Select Members of County Boards of Education

One Hundred Fifty-four Voters Chose Five for the Tuscola County Board

School district representatives of Tuscola County met at the court house Monday evening to elect a county board of education as provided by recent legislation.

Members of the county board For six year terms—A. A. Med-calf of Unionville and Harry Rus-

sell of Gagetown. For four years-Allison Green of Kingston and Audley Rawson of Cass City.

For two years-Maurice Ransford of Caro.

One hundred fifty-four votes were cast in the choice of board niembers. Each district school board in the county was entitled to one vote. The Cass City district was represented at the meeting by C. U. Brown, president, and Lester Ross, secretary of the local board of education.

The five members of the county board of education, all property holders and qualified electors, will make up an organization to serve as counsel for the county com-missioner of schools. Ben H. Mc-Comb will continue to occupy this office until the expiration of the term to which he was elected before the new system was inaugurated by the state legislature.

According to the legislation, State Enrolled Act. 121, each county with population over 15,000 will become a school district effective on October 18 with matters related to education to be decided by the county school board. This board will also appoint the county superintendent each four years, thus removing the job from political contests.

Members of the Huron County Board of Education elected Mon-day are: Dr. G. A. Sturm, Bad Axe, and Maymord Kent Kinds for a college and the Leeson home Board of Education elected Monand Maynard Kent, Kinde, for six years; Ralph H. Brown, Ubly, and Pigeon, for two years.

Troopers Gerard Wrocklage, left, and Gordon Grinwiz, right, show the difference between the old and new summer uniforms of the Michigan State Police. The new outfit, worn for the first time this week, is designed for the comfort of the troopers without sacrificing the distinctive appearance of a uniform. One marked change is the elimination of puttees, which were reminiscent of the days when all patrol work was done on motorcycles, such as shown in the mural in the background. Only cars are now used on patrol, and the puttees, which are warm and bind on the legs, are particularly uncomfortable when behind the wheel.

sisted at singing the mass and sang a solo, "Ave Maria."

Given in marriage by her father, Geraldine or Gerry, as she is known to her friends, chose gown of white slipper satin. It was simply fashioned with a net yoke, long pointed sleeves, and full skirt which extended into a circular train. Her headdress, a seed pearl tiara, held in place her finger-tip veil. Her bouquet com-bined white gladioli and lilies of the valley.

As maid of honor, Jean Kehoe of Gagetown, cousin of the bride, was gowned in blue organza. The bridesmaids, who wore similar gowns in pale blue and pink, were Frances Mark of Cass City, sister of the groom, and Mrs. Robert Adair of Berkley, cousin of the bride. Their headpieces of flowers and marquisette matched their They carried colonial bouquets of roses and carnations. The flower girl was little Jane Mark, niece of the groom, who wore a gown of yellow net over taffeta and a headpiece of yellow flowers and net. Her colonial Mr. and Mrs. Wm. ee Keboe, Jr., of cousin of the bride, was best man, green was the color scheme for Seating the guests were Robert Adair of Berkley, and Douglas Mc-Kinnon of Detroit, also cousins of the bride.

Mrs. Kehoe chose a grey linen dress, trimmed in lace of the same color, with which she wore black and white accessories. Mrs. Mark's dress was a grey print crepe with white accessories. Their corsages were of white gardenias.

A wedding dinner for the immediate families was served at the Fisher Hotel at Frankenmuth.

At the reception, held at the Gagetown High School auditorium, the bride and groom received about two hundred guests. Out-of-town guests were from Detroit; Pontiac, Berkley; Iron Mountain; Hollywood, California; Teeswater, Ontario; Port Huron; Lockhaven, Pa.; and Cass City. The bride was graduated from

Gagetown High School in 1941, attended Bay City Business College, and is now employed in the office of Nestles Food Products. The groom was graduated from Cass City High School in 1937. He served four years in the service of the United States Army, and is now employed as bookkeeper in the office of the Farm Produce Lumber Company.
When they left for the upper

peninsula, Gerry wore a gold gabardine suit with brown accessories. When the newlyweds return, they will make their home on South Seeger Street in Cass

Busy Port

On an average day, 25 or 30 ocean vessels clear the port of New York. Each year, some 10,000 vessels load and unload their cargoes in the port. To berth them, 1,900 piers and wharves have been built by private interests, municipalities and government agencies. Twelve major railroads bring cargoes to the port from all parts of the nation.

Northern Honeymoon Former Decker Girl Miss Jeanne Tate Married in Detroit

July 12th was the date of a very pretty and formal wedding in Our Lady of the Rosary Church, Woodward and Medbury Avenue, Detroit, when Miss Mary Vivian Phettheir marriage Saturday morning Earl J. Phetteplace of Decker, became the bride of Mr. Adam Ger-Gerres of Arlington Avenue, Detroit. The church was decorated with white gladioli and white by a corsage of red roses. Mrs. draped prie-dieu before the altar completed the setting. The cere-mony was performed by Rev. Fr. Bresenham, assistant pastor of Rosary Church.

The bride chose an all lace gown with train, over heavy satin, and wore a long veil of finest lace net with seed pearl headdress. She carried a shower bouquet of white roses. The bride's sister, Helen Anne Phetteplace, of Decker, was bridesmaid and wore a similar dress of blue lace and net. The groom's sister, Mrs. Harold Pilkey, of Detroit, was matron of honor, and was dressed in a gown of pink marguisette. Both carried match-

ing bouquets of roses.
The groom chose his brother-in-law, Mr. Harold Pilkey, for his best man, and Edward Phetteplace, brother of the bride, was the other member of the party. Sgt. William Huggard and Merrill Kreger, brothers-in-law of the bride, seated the guests.

Mrs. Joseph Hughes, a close friend of the bride, sang "Ave Maria", and other selections...

The wedding was largely attended by relatives and friends of both the bride and groom. The bride's family, Mr. and Mrs. Earl Phette-place, Mrs. Sarah Phetteplace, Mr. and Mrs. Edward Phetteplace, Mr. and Mrs. Merrill Kreger, and Sgt. and Mrs. William Huggard attended from Decker and Snover.

The wedding breakfast was served at the Lee Plaza Hotel in Detroit. In the evening a large Caro. reception was held in the main hallroom of the Lee Plaza where an orchestra furnished music for for several years was employed in dancing and refreshments were served to all.

Many beautiful gifts were received, including a chest of silver Corps and spent much time in the from the General Motors Building Pacific. He is employed with the Division, where both the bride and Meyers Construction Co. groom are employed. They will make their home in Detroit.

Again the group were sorry not to have Uncle Oscar O'Kelly, who is the oldest living member of the O'Kelly family in this part of the country, present. Illness in the family of which all were sorry to hear, and his own poor health made it impossible for him to attend.

The little son of Mr. and Mrs. Clarence Burse of Saginaw and a descendant of the late Mrs. Elizabeth O'Kelly Campbell McCrea, was the youngest member of the O'Kelly family present. Edwin Roger Blades, youngest son of Mr. and Mrs. J. C. Blades, of Detroit. and a descendant of the late Daniel McCrea of Almer, was the youngest member of the McCrea family in attendance.

After enjoying ice cream and cake late in the afternoon, farewells were said and hopes were expressed to meet with Mrs. Katherine Fisher at her home in Caro in 1948 and all returned to their homes in Flint, Saginaw, Caro, Deford, Cass City, Bay City and Wickware. M/Sgt. Malcolm J. McCrea came from as far away as Puerto Rico Island by plane to be with his relatives for a few days.

There's a FACTORY on your Back Forty

LAST YEAR'S FARM PRODUCTION proved that the farm, however large or small, is more than a farm. It is a factory too—a factory for producing food. During the last full year of the war, the American farmer produced 1/3 more crops with 10% less

How? By using factory methods. By letting electrical power and electric equipment do the heavy, time-taking farm chores.

Production costs of your farm factory are reduced in direct proportion to increased output. Exactly as production costs are lowered in the city factory.

Our Farm Service Advisor will be glad to give you helpful advice on how electricity can step up production and put more dollars in your pocket. Just call your nearest Edison office and ask for the Farm Service Advisor. He is trained and ready to help you make that new factory on your old "Back Forty" produce more for less.

■ There are more than 200 farm jobs that electricity will do. In the farm yard and in the farm homeelectricity does these jobs faster, better and for less money than doing them any other way. In water pumping, feed grinding, gutter cleaning, poultry brooding, milking, grain and hay finishing and hundreds of other jobs electricity is the dependable low cost way to increased profits.

Sweet'n Juicy, Golden-Ripe Peaches!

Bushels 'n bushels of luscious beauties . . . for canning, eating, shortcakes, pies, salads!

Yes, come get your peaches at A&P! They're fresh from America's famous peach orchards where they were drenched in Southern sunshine. They're plump and

luscious-packed with golden, succulent meat and juicy sweetness. And just look at those prices!

ALL-AROUND 'WORK-HORSE' FOR YOUR FARM THE 4-Wheel-Drive UNIVERSAL

COMPARE THE UNIVERSAL "JEEP" for all the farm jobs it does the day 'round, all year.

With steady-pulling 4-wheel drive and tractor speeds of 21/2 to 7 mph, the 60-hp Universal "Jeep" operates plows, harrows and other pull-type or hydraulic implements.

The Universal "Jeep" also serves as a pick-up and tow truck, with 4-wheel drive for heavy going and 2-wheel drive for highway speeds.

Let us demonstrate the "Jeep" on your farm, without obligation, so you can see how this versatile farm vehicle saves you time and money.

Like a virtuous wife, that which commonplace is often unap-

We refer in particular to Michigan's 10,000 inland lakes, its 2,028 miles of Great Lakes' shoreline, and its numerous navigable rivers

Because these lakes, sandy beaches and waterways are a familiar part of the Michigan scene, we have a tendency to take these natural resources all for granted and to postpone until "tonorrow" our enjoyment of them.

The other day we dropped in at the office of a newspaper editor who likes to go fishing. Knowing his hobby, we made prompt in-

quiry.
"How's fishing in these parts this season?" we asked. The editor looked at us with a far off

yearning and recollection.

Come to think about it," he said, "I haven't been fishing yet this summer. That's the trouble with Michigan. Our lakes are here today and they will be here tomorrow. It's too darn easy to get in the habit of going fishing tomorrow but never going fishing to-

A favorite uncle and aunt paid us a visit over a recent week end. Packing up our snug cabin-inwheels, we headed our house trailer towards the Michigan west

to the voice of nature. If it were not for pain, our bodies 'could be destroyed without our knowledge. Pain is a friendly warning that something is wrong. If, in desease you silence this warning by deadening the pain, you have not corrected the cause, but you have taken away nature's danger signal.
