

Bishop Administers Confirmation to 67 at St. Pancratius

Before a capacity crowd, such as never before has packed St. Pancratius Catholic Church, Cass City, the Most Rev. Wm. Murphy, D. D., Bishop of Saginaw, administered the Sacrament of Confirmation to 53 boys and girls, and to 14 adults on Sunday, Sept. 22.

With the ringing of the church bells and the singing of the "Ecce Sacerdos Magnus" by the choir, His Excellency, accompanied by a dozen of the neighboring clergy, made a very impressive entry into the church.

After having administered Confirmation, the Bishop commended the parishioners and their pastor, the Rev. John Bozek, for the splendid progress they have made during the past few years.

All present were pleased with the newly decorated job done in the church. The pews were sanded and revarnished, bringing out their lovely grain, and the walls and ceilings were painted in soft pastel colors.

A very beautiful statue of Christ, the donation of Mr. and Mrs. L. Freeman and family, given in tribute and thanksgiving for the safe return of Mrs. Irene Freeman's brother, Bernard Freiberger, a veteran of this last war, and in memory of all the boys and girls of Cass City, who have served this country, graces the lovely spacious lawn adjoining the church property. The solemn dedication of this Shrine will be announced later.

Five Rotarians Get Once Valuable Prizes

A series of games conducted by Robert Schuckert at the Rotary luncheon Tuesday brought "once valuable" prizes to G. W. Landon, Keith McConkey, Frank Reid, Dr. P. A. Schenck and Millard Knuckles. The winners were surprised at the awards, a garbage disposal can, an oil heater, a large water pitcher and a wash wringer and stand rescued from the village dump grounds. Well, it was a lot of fun anyway.

Fred Neitzel was welcomed as a new member of Rotary and Jas. King was a luncheon guest.

Biddy Saves Eggs to Sell at Higher Price

William Joos, Elkland Township farmer, discovered a new "hen's nest" the other day and decided to add its contents to the family egg basket. He found several eggs and under a light covering of straw some more. This process repeated several times yielded 48 eggs from the one nest. Now Bill wants to know if the hen has a squirrel instinct and was hoarding for a winter hibernation or if she had a kind consideration for her owner and kept the hen fruit under cover until the price reached a higher mark.

Coming Auctions

John W. Jackson will quit farming and will sell livestock and farm machinery at auction at the Sunny Side Stock Farm, 1 mile north and 1/2 mile west of Marlette on Tuesday, Oct. 1. Wm. Turnbull is the auctioneer and the Marlette Branch State Bank is clerk.

Joe Basinger has sold his farm 1 mile south of Cass City and will have a farm sale of livestock, farm equipment and feed on Friday, Oct. 4, with Arnold Copeland as auctioneer and the Pinney State Bank as clerk.

Walter McIntyre is sales manager of a community auction which will be held at Mack's Sales Yard on North Leach St. tomorrow (Saturday) afternoon.

These three sales are advertised in detail on page 7.

Allan Garbutt has sold his farm 3/4 mile south and 1 1/2 miles west of Hemans and will have a farm sale of horses, cattle and machinery on Thursday, Oct. 3. Arnold Copeland is the auctioneer and the Marlette State Bank, clerk. Full particulars appear on page 6.

A sale of household goods of the Estate of Emma Moore will be held this (Friday) afternoon on South Seeger St., Cass City. Tomorrow (Saturday) Milo Rathburn will have a farm sale 4 miles south and 2 1/2 miles west of Uby. Both of these auctions were advertised in full in last week's Chronicle.

Preacher Scientist

Dr. Irwin A. Moon of Moody Bible Institute extension staff, seen above in one of his "Sermons from Science" demonstrations, is the producer of the sound-color film, "The God of Creation," to be shown at eight o'clock, Wednesday evening, Oct. 2, at the Novesta Baptist Church.

New Music Teacher Is Lloyd K. Bartley

Lloyd K. Bartley of Westfield, N. Y., will be the new music teacher in the Cass City Public Schools and he and Mrs. Bartley will reside on the first floor of Mrs. R. A. McNamee's residence on Garfield Avenue.

For three years, Mr. Bartley has taught vocal and instrumental music in the Dorrough High School at Albion, Pa. He was graduated from the State Teachers' College at Fredonia, N. Y., and has taken post graduate work at Chautauqua, N. Y.

Mrs. Bartley is also a teacher of music.

Mrs. Kirn Speaker at Missionary Meeting in Pontiac Thursday

Mrs. S. P. Kirn presented a review of two books at a missionary institute in Pontiac yesterday (Thursday), sponsored each year by the Pontiac Council of Church Women. The meetings were held in the Ascension Lutheran Church in the above named city and the books reviewed were "India" and "The Christian and Race." These books will be studied by the missionary societies of various denominations this fall and winter.

For 15 years, Mrs. Kirn has been a member of the state board of the Woman's Missionary Society of the Evangelical Church. For 10 years she was secretary of literature and at present is secretary of the Young Women's Guild. She is a former missionary to China and attended the Winona School of Missions at Winona Lake, Ind., this summer.

Butcher, Out of Meat, Turns Poetical

The meat situation set a local butcher to rhyming. Here's a ditty that hung in the window of a local market that had sold its supply of fresh meat by noon Saturday and had locked the doors for the remainder of the day:

The APO runs true,
We're awful sorry for you!
We have no meat
So we'll take to our feet
And get the heck out of town!
Be back Monday.

MRS. KENNEDY HEADS THE EVERGREEN W. C. T. U.

The Evergreen W. C. T. U. met with Mrs. Mary Bullock Friday, Sept. 20. The devotional service and program were in charge of Mrs. Bullock. The following officers were elected for next year: President, Mrs. Cecile Kennedy; vice president, Mrs. Margaret Severance; secretary, Mrs. Edna Burke; treasurer, Mrs. Gertrude Severance. On Friday, Oct. 18, the union will meet with Mrs. Burke.

The cost for water service outside the village limits will be \$35 plus all costs of connections and regular water tax. For sewer connection, the cost will be \$50 plus all cost of installation and 50% extra on water bill for sewer maintenance. Village of Cass City.—Advertisement4t.

The want ads are newsy, too.

Mrs. Ernest Croft Chosen Chairman of Troop Committee

The Girl Scout troop committee elected officers on Monday. Mrs. Ernest Croft was chosen chairman and Mrs. Don Miller, secretary-treasurer.

Mrs. Harry Little and Mrs. Curtis Hunt are leaders of the Brownie group and Mrs. Stuart Atwell and Mrs. Lester Ross are assistants.

Mrs. Horace Bulen is leader of the Intermediate group and Mrs. E. C. Fritz and Mrs. Max Agar are assistants. The troop committee desires to secure one more leader for this group.

Girl Scout groups will meet next week for organization — the Brownies at 3:30 p. m. on Tuesday and the Intermediates at 4:15 p. m. on Monday.

Red Hawks Defeated by Strong Marlette Team on Friday

A scrappy Red Hawk team lost to the strong Marlette eleven on Friday by a score of 12-0. Marlette's Miller scored touchdowns in the third and fourth quarters. The first touchdown was the result of a 19-yd. fake reverse over left tackle and the second was a five yard sweep around right end.

The bright spots on the Cass City team were Jim Mark's return of punts, Red Thane's line plunging and Bill Weatherhead's and Bill Sangster's strong tackling. Capt. Whitey Hoag played an outstanding game in the line.

The Red Hawks will try for their first victory Friday afternoon at 3:00 against a Sebawaing team which held the Bay City reserves to a 6-6 tie last week.

Large Number at Bulen Open House

An estimated one thousand people attended the open house at the new building of the Bulen Chevrolet Sales on East Main St. Wednesday evening. Beautiful bouquets and baskets of cut flowers from friends, local business houses and wholesale firms decorated the auto display room and refreshments furnished by the management were served by ladies of Echo Chapter, O. E. S.

Dancers filled the large space which will be devoted to the repair shop and Gussell's Orchestra furnished music until the midnight hour.

Thursday was moving day when the auto repair machinery was moved to the new building.

Nichols Grows Tall Sunflower in Lansing

Vern Nichols, who liked to grow big crops while he was farming in Sanilac County, still delights to see unusually healthy growths even though he gave up agricultural pursuits a few years ago to engage in steel construction work. The above halftone shows him standing beside a tall sunflower in his garden in Lansing. The sunflower is 13 feet 5 inches tall.

Field Stacking of Beans Is Important This Season

Field stacking of beans will be more important than ever this year in Tuscola County because of the lateness of crop maturity, emphasizes Norris W. Wilber, county agricultural agent.

Harvesting of the bean crop will be later than normal this year as a result of the unusual weather conditions this summer. Beans were slow to grow and were hampered by hot weather and lack of moisture at various times. This means that harvest time may come when rain and damp weather can be expected.

Michigan State College farm crops department specialists maintain that field stacking often means the difference between profit and no profit for the bean crop. Well-built bean stacks provide effective insurance against weather damage, and threshing can be done at the grower's convenience.

Beans that are windrowed require at least three days of curing before threshing. This means taking chances with the weather during that period. Beans that become wet in the windrow discolor and more culling is necessary. Harvesting and stacking can be done at the same time, with the beans immediately placed in condition to withstand unfavorable weather.

Ways of stacking beans are discussed in Extension Folder 63, "Making Better Beans Stacks", a Michigan State College publication available at the county agricultural agent's office.

OUT-OF-DOORS PARTY AT THE KARR FARM

Two classes of Juniors and a class of Intermediates met at the Claud Karr farm home on Friday from 4:30 to 7:30 p. m. for an autumn party. Mrs. Ernest Croft has been superintendent of the joint department. The teachers present were Mrs. Bertha Kilburn and Mrs. Edward Golding, Sr. Mrs. R. A. McNamee and Rev. and Mrs. M. R. Vender were also in attendance, Mr. Vender having charge of the recreation.

Only one announcement was necessary for supper after an hour of varied activities. "When do we eat?" was an intermittent outcry, and how they did eat, teachers, preacher and all.

Mrs. Robt. A. McNamee will succeed Mrs. Croft as superintendent Oct. 6. Mrs. Kilburn will go on with her class into the Young People's Division of the Presbyterian Church School, and Mrs. Croft will assume leadership as teacher of the older boys' class in the department.

Kessler-Seibert Marriage Read

The marriage of Miss Anna Marie Kessler, daughter of Mr. and Mrs. Alexander Kessler, Sr., of Cass City, and Robert George Seibert, son of Mr. and Mrs. John Seibert, of Base Line, was solemnized recently in Ascension Roman Catholic Church in Base Line at high mass by Rev. Anthony Kolaiz before an altar, banked with white gladioli.

The bride, who was given away by her father, was gowned in white grosgrain, trimmed with beads and made with a sweetheart neckline and long sleeves with wrist points. Her veil ended in a long train and her bouquet was of white roses.

The attendants of the bride were Mary C. Kuhn as maid of honor; Dorothy Sanders, cousin of the bride, Helen Himmel, Elizabeth Gillette, sister of the groom, and Marie Partyka were bridesmaids; Frances Kessler, sister of the bride, was junior bridesmaid; and Mary Margaret Rochs was flower girl.

Mr. and Mrs. Stanley Sharrard and Mr. and Mrs. Forrest Tyo left last Thursday on a trip to California, expecting to be gone two weeks.

Sanilac Rural Teachers Oppose Amendment No. 2

Group leaders of the Sanilac County Rural Teacher Study Clubs, in meeting Monday night, Sept. 23, unanimously opposed the passage of proposed amendment No. 2 to be voted on at the election in November 5. They oppose the amendment on the grounds that state income varies from year to year so that expenditure of state funds should be in the hands of the legislature and not fixed by constitutional amendment.

Further study revealed that under the terms of the proposed amendment, when state income from the sales tax returned to normal, rural schools would be deprived of state aid. Also it appeared that when the sales tax shrinks to normal levels the state would have insufficient funds for the operation of state government.

In that event the legislature would have to return many of its financial obligations to the counties, townships, villages and cities, or spread a state property tax. In either event the townships and counties or state would have to increase its share of the fifteen mills now available, which would further reduce school revenues.

The group leaders also pointed out that many otherwise qualified voters, living in the townships of Sanilac County, will not be permitted to vote because of failure to register before Oct. 15. They urge that every citizen over 21 years of age register now for,

If you do not register you can not vote.

If you can not vote you do not count.

If you do not count it's time you did.

Michigan Mirror

"Public education in Michigan is critically in need of funds. The sales tax amendment would guarantee schools revenue for a reasonable program," states Dr. A. J. Phillips, executive secretary of the Michigan Education Association.

"The Board of Directors of the M. E. A., speaking for its 31,000 members, has unanimously endorsed proposed constitutional amendment No. 2 because it offers the only immediate source of sufficient funds to save schools from further curtailment," continued Dr. Phillips.

"Providing a good program of education for the million children enrolled in Michigan public schools should be the concern of every citizen. Schools suffered during the war period, and their plight has grown worse instead of better. Good teachers are not returning from other jobs, and new candidates are not entering the profession because teachers' salaries have not kept pace with increases in living costs.

"The housing situation is just as critical for children in many schools as it is in homes. Crowded rooms, classes in basements, and half-day sessions are cheating a large number of children out of a good education. These conditions, plus antiquated heating and ventilation systems, are endangering the health of many pupils.

Sheridan Farm Bureau Elected Officers

Mr. and Mrs. Martin Sweeney entertained the Sheridan Community Farm Bureau at their home on Sept. 16 with 22 members present.

A paper on the soldiers' bonus was read by Dan Healy which was followed by a discussion. The group voted in favor of the bill. Mrs. Haskett Blair gave a talk on the proposed county health program and explained its fundamentals.

The election of officers was held with the following result: Chairman, Alma Davis; vice chairman, Malcolm Sweeney; secretary and treasurer, Mrs. Thomas Campbell; discussion leader, Haskett Blair; assistant discussion leader, Hector McKay; recreation leader, Mrs. Martin Sweeney; publicity agent, Theodore Gracey; song leader, Harry Walker.

Mr. and Mrs. Elgin Willis will entertain the October meeting.

To Marry Oct. 3

Mr. and Mrs. Louis E. Sherwood announce the approaching marriage of their youngest daughter, Miss Onaltee Jean Sherwood, to Allen Ray Hamlet of Pontiac. The wedding will take place in Cass City Oct. 3.

T-5 James Champion, Champion Swimmer

T-5 James Champion, son of A. B. Champion of Cass City, is a member of the Fort Belvoir (Virginia) swimming team who have recently been crowned Virginia State Champions.

The annual Virginia A. A. U. swimming meet was held at Richmond and Champion, besides swimming a fast 100 in the relay, turned in a fine performance in the 100-yard free style.

Jim says his success is due to the training received in the Cass City swimming pool.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
- A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
- Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
- Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

To those who eagerly await their new Chevrolets...

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

Larkin	183
DeFrain	179
Gross	175
Mann	174
Reid	172
Knoblet	172
McCullough	172
F. Novak, sub.	172
Ludlow	171
Parsch	171

The McCullough, Kolb and Larkin teams rolled their way through

the second week by winning three games each to improve their standings. The McCullough team displayed the better brand of bowling to elevate, themselves from fifth position to the league leadership, while both the Kolb and Larkin squads greatly improved their standings. The other teams, a trifle slower in hitting their stride, are expected to upset the leaders once they get underway.

Individual honors for the week went to Murray DeFrain, the left handed bowler on the Willy team, whose games of 233-199-161 netted him a count of 593 pins. This exceptional exhibition of bowling brought Murray up out of the ranks and landed him in third place on the roster among the 10 high bowlers. J. Gross also bowled himself into fourth spot during the week and now holds down an average of 175 at the moment. Those rolling games of 200 or better were DeFrain 233, McCullough 218, Kinnaird 209, J. Novak 208, Atwell 206, F. Novak 201, Kolb 200.

Permalube

Removes the "goo"

Improves the go!

There's always more go to your car when you remove the "goo"—those engine deposits of sludge, varnish, carbon, and soot that stick rings and hamper valve action. There's better lubrication, too—better protection.

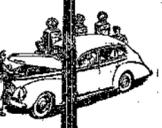

Removing the "goo" is the latest idea in motor oils. It's the Permalube idea. Yes, Permalube, Standard's great new motor oil, does more than thoroughly lubricate—it cleans your engine and keeps it clean. That's premium-plus lubrication!

When you wash your hands, the basin water gets dirty. But your hands get clean! Same way when you use Permalube Motor Oil. The oil gets dirty. But the engine gets clean. The dirt is carried out of the engine when you drain out the oil.

So, remove the "goo," improve the go! Change to Permalube, Standard's finest motor oil, 35c a quart.

SEVENTH INSPECTION OF RED DANISH CATTLE

O. E. Reed chief of the U. S. Bureau of Dairy Industry, made his seventh annual inspection of the Red Danish Cattle project in Sanilac County Monday, September 23. Accompanying him were M. H. Fohrman, head of the dairy cattle breeding experiments at the U. S. Department of Agriculture Experimental Farm at Beltsville, Maryland, and A. C. Baltzer, head of dairy extension of Michigan State College. County agents from neighboring counties attended a short tour which included the herds of Basil Redmond and Harry Prowse.

Chief Reed explained the program and discussed the chief objectives. He pointed out the need of a dual purpose cow that not only carries good meat qualities, but also is efficient in milk production. The Red Danish cow was developed in Denmark with these two characteristics in mind, recognizing the great importance of efficient milk production. It is felt that these farmers have found the Red Danish cattle were meeting these requirements.

The first importation of Red Danish cattle into the United States was in 1926, comprising 20 heifers and two bulls. The female descendants are now all at Beltsville. These cattle have been used in the cross breeding experiments and have supplied the Michigan Red Dane cooperators with bulls. There are now approximately 30 Red Danish bulls in service in Michigan, three of which are being used by the Michigan Artificial Breeders' Association.

Sanilac, Alcona, Osceola and Arenac Counties have organized bull associations while Ogemaw, Isabella, Calhoun and Lapeer are receiving service through Artificial Breeders' Associations.

In the evening a chicken supper was served to all members and their guests by the ladies of the Buff Church. A brief program was held at which talks by Reed, Fohrman, and Baltzer were heard. Alex Davies, president of the Sanilac Red Danish Cattle Breeder's Association gave a short address of welcome. Clarence E. Prentice, County Agricultural Agent, introduced guests and Harold R. Clark, Assistant County Agent, acted as chairman of the meeting.

KESSLER-SEIBERT MARRIAGE READ

Concluded from page 1. The young ladies were all of Detroit except Miss Frances who lives near Cass City. The maid of honor wore pink and the bridesmaids blue, all dresses being made similarly. Their headdresses were of rosebuds and their bouquets pink roses. The flower girl carried a basket of rose petals. The groom was assisted by his brother, Andrew Seibert, of Van Dyke as best man and ushers were Alex Kessler, Jr., of Detroit, first usher, and Peter Kessler of Cass City, brothers of the bride; Robt. Kessler, of Detroit, cousin of the bride, and Gordon Tuilla, also of Detroit.

The mothers of both the bride and groom were dressed in black crepe with black accessories and their corsages were of pink and white roses.

Immediately following the ceremony, a breakfast was served at Roth's Hall at Base Line by the bride's mother, at six o'clock a dinner was served to 200 guests and at nine o'clock a reception was held, attended by 270 people. After a wedding trip through northern Michigan, the young couple will make their home in Base Line. Mr. Seibert is employed at the Chevrolet plant and his bride by the Hudson Motor Co.

GAGETOWN NEWS

Death of Former Supervisor—

Henry Dunn, 83, passed away September 17 in the Morris Hospital in Cass City after a week's illness. Heart trouble was the cause of death.

Funeral services were conducted by Msgr. John McCullough on Friday morning, September 20, and interment was made in St. Agatha cemetery.

Born at Teeswater, Ontario, on November 9, 1862, he came to Tuscola County in 1879 and engaged in farming. He was married in 1898 to Margaret Quinn, who preceded him in death.

Mr. Dunn was a member of St. Agatha's Church and the Holy Name Society and served his

township as treasurer and supervisor.

He is survived by three children, Pat and Jas. Dunn and Mrs. Francis Proulx; a sister, Mrs. Mary Quinn, of Detroit; and eight grandchildren.

Relatives and friends came from Detroit, Caro and Saginaw to attend the funeral.

Mrs. Catherine Fobes of Flint, friend of Mrs. Mary Germain while living in Florida, spent from Tuesday of last week until Monday of this week with her. Mrs. Germain entertained her sisters at a six o'clock dinner Thursday evening in Mrs. Fobes' honor. Cards were enjoyed during the evening.

Mr. and Mrs. Arthur Cooley of Owendale, Mr. and Mrs. Allan Strieter of Unionville and Mr. and Mrs. Fred Carson went to Port Huron Sunday to help celebrate the 50th wedding anniversary of Mr. and Mrs. A. J. Niles. Mrs. Niles is a sister of Mr. Carson.

Mr. and Mrs. Harold Hall of Inlay City were Sunday dinner guests of Mrs. Josephine McDermid.

Joel McDermid of Pontiac spent the week end at his home here. Sunday dinner guests at the McDermid home were Mr. and Mrs. Thomas McDermid, Misses Wanda and Margaret McDermid, Walter Dickerson and Morris Demings, all of Caro.

Mr. and Mrs. Fred Kinyon returned Monday from the North where they have been staying and sight-seeing for the past month.

Mr. and Mrs. George Rogers of Detroit were Sunday guests of Mr. and Mrs. Leo Kehoe, Sr. Miss Jean Kehoe went with them to Detroit and will accompany them on a trip through Ohio and Indiana.

Mr. and Mrs. Isaiah Montreuil accompanied their son, Herman, and Mrs. Montreuil to their home at Indian River for a two weeks' visit.

Mrs. George A. Wilson of Crescent Beach called Thursday at the home of Mrs. Don Wilson.

Mr. and Mrs. Edwin Fischer recently visited several days with Rev. and Mrs. Wesley Daffoe of Ishpeming, Michigan.

Mr. and Mrs. Ralph Clara of Pontiac and Mrs. Courtney Clara of Cass City spent the week end at the farm home of Mr. and Mrs. Ralph Clara.

Hugh Karr of Mio spent the week end with friends here.

Mr. and Mrs. J. L. Purdy were Sunday callers at the home of Mr. and Mrs. Olin Thompson of Owendale.

James Phelan, who has spent the past several months with his children in Detroit, Mt. Clemens and Pontiac, has returned and is visiting relatives and friends here.

William Russell, Sr., was severely burned about the head, shoulders and hands when the automobile in which he was sleeping, parked near the lumber shed, caught fire Monday night about ten o'clock. Mrs. A. J. Armitage, who lives near the shed, called the fire department while John Kastern and Clayton Emmons got the man out of the auto. The fire was extinguished and Mr. Russell was taken to a Cass City hospital.

Miss Mary Margaret Thiel went to Adrian Sunday and entered Siena Heights College Monday.

James E. Mackay left Sunday for Kalamazoo where he will continue his studies in science and chemistry.

Misses Birdette and Edna Sprague of Jackson are visiting at the home of Mr. and Mrs. Fred Palmer.

NOTICE OF SALE \$20,000.00 VILLAGE OF CASS CITY, TUSCOLA COUNTY, MICHIGAN. WATER SUPPLY SYSTEM. GENERAL OBLIGATION BONDS

Sealed bids for the purchase of \$20,000.00 Water Supply System General Obligation Bonds of the Village of Cass City, Tuscola County, Michigan, will be received by the undersigned at his office in the Village of Cass City, Michigan, until October 8th, 1946, at 8:30 o'clock P. M. Eastern Standard Time, at which time they will be opened and considered by the Common Council of the Village in regular session at the City Hall.

The bonds will be coupon bonds of the denomination of \$1,000 each, numbered consecutively in direct order of maturity from 1 to 20, inclusive, dated August 1, 1946, and payable serially: \$1,000 on August 1st of each year from 1947 to 1966, inclusive, and shall bear interest at a rate or rates, not exceeding 2% per annum, expressed in multiples of 1/4 of 1%, payable semi-annually on February 1 and August 1 of each year. Both principal and interest will be payable at the Pinney State Bank, Cass City, Michigan.

Bonds maturing in the years 1947, 1948 and 1949 are non-callable. Bonds maturing in the years 1950 to 1966, inclusive, will be redeemable at the option of the Village Council in inverse numerical order, at par and accrued interest, on any interest date on or after August 1, 1949, on thirty days published notice.

Bonds will be awarded to the bidder whose bid produces the lowest interest cost to the Village after deducting the premium offered, if any. In determining the net interest cost, interest on premium will not be considered as deductible. Interest on bonds will be computed from October 8th, 1946, to the respective maturity dates.

No proposal for less than all of the bonds will be considered. The Village of Cass City is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay the bonds and interest thereon, without limitation of rate or amount. The bonds are issued for the purpose of paying part of the cost of constructing and adding to the Village water supply system water softening equipment machinery and deep well pump.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

A certified check in the amount of 5% of the total par value of the bonds, drawn upon an incorporated bank or trust company payable to the order of the Treasurer of the Village of Cass City must accompany each bid as a guaranty of good faith on the part of the bidder. No interest will be allowed on the good faith checks.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys, of Detroit, Michigan, approving the legality of the bonds. The cost of such opinion and of printing the bonds will be paid by the Village of Cass City.

The right is reserved to reject any and all bids.

By order of the Village Council. H. P. LEE, Village Clerk.

Approved as to form September 9, 1946. MUNICIPAL FINANCE COMMISSION

WHAT'S YOUR Eye-Q?

TRY THIS TRUE OR FALSE TEST ON THE FAMILY!

- The spider has more eyes than any other insect.
- Men are more apt to be color-blind than women.
- Insufficient light, while reading, is the easiest way to strain your eyes.
- A fish closes his eyes only when he's very deep in the water.
- Only 5% of high school boys and girls need glasses.
- Babies are naturally farsighted.

Some of these statements are based only on interesting facts. Others are important . . . for they may affect you and your family. Take numbers 5 and 6, for instance. Although very few babies are born with defective vision, nearly a quarter of them need glasses by the time they've completed grade school. The reason? Well, in many cases—too many cases—it's poor lighting.

Lighting can be very deceptive. You can grow so accustomed to a particular lamp that you won't realize its light is tiring. You may not notice it, but glare from a lamp may cause a youngster to squint as he studies—cause headaches, poor grades, even harmful eyestrain.

You can be certain about your lighting, though, if you arrange to have an Edison Home Service Advisor check over your lamps and fixtures. In a few minutes, she can measure your light scientifically with a "Light-Meter", and—if necessary—give you helpful advice on improving it. There's no charge for her visit. It takes but a few minutes of your time . . . and it may add years to your family's eyesight. Yes, it's a real "ounce of protection" for that precious eyesight! Telephone your nearest Edison office today.

Here Are the Answers—

- TRUE. Many spiders have eight eyes, sometimes ten.
- TRUE. One man in twenty-five is color-blind.
- FALSE. Humming birds give courses much brighter eye light and even than household lighting.
- FALSE. A fish never closes his eyes because he has no eyelids.
- FALSE. Twenty-four per cent of high school boys need glasses—on an ordinarily high percentage.
- TRUE. Very few babies are born with defective vision.

Mrs. Gillies, Mrs. McEachern, Mrs. Brown, Mrs. Wallace and Mrs. McLachlan attended the tea given at the Boomhower home in Bad Axe last week. Mr. and Mrs. Sageman and daughters, Shirley and Charlotte, visited at the C. Roblin home last Sunday. Mrs. N. McLarty and W. G. Miller of Cass City were at the C. Roblin home on Monday.

SELLING IMMATURE TIMBER MAY NOT BE WISE MOVE

Woodlot owners who are thinking of selling their timber should give the matter careful thought. The common practice of selling timber by the lump sum down to a 10 to 12 inch stump diameter is very destructive and make for a long wait until the next crop. Timber in the 10 to 18 inch sizes is usually putting on growth rapidly and also increasing in quality. Selling immature timber because of a feeling that the timber market will drop may not be a wise move. All indications are that the market for timber will remain good for years to come. Recent studies of Michigan wood using industries indicates that they will be using 10 to 15 per cent more hardwood lumber than in pre-war days. This will total about 125 million board feet per year. In pre-war years, 52 per cent of the hardwood lumber used in Michigan came from outside the state. Wood using industries have indicated a preference for home grown lumber if a dependable supply of quality lumber can be made available. The woodlot owner should certainly consider the possibilities of his woods to return a fair income per acre both in cash and timber for home use. Technical assistance in woodland management in the marketing of forest products is made available through the Norris-Doxey cooperative Farm Forestry Act. The farm forester for Genesee, Huron, Sanilac, Lapeer, Tuscola, St. Clair, Oakland and Macomb Counties is Shirley L. Gowing of Lapeer. For further information, you may contact the farm forester or your county agricultural agent.

ORDER FOR PUBLICATION—PROBATE OF WILL

State of Michigan, the Probate Court for the County of Tuscola. At a session of said Court, held at the Probate Office in the village of Caro, in said County, on the 20th day of September, A. D. 1946. Present, Honorable Almon C. Pierce, Judge of Probate. In the matter of the Estate of Christina Gill, Deceased. Christina McIntyre, having filed her petition, praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased and that administration of said estate be granted to Christina McIntyre, or some other suitable person. It is ordered, that the 18th day of October, A. D. 1946, at ten A. M., at said Probate Office is hereby appointed for hearing said petition. It is further ordered, that public notice thereof be given by publication of a copy hereof for three successive weeks previous to said day of hearing in the Cass City Chronicle, a newspaper printed and circulated in said County. ALMON C. PIERCE, Judge of Probate. A true copy. ROSE NAGY, Register of Probate. 9-27-46

"It is estimated that the sales tax amendment would guarantee at least \$90,000,000 of state aid to schools (about \$90 for every child enrolled in public schools) during the next school year. That amount would go a long way toward meeting current needs for salaries, supplies, equipment, and more classrooms. "A very conservative estimate places the immediate need for state school aid at not less than \$104,000,000, annually. This includes \$86,262,405 for the operation of schools, which includes salaries for the 50,000 teachers and nonteaching employees, supplies, equipment, and school maintenance. This amount would pay salaries comparable to the standard set up by the State Civil Service for teachers in state institutions of less than college levels. It would increase wages of other public school employees to levels in keeping with present costs of living, and equal to wages paid workers in comparable fields. "These amounts leave a balance of \$18,260,000 as a start toward school building programs. During the war period, from 1939 to 1944, the average annual expenses for capital outlay (such as building expenses) was only \$5,140,000. This was a tremendous drop from the average annual expenditure of \$23,400,000 during the period from 1923 to 1928. "If we allow \$18,260,000 as the additional amount needed for school buildings next year, we are anticipating no more than was spent annually during the more normal period of twenty years ago. "A recent survey by the State Department of Public Instruction shows an immediate need for additional classrooms which at prevailing prices would cost at least \$92,701,000 to build. "To summarize: Estimated state school-aid needs for the cur-

"There is no need to fear that the amendment would prevent the state legislature from continuing a formula of school distribution to equalize school opportunities throughout the state. The amendment would guarantee to public schools annually from the general fund of the state an amount equal to 42.6 per cent of the sales tax revenue of the preceding fiscal year, in addition to one-sixth of the current sales tax receipts to be distributed as the legislature shall decide. "Under the present state school-aid formula, the Primary School Interest Fund (which is an allotment per census school child) is a deductible item from the gross allowance for each school district. The same plan of distribution could be applied to funds that the sales tax amendment would provide. "Neither is there any basis for fear that essential services of state government would be curtailed. There is every reason to believe that present and future revenues from the sales tax, plus various other sources of income for state government will be sufficient for reasonable needs of other state institutions, and other state agencies and services. "If the bonus proposal carries, it would be a special item of ex-

penalty for which a new source of revenue should be provided. "Education is the biggest and the most important business in which the state is engaged. Proposal No. 2 will provide enough state aid which together with local taxes for schools could finance a good program of education for Michigan's million boys and girls. We could afford billions for war. We can afford \$100 per school child in state aid for education."

Sugar Substitute
If you have plenty of apple jelly on your storage shelf, try substituting a small glassful for sugar in an apple pie.
Lamp Bases
If you use kerosene lamps or candlesticks, be sure they have wide bases. Metal lamps are safer than glass.
Salt Sweetens Sugar
Salt increases the sweetening power of sugar and makes more delectable the taste of citrus fruits.
