-Fifty members of the unior class are the proud possessors f new class rings.

Ford owners

TO THE half-million men and women who have receivedmew Fords in the last eleven months, there is no need to dwell on the performance of the car.

You have tested its speed on the open road. In traffic you have noted its quick acceleration and the safety of its brakes. You know how it climbs the hills. On long trips and over rough stretches you have come to appreciate its easy-riding comfort. Continuous driving has proved its economy. of operation and low cost of up-keep.

This is an invitation to you to take full advantage of the service facilities of the Ford dealer organization so that you may continue to enjoy many thousands of miles of carefree, economical motoring. The point is this. You

have a great car in the new

Ford. It is simple in design.

constructed of the best maunusual accuracy. It is so minimum of trouble and well-made, in fact, that it requires sur-

attention. Yet that doesn't mean it should be neglected. Like every other fine piece of machinery, it will serve you better and longer if given proper care.

One of the best ways to do this is to take your car to the Ford dealer every 500 miles for oiling and greasing and a checking-up of the little things that have such a great bearing on long life and continuously good performance.

Such an inspection may mean a great deal to your car. To you it means thousands upon thousands of miles of motoring without a care—without ever lifting the hood.

Ford dealers everywhere have been specially trained and equipped to service the new Ford. You will find them prompt and reliable in their work, fair in their charges, and sincerely eager to help you get the greatest possible use from your car terials and machined with for the longest period at a

expense. That is the
