

W. S. C. S. Votes \$500 for Local Hospital Fund

Action Was Taken at the Society's Meeting at the Methodist Church Monday

The Woman's Society of Christian Service of the Methodist church voted to raise \$500.00 for the Cass City Community hospital fund at their meeting Monday evening in the church. This is the first women's group in Cass City to assume responsibility in aiding the local hospital enterprise and they are to be commended for their initiative and generosity.

Preceding the meeting, ladies of Group No. 1, with Mrs. Maynard McConkey and Mrs. John Marshall as co-chairmen, served a supper at 6:30.

During the business meeting which followed the meal, the group decided to entertain members of the same organization from the Harbor Beach and Colfax churches in April and May. Plans were announced for a study course to be given at the church Sunday evenings during the month of March to which the public is invited.

Devotions for the meeting were conducted by Mrs. E. W. Douglas in which she pointed out the gifts of the spirit which the Negro has given to us. Following the devotions, Negro spirituals were sung.

The program topic was "Planning in Africa for a Lasting Peace" and because of illness of Mrs. Bisbee, Rev. Kenneth Bisbee presented the interesting program.

John Deere Implement Store Changes Hands

Fred Ryan and Henry Cookin are the new owners of the John Deere implement business here and took over the management on Feb. 1. The firm name will be Ryan & Cookin. The business was sold to them by Arnold Copeland and H. C. Munro, partners in the business for the past 13 months. Edward Mark, an employee for many years in the business, has been retained by the new firm.

Coming Auctions

To settle the estate of James T. Mulady, deceased, the administrator, Walter Mann, has arranged for an auction of personal property on the corner of Church and Downing streets in Cass City for Saturday, Feb. 9. Details are printed on page 6.

Albert Hurd has chosen Tuesday, Feb. 12, as the date for an auction sale of cattle and machinery 5 miles west of Uby. T. A. Stahlbaum is the auctioneer and the Hubbard State Bank of Uby is clerk. Particulars are on page 6 of this issue of the Chronicle.

Having decided to discontinue farming, Alvin Kropf has engaged Auctioneer Arnold Copeland to sell livestock, machinery and feed at his farm one mile east and first farm north of Decker on Thursday, Feb. 14. The Pinney State Bank is clerk. His advertisement appears on page 7.

Next week's Chronicle will contain auction ads for Clifford Robinson whose sale will take place on Wednesday, Feb. 20; for Claude Safford on Thursday, Feb. 21, two miles north of North Branch; for Chas. Bodies on Friday, Feb. 22, 10½ miles south of Cass City.

Cass City Community Sends Nearly Two Tons Of Clothing and Shoes to the War Sufferers

Cass City completed the clothing collection Feb. 2 with two added days of grace during which much clothing came in. "Would you believe it," said one member of the collection committee, "practically as much clothing came in during the final three days as during the previous two weeks which meant added and rush work for a few persons." Shipment was made on Feb. 4 to a government collection center.

"Recognition has been given in previous news stories of committee members and others on special assignments and projects," said the Rev. M. R. Vender, chairman, "hence in the work of packing we acknowledge the services as follows: At the Baptist church, Mrs. Arnold Olsen, Mrs. M. Strickland and Mrs. Elmer Beards; Evangelical, Rev. and Mrs. S. P. Kim, Mrs. Fred Buehrly and Mrs. Fred Joos; Methodist, Mrs. Edward Baker, Mrs. Keith McCahey, Mrs. Alton

Artist-Evangelist at Church of Nazarene

The Church of the Nazarene will present to the people of Cass City and community, the Rev. Dwight F. Steinger, chalk artist and evangelist, in meetings which begin Friday, Feb. 8, and will continue through Sunday, Feb. 17.

"Rev. Steinger is one of the outstanding chalk artists in the field today," says Rev. Lorne J. Lee, pastor of the church. "You

Rev. Dwight F. Steinger.

will certainly want to see his pictorial interpretations of the old hymns. In addition to this, he is a good solid preacher of the Gospel. Due to the shortened time of the meetings there will be a service every night.

"We have gone to considerable expense to assure you of a warm church during these services. The heating system has been remodeled and the auditorium sealed off from the stairways, eliminating as far as possible the drafts on the floor."

Holbrook Farm Bureau Organized

The Holbrook Community Farm Bureau was organized on Feb. 4 at the Holbrook Community hall. Officers elected are: Chairman, Lynn Spencer; vice chairman, Curtis Cleland; secretary, Marion Spencer; treasurer, Arthur Schneider; discussion leader, Chas. Simkins; recreation leader, Estelle Schneider; publicity chairman, Marjorie Simkins; song leader, Leverett Barnes; associated women leader, Velma Cleland.

There was a lively discussion on current proposals for consolidation of schools after which ice cream, doughnuts and coffee were served. Chas. Walker, president of the Sanilac County Farm Bureau, officiated at the meeting. He was accompanied by Clarence Erbe, a director of the Sanilac bureau.

The next meeting will be held at Mr. and Mrs. Curtis Cleland's home on Feb. 26. Land use planning and rural zoning will be discussed.

Students and Gavel Club Members Debate

Two high school students, Isabel Martin and Wilbur Silvernail, upheld the affirmative and Dr. E. C. Fritz and Horace Pinney debated negative on the question of compulsory military training for all boys aged 18 to 24, following the Gavel club dinner Tuesday evening. Members of the club indicated their decision on the debate by written votes and Hugh Munro, the toastmaster, scarcely scanning the slips, indicated the debate a tie.

Vocational Boy Establishes an Envious Record

Local Lad Is Highest in Michigan and Second in U. S. for His Breed

Lewis Langenburg of Cass City, a beginning agriculture student in the local high school, raised a litter of 11 purebred Hampshire pigs to a weight 515.1 pounds in 56 days for the highest 56-day weight for that breed of swine for the fall crop of pigs in Michigan and second highest in the United States. He was nosed out of first place by an older breeder from Mechanicsburg, Ill., with a weight of 590 pounds, according to a letter received recently from the Hampshire Swine Record Association by Harold R. Perry, vocational agricultural instructor in the Cass City school.

Records of production testing of swine was begun by the Hampshire breed about eight years ago and has since been adopted in some form or other by all the major swine breeds. At a meeting of representatives of five of the major swine breeds together with representatives of 43 agricultural colleges and men from the larger packing firms, held recently in Chicago, a uniform set of rules was agreed upon for the Hampshire, Duroc-Jersey, Berkshire, Chester White and Poland China breeds. To qualify for membership in this select group, a female must meet specific requirements, one of which is to raise a litter of eight or more offspring to a weight of 275 pounds in 56 days if she is under 15 months of age at first farrowing date, or to a weight of 320 or more pounds if she is older than 15 months when the litter is farrowed and a sow or gilt must accomplish this feat twice within 15 months to receive her production certificate.

Up to date information is not available for some of the breeds but for the Hampshire breed, which leads in number of register. Concluded on page 2.

To Speak on Race Relations Sunday

Rev. Chas. A. Hill of Detroit, president of the National Association for the Advancement of Colored People, will be the speaker at a community mass meeting at the First Methodist church of Cass City on Sunday afternoon, Feb. 10. His subject is "Harmonizing Our Practices with Our Professions."

Rev. Chas. A. Hill.

The meeting was arranged by the Cass City Council of Churches. Originally scheduled as an evening service, the hour was changed to 3:00 p. m. to avoid conflict with the Rotary club's Institute of International Understanding lecture next Sunday evening.

Rev. Mr. Hill will speak at the morning service at the Methodist church.

23rd Anniversary of Scouting Is to Be Celebrated Today

The 23rd anniversary of Scouting will be celebrated Friday, Feb. 8. On Saturday, Feb. 9, all units will plan an institutional or community "Good Turn" Sunday, Feb. 10, is Scout Sunday and many troops will attend church as a group.

The annual potluck dinner for the Tuscola district will be held on Tuesday, Feb. 12, in the Akron Community hall. This is a recognition dinner of the troop parents, Scouters and their wives in potluck form in honor of the Scoutmaster for his work with the troop.

All Cubs, Scouts and Senior Scouts will wear their uniforms to school during Scout week.

Annual Midwinter Victory Band Concert

The Cass City Senior High School band, under the direction of Vernon Wait, will present its annual concert on Feb. 19, at 8:20 p. m., in the school auditorium.

Among the special attractions are a cornet duet and a clarinet solo which will be presented by members of the University of Michigan band. Other featured performers will be Florence Hillman, who plays a trombone solo with band accompaniment, and Velma Muntz, who will play a piano solo, with band accompaniment. There will also be a vocal solo by Roberta Guisbert with band accompaniment.

The band concert is to be based on a victory theme. The goal is to raise money for band instruments and accessories.

Veterans of Foreign Wars to Meet at Cass City Monday

All veterans, with service overseas, of the Cass City and Gagetown area, are cordially invited to attend a meeting which will be held in the private dining room of the Home Restaurant in Cass City on Monday night at 7:30. A free light lunch will be served following the meeting.

Tuscola County Post No. 4164, Veterans of Foreign Wars, will be host at the gathering. The young men of Caro feel their fellow veterans of this area may wish a post in Cass City and are calling the meeting for the purpose of discussing the idea.

Attendance at the meeting will not obligate any person in any way, though any overseas veteran who already is familiar with the V. F. W. organization and so feels he may wish to become a charter member of a post in Cass City, is asked to have his discharge papers with him.

Several members of the V. F. W. Post of Caro will attend the meeting to answer questions or aid in organizing a post here.

Post No. 4164 of Caro was organized last June. It now has a membership of 85. All but 15 of this number are veterans of this last war. They are reported to be looking forward to softball games with the future Cass City post.

Lt. Thelma LaFave Highly Praised

Mr. and Mrs. Herbert LaFave of Gagetown, parents of Lt. Thelma LaFave, who had been reported missing since Jan. 25, 1945, between Palau and Leyte Islands, received the following communication from the headquarters of the 820th Medical Air Evacuation Squadron under date of Feb. 1, 1946:

"On behalf of the members of our unit I am writing to express our deepest sympathy on the report that your daughter, Thelma, is missing.

"Thelma was reported missing while on an operational flight from Peleliu Island to Tacloban, Leyte, Philippine Islands, on 25 January, 1945, to evacuate sick and wounded from that base. A continuous search is being made for Thelma and will not be abandoned.

"Thelma is respected and cherished by all members of this command and is always eager and willing to undertake more than her share of assignments. Officers, nurses and enlisted men are her friends and are proud of the fact. Concluded on page 8.

Mrs. McLellan Heads Presbyterian W. M. S.

The Women's Missionary society of the Presbyterian church met on Thursday with Mrs. M. B. Auten for a one o'clock dessert luncheon. Assistant hostesses were Mrs. B. F. Benkelman, Jr., and Miss Lura DeWitt.

Officer to serve the society for the coming year were elected as follows: Mrs. M. C. McLellan, president, to succeed Mrs. Ernest Croft, who has served the past two years; Mrs. G. A. Tindale, first vice president; Mrs. B. F. Benkelman, Jr., second vice president; Mrs. Chas. Wilsey, secretary; Mrs. Alice Nettleton, treasurer; Mrs. R. A. McNamee, secretary of missionary education; Mrs. Floyd Reid, secretary of literature; Mrs. Ella Vance, secretary of missionary letters; Mrs. Alex Milligan, secretary of social education and action; Mrs. A. J. Knapp, prayers of missionaries.

Roll call was given by Mrs. John Cole. The program was a round table discussion on the remainder of the study book presented by Mrs. M. R. Vender, Mrs. M. C. McLellan and Mrs. Edward Golding. Mrs. Morton Orr will be hostess at the next meeting.

Dr. I. D. McCoy Named on 10-Man A. L. Committee

Group Will Confer With President Truman on National Health Problems

Appointment of Dr. Ira D. McCoy, Bad Axe physician and surgeon, and World War I veteran, as a member of the 10-man national American Legion committee on Medicine and Surgery has recently been announced by John Stelle, national commander, from national American Legion headquarters in Indianapolis, Ind. Dr. McCoy is the only Michigan physician named on the committee.

One of the first functions of the committee will be a conference with President Harry S. Truman in Washington on national health problems. It is expected the conference will be held in February. "I appreciate greatly the honor given me by Commander Stelle,

Dr. Ira D. McCoy.

and the confidence he has expressed in me by naming me to this important committee," Dr. McCoy said. "It is a privilege to be associated with men of the caliber of Dr. Stelle."

Father and Chum Night to Feature Community Club

The annual chum night when local citizens entertain their sons, daughters, or youthful chums will be held at the Cass City Community club dinner at the local high school Tuesday, Feb. 12. The program will be especially prepared for the attending chums. Dinner will be served at 7:30 by the ladies of the Presbyterian church.

Those citizens who have not been contacted for 1946 membership to the Community club are urged to attend the dinner when membership tickets will again be available. Dinner tickets, will be on sale at either drug store for your convenience if for any reason a ticket salesman has failed to contact you.

Cass City Loses to Sebewaing High

Cass City lost its second conference tilt to a battling Sebewaing basketball team in an overtime contest played in the local gym on Friday night, by a close score of 35-37.

Sebewaing came from behind to tie the score in the last 60 seconds of regulation play on a basket by Easlick, thus forcing an overtime period to be played. During the extra stanza, Sebewaing quickly dropped in two baskets to grab the lead and win the ball game.

Dean Lettich, the Redhawk six ft. guard, was sadly missed in this contest. Dean did not don a suit because of an ankle injury.

High scorers for this game were Bergman and Easlick of Sebewaing with 15 points apiece while DeLong of Cass City made 13.

Cass City's second team easily defeated Sebewaing seconds by a score of 41-21. Don Karr and Bill Weatherhead shared the scoring honors in this game with 14 and 9 points respectively.

Take a Load Off Your Feet.

Be foot-happy on your job. Wear dry-soft, stay-soft Wolverine Shell Horsehide Work Shoes. Light on your feet—pliable as bamboo—but they'll lick any heavyweight for wear. Just call and try on a pair. Prieskorn's, Cass City.—Advertisement.

28 Young Men Register with Tuscola Co. Draft Board

The following young men who became 18 years of age during the month of January registered with the Tuscola Draft board during that period:

Orland Gingrich, Cass City. Rex Baxter, Vassar. Harry Dykes, Caro. Robert, Reese, Vassar. Harold Burmeister, Kingston. LaVerne Barrons, Kingston. Carl Milledge, Millington. Duane Cragg, Gifford. Lawrence Kozel, Caro. Demetrius Urchick, Cass City. William Robinson, Mayville. Roy Bauer, Reese. Herman Leslie, Jr., Kingston. Bernard Dillon, Unionville. Billy Austin, Fairgrove. August Collier, Unionville. Ira Letich, Cass City. Robert Merrell, Fairgrove. Glen Coral, Mayville. Chester Galubensky, Kingston. Russell Hopp, Mayville. Ward Trea, Vassar. Robert Brunet, Vassar. Frederic Schubel, Caro. Gale Steffen, Caro. Wilbert Schroeder, Reese. Chas. Silvernail, Jr., Caro. Dale Kelley, Mayville.

Co. Road Commission Employee Injured

From Deford correspondent.

Clarence May was the victim of a very painful, and what looked for awhile, to be a very serious accident. Mr. May is employed by the Tuscola County Road Commission and has charge of a large Diesel grading tractor. The machine had been in operation all day in the snow, and about 7 p. m., he opened the tank to replenish the fuel. No one knows what occasioned a violent explosion which was heard for a considerable distance away. Clarence's face and ears were literally raw from the burn and his eyes injured very badly also.

He was taken immediately to the Morris hospital in Cass City and latest reports indicate that no permanent injury will result.

War Correspondent Lectures Here Sunday

Landrum Bolling of Beloit, Wis., comes to Cass City next Sunday evening as the second lecturer on the Rotary club's Institute of International Understanding. He will speak on "Making International Organization Effective." A question period will follow the address. War correspondent, lecturer and traveler, Mr. Bolling returned last fall from his latest foreign assignment as representative of Over-

Landrum Bolling

seas News Agency, for whom he has covered the war in the Mediterranean and in the Balkans. Dur-

Grandfather, Father and Son Carry Same Bible Serving Uncle Sam in Three Wars

Pfc. Mason Spencer, son of Mr. and Mrs. Earl Spencer, of Cass City, was recently discharged from the Service and has returned home. He has been in the Army about three years, six months of which were spent in England and the same length of time in France and Germany.

He is a member of the third generation to carry the same Bible through a war and none of them were injured. Mason's father carried the Bible during World War I and Capt. William C. Beal, his grandfather in the Civil War.

Capt. Beal, father of the late Mrs. Jacob Spencer, carried the Bible for three years sewed in the pocket of his uniform when he was a member of Company 1 of the Ohio Militia. He was a resident of Sandusky in the early nineties and then moved to Chicago. At the time of his death, his daughter, Mrs. Jacob Spencer, came into possession of the Bible and, 56

Time to Get Busy On Airport Site Here Says Speaker

Rotary Club Had as Guests Prize Winners in Letter and Essay Contests

With two years' experience in building airports with the E. B. Schwaderer Construction Co., Robt. Keppen has had an opportunity to study aeronautics from a practical angle, and in a talk to fellow Rotarians here Tuesday, he described the airports constructed at three cities of Ohio—Zanesville, Springfield and Canton—for emergency use for the C. A. A. which are now turning out to be postwar ports for these cities. Each field contains about 400 acres and have three runways 5,600 feet long.

He is of the opinion that airports in the smaller towns as feeders to larger cities are the coming thing and advised Cass City folks to get organized and have a site ready, so when government aid for airports is available, it may be secured early. Airline travel rates have been cut 25 to 50%, he said, and predicted that air travel will be cheaper than either rail or bus fares at not too great a future date.

Students who received prizes offered by the Rotary club for good-will letters written during the Victory Clothing Collection campaign were luncheon guests Tuesday and read their productions. Letter writer winners were: Shirley Loomis, Concluded on page 5.

Tuscola Livestock Men Exhibit Cattle And Hogs at Show

Entries in the Annual Farmers' Week cattle and hog feeding contest are being shown at Michigan State college this week. Those entered from Tuscola county are:

Albert Bauer, Reese, two Aberdeen Angus steers. Donald Brinkman, Akron, Hereford steer.

Harrison Stine, Cass City, two Hereford steers.

Donald Koepfing, Cass City, two Shorthorn steers.

Allen Houghtaling, Reese, pen of fat hogs.

Donald Kitchen, Cass City, pen of fat hogs.

Exhibits arrived on Wednesday and were on display in the livestock pavilion at Michigan State college. Cattle and hogs were judged on Thursday, followed by an auction sale that afternoon.

W. S. C. STUDIED ELECTRONICS TUESDAY

On Tuesday, Feb. 5, the Woman's Study club met at the home of Miss Laura Maier, enjoying a very fine meeting. Mrs. Neil McLarty, legislative chairman, reported in an interesting way on the national budget. The club voted to have a miscellaneous program for the coming year.

The program, "Electronics," was in charge of Mrs. Edward Baker, who gave a comprehensive talk on the subject, demonstrating the photo cell and the stereo light. She said that the radio is the world's largest electronic business and that medicine has derived the greatest help from electronics. An open discussion followed the talk, bringing out many interesting facts and theories. After roll call, the club adjourned to meet Feb. 19, at the home of Mrs. Alton Mark on West Main street.

Village Caucus.

Notice is hereby given that a regular village caucus will be held at the Council Rooms on Friday, Feb. 15 at 8 p. m., for the purpose of placing in nomination candidates for village offices for the ensuing term and for the transaction of such other business as may properly come before it.

By order of Village Council. O. PRIESKORN, Clerk of the Village of Cass City.—Advertisement2t.

Have You Registered?

In order to vote at the village election you must be registered. Tuesday, Feb. 19, is the last day to register. O. Prieskorn, Village Clerk.—Advertisement2t.

We pray for the sick. A warm welcome awaits you.

Cass City Community Sends Nearly Two Tons Of Clothing and Shoes to the War Sufferers

Concluded from page 1.
with all due credit to others, the greatest single contribution to the project as to time and services rendered.

The committee wishes to thank the Chronicle for the generous space given for the publicity of the V. C. C. and to the business men as sponsors of advertising for the campaign, and to those who supplied packing boxes; the Rotarians for their financial assistance in sponsoring the prizes for the junior high and high school goodwill letters and essays, and for entertaining the winners as dinner guests; to Dave Ackerman and the school staff for their promotional work and splendid cooperation, including the bus drivers, young people and children; to the church officers for granting the use of the respective buildings for collection centers, and to the people of the community for their fine response as to caring, sparing and sharing.

It was practically impossible for the packers to estimate the number of goodwill letters enclosed. The Evangelical committee reported thirty. A check up through the school indicates that 64 letters were written and inserted in or attached to clothing. Many adults are known to have written letters also for enclosure. The first reply received from overseas to a goodwill letter will be printed in the Chronicle.

A tabulation follows which indicates the minimum of the collection for added garments came in after the official counting ceased, and in one or two centers stock-

First Methodist Church—Rev. Kenneth R. Bisbee, Minister. Feb. 10:
Morning worship at 10:30. Race Relations Sunday. Rev. Chas. Hill, guest speaker.

Church school, 11:45 a. m. Announcements for the week:

A cordial welcome awaits all who come.

The Evergreen Free Methodist Church—Carl Koerner, Pastor.

Sunday school at 10:30. Preaching at 11:30.

The Huron-Tuscola Association for the promotion of Holiness will meet Feb. 8 at the Elkton Mennonite church with three sessions, 10:30 a. m. and 2:30 and 7:30 p. m. Speakers will be Rev. K. P. Borlean of Mayville, Rev. W. S. Hubbard of Kingston and Rev. E. S. Eby of Bad Axe.

Cass City Community Sends Nearly Two Tons Of Clothing and Shoes to the War Sufferers

ings, and small miscellaneous articles of clothing were not counted. This comparison is by collection centers and not by churches.

Cloth- Blan-Pairs
Church ing kets Shoes Wt.
Baptist 523 3 63 450
Methodist... 1450 19 152 1360
Evangel... 510 4 40 355
Presby... 1400 27 200 1679
Totals... 3883 53 455 3844

The weight of the clothing was 3,180 pounds and of the shoes, 564 pounds.

Cass City has doubled its minimum quota of 1,500 garments as suggested by the National committee. Last May 184 boxes with a total weight of 6,180 pounds, a net three tons of clothing was sent from here in the United National Clothing Collection.

Climbing Ladder

Before climbing a step ladder, see that the spreader is fully extended and the footing firm. If the ladder is to stand on a concrete sidewalk or smooth surface, get someone to keep the ladder from sliding. Use board under the base on soft ground. Face the ladder when climbing; don't lean too far out or attempt to carry too heavy a load.

Time to Transplant

Winter is a good time for transplanting. During cool weather there is less loss of moisture from newly transplanted plants and so a better chance of their living. While there may not be any growth above ground, the plant set in late fall or early winter makes root growth and has a chance to be well established by spring.

Blind Able to See By Latest Device

Can Tell Colors by Feeling Reflections of Light.

SANTA MONICA, CALIF.—A revolutionary electronic device which enables the totally blind to "see" enough to distinguish colors on automobiles by feeling the reflections of light" was disclosed by its inventor, Byron Brown.

The device perfected by Brown, an electrical engineer, enables blind persons to "feel" objects in front of them when they don an eyeglass equipped with light-sensitive selenium. It transmits sound to a head-bone behind the ear when obstruction comes between it and light. "He can judge the height, weight and number of persons in front of him," Brown said. "He can tell when automobiles are coming and whether they are of light or dark color. He can even tell when the moon comes out from behind a cloud."

It takes a little time to get used to the device, Brown said. "But after 10 or 12 hours of use, one should be able to thread his way in and out of traffic and have no trouble," he asserted.

The inventor said his "seeing eye" acted on somewhat the same principle as that which enables a bat to fly safely in the dark by throwing sound waves ahead of it which rebound and are picked up by its supersensitive hearing.

No heavier than a normal hearing-aid device, it consists of an eyeglass fitted with two pieces of metallic selenium about the size of a half dollar. One is cut with a hole in its center to transmit perception from surrounding objects, and the other is solid to transmit perception straight ahead.

A battery carried at the side transmits the light to a bone conduction receiver on the side of the head.

At night the selenium may be attached to a flashlight held before the wearer, Brown said. Obstructions in the beam are transmitted to the battery cells.

British Plant Workers Fall to About 800,000

LONDON.—The number of Britons employed in the aircraft industry dropped almost to 800,000 in September and is still decreasing rapidly, the ministry of aircraft production said recently.

The ministry said that "a much smaller number" than 10,000 planes of all types remained on order. Commenting on the society of British aircraft constructors' statistics that 10,300 planes were on order and that 993,000 workers were employed in the British aircraft industry, the ministry said that the figures referred to the British position of last August.

Child Mortality Is Cut 50 Per Cent in Russia

MOSCOW.—Child mortality in the Soviet Union has dropped to less than half the 1940 figure while the birth rate has increased 35 per cent, Maria Kovrigina, vice commissar of health, told a Moscow health conference.

Despite revolutionary changes of the last 30 years and enormous losses through two wars, revolution and famine, medical science has reduced still births and miscarriages, she said. At the same time the population has continued to grow, most of it remaining close to hand, where a high birth rate continues to prevail.

Yanks in Germany Are Ready for Food Rioting

NUERNBERG, GERMANY.—Gen. Joseph T. McNarney, successor to Gen. Dwight D. Eisenhower as American commander in Europe, said that the United States army was ready to handle food riots during the winter.

General McNarney said there might be food riots, but he believed they would be isolated.

"In any case we have enough soldiers on hand to handle anything that may arise," he said. "On the whole I do not expect the trouble to amount to anything."

Justice Blind? No, Nor Funny, Either, Court Shows

VANCOUVER, B. C.—Justice is definitely not to be laughed at in Justice A. M. Manson's courtroom here—nor even smiled at. During a divorce hearing, Manson criticized the conduct of the soldier, respondent in the case, as "disreputable," and commented that he "might be a menace to Canada's future." A man waiting to testify smiled, and the judge ordered him from the room. "I do not permit smiling in my court, at my remarks," he declared.

No Anti-Freeze? Just Use

Vodka, Proves Effective

TIENTSIN, CHINA.—Anti-freeze fluid for automobiles was scarce when a hard freeze hit here but two U. S. information service officials, James L. Stewart, Los Angeles, and Richard W. Beckman, Ames, Iowa, solved the problem.

They emptied three bottles of the potent, cheap and almost undrinkable vodka sold here into their auto radiator. It worked.

VOCATIONAL BOY ESTABLISHES AN ENVIABLE RECORD

Concluded from page 1.

of production females, there were only 235 animals that had qualified two or more litters by Jan. 1. The highest weight to date was 767 pounds made on a litter of nine pigs. The highest weight turned in for the Poland China breed in 1945 was 514 pounds, one pound under Langenburg's record, and the highest to date since the beginning of records by the Poland China people was 670 pounds on a litter of 12 made up at Austin, Minnesota, the place where the National Barrow Show will be held in September. This show is to the swine industry what the Chicago International Livestock Show is to the beef industry.

The Duroc-Jersey Association a few years ago inaugurated a National Litter contest in which any one having a female that was predominantly Duroc breeding and was mated to a purebred Duroc-Jersey male could enter the resultant litter in the contest, the aim of which was to see who could produce the greatest amount of pork from one litter in 180 days. In 1944 there were 92 who accomplished 2,000 pounds or more, the highest being 4,080 pounds and in 1945 154 were above the 2,000 pound mark with the winner making 4,044 pounds. In these years the winning weights were made on litters of 15 and 16 offspring respectively. The highest litter weight by the Duroc-Jersey breed in this contest in 1944 was 786 pounds. The 1945 results were not available.

Cass City 4-H and F. F. A. young people have fattened and marketed some 43,000 pounds of pork within the last year and have at this time on feed over 90 animals which will be sold before the close of the school year. Several have produced excellent gains on exceptionally low amounts of feed for each 100 pounds of live pork produced. One boy has succeeded in producing pork at a feed cost of under six cents per pound of gain.

Many of the young people have reinvested their profits in breeding animals and several more expect to purchase females within the next six weeks. Most of these will be farrowing before May so lots of competition is expected. The boys would like to invite the farmers of this area to join in the competition for the highest weight at 56 days or the highest litter weight in 180 days.

A few of the interest facts revealed in the first attempt locally in this type of contest were that not only was it possible to maintain the pre-farrowing weight and flesh of the sow but to feed her so that she would actually gain an estimated 30 pounds in the 56-day period; also, that it was possible to induce little pigs to begin eating from a self-feeder at one week of age; too, that both the mother and the young preferred water to buttermilk for the greater part of their drink. They had water available in a float controlled bowl after about the sixth week. Young pigs could be successfully reared inside on concrete without any difficulty by simply supplying a few cents worth of ferric sulfate in solution to the young and small quantities of concentrated cod liver oil in the grain mixture to compensate for the direct sunlight which they did not enjoy inside.

Only 1 in 200 Affected
Tuberculosis is present in fewer than one productive dairy cow of each 200 in every county of the U. S.

HERE'S SOME FRIENDLY ADVICE ON CAR BUYING

Triple savings are possible through the State Farm Bank Plan!

Right now's the time to plan your savings—BEFORE you buy a new car or trade in your old one. Simply do these 3 sensible things:

1. GET CASH!—by borrowing at low, reasonable rates, from your friendly local banker.
2. PAY CASH!—often you may get a better deal.
3. SAVE CASH ON INSURANCE—by getting State Farm's low-cost, broad-coverage policy.

DON'T SIGN any car-financing contract until you're sure! See me FIRST!

Bowling

City League.

Bowling standings at close of the third week of schedule:

Teams	Won	Lost
F. Novak	8	1
Wooley	8	1
Landon	7	2
DeFraia	7	2
Larkin	6	3
Reid	6	3
E. Fritz	5	4
Kirton	4	5
Willy	4	5
Wilson	4	5
Gross	3	6
Kolb	2	7
McCullough	2	7
Ludlow	2	7
Hoffman	2	7
Retherford	2	7

Ten High Average Bowlers.

Landon 187, D. Kilbourn 186, Kolb 173, E. Fritz 173, F. Novak 172, McCullough 170, Ludlow 169, Reid 168, Larkin 166, Willy 166.

Five teams, Kirton's, Wooley's, Reid's, Landon's and Novak's, all won their last three games to bolster their standings in the league. The Novak and Wooley teams are at the moment holding the league lead but they will be pressed to their limit if they are able to retain their standings as there are 12 more weeks of bowling before the season's close. The cellar position is cluttered up with five teams, any one of them capable of dishing out plenty of trouble to the teams above them.

The Novak team has accumulated the largest pin totals to date and appear to be one of the better organized fives at this time. Their leadoff man, Don Kilbourn, has been a big help to his team as his first nine games in which he has bowled has given him an average of 186 pins per game and just one point below the league leader, Mac McCullough was the outstanding bowler for the week when he rolled a three-game total of 676 pins. His big game of 278 pins is the highest game rolled so far this season on the local alleys and is the third highest game ever rolled in Cass City. It equals a game that Manager Larkin posted several years ago. Mac's donation to his team's totals helped them to win a couple of games. Others who bowled good totals were D. Kilbourn 621, Landon 609, and Wallace 554.

The following bowlers whose averages have climbed to the point where they may shortly be seen listed among the high ten bowlers of the league are: Wooley, Wal-

lace, Milligan, Retherford, Wilson, Kirton, Gross, Hoffman, Allen, Knoblet, Auten, Keppen, Bogart. Games of 200 or better, McCullough, 278-200, D. Kilbourn 284, Landon 284-212, Kirton 213, Steinman 208, H. Bogart 200.
Guy W. Landon, Secretary.

Parsch	31	37
Larkin	25	43

Hybrids Popular

Nearly two acres out of every three of the corn crop this year were planted to hybrid corn.

Washing Woollens
With care, many woollens can be washed successfully but one rule will not guarantee success at all times. For best results use lukewarm water, a very short washing time, and mild soap. Shrinking and felting are caused by hot water, alkali and agitation. Controlling these conditions will give the best results possible, but woollens are unpredictable and water alone with no soap or washing action will cause many of them to shrink. Manufacturer's directions should be followed on this question of washing all woollens.

Concentrated Heat

A lump of anthracite contains about 1½ times as many heat units as the same volume of gasoline, twice as many as the same volume of coke, four times as many as seasoned hard-maple firewood.

Help your car Get the jump on TROUBLE

One of the main reasons why cars break down and wear out is lack of good lubrication. Right now, you know, it is more important than ever that you keep your present car running in good shape—and the best lubrication, such as Gulfex Registered Lubrication, to help you do that costs no more than ordinary "greasing". Come in today for Gulfexing. It's done with 6 scientifically developed lubricants.

GAGETOWN NEWS

The Woman's Study club met on Monday evening with Mrs. L. C. Purdy. Roll call, Latest Invention. Short papers were given—Cellophane; Miss Edith Miller; dry ice; Mrs. Harry Comment; synthetic silk; Mrs. J. L. Purdy; plastics; Mrs. Stanley Muntz. The next club meeting will be held Feb. 18 at the home of Mrs. Harry Comment.

Mrs. Earl Hurd entertained two tables of pedro Wednesday evening of last week. Those present were Mesdames E. Fischer, Jos. McDermid, Howard Loomis, Olin Thompson, Wm. Proffit, Bert Clara, Geo. Sampson and J. L. Purdy. Refreshments were served.

Mr. and Mrs. Harlan Hobart and family visited Mr. and Mrs. Anthony Carolan of Bay City Sunday.

The North Elmwood Extension group met last Thursday at the home of Mrs. Howard Loomis. The leaders were Mrs. Leslie Hurd and Mrs. Earl Geer and gave lessons on decorating lamp shades. The same lesson was continued this week Thursday and was held in the basement of the Methodist church.

Mrs. Lawrence Hahn of Detroit spent the week end with Mr. and Mrs. Lloyd McGinn and Sunday was the guest of Mrs. Charles Spring at the Hutchinson Convalescent home in Cass City.

Mr. and Mrs. Dennis Rocheleau and Mr. and Mrs. James E. Phelan left Monday to visit relatives and friends in Detroit, Chicago and Madison, Wis.

Mr. and Mrs. Clem Lenhard of Saginaw were Sunday guests of Mr. and Mrs. Alphonso Rocheleau. Mr. and Mrs. Lawrence Salgat and family were Sunday guests of Mr. and Mrs. Mose S. Karr.

Russell Mackay, who was with the armed forces over three years, received his discharge and is visiting his parents, Mr. and Mrs. John Mackay. He was stationed in Baltimore, Md., and Alameda, Cal. Mrs. Mackay and daughter of Detroit are also visiting at the Mackay home.

Don Wilson and sons were in Detroit Saturday.

Dr. H. J. Shannon of Detroit spent from Friday until Sunday with his mother, Mrs. Mary Germain.

James Mosack, who is attending Assumption college, Windsor, Ont., spent the week end with his parents, Mr. and Mrs. A. J. Mosack.

Mrs. Edna Miller, Mrs. L. G. Cummings, Dr. June MacRae, Mrs. Roy LaFave, Mrs. Don Wilson, Mrs. John Malling, Miss Edith Miller, Mrs. Robert Cartwright, and Miss Florence Lehman were entertained for supper at the home of Mrs. L. D. MacRae in Bay City Sunday in honor of the birthday of Miss Florence Lehman. Prizes were won by Miss Edith Miller and Mrs. Don Wilson.

Mr. and Mrs. Dan McKinnon of Detroit were Thursday and Friday guests of the former's parents, Mr. and Mrs. Neil McKinnon.

STILL TIME!

Back in the days of the pure and unsophisticated Chautauqua lectures there ranged the country a certain inspirational speaker with a choice collection of sad, sobby stories with a moral. In the small communities his renditions were received with great acclaim.

One night this "sob speaker," with tears streaming down his cheeks and his face distorted with anguish, was telling an audience how his little Sarah Ann went home to the angels with her little doggie clasped tightly in her arms.

"Oh, Lord," he sobbed, arms raised to heaven in agonizing supplication, "Oh, Lord, why couldn't You have taken me instead?"

From the rear of the tent came an eager cry, "It ain't too late, Lord; do it now!"

GOOD REASON

Jerry—Why did you buy that hat?
Joan—Because I couldn't get it for nothing!

Serious Illness

Phil—I hear your wife is quite ill. Is she dangerous?
Bill—Not any more. She's too weak now to be dangerous.

Watta Girl!

Hubby—I hear Betty was the life of the party.
Wife—Yes. She was the only one who could talk louder than the radio.

Big Ideas

Mr.—It says here that rheumatism causes a man to imagine that his joints are larger than they actually are.

Mrs.—I know; our butcher has it.

Keep Pot Clean

Boil the coffee pot with a little soda added to the water to remove stains and that stale taste.

Sheep Rid of Ticks By Improved New Dip

Rotenone Basis of Effective Treatment

Sheep ticks are widely distributed throughout the United States. Unlike the true tick, they do not stay attached to one place, but move about in the fleece, making a new puncture each time they feed.

An economical and effective dipping solution for ridding sheep of

Enlarged male sheep tick. They are easy to kill by the new rotenone dip.

these ticks has been developed at the University of California. It consists of six ounces of darris powder containing 5 per cent rotenone to 100 gallons of water.

Considerable labor is saved as the solution is easy to prepare and one treatment is sufficient. The rotenone kills not only the adult tick but the eggs as well, and remains effective in the fleece for several weeks. The cost of the new dip should not exceed 20 cents per 100 gallons. Allowing for replacement of dip, the solution should not cost more than 1 1/4 cents for each animal.

Improved Machinery Silent Tractor

New silent type tractor which has recently been placed on the market.

A silent tractor, particularly good when the power takeoff is used around the poultry or dairy barns. There are 42 known uses for the power takeoff, such as churning, separating, feed grinding, pumping and spraying.

The Bear Cat tractor, made by Ellinwood Industries, Los Angeles, is 80 per cent quieter than standard models, due to new improved type of muffler.

New Lamb Brooder

Most of the materials needed for this electric lamb brooder can be found about the yard or farm. A one-pound coffee can is suggested for the reflector. If available, instead of wood, celotex or plywood is ideal material for this type of brooder.

A 100-watt light bulb will prove satisfactory, with hardware cloth to cover reflector hole. Burlap, canvas or similar material may be used for curtain.

Result of Terracing

Farmers have had the value of terracing, along with other improved farming methods, brought home to them forcefully by the war and its requirements.

Better yields result when sloping lands are terraced to control erosion and conserve moisture, particularly when supplemented by the best cropping practices. The type of soil, degree of slope and amount of water to be handled determines the type of terrace best suited.

CARLOAD OF GALS

Phil—Tell me, why do you call this lovely car a "crate"?
Bill—Because I often pack it full of peaches.

Record Keeper

Mrs.—Starting the first of the year I'm going to keep a diary of all our quarrels.

Mr.—Oh, a scrap book, eh?

Hard to Do

Bill—It seems to me that your wife has been wearing a strange expression lately.

Mr.—Yes, she's trying to look like her latest photograph.

Dream World

John—I had an awful nightmare last night.

Don—Yes, I saw her with you at the dance.

Word Starts Trouble

Betty (working cross-word puzzle)—What's a three-letter word meaning a female sheep?

Billy—Ewe!

Betty—Fresh!

Handicapped

Harry—You look very sad. Why don't you drown your troubles?

Tom—I'd like to, but she won't go swimming with me!

Foresight

John—Aren't you afraid your creditors will see you eating in this expensive restaurant?

Don—No, it's the safest place. They can't afford to come here.

It Often Happens

Mr.—I just saw a terrible accident in the bus.

Mrs.—What was it?

Mr.—A woman had her eye on a seat and a man sat on it.

Double Edged

Book Agent—Please don't bother to see me to the door.

Mrs.—It's no bother at all, really, it's a pleasure.

Domestic Courts

Mrs.—A lot of women are taking up law these days.

Mr.—Yes, and a lot more of them are laying it down.

In Training

John—Bill has been sleeping up in a tree for a week now.

Don—What for?

John—He wants to go to Washington, D. C., for a few days.

ELECTRICITY TO COST YOU LESS

TO OUR CUSTOMERS:

With the new \$3,000,000 rate reduction which is now effective, Detroit Edison customers start out 1946 with electricity at still lower prices. While almost everything else is going up, Edison prices are coming down. Your electric rates here compare very favorably with those of other large cities and this new \$3,000,000 rate reduction is among the largest made by this or any other electric company in recent years.

So—electric rates are low and we believe customers feel service quality is especially high. Our customers who come to this area from other communities realize there can be no fair comparison of rates without considering the quantity and quality of extra service included in the regular charges. Detroit Edison is recognized in the utility field as giving service that is unequalled elsewhere. It is one of only six companies in cities of 50,000 or more people which replaces customer lamp bulbs without added charge.

Detroit Edison provides fuse replacements, exchanges appliance cords and repairs some appliances free—free in the sense that it is included as a part of our electric service without extra charge. Fair comparisons cannot be made without recognizing that this area pays the highest wages in the United States; that the company must buy its coal—almost three million tons of it a year—at a price considerably more than that paid in many other large cities, some of which are much closer to the mines.

Our customers have had plenty of electricity in war time and we are adding another 100,000 horsepower for peace-time growth. There is an ample and cheap power supply through this whole part of Michigan which we serve.

We are glad these lower prices can be put into effect now because U. S. Department of Labor statistics show that, compared to 1935-1939 prices, the cost of living in the Detroit area has increased 31%.

Detroit Edison electricity is down 7 per cent

This reduction is made possible by decreased Federal taxes, our increased efficiencies and the expected greater use of electricity.

Prentiss M. Brown
Chairman of the Board

THE DETROIT EDISON COMPANY

The Price is as Private as the Lock on your Front Door.

Whether the family chooses to spend much or little for a service, the cost is held in strict confidence by us.

Midwinter Weddings Feature Social Calendar

Miss Cliff and Vern Powell Marry

Miss Earline Cliff, daughter of Mr. and Mrs. Lee Rockefeller, of Owendale, became the bride of Vern Powell, son of Mr. and Mrs. Roy Powell, of Cass City. The marriage service was solemnized

Mrs. Vern Powell.

at the Bad Axe Methodist church recently by Rev. Elden Cumming. The attending couple were Mrs. Ardis Allen, sister of the bride, and Pvt. Ira Dean Powell, brother of the groom. The bride chose a gold wool suit and tar accessories and a corsage of carnations, snapdragons and pompons. Mrs. Allen wore an olive green crepe dress with black accessories and a corsage of carnations, snapdragons and pompons. A reception was held at the home of the bride's parents.

Wed in Sheridan Church Rites

St. Columbkille Catholic church, Sheridan, was the scene of a pretty wedding Saturday morning, Jan. 26, at ten o'clock, when Miss Anna Sweeney, daughter of Mr. and Mrs. James Sweeney, of Sheridan, became the bride of Douglas McIntosh, son of Mr. and Mrs. Angus McIntosh, also of Sheridan. Rev. Edward R. Wern conducted the Nuptial High Mass in the presence of a large number of relatives and friends. Miss Marie Weln of Tyre played the wedding march.

The bride who was given in marriage by her brother, Neil Sweeney, wore a floor-length gown of white satin and net. Her fingertip veil was attached to a beaded tiara. She carried white roses and gladioli on a white prayer book tied with long white streamers. She wore a string of pearls, a gift of the bridegroom.

Miss Susanna Sweeney, sister of the bride, was maid of honor. She wore a floor-length gown of pink net.

Mrs. Sidney Steinhauer, sister of the bridegroom, and Miss Lormia Ternes, who were bridesmaids, wore floor-length gowns of pale blue. They all wore matching shoulder-length veils and carried bouquets of pink roses and white carnations. They wore pearls, gifts of the bride.

Archie McIntosh, brother of the bridegroom, and Hugh O'Henley attended the bridegroom. James and Dolan Sweeney, brothers of the bride, ushered.

Mrs. Sweeney, mother of the bride, wore a black dress. Mrs. McIntosh, mother of the bridegroom, wore a navy blue dress. They both had corsages of red roses tied with white ribbon.

A dinner was served at noon to 100 relatives and friends in the parish hall. A three-tiered wedding cake, topped with a miniature bride and groom, centered the bridal table. Later in the afternoon a reception was held in the Sweeney home for many neighbors and friends. In the evening, a dance was held in Ubyly high school.

Guests were from Chicago, Detroit, Bad Axe, Ubyly, Tyre, Rapson and Bay City.

The bride was honored at showers given by Miss Virginia Sowden of Cass City and Mrs. Angus Sweeney of Sheridan before her wedding.

After a short honeymoon, Mr. and Mrs. McIntosh will make their home in Sheridan.

Candlelight Wedding in Sandusky Church

The Reorganized Church of Jesus Christ of Latter Day Saints, Sandusky, was the scene of the beautiful candlelight wedding ceremony of Miss Ilene M. Dunlap and Ronald L. Warren at seven o'clock Saturday evening.

The bride was lovely in a pure white gown made with a bodice of brocade satin and the yoke, full skirt, and train of chiffon. Wide lace edged the yoke and fell in redingote style from waist to hem continuing around the train. Her fingertip veil was edged in match-

ing lace and held with a beaded crown. She wore a three strand pearl necklace, and carried a bouquet of white roses with pink flowers on the streamers. She was given in marriage by her brother, Wm. R. Dunlap.

The bride's sister, Miss Lillian M. Dunlap, was maid of honor, and here niece, Miss Betty Ann Krizman, was bridesmaid. They were dressed in blue and pink respectively. Their gowns were made alike with faille bodices and full net skirts. Each wore a matching sweetheart bonnet and veil and carried a bouquet of pink snapdragons and blue iris.

The groom was attended by his close friend, Eric B. Sautler, of Highland Park. Both the groom and best man were in uniform. The two ushers were Wm. H. Eyo of Royal Oak, brother-in-law of the bride, and Windsor J. Anderson of Iron Mountain, mutual friend of the bride and groom.

The bride's mother, Mrs. Margaret Dunlap, chose for the occasion a silk crepe dress with a floral print and a grey background. She wore wine accessories and a white corsage of carnations.

After the bridal party had reached the altar, Miss Stella Koloski of Hazel Park sang "Because" and "I Love You Truly." She was accompanied by Mrs. Herman Jess of Decker who also played the processional and recessional. Both wore blue gowns and corsages of pink sweet peas.

The marriage ceremony was solemnized by Elder John E. Booth of Sandusky before a group of relatives and close friends. After the wedding ceremony Mr. and Mrs. Warren were honored at a reception held in the Shabbona Community hall. Immediately following the reception, they left on their wedding trip.

The bride is a graduate of the Cass City high school and Bay City Business college and has been employed at secretarial work in Detroit for the last two years. The groom has been a Major in the Army and was recently discharged.

Troth Told

Mr. and Mrs. Clifford W. Demo of Cass City announce the engagement of their daughter, Shirley

Miss Demo.

Louise, to Harry Fitzmaurice of Bay City. No date has been set for the wedding.

Clarence Wright Marries Detroit Girl

Rev. M. R. Vender officiated at a ceremony in the Presbyterian manse Saturday at 11:30 a. m. which united in marriage Miss Catherine Leblong of Detroit, daughter of Mr. and Mrs. Michael Leblong, of Sandusky and Mr. Clarence F. Wright, son of Mr. and Mrs. Fred Wright, of Cass City. The rites were witnessed by 14 near relatives of both parties who came from Caro, Detroit and Sandusky.

The bride chose a street-length dress of gray crepe with a corsage of yellow and red roses and her attendant, Miss Aurora Grandlette, wore a street-length dress of pink crepe and her corsage was of all white flowers.

Thos. Leblong of Detroit, brother of the bride, was best man.

Following the ceremony a dinner was served at the Fred Wright home for the wedding party and guests. The bride's cake was white, trimmed in pink, and topped with a miniature bride and groom.

After a short wedding trip, the couple will live in Cass City where the groom will be employed with the Nestle's Milk Products, Inc.

The bride was graduated from the Sandusky high school in 1942 and has since been employed in Detroit.

The groom is a member of the class of 1941 of the local high school. He was discharged from the Army in December, following more than three years' service most of which was spent in India.

A reception for the newlyweds will be held Saturday evening, Feb. 16, in the home of the groom's parents.

See page 5 for the want ads.

Local News

Mrs. Lester Auten spent Monday and Tuesday in Lansing.

Pvt. Billy Philp spent the week end with Mr. and Mrs. James Pethers.

Mr. and Mrs. Gravenor Oatley and son, David, of Flint were Sunday dinner guests of Mr. and Mrs. Harold Oatley.

Week-end guests of Mr. and Mrs. Fred Ryan were their son and daughter-in-law, Mr. and Mrs. Clayton Ryan, of Ypsilanti.

Mr. and Mrs. Floyd O'Rourke and daughter, Florence Jean, spent Sunday with Mrs. O'Rourke's parents, Mr. and Mrs. Jacob Deering, at Elkton.

Miss Mable Brian is recovering from an attack of the flu. Mrs. Jos. Dodge is also able to be around again after an attack of the flu and a relapse.

Mrs. Arthur Little and daughter, Lois, visited Mr. and Mrs. Harry DeNoyelles at Colwood Sunday and at the Robert Milner home, north of Caro.

The Ladies' Neighborhood Bible class will meet this (Friday) evening, Feb. 8, with Mrs. F. L. Morris. The group will study "Christ's Second Tour of Galilee."

Miss Helen Kelly, R. N., Miss Thelma Sickler and Miss Mary Kelly spent Sunday in Ann Arbor where they visited Thomas Kelly, who is a patient in St. Joseph's Mercy hospital.

Harry Tepley of Detroit spent the week end in the Thomas Keeney home. Mrs. Tepley, who had spent two weeks here because of the illness of her mother, Mrs. Keeney, returned home with her husband on Sunday.

Friends of James Mulady are missing him this week, Jim having left to make his home in Detroit. Mr. and Mrs. George Clark of Detroit spent the week end here and took him to their home. Mr. Clark is the lad's uncle.

Mr. and Mrs. George W. Phelps and son, Lt. Donald G. Phelps, of Mt. Clemens were guests of Mr. and Mrs. James Pethers Thursday and Friday of last week. Lt. Phelps and Miss Betty Haugan of Sioux City, Iowa, will be married in Sioux City Feb. 16.

The Cass City Extension Group No. 1 will meet Tuesday, Feb. 12, at 6:30 at the home of Mrs. Ralph Youngs. Members who have completed articles since the last meeting are kindly requested to bring them and those who are making lamp shades are asked to bring frames to be covered.

Rev. and Mrs. Lorne Lee left on Monday to attend the midyear ministerial district convention of the Church of the Nazarene until Friday at the First Church of the Nazarene in Lansing. Mrs. Lila Tracy and Mrs. Margaret Tracy left Tuesday to attend the same meetings.

Mr. and Mrs. Lyle Wallace of Mio were guests of Mr. and Mrs. Alva MacAlpine from Tuesday until Saturday. Mr. Wallace was recently discharged from the service. Mr. and Mrs. Chas. M. Wallace of Rose City came with them and spent the time visiting relatives in and near Cass City.

Week-end guests of Mr. and Mrs. Richard Edgerton were Mr. and Mrs. John Snooks and son, Donald, of Detroit. Other guests on Sunday were Mr. and Mrs. Lloyd Wismer of Richmond and children, Lloyd, Jr., and their daughter, Mary Jane, who is just seven weeks old. Mrs. Snooks is a daughter and Mr. Wismer a son of Mrs. Edgerton.

The fire department responded to an alarm Sunday at 9:15 a. m. when the house belonging to Mr. and Mrs. Andrew Olsoway, at the foot of Fourth street, was discovered to be on fire. It was necessary to cut two holes in the roof before the fire was brought under control and considerable damage was done. Mr. and Mrs. Norman Gray occupy the second floor in the Olsoway home.

Mr. and Mrs. Irvine A. Striffler of Marysville, Ohio, came Saturday to spend the week end with their mother, Mrs. G. A. Striffler, at the James Pethers home and help celebrate her birthday which was Sunday. A birthday supper was served Saturday. Mr. and Mrs. Fred Buehly and Mr. and Mrs. Andrew Seeger and daughter, Sharon, helped to celebrate Mrs. Striffler's birthday on Sunday.

Funeral services for Frederick N. Sweeney, four year old son of Mr. and Mrs. Angus Sweeney of Sheridan township, were held Friday morning in Sheridan Catholic church, with burial in the church cemetery. The boy, a nephew of Mrs. Marie Sullivan and Miss Caroline Garety, died Jan. 29 in Hubbard Memorial hospital in Bad Axe as the result of a ruptured appendix. He was born July 29, 1941, and is survived by his parents, a sister, Mary Louise, and a brother, James, at home and his grandparents, Mr. and Mrs. James Sweeney, of Ubyly and Mr. and Mrs. James Garety, of Cass City.

Miss Helen, Bolla of Caro spent the week end with Mrs. Charles Peasley.

Mrs. Goldie Burgess spent a few days this week with her sister, Mrs. Chas. Seekings, in Elmwood.

Mrs. Vera Harrison and daughter, Margaret, were week-end guests of Mrs. Jos. Frutchey in Saginaw.

Mr. and Mrs. Murray DeFrain entertained at dinner Monday evening, Mr. and Mrs. Emerson Wood of Harbor Beach.

Oakley Phetteplace of Ypsilanti came last Thursday and was a guest of Mr. and Mrs. Leonard Urquhart for several days.

Mrs. Clifton Hill and Miss Joanna MacRae of Detroit spent the week end here. Mrs. Hill visited with her parents, Mr. and Mrs. R. J. Knight.

Mr. and Mrs. Park D. Russell and Mrs. Hazel McAllister of Argyle were visitors Wednesday afternoon of Miss Mabel Spaetzel at the Morris hospital.

Mrs. Mary Melzer has sold her farm in Evergreen township to Roy Newsome. Mrs. Melzer gives possession Mar. 1 and expects to move to Cass City if living quarters can be found.

Mr. and Mrs. Meredith McAlpine and children and friends, Mr. and Mrs. Fox and Henry Pierce, all of Detroit, spent the week end with Mrs. Archie McAlpine. Dick McAlpine remained to spend the week with his grandmother.

Week-end guests of Mrs. Alex Henry were; Delbert Henry, Mrs. Esther Smith, daughter, Miss Betty Ann, and granddaughter, Susanne Smith, all of Detroit. Mrs. Clara Cridland joined the group for Sunday dinner.

Thirty-five enjoyed dinner on Wednesday when the Ladies' Aid of the Church of Christ met with Mrs. Stephen Dodge. Table and flower collection amounted to \$23. The March meeting of the society will be with Mrs. Wm. Lerner.

Mr. and Mrs. E. W. Kercher and Mrs. E. A. Corpron and daughter, Elnora, were in Saginaw Friday night to attend the General Platoon Don Cossack Russian Chorus and Dancers concert under the direction of Nicholas Kosturkoff, conductor.

Murry DeFrain went to Port Huron Sunday to bring home Mrs. DeFrain and son, David, who had spent the week end there. Mrs. DeFrain visited her mother, Mrs. Walter Walsh, and her brother, Dale Burley, who had recently been discharged from the Service.

Keith McConkey is chairman of the refreshment committee for the next regular meeting of Echo chapter, O. E. S., to be held on Wednesday evening, Feb. 13. Other members of the committee are Mrs. Harold Murphy, John West, Mrs. J. H. Bohnsack and Mrs. Harry Young.

Eighteen ladies attended a meeting of the Bethel Extension group Tuesday at the home of Mrs. Homer Muntz. Following the potluck dinner at noon, the lesson on "Making Lamp Shades" was presented by Mrs. Howard Helwig and Mrs. Glen Deneen. The February meeting will be with Mrs. Hermon Charter.

Mr. and Mrs. Keith McConkey entertained relatives Sunday at dinner in honor of the recent arrival home from overseas of Mrs. McConkey's brother, T.V. David Knight. Other guests besides Mr. and Mrs. David Knight were Mr. and Mrs. Robert Knight of Grant township and Mr. and Mrs. Ephraim Knight and two children and Mrs. Edward Knight.

Bobby Miller, the five year old grandson of Mr. and Mrs. Orris Reid, former residents here, is a patient in St. Joseph's hospital in Mt. Clemens, recovering from head injuries sustained last Saturday at six p. m. when the child ran into the path of an automobile, while on an errand to a grocery store. The driver of the car gave all possible assistance in getting the youngster to the hospital and friends will be glad to know that he is on the way to recovery.

Mr. and Mrs. Edward Graham of Farmington spent the week end with the former's parents, Mr. and Mrs. C. L. Graham. Mrs. Alfred P. Hall of Caro also came for Sunday dinner and while here received word that her husband, First Sgt. Alfred Hall, returning home from overseas, would arrive in Detroit Sunday night. Mrs. Hall accompanied her brother and sister-in-law, Mr. and Mrs. Edw. Graham, to Detroit to meet Sgt. Hall.

The family of Mr. and Mrs. R. D. Keating were reunited over the week end at their parental home here. Mr. and Mrs. Leslie Karr of Traverse City spent from Friday until Monday here and Miss Mildred Karr of Lansing and Mr. and Mrs. Robert Keating of Ypsilanti also spent the week end here. Other guests for dinner on Sunday were Mr. and Mrs. H. F. Keating, Mr. and Mrs. Eugene Keating and little daughter and Edward Keating, all of Detroit. Eugene and Edward Keating, sons of Mr. and Mrs. H. F. Keating, have recently been discharged from the Service.

New Horizons

(WNU Service)

Relatives from a distance who were guests in the home of Mr. and Mrs. Lloyd E. Karr Sunday, Feb. 3, at a dinner honoring the 60th wedding anniversary of Mrs. Karr's parents, Mr. and Mrs. Albert Ottaway, of Sebawaug were: Mr. and Mrs. Floyd Fraser, Mr. and Mrs. Ina Frazier and Mrs. Emma Lee Frazier, all of Flint; Mr. and Mrs. Fred Hiller of Detroit; Mr. and Mrs. George Foster and grandson, Richard Downing, of Caro; Harold Huffman of Camp Cook, California.

The Misses MacArthur entertained their nephew, Douglas MacArthur, of the Barksdale Air Field, Shreveport, La., a few days this week. He left Wednesday to visit with other relatives in Detroit. He is the son of the late Duncan MacArthur, brother of the MacArthur sisters, and Mrs. MacArthur of San Diego, Cal. Douglas has been in the Service for three and a half years and is enjoying a 90-day furlough.

DEFORD

A group of the members of the Woman's Christian Temperance union of Cass City, Greenleaf and Deford held a very interesting institute on Tuesday in the Deford Methodist church. The number in attendance was not large but that in no way limited the personal good derived by those present. The question box was interesting and discussion of the various thoughts brought out by the questions submitted were quite enlightening. A beautiful potluck dinner was enjoyed together in the dining room. Mrs. Genie Martin of Cass City, district president, presided.

Mr. and Mrs. Arleon Retherford are the parents of a very charming little daughter, Sandra Joyce, born Jan. 30. Arleon stands about three inches taller than usual.

Mrs. Norman Martin has been not very well this winter. Another attack of pleurisy on Sunday necessitated a doctor's visit.

The Woman's Society of Christianity Service will observe family night this (Friday) night in the church at eight o'clock. Supper with free will offering. Everybody welcome to attend.

The Farmers' club will meet for dinner Feb. 15 at the home of Mr. and Mrs. Walter Kelley.

Warren Churchill is again with Mr. and Mrs. Kenneth Churchill after a lengthy absence at Pontiac and elsewhere.

Mr. and Mrs. Joe Kelley of Saginaw were week-end visitors of relatives in Deford.

The 4-H club members met on Tuesday evening at the school building.

Week-end visitors at the Chas. Vaskovitz farm were their daughter, Maryellen, from boarding school, Miss Susan and Doris Pearsall, Mr. and Mrs. Albert Pearsall of Kingston, Mr. and Mrs. Jack Thompson of Bay City. Mr. St. Clair is feeling better but is still in the hospital.

The danger from contagion from mumps seems to have passed away, but the pessimistic idea presents itself, some other epidemic can easily come.

Mr. and Mrs. Horace Murry were Sunday dinner guests of the latter's parents, Mr. and Mrs. Roy Marra, in Caro.

Mr. and Mrs. J. Wells Spencer have been absent for some time visiting their children in Pontiac, and they were also in Illinois. On Thursday, they were callers here at their farm home, but will visit elsewhere before remaining here. Mr. and Mrs. Alvah Spencer and family of Auburn Heights spent Friday at the home of their parents, Mr. and Mrs. Geo. Spencer. Mr. and Mrs. Spencer also enter-

Class Dinner Party Held at Manse

Members of the Older Youth and Young Adults class of the Presbyterian church school were guests of Mr. and Mrs. M. R. Vender at a dinner party Friday evening.

The class was newly organized in October with Mrs. Vender as teacher. Twelve members attended the party Friday evening. Following the dinner, the pastor-host discussed the merits of such a group in the church school, the value of choosing a class name and course of study. The group is looking forward to other social gatherings and creating added class enrollments. The party adjourned at 9:30 p. m. to attend the basketball game.

Mr. and Mrs. Kenneth Warner of Saginaw were week-end guests of the former's parents, Mr. and Mrs. Hazen Warner.

Miss Mary Molnar had the misfortune of painfully injuring her hand.

Mr. and Mrs. Joe Molnar, Sr., entertained for the week end their daughter and husband, Mr. and Mrs. Rudolph Palmer, of Detroit. Mr. and Mrs. Leslie Drace were week-end guests in Rochester.

Miss Christine Purdy of Saginaw spent a few days with her parents, Mr. and Mrs. Fred Purdy.

Mr. and Mrs. Chas. Sherman of Bay City were Sunday dinner guests of Mr. Sherman's mother, Mrs. Ruth Sherman. Wednesday, Feb. 6, was the 83rd anniversary of Mrs. Sherman's birthday.

Bob McArthur, of the Navy, at home on leave, is visiting in Pontiac. He will leave on Saturday for his base.

EXTENSION COURSES WILL START TONIGHT AT CARO

The first sessions in two extension courses for Tuscola county teachers will be held at the courthouse at Caro tonight (Friday). The course on Shakespearean Tragedy opens at 6:00 p. m. and will be taught by Miss Cooper and the second course follows at 7:45 when the subject will be "Geography of Europe" taught by Dr. Potter. Both instructors are from the State Normal college.

Credit earned at these extension courses may be applied on any county or state limited renewals as well as an A. B. degree.

I WISH to express my appreciation to Harold Jackson, mail carrier, and Mr. Guilds, milk hauler, for their faithfulness during the stormy weather this winter and to the county for their efforts in keeping the roads open. Men like Jackson and Guilds as well as many other good men of Cass City must have inherited such good traits from their forefathers. E. A. Cones. 2-8-1p

The want ads are neway too.

Army Plans School
Work in TrainingSeek to Prevent Break in
Studies of Youth.

WASHINGTON. — The army is making plans to assure the least possible interruption in scholastic studies of youths during their year of service under the proposed universal training program, it was learned recently.

Officials hope the plans will counteract the opposition of education groups. The army's aim would be to provide its trainees with the educational facilities that would be available if they were holding down a full time job in an American city.

For illiterates, schooling to the fourth grade level would be part of the training. For all others, education would come outside regular training hours.

In addition to the extension courses, the correspondence courses of the armed forces institute would be available. These include the institute's own 230 courses, plus about 700 courses offered by 85 colleges and universities.

At each post an education officer and a staff of professional educators would provide trainees educational guidance. They would advise trainees of college entrance and scholarship requirements.

At the request of educational institutions, they would give college entrance and scholarship examinations. They also would be prepared to give proven aptitude tests to assist trainees in choosing future courses of study or vocations.

To assist its educational program, the army contemplates appointment of a committee of nationally recognized leaders in elementary, secondary, vocational and higher education. This committee would include representatives of labor, management, the learned professions and agriculture.

Hope of Golden Atom Era
Is Given Knockout Blow

CHICAGO.—The golden age of atomic energy is many years in the future, Dr. Thoms Hogness, director of the atomic bomb project's chemistry division at the University of Chicago, told the City Club of Chicago at a meeting in the La Salle hotel.

The reason why, Dr. Hogness said, is the cost of converting uranium into the element U235 and transforming that into energy is vastly greater than the cost of coal to create an equivalent amount of electric energy.

"Nature already has given us plenty of cheap fuel for hundreds of years to come," Dr. Hogness said. "So from the power standpoint alone, atomic energy will bring no great change. At best, U235, for a long time to come, can become only a high priced premium fuel to be used on submarines, battleships, colossal airplanes, and other specialized devices and in extremely inaccessible locations."

You'll Top Grandpa's Age
By at Least 15 Years

LOS ANGELES. — The average American will live to be 15 years older than his grandfather, Dr. Samuel M. Levine of Harvard medical school told the 15th annual symposium on heart disease.

"With the life-age now at 65 years, an increase of 15 years in the last 50 years," he said, "the medical profession is forced to fight against society's No. 1 killer — heart disease."

He explained that the increased expectancy made a larger part of the population older persons, who are more susceptible to heart disease.

"Individual doctors cannot be called upon for research against the disease older people are susceptible to; we must have a nationally financed study."

Dr. Levine proposed the money for research be raised from a fund-collecting "National Health Day" on the current President's birthday.

Medici Skeletons Are
Found in Florence Church

FLORENCE, ITALY. — Skeletons of the two famous Medici brothers — Lorenzo the Magnificent and Giuliano — were taken from their 15th century graves beneath the Church of San Lorenzo to the Anthropological Institute here.

They will be returned to the tombs when repairs on the church are completed.

The skull of Giuliano has a gaping hole and 19 bone fractures are visible on the right side of the skeleton. He is said to have been assassinated while kneeling at the Altar of Duomo.

The skull of Giuliano has a gaping hole and 19 bone fractures are visible on the right side of the skeleton. He is said to have been assassinated while kneeling at the Altar of Duomo.

Man Wed Ten Times
Dies in Hajj at 127
LONDON. — Haji Ghulam Mahomed, who was married 10 times and had 32 children, died in Burghal, near Bhopal in central India, at the age of 127, a News Chronicle Bombay dispatch said recently.

The eldest of his living children is 85 and the youngest is a child of 3, the dispatch said.

M. S. C. Alumni
Awards District
Chairman Named

Michigan State college alumni are again offering 64 \$135 scholarships—a minimum of one award to each senatorial district in the state—to graduates of accredited high schools, according to Glen O. Stewart, director of alumni relations.

The stipend represents a waiver of tuition by the college, and candidates must have been in the upper one-third of their high school class. Only entering freshmen will be considered, and the scholarships are not available to students who have taken college or university work. All applications must be filed with the district chairman not later than April 15.

Mr. Stewart announced that the chairman on alumni undergraduate scholarships for this district comprising Tuscola, Huron and Sanilac counties is Willis Campbell of Cass City.

WM. T. BROWN DIED AT
PORTLAND, OREGON, FEB. 3

Wm. T. Brown, son of the late Joseph and Ann Brown, pioneer residents of Greenleaf township, died in Portland, Oregon, on Feb. 3. Burial was at Wichita, Kan.

Surviving are his widow; two daughters, Mrs. W. Moore and Mrs. Ben Schermerhorn; and a brother, S. A. Brown. An adopted son, Joseph, a member of the Canadian Air Force, was killed in World War II.

WEEKLY NEWS ANALYSIS

Strike Settlements Pave Way For Quick Peacetime Production; Conservative Bloc Curbs Truman

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

Representative of great scientific advances of day are the huge antennae used to contact moon through radar and jet plane which was piloted across nation in 4 hours and 13 minutes.

ECONOMY:
Clearing Hurdles

With Ford and Chrysler having set a postwar wage pattern, a speedy return to work in major U. S. industries loomed, with the virtual completion of tooling up preaging an early resumption of badly needed civilian production and initiation of a hectic postwar prosperity of at least five years duration.

Oddly enough, the strike situation was broken through collective bargaining processes at Ford and Chrysler without imposition of government pressure on the companies and the CIO-United Automobile Workers units involved in contrast to the situation at General Motors and in the steel and meat packing industries.

Having asked for a 30 per cent wage increase, the UAW finally settled for 15.1 per cent, or 18 cents an hour, with Ford and 16.2 per cent, or 18 1/2 cents an hour, with Chrysler. As a result, Ford production workers will now average \$10.06 a day and those at Chrysler \$10.80.

Though management and labor were seen to be settling their postwar wage differences with a minimum of government interference in standing with President Truman's own affirmation of collective bargaining, traditional American economy, assuring an even break for all parties, dictated the alteration of the administration's stabilization policies.

While admitting the justification for higher wages, Mr. Truman also conceded the necessity of higher prices in some instances to maintain profit margins, with the result that the administration leaned toward what one official called "flexible" price control. While squaring the demands of both capital and labor and avoiding prolonged industrial strife, such a policy would not increase consumer costs more than 5 or 10 per cent, the official said.

SCIENCE:
Moonbeams

When Maj. Edwin H. Armstrong invented the mechanism for establishing radar contact with the moon, he laid the basis for a wide new use of electronics, ranging from possible contact with planet life to solution of basic problems of television.

In commenting upon the historic event, army engineers envisioned the possibility of transmitting bursts of electrical charges toward the planets in the form of code messages and receiving responses if intelligent beings on celestial bodies intercepted and interpreted them. Because such planets as Mars and Venus are 35 million miles distant from the earth in comparison with the moon's 238,000 miles, tremendous power would have to be generated to hope for contact.

In more practical terms, engineers looked to the dispatch of rockets guided by electrical beams to great distances into the stratosphere as a result of the new technique, with radio transmitters installed on the ships automatically sending back meteorological and other data.

Major Armstrong's development of the mechanism for sending high-powered bursts into the heavens also was seen as a possible solution

RETAIL SALES:

Returns for the first 11 months indicate that the value of total retail sales in the United States in 1945 reached the high figure of approximately 74 billion dollars as compared with the previous high record of 69,484 million dollars in 1944.

Retail prices rose in 1945 to a new high peak for the upward trend which began with the outbreak of the war in 1939. Prices in 1945 averaged 40.1 per cent higher than in the prewar year of 1938.

to the perplexing problem of television, whose waves do not bend over the horizon and are limited to 50 miles without special relay equipment. By aiming television waves at the moon through a huge transmitter, it was conjectured, they might be deflected and shed over great distances on their return.

Fast Pace

Pending creation of the atom-driven rocket ship, man will have to be content with the conventional fuel propelled planes, but even here aerodynamic engineers have kept in step with the tremendous developments of the age.

Hardly had the nation caught its breath over the army's radar contact with the moon than Col. William H. Council of the air force roared across the country from Long Beach, Calif., to LaGuardia Field, N. Y., in a jet plane in 4 hours and 13 minutes, and was followed by two other U. S. pilots in similar craft 10 and 20 minutes later.

Burning kerosene in an engine weighing only 1,220 pounds, 48 inches in diameter and 101.5 inches long, the three jets registered over 600 miles an hour at times during the transcontinental hops, with Council's plane hitting a top speed of 680 miles an hour between Chanute Field, Ill., and Akron, Ohio. From Chanute Field to New York, he said, he never saw the ground.

CONGRESS:
Balk Truman

The rough sailing predicted for President Truman's liberal legislative program materialized with congressional defeat of his proposal for retaining federal control over the United States employment service and the formulation of a stringent anti-strike measure.

Chalking up 263 votes to the administration's 113 in the house, a combination of Republicans and conservative Democrats in the house moved to transfer the USES back to the states next June 30. Operating approximately 1,700 offices in 48 states for the purpose of finding work for the jobless and certifying applicants for unemployment compensation, the USES was placed under federal control shortly after Pearl Harbor to facilitate the hiring of people in war industries.

The move to restore the USES to the states represented a victory for states rights proponents jealous of strong centralization.

Steamed up by the recent strike wave, Republicans and conservative Democrats in the house also joined in pushing vigorous anti-strike legislation in place of a diluted version of the President's fact-finding proposal.

Introduced by Representative Case (Rep., S. D.), the restrictive legislation would set up a mediation board of labor and management and would compel disputants first to give notice of a work stoppage and then remain at their tasks for a cooling off period of 30 days. Other provisions would require both companies and unions to observe contracts and make them liable for violations; outlaw unions of supervisory employees, and strip collective bargaining and re-employment rights from individuals or unions charged with forcible picketing or organized boycotts.

Farm Briefs...

Farm tenancy is increasing in Kansas, the nation's premier winter wheat state. Facts on farm tenure show that more than 30 per cent of all the tenants in the state are related to the land owner, more than one-half of the Kansas tenants are on the same farm for less than five years, 60 per cent of leases do not provide permanent improvements, and 65 per cent of the landlords have no written leases.

NAVY:
Atom Tests

In seeking to determine the effects of atomic explosives on naval detachments in tests scheduled in the distant Pacific, the navy will experiment with air, surface and underwater bombing.

Battleships, heavy and light cruisers, aircraft carriers, destroyers and submarines, including some enemy ships, will be used in the tests, with the first involving an explosion several hundred feet in the air to be held in the western Marshall islands early in May. The experiment in surface bombing has been booked for July while the underwater test has been deferred pending further research.

While adaptation of suspended atomic explosives to naval bombing should prove of major interest in determining the possible effects of the new charge on fleet tactics, naval officers were even more intrigued by prospects of surface bombardment which might create waves 100 feet high. Through shock effect, the underwater explosion might be more effective than all others.

BIBLE:
New Version

The first official Protestant revision to be made in 40 years, an Americanized version of the New Testament was scheduled to make its appearance this month. A revised version of the Old Testament will be completed by 1950.

Representing eight years of effort by the leading Protestant biblical scholars, the New Testament was said to retain all of the beauty of the King James version, while using the everyday language of Americans today. Printed in large, clear type on substantial paper, one chapter leads into another like a continuous story.

First copy of the new version was to be presented to former Gov. Harold Stassen of Minnesota, president of the International Council of Religious Education, at a formal ceremony marking the completion of the work at Columbus, Ohio. Officers of the council, scholars who worked on the revision, executives of church boards of education and publishing houses of 40 denominations were to participate.

AFL:
Lewis Back

Returning to "the house of labor" after a long absence during which he organized and later left the CIO, beetle-browed John L. Lewis took his seat on the executive council of the AFL and immediately commented on his possible succession to the presidency now held by William Green.

For 22 years chieftain of the AFL, the 75-year-old Green announced Lewis' return to "the house of labor" which he had helped divide in measured tones, then emphasized his intentions to remain as its head. Return of Lewis and his 500,000 United Mine Workers to the AFL heralded a restoration of labor unity, he said.

Ironically, Lewis' re-entrance into the AFL was smoothed by William ("Big Bill") Hutchison of the Carpenters' union, with whom the doughty John L. had traded punches on the convention floor in Atlantic City in 1935. A staunch Republican, Hutchison patched up his differences with Lewis in 1940, when John L. came out in support of the candidacy of Wendell L. Willkie in opposition to President Roosevelt.

CLOTHES:
Charge Hoarding

As vets and other buyers alike continued their vain search for togs in depleted clothing stores the country over, charges persisted that manufacturers were withholding hundreds of thousands of suits off the market because of price ceilings which they termed inadequate to assure a fair profit.

At the same time, production of men's shirts was said to be lagging because of price ceilings, with small hope for large-scale output even with OPA relief before late summer.

At least 400,000 suits reportedly were being kept out of consumer channels in the East and appreciable numbers also were being held up in the Middle West as manufacturers hoped that shortages might lead to price increases.

RAILROADS:

Abandonment of unprofitable branch lines by the railways of the United States totaled 412 miles in 1945 compared with 640 miles in 1944, 1,096 miles in 1943 and 2,316 miles in 1942, figures reveal.

Continuing the trend that had its beginning after the record abandonments in 1942, of decreasing miles of lines abandoned year by year, those reported for 1945 were the lowest for any year since 1927. In fact, in only one year—1927—have they been less.

RESCUE

Received Honorable Discharge—

T/5 John Ashmore received his honorable discharge at Fort Sheridan, Ill., on Jan. 31. He is the son of Mr. and Mrs. Wm. Ashmore, Sr., of Rescue. He was inducted into the army on Feb. 26, 1943, and spent some time at Camp Sutton, N. C., and at Camp Sibert, Ala. He left for overseas after a year's training and landed at New Caledonia. He was there until July, 1945, when he landed on Luzon and later left for Japan where he had been until he came home. He landed in California Jan. 25 and came to Fort Sheridan and to Detroit on Thursday, Jan. 31, and went to the home of his brother, Samuel Ashmore, and family. He received several medals and overseas stripes. Perry Mellendorf accompanied by Mr. and Mrs. Wm. Ashmore, Sr., went to Detroit Friday and brought T/5 John Ashmore to his home Saturday. A number of relatives and friends met at the Ashmore, Sr., home Saturday evening in his honor. Pop corn, homemade ice cream and cake and cookies were enjoyed by all. The Wm. Ashmore, Sr., family were made twice glad as their other son, Justus Ashmore, of Camp McCoy, Wis., also received his honorable discharge on Friday, Feb. 1, and returned to his home in Cass City Saturday.

Mr. and Mrs. Levi Helwig of Cass City and Norris E. Mellendorf of Port Huron were Monday dinner guests at the home of their mother, Mrs. DeEtte J. Mellendorf.

The W. S. C. S. held their annual oyster dinner at the Twilton Heron home Thursday, Feb. 7.

Mr. and Mrs. David Young of Elkton were Sunday visitors at the home of Mr. and Mrs. Arthur Taylor.

Mr. and Mrs. Ulysses G. Parker and Mrs. Etta Jones of Cass City were callers Monday at the Clayton Gemmell and Arthur Taylor homes. They also attended the funeral services of their cousin and uncle, Oscar Parker, at the Canboro L. D. S. church Monday.

Mrs. Andrew Kozan and children of Cass City are spending the week at the home of Mrs. Kozan's parents, Mr. and Mrs. William Ashmore, Sr.

A number of relatives and friends attended the funeral services of Oscar Parker of Elkton at the Canboro L. D. S. church on Monday. He was a former resident of Grant and well known here.

Mr. and Mrs. David Knight of Cass City visited relatives here over the week end. Mr. Knight just recently returned from Europe and received his honorable discharge. He is the son of Mrs. Addie Knight of Grant.

Mr. and Mrs. Martin Sweeney and Mr. and Mrs. Alex Ross and daughters of Ubyly were dinner guests Sunday of Mr. and Mrs. Kenneth Maharg.

Mr. and Mrs. Floyd Dodge of Cass City will entertain the Grant-Elkland Grange at the Bird schoolhouse Friday evening, Feb. 8.

James Welborn was a business caller in Cass City Thursday afternoon.

City Dwellers

HOUSEHOLD MEMOS... by Lynn Chambers

Serve Salads for Afternoon Snacks
(See Recipes Below)

Entertaining Easily

War-time brought back a simplicity of entertaining which will last for some time. We learned that an elaborate meal need not be served for a gathering to be successful. In fact, the simplest of food well prepared and nicely served will bring cheers from any crowd.

A salad with tiny sandwiches served with tea is ample refreshment for an afternoon meeting of the club. A mouth-watering coffee cake with coffee is ideal for an evening get-together. Chocolate milk and sandwiches or a casserole is perfect fare for the children's party.

With sugar still among the scarce items, it's a good idea to conserve on this precious foodstuff whenever possible. Judicious use of sugar substitutes will pull you through many a scarce period, and salads and sandwiches served with beverages will take care of the other times.

When selecting a recipe, check over the amount of sugar required before starting to mix so that you will not be caught short-handed. Consider also whether it is wise to use, say two cups of sugar for a cake, or whether a cake with half or less of that amount couldn't do just as well. It often will.

Many cookies and dessert sauces can be made just as sweet without sugar. These little economies will save sugar for the times when you really need it.

Here are two versatile salads which can easily meet entertaining needs. Both can be served with thin strips of sandwiches to act as a main dish.

Molded Main Dish Salad.
1 tablespoon unflavored gelatin
¼ cup cold water
1 cup tomato juice
1 small can salmon, flaked
2 diced, hard-cooked eggs
¼ cup chopped celery
1 tablespoon chopped onion
1 teaspoon salt
¼ teaspoon pepper
Salad greens

Soften gelatin in cold water. Heat tomato juice to boiling. Add gelatin and stir until dissolved. Chill until partially congealed. Flake salmon; add. Add remaining ingredients. Place in individual ring molds or one 8½-inch mold. Chill until firm. Unmold on bed of lettuce greens and serve with french dressing or mayonnaise.

Frozen Fruit Salad.
(Serves 8)
1 cup cottage cheese
¼ teaspoon salt
1 cup pineapple, finely diced
1 cup cherries, pitted
1 cup peaches, sliced or diced
2 oranges, sliced
8 marshmallows, quartered
1 cup whipping cream
¼ cup mayonnaise

Combine cheese, salt, fruits and marshmallows, tossing together.

Lynn Says:

Keep well-groomed: Art gum or wall paper cleaner may be used on light-colored felt hats and kid gloves for cleaning.

Light-colored furs may be cleaned and much improved in appearance by rubbing well with corn meal or flour. Shake out thoroughly and then brush well.

To prevent blisters from new shoes, cover irritated surface or place where shoe is most likely to rub with a small piece of adhesive tape.

To mend woolen garments, unravel a thread from the cloth itself and use for darning.

Lynn Chambers' Menus.

Roast Loin of Pork
Candied Apples
Sweet Potatoes, Baked
Buttered Brussels Sprouts
Biscuits with Jam
Beverage
Pineapple Cole Slaw
Citrus Chiffon Pie

lightly with a fork. Chill. Whip cream until stiff and combine lightly with mayonnaise. Fold in cheese mixture. Place in freezing tray for three to four hours; or, pack in equal parts of ice and salt for four hours. Serve on crisp lettuce and garnish with additional whipped cream blended with mayonnaise.

Sandwich Fillings

1. Combine 2 cups ground ham, 5 tablespoons mayonnaise, 5 tablespoons prepared mustard and use on whole wheat or rye bread.
2. Mash 3 ounces of cream cheese with 1 tablespoon Worcestershire sauce and 2 tablespoons finely cut chives. Use with rounds of whole wheat or white bread.
3. Combine chopped hard-cooked eggs with minced celery, onion juice, chopped sweet pickle and mayonnaise to moisten. This is good on any type of bread.
4. Combine cottage cheese with chopped dates and preserved ginger and spread on white bread.
5. Mix cottage cheese with chipped, crisp bacon and add salad dressing to moisten.

A fruited coffee cake is always delightful because it has flavor and is appealing to look at. Here is the quick type which uses an easy method with a choice of fruit.

Fruited Coffee Cake.
2 cups flour
3 teaspoons baking powder
¼ teaspoon salt
¼ cup sugar
¼ cup fat
1 egg, beaten
1 cup milk
8 apricot halves or
4 peach halves or pineapple slices

Sift flour once, measure. Sift flour, baking powder, salt and sugar together. Cut fat into dry ingredients until mixture resembles coarse corn meal. Combine egg with milk. Add to dry ingredients. Stir only until mixed. Pour into greased 8-inch-square pan.

Leave apricots whole and cut peaches or pineapple in half. Arrange fruit over top of dough. Mix 2 tablespoons flour, 2 tablespoons brown sugar, and 1 tablespoon fat together. Sprinkle this mixture over the top. Bake in a moderate (375-degree) oven for 30 minutes.

If you want to serve a light dessert for an afternoon club meeting or evening snack, it can be made entirely without sugar. Orange juice and prunes offer a flavorful combination.

Frozen Orange Prune Whip.
(Serves 8)

1 egg white
¼ cup extra-sweet corn syrup, golden type
¼ cup prune pulp
1 cup cream, stiffly beaten
½ cup orange juice
¼ teaspoon grated orange rind
1 tablespoon lemon juice

Beat egg white stiff. Gradually beat in syrup. Add prune pulp (made by rubbing cooked prunes through a sieve, or by chopping fine), folding it in thoroughly. Chill cream until very cold, then whip until stiff. Add orange juice, grated rind and lemon juice to cream. Combine prune and cream mixtures and freeze in refrigerator tray until firm.

Released by Western Newspaper Union.

HOLBROOK

Death of Mrs. John Cleland—

Mrs. John Cleland died Jan. 29 at her home in Pontiac, after an illness of about a year.

Ila Rathbun was born Feb. 6, 1880, in Bingham township, Huron County, the daughter of the late Mr. and Mrs. Jefferson Rathbun. At the age of four years, she came to Austin township, Sanilac County, with her parents where she lived until her marriage Nov. 10, 1902, to John Cleland. They made their home near Holbrook until 1922 when they moved to Pontiac where they have since resided.

To this union seven sons were born, five of whom are living. They are Frank, Doyle, James, Leslie and Fred, of Pontiac. Also surviving are five grandchildren of Pontiac; a brother, Milo Rathbun, of Holbrook; and nieces and nephews.

At the age of 15 years, she accepted the Lord as her Savior.

Mr. and Mrs. Loren Trathen were guests of Mr. and Mrs. W. I. Moore in Cass City on Sunday.

Mr. and Mrs. Ted Gracey visited Sunday at the Allen Dunlap home near Shabbona.

Mr. and Mrs. Lynn Fuester and Mr. and Mrs. Vern Crane and Mary Joyce spent Tuesday evening at the Clifford Jackson home.

Friday evening guests at the home of Mr. and Mrs. Clifford Jackson were Mr. and Mrs. Delmar Bowron of Bad Axe, Ira Robinson, Mr. and Mrs. Clifford Robinson and Mr. and Mrs. Alan Bouch and son, Roger. Euchre was played at two tables.

Mr. and Mrs. Clifford Jackson and Bobbie spent Sunday with Mr. and Mrs. Steve Decker.

Mr. and Mrs. Chas. Bond, Jr., and Bette Lou spent Sunday evening with Mr. and Mrs. Cliff Jackson.

Several from around here attended the Powell wedding dance at Holbrook Club hall Saturday night.

Known Word

The most widely known word in all human speech may be the Hebrew expression "Amen." It is used not only by Jews, but by Christians and in a minor degree by Mohammedans as well.

Maritime Law

Ships engaged in piracy or the slave trade may be legally stopped anywhere on the high seas by warships or patrol vessels of any nation. Many nations enforce laws relating to smuggling, neutrality, fishing, sanitation and navigation as far as 16 miles from their shores.

Good Light

Good lighting in every room—meaning light adequate for the activity going on—cannot be too strongly recommended. To avoid shock and fire hazards, your electrical equipment must be kept in repair—no frayed cords, broken plugs, and faulty appliances.
