

Rotary to Sponsor Boy Scout Groups Again This Year

Members of the Rotary Club voted to sponsor the Boy Scout and Senior Scout groups for the ensuing year when the club met at the New Gordon Hotel Tuesday noon. They also voted a \$40 contribution toward the support of Camp Rotary for Boy Scouts.

Harold Oatley, high school instructor, spoke on the subject of "Bringing Rockets Up-to-date." Rockets will travel in the near future at the rate of 25,000 miles per hour and there is a real possibility that the first explorations outside the world itself may come true within not so many years. Trips to the moon in 10 to 12 hours were mentioned among the possibilities. Mr. Oatley spoke of the likelihood of the use of atomic power industrially.

Musical numbers arranged by L. I. Wood, music chairman, included two trombone solos by Miss Florence Hillman and a cornet solo by Miss Mary Doerr. Miss Joan Sommers served as piano accompanist. The three young ladies are high school seniors.

Luncheon guests included H. O. Dibble, H. D. Anderson, J. A. Gallery and Karl Kinsey, all of Caro, and A. Blake Gillies of Plymouth.

Home Economists on Interesting Trip

Mrs. Michael Shadko (Jeannette Bond) and Mrs. John Farland, home economists for the J. L. Hudson Company, Detroit, have just returned from a very interesting trip. In New York City they visited test kitchens and home service centers at Sealtest Laboratories and General Foods, the Good Housekeeping Institute and the housewares sections of several department stores. A trip through the Burry Biscuit Company at Elizabeth, N. J., showed the method of making crackers and cookies through the processes of mixing, rolling, cutting, baking and packaging by machine.

In Philadelphia, the two women also visited the housewares departments of several stores, the farm test kitchen of the magazine, Country Gentleman, at the Curtis Publishing Company and the National Housewares Show at Convention Hall.

Mrs. Stevens Attends Hospital Convention

Helen S. Stevens of the Stevens' Nursing Home left Sunday evening for Chicago to attend the Tri-State Hospital convention, held this week at the Palmer House. This is an annual convention, sponsored by the various hospital groups in Michigan, Wisconsin and Illinois.

Mrs. Stevens has, for a number of years, attended both the Tri-State and National Hospital conventions for the purpose of keeping up-to-date in all phases of hospital technique, fundamentally for the benefit of the patient and the medical profession.

Mrs. Stevens left Willow Run airport at noon Monday. Friday afternoon she plans to take a swift hop to Watertown, South Dakota, to pay Mother's Day respects to Mrs. Anna Heidan of that city. She will return to Cass City Sunday night.

High School Receives Award

The community manager seal-sale award has been presented to Cass City High School by the Michigan Tuberculosis Association. The award, commending Cass City High's excellent record in the 1946 tuberculosis Christmas seal-sale campaign, was received by Willis Campbell, superintendent, who directed the drive in the school. Cass City High School had a higher percent of increase in the sale than any other school in the same enrollment class.

A division of the tuberculosis seal-sale is annually conducted through teaching staffs and students of schools throughout Michigan. In addition to raising funds to finance TB work, the campaign highlights health education.

Cass City High deserves credit for cooperative effort in the crusade to stamp out tuberculosis.

MOTHER'S DAY

Mothers of this community will receive much attention and will be remembered with gifts and honored at family gatherings next Sunday when the 33rd national observance of Mother's Day will be celebrated. The feeling which people have for the one who gave them birth and nurtured them through their youth, who watched over them with loving care through their childhood, goes far beyond the power of any words to express.

Mrs. P. A. Koepfgen, 91, whose halftone picture appears at the beginning of this article, is typical of the mothers of this community whom all know so well for their virtues of patience, kindness and thoughtfulness. Mrs.

Koepfgen, who was born in Ontario, on Mar. 26, 1856, is the daughter of the late Alexander and Mary Morton. She has resided in the Cass City community for 66 years. Mr. Koepfgen died in 1924.

Mrs. Koepfgen has two sons, Leslie Koepfgen of Bay City and Lyle Koepfgen of Cass City; two daughters, Miss Beryl Koepfgen of Midland and Miss Beatrice Koepfgen of Kalamazoo; one stepson, John Koepfgen, of Oak Park, Illinois; six grandchildren and two great grandchildren.

Mrs. Koepfgen expects to return to her home here today (Friday) after a three months' visit with her daughters in Midland and Kalamazoo.

Fifty-three Attend W. S. C. S. Gathering

Fifty-three were present Monday evening when members of the Woman's Society of Christian Service met in the social rooms of the Methodist Church. Supper was served at 6:30 by ladies of group No. 5 with Mrs. Don Miller and Mrs. Grant Hutchinson as co-chairmen.

Mrs. John Safran was program chairman and the lesson topic was "The Child and His Family." Instead of flowers, pictures of children were grouped on the tables.

Mrs. Geo. Millius of Elkton, district treasurer, was a guest and told of her experiences while attending the national assembly of the W. S. C. S. at Columbus, Ohio, at which Bishop Ward of China was the principal speaker. Mrs. John Hoffman of Elkton was also a guest and stressed the values of Methodist literature.

Mrs. John McGrath told of her work with the Children's Society of Christian Service and Cathy Wood read the minutes of their last meeting.

Plans were made for group No. 5 to serve the bowlers' banquet May 15.

At the June meeting, the society will entertain the groups from Chandler and Pinnebog.

City Slickers Display Farm Knowledge

Kenneth Maharg acted as chairman of the Gavel Club dinner held in the Home Restaurant Tuesday evening. The club was divided into two groups and there was plenty of excitement as the City Slickers captured the honors from the Hay Seeds in a quiz on "Rural Subjects." Andrew Bigelow captained the City Slickers and Ed Baur the Hay Seeds.

Mr. Bigelow gave an interesting talk on "Parliamentary Law."

The club members were well pleased with a report given by Harry Little on the proceeds of the boxing match.

Bowling

The City League Bowling Tournament came to a successful conclusion on Friday evening, May 2, after all entries had made their bid for the prizes offered in each of the following events. Twenty teams rolled in the team class, with the first 10 sharing in the prize monies. The Parsch Five of the City League, composed of the following personnel, Bogart, Benkelman, Kienstra, H. Moore and Parsch, picked up the first place \$25.00 prize, while the doubles event was won easily by (Shorty) Greenleaf and (Art.) Paddy on their 1281 totals to win the top check of \$13.50.

In the singles, Murray DeFrain was awarded first place honors when he rolled an actual 600 pin total, which added to his 66 pin spot handicap, gave him the high totals of 666 and a check for \$8.00. The first 10 places in each event come in for a share of the prize fund and will be distributed at the annual bowlers' banquet on May 15, at the local high school. The following is a list of the teams and the individuals that participated in

HILTON WARNER HAD TRAILER FIRE APR. 20

The following item is taken from the Chicago Heights Star of Tuesday, Apr. 22:

"At 11:53 p. m. Sunday a trailer owned by Hilton Warner was nearly destroyed by flames believed to have been started by defective wiring, Fire Chief Nick W. Kuhn reported. The trailer was parked in a camp at Halsted St. and Ridge Road.

"The blaze started directly above a bed where Warner's children normally sleep. The youngsters, however, were not at home when the fire started. Warner, who was alone at the time, lost most of his clothing and trailer equipment in the blaze."

Hilton Warner is a son of Mr. and Mrs. Robert Warner and formerly lived in Cass City.

An Orange Tree Grows in Michigan

Did our mouth water when Mrs. Theresa Sedlick of Decker brought into the Chronicle office last Monday an orange tree which she has raised, and on which hang three luscious oranges. The tree is about two and a half years old, and when full grown should attain a height of five or six feet—that is in Florida—not in Mrs. Sedlick's fruit orchard, which is on the window sill in the kitchen. She also has a lemon tree on which there is a lemon 1 1/4 inches in circumference, and Mrs. Sedlick says, it requires only one of these lemons for a pie.

"Yes, folks," says Mrs. Sedlick, "I expect to have an orange grove higher than the snow next winter."

Farm Bureau Adds Many New Members

At the regular meeting of the Tuscola County Farm Bureau board of directors held at Caro on Monday evening, Don Valentine, Fostoria, membership campaign chairman, reported that despite heavy snows and blocked roads, volunteer workers had signed 1325 members to date with a few memberships still coming in. This represents an increase of 54 members over last year.

President Henderson Graham, Caro, stated that on behalf of the board, he wanted to "take this opportunity to thank all of the volunteer workers for their part in conducting the drive."

He also stated that membership in the state organization has increased to 46,000 with the possibility that it might reach 48,000 by the time completed reports are in.

New Rotary Officers Attend District Meet

Arthur C. Atwell and Horace M. Buley, newly-elected president and secretary of the Cass City Rotary Club, attended the Rotary International district conference at Port Huron on May 5. Dr. Fred Forster of Stratford, Ont., a member of the staff of the Stratford General Hospital, was elected district governor by unanimous vote. He succeeds Dr. Clyde H. Wilcox of St. Clair, Mich.

The following special awards were made for meritorious service during the year: Governor's citation to the Port Huron Club for vocational service; club service to the Alma Rotary Club; and the Mt. Pleasant Club received the international service award.

Five hundred fifty Rotarians attended the conference, many accompanied by their "Rotary Anns." Among the interesting speeches was a very outstanding one entitled "Peace through Research" by the Rotary International representative, Mr. Flynn, who is probably one of the world's fastest talkers. He kept the conference hanging on his every word between gales of laughter.

A unanimous resolution was passed pledging support in helping to rid this country of the Communist influence. The 152nd district having grown to 70 clubs will have to be restricted to make it more easily governable. It was emphasized that the international aspect would not be disturbed in so doing.

The very successful conference adjourned at 5:0 p. m. Monday after a fine display of the spirit that makes Rotary great, and an influence for peace and good will throughout the world.

Compensation Benefits Paid to 428

The Vassar office of the Michigan Unemployment Compensation Commission paid unemployment compensation benefits to 428 unemployed people in Tuscola County for the week ending May 3, 1947, according to W. H. Baughman, principal claims examiner.

This figure includes 261 unemployed veterans paid readjustment allowances and 167 industrial claimants paid from the Michigan Unemployment Compensation trust fund. Included among the industrial claimants were 33 women.

Mr. Baughman said there were 21 who filed initial claims for the week, a decrease of four since the previous week. Of this number, five were veterans and eight were women.

Ladies' Night of Community Club Next Tuesday

Tuesday, May 13, will be Ladies' Night of the Cass City Community Club when that society meets in the school auditorium for the last meeting of the club this spring. There will be red roses for the lady-guests.

Bob Richards of Detroit will give the address of the evening and the program committee promises he will be one of the outstanding speakers of the season.

A barbershop quartet is coming from Bay City and the Novesta Church of Christ Ladies' Aid will serve the dinner.

The club season opens again next September.

High School Band Gave Annual Concert

Make-believe birds on wing, a carpet of green and a stage flanked with potted palms, formed a setting in keeping with spring for the annual band concert presented by the school students last Wednesday evening in the school auditorium. Girl members of the band chose formal gowns for the occasion and boys appeared in dark suits.

The concert is rated as the best to have been presented in several years and much credit is due Lloyd T. Bartley, director of music, who came here after the beginning of the current school year.

Solo numbers were presented by various members as follows: Vocal solos by Roberta Guisbert and Elaine Shagena, a saxophone solo by Adeline Creason, a cornet number by Roger Parrish and horn solos by Beverly Goodall and Manley Fay. Accompanists were Marian Croft, Joan Sommers, Manley Fay and Mrs. Bartley.

Members of the junior band, dressed in maroon caps and capes, joined the senior members of the band for one number.

A fine audience of interested parents and friends attended.

Mrs. Churchill Former Novesta Resident

Funeral services for Mrs. Emma Louise Churchill, 70, former Novesta Township resident, were held Thursday at 2:00 p. m. in the Novesta Baptist Church. Rev. J. P. Holloper, pastor, officiated and burial was made in Novesta cemetery.

Mrs. Churchill, who had been living with her son, Edgar Wade, in Detroit, had been ill since December and died Monday night in a Detroit hospital.

She was the daughter of Irish parents, the late James and Hannah Page Brown, and was born on Sept. 12, 1876, in Ontario. She came to Michigan when she was a small child. At Columbus, Ohio, she was married to Edgar Wade, who died in 1910, and in 1916 she was united in marriage with Wm. Churchill, who died in 1941.

Surviving are her son, Edgar, of Detroit; two stepsons, Ernest Churchill of Detroit and Clark Churchill with the Army at Fort Leavenworth, Kan., three grandchildren; and a brother, Robert Brown, of Caro.

COMING AUCTIONS

Having decided to discontinue farming, Adolph Rosen will hold an auction sale at the Eva Brodzik farm located 1 1/2 miles northwest of Wilnot on Saturday, May 10. Full particulars are on page 6.

On page 8 is the auction ad of Edgar E. Ross, who has quit farming and will have a farm sale on Thursday, May 15, 4 miles west and 1/4 mile south of Deford.

In next week's Chronicle will appear the auction ad of household goods which sale will be held at the residence of the late Mrs. Janet Messner, one block south of the Ford Garage in Cass City, on Saturday, May 17.

SENIORS SEE LAW MAKERS IN SESSION AT LANSING

The senior class of the Cass City High School journeyed to Lansing yesterday (Thursday) to observe the legislature in session. They were shown around the capitol building by State Representative James Kirk of Caro. Last week they visited the state hospital at Wahjamega. The trips were made by bus.

Michigan Mirror

Michigan's capital city, well acclimated by now to the Sigler reform wave, this week had something new and unknown to talk about in the line of moral uplift.

Mackinac Island's "Moral Re-armament" movement, led by a "task force" of between 200 and 250 converts, hit the town with a snappy musical revue called "Ideas Have Legs."

Something entirely new and different, the entertainment was a strange and yet effective combination of old-time morality—the age-old conflict between materialism and spiritual truth — and a 1947 headline theme, the present ideological showdown between democracy and dictatorship.

All of this to the snappy and worth-whistling tunes of swing music, and you have a faint and dizzy idea why the sophisticated city has been both bewildered and impressed.

Rep. Elton R. Eaton, Plymouth newspaper editor, was among the state legislators who came in doubt and left in praise. On the floor of the house, he confessed that he had been on the verge of introducing a resolution to ask the conservation department why the state was permitting the Moral Re-armament group to occupy the Island House, state-owned hotel on Mackinac Island, for a nominal fee. "This is one of the finest groups that America has ever produced," he enthused. "I, for one, would be willing to have the state subsidize this group so they could go. Concluded on page 4.

Gagetown Girl Is Wed at Candlelight Service at Caro

From Gagetown correspondent.

A candlelight service in the First Methodist Church of Caro on May 3 united in marriage Miss Wanda McDermid, daughter of Mr. and Mrs. Joel McDermid, of Gagetown, and Mr. Walter Dickinson, son of Mrs. Carrie Dickinson, of Caro and the late Claude Dickinson. Rev. S. S. Closson performed a double ring ceremony at 7:30 in the presence of 250 guests. The bride was given away by her father. Snapdragons and palms made an attractive setting for the wedding service.

The bride, who is a graduate of the Gagetown High School, chose a gown designed with a drop shoulder neckline, fitted satin bodice, wrist point sleeves, and a full marquisette skirt ending in a long train. Her fingertip length veil fell from a cluster of pearled orange blossoms at either side, and she carried a bouquet of calla lilies. A single strand of pearls completed her costume.

Miss Margaret McDermid of Caro, sister of the bride, was maid of honor. She wore a yellow gown with a sweetheart neckline, full skirt and matching picture hat. Her bouquet was made up of spring flowers.

The gowns of the bridesmaids, Mrs. Tom McDermid of Detroit and Mrs. Keith Trumbull of Caro, were of aqua marquisette designed like the maid of honor's, with matching picture hats. They carried bouquets of spring flowers. The maid of honor and the bridesmaids wore rhinestone bracelets which were gifts of the bride.

Flowers girls were Miss Lana Turner and Miss Judy Donner. The former's dress was of peach marquisette with a fitted bodice and full skirt. She wore a matching bow in her hair. Her bouquet was of spring flowers centered with a rose which held the groom's ring. Judy Donner was dressed in blue marquisette with a drop shoulder neckline and a full tiered skirt. Concluded on page 4.

Miss Whidden and Ernest Nitz Marry

From Gagetown correspondent.

On April 24 in the St. Peter's Lutheran Church in Bach, Miss Hazel Whidden, daughter of Mr. and Mrs. Arthur Whidden of Gagetown, became the bride of Mr. Ernest Nitz, son of Mrs. Henry Stecker of Sebawaing. Rev. R. A. Riess officiated at the marriage rites at 4:30 Thursday afternoon.

Mrs. Pearl Emmons of 101 Campbell St., Bay City, and Mrs. Norman Gaeth of Sebawaing were bridesmaids, while Mr. Emmons and Mr. Gaeth assisted the groom. Mrs. Emmons is a sister of the bride and Mrs. Gaeth is a sister of the groom. Harry Nitz and Arthur Nitz, brother and cousin of the groom, were ushers.

Against a background of palms and lilies of the valley, which decorated the church, the bride wore a gown of white satin fashioned with a tightly fitted bodice, a square neckline, long sleeves ending in points over the wrist, and a full skirt. Her fingertip veil fell from a headband of orange blossoms and she carried a bouquet of roses. She wore white satin sandals and, as her only ornament, a string of pearls.

Mrs. Emmons wore a yellow chiffon gown over taffeta, and Mrs. Gaeth wore blue chiffon over taffeta. Both bridesmaids carried colonial bouquets tied with satin which matched their gowns and headresses.

Rosemary Emmons, who was flower girl for her aunt, wore a yellow dress and carried a basket of spring flowers. Dennis Nitz, nephew of the groom, was ring bearer.

After the wedding ceremony, a dinner was served to 15 at the hotel in Sebawaing. At eight o'clock, a reception and wedding dance was held at Arbeiter Hall, attended by about 150 guests. A lunch was served and the bride and groom cut their tiered wedding cake which was decorated with miniature bridal figures.

Mr. Nitz, who is engaged in farming, and his bride, who was a 1946 graduate of the Gagetown High School, will live on the old homestead which is located a mile west of Bach.

Mr. and Mrs. R. E. Johnson of Deford announce the approaching marriage of their daughter, Katherine, to William F. Herman, son of L. H. Herman, of Lima, Ohio. The couple will speak their vows June 21.

FATHER OF MURRAY DEFRAIN DEAD

Geo. A. DeFrain, 71, of Harbor Beach, father of Murray DeFrain, manager of the local Smith store, died Tuesday in his home after a long illness. Funeral services were held Thursday at 10 a. m. in Our Lady of Lake Huron Catholic Church.

Mr. DeFrain was born in Bay City and had lived 33 years in Harbor Beach. He is survived by his widow, six sons, four daughters, seven grandchildren and four brothers.

Mr. and Mrs. Murray DeFrain attended the funeral services.

Using Deodorants
The safest time to use non-perspirants or deodorant preparations is after undressing at night. Care should be taken not to drop any of the liquid preparations on underwear or night clothes or to use so much of the creams that they get on fabrics. Powder applied over these preparations at night and again in the morning helps protect clothes. Shields may be as useful in protecting against these chemicals as against perspiration.

Restore Fruit Flavor
Canned fruit juices often lose the fresh fruit flavor because the air has been removed during vacuum processing, say research chemists of the department of agriculture. A simple way to restore the fresh fruit flavor to canned juices is to pour the chilled juice back and forth from one tumbler to another just before serving.

"Now I DON'T KNOW THAT I HAVE FEET"

Foot trouble? So often it is just a matter of proper foot support. Get into Health Spot Shoes—thousands of men and women who have to be on their feet for long hours, have told us "Now I don't know I have feet." These remarkable shoes, with their entirely new principle, do not force the foot against a flat innersole, but support it on an innersole shaped to the foot, lifted at the inner heel, rounded toward a comfortable, sensible arch and a contoured bed for ball and toes. You'll be amazed at their comfort.

HYDRAULIC LIFT AT YOUR FINGERTIPS

Move the Model C tractor's hydraulic lever with one finger and you can raise heavy-duty implements weighing up to half a ton.

The hydraulic lift raises implements by tractor power instead of muscle power. The same tractor that proved faster and more efficient than work animals, now saves tiring human effort too.

It has been calculated that one farmer frequently expends 6,000 to 10,000 foot pounds of effort daily operating levers. Day after day... plowing, planting, cultivating, fertilizing, terracing, crossing grass waterways... 3 to 5 tons of armwork.

The Allis-Chalmers hydraulic lift ends that drudgery... begins a new experience in comfort and Better Living... for you and your family. Come in and let us demonstrate this simple labor-saving feature.

Gagetown Girl Is Wed at Candlelight Service at Caro

Concluded from page 1.
She wore matching bows in her hair. Her bouquet of spring flowers was centered with a rose which held the bride's ring. Each girl wore a golden locket, gifts of the bride.
The bride's mother chose a navy blue dress with pink and black accessories. Her corsage was of pink roses and sweet peas. Mrs. Dickinson, the groom's mother, wore an aqua dress with American Beauty rose and brown accessories. Roses and sweet peas were in her corsage.
Max Koreck of Caro, brother-in-law of the groom, was best man, and ushers included Tom McDermid, brother of the bride, Ottisdale.

Tarr, and Ted Linn, all of Detroit. Mrs. Ralph Clara of Pontiac sang "Always," "O Promise Me," and "The Lord's Prayer" as a part of the wedding service.
Following the ceremony, a reception for the young couple was held in the church parlors where 200 guests were present. When Mr. and Mrs. Dickinson left for their wedding trip to Niagara Falls, the bride wore a gray suit and green cape with gray and black accessories. Her corsage was of gardenias.
They will make their home in Detroit, where the groom is an apprentice lineman for the L. E. Meyers Co. He served four years in the Army Air Corps in the Pacific theater.
Guests at the wedding were present from Detroit, Bay City, Omer, Standish, Akron, Decker, Ionia, Cass City, Gagetown, Unionville, Pontiac, Lapeer and Owenton.

Smith Purchased Purebred Guernseys

Clarence Smith, whose farm is located two miles south and one and a half east of Deford, has recently purchased a bull and two cows of the Guernsey breed from Faye Myers of the Knollbrook Farm at Grand Blanc, Mich.
One cow is Knollbrook L. Clara 914473 and the other Knollbrook L. Dorothea 914474.
The bull is Lute's Model 402416. His seven nearest dams average 14,299 pounds of milk per year and 800 pounds of butterfat.

Blanket Wiring
Electric blanket wire can be flexed without breaking more than 100,000 times—equivalent to a quarter-century of ordinary use of the blanket. The wiring system, according to electrical technicians, will outlast the blanket itself.

to every state of the Union."

The "task force" lived and dined at a capitol square hotel for two weeks or more. The premier performance was preceded with a complimentary dinner—all from the goodness of a committee of invitation. Among the sponsors was State Police Commissioner Donald Leonard.

Puzzling and entirely unorthodox to Lansing was the fact that no one was asked to "join" or to become a "member." No requests were made for donations. The show was free—and three performances were held.

With headquarters on Mackinac Island, Moral Rearmament is not a sect; it has no creed; it seeks the moral regeneration of the individual. It preaches the old, old principle of the Golden Rule.

Who pays the expenses—the hotel bills, transportation, clothing and the like? Lansingites were openly suspicious, wondering when the "bite" would come. One lobbyist told us with conviction: "I'm going to get to the bottom of this if it takes me 10 years."

Ray Purdy, a Christian gentleman of marked culture and winsome personality, told us that MRA was financed by persons who received "guidance" to make a subscription. Mr. Purdy is one of the MRA directors... Our own observation: A lot of people and organizations are doing good in the world. The MRA has worthwhile objectives, like the others, and it is doing good with its modernized gospel of the Golden Rule.

The Tripp bill to take the state "out of the liquor business" and to put the sale of packaged liquor entirely in the hands of special designated distributors (SDD's) is not given a Chinaman's chance of getting through the House.

Due to the personal popularity of the sponsor, Senator Harold D. Tripp of Allegan, whose drug store sold \$32,700 in packaged liquor last year, the Senate approved the bill. No hearing was held at the time.

Opposition quickly arose from such diverse groups as the Michigan Temperance Foundation, Michigan Table-Top Licensees Congress (bar owners), Royal Ark Association (liquor people), the Michigan Brewers Association, and Federal Judge Frank A. Picard, first chairman of the state liquor control commission.

Smarting under public criticism that he stood to benefit personally from his own bill, Senator Tripp staged a highly dramatic scene and tore up his state license. He announced that henceforth he would not sell liquor in his drug store at Allegan.

Most damaging fact: The State of Michigan would have lost \$9,626,066 in tax revenue if the Tripp bill had been law during the past fiscal year, according to a study released by the state liquor control commission.

The state legislature is scheduled to adjourn about June 1, after some solution is found for needed state revenues. Best bet: A state income tax. The Hittle bill to authorize a "community income" basis for payment of federal income taxes in Michigan would save Michigan taxpayers between \$100 and \$200 millions a year. Republican thinking is to divert some of this saving to the state treasury and then brag about what is left—a sizeable benefit through lowered tax bills.

The soft drink tax is regarded as killed; the higher beer tax is back in committee. A cigarette tax has a fair chance of passage, it seems.

Home rule powers to cities to levy excise taxes ran into opposition at a house committee hearing. Some municipalities, such as Pontiac, pleaded for virtually a "blank check" to levy local taxes as officials saw fit. Legislators may authorize cities to levy specified taxes, subject to repeal by referendum.

The legislature is not going to enact a fair employment practices commission bill at this session. This "hot potato" is being sidestepped. There appears to be strong evidence that another state agency is not needed to handle the relatively small number of cases of job discrimination because of race, color, religion, national origin or ancestry. Industrialists favor local committees of tolerance as an effective solution.

Keep Milk From Sun
When a bottle of milk is delivered and left on the porch, where the sun beats down on it, your family will be cheated out of some of the milk's appetizing and nutritional values. Even in cold weather, if left in direct sun, the flavor and vitamin content of milk will be changed. The flavor of homogenized milk is affected within half an hour when in the sun, and other milk within one hour. The milk doesn't sour or "turn," but a distinct taste change occurs due to the sunlight.

NOTICE OF HEARING CLAIMS BEFORE COURT
State of Michigan, the Probate Court for the County of Tuscola.

House Plants
Remember that most flowering plants must have sunshine to bloom. Therefore, a south window is the best location for inside winter flowers. Foliage plants which are grown for their decorative leaves, may do well at north windows.

THE ICEMAN COMETH... IN 47 B.C.

In the grandeur that was Rome, the wives of emperors and of a few senators kept their food fresh and wholesome with snow rushed down from the mountaintops by fast chariot.

There probably was a lot of oh-ing and ah-ing among the Roman gourmets when Caesar's wife, Calpurnia, served chilled Carthaginian canapes on a sultry summer evening...!

But how Calpurnia would have envied you your electric refrigerator.

"By Jupiter," she'd have exclaimed, "you have dependable, inexpensive electricity to keep your food fresh and appetizing. Electricity so inexpensive, in fact, that your refrigerator runs five full days for less than a quinarius*."

Today in your home, refrigeration is just one of the dozens of ways in which electricity does jobs for you... better... and for less money than any other way.

*About a dime today.

Plant Acres of White Gold

Plant Beans

WHY?

1. Bean supplies have been and still are far short of the current and potential demand created by stable domestic and foreign markets.
2. This fact will stimulate the law of supply and demand which was curtailed during the war. The outlook for bean prices is almost entirely optimistic for the 1947 marketing season.
3. There is no individual farm acreage goal this year. Farmers therefore should plan to plant as large a bean acreage as their labor, power, and farm program will successfully handle.

Double Corn Yield By Soil Management

Illinois Tests Prove Value of New Methods

Farmers can double the present 50-bushel-per-acre state average corn yields through good soil management, declares Prof. A. L. Lang, University of Illinois.

Corn yields above 100 bushels per acre are repeatedly harvested by research workers from high fertility plots at the experiment stations. At Illinois, Lang points out, the high fertility plots have averaged above 100 bushels since the use of hybrid seed.

The No. 1 problem in getting these high yields is the rebuilding of the organic matter supply of the soils. Years of "soil mining" have run down this supply, even on the

rich black soil of the state. In addition, the soil supply of phosphorus and potash, vital to the growth of legumes, is badly depleted in most Corn Belt soils.

Lang outlines four steps toward rebuilding the soil:

1. Test your soil to determine the needs for lime and plant food.
2. Use of lime and fertilizers according to test to build the fertility level for the growth of legumes in the rotation.
3. Use of deep-rooted legumes, crop residues and manure to rebuild the organic matter supply. This organic matter will help aerate the soil and furnish the bulk of the nitrogen needed for crop rotation.
4. Supplementing the increased fertility of the soils with fertilizers carrying nitrogen, phosphorus and potash to permit the raising of 100-bushel corn crops.

Root Rot Resistant Oats Increase Yield

Because a disease called helminthosporium is affecting older varieties of oats in many grain states, farmers are turning to new introductions, such as Bonda and Mindo, which have proven resistant to this form of root rot.

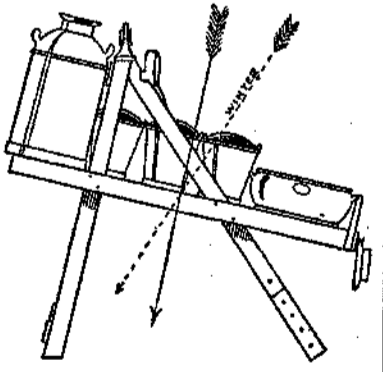

In Minnesota the Minnesota Crop Improvement association is furnishing seed of these varieties to farmers who agree to retain only half of the crop for their own use, selling

Rhoda, daughter of Mr. and Mrs. F. W. Lawson, Albert Lea, Minn., beside a typical shock of Bonda oats on her father's farm. The yield last year was 86 bushels to the acre.

the balance to farmers who will agree to grow it for certification as pure seed. Those who have received the seed of these two varieties report excellent yields and no crinkling down of the straw from disease.

Utensil Sunning Rack

Adjustable sunning rack for milk utensils may be constructed to permit adjusting the angle of the slope so that the sun, summer or winter, will enter into the milk pails, cans or other utensils. The device shown was designed by Kansas board of agriculture.

Rules for Good Milk Insuring Top Profit

In order to make money with dairy cows not only must volume milk production be secured, but also it must be of good quality. To secure good milk, milk only clean, healthy cows and keep them in a well-ventilated barn. Use of only clean sterile utensils, prompt cooling of the milk and proper handling until it is used or delivered will assure good quality milk. Men handling cows also should be clean.

HOLBROOK

Fire Fatalities

Since 1900, according to statistics of the National Fire Protection association, 16 major fires accounted for the lives of more Americans than were killed at Iwo Jima. Over 4,000 Americans made the supreme sacrifice during World War II's bloodiest battle, yet 4,971 Americans have died needlessly in only a small fraction of fatal fires that have ravaged this country since the turn of the century.
