RECORD DISTRICT TOURNEY AT CASS CITY LAST WEEK

Cass City Wins Honors in Class C and Kinde in Class D.

ALL ATTENDANCE RECORDS BROKEN FOR ANNUAL EVENT

The largest crowds ever to attend a district tournament were very much in evidence at Cass City last week. All attendance records were broken for the annual event when 3,199 people paid a total of $1,249.75 to enter the gate. This does not include over 200 free pasteboards issued to visiting teams and coaches. Four hundred seventy-three dollars and seventy cents was the cut in the total that was deducted to pay the expenses of visiting teams. No team entered in the meet paid any part of its own expense as the gate was large enough to pay 100 per cent.

Twelve hundred twenty-five people attended Friday night games and witnessed the championship contests in Classes C and D which were pronounced the most thrilling in years. Cass City again won the Class C honors, this being the third time the local school has claimed the title in the past three years. Cass City defeated Bad Axe by the unusual score of 6-4 in an overtime game. Kinde won Class D honors, defeating Pigeon 16 to 12. Pigeon had held the title for four straight years.

Close guarding featured the Bad Axe-Cass City match. Each team scored only one field goal but Cass City made good on four free throws while Bad Axe made two.

The Huron county seat team took the lead in the first quarter when McAlpine made a long tom. It held the lead until the last few seconds of the game when Gowen made good a free throw that tied the score at four all.

Neither team scored in the first overtime period. Gowen added the two points that won the game for Cass City with a field basket in the last minute of play in the second overtime period.

In the Class D game, Kinde won its game by taking an early lead. Luecke starred for Kinde, making five long field goals. Pigeon made nine points in the last quarter while holding Kinde scoreless, but the lead of the latter could not be overcome.

The sportsmanship of the crowds and of the competing schools was splendid. The referees who have both worked in tourneys in other parts of the state, were loud in their praise of the fine spirit manifest. It is hard to keep the smile "on" when your team is losing, but the finest brand of fair play was exhibited throughout the three days.

ELECTED 12TH TIME AS GAGETOWN'S CLERK

One candidate running on slips for the office of village trustee at Gagetown added a little spice to the election in that village on Monday. This did not change the result of the selection made at the caucus, as all candidates nominated at the primary were elected as follows:

President, George Munro.
Clerk, M. P. Freeman.
Treasurer, Harry McGinn.
Assessor, Arthur J. Burdon.
Trustees, W. C. Downing, Alphonso Rocheleau and Joe McDermid.

Mr. Rocheleau is the only new official, all of the others being chosen to succeed themselves. Mr. Freeman is the oldest member on the council when years of service are considered. His election Monday is the twelfth time he has been elected clerk of the village, which may be taken as evidence that the people in that village are well satisfied with his service as an official.

VILLAGE ELECTION TAME AFFAIR MONDAY

Only Sixteen Voters Took the Time To Cast Ballots at Annual Election.

Village election was almost as tame as the village caucus in Cass City. At the election, only 16 electors took the trouble to visit the polling place, located less than a half block from the corner of Main and Seeger streets. Even canvassing the returns offered no excitement to the election officials for every voter except one voted his ticket straight.

The following candidates were elected:

President, Geo. W. West.
Clerk, Cameron M. Wallace.
Treasurer, John West.
Assessor, Harry L. Hunt.
Trustees for two years, John A. Sandham, Arthur C. Atwell and Roy M. Taylor.

All of these gentlemen were elected to succeed themselves in the offices named.

14 TOWNSHIPS TO BENEFIT BY TURNER BILL

Fourteen townships in Tuscola county will share in the two million dollars appropriated by the state to the so-called "poor school districts" of Michigan, according to a report received by County Clerk Ormes Wednesday. The amount appropriated under the terms of the Turner bill are given in the following table:

Akron	$ 1890.40
Arbela	98.43
Columbia	768.62
Dayton	416.07
Elkland	1396.55
Fremont	1198.47
Indianfields	3056.85
Juniata	293.00
Koylton	279.39
Millington	1049.59
Novesta	118.85
Vassar	5740.09
Watertown	613.45
Wells	270.32
	$17,190.08

Districts having a school tax of more than $10.00 a thousand valuation are included in the above appropriations.

Immediately upon the receipt of this money by County Treasurer Orlo McDurmon from the state treasurer, he has been instructed to send to each township treasurer the amount designated in the report. No information has been received as to the date when the money will be forwarded by the state.

LOCAL TEACHERS WERE ALL OFFERED CONTRACTS MONDAY

L. D. Randall Will Remain as Superintendent for Next Two Years.

19 INSTRUCTORS GIVEN TO APRIL 7 TO SIGN UP

At a session of the board of education Monday evening, contracts were offered to all the members of the faculty of the Cass City Public Schools. Teachers were given until April 7 to accept and return signed contracts to the board of education. In some instances, an increase in salary was offered.

L. D. Randall, who has served as superintendent here since the resignation of H. W. Holmes last October, has been offered a two-year contract by the board of education, with an increase in salary each year. Mr. Randall has signified his intention of accepting the contract.

Other members of the school's corps of instructors are: J. Ivan Niergarth, principal, science; James Lewis, junior high and coaching; Alice

L. D. Randall.

Lammers, French and history; Ernestine Manigold, English; Ruth Erskine, mathematics; Esther Tarnoski, home economics; Virgil Logan, English and public speaking; Gertrude Hale, English and debating; Grace Beach, commercial; Willis Campbell, agriculture; Elynore Bigelow, music and art; Trena Wood, sixth grade; Goldie Wilson, fifth grade; Mary Holcomb, fourth grade; Margaret Wallace, third grade; Dorothy Lewis, second grade; Lulu Barton, first grade; Zora Day, Kindergarten.

WEED MEETINGS LAST WEEK WELL ATTENDED

Weed meetings held last week at Fairgrove, Unionville, Gagetown, Caro, Vassar, and Mayville were well attended. About 441 people heard Paul Miller of the Farm Crops Dept., Mich. State College, tell about weeds and their control. One thing brought out at these meetings was the fact that while farmers might recognize the weed plant, very few would recognize the seed. Of 130 farmers in the southwestern part of the state, only one-third could recognize the seed of burdock. The small weed seeds, of buckthorn, catch fly, mustard, dodde, sow thistle and bind weed, are generally a puzzle to the farmer. It pays to study the seeds, and buy seed that is free from weeds.

There will be more weed meetings during the summer at which time field trips will be taken, weeds identified, and methods of control studied. Especial attention will be given the chemical control of weeds. County Agricultural Agent, D. B. Jewell, is looking after the details of the weed program.

Well, boys, it's about time for the little girls who are earning a scholarship to come around and try to get your subscription to the magazines.

RECORDS SHOW GAIN IN STATE 4-H CLUBS

Only Two Counties Fail To Organize Clubs To Train Rural Children.

Eighty-one of the 83 Michigan counties last year had one or more of the 2,406 4-H clubs in which 24,174 boys and girls received training in habits of success, according to the records of the state leader of boys and girls clubs.

The 1929 enrollment figures showed a gain in club membership as compared with previous years. The 1928 figures were 1909 clubs with a membership of 19,022.

Michigan boys and girls may choose from 16 subjects when they organize a club. The list includes crops, livestock, canning, home management, handicraft, poultry, forestry and many others.

Forestry clubs are growing the most rapidly and this is one of the latest lines of work offered to the youngsters. Fourteen of these clubs with a membership of 213 were organized in the state last year. This year, many more counties are asking for this project and the leaders expect to have 40 forestry clubs.

Each of the forestry club members agrees to plant 1,000 seedling trees. The most popular species for Michigan are white pine and spruce interplanted so the spruce can be harvested for Christmas trees in a few years. Upper Peninsula members will plant their seedlings in community forests instead of individual lots on their home farms.

LARGE TURNOUT AT GRANT CAUCUS

Grant township voters turned out in large numbers at the township caucus held Tuesday afternoon when the following ticket was placed in nomination:

Supervisor, Arthur Ellicott.
Clerk, Dugald Brown.
Treasurer, Ray Webster.
Highway commissioner, John McCallum.
Justice, Joseph Mellendorf.
Member of board of review, Fred Carson.
Constables, Howard Helwig, Thos. Caufield, Harmon Endersbee and Geo. Wallace.

Contests were evident for four of the offices. For supervisor, Arthur Ellicott received 114 and Jas. Proudfoot 18. For clerk, Dugald Brown received 115 and Ottomar Sting 28. Four candidates were in the race for the nomination of treasurer. Ray Webster received 78 votes, Wm. Day 15, C. E. Hartsell 33 and Manley Endersbee 36. For highway commissioner, John McCallum was given 82 votes, Wm. Ashmore 31, and Jay Andrews 5.

S. H. Heron served as chairman of the caucus, Herb Maharg was secretary and Joseph Mellendorf and Jay Andrews were tellers.

POLITICAL ANNOUNCEMENT.

Senator Philip O'Connell announces that he is a candidate for Senator of the 20th district in the coming primary. I feel that with experience I am certainly given a better opportunity for greater service to carry out the present program of my distict. If the voters should desire me to continue I will be happy to do so.

PHILIP O'CONNELL,
Senator 20th District,
McGregor, Mich.

COMING AUCTIONS.

Mrs. D. R. Graham has decided to quit farming and will sell livestock and implements at auction 1 mile south and ½ mile west of Cass City on Tuesday, Mar. 18. R. N. McCullough is the auctioneer.

M. P. Freeman, administrator of the Devillo Burton Estate, will offer horses, cows, implements and grain at auction at an all-day sale 1 mile northeast and ¼ mile east of Gagetown. The sale will be held Wednesday, Mar. 19, with free lunch at noon Worthy Tait is the auctioneer.

Full details covering both these sales are printed on page 7.

Andrew Hamilton, administrator, announces on page 4, an auction sale on the Alexander Hamilton farm, 2 miles west and ½ mile south of Shabbona, on Monday, March 17.

FARMERS FAVOR INCOME TAX AND PROHIBITION

Federation of Farmers' Clubs Held 22nd Meeting on March 6.

On Thursday, March 6, the twenty-second meeting of the Tuscola County Federation of Farmers' Clubs was held at the Baptist church in Caro, ladies of that church serving the dinner.

It proved to be one of the largest meetings ever held. The clubs had as their guests members of all other farm organizations, the board of supervisors, and the Caro Board of Commerce.

Two new clubs of the county joined the federation, the North Vassar and South Koylton, making eleven clubs in all.

The officers elected for the coming year are: President, Henry Harris of Kingston Club: vice-pres., Robert Warner of Jolly Farmers Club; secretary and treasurer, Mrs. R. L. Robinson of the Hickory Farmers' Club.

Rev. Norman D. Braby led in community singing. Everyone enjoyed the songs and felt pepped up for the remaining program.

Rev. Ambrose of the Baptist church gave an address of welcome. Rev. I. N. Wilson of the Liberty Club responded. Miss Dorothy Perry of the Ellington-Almer Club rendered a fine piano solo.

Mr. Jewell introduced Mr. Wermoth, editor of the Michigan Business Farmer, as the speaker of the day. He chose for his topic "Looking into the Future." He made the statement that one of the greatest factors of farming is human equation—the making ourselves equal to the task.

MUCH INTEREST IN NUTRITION GROUP

The Novesta Nutrition Group met at the home of Mrs. Walter Kelley on Tuesday, March 4, for an all-day meeting.

A short business session was held in the forenoon. Each group was given a first and second choice of project work for the coming year. This is then decided by the majority of votes throughout the county. The course may be: Clothing, Home Furnishings, Home Management, Nutrition. The last is third year work and is a study of "Preventive and Corrective Diets."

Much interest is being shown in this work. A delegation of seven Deford women were present who expressed a desire to organize a similar group there next year. One new member was also added to the Novesta group.

This lesson was given over to the study of calories—computing the amount in a day's menu, the amount needed by each individual and learning the fuel foods.

A report was given by Mrs. Mack Little on the use of the milk chart in the Brown school. Mrs. Henry Goodall, Mrs. Rinerd Knoblet and Mrs. Maynard DeLong served a balanced luncheon.

The groups meet April 2 with Mrs. Rinerd Knoblet for the last meeting. Anyone interested in the work for the coming year will be cordially welcomed at this time. Each member is requested to bring a guest.

COLT MEETING.

Tuscola county has several colts entered in the colt development contest sponsored by the Michigan State College. On Thursday, March 20, at 1:30 p. m., there will be a meeting held at the R. L. Robinson farm, 5 miles north and 1½ miles west of Caro, or 3½ miles east of Akron. At this meeting, H. F. Moxley, specialist from Michigan State College, will give a demonstration of fitting a colt for show, trimming the feet, and feed and care.

BASKETBALL PLAYERS HONORED AT BANQUET

Local Teams Were Guests of Community Club Wednesday Night.

Twenty-one boys, members of the basketball teams of the Cass City High School, were guests of the Cass City Community Club, at the March banquet of that society, at the Evangelical church Wednesday evening.

The players were welcomed by Frederick Pinney, who expressed the appreciation of the community for the splendid achievement of the team as district champions in Class C. Mr. Pinney, in behalf of the Community Club, presented James Lewis with a duofold pen and pencil set as a token of appreciation of his efficient services as coach of the team.

Mr. Lewis, in his response, said the athletic spirit in Cass City was the finest in the state. Mr. Lewis announced the presentation of basketball letters to nine players as follows: Robert Edgerton, Keith Gowen, Alex Ross, Lewis Pinney, Bill Ruhl, Clement Kelly, Harry Crandell, John Morris, and Donald Schenck. "Billie" Ruhl was elected captain of next year's team by the players.

Eighty were served at the banquet Wednesday. Rev. Chas. Lyman gave the invocation and immediately after the fine menu had been served, Rev. P. J. Allured led the company in a "community sing." W. L. Mann, president of the club, said that the present membership, according to the report of the membership committee, was between 80 and 90.

Rev. Wm. Curtis introduced Dr. Wm. G. Spencer, president of Hillsdale College, as the speaker of the evening. Dr. Spencer, in his address on the subject, "A Game of Dominos," likened life to a game. The highest double always leads in starting the game, the player must match the pieces that are played or lose, and he must give away his pieces in order to win. Mr. Spencer closed his splendid address with a fitting tribute to three American statesmen, Washington, Lincoln and Taft.

To the Voters of Tuscola County:

I take this opportunity to announce my candidacy for the nomination for the office of Prosecuting Attorney at the Republican Primaries to be held next September.

I was born in Caro, graduated from its High School, and when I finished my studies of the law, and was admitted to the Bar, came back to my home town to practice my profession.

The voters of this county in the past have seen fit to intrust this office to younger men in the profession and I do not believe that they have regretted this choice.

If you favor me with this office I can promise you an honest and conscientious application to the duties of the office and a deep appreciation of your consideration.

Very respectfully,
MAURICE C. RANSFORD.

ELKLAND IS LOWEST TWP. IN COUNTY IN TAXES RETURNED

Other Townships in Tuscola All Show Higher Percentage of Unpaid Taxes.

DELINQUENTS RETURN FROM 2% TO 40%

Twenty-one of the 23 township treasurers in Tuscola county had settled with County Treasurer Orlo McDurmon before Thursday, Mar. 13. The reports showed that delinquent tax returns for 1929 ranged all the way from 2% to 40%.

Elkland township, following the example set for several years, is again the lowest, not only in the amount returned in dollars and cents, but is also the lowest in the percentage of taxes returned by any one township. The total tax in Elkland in 1929 was $72,152.84 and the amount returned by Geo. E. Burg, township treasurer, was $1,426.50, which is less than 2% unpaid. Denmark comes next with less than 5% unpaid, followed by Columbia and Tuscola whose percentages are slightly higher. Wells has returned the highest percentage of taxes uncollected. Over 40% of the taxes assessed in that township have not been collected.

The following table tells the story as it appears for the 21 townships reported to date:

Township	Total of 1929 Roll	Total of Returns
Akron	$70,099.80	$7,538.38
Almer	32,896.26	4,102.32
Arbela	26,973.48	5,372.51
Columbia	52,314.13	2,937.16
Denmark	57,907.06	2,814.56
Elkland	72,100.51	1,426.50
Ellington	18,470.29	4,284.70
Elmwood	39,064.26	6,448.09
Fairgrove	67,536.73	5,720.83
Fremont	31,200.46	6,063.98
Gilford	51,957.02	5,694.52
Juniata	29,144.01	5,263.57
Kingston	25,454.62	4,270.56
Koylton	24,241.08	4,879.49
Millington	41,073.28	6,309.26
Novesta	24,823.61	3,370.39
Tuscola	43,234.44	2,779.44
Vassar	54,489.57	5,833.10
Watertown	34,618.29	4,492.60
Wells	17,665.98	7,171.30
Wisner	19,507.42	3,581.60

The above totals of the 1929 rolls in the several townships are not entirely exact, but are close enough for comparison. The figures are taken from the supervisors' proceedings as fixed by the board of supervisors last fall. The excess of roll in the tax roll will make them a trifle higher. For example, Elkland's tax figures in the above table are $72,100.51. The actual amount assessed was $72,152.84. The difference of $52.33 is in the item, "excess of roll." In other townships about the same proportionate difference will prevail.

Indianfields and Dayton treasurers will be the last to make returns to the county treasurer. The uncollected tax in Indianfields, it is estimated, will be $2,000 higher this year than last and that of Dayton about $1,000 higher than the 1928 figure.

CO. ORATORICAL CONTEST HERE FRIDAY, MARCH 21

Bury Me in Pink
Gandhi's Appeal
The King's Maxim
If War Did Come

Woman's interest in dress, strong and deep, goes back a million years. She started with a necklace, according to scientists. First an ornament around the neck, then one around the waist, then a skirt and all sorts of things.

A woman in California who murdered a man and killed herself asked to be buried in white satin with yellow roses in her hand.

A well-known actress in New York jumps from a twentieth-story window and makes two requests: first, that she be buried in pink satin; second, that her husband keep away from the funeral.

Beautiful in sincerity and humility is Gandhi's appeal to the British government. "On bended knees, I ask you to ponder this phenomenon"—namely, the "impoverishing of India's dumb millions" by Britain.

Gandhi says, "I do not intend to harm a single Englishman." He will only resist passively.

Very touching, but not the attitude that gains independence, not the attitude of a people ready for independence.

Britain set a different example before the Hindus after the Sepoy rebellion.

The British put murderous rebels inside of cannon and blew them to pieces, knowing that religious superstition would make the punishment most horrible.

No rebellion of consequence since then.

One industry marches on to higher and higher figures. In the cigarette business, prosperity reigns. Everybody always has money to buy cigarettes.

When employment is lacking there is leisure to smoke more cigarettes, and all feel that they must have them, job or no job.

Last year's production was one hundred and nineteen billion cigarettes, almost a thousand cigarettes per year for every man, woman and child in the United States.

One thing most important to all business men in connection with the gigantic cigarette industry: Cigarette men are the most aggressive, energetic and continuous advertisers in the nation.

The Standard Oil Company of New Jersey sets an example to other oil concerns, voluntarily reducing its refinery operations by one-seventh.

Refining is a continuous process, and must continue seven days a week, but only six days' actual work will be done, to prevent overproduction.

And most important part of the good example, men will not be discharged or have their wages cut.

An English clergyman reveals King George's six maxims, all hung up on the walls of his library.

The first is: "Teach me to be obedient to the rules of the game."

Excellent for a constitutional monarch, obeying the will of his people.

Rulers of a different kind, Alexander, Caesar, Napoleon, had a different maxim: "See that you obey the rules of the game as I make them."

We do not understand management of prisons, or our criminals are different from other criminals.

Weeks ago, Warden Hoffman of Auburn prison, New York, told a reporter: "We are sitting on a powder keg."

Recently, a convict stabbed the head keeper of the prison to death. He knew that the electric chair, nearby, would inevitably avenge that murder. Nevertheless, he committed it.

General Ely, commanding the second crops area, has a plan to defend New York city in war.

He would "mobilize the civilian services."

If modern war came the civilian services would mobilize themselves. And with them the six million population of New York, as many as survived the first gas and bomb attack, would mobilize themselves by scattering through the country, abandoning the city as rats leave a ship when it is sinking.

In case of an attack by airplane, which would be the first sort of attack in a new war, it would not be necessary for General Ely to worry about his suggestion for "guarding the water supply."

After the first half hour, there wouldn't be anybody left in New York to drink water. The dead couldn't drink it and all the living would have left the city.

An encouraging statement comes from Mr. Edsel B. Ford, now in Florida. He is one who talks rarely, and hinks first. President of the Ford ompany, knowing the sales from day o day, possessing sound information bout business conditions, he predicts steady improvement in business, par ticularly in industrial lines.

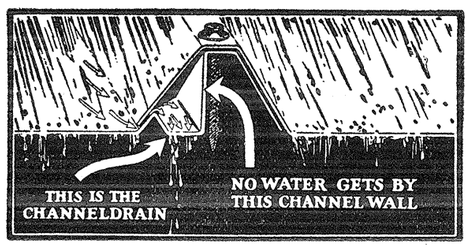
Investigate First

Before sending for a carpenter when a door sticks, see if the screws of the hinges are tight. Frequently that is all that is the matter and a screwdriver will quickly remedy the trouble. Should the door refuse to hold up with just this tightening, try replacing the screws with the next size larger.

Small Humming Bird

A tiny hummig bird not much larger than a common house fly is often seen in many East Indian countries.

Channeldrain
OF COP-R-LOY



Fire Proof— Lightning Proof— Trouble Proof—

Channeldrain Roofing is a step forward in metal roofing design because it is most successful in preventing capillary attraction—tendency of water seeping over the lap joints and getting beneath the roof.

Channeldrain has a vertical barrier to rain water which goes under the lap. This is the famous channel wall and is seen in the illustration. The channel formed by the patented design of Channeldrain Roofing is for the purpose of carrying off water that seeps or is blown under the lap. When properly applied Channeldrain drains off all the water that falls on the roof, and this roofing is so simple in design that no special experience is required to apply it.

No roofing sticks are required under the ridges, the vertical member which is the channel wall furnishing adequate support for nailing.

Not only in design but in material itself Channeldrain is a distinctive roofing. It is made of COP-R-LOY, the Copper Alloyed Steel, is coated with pure zinc by the hot galvanizing process. You can apply Channeldrain yourself and enjoy the superior benefits from this modern patented roofing through long years to come. It will save money for you. It is sold by responsible dealers.

Scholastic Honor System

The honor system as applied to schools is a phase of student government whereby the students pledge themselves to handle their own affairs and be responsible for good deportment without the constant attendance of a professor. This is particularly true at examination time, when the students promise not to cheat, even though a professor is not in the room

Konjola Put Saginaw Man Back to Work

Victim of Several Ills He Thought He Never Would See Another Well Day.

Konjola, master medicine for the stomach, liver, kidneys and bowels, and for rheumatism, neuritis and nervousness, is not designed to give more temporary relief. Its goal is new and glorious health. Read the

Mr. John Guthrie.

words of Mr. John Guthrie, 133 South Oakley street, Saginaw:

"Konjola put me back to work. I had stomach trouble so bad that many a time on my way to work I had to sit down until the attack of pain passed. My kidneys gave me trouble, too, and I was bothered with nightrisings. Then neuritis developed in my shoulder and left arm. Finally I had to give up work altogether.

"I read an endorsement of Konjola by a man I knew, and I talked with him about this new medicine. He urged me to try it. He said Konjola was what I needed. Well, it certainly was just that, for after the third bottle I was able to go back to work. I took in all eight bottles, and am feeling fine in every way, and a different man in disposition and health."

Konjola is sold in Cass City at Burke's drug store, and by all the best druggists in all towns throughout this entire section.—Advertisement.

"Chain Stores a Benefit"---

says Professor H. E. Bice

H. E. Bice, Professor of Marketing, Syracuse University, like other students of science, views the facts in an unbiased and impartial manner. He says: "Chain Store growth is a logical part of the development of large scale enterprise in the United States. ... The chain store is doing much toward the desired objective."

OUT OF 45 PROFESSORS WHO WERE ASKED FOR THEIR OPINION OF THE CHAIN STORE METHOD, 43 REPLIED. EVERYONE OF THE 43 SAID THAT HE CONSIDERED THE CHAIN STORE A BENEFIT TO THE PUBLIC.

The March social evening of the M. E. B. class of the M. E. church was held Monday evening at the home of Dr. and Mrs. I. A. Fritz when the class were the guests of Miss Lulu Barton. The evening was very happily spent playing progressive games and stunts. A "dutch lunch" was served by the committee, and was thoroughly enjoyed by everyone.

County Agricultural Agent, D. B. Jewell was in Lansing Monday, Mar. 10, attending a meeting of representatives from the Michigan Potato Shippers Ass'n., the Michigan Potato Growers' Exchange, the State Department of Agriculture and members of the Potato Extension staff from Michigan State College. The conference was called by Dean Cox of Michigan State College.

The Chronicle erred last week in announcing that Ernest Goodall was selected to represent the Jolly Farmers' Club as a judge in the ladies' beauty contest at the meeting of the county federation of farmers' clubs at Caro. It appears that men were chosen from clubs all over the county to appear dressed as ladies in this contest. Mr. Goodall was selected as a contestant, not as a judge.

A most delightful time was spent Friday evening at the home of Mr. and Mrs. M. D. Hartt where about thirty of their friends surprised them by walking in and announcing they had come to help Mrs. Hartt celebrate her birthday. The evening was most enjoyably spent in various games and at 12:30 a delicious lunch brought by the guests was served to which each one did ample justice. Mrs. Hartt was presented with a beautiful linen table cloth and linen towel. In the wee small hours the guests departed declaring the evening had been only too short.

The World Day of Prayer was observed in Cass City Friday, March 7, in a union meeting of the missionary societies in the Evangelical church. Lloyd Donnelly of Pontiac and William Donnelly of Durand visited their parents, Mr. and Mrs. Chas. Donnelly, Wednesday and Thursday. Junior Donnelly, who has been making his home with his grandparents, accompanied his father to Pontiac Thursday and will attend school there.

Mr. and Mrs. W. D. Striffler and sons, Dan and Delmar, visited at the home of their daughter and sister, Mrs. Robert Orr at Pigeon, Sunday.

Increased use of newspaper space is reported throughout the country as one of the most powerful factors for overcoming sales slumps caused by seasonal or other untoward conditions. There is a marked tendency on the part of the more successful stores to increase this form of advertising at a time when the more timid merchants are curtailing their copy. A study of the plans built around the use of newspaper advertising to increase sales during off-seasons shows a decided trend toward the use of price appeal.

FARMERS FAVOR INCOME TAX AND PROHIBITION

Concluded from first page.

Success depends upon yourself and your wife. The other half in the human equation is the unteachable half, the unco-operative half, or the half that cannot be approached. This half can be controlled by a strong will power or by depressions. One man can take a farm with an almost unbelievable outlook for success and make a big thing of it. The public can put big ideas across, still we have some who hang as millstones around our necks. The man who progresses goes in and breaks down the frontier, the one who goes in open minded—the teachable fellow. With some, there seems to be a spirit of adventure. The man who tries a new thing is not necessarily a reckless man.

Paul R. Miller of Farm Crops Extension of Michigan State College gave a fine talk on "Weeds and Their Eradication." Weeds are really our most persistent crop. There is no plant as hardy as weeds. Weeds do not winter kill. They seemingly build a wall and the methods some folks use to try to destroy them simply chip this wall. The farmer must be persistent and use the better methods for weed eradication.

Mrs. James Weaden of the Wells-Dayton gave two fine readings.

Robert and Harley Kelly of the South Novesta Club rendered two delightful duets, "My Blue Mountain Ridge House" and "Hear Dem Bells." They played a guitar and harmonica. Their voices blended in perfect harmony.

A most amusing feature of the day was a beauty contest. Each club had picked a beauty from among their members to compete for a prize. They appeared in styles suitable to the flapper, an Irish woman and even a wash woman. The Dutch woman received the prize (a safety razor). The winning beauty was James Weaden of the Wells-Dayton Club.

The following resolutions were adopted at this meeting:

"Whereas: The tax on real estate has reached the point where it is confiscatory and out of all proportion to the tax on other property.

"Therefore: Be it resolved, we, the members of the Tuscola County Federation of Farmers' Clubs in union meeting assembled in Caro on the 6th day of March, 1930, wish to go on record as favoring a state income tax to take the place of the state tax now assessed against real estate and further relieve the enormous burden of school tax now assessed on real estate."

"Whereas: There is an enormous of money now raised from weight and gas tax.

"Therefore: Be if resolved, we, the members of the Federated Farmers' Clubs of Tuscola County are opposed to any tax being assessed on real estate for the maintenance or upkeep of any township, county, or state road.

"Whereas: There is much propaganda broadcasted against the 18th amendment.

"Therefore: Be it resolved, we the members of the Federated Farmers' Clubs of Tuscola County wish to go on record as favoring the 18th amendment and law enforcement.

"Resolved that we, the Tuscola County Federation of Farmers' Clubs assembled in Caro on the 6th day of March, 1930, do favor the improvement and hard surfacing of the main road from Lapeer County to Caro."

ARRESTED AT PECK.

Glen Marsh of Deford was arrested at Peck by officers on the charge of enticing a 14-year-old girl from home. Marsh and the girl were found in a home of a relative of the man where Marsh said they went to spend Sunday as visitors. Officers stated Wednesday that a more serious charge may be brought against Marsh.

Here's the Best Way to Put in Fence Posts

DRIVE Red Top Steel Fence Posts at the rate of 200 to 300 a day with the Red Top One Man Post Driver and without a helper. A quick, easy job and the least expensive way to get a fence post into the ground.

The Red Top enables you to do in a day the same amount of fencing that used to take a week. At this rapid rate it will not take you long to put your present fences in good shape and put up the new ones you've been wanting.

Every Red Top you drive is just another step in the direction of trouble-proof permanent fences. Red Tops are made extra strong to withstand the hardest shocks and strains. They drive straight and are held firmly in the ground. Fencing is easily attached by one man with the Handy Fasteners that come free with Red Top Studded Posts. Once attached the fence wire cannot work loose. Constant restapling, re-stretching, and repair become unnecessary. The Red Top is a good looking post. The Aluminum metallic finish adds to both the attractiveness and life of your fences.

We like to sell Red Tops because the first order always means a satisfied customer and repeat business. Our sales on these posts grow bigger every year which is proof of the superiority of Red Top. Prices are mighty reasonable now. We recommend early buying.

Spring usually pays us a few visits before she comes to stay.

If the ashes are beginning to pile up on you, just order a load of Cavalier coal. It'll solve your problem and give you the nicest, evenest, pleasantest heat you ever saw.

One man can support several children but it's a devil of a job for the children to support the old man.

Cavalier coal has done much to eliminate furnace profanity. Cavalier coal, you know, doesn't clinker. It doesn't choke the grates and it gives off perfect heat. Try it.

Start them right, folks, and you won't have to worry with unhealthy chicks. And you'll be starting them right if you feed Wayne All-Mash Chick **Starter.**

We've been associated more or less with business men for several years, and we've never yet seen the time something wasn't wrong with business.

We admit that money isn't everything. But we find it very useful in paying our bills.

12 Reasons Why You'll Like Wayne "All Mash" Feed

Saves time
Saves work
Saves worry
Is Economical
More sanitary
Less mortality
Avoids guess-work
Insures rapid growth
No feed is wasted in litter.
Supplies all necessary nutrients
Keeps chicks growing uniformly
Every mouthful a balanced ration

Over half the problem of brooding chicks is keeping the brooder heated right. You're not taking any chances if you use Jamesway brooder stoves.

Boss — "What kept you from your work yesterday, acute indigestion again?"
Typist—"No. A cute engineer this time."

Milk prices are low—too low, but you can still save money by selling your milk and raising those calves on Purina Calf Chow or Wayne Calf Meal. You can raise good calves too.

A Cass City man wondered all day yesterday why his car didn't have any power. Then he discovered his emergency was on.

For Sale—100 Buff Leghorn Pullets. A fine bunch and laying their heads off.

March 20th—the first day of Spring; Now you can go ahead and plant your radishes.

Harry Young: "The price of eggs is 42c a dozen. Cracked eggs are 15c a dozen."
Customer: "All right, crack me a dozen."

Peter Frederick and Henry Klinkman bought new Jamesway brooder stoves this week.

St. Patrick's Day next Monday, the 17th. If you're Irish, show your colors. If you're not, be careful what ye be sayin'!

We have the Jamesway feeders and water fountains. Come in and look them over.

We will have another car of Wayne feeds next week. Don't forget that the price of all these feeds are down. A good time to lay in a supply.

Wayne 16½% Dairy feed is a real feed and sells just a little higher than corn and oat chop. You'll like this feed.

Orders for baby chicks are coming in fine. Let us have your order early and be sure of getting the chicks the date you want them.

BUSINESS AT NORMAL IN SIXTY DAYS

American business and industry is now recovering from the shock administered it by the stock market collapse last fall, President Hoover believes, and within 60 days should be free from the distressing aftermath of unemployment which it brought.

He announced the conclusion Friday after a study of commerce and labor department reports bearing on the situation and a review of the results being attained by co-operation of the heads of national enterprises whom he convened in Washington last December to consider possibilities of business stimulus.

Summarizing his conclusions for newspaper correspondents the president said that unemployment "amounting to distress" had been confined to 12 states and was not more than seasonal in the other 36 states. Low points of business and employment had been passed in December and in early January, he added, and had been followed by slow betterment.

With maintenances of wage rates, with lower interest rates and with enlarged capital betterment expenditures by railroads, utilities and business generally, he said he looked for the advance of spring to restore normal prosperity. The president made his statement after conferring with Secretaries Lamont and Davis.

TUSCOLA FARM BUREAU TO HOLD ANNUAL MEETING

The annual meeting of the Tuscola County Farm Bureau will be held on Tuesday, March 18, at Caro. The business meeting will begin at ten o'clock in the forenoon at the court house. At noon a dinner will be served at the Legion Hall. Dinner is free for ladies. Besides the regular business meeting which all members are urged to attend, there is a good afternoon program.

R. V. Gunn, economist of the Michigan State College, will discuss the work of the Federal Farm Board and explain what is necessary in order for the individual farmer to benefit by it. R. H. Addy, of the State Farm Bureau, will give a talk on dairying. Both of these men are exceptionally good speakers. There will also be special musical features. The Farm Bureau has been gaining in membership and everything points to a very successful year.

DEATH OF MRS. TOWNSEND.

Funeral services for Mrs. Floyd Townsend will be held this (Friday) afternoon at 2:30 at the home of her sister, Mrs. Maude Wayne, on West Pine St.

Isabelle Hartwick was born in Greenleaf township Aug. 11, 1880, and lived in or near Cass City until her marriage June 11, 1906, to Floyd Townsend. Mr. and Mrs. Townsend made their home at Gladwin and Flint until a year ago when Mrs. Townsend came to live with her sister. She has been in poor health for five years and has been confined to her bed for the past year. She passed away early Wednesday morning, Mar. 12. Rev. Allured will officiate at the funeral and burial will be in Elkland cemetery.

Mrs. Townsend was a daughter of the late Mr. and Mrs. Gilbert Hartwick. Mrs. Hartwick died April 26, 1929. Besides her husband, Mrs. Townsend leaves three sisters and four brothers, Mrs. Maude Wayne, Eugene Hartwick, Herbert Hartwick, Edward Hartwick, Mrs. Frank McCaslin and Mrs. Steven Dodge of Cass City and Harry Hartwick of Flint. One sister, Mrs. Albert Ross, died in 1915. She was a patient sufferer with cheerful words for all who were near and dear to her.

PRODUCT OF GENERAL MOTORS

Here is the complete story of *the* important new development in *Motor Oil*

IT is incorrect, perhaps, to call this story complete. The complete story would be the record of months of work in one of the world's greatest oil research laboratories.

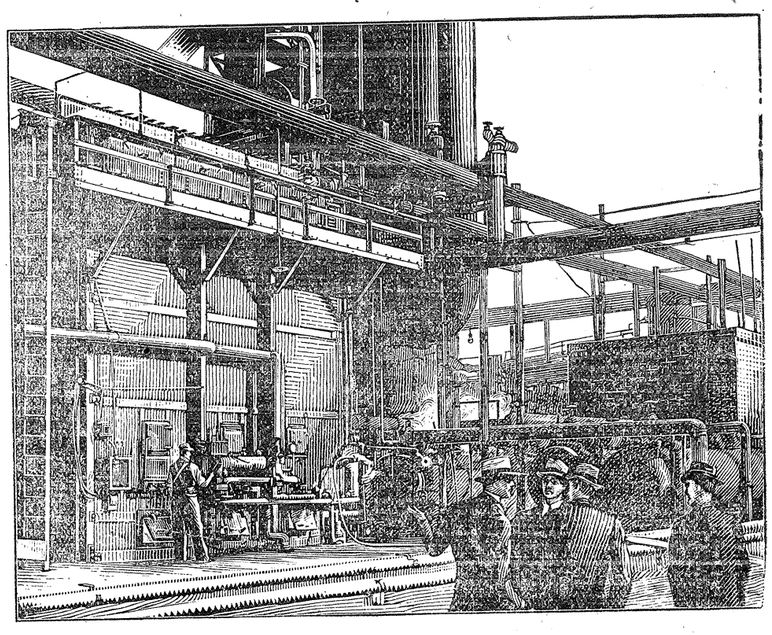
That is past. The important thing now is to tell you what this new motor oil will do for your car.

First of all, it means a tremendous reduction in the carbon nuisance. New Iso-Vis Oil actually reduces carbon formation far below most oils selling today at premium prices.

One reason for this is the fact that New Iso-Vis is a wholly distilled oil. Made by a special process, its sturdy body is not obtained by the usual method of adding undistilled parts of the crude.

New Iso-Vis also makes possible better lubrication at extremes of temperature—both high and low. It not only gives better starting, and a free flow of oil in cold weather, but it does not break down under high engine temperatures.

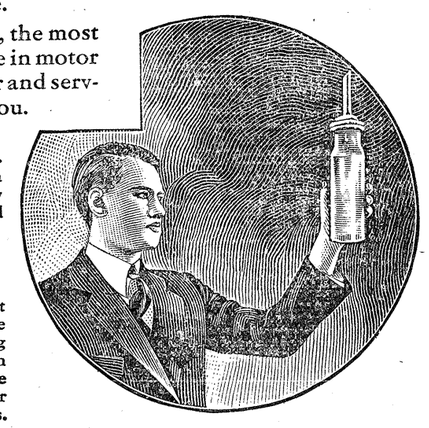
In addition, New Iso-Vis *resists dilution and will not thin out in your crankcase.* The enormous importance of this feature cannot be exaggerated. Ninety percent of all crankcase dilution takes place during the first 200 miles of driving. By overcoming this dilution, Iso-Vis assures you of lubrication not only when your oil is fresh but right up until the time you change.



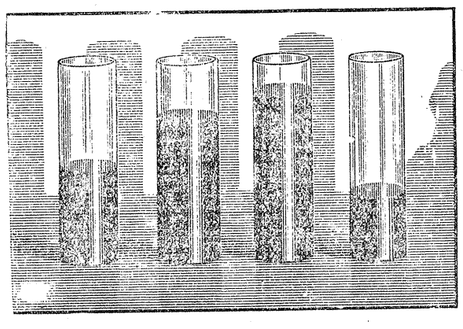
With Iso-Vis, the important reason for changing oil is not because of thinning out—but because it is impossible to prevent a certain amount of dirt from getting into the crankcase which must be removed by drainage.

New Iso-Vis is, we believe, the most important advance ever made in motor oil. Every Standard Oil dealer and service station can now supply you.

A VIEW of one of the great "stills" in which this new oil is refined. The process differs in some respects from any methods heretofore developed. Countless laboratory experiments were made. Only then were our engineers ready to announce these final results.



Notice the Color of New Iso-Vis. It is a rich amber. New Iso-Vis is a wholly distilled oil. Its sturdy body is not obtained by adding undistilled parts of the crude.



THESE VIALS show the different amounts of carbon formed in the same motor after 50 hours of running under exactly similar conditions with four different oils. Iso-Vis is at the extreme right. Carbon in the other vials is from three premium-priced oils.

New **ISO-VIS** 30¢ *a quart*
Motor Oil

Polarine — *The New Polarine is also affected by our new refining processes—giving it a degree of lubricating efficiency which we believe is exceeded only by the New Iso-Vis. The price is 25c a quart.*

Happenings of a Quarter Century Ago

Items from the Tri-County Chronicle of Mar. 10, 1905.

A mass meeting has been called for next Monday afternoon at the town hall to consider the Bay City to Port Huron railroad proposition.

The interest of John F. Seeley of Caro in the bank of Auten & Seeley at this place was purchased by Mr. Auten. The original partnership established was for a period of ten years and this just expired.

With two tickets in the field, the village election promises to be anything but a "tame" affair.

On Mar. 17 the high school will give a play at the opera house entitled "The Deacon." In the cast of characters are Alex Duncanson, Irwin Bradfield, Roy Houghton, Dan Duncanson, Roy McKenzie, Stanley Graham, Harry Sansburn, Mabel Robinson, Ethel McGregory, Bertha Zinnecker, Mamie Brooker, Marie Brooker and Anna Adair.

On Monday evening, a socialist party was organized in Cass City with 20 members.

J. Davison, while harnessing a horse for Tom Jarvis at Beauley, was bitten very badly and might have been killed, had not help arrived. The horse was so viciious that Mr. Jarvis shot him to save further trouble.

Mrs. Florence Hebblewhite moved her household goods to Detroit this week where she expects to make her future home.

Miss Ethel Leslie of this place is about to open a millinery store in Gagetown, having rented suitable apartments.

A merry company assembled at the farm of John Striffler, northeast of town, Wednesday afternoon to celebrate the cutting of the largest pine tree on the place. The tree measures 112 ft. long and 4 ft. 7 in. across the stump.

Miss Mollie Akerman, teacher of the Stone school in Greenleaf township, is spending part of the week at her home at Forestville.

ELKLAND-ELMWOOD TOWN LINE

Mr. and Mrs. E. A. Livingston and daughters, Doris and Marjorie, spent last week-end in Imlay City at the A. Daus home. Misses Maxine and Marian Livingston of Detroit also spent Saturday night and Sunday in Imlay City.

Evans Rose and L. Dryer of Caro were callers at the Chas. Seekings home one day last week.

Ed. Flint of Cass City spent Sunday at the T. and E. Lounsbury homes.

Mr. and Mrs. Wm. O'Dell will entertain the missionary meeting this Friday.

Mr. and Mrs. W. Laurie and family spent Sunday at the Christena Gill home in Gagetown.

Mr. and Mrs. Harold Evans and family and Irene Evans spent Saturday and Sunday in Detroit.

Mr. and Mrs. Guy Stoddard and son, Austin, of Walkerville and Art Deneen of Ellington spent Sunday at the Chas. Seekings home.

Mr. and Mrs. Glen Terbush and daughter and Elmer Flint were callers at the C. J. Bingham home Sunday.

Mr. and Mrs. C. M. Livingston of Caro were callers at the E. A. Livingston house Thursday evening.

PINGREE.

Mr. and Mrs. Harold Western and family of Pontiac called at the home of the latter's parents, Mr. and Mrs. John Fox, Sunday.

It is reported that Mr. and Mrs. H. Delling of Flint have moved to their farm in Novesta township.

Miss Helen Craig, who is teaching at Pontiac, called at her parental home here over the week-end.

J. Fox is somewhat better at this writing and is out again.

Mr. and Mrs. Peter Ferguson, former residents here but now of Carsonville are the proud parents of a baby boy.

It is reported that Mr. and Mrs. Thomas Nicol of Wickware has returned from Florida to their farm. Mr. and Mrs. Leland Nicol and two children are reported home from the land of flowers.

Walter Gracey is reported to have sold his farm located near Argyle recently.

The buzz saw is beginning to hum again.

A la Auto

An east side boy who thinks in terms of automobile picks out familiar tunes with one finger on the piano. After playing over and over the first line of "My Country, 'Tis of Thee," he called excitedly to his mother, "Oh mother, I can play a lot louder when I put on one of the brakes."—Indianapolis News.

Feed Your Tractor As Well As You Feed Your Stock

ARE you as careful about feeding your power machines as you are about feeding your stock?

How about your car and tractor? Red Crown Gasoline, the kind I sell, is made for automobile and tractor engines. It is fine gasoline. My Company has been making Red Crown for forty years, keeping it up to the minute all the time. It is clean and sweet—and you may be sure it will not eat the cylinder walls or the bearings.

If you want a gasoline that knocks out that knock, that makes an old engine run like new, then use Red Crown Ethyl. It costs a few cents more, but those who try it, continue to use it.

Because it is made and sold in such large quantities, it can be, and is, sold for less than it is worth. I believe that the price of Red Crown is as low as you can afford to pay.

I am in business here. My income depends on the goods I sell. I want your business, and I believe I deserve it, because the goods I sell go to you with a double guarantee, mine and that of the Standard Oil Company (Indiana).

The Company has a high standard of service which they insist I give you. This standard I will maintain. I appreciate the business you have given me, but I want more of it. I am here to give you service any time, any where. Will you let me give it?

REGISTRATION NOTICE FOR ANNUAL TOWNSHIP ELECTION

Monday, April 7th, 1930.

To the Qualified Electors of the Township of Elmwood, County of Tuscola, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the second Saturday before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law.

Notice is hereby given that I will be at my store in Gagetown

Tuesday, March 18th, 1930.

The twentieth day preceding said election, as provided by Sec. 3, Chapter 3, Part II, P. A. 306, Session of 1929.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of reviewing the registration and registering such of the qualified electors in said township as shall properly apply therefor.

Also notice is hereby further given that I will be at my store

Saturday, March 15, and Saturday, March 22

The third and fourth Saturdays preceding said election, and

Saturday, March 29th, 1930, Last Day

From 8 o'clock a. m. to 8 o'clock p. m. For general registration by personal application for said election.

The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Dated Feb. 12, A. D. 1930.

M. P. FREEMAN,
Township Clerk.

Clover Seed

Most everyone knows that one of the most essential things in farming is GOOD SEED.

Seed that is free from obnoxious weed seed.

Seed that has good germination.

Seed that is grown here, or climatically adapted to this locality.

We are well stocked with home grown seeds and Michigan Farm Bureau brand seeds.

Make this your seed headquarters.

Announcing

The Appointment of

S. T. & H. Oil Company

Distributor for

PENNZOIL

"The Best Motor Oil In the World"

This announcement is important, we believe, to every motorist throughout this territory.

A widely known company, with extensive facilities and a splendid organization, is taking on the Pennzoil distributorship. It will begin at once to make Pennzoil more easily available to all the thousands of motorists in this region who have known Pennzoil—either by use or reputation—and who will welcome a chance to put this finer oil in their cars.

If you do not know Pennzoil we ask you, in fairness to your motor, to try it. Its rich, full lubricating body—the very "heart" of 100% Pennsylvania crude, supplies maximum protection to every working surface of your motor, at both extremes of running temperature. Pennzoil doesn't break down, burn up or evaporate like ordinary oils. In fact, it lasts fully twice as long as ordinary oil.

It is always uniform because it is produced only in the Pennzoil Refineries, the largest in the world operating exclusively on Pennsylvania crude.

Try a crank case filling of Pennzoil today! Note the difference in the operation of your car. You'll understand then why millions of motorists say "Pennzoil is the Best Motor Oil in the World." Look for the Pennzoil sign.

THE PENNZOIL COMPANY, Oil City, Pa.
