GOOD FOR YOUR EYELASHES

BAD IN YOUR MOTOR OIL

Petroleum jelly—that thick, jelly-like salve so well known to beauty experts—is the substance which gives motor oil a rich, heavy body when cold—but turns water-thin in a hot engine. Sinclair refiners remove petroleum jelly from Sinclair Opaline at as low as 60° F. below zero—a temperature much lower than required for removing wax. Hence Opaline is more fluid at low temperatures and has a better body at high engine speeds.

ARE YOUR EYES WORTH 1¢ A PIECE?

BE SURE to protect your eyes with the good light that is produced by lamps of high quality.

The world-wide resources of General Electric are utilized in the manufacture of Edison MAZDA Lamps, which have the quality that assures the full value of the current consumed.

In the average home the difference between good light and poor light hardly amounts to a cent an hour. Good light is a protection against eyestrain, which is likely to cause impairment of sight and be damaging to beauty.

Let us show you the new Edison MAZDA Lamps at the lowest prices in lamp history. We have the right size for every fixture.

The Better Gasoline

Timed to Meet Seasonal Changes!

ON the mark, ready, the pistol cracks, the sprinters are off. That's quick starting, beautifully timed. That's the kind of action you get from your car with STANDARD RED CROWN—the better gasoline—in the tank.

The Red Light is on. Your car is at a stop. But at the turn of the light she's ready. At the green she's off. In a split second the engine has heeded your signal. That's the kind of action you'll appreciate in cutting, cold weather. Your engine never loafs nor lags at the start if it's fed STANDARD RED CROWN—the better gasoline. For this new, sparkling, brilliant fuel is adjusted to seasonal changes. It's adjusted to modern driving conditions. It's priced to meet the present economic trend.

It Burns Clean at Any Speed!

Ask for STANDARD RED CROWN today. It gives maximum performance at a moderate cost. Sold where the Red Crown emblem is displayed.

AMERICAN RED CROSS

© CLEMENT - U

The American Red Cross in Action

Above—Red Cross paid the grocery bill, and maintained the health and morale of more than two million drought sufferers. Balanced rationing and ample provisions prevailed. The Red Cross commanded the services of thousands of volunteers. It was an impressive demonstration of neighbors helping neighbors. At right—Hot lunches for school children in the drought area.

Colorful and strange is a field trip out of Manila. The native napa house is a real home that warmly welcomes the Red Cross nurse.

Bits of cheer at Christmas time—80,000 boxes spread good will and happiness round the world. An important phase of Junior activities.

Men's classes are popular features of Home Hygiene and Care of the Sick.

The American Red Cross was founded in 1881. It is, by Presidential proclamation, the National Relief Agency. It is chartered by Congress, headed by the President of the United States, and supported by annual memberships.

These memberships make possible a program which includes:

Disaster Relief—1,000 catastrophes in 50 years—all the way from Johnstown flood to Drought.

Veterans—380,000 social and financial problems in a year for ex-service men and their families and for the men of the regular Army and Navy.

First Aid—73,000 certificates awarded in a year—the answer to the annual toll of 100,000 deaths from accident.

Life-Saving—70,000 candidates pass tests in year—one way to prevent the 7,000 drownings now occurring each year.

Public Health Nursing—1,340,000 visits to patients in 12 months—building health in home, school, and community.

Home Hygiene—568 Chapters conducting this work—teaching the family how to care for sickness.

Nutrition—138,000 children and adults taught in year—better food and better bodies.

Junior Red Cross—7,000,000 school children enrolled—spreading cheer and good will round the world.

Insular and foreign activities—aided in 12 disasters last year.

Volunteers—110,000 in one year—ever ready in war and in peace.

Says Chief Justice Charles Evans Hughes: "The American Red Cross represents the united voluntary effort of the American people in the ministry of mercy. It is the best and most effective expression of the American heart."

The annual party for disabled veterans on the lawn of the White House. President Hoover who is also president of the American Red Cross is interested in all phases of Red Cross service to both the sound and the well among soldiers, sailors, marines, veterans and their families.

Water Safety methods, as taught by the Red Cross, prevent many needless deaths from drowning.

Currants from Greece were used in these cookies baked by Juniors and served in school lunches in drought areas. There are 12,000,000 Juniors in the world, bound together by mutual understanding and ideals.

A rollicking row cheerfully expounding the principle, "Keep well babies well!" at a baby welfare conference conducted by the Red Cross Public Health Nursing Service.
