

Rotary Anns Were Guests at Ladies' Night Dinner

Movie, Quartet Numbers and Address Composed the Evening's Program

Rotary Anns were guests of their husbands at the annual Ladies' Night dinner and program which was held at the New Gordon Hotel Tuesday evening. Past President Robert Keppen welcomed the Rotary Club guests in a brief talk and President Audley Rawson announced that the sound film, "America the Beautiful," which was shown directly after, with Jack Douglas as projectionist, was available to any club in this community for a week. The film depicted the beautiful scenery of various parts of the United States and gave several views of the country's vast resources. It gave the audience a feeling of satisfaction that they were most fortunate in being citizens of a land of plenty and beauty.

Through the courtesy of Leslie P. Kefgen of Bay City, son of Mrs. P. A. Koepfen and a graduate of Cass City High School in 1907, who arranged for the talent to come to Cass City, Rotarians and their guests had the pleasure of hearing vocal numbers by a quartet composed of L. B. Thomas, Carl Trombly, Dr. Johnson and Chas. Porter, a group of Bay City business and professional men, who meet occasionally to sing just for the enjoyment of singing. They were generous with the number of selections and the melody of old-time songs was greatly appreciated by the audience.

Mr. Kefgen, who is chairman of the Michigan Corrections Commission, introduced Garrett Heyns, a director of the commission and a former warden of the Michigan Reformatory, as the evening's speaker. He talked on "Crime and Delinquency" in which he stressed the concern citizens should feel over the great increase in crimes committed by teen age youths, the responsibility of the home and community in delinquency, and the lessening of the percentage of probation violations.

Each guest received a gardenia as a favor.

Daily Vacation School on June 16-27

The two-week Vacation Church School sponsored by the Cass City Council of Churches will be held this year in the Methodist Church. Sessions will be held daily except Saturdays and Sundays from June 16 to 27, from 9:00 a. m. to 11:45 a. m. Cooperating churches are the Novesta Church of Christ, Evangelical United Brethren, Methodist and Presbyterian Churches. The host church pastor serves as director of the school.

"One of the advantages of an inter-church school," said Rev. M. R. Vender, "is the added leadership afforded. It is like having an 'All Star' team or cast. The departments throughout will have trained and experienced teachers."

The courses of study are selected from the Cooperative Series of Vacation Church School Text Books. Kindergarten and Beginners (for ages 5-6 years), "Happy Times in Our Church," with Joan Bigelow as expected leader. Primary, "Exploring God's Out-of-doors," with Alice Anthes and Mrs. John McGrath as leaders. Junior, "Living in Our Community," with Mrs. Grant Patterson and Mrs. Herbert Watkins as leaders. Junior High, "We All Need Each Other," with Rev. Herbert Watkins and Rev. John Safran as leaders. Others will assist in the school leadership, including Rev. S. P. Kirm and Rev. M. R. Vender, who will serve as resource leaders, the latter having special charge of junior and junior high recreation.

The staff have been preparing their courses, and it is expected to get off to a good start with Biblical character building stories, worship, handicraft, projects of various kinds, surprise features and recreation. Educators consider the vacation school as the best opportunity of the year for happy and effective Christian nurture.

School Meeting Monday.
A meeting of the electors of School District No. 5, Elkland, will be held Monday, June 16, at 8:00 p. m., at the school auditorium for the purpose of discussing the reorganization of local districts into a larger unit.—Advertisement 11

TO BE GRADUATED FROM CENTRAL MICHIGAN COLLEGE

Miss Joan Muntz, daughter of Mr. and Mrs. Stanley Muntz, will be graduated from Central Michigan College of Education at Mt. Pleasant with a Bachelor of Science degree in physical education, health education and music on Saturday, June 14. Miss Muntz is a member of the college a cappella choir, Masquers, Alpha Psi Omega (dramatics fraternity) and Sigma Sigma Sigma sorority.

Seventeenth Child Born in the Merritt Hawley Family

Mr. and Mrs. Merritt Hawley of Route No. 3, Cass City, are the parents of 17 children, all of whom are living. The youngest is Franklin Morris who was born June 7 in the Morris Hospital and weighed eight and one-half pounds.

Mrs. Hawley is 45 and her husband 60 years of age. They are grandparents of eight children. The smallest baby of the family weighed five pounds at birth and the largest eleven and one-half pounds.

Four members of the family are married. They are Warren Hawley of Kingston, Leonard Hawley of Colwood, Mrs. Mary Thorpe of Wilmett and Mrs. Lena Haney of Oscoda. Others are John of Kingston, Andy, Irene and Rowena (twins), Rosella, Wayne, Beulah, Willard, Alton, Jennie, Marlene and Joseph, the last one aged two years.

The twins, Irene and Rowena, and Rosella all were graduated from the eighth grade this month.

Omit Program, Go to Work on Project

The Gavel Club omitted the program feature of the Tuesday evening meeting and members went to the City Park to work on the playground project which the club is sponsoring and incidentally doing most of the volunteer work in preparing the place for the pleasure of people of the community for baseball, softball and football games. The club plans a similar work night in place of a program next Tuesday.

The club announced two weeks ago that they would appreciate volunteer help in raking and cleaning up the field and in placing posts for the playground. The response from citizens outside of the club has been far from overwhelming.

4-H Club Members Make Detroit Trip

The Detroit Edison Company sponsored an interesting and educational trip for all 4-H Club members who completed the electrical project last winter. About seven leaders, some parents and about 75 members saw part of the Tiger-Yankee ball game by television.

Other interesting events of the day were the trips through the system supervisor's room, customer's accounts division, appliance repair division and several other points of interest.

Of the group almost one-third had never been to Detroit or ridden on a bus before.

Report Oil on the Lee Dickinson Farm

Drillers working on the Lee Dickinson farm in Novesta Township, 4 miles southwest of Cass City, are reported to have struck oil early last week at a depth of 2,700 feet. Operations have been suspended temporarily. This well is about 40 rods distant from the oil well on the Douglas Stilson farm in Elkland Township.

Cleaning Up Trash on State Highways Is Expensive

Road Commission Asks Public to Cooperate to Keep the Roads Clean

The Tuscola County Road Commission asks that tourists and others, using the highway parks and roadside tables throughout the county this summer, cooperate to keep the highways clean.

Maintenance crews have been reporting that garbage, tin cans, and waste paper are being dumped on the shoulders and in the roadside ditches in violation of state law.

During the period from July 1, 1946, to May 1, 1947, the county road commission spent \$1,618.70 on state trunklines alone in cleaning up trash, paper and broken glass.

Very shortly the commission will begin their summer program of roadside weed cutting with a fleet of ten tractor mowers, and the practice of dumping rubbish on the roadsides increases the cost of weed cutting very greatly.

"Any person found guilty of depositing any waste material of any kind on the public roadsides is liable to a fine or imprisonment or both," A. Paul Kreeger, engineer-manager of the commission says.

Thumb Students to Be Graduated at Mt. Pleasant

Academic degrees will be granted to 188 seniors of Central Michigan College at Mt. Pleasant at commencement exercises June 14. This will mark the largest senior class since the beginning of World War II.

The 1947 graduates in the Upper Thumb counties are:

Huron—Harbor Beach, Marion Highland; Elkton, Clifford Furness; Bad Axe, Patricia Flannery. Sanilac—Brown City, Warren Clark, Shirley Bennett, Eleanor Kalbfleisch, Helen Reilly; Crosswell, Marjorie Baer, Jeanette McDowell; Minden City, Earnest Schamehorn.

Tuscola—Tyre, Helen Buila; Cass City, Joan Muntz; Reese Mary Wolverton.

Bonnie Mark Spreads Sunshine in Hospital

The "Girl of the Month" article in a small magazine, edited by student nurses at Providence Hospital in Detroit, names Miss Bonnie Mark, now a student in her senior year. Bonnie, in addition to being a wonderful nurse, has held class offices, including serving as president in her junior year and just being reelected as class president for her senior year. Outstanding was her work as manager of the basketball team.

The article closes with this: "We, all, everyone of us, want you to know that without you, Bonnie, there would be a little less sunshine around Providence Hospital."

PIANO PUPILS IN INFORMAL RECITAL

The piano pupils of Mrs. Lloyd Bartley were presented in an informal recital Thursday afternoon, at Mrs. Bartley's home. Parents and a number of friends attended.

Those taking part in the program were Sharon Ackerman, Janice Bartle, Margaret Cathcart, Lois Little, Howard Muntz, Annette Pinney and Roger Parrish. Roger also played a marimba solo. Also taking part was Robert Freeman, who was a member of Mr. Bartley's fourth grade piano class at school. Achievement pins were awarded to each pupil. Following the program, light refreshments were served by the hostess assisted by Mesdames Arthur Holmberg and Edwin Baur.

Elkton Girl Awarded M. S. C. Scholarship

Joyce E. Biber of Elkton is one of 64 Michigan high school students who have been named as winners of the 1947 alumni scholarships at Michigan State College. Glen O. Stewart, director of alumni relations, announced recently. The scholarship winners were chosen from among applicants through tests conducted by the committee on scholarships, headed by Prof. A. J. Clark.

Applicants for the scholarships submitted their credentials through local alumni chairmen, one of whom was named for each senatorial district, or as in the case of several senatorial districts in one county, the chairman served for the entire county.

VETERAN NEWS

From the OFFICE OF VETERANS' AFFAIRS LANSING

Injuries in Training Under P. L. 16

Veterans drawing compensation for service connected disabilities who wish to enter a job-training program should know that under Public Law 16, any injuries incurred during the training program which result in further disabilities, or death, will result in benefits on the same basis as if the disability or death had been incurred in war services. These benefits do not apply to trainees under Public Law 346, Chapter 381, American Law of Veterans, states:

"If a veteran trainee suffers an injury, or aggravation of an injury, as a result of the pursuit of a course of vocational rehabilitation (P. L. 16), and not as the result of his own willful misconduct, and such injury or aggravation results in additional disability to or death of such person, benefits will be awarded on the same basis as if the disability, aggravation, or death had been incurred in war service. Application for this benefit must be made within two years after the injury was suffered or such death occurred."

Survivors Should Cash Terminal Leave Bonds

In the event of the death of a veteran who holds an Armed Forces Leave Bond, his survivors should arrange immediately to cash in the bond. This bond, while non-negotiable for five years by the veteran himself, may be cashed in by survivors in the following order, in event of the veteran's death: First, wife (or husband) and children, in equal shares; and second, the parents (or grandparents, step-parents or parents through adoption), in equal shares. Neither brothers nor sisters nor other relatives are eligible to receive payment, and if the veteran left none of the above listed survivors, the bonds revert to the government. Application is made on Treasury Department Form PD 2066.

Cass City Girl Scouts Win Honors at Caro 'Play Day'

The Caro Girl Scouts were hostesses on Saturday to other Scouts from Mayville, Unionville, Fostoria, Vassar and Cass City. One hundred and nineteen girls, seven leaders, four assistant leaders and three county representatives were registered.

Due to rain the school gym was used for play. Songs, races, dances and lunch were enjoyed. Each troop presented a group skit and the Tuscola County Red Cross showed a movie on life saving.

The Cass City intermediate troops won a plaque for the most outstanding troop represented. Awards were won by Cass City girls for winning the relay race.

Mary Elizabeth Wood of Cass City won the high honor for the girl with the best badge work of the year. Mary has completed six badges this past year. Her work included basketry, needlework, interior decoration, swimming, color and design.

This "Play Day" has become a yearly event for Girl Scouts and the girls and their leaders gain much in knowing Scouts from neighboring schools. Next year the Girl Scouts hope to report even more honors for Cass City.

Michigan is headed back to red ink financing of state government. A state treasury deficit is foreseen as the result of legislators' reluctance to enact new taxes and the constitutional mandate to divert 76 per cent of the state sales tax to local governments including public schools.

Several capital newspaper correspondents, who watch daily the parade of events at Lansing, confide that the inevitability of new taxes in 1948 will hurt Governor Sigler's chances of re-election. The governor's insistence that the legislature must lead itself also hasn't helped matters. The Detroit Free Press, one of Kim's original bellringers, smartly criticizes the governor for lack of leadership. Excerpt: "Instead of creating behind him the power of public opinion to force enactment of his purposes, his (Sigler) publicity has been largely given over to the fun he is having with his new pilot's license and his plane. This has not set well with the voters of Michigan." Sigler has 18 more months to go before the voters will weigh the record. He has shown a tolerant willingness to take criticism provided it is constructive.

Root of Michigan's tax troubles lies in the deep antagonism between rural and urban interests, the fear of rural legislators that the legislature will be dominated by cities, and the lack of urban representation at Lansing although cities foot most of the tax bills. Less than one-half of the counties are self-supporting through taxes. Put this on your phonograph, and you go around and around. Your conclusion will depend largely upon your viewpoint. The Highland Park, suburban newspaper of Detroit, advocates a constitutional amendment to assure that each county will get back its "just share" of taxes.

Governor Sigler's recommendation. Continued on page 8.

THE UNUSUAL FROM LOCAL TULIP GARDENS

The unusual in the tulip family was brought to the attention of the Chronicle the past week. One stalk bearing five blooms was brought to the newspaper office from the garden of Mrs. Alex Peraki, three miles west of Cass City. The blooms were all perfectly formed.

Keith McConkey displayed a tulip stalk and bloom which measured 29 inches in length.

PIONEERS WILL HOLD THEIR REUNION ON JUNE 19

MENNONITE CONFERENCE CONVENES AT BROWN CITY

The annual conference of the Mennonite Brethren in Christ Church of Michigan convened at Brown City on Tuesday morning.

The session on Tuesday was featured by essays and discussions by ministers from various parts of the state participating. Dr. Byron L. Osborne, instructor at Cleveland Bible College addressed the group.

At the business session on Wednesday district superintendents were elected and ministers and workers were assigned to parishes. The conference will close tonight (Friday).

MRS. SHARRARD TALKS WITH SON IN PHILIPPINES

Mrs. Stanley Sharrard had the pleasure of having a conversation by telephone Saturday with her son, William Spencer, located in the Philippine Islands. Mrs. Sharrard says she was able to hear her son very plainly and distinctly. Mr. Spencer is captain of the Philippine Air Lines and he and Mrs. Spencer and baby reside at Manila.

284 Unemployed People in Tuscola Co.

The Caro office of the Michigan Unemployment Compensation Commission paid unemployment compensation benefits to 284 unemployed people in Tuscola County for the week ending June 6, according to W. H. Baughman, principal claims examiner.

This figure includes 185 unemployed veterans paid readjustment allowances and 99 industrial claimants paid from the Michigan Unemployment Compensation trust fund. Included among the industrial claimants were 24 women.

Mr. Baughman said there were 19 who filed initial claims for the week, an increase of three since the previous week. Of this number five were veterans and nine were women.

Schenck Retires from Post in Minnesota

A farewell party by fellow workers of the Oliver laboratory in Hibbing, Minn., honored Stanley H. Schenck, recently at the lab, just before he began a two weeks' vacation prior to retirement on a pension. Mr. Schenck attended high school at Cass City and is the son of the late Mr. and Mrs. Travis Schenck.

At the party the center of attraction was a large birthday cake decorated with 42 candles — one for each year that Mr. Schenck had been with the Oliver company.

After the speech-making, Mr. Schenck was presented with two handsome pieces of luggage, one for himself and the other for Mrs. Schenck.

Mr. Schenck does not plan to continue idle, however, after his retirement. Following his vacation, he plans to seek some activity and indicated the possibility that he may be moving to another point.

A great garden enthusiast, he has taken a leading interest in the Chisholm Garden Club and its several annual flower shows. He is now chairman for the seventh annual show in June, and for the Eighth District Horticultural Association meeting in connection.

Ladies' Auxiliary Now Totals Forty

Sixteen were present Monday evening for the regular meeting of the Ladies' Auxiliary of the American Legion. During the business session Mrs. Arthur Little, president, appointed Mrs. Everett Leishman, Mrs. Jason Leitch and Mrs. Harold Hulbert as a nominating committee to present a slate of officers for the annual election to be held at the next meeting, June 23.

Mrs. Stanley Sharrard was accepted as a new member and the membership now totals 40. Following the meeting, bingo was enjoyed with Mrs. Ella Vance providing the prizes.

PLAN 40TH WEDDING ANNIVERSARY JUNE 15

Mr. and Mrs. Ira May of Ellington are planning a family reunion at their home Sunday, June 15, when their 40th wedding anniversary will be celebrated. A potluck dinner will be served at two o'clock. All are welcome who wish to attend.

Bible School Starts with 133 Enrolled

The Summer Bible School of the First Baptist Church started on Monday, June 9, with 133 enrolled on opening day. A program by the school will be given on Saturday evening at the church at eight o'clock. On Wednesday, 203 were in attendance.

MISS ALICE ANTHES TO TEACH IN VASSAR SCHOOL

Miss Alice Anthes has finished a course at North Central College, Naperville, Ill., and was graduated from that institution on June 2. Her father, Walter Anthes, of Cass City, her sister, Mrs. Theron Bush, and daughter, Irene, of Unionville, and her uncle and aunt, Mr. and Mrs. John Race, of Pontiac attended the commencement exercises. Miss Anthes has signed a contract to teach the second grade in the Vassar school the coming year.

Vassar High Won County Field Meet at Caro Friday

Caro Baseball Team Won County Championship by Defeating Akron, 8-2

The Tuscola County High School Athletic Association's field meet at Caro Friday was closely contested with Vassar winning the day's highest total score over Caro by a margin of five points. The final reckoning showed the Vassar school in the lead with 106 points. Following them were Caro with 101, Millington 42, Cass City 11, and Unionville 1.

The Vassar 880-yard relay team made a record of 1 minute 26.2 seconds, the best time since a Cass City team set the mark of 1 minute 36.5 seconds in 1931. The Vassar relay team had as members—Smith, Schrader, Bernard and Snider, running in the order named. James Smith, first on the Vassar relay team, equalled the record in the 200-yard low hurdles held by Roman Smith of Caro since 1935, 23.9 seconds.

Caro's baseball team won the county championship for the first time in 17 years by defeating Akron, 8-2. The county seat team had previously annexed the Upper Thumb Association championship, going undefeated throughout the season.

Millington defeated Fairgrove in a softball tournament for girls, and Caro was the winner in a field meet for junior high school boys.

W. R. Kaiser Died in Detroit Wednesday

Wm. R. Kaiser, for many years a resident of Cass City, passed away Wednesday, June 11, at 3:30 p. m., at Detroit. He had suffered a heart attack.

Mr. Kaiser is a veteran of the Spanish-American War. While living in Cass City, he was custodian of the local schools for many years.

He is survived by his widow who was formerly Miss Esther Striffler; four children, Mrs. Wm. Quigley, Kenneth and John Kaiser and Miss Ruth Kaiser; a sister, Mrs. Samuel Striffler, of San Diego, California; and a half sister, Mrs. G. E. Krapf, of Cass City.

On Thursday, June 19, Ellis Collier will sell his personal property at auction 2 miles east and 1 mile north of Decker, on Germania Rd. Both of these auctions are advertised in detail on page 7.

Next week's Chronicle will carry auction advertisements for the Morrell Furniture and Hardware who will have a sale on Saturday, June 21, to make room for new merchandise, and for Mrs. Irene Webster, whose farm sale will take place Friday, June 27, 7 1/2 miles east of Cass City.

Deford Woman Died While Seated in Chair

From Deford correspondent. Mrs. John Zakocs, residing one mile south of Deford, died at her home about four o'clock Tuesday morning, June 10. She had been poorly for more than a year. Close to the hour of her death, she asked to be assisted to a rocking chair, took her usual amount of medicine, and died while seated in the chair. A sister of the deceased came to the home Tuesday.

Frances Gostola Zakocs was born Mar. 16, 1882, in Hungary and was married to John Zakocs Jan. 16, 1902, in Hungary, coming to America soon after. Mr. and Mrs. Zakocs came from Detroit to this locality June 18, 1931.

Funeral services were held on Wednesday at two o'clock in the Church of Christ, conducted by the pastor, Herbert Watkins. Burial was made in Novesta cemetery.

She is survived by her husband; one sister, Mrs. Anna David, of Detroit; three nephews, Emery, Joseph and Frank David; and three nieces, Ann and Margaret David and Mrs. John Pryna.

Turpentine Old Solvent
Turpentine is one of the oldest and most consistently used of the paint materials. From time immemorial, it has been used as a solvent and thinner in paint and varnish products. The four classifications of turpentine are gum spirits, steam distilled wood, destructively distilled wood and sulphate turpentine.

THE PLANT FOOD YOU LOSE

Everything sold off the farm reduces its fertility. Most crops remove as much or more potash than any other plant food. A great many of them remove more potash than nitrogen and phosphoric acid combined. Unless this necessary plant food has been replaced each year, chances are the potash now in your soil together with what you apply in ordinary fertilization is not enough to get the yields and quality which mean most profit.

Consult your agricultural adviser about the amounts of potash needed to grow your crops and how much your soil will supply. Write us for free information and literature on the profitable use of fertilizers.

Unshelled Nuts
It takes almost this many pounds of unshelled nuts to make one pound of kernels: Almonds, 1 1/4 to 2 1/4; brazil nuts, 2; chestnuts, 1 1/4; filberts, 2 1/4; peanuts, 1 1/4; pecans, 1 1/4 to 2 1/4; and walnuts (English), 2 to 2 1/4 pounds.

Sit While You Work
Eight per cent more energy is required to stand than to sit. Therefore, extension home management specialists advise housewives to reduce fatigue resulting from housework by sitting while doing as many tasks as possible.

Food Preparation
Of total food consumed in the United States, three-fourths is prepared by housewives in 40 million kitchens; one-fourth in restaurants, hotels and institutions.

Grain Specimens
The department of agriculture maintains a collection of approximately 8,500 varieties of wheat, drawn from every country where wheat is grown. It has 4,000 barley varieties, 3,000 oats, 1,000 rice, about 300 corn, 400 flax and between 200 and 300 sorghums.

Cattle in India
In India, the cattle population is more than twice that of the United States, the sheep population is about 90 per cent as high but the number of hogs only about 4 per cent of our hog population. But the people of India eat little meat, milk products furnishing most of the protein.

Vast Ore Deposit in Canada Appears to Be One of the Greatest in World.

OTTAWA, CANADA.—Through a 200 million dollar program of exploration and development of a vast iron ore deposit in the Canadian-Labrador northland, which appears to be one of the greatest in the world, a virtually uninhabited area may be converted into a thriving industrial project of world importance.

Several million dollars already have been spent on exploration and drilling in the area, now peopled only by a few thousand Eskimos and Indians. Tests indicate the field has rich deposits of high grade bessemer ore, rivaling those of the famed Mesabi range in Minnesota. The Mesabi range now is the leading source of iron in North America. Interest in the new field is quickened also because the Mesabi supply, depleted by heavy drains in wartime, is dwindling in the face of continued heavy demands for iron and steel.

Hundreds of Miles Long.
The new deposits lie astride the Quebec-Labrador boundary between 300 and 400 miles north of the Gulf of St. Lawrence, far into the hinterland at the headwaters of the George, Whale and Swampy rivers in Quebec and extending into Labrador.

The iron-bearing rocks are several hundred miles in length and the ore deposits have been found to outcrop in the southern part for a length of over 100 miles and for a width of from 15 to 20 miles. This is a large field by any standard. It has financial as well as industrial circles on the alert.

The deposits are in two concessions, one in Labrador, under the Newfoundland government, and one in Quebec, The Hollinger Consolidated Gold Mines, operators of the largest gold mine in Canada, controls both concessions.

What is known of the deposits so far is based principally on the findings reported by the concession holders. These indicate a total of more than 1,250,000 long tons of ore per vertical foot, with an average grade of 61 per cent iron, a high content. The American average is a little better than 50 per cent and typical European ore runs from 30 to 35 per cent.

Winter Mining Seen.
Government officials believe open-pit mining could be carried on throughout the winter without difficulty, pointing out that this is done in Norway and Sweden at much higher latitudes.

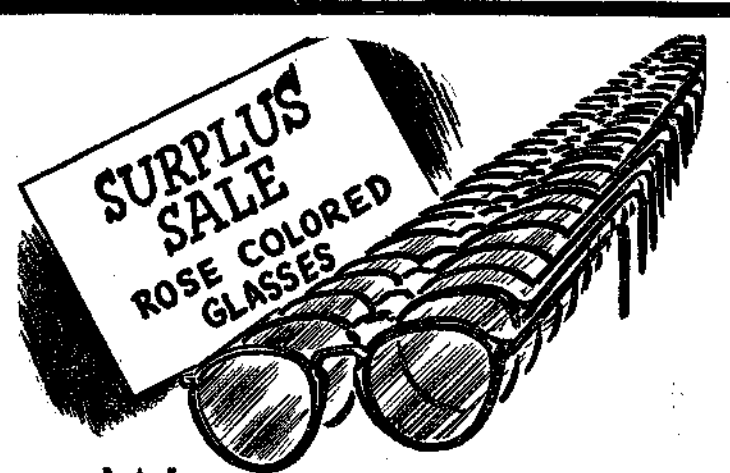

"There is an immediate market of important dimensions along the Atlantic seaboard of the United States and Canada where the short voyage and return cargoes of coal would give it an advantage," said one government mines official.

The Labrador ore is of exceptional quality, could be mined at unusually low cost and could be transported to a St. Lawrence port at moderate cost.

Sweden would give keen competition to the Labrador ore in British and western European markets, and the largest potential market for the iron appears to be in the area now served by the Mesabi range.

C.O.s Serve Terms
About 6,000 conscientious objectors served prison terms in World War II, losing their rights to vote, hold office, or hold professional licenses as doctors and lawyers in many states.

Blue Ocean
The blue color of ocean water is caused by reflection of green, blue and violet light rays by minute particles in suspension.

We really don't have any to sell, but there seems to be an over-supply of them on all sides. Many people think they see such a rosy future that they don't even bother to save. We know, though, that the time to prepare for lean years is in the years of plenty. Hope for the best, but prepare for the worst... save... save... save...

WEDDINGS IN EARLY JUNE

Candlelight Wedding Service at Baptist Church Saturday

Candlelight, huge baskets of white flowers and the playing of familiar hymns provided an appropriate setting while the ushers, George Glaspie and Courtney Clara, seated the 200 guests preceding the ceremony in the First Baptist Church Saturday evening in which Miss Ersel Irene Glaspie, daughter of Mr. and Mrs. Omar Glaspie, became the bride of Nick Prutchick, son of Mr. and Mrs. John Prutchick of Pigeon. Rev. Arnold Olsen performed the ring ceremony at eight o'clock.

Miss Betty Jo Agar, attired in aqua, sang "O Promise Me," directly after which the bride entered the church on the arm of her father. They were preceded by the bride's attendants, Judy Glaspie, her niece of Harbor Beach as flower girl, Miss Anna Kastraba, close friend of the bride, and Mrs. Mary Deuroye of Caseville, sister of the groom. Waiting at the altar were the groom and his attendants, Grant Glaspie, brother of the bride, and Malcolm McCallum of Cass City. The bridal party entered to the strains of the wedding march from Lohengrin, played by Mrs. Stanley McArthur. The bride was given in marriage by her father.

The bride was charming in the white satin gown, worn by her sister, Mrs. Courtney Clara, at her own wedding. The floor-length veil of illusion net fell from a halo of white plastic flowers. An orchid topped the prayer book carried by the bride. Her only jewelry was a locket, a gift of the groom.

Miss Kastraba's gown was of blue nylon with which she wore long pink gloves and a horsehair hat. Mrs. Deuroye's gown was of pink nylon and her accessories blue. Flowers of the attendants were fan-like arrangements of lilacs-of-the-valley and pink carnations. Little Judy Glaspie's floor-length gown was of pink net with which she wore white gloves and hat.

Mrs. Glaspie, mother of the bride, wore gray and a corsage of yellow rosebuds.

After the ceremony Miss Betty Jo Agar sang "I Love You Truly," after which the bridal party went to the church dining room where a reception was held. Cut flowers and candles formed the decorations. The bride's table, covered with a white linen cloth, was centered with an all white wedding cake, flanked with lighted tapers.

After a week's trip to northern Michigan, Mr. and Mrs. Prutchick will occupy an apartment at 4129 South Seeger street.

Guests for the affair came from Bay City, Unionville, Pigeon, Caseville, Almont, Harbor Beach, Pontiac, Kingston, Vassar, Detroit and this vicinity.

The bride, a graduate with the class of '41 from the local high school, is employed by the Michigan Associated Telephone Co. here. The groom, who served four years in the army, is employed in Saginaw.

Miss Osburn Speaks Vows at Church Rites

The Methodist Church in Marietta was attractively decorated with baskets of spring flowers and lighted candles for the wedding of Miss Marion Helen Osburn, daughter of Mr. and Mrs. Lloyd Osburn of Marietta, and Mr. Leland S. Meredith, son of Emery Meredith of Snover. The pastor of the church, Rev. K. W. Burgess, officiated at the single ring service.

Miss Martha Osburn of Lansing, a cousin of the bride, played the wedding marches and the accompaniment for Mrs. Donald Caister, a cousin of the groom, who sang "The Lord's Prayer" and "Always" as part of the ceremony. Both musicians wore corsages of sweet peas.

The bride chose for her wedding a gown of white lace over silk, with a tight fitting bodice and a long train. The long sleeves ended in points over the hands and were beaded trimmed as was the yoke of the dress. Her long veil was trimmed with lace and fell from a beaded coronet crown, and she carried pink rosebuds tied with white ribbon.

Mrs. Howard Rexin was her sister's maid of honor. She wore a pink formal dress with a pink veil and carried pink carnations with ribbon streamers of a matching color. The bridesmaid, who wore a yellow formal dress with yellow veil, was Mrs. Merlin Meredith of Port Huron, sister-in-law of the groom. Her flowers were dark pink carnations tied with yellow ribbon.

Little Miss Patsy Caister, dressed in a pink formal and wearing a corsage of tiny blue and white flowers, carried the bride's train.

The groom was assisted by his brother, Merlin Meredith of Port Huron, as best man and Grant Os-

Miss Shagena Is Bride at Church Wedding

Rev. John J. Bozek officiated at the nuptial high mass Saturday at 10 a. m. in St. Pancratius Church when Miss Marie Doris Shagena, daughter of Mr. and Mrs. Milo Shagena, of Cass City, became the bride of Arthur DuRussell, son of Mr. and Mrs. Edward DuRussell, of Gagetown.

The bride's wedding attire was a floor-length gown of white satin, fashioned with long sleeves and a round neck with ruffle trim. Her veil of net, which fell from a crown of white, was floor-length. The bride carried her prayer book and rosary and for her reception wore a corsage of red carnations.

Miss Elaine Shagena, sister of the bride, was her bridesmaid and was dressed in blue organdy. She also carried her rosary.

Edward DuRussell, Jr., of Caro was his brother's best man.

Saturday evening, a large group attended a reception in honor of Mr. and Mrs. DuRussell in the town hall here. Guests for the wedding and reception came from Ohio, Trenton, Pontiac, Detroit, Saginaw, Bay City, Reese and this vicinity.

The groom was graduated from the local high school with the class of '43 and the bride attended high school here until ill health forced her to discontinue in her senior year.

The newlyweds will make their home in Cass City.

Cass City Nurse Is Married at Grayling

In a quiet ceremony, performed Saturday at 10 a. m. in the Danish Church at Grayling, Miss Wanda Mae Severn, youngest daughter of Mr. and Mrs. George Severn, became the bride of Robert Gildner, son of Mr. and Mrs. Joseph Gildner, of Grayling. Attendants were a sister and a friend of the groom.

The bride chose a street-length dress of light blue.

Mrs. Gildner was graduated from Cass City High School in 1945 and started training as a nurse at Grand Rapids. Later she transferred to Grayling where she is a trained attendant at Mercy Hospital. The groom served four years in the Navy.

Some 75 relatives and friends from Elkton, Tawas, Bay City, Port Austin, Pigeon, Caseville and this vicinity honored them with a reception, held in the home of the bride's parents here Saturday evening.

Mr. and Mrs. Gildner will make their home in Grayling.

Four Grandfathers of Couple Witnessed Marriage Friday

Four grandfathers of the young couple were present Friday to witness the marriage of Miss Dorothy Southworth and Mr. Ray V. Wakefield in Elkton. The quartet of grandfathers included George Wakefield, Chas. Southworth and John Gilbert, all of Elkton, and W. D. Striffler of Cass City. Mrs. Striffler, the bride's grandmother, also attended the wedding.

The ceremony was performed at 2:30 p. m. on June 6 before a background of white gladioli and white lilacs in the Southworth home near Elkton. Preceding the double ring ceremony performed by Rev. L. E. Burgess, Miss Anna Belle Curran sang "The Lord's Prayer" and "Always," accompanied by Miss Doris Quackenbush. Both young ladies live in Bad Axe.

Mr. and Mrs. Walter Bitner attended the bride and groom.

The bride wore a white suit with white accessories and a corsage of roses and shattered white carnations. Her bridesmaid, who is a sister of the groom, wore a gray

suit with a corsage of deep red roses.

Thirty members of the young couple's families attended the wedding and the reception which followed.

After a Canadian honeymoon, Mr. and Mrs. Wakefield will make their home in Ann Arbor where the groom is employed and where the bride is beginning her senior year in the School of Nursing at the University of Michigan.

Mrs. Wakefield is the daughter of Mr. and Mrs. George Southworth of Elkton and Mr. Wakefield is the son of Mrs. Roy Hall and the late Ray Wakefield.

SOFTBALL LEAGUE STARTS SERIES OF GAMES

The Church of Christ and Deford team opened the recreational softball season here with a 16-8 victory over the Methodist group. Poor fielding helped in the Methodist downfall. The second game played between Beaulieu and the Presbyterians ended in a 37-7 rout for the Beaulieu nine.

Wednesday night's game between the Evangelical U. B. Church and Veterans went eight innings before the Veterans could claim the victory with a 21-20 score. Ritter hit a home run to win for the Veterans. Dale Little, who was the star of the Evangelical group, had four hits out of five times at bat.

The schedule for the week of June 16 to 20 is as follows:

June 16, American Legion vs. Baptist.

June 17, C & D vs. Presbyterian.

June 18, Beaulieu vs. Methodist.

June 19, Presbyterian vs. Baptist.

June 20, Evangelical vs. Methodist.

Mr. and Mrs. M. B. Auten visited their daughters, the Misses Charlotte and Carolyn Auten, in New York City the last of the week and went from there to Brunswick, Maine, where Mr. Auten attended the 35th reunion of his class at Bowdoin College. Fred and Charles Auten, who have been attending Bowdoin College the past year, returned home with their parents, arriving here Sunday evening.

Mr. and Mrs. James MacTavish and children, Ann and Jimmy, spent Saturday night with Mrs. Joseph Towle in Detroit. Mrs. Towle had just returned to her home after spending the winter in Arizona. On Sunday they attended a family gathering at the cottage of Mr. and Mrs. Clayton Mudge at Lake Orion. Others attending were Mr. and Mrs. Everett Mudge of Los Angeles, Cal., Clare Mudge of Grosse Pointe Park, Mr. and Mrs. Fred McInnes of Port Huron, Mr. and Mrs. Elden Mudge and family of Pontiac, Mr. and Mrs. Chas. Blaney of Detroit, Larry Towle of Arizona, and several friends of the family.

Week-end guests of Mr. and Mrs. Mack Little were Mrs. Isabel Burgess and her mother-in-law, Mrs. Olive Burgess, of Pontiac. Mrs. Isabel Burgess, a close friend of Mrs. Little since college days, has visited here often and friends will be interested to know that Mrs. Burgess will spend the summer months with Mr. and Mrs. Ali B. Jarman at Fairbanks, Alaska, who are also well known here. Mrs. Burgess expects to leave Detroit by plane next Monday and will arrive at Anchorage, Alaska, about 11 a. m. Tuesday. The Jarman will meet her at Anchorage. She will return by plane Aug. 5, coming to Seattle to visit relatives before returning to Pontiac where she and her mother-in-law are both teachers in Pontiac schools.

Mrs. Luella Bullock entertained Mrs. Lulu Hilborn of Decker a few days last week.

Gene and Joan Demo are spending two weeks with their sister, Mrs. Harold Fitzmaurice, at Bay City.

Wm. Merchant returned home on Sunday after spending ten days with Mr. and Mrs. Arthur Kennedy of Colwood.

Visitors at the William Walmsley home for the past week were: Avis Wiltse and Burton Grondine of Manistiquie.

Joyce Merchant left Sunday to spend some time with her aunt and uncle, Mr. and Mrs. John Kennedy, at Colwood.

Miss Martha Knoblet and Miss June Coulter left Sunday for a trip to New York City. They plan to be gone a week.

Clare McQueen left Saturday for a trip along the western coast of Michigan. He will also visit his grandfather, James Brown, at Harlem Springs, Ohio. Clare expects to be gone about ten days.

Telephone Concert
The cornet was the first musical instrument heard over the telephone—in a concert arranged by Alexander Graham Bell himself.

Tooth Eruption
Eruption of teeth through the gums is caused in part by the growth hormone and the thyroid hormones, scientists have found.

Washing Woodwork
To prevent streaking when washing woodwork, be sure to change the suds and rinse water often.

Don't Forget
Don't forget this date, June 21. To make room for more merchandise and reduce our stock, we will have an auction sale at our store on the above date. Watch the paper for further information. Moeller Furn. and Hardware, Cass City, Mich. Phone 266.—Advertisement 6-13-1

HOLBROOK

Mr. and Mrs. Roy Gremel and children of Saginaw spent the week end at the home of Mrs. Edith Jackson.

Mr. and Mrs. Loren Trathen had as guests on Sunday, Mr. and Mrs. Peter Rienstra and sons and Myrtle Lorene Souden, all of Cass City, Mr. and Mrs. Ernest Freeman and children and Mr. and Mrs. Chas. Priest of Flint, and Edwin Trathen of Ubyly.

Mr. and Mrs. Gordon Jackson of Holbrook and Mr. and Mrs. Forrest Smith of Shabbona visited at the Edgar Jackson home in Ubyly on Sunday.

Bette Shagena is spending some of her vacation with her uncle and family near Cass City.

Mr. and Mrs. Theo Gracey entertained on Sunday their daughter and husband, Mr. and Mrs. Emerson Kennedy, of Shabbona, and Mr. and Mrs. Roy Shires of Ivanhoe.

Melbourne Rienstra of Cass City is spending a week with his grandparents, Mr. and Mrs. Loren Trathen.

Wm. Jackson has received his discharge from the Army and with his wife and family is living west of Old Greenleaf.

Mr. and Mrs. Milo Rathbun have moved their household goods to Pontiac, where they will make their home.

Chas. Morrish, who is employed in Detroit, spent the week end with his family here.

Mr. and Mrs. Gerald Stuart and Mr. and Mrs. Graydon Stuart of Bad Axe visited Sunday at the home of their parents, Mr. and Mrs. James Stuart.

Alex McCormick, who passed his 96th birthday March 16, has been quite poorly the past few weeks. His many friends wish him a speedy recovery.

NOVESTA

Mr. and Mrs. Guy Woolman of Marysville returned to their home after spending several days visiting Mrs. Geo. McArthur and Mr. and Mrs. John McArthur.

Mr. and Mrs. Claud Peasley entertained on Sunday Mr. and Mrs. "Bud" Peasley and children of Cass City and Leslie Peasley of Pontiac.

Sunday afternoon visitors at the home of Mr. and Mrs. A. J. Pratt were Mr. and Mrs. A. H. Henderson, Mr. and Mrs. Audley Horner and family, and Eldon Bruce.

Mystery surrounds the fire that broke out in the dwelling house of Wesley Perry on his farm in section 13, Novesta, on Sunday morning. Mr. Perry was not at home when the fire started on the inside of the house. Considerable damage was done all through. Insurance will cover loss and investigations are under way. House was occupied by a tenant.

A short dedicatory service was held for the new bulletin board on the lawn of the Church of Christ on Sunday.

Mrs. Roy Colwell, who has been caring for her mother, Mrs. George Spencer, during her illness, went to her home in Saginaw to attend the graduation of her son, Allen. Mrs. Spencer is somewhat improved but is still confined to her bed.

Mr. and Mrs. Hazen Warner spent Sunday with the former's sister, Mrs. William Schirmer, of Romeo. Mr. Schirmer passed away on Saturday after a long illness.

Clark Montague and family spent Sunday at the Thane home in Caro. Mrs. Thane and Mrs. Montague are sisters.

Mr. and Mrs. Grant VanWinkle spent the week end at the home of their son, Richard, in Milan.

Mrs. George Collins of Avoca, who has been in poor health for some time, was able to attend the family reunion on Decoration Day at the Hazen Warner home. She remained for an indefinite time with her daughter.

Protect Ironing Board

To protect your ironing board from fading colors, slip a discarded pillow case over the end when ironing anything that fades.

Water Injures Leather

Water is hard on leather. Shoes should be protected from rain and snow by rubbers or overshoes. Wet leather gets out of shape and wears out more rapidly than dry leather. For this reason, wet shoes should be dried thoroughly before they are worn again. They should be put on shoe trees or stuffed with paper while drying so their shape won't be lost.

Frozen Meat

Busy housewives who do not have time to thaw frozen meat products before cooking are assured by researchers that they do not spoil flavor, reduce juiciness, or increase shrinkage. The only factors to consider are that thawed meats cook quicker than still frozen meats; that unthawed meat is more apt to spatter fat when braised and less likely to hold an egg and crumb mixture in frying. If roasts are cooked in the frozen state, 10 minutes more must be allowed per pound than for thawed roasts. A two-inch frozen steak needs 15 minutes more cooking time than a thawed one of the same thickness.

EVERGREEN

The Evergreen Women's Christian Temperance Union will meet with Mrs. Roy Severance on Friday, June 20, at 2 p. m. Everyone is cordially invited.

Cures Seedwarts

Complete cure follows in more than 85 per cent of cattle carrying crops of seedwarts after one or more injections of a vaccine made from chick embryos.

Raw Cauliflower

Cauliflower is good raw. Cut it into small pieces and combine with raw carrots or a chopped salad green.

Feed Better Eggs

In certain instances, the nutritive value of eggs can be influenced by the quality of the feed which the hen obtains, say nutrition specialists.

For CHILLY SPRING MORNINGS an ELECTRIC HEATER FURNISHES GLOWING WARMTH

Chilly corners can be warm as toast these cool spring mornings. A modern electric heater gives you instant warmth from your nearest outlet. Easy to carry, easy to operate. There is no cleaner more convenient type of heat. These new, low-priced heaters are ideal for warming baby's bath area, your dressing room, bathroom, or grandmother's favorite corner.

And It Costs Only A Few Pennies An Hour . . .

but unlimited use can cause high electric bills. For example, a thousand watt heater at residence rates costs only 17½¢ a week when used one hour daily for seven days. This same unit, however, when used 8 hours a day costs \$1.40 a week and will add \$11.20 to your two months' bill. Consult a reputable electric dealer who can recommend a heater of sufficient wattage to fit your particular needs. He can also tell you just how much it will cost to operate.

Infested Pigs
When young pigs are infested with roundworms, they become stunted, unthrifty and weak, they suffer from diarrhea, and, sometimes, they become pot-bellied.

The Pile to Backing
The pile of all oriental rugs is tied by hand, tuft by tuft, to the warp, or backing of the rug. This is one of the reasons why oriental rugs are so durable.

Strengthen Hems
Hems which are usually loosely sewed in readymade dresses should be rehemmed with more secure stitches and stronger thread.

Clean Fur
To keep a fur clean, use a mixture of sawdust or cornmeal and dry cleaning fluid which can be worked thoroughly into the fur and then brushed out.

Tractor Economy

Farmers' experience indicates that rubber tires on tractors save from 15 to 25 per cent in fuel and as high as 35 per cent in repair costs.

Hindquarters Tender

Hindquarters of beef weighing 200 pounds will yield 120 pounds steaks and roasts and 35 pounds stew and ground meat. About 60 per cent of the hindquarters will be tender cuts and 15 per cent will be less tender.

Cotton Use

Of the total U. S. fiber consumption of 5,923,900,000 pounds in 1945—4,508,200,000 pounds or 76.1 per cent were cotton.

Lack of Materials Hits Car Output

Production Now Sustained At Level of 100,000 Units a Week.

DETROIT. — Production operations throughout the nation's car industry continue to be hampered by the materials supply situation, especially with respect to sheet and strip steel, with no indications of substantial improvements in sight. Meanwhile, however, the automobile assembly plants are keeping output volume close to the 100,000 units-a-week level.

That level will be maintained barring a prolonged work stoppage within the industry's own plants or those of vital suppliers.

Swamped by Orders.
The current production rate, maintained through the year, would yield close to five million cars and trucks.

But the industry, with the heaviest accumulation of unfilled orders in its history and no apparent letup in buyer interest, would like to achieve that volume in 11 months or less.

It had planned to this end when it laid out original schedules for July, August and September. Now the prospective tight supply situation may require a sharp scaling down of the original projections that called for around 1,750,000 cars and trucks in the year's third quarter.

Car manufacturers have complained of materials shortages almost since the beginning of postwar operations while at the same time steadily increasing their output.

Capacity Not Reached.
Production volume currently is running ahead of monthly totals as far back as July of 1941.

How many vehicles might be rolling out of the assembly plants if the industry had all the materials it wanted is anybody's guess.

Certainly, the present rate is not keeping much more than 60 per cent of its plant capacity in use.

Quite probably if the industry could turn loose all its production capacity it still would not schedule much more than five million units a year.

It would, however, make them in 10 months, instead of 12 and utilize the other two months for customary model switchover.

Agriculture Department Says

Bees Eligible for Sugar

WASHINGTON. — The nation's honeybees are still eligible for sugar rations. The agriculture department announced in answering queries of beekeepers as to whether recent transfer of rationing from OPA to the department affected previous regulations.

OPA had been allowing beekeepers to obtain 10 pounds of sugar per colony to feed bees which otherwise might starve, and as much as 15 pounds in "unusual hardship" cases.

The department said these allowances still stand.

To obtain sugar for bees, keepers must submit applications approved by authorized county agricultural conservation committeemen.

Two Army Privates Given

Life Sentence for Murder

YOKOHAMA. — Two American army privates were sentenced to life imprisonment for the murder of Pfc. Charles London, of Detroit, eighth army headquarters announced.

Pvts. William Garner of Snow Camp, N. C., and Jesse E. Brown of Philadelphia were convicted by a general court-martial.

The army said the two men visited two Japanese girls October 28 and got in a fight with London, whose body was found in a canal on November 3. He had drowned.

The sentence is subject to review by the men's commanding officer.

United States and Russia Set

Up Liaison Units in Reich

FRANKFURT, GERMANY. — United States and Russian occupation forces have agreed to establish liaison missions in each other's zone of occupation, the United States European command announced.

The missions will have "freedom of travel throughout the other power's occupied zone and will be authorized to investigate and report on interests of their nationals within the zone," the announcement said. Each mission will have army, navy and air force representatives, limited to a total of 14. The missions are being established under provisions of the 1945 Potsdam conference.

Sugar on British Freighter

Is Confiscated by Dutch

BATAVIA, JAVA. — Capt. Gilbert Kent said that Dutch authorities had confiscated "a number of tons" of sugar and sisal (fiber) from the cargo of the 394-ton British freighter Empire Mayrover. The cargo was loaded at the Indonesian republican port of Cheribon. The unauthorized export of sugar, sisal and other products from estates controlled by the republic were forbidden by the Netherlands East Indies government in a January 29 decree, which later became a subject of notes from the United States and British governments.

Like Alice in Wonderland who cried before she pricked a finger, the General Motors "Train of Tomorrow" permits a traveler to see where he is going before he gets there. Which is to say that this writer was among the passengers on the Lansing-to-Detroit run last week and viewed the approaching landscape through the "Astra-Dome" on top of one of the train coaches. It's an inclosed air-conditioned observatory. The noiseless glide of the Diesel-powered train is another feature which heralds tomorrow's railway transportation.

survey that most clerks are inefficient and must be re-trained to give prompt, intelligent customer service. Another straw in the wind.

Union bricklayers on state construction jobs are laying only 300 bricks a day compared with 1,000 pre-war, says A. N. Languis, state building director. Low efficiency of union labor is blamed by Languis for high costs. Example: A Caro state hospital building, built in 1939 for \$81,143, is being duplicated this year. The 1947 cost will exceed \$280,000. Same building, but \$200,000 more!
