## SHABBONA.

Nichol-Chard—

Miss Cleo Reta Nichol, daughter of Mr. and Mrs. Verne Nichol, was united in marriage with Mr. Harold Chard, son of Mr. and Mrs. Burt Chard, on Saturday evening, April 11, at seven o'clock. The ceremony was performed by Rev. Mr. Douglas at the Mennonite parsonage at MeHugh.

They were attended by Fred Nichol, brother of the bride, and Miss Margaret Chard, sister of the groom, both of Decker.

The bride was attired in egg shell blue silk crepe and the bridesmaid in a gown of blue.

A family dinner was served in honor of the occasion at the parental home of the bride on Saturday evening at eight o'clock. A reception was held at the same place on Thursday night.

Mr. and Mrs. Chard will reside for the summer on a farm near Decker with the groom's parents.

## RESCUE.

Alfred Lane was in Elkton Friday evening.

A number of friends and relatives enjoyed an Easter dinner at the William Ashmore, Jr., home.

Mr. and Mrs. Ralph Tebeau and family ate Easter dinner at the John MacCallum home.

# Ford - FOR ECONOMY

"The Ford V-8 uses less fuel and oil for the power it gives than any other car we have ever made

AND ITS UP-KEEP COST IS THE LOWEST"

ENTHUSIASTIC sales talk often begins and ends with gasoline mileage. Some salesmen would like you to believe it is the whole story of automobile economy. But drivers ought to know better. For, the fact is, it's way down the list.

The big items of car economy are low first cost, low up-keep cost and low depreciation. Savings here can make a great deal of difference in cost per mile. Gasoline mileage is more of a talking point than an economy factor.

Check up and you will find that the difference between 17 and 19 miles a

gallon is less than \$10 for a whole year's average driving (8400 miles at 18 cents a gallon). Here are the big items that make the Ford the most economical car:

- More value for every dollar you pay.
- Lower cost for repairs and service.
- Long life. Slow depreciation.
- Quality means economy and the 1936 Ford V-8 gives you more real quality than any other low-price car. No other car under \$1645 has a V-8 engine. No other low-price car has Center-Poise Riding, safe, sure mechanical brakes and Safety Glass all around at no extra cost.

here's why

we are selling \$3.35 per gallon paint at \$2.59 PER GAL.

For 57 years Bradley & Vrooman Company has been one of a select few manufacturers who specialize in making only the highest quality paint and varnish products. Their policy of serving those who insist on the very finest procurable still prevails.

BUT—for the purpose of inducing people to protect their property with high quality paint so their buildings will stand out as visual evidence of what it means to use "The Best," Bradley & Vrooman Company has arranged with us to set aside a quantity of their high quality house paint to be sold at a sharply reduced price.

You, who want to take advantage of this startling bargain, will appreciate the advisability of acting promptly.

# TIME TO CHANGE OIL FOR SPRING MAKE IT ISO-VIS'D SAVE AS MUCH AS 10¢ A QUART

STANDARD'S PREMIUM QUALITY MOTOR OIL COSTS ONLY 25¢ A QUART

IT GOES FURTHER!

When it comes to staying power, Iso-Vis "D" refuses to take its hat off to any other motor oil on the market. Compare it with oils that cost as much as 10¢ more a quart—compare its ability to stay on the job in long hard driving. Watch how your oil level stays up and your oil costs stay down, when you have Iso-Vis "D" in your crankcase. Its tough, smooth, durable "body" resists the usual effects of sharp changes in temperature; doesn't thicken greatly in cold, nor thin out seriously under high engine-heat. Enjoy its economy this Spring and Summer.

\* Plus Michigan General Sales Tax 1¢ a qt. plus Federal Tax 1¢ a qt.—total 2¢ a quart.

Eight short minutes is all it takes to have your crankcase drained and refilled with the proper grade of Iso-Vis "D" for Spring, at Standard Oil Stations and Dealers—where you see the sign of

**An Appeal for Hundreds of "Homeless" Cass City Brides**

Compare the number of marriage licenses issued to Cass City district couples in the last five years to the number of new homes built here during the same period, and you'll agree with the statement that hundreds of Cass City brides are "homeless."

Living in rented houses, they haven't yet been given the thrill of enjoying a home of their very own, complete with modern conveniences.

Then add to these, the list of all the brides of the past years whose dwellings have grown antiquated with the years, and the total of "homeless" Cass City district brides becomes an imposing one.

Husbands who investigate will find that they have the best opportunity in years to give their brides attractive new homes this spring. With the aid of their local banks, they can pay for them on terms as easy as rent. Construction costs, too, are considerably below the average of recent years.

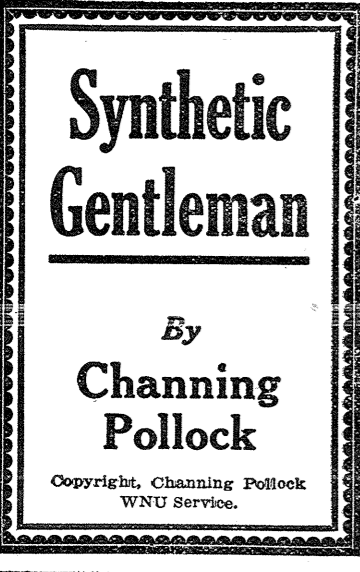

And the stable values of Cass City district property guarantees an investment that will not shrink during the coming years, but will continue to add accrued dividends that can always be converted into cash.

We'll gladly assist with information about the latest 1936 models in homes for these Cass City district brides of all ages, and we'll furnish sketches, plans, and other construction information that may be needed.

N. McCullough, Auctioneer

The Judge shook his head. "Answer it, certainly establishes

"That's true," Hambridge admitted. "But Nolan was drunk last night, you say. And some parts of his story simply don't hold water. I don't believe there was anything queer between Mrs. Kelly and the Filipino. Kelly's finding that out wouldn't account for his calling the man a 'lousy spy,' would it?"

"Yes," Barry went on, "and get this: somebody did try. Violet Fane, probably. Peggy Rogers says Violet had just left the table when the row started. And that Luis was talking to her, outside the dressing rooms, just before that."

"No," he replied, curtly. "For the present, I want you to keep out of this."

To be continued.

DEFORD

Wanda May Roberts—
Wanda May Roberts was born in Detroit, August 15, 1926, and died in Pontiac General hospital, April 12, 1936, at the age of 9 years, 7 months and 27 days.

Wanda was taken ill the following November with rheumatic fever, this leaving a serious heart ailment. In April, 1935, Mr. and Mrs. Roberts, with Wanda returned to Pontiac due to the death of their younger daughter, Marion, at which time Wanda was taken immediately to the hospital, spending most of the summer and fall there.

on Wednesday afternoon at the Deford M. E. church, Rev. John Mellish of the Nazarene church of Lapeer conducting the service. Three great grandfathers were present at the funeral service—George Roberts of South Rockwood, Peter Daugherty and William Randall, both of Detroit.

Quarterly Conference—
The fourth quarterly conference of the Kingston-Deford circuit was held at the Deford M. E. church Wednesday evening.

GREENLEAF.

Mr. and Mrs. Collins spent the week-end in Novesta. Keith Karr of Detroit was home for a few days this week. Casimir Vmierski is helping with the work at George Roblin's.

Mr. and Mrs. Ernest Barnes, who have been living on the Frederick place, have moved to the G. E. Krapp farm near Cass City. Sheridan township voted at the recent election to build a new township hall, to be located near Ivanhoe.

ELKLAND.

Mr. and Mrs. Archie McLachlan spent the week-end with relatives at South Lyon. The Bethel Ladies' Aid met on Thursday for dinner and work at the home of Mrs. John Guisbert.

Mr. and Mrs. G. A. Martin spent Saturday and Sunday with their daughters in Detroit. Their grandchildren, Donald, Evelyn and Dorothy McLaughlin, came home with them to spend a week here.

OIL AGGREGATE ROADS WITHSTAND RIGORS OF WINTER

Concluded from first page.
Ahead with plans to surface approximately 500 miles of gravel roads with the dust-proof oil aggregate this year in cooperation with the works progress administration.

program involving 83 miles of farm-to-market roads.

Commissioner VanWagoner said that four miles of oil aggregate surfacing can be built with the same money as one mile of concrete pavement under the WPA program.

patching material to a mile at the side of the road as with gravel construction.

Experiments have shown that this material remains in a workable condition for five years or more.
