

## Russia Cannot Conduct Offensive War, Says Wolcott

Congressman Spoke on International Situation Before Service Clubs Here

Speaking on the international situation Tuesday evening, Congressman Jesse P. Wolcott told his audience of Rotarians and Gavel Club members that the problem of Europe and Asia is Russia and it will be hard to settle difficult matters on these two continents until the Russian controversy is solved. Russia and the democracies do not understand one another.

Russian people have been practically serfs for centuries and there is not much distinction between a czar and a dictator. While an absolute monarchy may be conducive to domestic stability of the roughest form, it is a poor stabilizer beyond the Russian borders.

No progress has been made in finding a common ground for the government of Germany during the past year and a lack of understanding among the major powers is noticeable, said Mr. Wolcott.

He told of his visit to Moscow with several other Congressmen and their contacts with Russian diplomats.

Russia intends to become an industrial empire, but with no railroads to speak of, no network of highways, and a noticeable lack of other national facilities, that country has a far way to go commercially and industrially and there need be no fear of serious competition from Russia for many years to come.

Russia, in the opinion of Congressman Wolcott, cannot at this time conduct an offensive war against any major power. He said Russia had endeavored to secure all the advantages she could in the international conferences in which she has participated but firmness will bring her diplomats to terms. No talk of appeasing Russia will help the peace movement.

Gavel Club members were guests of Rotarians at the dinner Tuesday evening at the Home Restaurant and were welcomed by Past President M. B. Auten. James Gross and Dr. E. H. Starbarn of the Gavel Club responded.

G. W. Landon served as song leader and Geo. Dillman as pianist. The hearty Rotarian songsters were ably assisted by the Gavel Club baritone, tenors and basses and this musical period was enjoyed as were also the violin and piano duet selections of R. M. Hunter and Mr. Dillman.

## Couple Married in Pontiac Church

Miss Charlotte Young, daughter of Mr. and Mrs. Wm. Young, of Pontiac, and Leonard C. Guinther, son of Mrs. Everett Courter, of Grand Rapids, were united in marriage at noon on Saturday, Sept. 7, at the First Baptist Church in Pontiac. The ceremony was performed by Dr. H. H. Savage.

The couple were attended by Mr. and Mrs. Robert Mashburn of Pontiac, sister and brother-in-law of the bride.

After a trip to Grand Rapids, the couple returned to make their home in Caro where Mr. Guinther is employed at the Mutual Title and Abstract office.

## Open House at New Auto Sales Building Wednesday

The new Bule Chevrolet Sales garage building on East Main St. will be completed early next week and open house at the new home of this automobile organization will be held next Wednesday evening, Sept. 25, from seven to eleven o'clock. Fred Gussell's six-piece orchestra will furnish music for dancing, refreshments will be served by Echo Chapter, O. E. S., and visitors will have the privilege to view the new building and its appointments.

The structure, erected this summer by A. T. Barnes, local contractor, is 65 by 95 feet in size and of cement block construction. Glass brick around two doors at the

front of the building add to its attractiveness and these with large windows at the south side and southeast corner of the building admit an abundance of light to the car sales department which is large enough for two cars and the repair shop. Next to the sales room on the east side of the building are general and private offices and wash rooms and adjoining these to the west is a parts room.

The wash rack is in the northeast portion of the building. A paint shop in the northwest section will be separate from the general floor space devoted to the large repair room which is well lighted by a series of windows

along the west side. Two entrance doors on the south and east sides of the building are large enough to admit trucks and busses.

A mezzanine over the car display room, offices and parts room affords space for bulky storage.

The building will be kept comfortable by oil heat with forced hot water, and fluorescent lighting is used throughout. A six-inch concrete floor was laid and building foundations are two feet thick and three and a half feet deep. The roof is built on steel truss. A space 40 feet wide on the east side of the garage provides a driveway and used car lot.

## E. A. Livingston Died After Long Illness

Eugene A. Livingston, 67, died Monday evening at his farm home after an illness of five months. He was the son of the late Henry and Hannah Everett Livingston and was born December 26, 1878, at Rochester, Michigan. He came to this vicinity at the age of four years and on April 5, 1906, he married Miss Hetty Simmons at Gagetown.

He has been a life long member of the Baptist Church. Surviving are his widow, four daughters, Mrs. Harry Habicht at home, Mrs. Arthur Tracy of Denver, Colorado, Mrs. Clyde Wilbur of Royal Oak and Mrs. Robert Diver of Detroit; two brothers, Arthur and Perry Livingston, both of Gagetown; and five grandchildren.

The remains were in the Little Funeral Home until 12:30 Thursday when the body was taken to the Baptist Church where funeral services were held at 2 p. m. Rev. Frank B. Smith of Detroit and Rev. Arnold Olsen, pastor, officiated. Burial was in Hillside cemetery, Elmwood township.

## Emigh Reunion at Imlay City Sunday

About 45 persons attended the Emigh reunion Sunday, September 15, at the farm home of Mr. and Mrs. Arthur Annis of Imlay City.

Before the war, the occasion was held on the Sunday nearest the father's (David Emigh) birthday, which was September 15. Mr. Emigh passed away three years ago at the age of 89. He had five nephews who served their country and all returned home safely. This is the first time the families have met since the war.

A bountiful dinner was served at noon and the afternoon was spent playing ball, taking pictures and viewing old pictures from past reunions with many laughs and comments.

It was voted to continue the reunion and a collection was taken to cover expenses. Bessie McQueen was elected secretary and

## Re-registration of County Voters Is Being Conducted

Rural Electors Must Sign by Oct 16 to Be Eligible for November Balloting

Several thousands of Tuscola County electors, in order to vote at the coming November general election, must have re-registered with their township clerks on or before Wednesday, October 16, according to the new provisions of the Michigan election law.

Nearly everyone of the township clerks is now conducting the registration, and civic and political leaders as well as non-partisan advocates of good government are urging all county voters to register so that they will not lose their right of franchise on November 5.

The new registration was ordered by the last legislature so that a permanent system could be set up. To register, it is merely necessary for a voter to go to the office of his respective township clerk to sign his name in full on a card, in the presence of the clerk. The card becomes the official record of the registration. When election day arrives, the voter will sign another card when applying for a ballot—in the same manner as he did on his registration card. That application card also becomes an official record.

Civic leaders are pointing out that with state and county officers to elect and with three financial proposals on the ballot which will have far-reaching consequences, every elector should register and vote on November 5.

Two of the financial proposals would amend the state constitution, while the third would au-

## Presbyterian Church Sets Restoration Fund at 27 Million

World War II ended with such wide-spread destruction, disaster and menace as mankind has never faced before. "Now or never before" is written across the skies," (as admitted and stated by statesmen, military leaders, scientists, educators and social and business leaders as well as clergy and theologians) "that the Gospel of Christ is the major hope of man."

Churches in war-torn countries have been destroyed; but the faith and devotion of many of the people and church leaders have been proved with the fire of adversity—concentration camps, other hardships and suffering requiring untold sacrifices. Their devotion cannot move in the direction of adequate, helpful, moral reconstruction without pastors, books, literature and places of assembly other than shattered walls.

We in America—and only we—can provide the war-crushed churches throughout the world with the material help they must have if Christianity is to give its answer to the fear and confusion that fills the earth.

The Presbyterian Church of the U. S. A., in its General Assembly of 1945, pledged \$27,000,000 as a Restoration Fund to meet its share of these needs.

The local Presbyterian Church, under the leadership of Frederick Pinney, chairman of the board of trustees, is preparing to conduct

## Thomas Colwell Died in Saginaw Monday

Thomas Colwell.

Thomas Colwell, 85, a resident of Tuscola County for 60 years and of this vicinity for 34 years, died unexpectedly Monday evening in the home of his son, Roy, in Saginaw where with Mrs. Colwell he had gone on Sunday to spend a few days. The body was brought to the Douglas Funeral Home here and at noon Friday will be taken to the Methodist Church to lie in state until 2 p. m. when funeral services will be held. Rev. John Safran will officiate, assisted by Rev. K. R. Bisbee of Memphis. Burial will be in Novesta cemetery.

He was born in Cramah Town-ship, Ont., Sept. 23, 1860, and Oct. 19, 1881, in Ontario married Miss Maria Palmateer. Most of his life was devoted to farming except for two years when he "blacksmithed" at Shabbona.

He was a member of the Methodist Church.

Surviving are his widow; four children, Mrs. Claude Shaw of Decker, Roy of Saginaw, Mrs. John Beslock of Ann Arbor and Ray of Richmond, Cal.; 12 grandchildren; 19 great grandchildren; two half sisters, Mrs. Lois Samis and Mrs. Susan Dusenbury, and two half brothers, Peter and David Jones, all of Brighton, Ont.

Mr. and Mrs. Colwell celebrated their golden wedding anniversary nearly 15 years ago.

## Mrs. Gill, Gagetown Pioneer, Died at Age of 88 Years

Followed Old Pioneer Road with Team in 1881 to Brookfield Township

(From Gagetown Correspondent) Mrs. Christina McLellan Gill, 88, a resident of Gagetown and community since 1881, passed away at the home of her granddaughter, Mrs. Marvin McCree, on Sunday, September 15.

Funeral services were held at the Gagetown Methodist Church Tuesday, September 17, and were conducted by Dr. E. Ray Willson, assisted by Rev. Mr. Bush, Methodist pastor here, and Rev. Earl Geer, a former pastor at Gagetown. Burial was in the Gagetown cemetery.

Christina McLellan was born Aug. 19, 1858, in Culross Township, Huron County, Ontario, the second oldest child of the family. She was united in marriage with John R. Gill at Teeswater, Ont., April 13, 1881. Her husband had preceded her to Brookfield Township, Huron County, Michigan, in 1879. He cleared a few acres and built a small home and then returned to Ontario for his bride. They came by train to Caro and then followed the old pioneer road northeast with team and wagon.

Mrs. McGill's first experience with hardship came in the fall

## Leaders Plan Boy Scout Program for the Coming Year

Keynoted by a membership report which shows a steady gain in the enrollment of Boy Scouts in Tuscola County, leaders from all units in the county met at the Caro recreation building on Sept. 11 to plan the program for the coming year.

The leaders received reports from committee chairmen, outlined the various activities for the coming season, and worked together to plan their unit programs in order that they might derive the maximum benefit from the Scouting experience of all present.

Wm. Ryan of Caro reported that 102 boys from the Tuscola District enjoyed summer camp at Camp Rotary during the 1946 season. Harold Oatley, training chairman from Cass City, outlined the training program for leaders in Scout Troops, Senior Units and Cub Packs which will be held this fall and winter. Maurice Phelps of Fostoria was introduced as a new Scouter and reported a new Scout Troop had been formed in Fostoria with 16 boys registered as charter members.

George Klein, district commissioner, outlined the service program of commissioner's duties and told all men present of his plans to increase the Neighborhood Commissioners' Staff for the entire county so that it will be able to give a complete and satisfactory service. Concluded on page 8.

HERE IS

THREE MONTHS

OF GOOD PAY

Men who start to work in our sugar processing plant—beginning shortly—can make a good sum of money during this year's campaign of approximately three months.

Hiring is going on now. There are still some jobs to be filled.

This year's crop is desperately needed to help ease the sugar shortage which must continue many months to come. Workers who help with the processing of the crop are performing a vitally needed service to their country, their state and their community. They are helping to put more sugar on the tables of their friends and neighbors.

Experience in a sugar processing plant is not necessary. Both men and boys of employment age will be considered.

Fourteen teams make up the roster of the City League for the first schedule which opened September 9. The teams displayed a variety of bowling tricks in their eagerness to regain a portion of their last season's form and only the Reid team came out of their series 100% as they swept through the Larkin team for a three-game win and total pins for a full four points. The Parsch, Gross and Wallace teams also dished out some good bowling which netted them three points each.

For individual honors, Retherford, substituting on the Gross squad, ran up a total pin count of 592 for an average of 197 to top the list. He was closely followed by Alley Manager Larkin whose combined three games netted him an average of 187, while Parsch followed with 183 and Reid with 180.

The high three single games were rolled by Retherford with 235, Larkin's 225 and Parsch with a 222 count. Other 200 games were rolled by Wilson and League President Mann. The honor list for bowlers with series of 550 pins or better had only two entries, Retherford and Larkin.

## A great new motor oil

**Permalube** Removes the goo  
Improves the go!

### Gives you premium-plus lubrication

Here's the latest idea in motor oils... remove the "goo." Get rid of engine deposits of soot, varnish, carbon, and sludge... and you definitely improve the go! There's nothing to stifle power, stick rings, or put a damper on free valve action. You get a sweeter-running engine... a better-lubricated, longer-lasting one, too.

Permalube, Standard's great new motor oil, gives you this premium-plus lubrication. It does more than thoroughly lubricate... it cleans your engine and keeps it clean. For Permalube contains a patented ingredient that not only cleans up deposits already present, but also prevents new ones from forming. It keeps engine dirt in harmless suspension... unable to interfere with free valve action and smooth, powerful piston strokes. The "goo" drains out when you change oil.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

**STANDARD  
SERVICE**

"I never saw oil drain out so dirty!"  
"Good! That shows Permalube's been taking out the 'goo'!"

When you wash your hands, the basin water gets dirty. But your hands get clean! Same way when you use Permalube Motor Oil. The oil gets dirty. But the engine gets clean. The dirt is carried out of the engine when you drain out the oil.

With two important amendments to the state constitution and a \$270 million veterans' bonus, plus the election of state officials, congressmen and a United States senator, coming up November 5 for a ballot showdown, thousands of Michigan citizens in cities, villages and townships of less than 5,000 population may lose their right to vote on these issues.

"Why? There's no dictatorship in Michigan!" you reply.

Vouchsafed by Secretary of State Herman H. Dignam, the statement still stands. All citizens now residing in cities, villages and townships of less than 5,000 population MUST re-register by October 16 with the town clerk.

If any citizen fails to re-register by October 16 — the last day — he cannot vote on November 5.

"Act 291 of the Public Acts of 1945 provides for permanent registration in all townships, cities and villages regardless of population," states Secretary of State Dignam.

Permanent registration of electors is now mandatory in all election precincts in Michigan. In 1931 the state legislature amended the election law to require permanent registration of voters in all townships and cities having a population of 5,000 or more. The 1945 legislature extended this provision to governmental units of less than 5,000 population.

Failure to vote within a period of two years will automatically cancel registration unless application for continuation is made within 30 days from receipt of notice from the clerk.

Education Views of Michigan's two party nominees for governor — Murray D. VanWagoner and Kim Sigler — were solicited recently by the Michigan Education Association.

Ballot proposal No. 2 at the November 5 election would divert

Tuscola's Unemployed Now Number 441

The Vassar office of the Michigan Unemployment Compensation commission paid unemployment compensation benefits to 441 unemployed people in Tuscola County for the week ending September 14, 1946, according to W. H. Baughman, chief claims examiner.

This figure includes 316 unemployed veterans paid readjustment allowances and 125 industrial claimants paid from the Michigan Unemployment Compensation trust fund. Included among the industrial claimants were 76 women.

Mr. Baughman said there were 14 who filed initial claims for the week, a decrease of three since the previous week. Of this number 11 were veterans and three were women.

### RESCUE

Mrs. DeEtte J. Mellendorf was a dinner and supper guest at the home of her sister, Mrs. Arthur Taylor. Other callers were Mr. and Mrs. Frank W. Warrington and son, Frank W. Jr., and mother, Mrs. Nell Warrington, all of Detroit, Mr. and Mrs. David Young of Elkton and Mr. and Mrs. Harold Young of Pigeon. Frank W. Warrington, Jr., will be remembered by his many radio friends as an announcer on WJR, Detroit.

Richard Cliff of Cass City was a business caller in this vicinity Monday afternoon.

Mr. and Mrs. Perry E. Mellendorf of Smith's Creek visited relatives at Cass City, at the home of his mother and aunt here and at the home of Mrs. Mellendorf's parents, Mr. and Mrs. Joseph Laslo, at Fillion.

James O'Rourke was one of the first to thresh beans in this vicinity on Monday.

Mr. and Mrs. Levi Helwig of Cass City were Thursday evening callers at the latter's mother's home here. They were accompanied by her mother who spent from Thursday evening until Saturday afternoon at their home.

Theodore Ashmore spent Saturday evening and Sunday with relatives in Cass City.

I'm only two men today!

Here's E. S. Humphrey talking about his farm

"Sometimes I'm five men—and so are each of my helpers. Today, we're loafing—just doing about two men's work apiece."

"Sounds like a riddle, Mr. Humphrey."

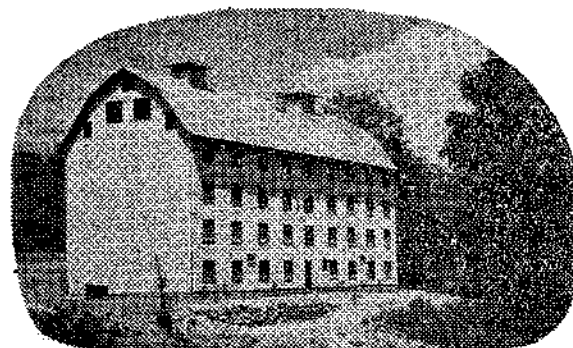

"No riddle. See that potato field? Seven of us planted those 25 acres in 10 hours' time. But—without my electric potato cutters to get 'em ready for planting—and other modern equipment—it would have taken thirty-five men to do the job."

"Golly—what a saving!"

"Yep. Electricity does a lot of our work more cheaply. Right now it's lighting my five-story chicken house—keeping my cattle inside a little one-wire fence—cooking supper—cooling the refrigerator—running the water heater. It may be washing the clothes and sweeping the rugs, too, for all I know."

"But doesn't that give you a big electric bill?"

"It's only a small fraction of one man's monthly wages. Electricity is the best of hired hands—it's never tired, it never talks back, and the more it works the lower its hourly wage. As a matter of fact, electricity is about the biggest bargain on my farm."

### Cooked Mushrooms

Mushrooms that are fresh and tender need not be peeled before cooking. Just wash them thoroughly and be sure the heat is evenly applied. It usually takes only about five minutes of cooking for the mushrooms to be thoroughly done.

### Canned Gifts

Half-pint glass jars are just right for putting up home-canned foods for gifts. For example, little jars of chili sauce, or spiced cherries or peaches, will make ideal Christmas remembrances.

one cent of the state sales tax to local governments and would "freeze" into the state constitution a formula for state aid to public schools. Based upon the 1946 tax collections, school state aid would be increased from \$60,000,000 to \$100,000,000 a year.

VanWagoner's statement to the M. E. A., whose membership comprises school teachers, points out that the "crux of the entire issue" is the "restricted narrow local tax base", the 15-mill tax limitation which was put into the state constitution in 1932.

"Enabling legislation is needed, I profoundly believe, to permit the

broadening of the local tax base, both to give the municipalities badly needed funds, and to encourage democratic self-government at the local level.

"Given sufficient funds municipalities would, I am confident, be compelled to face up honestly to the educational demands of their communities."

It is the opinion of VanWagoner that "sales tax funds, subject to fluctuations in amounts from year to year and subject to demands of reservations of an oftentimes hostile legislature, provide no firm or lasting basis for a constructive and progressive school aid program."

"Consolidation of small, inefficient school districts is one of the most crying needs in any overall solution to our school

problem," states VanWagoner. "Hundreds of school districts in Michigan with 15 or less pupils, simply point up this wasteful, inefficient phase of our educational picture. In further evidence of my good faith toward a betterment of education, I appointed, as Governor in 1942 a State Public Education Study Commission made up of the best cross-section of urban and rural educators I could find, and representatives from both major political parties in the Houses of the Legislature. If re-elected to the office of Governor in November, I pledge a continuing and forceful effort in behalf of our educational system."

Sigler's views of the proposed constitutional diversion of state sale tax revenue include the following excerpts taken from his statement to the M. E. A.:

"Public education, as I see it, is one of the most important functions of government. It is recognized by the Michigan Constitution as a State responsibility. But it is more — much more — than a responsibility. It is a real moral obligation."

"However, down at the grass roots of our educational system is the local school district. That is as it should be. It is a guarantee of the application of democratic principles in the conduct of our educational system. But I am entirely aware of the fact that the local districts are restricted by the fifteen-mill tax limitation in the amount of money that can be raised locally for school operation."

"Thus, in addition to the supervisory advantages of centralized leadership and guidance, the State has a definite financial responsibility. But in a consideration of this responsibility I again insist upon being realistic rather than politically expedient. And I repeat that such responsibilities should and must be met on the basis of financial availability and public approbation, keeping in mind of course that public education is one of the most vital functions of government. I will never be in favor of ignoring the public in the expenditure of public funds. But by the same token, I can assure you that I will always support any expenditure necessary to guarantee to the people of Michigan an honest, efficient, and forward-looking administration of their State governmental affairs. For that, I assume, is a standing order among honest citizens everywhere."

"I am entirely in accord with the principle of a sound teacher's retirement, with adequate pensions and a proper retirement age. The teacher's retirement fund should be ample to meet all equitable needs, and should receive adequate and proper State aid. So far as tenure is concerned, it should be based upon performance and never upon whim or any kindred consideration. To give the highest type of service expected of them, teachers should be given a maximum of security in the jobs, and

I consider the leadership and guidance involved in this guarantee to be the direct responsibility of the State."

## SANILAC RED DANES AT THE LAPEER COUNTY FAIR

Red Danish cattle from Sanilac County were on exhibit at the Lapeer County Fair at Inlay City last week. Included in the exhibit were three of the purebred Red Danish bulls that are in service in the Marlette area, cows in milk, springing two year olds, yearlings and calves. First, second and third cross females are represented.

Cattle in this exhibit are owned by Ben and Alex Davies, Basil Redmond, Carl Miller, Harry Prowse, James Heussner and Viggo Rasmussen, of Marlette and James Jensen of Sandusky.

The Red Dane breeding program is sponsored by the U. S. D. A. and was started in the Marlette area in 1939. Purebred Red Danish bulls, descendants of the original and only importations, are loaned to dairy farmers who agree to continually test in Dairy Herd Improvement Associations, testing all females of the Red Dane ancestry. Only bulls of the fourth or further crosses can be retained for breeding purposes. A few fourth cross Red Danes are expected in 1947.

In 1939, eight farmers in Sanilac County accepted the program, using four bulls cooperatively. As more bulls became available, other farmers joined the local association. Then in 1941 units in Al-

cona and Oscoda Counties were started. Eight bulls have been proved, two of which are in service at Beltsville, Maryland, the United States Department of Agriculture experimental farm and two at the Michigan Artificial Breeders' Cooperative. Artificial Breeding Association units are now operating in Ogemaw, Isabella, Calhoun, and Lapeer Counties. Other units are expected to be formed in the near future.

Other members of the Sanilac Red Danish Cattle Breeders' Association are Delford Henderson, Peter Appel, Holgar Rasmussen, Walter Davies, Edward Caroffino, Alvin Winer, George Heussner, Earl Appel, John Heussner, Alfred Schneider, and Roy Heussner.

The American Red Danish Cattle Association has been organized to record birth and production data of all cattle of the Red Dane ancestry. A certificate will be issued to females of all crosses where production records are complete. Third cross females and fourth cross males will receive an approved registry certificate.

Harry Prowse, Marlette, is president and Harold R. Clark, Sandusky, is secretary-treasurer of the National Association.

vice. The motion picture, "The Three Assistants," showing how unit leaders may take advantage of printed literature that is furnished by the Boy Scout office was shown by Rev. Irving Farnsworth of Caro. Kenneth Karr of Caro, a member of the district committee, gave a few highlights on his recent trip to the Senior Scout base at foot of Lake Manitowick, Ont. Fred Beckman, field executive for the Saginaw district and program director at Camp Rotary, outlined the advantages of the Camp Saving Plan for getting boys to camp and urged all unit leaders to start this immediately.  
The next district event will be the camporee on Oct. 5 and 6 scheduled for the Boy Scout grounds in Caro.  
Harold Buchanan, field executive for the Tuscola District, acknowledged the work of all present for the past year on behalf of Paul Kreager, district chairman, who was not able to be present. He told the men that Mr. Kreager and his staff on the district committee were looking forward to a bigger and better year in Scouting for the whole Tuscola District.  
Co-chairmen for the meeting were Geo. Klein, district commissioner, and Wm. Ryan, camping and activities chairman for the Tuscola District.

RE-REGISTRATION OF COUNTY VOTERS IS BEING CONDUCTED

Concluded from page 1.

thorize the spending of \$270,000,000 in bonus payments to Michigan war veterans. All three ballots, moreover, would affect the Michigan taxpayer considerably.

One amendment would earmark one cent of the sales tax for schools and local governments with one-half of the earmarked revenue to be divided among cities, townships and villages according to their population.

Throughout the state, Michigan's November vote may shrink 300,000 to 250,000 because of the re-registration requirement, many state observers believe.

State leaders report that, although abuses under the old "registration system" probably were rare, the legislature's action in placing townships on the same basis with cities of over 5,000 will probably have a good effect. Although in townships where populations are relatively small, there appeared to be little need for the action but where there is a heavy vote and a shifting population, the need was obvious.

Under the new system, the township board can compare the voter's signature on his ballot application card with the signature on the registration card. If he is trying to vote dishonestly, it will be easier to catch him at it. Cities have found the system helpful in preventing illegal voting.

NOVESTA

The Brown and Harold families are settled on their new farm recently purchased from Mr. and Mrs. Henry Zollner. The Zollners have moved to their new home in Cass City.

The farm of John Jordan is being greatly improved by a new building which he bought and is remodeling into a dwelling to replace the old landmark (log house) which was wrecked. George Spencer and John Doerr are the contracting artists.

Mr. and Mrs. Roy Wagg and son, Harold, of Pontiac returned to their home on Sunday after spending a week with friends here and in Cass City.

A very enjoyable day was spent on Sunday when 32 friends and relatives met at the home of Mr. and Mrs. Geo. Spencer to help Mrs. Spencer celebrate her birthday anniversary on the 16th. Children and grandchildren came from Bad Axe, Saginaw and Auburn Heights. Others came from Oxford, Hazel Park and Cass City. Potluck dinner was served.

Mr. and Mrs. Fred Lowell of Cedar Lake visited Sunday until Tuesday at the home of their son, Lloyd Atkin.

Mr. and Mrs. Lloyd Atkin received word that their son, Robert, who is at Great Lakes training camp, is being moved to Maine.

Visitors at the Wm. Patch home Sunday were Gail Wentworth and family and Edward Harbor and family of Dryden and Mrs. Richter and son, Emil, of Kingston.

Mr. and Mrs. W. L. Patch of Highland Park visited at the Wm. Patch home Monday and Tuesday.

Mr. and Mrs. Arthur Perry spent Sunday at the Lloyd Hicks home.

Richard VanWinkle and family of Milan spent the week end at the Grant VanWinkle home.

### Inside Story

It didn't take you long to solve the underwear problems brought about by midriffs and off shoulder necklines. Straggling slip and bra straps certainly don't add glamour when you want to make like a cover girl—and your slip would look pretty silly showing through the midriff middle of your playsuit or dress. Something had to be done—and you did it!

For Safe Keeping—Sew about a 1 1/2-inch length of narrow baby ribbon to the insides of your dress or blouse shoulders.

On one end sew a snap fastener and sew the other half of the fastener to the dress. Then snap the ribbon around your slip and bra straps and they'll stay in place no matter how many rugs you cut.

Half Measures—Here's new life for old slips. Cut off the worn top part; hem the waist top of the skirt. Insert elastic or a drawstring and you have a petticoat that leaves a midriff just as it finds it—bare to midriff.

Jabberwocky Daffinitions

Cobby—New word for Corny.

Confuddled—Confused (and aren't you?)

Curfew Caller—A Snooppervisor, otherwise known as a Chaperone.

Teepee—Stands for T.P., or Teacher's Pet.

Walker—More active counterpart of "sitter."

Lost Week End—Drippy Saturday Night Date.

No-Show—A date that gives you a stand up. (You took that from the airlines. It's what they call a passenger who has a reservation and doesn't show up.)

Jennie and Rosie—Your new names for inseparable "best friends," since you saw the movie "The Dolly Sisters."

L.O.P.—Life of the Party (and sometimes the Death of it, too).

Glow Worm—Conceited girl.

Jitter Bitter—Adjective denoting that a person is opposed to Jitterbug dancing.

Ding How!—It's the way the G.I.s returning from China say "Hubba, Hubba."

Well, as the Ox said when asked what he figured around his neck, "That's a Yoke, son, a Yoke, that is."

HIGH COST OF MOVIES

Out in Madison, Wis., the teenagers are picketing the movie theaters as a protest against the high cost of admission. They think that sixty-five cents is too high a price to pay—even for Van Johnson's freckles or Frankie's lower register. They're holding out for a 45-cent top, and they're backed in their strike against inflation by the Madison Youth Council. We'll let you know how it all turns out, but in the meantime—better save your pennies because Cable's back and Garson's got him!

U and V

"V" was considered to be better adapted to engraving in stone and metal than the Aowing U and was also thought, by many, to be more dignified. Furthermore, it is a survival of the time when both were forms of the same letter, the earlier form being V.

Dress Up Cereal

Dress up the morning cereal. Top oatmeal with cooked prunes stuffed with cottage cheese—pour over cream and serve!

## PRESBYTERIAN CHURCH SETS RESTORATION FUND AT 27 MILLION

Concluded from page 1.  
its campaign to secure gifts to meet its quota of \$1,881.61 as assigned by the Synod and General Assembly, and already approved by the boards of the local church and accepted at its annual congregational meeting last April. The local appeal will be made to the congregation between September 27 and Oct. 15.

Pamphlets, describing the needs and indicating the allocations of the Restoration Fund, are being distributed to members and constituency of the church for their information.

On Sunday morning at 10:30, the Rev. Melvin R. Vender, pastor, will base his sermon on the text and theme of the Restoration Fund: "He Restored My Soul," from Psalm 23. A few minutes will be given on Sunday morning to further explanation of the fund, and questions will be answered concerning it. No offering, however, will be taken for it on Sunday, until it is further presented by the board of trustees.

## MRS. GILL, GAGETOWN PIONEER, DIED AT AGE OF 88 YEARS

Concluded from page 1.  
of 1881 when this part of Michigan was visited by a disastrous forest fire, which burned over thousands of acres of timber and clearings. The young couple were heart-broken over the loss of their timber and their first harvest.  
In 1883, Mrs. Gill's parents, Mr. and Mrs. John McLellan, were persuaded to pioneer also in Brookfield Township, but while they were waiting for a train in Teeswater, Ont., Mr. McLellan suffered a stroke and died. Two days after the funeral, Mrs. McLellan and her large family started for Brookfield which continued to be their home.

Mrs. Gill was a charter member of the Brookfield Presbyterian Church. Later she became a member of the Gagetown Methodist Church, the Methodist Missionary Society, and Gifford Chapter, O. E. S.

Mr. Gill died in February of 1912.

Mrs. Gill is survived by two daughters, Mrs. Christina McIntyre of Uby and Mrs. Marion Laurie of Gagetown; six grandchildren; seven great grandchildren; and

one brother, John McLellan of Farmington. Two daughters, Miss Mary C. Gill and Mrs. Janet Parsell, preceded her in death.  
Relatives and friends who came from a distance to attend the funeral include Mr. and Mrs. Jack Gray and family of Northville, Mrs. N. B. McLellan, Mrs. L. Walsh, Mrs. Mat Yucas, and Mrs. Luther McVicker, all of Detroit; Archie Henry, James Henry, Ed Henry and Mrs. James Clark, all of Bay City; Georgia and Phoebe Kerr of Royal Oak.
