

-- but what a difference in value!

All coals look pretty much alike.

But suppose we tell you this: Two loads of coal can be as different in what they give you as two cows, two hogs or two wheat fields. And that's where Cavalier Coal comes in. A ton of Cavalier means a full ton of coal—and a full ton of heating satisfaction.

Cavalier Coal comes from the famous Elkhorn District of Eastern Kentucky, one of the richest fields of top quality coal. 95% of your ton burns up in pure heat . . . only 3% remains in ash.

TRY IT TODAY. IT'S GUARANTEED TO PLEASE YOU!

**POTATO PRICE OUTLOOK FAVORABLE**

Concluded from first page.

of normal or 10 points above the 10-year average for that date. This indicates a probable total production of 4,595,000 bags which would be 1,218,000 bags more than the 1934 harvest and 1,351,000 bags in excess of the 5-year average crop in this state. The condition declined to some extent during the past month in central and west-central counties and other areas where late fields were damaged by frosts. Elsewhere in the main-producing counties yield prospects were generally improved over September 1.

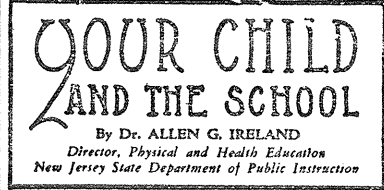

The United States field bean crop is placed at 14,005,000 bags on the basis of October 1 reports. This figure compares with 13,303,000 bags indicated by September 1 conditions this year, 10,369,000 bags harvested in 1934, and 11,858,000 bags the 1928-32 average crop. Other states besides Michigan showing improved yield prospects during September were New York, Wyoming, Colorado, and California. Compared with the 5-year average production for the period 1928-32, the October 1 indicated crop for the four Great Northern beans producing states is 1 per cent above average, while in the four states producing principally Pinto beans, the crop promises to be about 5 per cent above average.

The total Michigan apple crop as indicated by October 1 conditions reports is slightly less than forecast on September 1, being placed at 9,310,000 bushels compared with 6,464,000 bushels for 1934 and a 5-year average of 6,641,000 bushels. The commercial crop or that portion of the total production which will be distributed for fresh consumption is estimated at 5,600,000 bushels or 1,410,000 bushels above average. The total United States apple crop is reported at 168,209,000 bushels of 4 per cent above average but the commercial crop, indicated at 96,903,000 bushels, is 1 per cent less than the average production for the 5 years preceding 1933.

October 1 condition reports on pears also indicate a slight decline in the prospective Michigan production of this fruit. The crop is now placed at 625,000 bushels as against 745,000 bushels harvested last year and a short-time average of 600,000 bushels. The national pear crop, indicated at 21,425,000 bushels as of October 1, is 1,721,000 bushels below average.

On the basis of condition reports on October 1, the prospective 1935

Michigan grape crop was placed at 60,276 tons. After this estimate was made, three successive nights of low temperatures October 5-7 caused severe damage to a large part of the 1935 production. The crop had ripened slowly this season and the bulk of the fruit was still on the vines at the time of the freeze, particularly in Van Buren county. While part of the frosted stock will be marketed at low prices, many grape growers of the state will suffer severe financial losses. It is still too early to estimate the full extent of this damage, either from the standpoint of loss of tonnage or reduction in income to the grower. In 1934 the grape crop in this state amounted to 61,145 tons valued at \$1,529,000. Prospects for the 1935 sugar beet crop in Michigan declined during September principally because of blight damage. October 1 reports, with an allowance for probable abandonment of planted acreage indicate a crop of 892,000 tons. Last year 999,000 tons of sugar beets were harvested in Michigan.

**First Aid.**  
Among the teacher's many duties is that of first aid. For this he should have had a full course of training at normal school or college. In addition, there should be definite rules laid down by the administrator to guide the teacher in emergencies.

If you feel panicky or excited when an accident has occurred, don't try to do much. Don't let your excitement work itself off in action. Under such conditions you are not yourself, and you may do actual harm. Simply make the patient comfortable and ask someone to send for the school physician, nurse, principal, or another teacher.

When a child has had a bad fall, severe enough to cause a bone fracture, it is better to leave the child where he is. Lifting and carrying is usually clumsily done. As a result a simple fracture may be made worse, even to the extent of becoming compound. Place the child in a comfortable position by adjusting the head, arms and legs. Talk to him quietly and confidently, while waiting for a physician.

For scratches and cuts, wash with green soap or alcohol. Allow to dry and apply iodine.

For nosebleed, allow the child to sit up with head inclined slightly backward. Place a cold compress to the back of the neck and a gauze or cotton pack under the upper lip. Press the nostrils, but do not permit blowing or cleaning. The blood hastens clot formation.

**Good Lighting Helps When Darning**

Why is darning so much harder than reading? Because the color of the darning cotton and material is usually about the same, the materials are often dark and absorb light, and threads and needles are small. Better lighting reduces the handicap of poor color contrast between the darning cotton and the goods. More light compensates for the dark material and also serves to "magnify" the size of the needle and thread.

Next time you darn or sew, try a 100 watt MAZDA lamp bulb beside your chair. You'll enjoy darning or sewing with proper light.

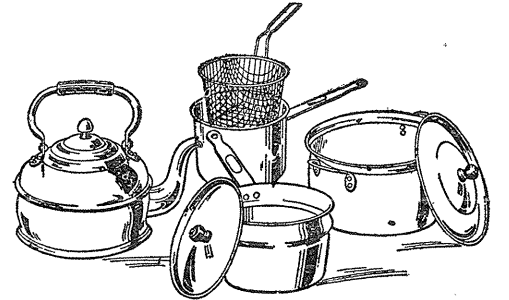

Good lighting properly placed is economical to use.

Pay Your Back Taxes for 1933 and 1934 before Nov. 1, 1935

All interest and penalties, except 4% collection fee will be waived if your 1933 and 1934 back taxes are paid before the above date. Exception—special taxes such as drains, paving, etc.

Example—Suppose your 1933 tax amounts to \$100. If you pay before Nov. 1, 1935, you will pay only the \$100 plus the collection fee of \$4. If you fail to pay before that date the rate of penalty will be 1/2% for 21 months to Nov. 1, 1935, which on \$100 back taxes would be \$15.75 for 21 months, dating from the return date of March 1, 1934.

Suppose your 1934 tax amounts to \$100. If you pay before Nov. 1, 1935, you will pay only the \$100 plus the collection fee of \$4. If you fail to pay, the penalty will be \$6.75, which is 1/2% for nine months to Nov. 1, 1935, dating from the return date of March 1, 1935.

THE COURTS

The trustees of the segregated assets of the Farmers and Merchants State Bank at Sebawaing were granted two default judgments in the Tuscola county circuit court Monday. One was against Homer C. Miller for \$440.70 with costs of \$25.30 added. The other was against Clold Miller for \$410.95 and costs of \$25.30. The court approved the financial accounting in the receivership of Ealy, McKay & Co. and the Oge-

maw County Bank. A divorce decree was granted in the case of Mary Strickland vs. Pirl Strickland. The court denied the right of a belated appeal to Maurice Metcalf, who brought suit against the Estate of John Wesley Metcalf, deceased, as an appeal from the probate court, and met an adverse decision in the circuit court recently. Walter N. Hunter started suit against Anna Baldwin and Eber-

Parsons and wife to set aside a conveyance of land and to prevent a sale or encumbrance of the property. Judge Cramton granted time for attorneys to submit briefs before giving his decision. Y. W. C. A. Is Popular There are organizations in 50 counties which affiliate with the World's Council of Y. W. C. A., which has headquarters in Geneva, Switzerland.

**RURAL SCHOOLS**

**Wright School.**  
Teacher, Hazel Hower.  
Reporters, George Chapel and Gordon Anthes.  
For art Friday, we made some leaf spatter prints. We also drew pictures for Columbus day.  
The little people drew some Jack-o-lanterns and made Hallowe'en booklets.  
In language, the lower grades made posters showing the story of

"The Three Billy Goats."  
The little people have learned poems in language. Some of them are: "The Woodpecker," "An Inquisitive Mouse," "Six Little Mice," "The Toad," and "The Leaves."  
The fourth and fifth grade language classes are writing stories. They have just finished writing about "A Hallowe'en Scare."  
The little people hope their wheat and grass seeds soon grow in their farm, for they are waiting to move their buildings.  
"Yellow" Holik visited us at school one day last week. We

think the mice all knew it too for we haven't seen any since.  
We will have only three days of school this week. Miss Hower will attend the teachers' institute at Flint.  
**Sharrard School.**  
Teacher, Agnes E. MacLachlan.  
Reporters, Arthur Cooley and Elmer Andrews.  
It has been such bad weather that we do not play ball very much.  
The primary grades wove mats for art Friday.  
George and Jake Grass have been absent from school for a few days.  
Ina Pearl Wolfe's side has the most marks in our contest.

Those having 100 in spelling this week are: Robert Kipfer, Edward Wiechert, Ina Pearl Wolfe, Genevieve Miljure, Eva Kipfer, Eva King, Edward King, John Cooley, and Albertus Kipfer.  
Our teacher is reading "Silver Chief" for morning exercises.  
The fourth and fifth grades are busy collecting pictures for their geography scrap books.  
The eighth grade are studying about "Ideal Communities" for civics.

**Rescue School.**  
Teacher, Catherine MacLachlan.  
Mr. Sparling visited our school last Monday.  
We are starting a reading contest in first, second, third and fourth grades.  
Third and fourth grades are making hygiene notebooks.  
Sixth grade are making geography notebooks of South America.  
We are reading the story, "The Keeper of the Bees," for opening exercises.  
Friday we had a little program for "Columbus Day." Lawrence Summers recited the poem, "Columbus." Miss MacLachlan read us a short play on "The Voyage of Columbus." Then we drew a picture of Columbus landing in America.  
We have started our "Science of Living Things" in the eighth grade.

co-operation with an Advisory Council representing the Michigan Conference of City Superintendents, the Michigan High School Principals' Association, and the Michigan Association of Teachers of Speech. State-wide interscholastic contests will be conducted in debating, oratory, declamation, and extempore speaking.  
The question for discussion in the debates of the state association this year is the proposal that the nations of the world should establish government monopolies of all combat instruments of war. The current threat of a European war growing out of the Italian-Ethiopian conflict makes this subject extremely timely, for this nationalization of munitions is one of the methods proposed for discouraging and preventing wars.

Misses Audrey and Pauline Livingston and Harley Dean of Caro spent the week-end with relatives in Detroit.  
Mr. and Mrs. Charles Seekings and daughter, Vernetta, spent Sunday at the Harry Hunt home at Ellington.  
Mr. and Mrs. Ezra Kelly and sons were callers at the Harold Evans home Sunday.  
Mr. and Mrs. John McLean and Mr. and Mrs. William Simmons were callers at the A. Anthes home Sunday.  
Mr. and Mrs. Glenn Terbush and daughters spent Sunday at the Harry Terbush home.  
Mr. and Mrs. E. A. Livingston and daughter spent Sunday in Caro at the C. M. Livingston home.  
Mr. and Mrs. George Purdy, Mrs. John Carolan, James and Leslie Purdy made a trip to Wolverine this week.  
Mr. and Mrs. D. Wiles and son, Floyd, spent Sunday at the Calvin Hiser home.

the demure Queen of Hearts, once famous for her tasty tarts, now steps on the gas and makes quick starts in a series of modern Mother Goose jingles appearing in the Chronicle beginning this week.  
Written by a whimsical copy writer in Gulf Refining Company's advertising department, the up-to-date nursery rhymes are aimed to remind motorists of the necessity for discarding last summer's motor oil and changing to new winter grade Gulfube.  
The brief and breezy jingles with amusing illustrations avoid the technical details—the reasons why oil should be changed with the changing season. Evidently it is assumed that the average motorist knows that summer oils will not flow properly when cold; that bearings may be damaged; pistons and cylinder walls scored when oil is sluggish. In hard summer driving, crankcase oil has become more or less oxidized and dirty—full of carbon, road dust and grit, and is ready to sludge up when it gets a little moisture in winter operation. In any case—any crankcase, that is—Mother Goose is warning motorists that Jack Frost is no playmate for summer oil.

Teacher, Mildred Everett.  
Reporter, Mary Hawley.  
The primary grades are making posters for Hallowe'en.  
We had a short program in honor of Columbus Day Friday.  
Jimmie Luana had a perfect spelling lesson this week.  
Every Friday for the upper grades' language classes, we have our story-telling hour. Everyone is to tell a story he or she has read during the week. We try to see how interestingly we can tell our stories.  
Our visitors this week were Josephine and Bertha Todis.  
We will not have any school October 17 and 18, because Miss Everett is attending the teachers' institute at Flint.

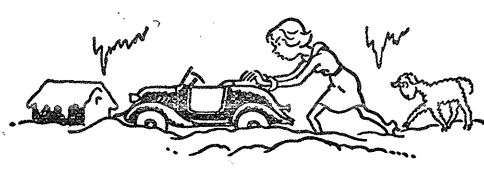

**Sand Valley School.**  
Teacher, Miss Anthes.  
Reporter, Lance Robinson.  
The sixth grade are reading the book, "Black Beauty," and are going to give a book report.  
The second, third, fourth, and sixth grades colored health charts. The little folks are learning health rules for language. Each pupil has a health chart and we are trying to see which one has the best record at the end of the month.  
The fourth grade geography class is studying transportation. They are making books of all ways of transportation.  
The sixth and seventh grades are making maps of the United States.  
We received letters from the Paul school and answered them.  
Our visitors for this week were Betty Oldenburg, Thelma Sicker, Alice Anthes, Donald DeLong, Mrs. Anthes and Mr. and Mrs. Spitzer.  
Friday, we had a wienie and marshmallow roast. We had an arithmetic match and had lots of fun.  
We are proud of having no tardy marks this year.

**DEATHS**

**Mrs. George Shier.**  
The community was saddened by the sudden death of Mrs. George Shier, who after a week's illness as a result of heart attack, passed away at her home Thursday, October 10.

Catherine Clark was born in Park Hill, Canada, April 27, 1871. When two years old, she came with her parents to Michigan. On October 19, 1904, she was united in marriage with George Shier. They have since made their home in Sheridan township.

She leaves to mourn her loss, her husband; two daughters, Marguerite and Marjorie; a sister, Mrs. H. C. Cameron, of Leslie, Sask.; and a brother, Alex Clark of Bad Axe.

Mrs. Shier was a member of Eskine United Presbyterian church, and a charter member of the Eskine Ladies' Aid.

Funeral services were held Sunday, October 13, at 2:30 o'clock at the Greenleaf Presbyterian church, and interment in the Elkland cemetery. Rev. Paul J. Allured officiated, assisted by Rev. Mr. Ogle.

**Thomas Caulfield.**

Thomas Caulfield, ill for the past year and confined to his bed the last six weeks with cancer, passed away at his home in Grant township on Sunday, October 13. Funeral services were held in the Nazarene church at Gagetown on Wednesday, conducted by Rev. Mr. Beadle. Entombment was in the Grant cemetery.

Mr. Caulfield was born in Canada 65 years ago. He has been engaged in farming in Grant township. In January, 1895, he was united in marriage with Miss Margaret Heron, who, with his two sisters, survive.

**Mrs. Mary Cutler.**

Mrs. Mary Rushlo Cutler, a former resident of Caro, died in Woman's Hospital at Detroit on Oct. 7, 1935, after an illness of over two weeks. She was taken to her home at 2035 Green avenue, Detroit, and on Wednesday was removed to the home of her sister, Mrs. John Ensign, 134 Norman street, Caro, Michigan.

After a solemn high mass conducted by Rev. Fr. John B. Parker at Sacred Heart Catholic church, the remains were removed to the Catholic cemetery at Caro for burial.

Surviving members of the deceased's family are her husband, Oscar; Jay Cutler, a son; Mrs. Geo. L. Freehan, Mrs. Adolph Christein, Mrs. John Ferguson, daughters, of Detroit, Mich.; Mrs. John Ensign, Caro, Mrs. Amelia Gordon, Wahjamega, Mrs. David Tyo, Cass City, Mrs. Frank Blake, Malden, Mass., sisters; and Peter Rushlo and Sylvester Rushlo, brothers, of Caro.

**Mrs. Paul Filwock.**

Funeral services were held in the Graham home Wednesday afternoon for Mrs. Paul Filwock, who passed away Monday afternoon, October 14, at the home of her daughter, Mrs. Chester L. Graham. Rev. G. A. Spitzer, pastor of the Cass City Evangelical church, officiated and burial was in the Crosswell cemetery.

Mrs. Filwock has been in poor health for over a year and was brought to the home of her daughter in May of this year where all was done that loving hands could do but she gradually grew weaker until Monday when she slipped out of this life to the life beyond.

Mrs. Filwock was born October 7, 1854, in Germany and came to Crosswell nearly fifty years ago where she lived until coming to Cass City. Mr. Filwock died in November, 1929.

Mrs. Filwock is survived by three daughters and one son, Mrs. Grace Kohlhaas, Detroit; Mrs. William Bailey, Port Huron; Mrs. Graham, Cass City and Frank Filwock, Valparaiso, Indiana. One son, Joseph, also preceded the mother in death.

Among those from a distance in attendance at the funeral were Mr. and Mrs. E. Moran and Mrs. Ella Filwock, all of Crosswell; Mrs. Wellman of Saginaw; Mrs. Augusta Powers and Mrs. Chase Orne of Bay City.

**Alexander Newkirk.**

Alexander Newkirk passed away very suddenly while helping his son-in-law, Emerson McIntosh, north and east of Argyle, in the corn field. He was 76 years of age and is a former resident of Snover, having lived at the McIntosh home for three years.

Funeral services were held at the home of his daughter, Mrs. Emerson McIntosh, Rev. Mr. Davis of Argyle M. E. church officiating. Burial took place at Snover.

**William Thomas.**

William Thomas, life-long resident of Tyre, Mich., passed away early Sunday morning at the home of his daughter, Mrs. S. W. Soule,

at the age of 76 years. His wife preceded him in death a few years ago, also two daughters, Carrie and Maud. He leaves three daughters, Mrs. A. N. Treadgold and Mrs. Phillip Weltin, of Detroit and Mrs. S. W. Soule, of Tyre and three grandchildren.

Funeral services were held at the Presbyterian church at Ubyly on Tuesday afternoon at two o'clock. Rev. Mr. Ogle officiated. Masonic rites were conducted at the cemetery. Burial was made at Ubyly, Mich.

**Mrs. Rhoda S. Daugherty.**

Funeral services for Mrs. Rhoda S. Daugherty, one of the best known women of Tuscola county, were held at the Presbyterian church at Caro on Tuesday afternoon, Dr. J. Leslie French officiating, with burial in the Caro cemetery.

Mrs. Daugherty died Saturday at midnight after an illness since last May. She had been deputy county clerk seven years. She was one of the most active of women in affairs of the republican party in Tuscola county. Her husband, the late Samuel J. Daugherty, served as keeper of the county farm, sheriff, representative in the state legislature, and was deputy U. S. marshal at the time of his death November 21, 1926.

Mrs. Daugherty had acted as treasurer of the Tuscola County Republican committee; was a member of the Presbyterian church and the Rebekah lodge, serving as treasurer of the latter at the time of her death. She was born in Indianfields township, near Caro, December 9, 1873.

**WINTER 4-H CLUBS TO BE ORGANIZED SOON**

Clubs in Clothing, Handicraft, and Hot Lunch will be organized in Sanilac county within the next few weeks. Age requirements are from 10 to 20 years. All groups must have a leader and five or more members.

The clothing club teaches the girl the fundamentals of sewing, the simpler types of garments are made, good taste in color and design and proper selection of materials are also learned.

The Handicraft club teaches the boy to work with woods and varnishes and the simpler types of conveniences around the home are made.

The Hot Lunch club is for either the boys or girls.

Anyone interested should get in touch with the county agricultural agent.

**M-85 Made Permanent State Trunk Line**

Steps are being taken by the state highway department toward the cancellation of 13 miles of trunk line highway in Tuscola county which was determined in 1930 but never maintained by the state. At the same time 15.7 miles of county and township highways now maintained by the state will be determined as state trunk lines.

The road officially determined but not maintained as a state trunk line extends from a point approximately 3.5 miles south of Mayville directly north to Caro. It was laid out as a part of a new road from Lapeer to Caro. To place this road in adequate condition for trunk line traffic, considerable construction would be necessary. Since the lack of state funds for construction makes the possibility of carrying out this plan very remote, the proposed route is being canceled as a trunk line highway.

The present M-85 from Mayville to Caro, which has been maintained by the state as a temporary route, will be determined as a state trunk line.

In explaining the change, State Highway Commissioner Murray D. Van Wagoner stated, "When the McNitt mileage certification was made in 1932 those township roads on the newly determined routes were designated as state trunk lines and the counties did not receive credit for such roads. Consequently, they did not receive state funds for their upkeep. In some cases the township or county has kept these roads in repair, but the complaints that no one was maintaining the roads have been received by the state highway department in a considerable number of cases.

"We feel that, inasmuch as we have no plans for constructing these projects, we should move our determination over to the present maintained road and give the counties credit for the McNitt mileage involved."

This particular cancellation will permit the addition of 12.8 miles of township road to the total McNitt mileage for Tuscola county. This will mean an addition of over \$700 to the McNitt money which

this county receives from the state each year.

The Highway Advisory Board and the State Administrative Board have already given their approval to the proposed cancellations and determinations. The only step remaining is the sending of formal notice of the change by Commissioner Van Wagoner to Tuscola county officials.

**Another Record Smashed**

Over 1,000 head of livestock sold at "top" prices at the Auction Sale at Marlette, October 14.

Sellers saved shrink, trucking and paid less commission and no yardage charge. This handy Monday market has consistently paid more money for hogs, calves, and lambs that could be obtained by selling elsewhere, and our sales have increased in volume until we are handling on Mondays 60 per cent of the livestock sold in the "Thumb."

There will be a big demand for Dairy Cows and Butcher Cattle at our next big
